THIS Agreement is made on and entered into effective as of the 1st day of June, 2020, by and between **COUNTY OF HIDALGO, TEXAS**, hereinafter referred to as (“County”), and **CITY OF MERCEDES** hereinafter referred to as (“City”), collectively referred to as “Parties” and pursuant to the provisions of the Texas Interlocal Cooperation Act (“Act”), Chapter 791, et seq., Texas Government Code, as follows:

**WITNESSETH:**

**WHEREAS**, the City is a municipality defined as a “Local Government” under the Interlocal Cooperation Act, and a political subdivision organized under the laws of the State of Texas, within the boundary of Hidalgo County; and

**WHEREAS**, the County is defined as a “Local Government” under the Interlocal Cooperation Act, a political subdivision organized under the laws of the State of Texas; and

**WHEREAS**, the County and City and their respective constituents have been affected by the COVID-19/Coronavirus public health emergency and the resulting Federal, State and Local disaster declarations and executive orders regarding the same; and

**WHEREAS**, the County and City, each pursuant to its statutory and constitutional authority, are responsible for the safety and well being of the citizens within their respective jurisdictions, and are desirous that the necessary services and equipment are available to respond to the public health emergency; and

**WHEREAS**, the County and the City are authorized to enter into this Agreement pursuant to the Act, which authorizes local governments to contract with each other and with agencies of the state, to perform governmental functions and services under the terms of the Interlocal Cooperation Act; and

**WHEREAS**, on or about March 27, 2020, the Federal Government passed the Coronavirus Aid , Relief and Economic Security Act (the “CARES Act”), including the Coronavirus Relief Fund (the “CRFund”) which provides for direct payments to qualifying units of local governments navigating the impact of the COVID-19 outbreak; and

**WHEREAS**, the County met the population threshold and received a direct distribution of the CRFund to be used for expenditures that were directly related to and incurred as a result of the COVID-19 public health emergency; and

**WHEREAS**, pursuant to guidance provided by the United States Department of Treasury: (Coronavirus Relief Fund Guidance for State, Territorial, Local and Tribal Governments) (the "Guidance") issued April 22, 2020, (which is attached hereto and incorporated by reference herein as **Exhibit "A"**), the CRFund allows a recipient to transfer funds to another unit of government provided that the transfer qualifies as *a necessary expenditure incurred due to the public health emergency and meets the other criteria of section 601(d) of the Social Security Act as outlined in the Guidance*; and

**WHEREAS**, the County desires to designate a portion of the funds received to reimburse City for expenses incurred as a result of the COVID-19 public health emergency in compliance with the terms and criteria of the CRFund and as more fully described below; and

**WHEREAS**, amounts paid from the CRFund are subject to restrictions outlined in the Guidance and as set forth in section 601(d) of the Social Security Act, as added by section 5001 of the CARES Act; and

**WHEREAS**, the CRFund further requires that all recipients and sub-recipient(s) comply with certain terms and conditions more particularly described below and in the Guidance attached as **Exhibit "A"** as well as any future guidance provided by the U.S. Department of Treasury; and

**WHEREAS**, County and City desire to enter into this agreement for a public purpose and for the benefit of the residents of County and City and to further detail each party's duties and responsibilities; and

**NOW THEREFORE**, County and City in consideration of the mutual covenants expressed hereinafter, agree as follows:

## **SECTION I RULES AND REGULATIONS**

1.1 The City agrees to abide by the Guidance provided under the CARES Act, Coronavirus Relief Fund, and as more particularly described in section 601(d) of the Social Security Act and any further guidance issued by the United States Department of Treasury. **See Exhibit "A"**

## **SECTION II DEBARMENT/SUSPENSION CERTIFICATION**

2.1 City certifies that City and its contractors/vendors associated with this Agreement are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded by any federal department or agency and do not appear in the Excluded Parties List System found at <http://sam.gov>.

## **SECTION III TERMS AND CONDITIONS AND PROPOSED BUDGET**

3.1 City represents that it has read and understood the terms and conditions of the CRFund attached hereto as **Exhibit "A"** and as a condition of participating in the CRFund City agrees to comply with all terms and conditions required of entities accepting funds through a sub-recipient agreement and City further warrants and represents to the County that the funds it has incurred and expended meet the criteria allowed under the CRFund as outlined below:

The CARES Act provides that payments from the CRFund may only be used to cover costs that—

1. are necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19);
2. were not accounted for in the budget most recently approved as of March 27, 2020 (the date of enactment of the CARES Act) for the State or government; and
3. were incurred and expended during the period that begins on March 1, 2020, and ends on December 30, 2020.

For purposes of the CARES Act Funds, *incurred* means the unit of local government (sub-recipient) has expended the funds to cover the costs of an eligible expense. Examples of eligible expenses and prohibited costs may be found in the Guidance provided in the attached **Exhibit “A”** and in the additional CRF FAQ’s and guidance provided by the U.S. Department of Treasury (dated April 22, 2020, May 4, 2020 and May 28, 2020) which are attached hereto and incorporated by reference herein as **Exhibit “B” (to include Hidalgo County’s General Guidelines and any future updated guidance from the U.S. Treasury)**.

3.2 County has designated funds in the amount of \$1,892,856 (one million, eight hundred ninety-two thousand, eight hundred fifty-six dollars) to be allocated to City on a \$114 per capita basis<sup>1</sup>. These designated funds will be provided to City on a reimbursement basis only. To that end, City shall provide County with a proposed budget (**Budget**) of incurred and proposed expenses within the designated allocation to be made part of this Agreement. (**See Budget form with instructions attached hereto as Exhibit “C”**). The **Budget** is intended to demonstrate how City plans to expend the designated funds. Failure to expend designated funds by August 31, 2020, may result in re-programming and/or reallocation of CRFunds by County.

3.3 In consideration of the City’s representation that it has complied with the terms of the CRFund and further agrees to comply with the terms of this sub-recipient Agreement, County agrees it will reimburse to City only those amounts which meet the identified criteria after review and auditing by either County and/or the U.S. Department of Treasury. This does not mean County will reimburse City for each and every proposed expenditure submitted, but rather those that meet the criteria identified in the Guidance. **See Exhibits “A” and “B”**

3.4 City agrees to notify County in writing and obtain from County written approval, prior to any proposed changes, delays or departures from their proposed Budget and/or the requirements of this Agreement. Budget adjustments will be considered and may be submitted for approval to Mr. Sergio Cruz, Hidalgo County Budget Officer.

3.5 County will not be liable for costs incurred or performances rendered by City before commencement of this Agreement or after termination of this Agreement and will not be responsible for reimbursements pertaining to costs incurred or performances rendered that are not in compliance with this Agreement. City further represents and understands that amounts reimbursed to City will be released contingent upon submission of eligible expenses incurred on or after March 1, 2020, which meet the criteria and Guidance provided by the U.S. Treasury and County. **See Exhibits “A” and “B”**

---

<sup>1</sup> Per capita basis to be based on the 2019 census population totals used by the U.S. Department of Treasury to determine eligibility by state and county.

3.6 Upon request, City agrees to provide County with copies of all current and applicable payment and overtime policies, workers compensation policies, retirement rates, unemployment rates, and any other reimbursable benefit and rates of payment as required for reimbursement under this Agreement.

3.7 Additional funds will be held in reserve for City in the amount of an additional \$18 per capita. Upon demonstration of additional need or change in circumstance related to the COVID-19 public health emergency, the County will review all requests for Budget increases on or before August 31, 2020.

3.8 Upon execution of the Agreement by all parties and the submission of the City's proposed Budget, County will disburse twenty-percent (20%) of CRFunds designated for the City as noted in §3.2 to reimburse City for necessary expenses incurred related to the COVID-19 public health emergency.

#### **SECTION IV RECORDS AND REPORTS**

4.1 City agrees to establish and maintain all necessary records and reports that may be required for reimbursement of CRFunds from County. City understands that it is solely the City's responsibility to keep all records and reports pertaining to CRFund activity within their municipality in a manner acceptable to the U.S. Department of Treasury.

4.2 Per the CARES Act Guidance, all government recipients are required to keep records sufficient to demonstrate that the amount of Fund payments to the government has been used in accordance with section 601(d) of the Social Security Act.

4.3 Pursuant to 2 CFR §200.333, City, as a sub-recipient of federal funds, must retain records and any supporting documentation for a minimum of three (3) years from the later of the completion of the CRFund's public objective, submission of the final expenditure report, any litigation, dispute or audit.

4.4 Records related to real property and equipment acquired with CRFunds shall be retained for three (3) years after final disposition.

4.5 County may direct City to retain documents for a longer period of time or to transfer certain records to County or federal custody when it is determined that the records possess a long term retention value.

4.6 Failure to maintain records and reports as required will result in delay or forfeiture of reimbursement of the City's designated CRFunds. In the event the U.S. Department of Treasury disallows expenditures submitted by City for reimbursement due to City's failure to submit the necessary records, City understands that any monies reimbursed by County shall then be repaid to County by City in accordance with §10.1.

#### **SECTION V MONITORING VISITS**

5.1 City shall give The United States Treasury Department, the Special Inspector General of the U.S. Department of Treasury, the Comptroller General of the United States, County, County Auditor, and any of their duly authorized representatives, unobstructed and full access to and the right to examine all books, accounts, records, reports, files, and other papers, things or property belonging to or in use by City pertaining to this Agreement as it pertains to the use of federal funds.

**SECTION VI  
PAYMENT REQUESTS**

6.1 Requests for reimbursement shall be submitted on the prescribed **Cost Reimbursement Request Form** (See attached **Exhibit "D"**) with supporting records and documentation necessary for submission to the U.S. Department of Treasury. Examples of supporting documentation can be found in the County's General Guidelines attached as **Exhibit "B"**. Requests for reimbursement with supporting documentation shall be submitted to **COVID-19@auditor.co.hidalgo.tx.us**.

6.2 City shall further provide County with a final Cost Reimbursement Request Form, and all documentation required no later than 30 days after the period of performance of this Agreement, September 30, 2020.

**SECTION VII  
AUDIT REQUIREMENTS**

7.1 City agrees to comply with the applicable requirements and standards as set forth in 2 CFR 200 Subpart F §§200.500 – 200.521 which are incorporated by reference herein.

**SECTION VIII  
SUSPENSION AND TERMINATION**

8.1 City understands that this Agreement may be suspended or terminated if City materially fails to comply with the provisions of the Agreement or the prescribed terms and conditions as provided in the attached **Exhibits "A", "B", "C" and "D"**.

8.2 If City fails to fulfill in a timely and proper manner its obligations under this Agreement, or City violates any of the agreements or stipulations of this Agreement, then the County shall provide City written notification of such non-performance. City will be given ten (10) business days to cure any non-performance. Failure to cure such non-performance will constitute a breach of this Agreement and may be the basis for immediate termination of the Agreement. **Should a breach by the City of this Agreement relate to a violation of federal law or regulation that results in The United States Department of Treasury, General Accounting Office or other applicable overseeing Federal agency demanding reimbursement from the County or the City or its successor, the County will terminate Agreement and seek reimbursement of all funds from City.** City shall not be relieved of the liability to the County for damages sustained by the County by virtue of any breach of this Agreement by City. County may take any and all appropriate action including injunctive relief against City to prevent the continued failure of City to comply with the CRFund requirements and/or failure to reimburse the County for funds disallowed by the U.S. Department of Treasury. The failure of the County to exercise any right shall in no way constitute a waiver by the County to otherwise demand payment or seek any other relief in law or in equity to which it may be justly entitled.

8.3 In addition to the termination provisions stated above, either party may terminate this Agreement with or without cause upon thirty (30) days written notice to each other. Termination of the Agreement does not exempt City's obligation to reimburse County for any incurred expenses disallowed by the U.S. Department of Treasury or any other overseeing federal agency.

**SECTION IX  
ASSETS**

9.1 City shall not purchase any asset unless so permitted by the Guidance and to the extent the purchase of the asset is consistent with the limitation on the eligible use of funds provided by section 601(d) of the Social Security Act.

9.2 Procurement of any assets meeting the requirements of the CRFund shall be done in the form and manner as required by both State and Federal law, as noted in Section XIII below.

9.3 City as a Sub-Recipient of the CRFund shall maintain property records, perform a physical inventory, reconcile results of the physical inventory to property records, safeguard the property, maintain the property, and use proper disposition procedures to ensure the highest possible return. City shall be responsible for the care, maintenance, repair, custody, control, disposition and use of any asset purchased with CRFunds.

9.4 The disposition of any asset improved or acquired in part or in whole with CRFunds by the City during the covered award period or just prior to the expiration of that term, December 30, 2020, the proceeds would be subject to the restrictions on the eligible use of payments from the CRFund provided by section 601 (d) of the Social Security Act.

**SECTION X  
LIABILITY FOR DISALLOWED COSTS**

10.1 The City understands and agrees that as a sub-recipient under this Agreement it shall be liable to County for any costs disallowed pursuant to financial and compliance audit(s) of City CRFunds. The City further understands and agrees that reimbursement to County of such disallowed costs shall be paid by the City from funds that were not provided or otherwise made available to City pursuant to this Agreement or any other federal award.

**SECTION XI  
INDEMNITY CLAUSE AND INSURANCE REQUIREMENT**

**11.1 THE PARTIES AGREE TO BE RESPONSIBLE EACH FOR THEIR OWN NEGLIGENT ACTS OR OMISSIONS, OR OTHER TORTIOUS CONDUCT IN THE COURSE OF THE PERFORMANCE OF THIS AGREEMENT WITHOUT WAIVING ANY SOVEREIGN IMMUNITY, GOVERNMENTAL IMMUNITY, OR OTHER DEFENSES AVAILABLE TO THE PARTIES UNDER FEDERAL OR STATE LAW. NOTHING IN THIS PARAGRAPH SHALL BE CONSTRUED TO CREATE OR GRANT ANY RIGHTS, CONTRACTUAL OR OTHERWISE, IN OR TO ANY THIRD PERSONS OR ENTITIES.**

11.2 City shall acquire, maintain and furnish to County a Certificate of Insurance (or proof of self insurance) as proof that it has secured and paid for policies of public liability and automobile insurance to cover all operations and services provided under this Agreement with limits of not less than \$300,000.00 per occurrence, \$1,000,000.00 aggregate, covering all risks incident to or in connection with the execution, performance, attempted performance or non-performance of this Agreement. This requirement is to meet City's obligations hereunder. Each party is responsible for their own costs of insurance, including any and all deductible amounts.

## SECTION XII DISPUTE RESOLUTION

12.1 The Parties' representatives will meet as needed to implement the terms of the Agreement and will make a good faith effort to informally resolve any disputes. Notwithstanding any other provision of this Agreement to the contrary, unless otherwise requested or approved in writing by County, the City shall continue performance and will not be excused from performance during the period any breach of the Agreement claim or dispute is pending.

12.2 The laws of the State of Texas shall govern this agreement and all disputes arising out of or relating to this Agreement, without regard to any otherwise applicable conflict of law rules or requirements. Venue for any action, suit, litigation or other proceeding arising out of or in any way relating to this Agreement shall be commenced exclusively in the Hidalgo County District Court or the United States District Court, Southern District of Texas – McAllen Division.

12.3 City, as the sub-recipient of the CRFunds, hereby irrevocably and unconditionally consents to the exclusive jurisdiction of the courts referenced above for the purposes of prosecuting and/or defending such litigation. City further waives and agrees not to assert by way of a motion, as a defense, or otherwise, in any suit, action or proceedings, any claim that the City is not personally subject to the jurisdiction of the above referenced courts; the suit, action or proceeding is brought in an inconvenient forum; and/or venue is improper.

12.4 The Parties agree to mandatory participation in mediation as an Alternative Dispute Resolution process, before any action, suit, litigation or other proceeding arising out of or in any way relating to this Agreement may be commenced.

## SECTION XIII PROCUREMENT

13.1 City agrees to conform to its own applicable purchasing laws, regulations, employment policies and procedures with respect to any purchases or employment in relation to the CRFund and/or this Agreement. **City, as a non-federal entity, is advised that procurements made with federal funds are subject to the provisions of 2 CFR §§200.317 – 200.326, and resulting contracts must contain applicable provisions described in Appendix II to Part 200 – Contract Provisions for Non-Federal Entity Contracts Under Federal Awards. Applicable federal law, including but not limited to the procurement provisions of 2 CFR 200 applicable to entities receiving federal funds must be followed and are incorporated by reference herein.**

## SECTION XIV CONFLICT OF INTEREST

14.1 City covenants that none of its elected officials, officers, employees, consultants, or agents who exercise influence on the decision-making process presently has or will have any interest, direct or indirect, with any person, corporation, company or association that is hired to carry out any of the activities covered by the CRFund. City agrees that all elected officials, officers, employees, consultants or agents shall comply fully with the requirements of Texas Local Government Code Chapter 171.

14.2 City agrees that no person who is an elected official, officer, employee, consultant, or agent of the City's organization or the County's organization shall gain any interest in any corporation, company, or

invalidity, illegality or unenforceability will not affect any other provision thereof, and this Agreement will be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

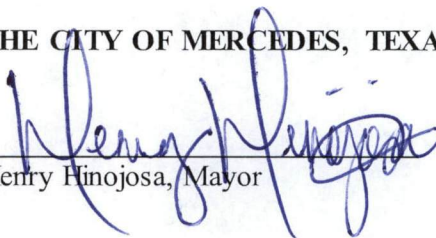

15.15 **Immunity.** This Agreement is expressly made subject to the County's Sovereign Immunity, Title 5 of the Texas Civil Practice and Remedies Code and City's governmental immunity, and all applicable federal and state law. The Parties expressly agree that no provision of this Agreement is in any way intended to constitute a waiver of immunities from suit or from liability that the County or City has by operation of law.

15.16 **Authority to Execute.** The execution and performance of this Agreement by County and City have been duly authorized by all necessary laws, resolutions or corporate action, and this Agreement constitutes the valid and enforceable obligations of County and City in accordance with its terms.
