WHEREAS, Architect and Owner executed the above-referenced AIA Document B133-2014 Agreement between Architect and Owner dated November 27, 2017, in which the Architect agreed to provide professional design services for the Hidalgo County New Courthouse located in Edinburg, Texas (the "Agreement"); and

AMENDMENT NO. 2 TO AIA DOCUMENT B133-2014 STANDARD FORM OF AGREEMENT

Dear Ms. Villarreal,

As a result of the Commissioners' workshop held on April 16, 2019, Jacobs has asked the HDR professional team to propose professional services for the following scope additions to the new courthouse. These are listed below along with the total fee for designing all of these concurrently.

3rd Fl. Area C Offices Finish Out in shell space

5th Fl. Entire Floor Finish Out to match 4th and 6th floors

3rd – 7th Fl. Single-Occupancy Toilets, 2 per floor in unassigned area west of public elevators

TOTAL DESIGN FEE **\$ 515,183**

The first two above assume taking approved completed Design Development-level planning to completed Construction Documents level with existing consultants and disciplines per our original Owner agreement dated 27 November 2017. The third item above would require Design Development plus Contract Documents in line with the same terms stated in the previous sentence. Since we will have to remobilize the original teams to be able to work on these tasks, we estimate being able to complete the design documents in three months.

We assume the above tasks will be constructed by Morganti Texas, Inc. within the current construction schedule of 34 total months. If the construction period extends beyond that, the professional team would require an additional **\$40,498** per month.

If there are any questions, please do not hesitate to contact John Niesen or me.

Sincerely,
HDR Architecture, Inc.

Harold Thompson
Managing Principal
