III. BACKGROUND

- A. On November 3, 2004, the City created the Zone over the property contained in the Zone by adoption of City Ordinance No. 2004-05 (as amended, the "Creation Ordinance"), a true and correct copy of which is attached hereto as **Exhibit 1**, for the purposes of development and redevelopment of the property within the Zone (a legal description of which is contained in Exhibit 1). The City amended the creation ordinance on February 11, 2005, by Ordinance No. 2005-01, a true and correct copy of which is attached to this Agreement as **Exhibit 2**. The termination of the Zone was to

occur on December 31, 2034, or as otherwise provided in the ordinance. The Zone and the City adopted the Original Plan for the Zone in 2005. The City agreed to participate in the Zone by contributing tax increments produced in the Zone to the Tax Increment Fund. The County also agreed to participate in the Zone, beginning with the 2005 tax year, and the City, the County and the Zone entered into the 2009 Agreement setting forth the terms and conditions for its participation in the Zone.

- B. Due to a myriad of issues, including an unanticipated downturn in the economy that negatively impacted development in Texas, and significantly delayed development in the Zone, including the anticipated increase in taxable values in the Zone, which also directly and negatively impacted the generation of tax incremental revenues, on October 24th, 2017, (i) the Zone Board adopted the 2017 Plan, to extend the term of the Zone in order to allow the Zone to fully fund the list of projects originally anticipated in the Original Plan at the time of its adoption; (ii) the City adopted Ordinance 2017-10 to approve the 2017 Plan and extend the term of the Zone.
- C. Also in 2017, (i) the Zone Board by motion, adopted an amendment the 2009 Agreement, which would extend County participation to be co-terminus with that of the City, and reduce the participation tax rate from \$0.509 to \$0.48 and (ii) the same day, the City adopted Ordinance No. 2017-11, approving the amendment to the 2009 Agreement. This amendment was not executed by the County.
- D. Due to a request from the Zone Bond Counsel, a minor clarification to language in the 2017 Plan relating to the amount of bonded indebtedness, and sources of revenue available to defense debt was approved by the Zone Board on May 14th, 2018. On the same day, after the required public hearing, City Council adopted Ordinance No. 2018-04, a true and correct copy of which (excluding the copy of the Amended Plan) is attached hereto as **Exhibit 3**, approving the Amended Plan, and extending the term of the zone. As explained in the Amended Plan, exact locations of infrastructure improvements will be determined by the City and the Zone Board, which are expected overtime based on factors such as the location and progress of private development within the Zone.
- E. Subsequent to the approval of Ordinance No. 2018-04, City Council approved Ordinance No. 2018- 05, to replace the 2017 Plan previously attached to the version of the Interlocal agreement previously approved by the City Council with the Amended Plan.
- F. A true and correct copy of the Amended Plan is attached hereto as **Exhibit 4**.
- G. The City and the Zone represent and warrant that (i) each has found that the City and the Zone have complied with all legal requirements, including notice requirements, in the creation of the Zone, the adoption and amendment of the Creation Ordinance, and the adoption of each of the Original Plan, the 2017 Plan and the Amended Plan; (ii) the Amended Plan is feasible; and (iii) construction pursuant to the Original Plan commenced within three (3) years of creation of the Zone.
- H. The Parties agree that the changes to the Original Plan adopted by the Amended Plan constituted a Material Change to the Original Plan, that notice was given to the County

in accordance with the 2009 Agreement, and that the Parties worked together to address the County's comments and objections prior to the adoption of the Amended Plan.

- I. The Zone is now projected to terminate on December 31, 2047, unless earlier termination occurs under this Agreement (the "Term of the Zone").
- J. The Parties now desire to enter into this Agreement, which amends and restates the 2009 Agreement, pursuant to Section 31.013(f) of the Texas Tax Code.

IV. RIGHTS AND OBLIGATIONS OF THE COUNTY

A. Tax Increment Participation by the County

1. Subject to the limitations set out in this Agreement, the County agrees to participate in the Zone by contributing to the Tax Increment Fund an amount equal to 95% of the revenue generated from the County Applicable M&O Tax Rate as assessed and collected on the Captured Appraised Value for each respective tax year during the Term of the Zone. For the purpose of this Agreement, the County Applicable M&O Tax Rate shall be calculated as set forth in Section IV.B of this Agreement. In no event shall the County contribution to the Tax Increment Fund (including amounts allocated to the County's Administrative Costs in accordance with Subsection IV.B.1.e. below) be greater than the County Maximum Contribution over the Term of the Zone (which for purposes of this provision will be deemed to end no later than December 31, 2047) beginning with the 2005 tax year.

2. The Parties hereto agree that the County's contribution to the Tax Increment Fund pursuant to Section IV.A.1 above shall be used to fund Project Costs. The County's contributions to the Tax Increment Fund shall end when the County has contributed the County Maximum Contribution, or when it has made contributions of all Tax Increment Payments, as specified in the Project Plan, attributable to all periods through the end of the County's fiscal year 2047 (ending on December 31, 2047), whichever occurs first.

3. In accordance with Section IV.B.9.b. hereof, the Parties agree that, notwithstanding anything to the contrary contained herein, in the event any of the property within the Zone is also within the Transportation Zone, during any period commencing on or after January 1, 2035, with respect to which the County is obligated to pay part of the tax increment on such real property in the Zone to the Transportation Zone, the County's Available Tax Increment with respect to property that is within the overlap between the Transportation Zone and the Zone shall be fifty percent (50%), and not ninety-five percent (95%) of the County Applicable M&O Tax Rate.

B. Tax Increment Payment

1. a. The County's obligation to contribute its Tax Increment Payment to the Tax Increment Fund, as provided in Section IV.A. of this Agreement, shall accrue as the County collects its Available Tax Increment. The Parties hereto agree that all ad valorem property taxes collected each year by the County that are attributable to real property in the Zone shall first constitute taxes on the Tax Increment Base and after the total amount of taxes on the value of the

Tax Increment Base have been collected, then the remaining ad valorem taxes collected shall constitute the taxes collected on the value of the Tax Increment.

b. The Parties acknowledge that, prior to the execution of this Agreement, the County made all payments due on or before the date hereof pursuant to the 2009 Agreement.

c. The County agrees to deposit its next Tax Increment Payment to the Tax Increment Fund, which will be for tax year 2017, by the later of:

- (i) thirty (30) days after collection reports and any other documentation required under this Agreement have been provided to the Hidalgo County Auditor's Office and/or the County;
- (ii) the information required under Section 311.016 of the Tax Code having been provided to the County;
- (iii) May 1, 2018; or
- (iv) thirty (30) days after the full execution and delivery of this Agreement by all Parties.

For the avoidance of doubt, the amount of the next Tax Increment Payment due pursuant to this Agreement after the date hereof shall be based on the Tax Increments that were received on or before January 31, 2018, but which have not been previously deposited into the Tax Increment Fund or otherwise part of a calculation of a previously made Tax Increment Payment, meaning they were received by the County on or after January 31, 2017.

d. For subsequent payments, the County agrees to contribute its yearly Tax Increment Payment to the Tax Increment Fund annually not later than the later of:

- (i) thirty (30) days after collection reports and any other information required under this Agreement have been provided to the Hidalgo County Auditor's Office and/or the County;
- (ii) the information required under Section 311.016 of the Tax Code having been provided to the County; and
- (iii) the 90th day after the delinquency date for the County's property taxes (or the first business day thereafter) following the end of each tax year.

The amount of each Tax Increment Payment shall be based on the Tax Increments that are received up to January 31st following the end of the tax year, but which have not been previously deposited in the Tax Increment Fund or otherwise part of a calculation of a previously made Tax Increment Payment, during the annual periods preceding each deposit date.

e. Under no circumstances shall the County be required to participate in the Zone with taxes attributable to periods after 2047, or to make any Tax Increment Payment from any source other than the County's Available Tax Increment.

f. The County shall have the right to deduct the County's Administrative Costs prior to contribution of its Tax Increment Payment into the Tax Increment Fund. For the avoidance of doubt, if the County deducts Administrative Costs prior to making the payment into

the Tax Increment Fund, the amount of the deducted Administrative Costs shall be counted as having been made by the County to the Tax Increment Fund for purposes of determining whether the County has reached the County Maximum Contribution. The County will not deduct more than \$1400 in any calendar year for Administrative Costs.

g. The City shall request collection reports from the Hidalgo County Tax Assessor Collector and provide a copy of these reports along with a payment request detailing the payment calculation as illustrated in the chart in Subsection h. below to the County one month prior to the payment required to be made under this Agreement.

h. The chart below is for illustrative purposes only and is an example of the calculation of the County's Tax Increment Payment.

Such reports and documentation also shall include sufficient information on to allow the County and the Hidalgo County Auditor to confirm the expenditures from the Tax Increment Fund were for Project Costs.

3. Pursuant to Chapter 311 of the Texas Tax Code, in the event there is a conflict between the Parties in regards to the amount of the Tax Increment owed by the County, the Hidalgo County Auditor will make the final determination as to the amount of any Tax Increment owed by the County under this Agreement. Upon written request from another Party, the County will provide the Parties information showing the difference in the County's calculation of such amount owed. The annual Captured Appraised Value for the real property contained within the Zone shall be determined by the Hidalgo County Appraisal District on the assessed appraised values and the Hidalgo County Tax Offices' verification of collections in regards to the real property contained with the Zone.

4. Any delinquent deposit by the County of a Tax Increment Payment under this Agreement shall be administered as provided in Section 311.013(c) and (c-1) of the Texas Tax Code, which state as follows:

(c) Notwithstanding any termination of the reinvestment zone under Section 311.017(a) and unless otherwise specified by an agreement between the taxing unit and the municipality or county that created the zone, a taxing unit shall make a payment required by the Subsection (b) [Tax Increment Payment], not later than the 90th day after the later of:

- (1) the delinquency date for the unit's property taxes or
- (2) the date the municipality or county that created the zone submits to the taxing unit an invoice specifying the tax increment produced by the taxing unit and the amount the taxing unit is required to pay into the tax increment fund for the zone.

(c-1) A delinquent payment incurs a penalty of five percent of the amount delinquent and accrues interest at an annual rate of 10 percent.

The Parties expressly agree that the County shall not owe any penalty or interest on Tax Increments attributable to taxes that have been levied, but not received by the County, or with respect to any payment made prior to the date hereof. Further, the County shall not be liable for

the payment of any penalties or interest if the report required to be filed by the City under Section 311.016 of the Texas Tax Code is not filed timely; or if the fact sheet, the Zone's annual audit report, payment request or other documentation required by this Agreement are not provided to the County timely, or under any other situation in which the City does not pay interest or penalties.

5. As a condition of the County's participation in this Agreement, the Amended Plan must be followed and implemented by the Zone. The City and the Zone agree to provide prior written notice to the County of a proposed change to the Amended Plan at least thirty (30) days prior to the submission of the proposed change to the city Commission for approval. The County, and any member of the County Commissioners Court, may comment upon any proposed amendment to the Amended Plan prior to its approval by the City Commission.

6. If the City or the Zone Board materially breaches this Agreement, then the County may provide written notice to the City, and the Zone (with a copy to any other Participating Taxing Entity still contributing Tax Increment Payments) demanding that all breaches must be resolved within ninety (90) days. If the objections and/or concerns, as set out in the notice, are not resolved within ninety (90) business days from the date of such notice, then the County may discontinue its Tax Increment Payments and terminate its participation in the Zone.

7. Except for contributing its respective Tax Increment Payments to the Tax Increment Fund as set out in this Agreement, the County shall not have any obligation or responsibility for any costs or expenses associated with the development of the Zone or the implementation of the Amended Plan, including, without limitation, any obligation to pay or repay any bond or other debt issued by another Participating Taxing Entity, the Zone or the Zone Board relating to the Zone or any costs associated with the operation of Zone, the Project or any other projects relating thereto.

8. Notwithstanding anything herein to the contrary, the County's total Tax Increment Payment to the Tax Increment Fund over the Term of the Zone, including any amounts paid prior to execution of this Agreement and amounts allocated to Administrative Costs, shall not exceed the County's Maximum Contribution, plus any applicable penalty and/or interest allowed in Section 311.013 of the Tax Code, subject to the limitations on Section IV.B.4. hereof.

The City represents and warrants that none of the real property in the Zone is in the Transportation Zone.

b. *Transportation Zone Overlap.* Notwithstanding anything to the contrary contained herein, in the event any of the property within the Zone is also within the Transportation Zone, during any period with respect to which the County is obligated to pay part of the tax increment on such real property in the Zone to the Transportation Zone, in lieu of the 95% of County Applicable M&O Tax Rate specified above, the County contribution to the Zone with respect to real property that is within the overlap between the Transportation Zone and the Zone shall not exceed fifty percent (50%) of the Applicable M&O Tax Rate.

c. *Greater County M&O Tax Rate.* If the County M&O Tax Rate for any given year is greater than the Applicable M&O Tax Rate per \$100 valuation on the Captured Appraised Value during any year during the Term of the Zone, the County shall retain all taxes collected in excess of the County Applicable M&O Tax Rate per \$100 valuation on the Captured Appraised Value and to the extent any such excess has been contributed into the Tax Increment Fund, such excess shall be promptly refunded to the County.

11. County taxes that are delinquent for more than five years will be considered uncollectible and shall not be included in the Tax Increment Payment.

C. School District Provisions

The County understands that the Project is located in the La Joya Independent School District. The City and the Zone represent to the County that the La Joya Independent School District is not participating in the Zone by contribution of any Tax Increment.

D. Management of the Zone

1. The Zone shall in all respects be managed by the Zone Board, including the director appointed by the County. The Zone Board shall have all powers allowed under Chapter 311 of the Texas Tax Code to manage the Zone and carry out the Amended Plan as limited by the City's ordinance creating the Zone. The Participating Taxing Entities, during the term of this Agreement, may inspect the Project site and review Project plans and drawings at times and intervals in a manner that will not interfere with ongoing operations.

2. The Zone Board shall be composed of seven (7) directors (or such larger number not to exceed fifteen (15) as required by Section 3 of the Creation Ordinance.

3. Notwithstanding anything to the contrary in the Creation Ordinance, pursuant to the provisions of Section 311.009(a) of the Texas Tax Code, the County shall have the unequivocal right to appoint and thereafter at all times to maintain one (1) director on the Zone Board. Failure of the County to appoint a person to the Zone board shall not be deemed a waiver of the County's right to make an appointment at a later date. If it is necessary for the City to make or confirm the appointment, the City shall appoint or confirm the County's designee. The County may also appoint and maintain as many non-voting ex-officio members to the Zone Board as the County desires.

E. Expansion of the Zone

Notwithstanding anything to the contrary contained herein, the obligation of the County to participate in the Zone is limited to the legal description of the Zone contained in Exhibit 2 attached hereto and is subject to the terms of this Agreement. The County's participation shall not extend to the Tax Increment on any additional real property added to the Zone by the City unless the County approves such participation in a written amendment to this Agreement.

V. RIGHTS AND OBLIGATIONS OF CITY AND ZONE

A. Tax Increment Participation by the City

Subject to the terms of this Agreement, the City agrees to participate in the Zone by contributing to the Tax Increment Fund one hundred percent (100%) of the revenue generated from the City Tax Rate as levied and collected on the Captured Appraised Value each respective tax year during the term of the Zone, beginning with the 2005 tax year. The City agrees to require the Zone to implement the Amended Plan. The City's contributions to the Tax Increment Fund pursuant to this Section V.A.1 shall end when the City has contributed all Tax Increments attributable to periods before the Zone termination date.

B. Tax Increment Payment

1. The City's obligation to contribute its Tax Increment Payment to the Tax Increment Fund as provided above in Section V.A. of this Agreement shall accrue as the City collects its Tax Increment. The City agrees to deposit its Tax Increment Payments to the Tax Increment Fund annually on or before May 1, (or the first business day thereafter) of each tax year. Any delinquent deposit of a Tax Increment Payment by the City under this Agreement shall be administered as provided in Section 311.013(c) of the Texas Tax Code (or its successor provision).

2. The County, the City and the Zone expressly agree that the City shall not owe any interest on Tax Increments that have been levied, but not received by City by the delinquency dates specified herein.

C. Financing of Project Costs

Each Participating Taxing Entity shall participate in the payment of Project Costs only to the extent described herein. The City and the Zone shall be entitled to enter into any other agreements for the City or the Zone to pay Project Costs and other reasonable related expenses from the Available Tax Increments paid into the Tax Increment Fund without the consent of any other Participating Taxing Entity, but they will provide notice of such agreement(s) to each Participating Taxing Entity.

D. Disbursement of Funds in the Tax Increment Fund

1. Each Participating Taxing Entity agrees the Zone Board shall administer the Tax Increment Fund on behalf of the Zone, pursuant to the Creation Ordinance, and pursuant to this Agreement. Except for amounts to be paid to the City and County for Administrative Costs, no funds shall be disbursed from the Tax Increment Fund without the prior written approval of the Zone Board (except for amounts to be deducted by the County for Administrative Costs), and notice of the amount of funds used and disbursement of funds by the Zone shall be given at least annually to the County. The Parties agree that the Zone Board shall be responsible for the annual administration of the Zone.

2. The parties agree and understand that under no circumstances shall the amount reimbursable as Administrative Costs, in the aggregate, exceed the amount set out and described in Section II.2 above

3. The City and Zone will use funds in the Tax Increment Fund to reimburse expenditures set forth in the Amended Plan in the order incurred. The foregoing notwithstanding, no such funds will be paid from the Tax Increment Fund to a Participating Taxing Entity for its financial or legal services incurred in any dispute arising under this Agreement with another Participating Taxing Entity or Participating Taxing Entities or the Zone Board.

F. Project Plan.

1. The City and the Zone Board agree to comply with and implement the Amended Plan.

2. The City agrees to provide prior written notice to the County of any proposed amendments to the Amended Plan. The County shall have a period of thirty (30) business days from receipt of such notice of a proposed change to provide comments and objections to the proposed change. If the County timely provides written notice to the City that it objects to the proposed change, and (i) the change, on its own or taken together with any prior changes, constitutes a Material Change to the Amended Plan; (ii) the objection, as set out in the notice, is not resolved within forty-five (45) business days from the date of the City's receipt of the County's notice; and (iii) the City approves such change notwithstanding the County's objection, then the County may thereafter discontinue its Tax Increment Payments and terminate its participation in the Zone; *provided that* the County's discontinuation shall not become effective until such time as (x) all Project Costs incurred in accordance with the Amended Plan prior to the adoption of the proposed change and which the Zone is obligated to reimburse are paid in full or (y) the County has made aggregate Tax Increment Payments equal to half of such Project Costs (the "County's Termination Effective Date"). Prior to the County's Termination Effective Date, the County shall remain a participant in this Agreement and shall be bound by its terms.

3. A change to the Amended Plan is a Material Change if (i) it provides for improvements or costs unrelated to the projects and costs in the Amended Plan as of the date of this Agreement; (ii) it would constitute at least a twenty percent (20%) increase or decrease (taken in the aggregate with all prior amendments to the Amended Plan) in either the Project Costs or the scope and scale of the Project; (iii) has the effect of directly or indirectly increasing the percentage of Tax Increment to be contributed by the County; or (iv) increases or reduces the geographical area of the Zone.

4. If the County does not provide notice of its objections within 45 days as provided above, the changes to the Amended Plan are deemed approved.

5. Notwithstanding any other provision hereof, no change, regardless of whether it is a Material Change, without a corresponding specific written amendment to this Agreement will change the amount of Tax Increment Payments due from the County or increase the County Maximum Contribution.

G. Tax Accounts; Plats and Subdivisions

The Parties agree to cooperate so that the City and the County can properly account for all tax accounts within the Zone. The Zone agrees to use its best efforts to (i) provide such information as the County and the Hidalgo County Appraisal District may reasonably need to properly allocate tax accounts to the Zone, and (ii) provide copies of all plats approved within the Zone to the County, the County Auditor, and the Hidalgo County Appraisal District. The tax accounts identified as of the date of this Agreement are listed on **Exhibit 5** attached hereto.

VI. TERM AND TERMINATION

A. Term of the Zone and Termination

This Agreement shall become effective as of the last date of execution by the Parties hereto. As this Agreement is a restatement and amendment of the Original Agreement, the term of the Agreement commenced with the tax year beginning on January 1, 2005. This Agreement terminates on the earlier of (i) December 31, 2047; (ii) the termination of the Zone as provided in Section 311.017 of the Texas Tax Code; or (iii) termination by the Parties hereto consistent with all applicable laws. Upon termination of this Agreement, the obligation of the County to contribute to the Tax Increment Fund for the Zone shall end; however, any refund obligations of the City, the Zone or any related redevelopment authority shall survive such termination.

B. Early Termination

The Zone may terminate early pursuant to the provisions of Section 311.017 of the Texas Tax Code.

C. Disposition of Tax Increments

Upon expiration or termination of the Zone and after all bonds and/or notes have been paid and all reimbursements have been made, any money remaining in the Tax Increment Fund shall be paid to the Participating Taxing Entities on a pro rata basis in accordance with Section 311.014(d) of the Texas Tax Code, or any successor provision thereto. Such payment shall be made to the County not later than sixty (60) days after such termination. Accounting to determine the pro rata distribution of remaining funds to the respective taxing entities shall be conducted according to generally accepted accounting principles, and shall be subject to review and audit by the County upon reasonable request. In the event a discrepancy occurs between the reviews conducted by the City and County, said dispute will be resolved by the respective audit offices of the City and County. In the event the dispute cannot be resolved it shall be submitted to mediation under the rules of the American Mediation Association with a mediator agreed upon by the County Judge of the County and the City Manager of the City.

VII. MISCELLANEOUS

A. Understanding

Any and all costs incurred by the Zone or the City are not, and shall never become, general obligations or debt of the County. With respect to the City and County costs, only eligible Project Costs and other allowable expenses under applicable law, if any, incurred by the City or County shall be payable from the Tax Increment Fund in the manner and priority provided in Amended Plan, and only to the extent that funds become available in the Tax Increment Fund. The Parties agree and understand that eligible costs exceeding the maximum specified in the Amended Plan, shall not increase the amount due from the County beyond what is actually collected as its Available Tax Increment during the Term of the Zone, which shall be deposited into the Tax Increment Fund, subject to the County Maximum Contribution and the other provisions of this Agreement.

B. Severability

In the event any term, covenant or condition herein contained shall be held to be invalid by any court of competent jurisdiction, such invalidity shall not affect any other term, covenant or condition herein contained.

In the event any term, covenant or condition shall be held invalid and affects in any manner the limitations on the County's, or any other Party's, contributions or participation, then neither the County, nor any other Party, shall have any liability for any incremental or other payments as may otherwise be provided for in this Agreement.

C. Entire Agreement

1. This Agreement merges the prior negotiations and understandings of the Parties hereto, including the Original Agreement and the First Amendment, which are further amended and restated hereby, and embodies the entire agreement of the Parties. There are no other agreements, assurances, conditions, covenants (express or implied), or other terms with respect to the covenants, whether written or verbal, antecedent or contemporaneous, with the execution hereof.

2. With respect to the County's obligations, to the extent there is any irreconcilable conflict between the terms contained in the body of this Agreement and any exhibit hereto, the terms contained in the body of this Agreement shall control over those contained in such exhibit.

D. Written Amendment

This Agreement may be changed or amended only by a written instrument duly executed on behalf of each Party hereto. All Parties to this Agreement understand and recognize that only the City Commission of City and only the Commissioners Court of the County have authority to approve a change or amendment to this Agreement on behalf of the City or the County, respectively.

E. Notices

All notices required or permitted hereunder shall be in writing and delivered by personal delivery, facsimile or United States Postal Service (certified mail, return receipt requested) and addressed to the respective other Party at the address prescribed in Section I of this Agreement, or at such other address as the receiving Party may have theretofore prescribed by notice to the sending Party. Such notices shall be deemed delivered the earlier of: (i) when actually received by personal delivery or facsimile if received during normal business hours and on the next business day if received after normal business hours; or (ii) if sent by the United States Postal Service, on the date indicated by the United States Postal Service on the return receipt as the date on which it was received by the respective other Party.

F. Non-Waiver

Failure of any Party hereto to insist on the strict performance of any of the agreements herein or to exercise any rights or remedies accruing hereunder upon default or failure of performance shall not be considered a waiver of the right to insist on, or to enforce by any appropriate remedy, strict compliance with any other obligation hereunder or to exercise any right or remedy occurring as a result of any future default or failure of performance.

G. Assignment

No Party shall assign this Agreement at law or otherwise without the prior written consent of the other Parties. No Party shall delegate any portion of its performance under this Agreement without the written consent of the other Parties.

H. Successors

This Agreement shall bind and benefit the Parties and their legal successors or assigns. This Agreement does not create any personal liability on the part of any trustee, officer, owner, partner, principal, employee, elected official or agent of a Party to this Agreement.

I. Access to Financial Information

1. The Zone agrees to conduct or to cause to be conducted, at a minimum, an annual financial review, a copy of which will be provided to the County. Furthermore, each Party to this Agreement shall have reasonable access to financial or other information and audit reports regarding the operation of the Zone, contribution of Tax Increment Payments to the Tax Increment Fund, and expenditures from the Tax Increment Fund for Project Costs. In addition, the City agrees, during the term of this Agreement, to prepare and deliver an annual report to the County in accordance with Section 311.016 and 311.0101(c), Texas Tax Code. The County shall have the right to withhold or delay payments to the Tax Increment Fund until thirty (30) such time as it has received the financial report (and other documentation and information pursuant to Section IV.B. above) from the City for the applicable tax year, and shall not incur any penalties or interest with respect to any such withheld or delayed payments notwithstanding any provision herein to the contrary.

2. The County Auditor shall be authorized to audit Zone records at the County's expense upon reasonable notice to the Zone and the City. The Zone and the City shall cooperate with the County Auditor with respect to such audit.

3. In the event the City recreates a redevelopment authority in connection with the Zone, the City shall provide to the County, with a copy to the County Auditor, a copy of each of the audits required by the agreement between the City, the Zone and any such redevelopment authority within thirty (30) days of receipt of each audit.

J. Zone Designation

The City represents that its designation of the Zone meets the criteria of Section 311.005(a), Texas Tax Code.

K. No Waiver of Immunity

No Party hereto waives or relinquishes any immunity or defense on behalf of itself, its elected officials, trustees, officers, employees, directors and agents as a result of its execution of this Agreement and performance of the covenants contained herein.

L. Force Majeure

The Parties agree that in the event a Party's performance of any obligation under this Agreement is delayed due to the act or failure or delay in acting of another Party or another government entity (so long as such failure is not caused by an act or omission of the delaying Party), then such Party's time to perform shall be extended by the length of the delay; provided that the Party whose performance has been delayed gives prompt notice thereof to the other Parties hereto. The Parties further agree that in the event any payment hereunder is miscalculated due to errors in the information provided to the Party making the calculation or making the payment based on such calculation, that such payment shall be promptly adjusted upon the Parties becoming aware of the miscalculation and agreeing to the proper calculation (e.g., in the event the Hidalgo County Appraisal District omits a tax account that should be in the Zone from calculations of the tax increment attributable to the Zone). It is the Parties intention that all of the Parties work together in good faith to correct any such delays or miscalculations and that no interest or penalty shall be due with respect to any such delays or miscalculations.

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF PEÑITAS,

Section 1. Findings.

(a) That the facts and recitations contained in the preamble of this Ordinance are hereby found and declared to be true and correct and are adopted as part of this Ordinance for all purposes.

(b) That the City Council further finds and declares that the proposed improvements in the zone will significantly enhance the value of all the taxable real property in the proposed zone and will be of general benefit to the City.

(c) That the City Council further finds and declares that the proposed zone meets the criteria and requirements of Section 311.005 of the Texas Tax Code because the proposed zone contains substantial areas that are predominantly open and underdeveloped, and lack public water distribution, wastewater collection and storm drainage facilities which conditions substantially impair and arrest the sound growth of the City.

(d) That the City Council, pursuant to the requirements of Chapter 311, Texas

Tax Code, further finds and declares:

- (1) That the proposed zone is a contiguous geographic area located wholly within the corporate limits of the CITY OF PENITAS;
- (2) That the total appraised value of taxable real property in the proposed zone does not exceed fifteen percent of the total appraised value of taxable real property in the City;
- (3) That the proposed zone does not contain more than fifteen percent of the total appraised value of real property taxable by Hidalgo County, the La Jolla Independent School District, the South Texas Independent School District, the South Texas College District, and the Hidalgo County Drainage District #1; and
- (4) That the development or redevelopment of the property in the proposed zone will not occur solely through private investment in the reasonably foreseeable future.

Section 2. Designation of the Zone

That the City, acting under the provisions of Chapter 311, Texas Tax Code, including Section 311.005(a), does hereby designate as a reinvestment zone, and create and designate a reinvestment zone over, the area described in Exhibit "A" and depicted in the map attached hereto as Exhibit "B" to promote the redevelopment of the area. The reinvestment zone shall hereafter be named for identification as Reinvestment Zone Number One, CITY OF PENITAS, Texas, (the "Zone"). The City Council specifically declares that the Zone is designated pursuant to Section 311.005(a)(1) and (2) of the

Texas Tax Code.

Section 3. Board of Directors

That there is hereby created a Board of Directors for the Zone, which shall consist of seven (7) members. Positions One through Five on the Board of Directors shall be reserved for the City. Positions Six and Seven shall be reserved for other taxing units levying taxes within the Zone, each of whom may appoint one director. Any taxing unit that appoints a director shall be assigned a Board position number in the order the City receives the appointment. Failure of the County to appoint a person to the Board of Directors of the Zone shall not be deemed a waiver of the County's right to make an appointment at a later date. Failure of any other taxing unit to appoint a director by June 15, 2005, shall be deemed a waiver of the right to appoint a director, and the City shall be entitled to appoint persons to the position, which shall be filled as provided below. If more than two taxing units levying taxes within the Zone appoint a director, the number of directors on the Board of Directors shall be increased by one for each taxing unit above two that appoints a director to the board; provided, if more than four taxing units levying taxes within the Zone appoint a director, the number of directors on the Board of Directors shall be increased by two for each taxing unit above four that appoints a director to the board, provided, further, that the maximum number of directors shall not exceed fifteen (15). The City shall be entitled to appoint a person to one position of each of the two positions created as a result of more than four taxing units appointing directors, which position shall be filled as provided below.

The Mayor is hereby authorized to nominate and appoint, subject to City Council approval, the directors to Positions One through Five of the Board of Directors, any

position unfilled on June 15, 2005, and any City position created by the appointment of a director by more than two taxing units levying taxes within the Zone, subject to the consent and approval of the City Council.

The directors appointed to odd-numbered positions shall be appointed for two year terms, beginning on the effective date of this Ordinance, while the directors appointed to even-numbered positions shall be appointed to a one year term, beginning on the effective date of this Ordinance. All subsequent appointments shall be for two-year terms. The member of the Board of Directors appointed to Position One is hereby designated to serve as the chair of the Board of Directors for a one-year term beginning on the effective date of this Ordinance. Thereafter the Mayor shall annually nominate and appoint, subject to City Council approval, a member to serve as chair for a term of one year beginning on the anniversary of the effective date of this Ordinance. The City Council authorizes the Board of Directors to elect from its members a vice-chairman and such other officers as the Board of Directors sees fit.

The Board of Directors shall make recommendations to the City Council concerning the administration of the Zone. The Board of Directors shall prepare or cause to be prepared and adopt a project plan and a reinvestment zone financing plan for the Zone as described in Section 311.011, Texas Tax Code, and shall submit such plans to the City Council for its approval. The City hereby delegates to the Board of Directors all powers necessary to prepare and implement the project plan and reinvestment zone financing plan, subject to approval by the City Council, including the power to employ any consultants or enter into any reimbursement agreements payable solely from the Tax Increment Fund established pursuant to Section 6 of this Ordinance that may be

reasonably necessary or convenient to assist the Board of Directors in the preparation of the project plan and reinvestment zone financing plan and in the issuance of tax increment obligations.

Section 4. Duration of the Zone

That the Zone shall take effect immediately upon passage of the ordinance, for the deposit of tax increments into the Tax Increment Fund established pursuant to Section 6 of this Ordinance, and termination of the operation of the Zone shall occur on December 31, 2034, or at an earlier time designated by subsequent ordinance, or at such time, subsequent to the issuance of tax increment bonds, if any, that all project costs, tax increment bonds, notes and other obligations of the Zone, and the interest thereon, have been paid in full.

Section 5. Tax Increment Base

That pursuant to Section 311.012(c), Texas Tax Code, the Tax Increment Base of the City or any other taxing unit participating in the Zone for the Zone is the total appraised value of all real property taxable by the City or other taxing unit participating in the Zone and located in the Zone, determined as of January 1, 2004, the year in which the Zone was designated as a reinvestment zone (the "Tax Increment Base").

Section 6. Tax Increment Fund

That there is hereby created and established a Tax Increment Fund for the Zone which may be divided into subaccounts as authorized by subsequent ordinances. All Tax

Increments, as defined below, shall be deposited in the Tax Increment Fund. The Tax Increment Fund and any subaccount shall be maintained at the depository bank of the City and shall be secured in the manner prescribed by law for funds of Texas cities. The annual Tax Increment shall equal the property taxes levied by the City and any other taxing unit participating in the Zone for that year on the captured appraised value, as defined by Chapter 311 of the Texas Tax Code, of real property located in Zone that is taxable by the City or any other taxing unit participating in the Zone, less any amounts that are to be allocated from the Tax Increment pursuant to Chapter 311 of the Texas Tax Code. All revenues from the sale of any tax increment bonds, notes or other obligations hereafter issued for the benefit of the Zone by the City, if any; revenues from the sale of property acquired as part of the project plan and reinvestment zone financing plan, if any; and other revenues to be used in the Zone shall be deposited into the Tax Increment Fund. Prior to the termination of the Zone, money shall be disbursed from the Tax Increment Fund only to pay project costs, as defined by the Texas Tax Code, for the Zone, to satisfy the claims of holders of tax increments bonds or notes issued for the Zone, or to pay obligations incurred pursuant to agreements entered into to implement the project plan and reinvestment zone financing plan and achieve their purpose pursuant to Section 311.010(b) of the Texas Tax Code.

Section 7. Severability

If any provision, section, subsection, sentence, clause or phrase of this Ordinance, or the application of same to any person to set circumstances, is for any reason held to be unconstitutional, void or invalid, the validity of the remaining provisions of this

Ordinance or their application to other persons or set of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this Ordinance that no portion hereof or regulations connected herein shall become inoperative or fail by reason of any unconstitutionality, voidness or invalidity of any portion hereof, and all provisions of this Ordinance are declared severable for that purpose.

Section 8. Open Meetings

It is hereby found, determined and declared that a sufficient written notice of the date, hour, place and subject of the meeting of the City Council at which this Ordinance was adopted was posted at a place convenient and readily accessible at all times to the general public at the City Hall of the City for the time required by law preceding its meeting, as required by the Open Meetings Law, Texas Government Code, ch. 551, and that this meeting has been open to the public as required by law at all times during which this Ordinance and the subject matter hereof has been discussed, considered and formally acted upon. The City Council further ratifies, approves and confirms such written notice and the contents and posting thereof.

Section 9. Notices

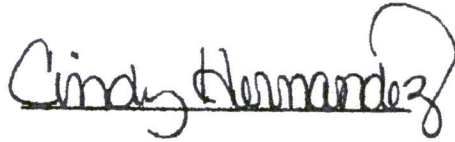

The contents of the notice of the public hearing, which hearing was held before the City Council on November 3, 2004, and the publication of said notice, are hereby ratified, and confirmed.

That the City, acting under the provisions of Chapter 311, Texas Tax Code, including Section 311.005(a), does hereby designate as a reinvestment zone, and create and designate a reinvestment zone over, the area described in Exhibit "A" and depicted in the map attached hereto as Exhibit "B" to promote the redevelopment of the area. The reinvestment zone shall hereafter be named for identification as Reinvestment Zone Number One, CITY OF PEÑITAS, Texas, (the "Zone"). The City Council specifically declares that the Zone is designated pursuant to Section 311.005(a)(1) and (2) of the

Texas Tax Code.

Section 3. Board of Directors

That there is hereby created a Board of Directors for the Zone, which shall consist of seven (7) members. Positions One through Five on the Board of Directors shall be reserved for the City. Positions Six and Seven shall be reserved for other taxing units levying taxes within the Zone, each of whom may appoint one director. Any taxing unit that appoints a director shall be assigned a Board position number in the order the City receives the appointment. Failure of the County to appoint a person to the Board of Directors of the Zone shall not be deemed a waiver of the County's right to make an appointment at a later date. Failure of any other taxing unit to appoint a director by June 15, 2005, shall be deemed a waiver of the right to appoint a director, and the City shall be entitled to appoint persons to the position, which shall be filled as provided below. If more than two taxing units levying taxes within the Zone appoint a director, the number of directors on the Board of Directors shall be increased by one for each taxing unit above two that appoints a director to the board; provided, if more than four taxing units levying taxes within the Zone appoint a director, the number of directors on the Board of Directors shall be increased by two for each taxing unit above four that appoints a director to the board, provided, further, that the maximum number of directors shall not exceed fifteen (15). The City shall be entitled to appoint a person to one position of each of the two positions created as a result of more than four taxing units appointing directors, which position shall be filled as provided below.

The Mayor is hereby authorized to nominate and appoint, subject to City Council approval, the directors to Positions One through Five of the Board of Directors, any

position unfilled on June 15, 2005, and any City position created by the appointment of a director by more than two taxing units levying taxes within the Zone, subject to the consent and approval of the City Council.

The directors appointed to odd-numbered positions shall be appointed for two year terms, beginning on the effective date of this Ordinance, while the directors appointed to even-numbered positions shall be appointed to a one year term, beginning on the effective date of this Ordinance. All subsequent appointments shall be for two-year terms. The member of the Board of Directors appointed to Position One is hereby designated to serve as the chair of the Board of Directors for a one-year term beginning on the effective date of this Ordinance. Thereafter the Mayor shall annually nominate and appoint, subject to City Council approval, a member to serve as chair for a term of one year beginning on the anniversary of the effective date of this Ordinance. The City Council authorizes the Board of Directors to elect from its members a vice-chairman and such other officers as the Board of Directors sees fit.

The Board of Directors shall make recommendations to the City Council concerning the administration of the Zone. The Board of Directors shall prepare or cause to be prepared and adopt a project plan and a reinvestment zone financing plan for the Zone as described in Section 311.011, Texas Tax Code, and shall submit such plans to the City Council for its approval. The City hereby delegates to the Board of Directors all powers necessary to prepare and implement the project plan and reinvestment zone financing plan, subject to approval by the City Council, including the power to employ any consultants or enter into any reimbursement agreements payable solely from the Tax Increment Fund established pursuant to Section 6 of this Ordinance that may be

reasonably necessary or convenient to assist the Board of Directors in the preparation of the project plan and reinvestment zone financing plan and in the issuance of tax increment obligations.

Section 4. Duration of the Zone

That the Zone shall take effect immediately upon passage of the ordinance, for the deposit of tax increments into the Tax Increment Fund established pursuant to Section 6 of this Ordinance, and termination of the operation of the Zone shall occur on December 31, 2034, or at an earlier time designated by subsequent ordinance, or at such time, subsequent to the issuance of tax increment bonds, if any, that all project costs, tax increment bonds, notes and other obligations of the Zone, and the interest thereon, have been paid in full.

Section 5. Tax Increment Base

That pursuant to Section 311.012(c), Texas Tax Code, the Tax Increment Base of the City or any other taxing unit participating in the Zone for the Zone is the total appraised value of all real property taxable by the City or other taxing unit participating in the Zone and located in the Zone, determined as of January 1, 2004, the year in which the Zone was designated as a reinvestment zone (the "Tax Increment Base").

Section 6. Tax Increment Fund

That there is hereby created and established a Tax Increment Fund for the Zone which may be divided into subaccounts as authorized by subsequent ordinances. All Tax

increments, as defined below, shall be deposited in the Tax Increment Fund. The Tax Increment Fund and any subaccount shall be maintained at the depository bank of the City and shall be secured in the manner prescribed by law for funds of Texas cities. The annual Tax Increment shall equal the property taxes levied by the City and any other taxing unit participating in the Zone for that year on the captured appraised value, as defined by Chapter 311 of the Texas Tax Code, of real property located in Zone that is taxable by the City or any other taxing unit participating in the Zone, less any amounts that are to be allocated from the Tax Increment pursuant to Chapter 311 of the Texas Tax Code. All revenues from the sale of any tax increment bonds, notes or other obligations hereafter issued for the benefit of the Zone by the City, if any; revenues from the sale of property acquired as part of the project plan and reinvestment zone financing plan, if any; and other revenues to be used in the Zone shall be deposited into the Tax Increment Fund. Prior to the termination of the Zone, money shall be disbursed from the Tax Increment Fund only to pay project costs, as defined by the Texas Tax Code, for the Zone, to satisfy the claims of holders of tax increments bonds or notes issued for the Zone, or to pay obligations incurred pursuant to agreements entered into to implement the project plan and reinvestment zone financing plan and achieve their purpose pursuant to Section 311.010(b) of the Texas Tax Code.

Section 7. Severability

If any provision, section, subsection, sentence, clause or phrase of this Ordinance, or the application of same to any person or set of circumstances, is for any reason held to be unconstitutional, void or invalid, the validity of the remaining provisions of this

Ordinance or their application to other persons or set of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this Ordinance that no portion hereof or regulations connected herein shall become inoperative or fail by reason of any unconstitutionality, voidness or invalidity of any portion hereof, and all provisions of this Ordinance are declared severable for that purpose.

Section 8. Open Meetings

It is hereby found, determined and declared that a sufficient written notice of the date, hour, place and subject of the meeting of the City Council at which this Ordinance was adopted was posted at a place convenient and readily accessible at all times to the general public at the City Hall of the City for the Time required by law preceding its meeting, as required by the Open Meetings Law, Texas Government Code, ch. 551, and that this meeting has been open to the public as required by law at all times during which this Ordinance and the subject matter hereof has been discussed, considered and formally acted upon. The City Council further ratifies, approves and confirms such written notice and the contents and posting thereof.

Section 9. Notices

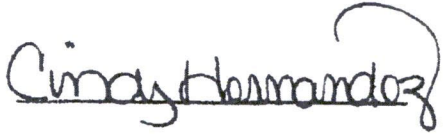

The contents of the notice of the public hearing, which hearing was held before the City Council on November 3, 2004, and the publication of said notice, are hereby ratified, and confirmed.

Introduction

Tax Increment Reinvestment Zone One, City of Penitas, Texas ("Zone"), was created by the City Council of the City of Penitas, Texas ("City") on November 3, 2004.

The purpose of the Zone is to finance construction of public facilities and infrastructure necessary to catalyze residential and commercial development and redevelopment within the Zone boundaries.

Expenditures associated with the design and construction of public facilities infrastructure, as well as other specific project related costs, will be funded by tax increment revenues derived from increases in property values following new residential and commercial development.

History

The reinvestment zone covers approximately 717 acres and is generally bounded by Tom Gill Road, 2 Mile Line, Giles Road and U.S. 83. The Zone primarily consists of undeveloped or agricultural land with some commercial development. Since the creation of the Zone in 2004, development has been slow and has not occurred as originally anticipated, due to the economic downturn. Developments that have occurred since the Zone was created include a Walmart Supercenter which opened in 2009 and an apartment complex which was completed in 2016.

Second Amended Project Plan and Reinvestment Zone Financing Plan

The Board of Directors of the Zone and the City adopted a project plan and financing plan for the Zone in 2005 (the "Original Plan"). The Board of Directors of the Zone and the City adopted a First Amendment to the Project Plan and Reinvestment Zone Financing Plan (the "First Amended Plan"), in the fall of 2017, which Plan amended, and restated and replaced the Original Plan in its entirety. That First Amended Plan extended the duration of the Zone to December 31, 2047, to allow for continued improvements in the area and permit the Zone to complete the purposes for which it was established. That Amended Plan also permitted the Zone or the Penitas Redevelopment Authority (the "Authority") to incur debt and issue debt or obligations to satisfy developer reimbursements previously advanced for project costs or incur debt to undertake the projects on their own. Additionally, that Amended Plan allowed for updated development assumptions including Zone project costs, due to slow growth in the early years. In the Original Plan, development was expected to begin in 2005 with build out occurring thru 2018, however not much growth has occurred to date. The revised development plan includes a mixture of residential and commercial uses, including 1,681 single family homes. Commercial development was anticipated to begin in 2017, followed by residential development in 2019. Build out of the development is now projected to occur thru 2038. The increase in the term will allow additional time for the buildout to occur and for revenues to generate at levels adequate to pay the costs identified in this Amended Plan. In the Original Plan, annual revenue in 2014 was projected to equal approximately \$827,179, however due to slow growth, actual tax increment revenues collected in 2014 were \$138,000. Note: Schedule E reflects those project costs that have been paid or reimbursed to date. This **Second Amendment** clarifies a section of the Financing Plan pertaining to estimated bonded indebtedness, and sources of revenues which may be used to undertake financings of bonds, notes, and other obligations of the TIRZ and Redevelopment Authority.

Map 1 depicts the location of the Zone in context of the surrounding area.

A. Project Plan

Existing and Proposed Uses of Land (Texas Tax Code § 311.011(b)(1)):

Existing Conditions: Existing land uses within the Zone include predominately agriculture and undeveloped land with some commercial development, including a Walmart Supercenter and an apartment complex that were built after adoption of the Original Plan. Overall the area lacks adequate infrastructure including water, wastewater and drainage facilities, and a sufficient roadway network to support development of the land in the Zone. **Maps 2 and 3** depict existing conditions.

Surrounding Land Uses: Land surrounding the Zone ranges from undeveloped/farmland to single family residential, public and commercial uses. The aerial view shown in **Map 2** shows surrounding land uses.

Proposed Land Use: Proposed land uses shall include single-family residential, commercial, retail, and parks and open spaces with increasingly diminished undeveloped land over time.

Proposed Changes of Zoning Ordinances, Master Plan of Municipality, Building Codes, and Other Municipal Ordinances (Texas Tax Code § 311.011(b)(2)):

All construction will be done in conformance with existing building code regulations of the City. There are no proposed changes of any city development ordinances, master plans, or building codes.

Estimated Non-Project Costs (Texas Tax Code § 311.011(b)(3)):

The project costs referenced in **Table 1** are inclusive of project costs to be incurred by the Zone only. The costs that would otherwise be project costs but are derived from other parties, such as the City, the Texas Department of Transportation or private sources, are non-project costs. Non-Projects Costs were estimated at \$13,000,000 at the time the Original Plan was adopted.

Method of Relocating Persons to be Displaced, if any, as a result of implementing the Amended Plan (Texas Tax Code § 311.011(b)(4)):

There will be no persons displaced as a result of implementing this Amended Plan.

B. Reinvestment Zone Finance Plan

Estimated Project Costs (Texas Tax Code § 311.011(c)(1)):

Table 1 lists the estimated project costs for the Zone including administrative expenses. As set forth in this Second Amended Plan, the dollar amounts are approximate and may be amended from time to time by the Board of Directors of the Zone with approval of the City Council. The financing costs are a function of project financing needs and will vary with market conditions from the estimates shown on **Table 1**. The County revenues contributed to the Zone prior to this Amendment will be credited toward the overall County contribution cap.

Table 1 - Estimated Project Costs

Project	Estimated Costs
Water Improvements including wells	\$1,698,373
Waste Water Improvements	\$1,552,032
Drainage Improvements	\$6,093,650
Demolition Costs	\$ -
Relocation of Utility Lines	\$ -
Sidewalks	\$671,304
Streets	\$6,414,058
3 Bridges	\$2,250,000
Lights	\$724,388
Engineering/Surveying	\$1,800,000
Contingency	\$1,000,000
Zone Administration	\$1,200,000
Financing costs including interest	\$6,800,000
Total	\$30,203,805

Note: The project costs in this Second Amended Plan are not an increase over the project costs listed in the Original Plan, and the burden to the participating jurisdictions has not increased. This Amended Plan recognizes that the County will cap its overall participation in the Zone at \$15 million dollars.

Proposed Kind, Number, and Location of all Proposed Public Works or Public Improvements to be Financed by the Zone (Texas Tax Code § 311.011(c)(2)):

These details are described throughout this Second Amended Plan, including but not limited to roadway construction/reconstruction, stormwater conveyance and management systems, water, wastewater improvements, sidewalks, intersection improvements, lighting, signage, park and greenspace improvements, and landscaping enhancements. Water and waste water are located along major road ways and throughout subdivisions and commercial oriented locations. The bridges called for in the Original Plan were projected to cross the District 6 canal at two locations Liberty Boulevard and 23rd Street and the District 16 canal as it crosses Liberty Boulevard. The number and location of proposed improvements are contained in Table 1 and Map 4. The TIRZ Board and the City of Penitas will make final determinations on exact locations of infrastructure improvements.

Economic Feasibility (Texas Tax Code § 311.011(c)(3)):

An economic feasibility study was prepared as part of the Original Plan to assess the market for the proposed development. While development did not occur as anticipated when the Zone was originally created, due to the economic downturn, the area is now prime for development. Current economic conditions and growth, along with recent/planned infrastructure improvements support commercial and residential development in the area.

Development assumptions were updated as part of this Second Amended Plan. This Plan includes 1,681 single family homes and commercial uses valued at over \$55 million. Commercial development is anticipated to begin in 2017, followed by residential development in 2019. Build out of the development is projected to occur in 2038. Build out assumptions for residential and commercial development are provided in Schedules A and B.

The City and the Zone find that the development plan in this Second Amended Plan is economically feasible, as projected revenue estimates will generate approximately \$30 million more than is required to pay project costs including interest on debt. This is subject to the development time line and buildout being met by the developer. Schedules C and D constitute incremental revenue estimates for this Second Amended Plan.

Estimated Amount of Bond Indebtedness; Estimated Time When Related Costs or Monetary Obligations Incurred (Texas Tax Code § 311.011(c)(4), § 311.011(c)(5)):

The Zone or the Authority may issue bonds or other obligations secured in whole or in part by tax increment revenues to be collected in the Zone to finance public improvements to benefit the Zone, including "project costs" as defined in Texas Tax Code § 311.002. Bonds or any other obligations by the Zone or the Authority for project costs may be issued when actual or projected tax increment revenues, alone or in combination with any other actual or projected revenue sources, are available to support debt service on the obligations. The amount and timing of the issuance of such obligations will be contingent on market conditions for the issuance of such bonds or obligations along with the availability of revenues provided in Table 1 and Schedule C and D or any other lawful revenue sources available for debt service.

The Authority is currently contemplating selling \$5 to \$6 million in bonds as soon as it is feasible.

Methods and Sources of Financing Project Costs and Percentage of Increment from Taxing Units Anticipated to Contribute Tax Increment to the Zone (Texas Tax Code § 311.011(c)(6)):

Project costs will be financed with bonds or any obligations authorized by law and will be funded by tax increment revenues, grants, or any other funding source pursuant to any interlocal agreements, development agreements, or any other agreements, by and between the Zone or the Authority, any governmental entity or political subdivision, or any public or private entity that is a party to such agreement. Tax increment will consist of contributions from the City and Hidalgo County (the "County"). This figure is calculated as follows:

City contribution of \$0.5060/\$100 of assessed valuation

County contribution, estimated at \$0.4800/\$100 of assessed valuation. **Note:** The amended plan does comply with with Section VI-7 of the Hidalgo County's Tax

Increment Reinvestment Participation Policy, adopted on November 11-22-2016, which states "The aggregate amount of the County's participation in a TIRZ shall not exceed either: (i) the creating municipality's total contribution to a zone; unless (A) Special Circumstances apply and (B) the municipality is contributing a greater percentage of its tax rate than the County is contributing; and (ii) the maximum total contribution agreed to by the County in an Interlocal Agreement with the entity creating a TIRZ and the developer (if applicable)." The City participation rate for the Amended Plan currently provides for \$0.5060/ \$100 value versus the proposed County tax rate of \$0.48/\$100 value. At no time will the County be expected to contribute more than the City. Further, this Second Amended Plan recognizes that the County will cap its overall participation in the Zone at \$15 Million dollars.

Current Total Appraised Value of Taxable Real Property (Texas Tax Code § 311.011(c)(7)):

The 2016 appraised value of taxable real property in the Zone is \$19,902,548. Note: Base Value at the time of creation in 2004 was \$1,356,701.

Estimated Captured Appraised Value of Zone During Each Year of Existence (Texas Tax Code § 311.011(c)(8)):

It is projected that taxable property values in the Zone will increase by approximately \$415,000,000 by 2047 over the base value. Schedules C and D shows the annual captured value of these increases in property value during the existence of the Zone.

Zone Duration (Texas Tax Code § 311.011(c)(9)):

The Zone was established by the City on November 3, 2004 and will terminate on December 31, 2047. The Zone may terminate at an earlier time designated by subsequent ordinance, or at such time, subsequent to the issuance of proposed revenue bonds, notes or other obligations, if any, that all project costs, bonds, and interest on bonds have been paid in full.
