

SINGLE PATIENT AGREEMENT

January 22, 2020

This Single Patient Agreement, together with any exhibits, attachments, schedules and amendments (the "Agreement") is made and entered into as of this day 22nd day of January, 2020, ("Effective Date") by and between USRC Mid Valley Weslaco, LP, for itself and on behalf of any of its subsidiaries ("Facility") and Hidalgo County Sheriff's Office, including all its subsidiaries, affiliates, and contracted third parties ("Detention Center"), to assure the continuity of care and treat for the patient of clinic.

Facility provides dialysis services. Detention Center provides coverage and/or reimbursement for health care services provided to Emma Gracia, DOB 11/20/1978 ("Patient"). Facility and Detention Center desire to contract the provisions and coverage of health care services to Patient.

Facility and Detention Center agree that:

1. Detention Center will be responsible for the cost of transportation and the cost of the officer provided to secure the Patient.
2. Detention Center will be responsible for Patient while it is at Facility.
3. Detention Center will provide at least one officer for each Patient and remain at Patient's side during the entire treatment. The Patient will remain in handcuffs and shackles.
4. Facility reserves the right to discharge Patient for any reason.
5. Appropriate procedures will be followed to assure security of Facility's other patients and staff.

Provisions of Services

Execution of this Agreement by Detention Center serves as continuing authorization for Facility to furnish certain health care services to Patient, as such services and associated rates are described in the attached fee schedule ("Covered Services"), and be reimbursed by Detention Center for such health care services for the duration of this Agreement. Facility shall not be responsible for (i) any further verification of Patient eligibility to receive Covered Services or (ii) securing additional referral(s) or authorization(s) for Covered Services.

Payment

Detention Center shall reimburse Facility for Covered Services as set forth in the attached fee schedule within thirty (30) calendar days of Detention Center's receipt of a written claim for Covered Services. Compensation shall be paid to Facility pursuant solely to the terms of this Agreement and **Exhibit 1**, and shall be made by Detention Center without discounting such compensation in any manner not explicitly specified in **Exhibit 1**. Facility will submit claims for Covered Services. If Detention Center is able to process only non-electronic claims, Facility will submit claims in the format requested by the Detention Center. Failure to pay claims with the specified number of days will result in Detention Center's loss of any negotiated discount, and Detention Center will be responsible for paying Facility's full billed charges. Detention Center shall have no right to set-off the amount of any alleged erroneous payment or overpayment

against any amounts otherwise owed to Facility by Detention Center. Patient shall not be liable for any fees or monies owed to Facility. Detention Center payment of fees specified herein shall represent payment in full for all Covered Services. Facility charges are usually adjusted in **January** of each year, but are subject to change at any time; changes to the attached fee schedule resulting from Facility adjustments to charges shall occur automatically.

Records

Patient's medical records shall not be removed, transferred from, or released by Facility except in accordance with terms of this Agreement, applicable state and federal laws and Facility policies. Facility and Detention Center shall each be responsible for obtaining directly from Patient any authorizations to use and/or disclose Patient health information as necessary for performance of this Agreement, and Facility and Detention Center shall not use or disclose Patient protected health information except as permitted by the Health Insurance Portability and Accountability Act of 1996 ("HIPA") and applicable state law. This paragraph shall survive any termination or expiration of this Agreement.

Term and Termination

The term of this agreement shall be the period that Patient requires Covered Services provided by Facility. Either Party shall have the right to terminate this Agreement without cause at any time upon sixty (60) calendar days' written notice. Upon discharge, the Detention Center will provide the written notification that the Patient is released from Detention Center and may or may not continue services without officer escort.

Agreement Governs

The parties agree that no other reductions, including but not limited to reductions related to changes in payer or plan payment levels or policies, or reductions related to any other contractual, network, or repricing relationships of plan, payer or their authorized representatives shall apply to the services covered by this Agreement and that the terms of this Agreement, including attachments, exhibits, schedules and amendments shall supersede and take precedence over all other payment polices, designs, arrangements or agreements with respect to such services. Payer guarantees and assumes the obligation to pay Facility at the rates set forth in **Exhibit 1**. In the event of a conflict or inconsistency between this Agreement and any exhibit, attachment, plan program, policy, manual or any other document affecting this Agreement, the provisions of this Agreement shall control. Venue for settlement of any disputes arising from this Agreement shall be in Hidalgo County, Texas.

Parties' Intent; Confidentiality

Facility and Detention Center are independent contractors. Facility shall not act as, and shall in no way be considered to be, an agent or representative of Detention Center for any purpose. The representative of each Party executing this Agreement has the authority to bind the Party to this Agreement and all terms contained herein. This Agreement, including attachments, exhibits, schedules, and amendments, constitutes the entire understanding between the Parties with respect to the Patient, and supersedes any and all prior or contemporaneous written or oral agreements or

understandings between the Parties in such respect. Neither Facility nor Detention Center may disclose any proprietary or confidential information of the other Party, including but not limited to trade secrets, the attached fee schedule, or any other term of this Agreement, to any third party without the prior written consent of the other Party, or as required by applicable law.

IN WITNESS WHEREOF, and intending to be legally bound, the undersigned Parties have executed this Agreement as of the date below.
