RAYMONDVILLE BANK OF TEXAS, at its offices at 7th and Hidalgo, P.O. Box 869

in the City of Raymondville, Willacy County, Texas, as follow, to-wit: in sixty (60) monthly installments commencing December 15, 1985, as therein provided,

bearing interest as therein stipulated, providing for acceleration of maturity and for Attorney's fees;

Should Grantors do and perform all of the covenants and agreements herein contained, and make prompt payment of said indebtedness as the same shall become due and payable, then this conveyance shall become null and void and of no further force and effect, and shall be released at the expense of Grantors, by the holder thereof, hereinafter called Beneficiary (whether one or more).

Grantors covenant and agree as follows:

That they are lawfully seized of said property, and have the right to convey the same; that said property is free from all liens and encumbrances, except as herein provided.

To protect the title and possession of said property and to pay when due all taxes and assessments now existing or hereafter levied or assessed upon said property, or the interest therein created by this Deed of Trust, and to preserve and maintain the lien hereby created as a first and prior lien on said property including any improvements hereafter made a part of the realty.

To keep the improvements on said property in good repair and condition, and not to permit or commit any waste thereof; to keep said buildings occupied so as not to impair the insurance carried thereon.

To insure and keep insured all improvements now or hereafter created upon said property against loss or damage by fire and wind-storm, and any other hazard or hazards as may be reasonably required from time to time by Beneficiary during the term of the indebtedness hereby secured, to the extent of the original amount of the indebtedness hereby secured, or to the extent of the full insurable value of said improvements, whichever is the lesser, in such form and with such Insurance Company or Companies as may be approved by Beneficiary, and to deliver to Beneficiary the policies of such insurance having attached to said policies such mortgage indemnity clause as Beneficiary shall direct; to deliver renewals of such policies to Beneficiary at least ten (10) days before any such insurance policies shall expire; any proceeds which Beneficiary may receive under any such policy, or policies, may be applied by Beneficiary, at his option, to reduce the indebtedness hereby secured, whether then matured or to mature in the future, and in such manner as Beneficiary may elect, or Beneficiary may permit Grantors to use said proceeds to repair or replace all improvements damaged or destroyed and covered by said policy.

That in the event Grantors shall fail to keep the improvements on the property hereby conveyed in good repair and condition, or to pay promptly when due all taxes and assessments, as aforesaid, or to preserve the prior lien of this Deed of Trust on said property, or to keep the buildings and improvements insured, as aforesaid, or to deliver the policy, or policies, of insurance or the renewal thereof to Beneficiary, as aforesaid, then Beneficiary may, at his option, but without being required to do so, make such repairs, pay such taxes and assessments, purchase any tax title thereon, remove any prior liens, and prosecute or defend any suits in relation to the preservation of the prior lien of this Deed of Trust on said property, or insure and keep insured the improvements thereon in an amount not to exceed that above stipulated; that any sums which may be so paid out by Beneficiary and all sums paid for insurance premiums, as aforesaid, including the costs, expenses and Attorney's fees paid in any suit affecting said property when necessary to protect the lien hereof shall bear interest from the dates of such payments at the rate stated in said note and shall be paid by Grantors to Beneficiary upon demand, at the same place at which said note is payable, and shall be deemed a part of the debt hereby secured and recoverable as such in all respects.

That in the event of default in the payment of any installment, principal or interest, of the note hereby secured, in accordance with the terms thereof, or of a breach of any of the covenants herein contained to be performed by Grantors, then and in any of such events Beneficiary may elect, Grantors hereby expressly waiving presentment and demand for payment, to declare the entire principal indebtedness hereby secured with all interest accrued thereon and all other sums hereby secured immediately due and payable, and in the event of default in the payment of said indebtedness when due or declared due, it shall thereupon, or at any time thereafter, be the duty of the Trustee, or his successor or substitute as hereinafter provided, at the request of Beneficiary (which request is hereby conclusively presumed), to enforce this trust; and after advertising the time, place and terms of the sale of the above described and conveyed property, then subject to the lien hereof, and mailing and filing notices as required by section 51.002, Texas Property Code, as then amended (successor to article 3810, Texas Revised Civil Statutes), and otherwise complying with that statute, the Trustee shall sell the above described property, then subject to the lien hereof, at public auction in accordance with such notices on the first Tuesday in any month between the hours of ten o'clock A.M. and four o'clock P.M., to the highest bidder for cash, selling all of the property as an entirety or in such parcels as the Trustee acting may elect, and make due conveyance to the Purchaser or Purchasers, with general warranty binding Grantors, their heirs and assigns; and out of the money arising from such sale, the Trustee acting shall pay first, all the expenses of advertising the sale and making the conveyance, including a commission of five percent (5%) to himself, which commission shall be due and owing in addition to the Attorney's fees provided for in said note, and then to Beneficiary the full amount of principal, interest, Attorney's fees and other charges due and unpaid on said note and all other indebtedness secured hereby, rendering the balance of the sales price, if any, to Grantors, their heirs or assigns; and the recitals in the conveyance to the Purchaser or Purchasers shall be full and conclusive evidence of the truth of the matters therein stated, and all prerequisites to said sale shall be presumed to have been performed, and such sale and conveyance shall be conclusive against Grantors, their heirs and assigns.

It is agreed that in the event a foreclosure hereunder should be commenced by the Trustee, or his substitute or successor, Beneficiary may at any time before the sale of said property direct the said Trustee to abandon the sale, and may then institute suit for the collection of said note, and for the foreclosure of this Deed of Trust lien; it is further agreed that if Beneficiary should institute a suit for the collection thereof, and for a foreclosure of this Deed of Trust lien, that he may at any time before the entry of a final judgment in said suit dismiss the same, and require the Trustee, his substitute or successor to sell the property in accordance with the provisions of this Deed of Trust.

Beneficiary, if he is the highest bidder, shall have the right to purchase at any sale of the property, and to have the amount for which such property is sold credited on the debt then owing.

Beneficiary in any event is hereby authorized to appoint a substitute trustee, or a successor trustee, to act instead of the Trustee named herein without other formality than the designation in writing of a substitute or successor trustee; and the authority hereby conferred shall extend to the appointment of other successor and substitute trustees successively until the indebtedness hereby secured has been paid in full, or until said property is sold hereunder, and each substitute and successor trustee shall succeed to all of the rights and powers of the original trustee named herein.

In the event any sale is made of the above described property, or any portion thereof, under the terms of this Deed of Trust, Grantors, their heirs and assigns, shall forthwith upon the making of such sale surrender and deliver possession of the property so sold to the Purchaser at such sale, and in the event of their failure to do so they shall thereupon from and after the making of such sale be and continue as tenants at will of such Purchaser, and in the event of their failure to surrender possession of said property upon demand, the Purchaser, his heirs or assigns, shall be entitled to institute and maintain an action for forcible detainer of said property in the Justice of the Peace Court in the Justice Precinct in which such property, or any part thereof, is situated.

It is agreed that the lien hereby created shall take precedence over and be a prior lien to any other lien of any character whether vendor's, materialmen's or mechanic's lien hereafter created on the above described property, and in the event the proceeds of the indebtedness secured hereby as set forth herein are used to pay off and satisfy any liens heretofore existing on said property, then Beneficiary is, and shall be, subrogated to all of the rights, liens and remedies of the holders of the indebtedness so paid.

It is further agreed that if Grantors, their heirs or assigns, while the owner of the hereinabove described property, should commit an act of bankruptcy, or authorize the filing of a voluntary petition in bankruptcy, or should an act of bankruptcy be committed and involuntary proceedings instituted or threatened, or should the property hereinabove described be taken over by a Receiver for Grantors, their heirs or assigns, the note hereinabove described shall, at the option of Beneficiary, immediately become due and payable, and the acting Trustee may then proceed to sell the same under the provisions of this Deed of Trust.

As further security for the payment of the hereinabove described indebtedness, Grantors hereby transfer, assign, and convey unto Beneficiary all rents issuing or to hereafter issue from said real property, and in the event of any default in the payment of said note or hereunder, Beneficiary, his agent or representative, is hereby authorized, at his option, to collect said rents, or if such property is vacant to rent the same and collect the rents, and apply the same, less the reasonable costs and expenses of collection thereof, to the payment of said indebtedness, whether then matured or to mature in the future, and in such manner as Beneficiary may elect. The collection of said rents by Beneficiary shall not constitute a waiver of his right to accelerate the maturity of said indebtedness nor of his right to proceed with the enforcement of this Deed of Trust.

It is agreed that an extension, or extensions, may be made of the time of payment of all, or any part, of the indebtedness secured hereby, and that any part of the above described real property may be released from this lien without altering or affecting the priority of the lien created by this Deed of Trust in favor of any junior encumbrancer, mortgagee or purchaser, or any person acquiring an interest in the property hereby conveyed, or any part thereof; it being the intention of the parties hereto to preserve this lien on the property herein described and all improvements thereon, and that may be hereafter constructed thereon, first and superior to any liens that may be placed thereon, or that may be fixed, given or imposed by law thereon after the execution of this instrument notwithstanding any such extension of the time of payment, or the release of a portion of said property from this lien.

In the event any portion of the indebtedness hereinabove described cannot be lawfully secured by this Deed of Trust lien on said real property, it is agreed that the first payments made on said indebtedness shall be applied to the discharge of that portion of said indebtedness.

Beneficiary shall be entitled to receive any and all sums which may become payable to Grantors for the condemnation of the hereinabove described real property, or any part thereof, for public or quasi-public use, or by virtue of private sale in lieu thereof, and any sums which may be awarded or become payable to Grantors for damages caused by public works or construction on or near the said property. All such sums are hereby assigned to Beneficiary, who may, after deducting therefrom all expenses actually incurred, including attorney's fees, release same to Grantors or apply the same to the reduction of the indebtedness hereby secured, whether then matured or to mature in the future, or on any money obligation hereunder, as and in such manner as Beneficiary may elect. Beneficiary shall not be, in any event or circumstances, liable or responsible for failure to collect, or exercise diligence in the collection of, any such sums.

Nothing herein or in said note contained shall ever entitle Beneficiary, upon the arising of any contingency whatsoever, to receive or collect interest in excess of the highest rate allowed by the laws of the State of Texas on the principal indebtedness hereby secured or on any money obligation hereunder and in no event shall Grantors be obligated to pay interest thereon in excess of such rate.

If this Deed of Trust is executed by only one person or by a corporation the plural reference to Grantors shall be held to include the singular, and all of the covenants and agreements herein undertaken to be performed by and the rights conferred upon the respective Grantors named herein, shall be binding upon and inure to the benefit of not only said parties respectively but also their respective heirs, executors, administrators, grantees, successors and assigns.

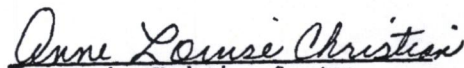

Grantors expressly represent that this Deed of Trust and the Note hereby secured are given for the following purpose, to-wit:

The Note hereby secured is given in renewal and extension of the sum of \$14,100.00 left owing and unpaid by Grantors herein upon that one certain promissory note in the original principal amount of \$25,000.00, dated September 20, 1978, executed by Grantors, and payable to the order of George F. Patterson, and transferred and assigned together with all liens securing the same to H. G. George and W. D. Dean which note was secured by a Mechanic's Lien Contract with Power of Sale covering improvements to the herein described property recorded in Volume 246, Page 749-754 Mechanic's Lien Records, Hidalgo County, Texas, thereafter transferred to Cornelia Ann Conn by instrument recorded in Volume 246, Pages 747-748, Mechanic's Lien Records, Hidalgo County, Texas, and which said note was renewed and extended in the amount of \$17,000.00 by promissory note dated November 10, 1978, executed by the Makers herein to the said Cornelia Ann Conn and secured by Deed of Trust of record in Volume 925, Pages 59-62, Deed of Trust Records, Hidalgo County, Texas, upon the herein described real property, which lien is hereby expressly acknowledged by Grantors to be a valid and subsisting lien against the property herein described, (which said Note, together with the lien securing the same, has been duly assigned and transferred to the Beneficiary herein) and it is expressly agreed that said lien is hereby renewed, extended and continued in full force and effect to secure the payment of the Note hereby secured.

Grantor COVENANTS that as long as any part of the obligation set out herein remains unpaid, neither grantor nor his heirs, executors or assigns shall grant, sell, transfer, assign, convey or dispose of any part or all of the above-described mortgaged premises offered for security herein (regardless of whether the buyer or assignee "assumes" the obligations or takes the mortgaged property "subject to" such obligations) without first obtaining the consent of the Beneficiary. In the event of the violation of this covenant, the same shall constitute a default, for which this Trust may be enforced, either by the Beneficiary's right of foreclosure or other remedy as set out herein.

EXECUTED this 15th day of November, 1985.
