This amendment dated the 6<sup>th</sup> day of August, 2019 ("GMP Amendment" or "Amendment"), is between the Owner and the Construction Manager, and amends that certain agreement (C-18-171-02-26) made as of the 26<sup>th</sup> day of February, 2019, between the Owner and Construction Manager with respect to the Project (the "Agreement"). Any term defined in the Agreement and used herein shall have the meaning given such term in the Agreement unless otherwise defined herein.

### ARTICLE A.1

#### § A.1.1 Guaranteed Maximum Price

Pursuant to Section 2.2.6 of the Agreement, the Owner and Construction Manager hereby amend the Agreement to establish a Guaranteed Maximum Price. As agreed by the Owner and Construction Manager, the Guaranteed Maximum Price is an amount that the Contract Sum shall not exceed. The Contract Sum consists of the Construction Manager's Fee plus the Cost of the Work, as that term is defined in Article 6 of this Agreement.

§ A.1.1.1 The Contract Sum is guaranteed by the Construction Manager not to exceed One Million One Hundred Ninety-Nine Thousand Six Hundred Dollars and No Cents (\$1,199,600.00), subject to additions and deductions by Change Order as provided in the Contract Documents.

§ A.1.1.2 **Itemized Statement of the Guaranteed Maximum Price.** Provided below is an itemized statement of the Guaranteed Maximum Price organized by trade categories, allowances, contingencies, alternates, the Construction Manager's Fee, and other items that comprise the Guaranteed Maximum Price.  
(Provide below or reference an attachment.)

The itemized statement of the GMP is attached as Exhibit A-2, and titled "Project Totals Report – Final GMP August 2, 2019".

**§ A.1.1.3** The Guaranteed Maximum Price is based on the following alternates, if any, which are described in the Contract Documents and are hereby accepted by the Owner:  
*(State the numbers or other identification of accepted alternates. If the Contract Documents permit the Owner to accept other alternates subsequent to the execution of this Amendment, attach a schedule of such other alternates showing the amount for each and the date when the amount expires.)*

N/A

**§ A.1.1.4** Allowances included in the Guaranteed Maximum Price, if any:  
*(Identify allowance and state exclusions, if any, from the allowance price.)*

Item	Price (\$0.00)
Owner's Contingency	\$13,500.00

**§ A.1.1.4.1 Owner's Contingency.** The Owner's Contingency set forth in Section A.1.1.4 is included in the Guaranteed Maximum Price set forth in Section A.1.1.2. Construction Manager acknowledges and agrees that this Contingency shall not be due or payable unless and to the extent that Owner authorizes such expenditure in writing. Construction Manager expressly agrees that it shall not incur any expense that would be allocated to the Contingency without first obtaining Owner's prior written consent to such use of the Contingency. If the Owner's Contingency is not expended or not fully expended, then the GMP shall be reduced by any unused portion of the Owner's Contingency.

**§ A.1.1.5** Assumptions, if any, on which the Guaranteed Maximum Price is based:

- .1 The value engineering alternatives for the  
(a) exterior shell and  
(b) roofing system  
were not accepted by Owner, so are not part of the Work. (Construction Manager acknowledges and agrees that these proposed value engineering alternatives will not be used and agrees the exterior shell of building and the roofing will be constructed as per plans.)
- .2 The dry fire sprinkler system in MDF Room (Room A111) previously proposed by Hidalgo County IT Department (and which is not in the plans) is not being included in the Work (and the wet fire sprinkler system that is in the plans is included).
- .3 The Work includes infrastructure (conduit, j-boxes, and backer boxes) for special systems (fire alarm, intrusion, data, security cameras and access control) as specified in the plans.
- .4 Purchase and installation of all special systems (fire alarm, intrusion, data, security cameras and access control) and the wiring, hardware, accessories, and labor for the installation of such systems are excluded from the Work. (Any such special systems required by Owner (or for a certificate of occupancy) will be procured by the Owner and installation of such systems coordinated with the Construction Manager to not interfere with the Construction Manager's Critical Path Method schedule. Construction Manager represents it has included in any proposed or current schedules, and agrees to include in any new or revised schedules, adequate time needed for installation and testing of all special systems.)
- .5 Owner and Architect have accepted the following value engineering alternatives that have been proposed by Construction Manager even though such value engineering alternatives are not in the plans:
  - (a) Electrical
  - (b) Doors and Hardware
- .6 The Construction Manager is responsible for any costs related to the staging area.

All references to plans in this Section A.1.1.5 are to the Specifications and Drawings incorporated herein by reference below pursuant to this Article A.1

**ARTICLE A.2**

§ A.2.1 The anticipated date of Substantial Completion established by this Amendment:

Two Hundred Forty (240) Calendar Days from commencement date set by the Owner in the notice to proceed.

§ A.2.2 Owner and Construction Manager recognize that time is of the essence in this Agreement and that Owner will suffer financial loss if the Work is not completed within the time specified in this Article A.2, plus any extension thereof allowed in accordance with Article 8 of the A201-2017. Owner and Construction Manager also recognize the delays, expense and difficulties involved in proving in a legal proceeding the actual loss suffered by the Owner if the Work is not completed on time. Accordingly, instead of requiring such proof, Owner and Construction Manager agree that as liquidated damages for delay (but not as a penalty) Construction Manager shall pay Owner Two Hundred Fifty Dollars (\$250.00) per calendar day for each calendar day after the Substantial Completion date noted in this Article A.2 until the Work is substantially complete. Construction Manager should complete and close out the Project within thirty (30) days after Substantial Completion.

*It is expressly understood that said sum per day is agreed upon as a fair estimate of the pecuniary damages that will be sustained by the Owner in the event that the Work is not completed within the agreed time, or within the legally*

extended time, if any. Said sum shall be considered as liquidated damages only, the exact ascertainment of which is difficult, and in no sense shall be considered a penalty.

§ A.2.3 In Sections 8.12.5 and 15.1.8 of the A201, the references to Section 3.1.1 of the A101 are instead to Section A.2.2 above.

**ARTICLE A.3**

§ A.3.2 The bonds required pursuant to Section 11.4 of the A201 and Article 8 of the A133 are attached hereto as Exhibit A-1.

§ A.3.3 Updated insurance certificates required pursuant to Section 11.1.1.3 of the A201 are attached hereto as Exhibit A-3.

§ A.3.4 In the Table of Articles on page 3 of the A133, the reference to Exhibit A (including Exhibit A-1) is deleted and replaced with the following:

## ADDITIONAL INSURED WHEN REQUIRED BY CONTRACT

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

This provision does not apply in regard to any ownership, maintenance or use of the additional insured's "autos."

### Additional Insured When Required by Contract

- (1) Paragraph A.1. – **WHO IS AN INSURED – of Section II – Liability Coverage** is amended to add:

- d. When you have agreed, in a written contract or written agreement, that a person or organization be added as an additional insured on your business auto policy, such person or organization is an "insured", but only to the extent such person or organization is liable for "bodily injury" or "property damage" caused by the conduct of an "insured" under paragraphs a. or b. of Who Is An Insured with regard to the ownership, maintenance or use of a covered "auto."

The insurance afforded to any such additional insured applies only if the "bodily injury" or "property damage" occurs:

- (1) During the policy period, and
- (2) Subsequent to the execution of such written contract, and
- (3) Prior to the expiration of the period of time that the written contract requires such insurance be provided to the additional insured.

### (2) How Limits Apply

If you have agreed in a written contract or written agreement that another person or organization be added as an additional insured on your policy, the most we will pay on behalf of such additional insured is the lesser of:

- (a) The limits of insurance specified in the written contract or written agreement; or

- (b) The Limits of Insurance shown in the Declarations.

Such amount shall be a part of and not in addition to Limits of Insurance shown in the Declarations and described in this Section.

### (3) Additional Insureds Other Insurance

If we cover a claim or "suit" under this Coverage Part that may also be covered by other insurance available to an additional insured, such additional insured must submit such claim or "suit" to the other insurer for defense and indemnity.

However, this provision does not apply to the extent that you have agreed in a written contract or written agreement that the insurance is primary and non-contributory with the additional insured's own insurance.

### (4) Duties in The Event Of Accident, Claim, Suit or Loss

If another person or organization is added as an additional insured on your policy, the additional insured shall be required to comply with the provisions in **A. Loss Conditions 2. – Duties In The Event Of Accident, Claim, Suit Or Loss – of SECTION IV – BUSINESS AUTO CONDITIONS**, in the same manner as the Named Insured.
