RE: Hidalgo County Sheriff's Energy Saving LED Lighting Project

Dear Sheriff Guerra,

E3 Entegral Solutions, Inc. (E3) is pleased to provide you with this proposal and agreement for Energy Saving LED Lighting Products through TASB's BuyBoard cooperative purchasing agreement #602-20. Based on our meetings with you, your staff and subsequent site surveys, we are confident the proposed scope of work will meet your needs and provide the best possible solution for your district. Below is a summary of our proposal for a lighting retrofit at Hidalgo County Sheriff's Office.

Scope of Work

E3 will perform a turn-key, lighting retrofit at Hidalgo County Sheriff's Office facilities. The scope of work includes all material, labor, equipment to install, storage and handling of said material. The scope also includes all removal, disposal and recycling of all old lamps, ballasts and any lighting materials removed as a result of the project, and to include appropriate documentation where appropriate. See Exhibit A for BuyBoard pricing breakdown and specific buildings in the project.

BuyBoard Pricing

Materials

Category	Description	Subtotal
BuyBoard Materials	LED lamps and materials	154,066.05
Subtotal Material		\$ 154,066.05

Labor

Category	Description	Subtotal
Labor	Installation / Repair All Other Energy Saving Lighting Equipment and Products	285,495.60
Subtotal Installation Labor		\$ 285,495.60

Discounts

Category	Amount	Subtotal
BuyBoard Discount	5%	(21,978.08)
Subtotal Discounts		\$ (21,978.08)

General Conditions

Category	Description	Subtotal
Audit	Lighting audit services to determine scope of work	10,377.63
Other	Bonds & Insurance	9,505.09
Subtotal General Conditions		\$ 19,882.72

Grand Total	\$ 437,466.29
--------------------	----------------------

Handwritten initials

All modifications and installation will meet all applicable local, state, and federal building codes.

Exclusions

1. Expediting and special handling charges
2. Costs incurred due to unforeseen conditions
3. Structural or electrical upgrades
4. Existing code violations
5. Anything not specifically mentioned above

Warranty

All materials provided by E3 will be warranted through the Original Manufacturer's warranty, specifically 4-foot linear lamps carry a 10-year warranties. All workmanship performed by E3 is warranted for one (1) year, unless otherwise stated in this proposal.

Contract Time

E3 will commence the Work within thirty (30) days after the date this proposal is executed, and will successfully achieve substantial completion of the Project within One Hundred Twenty (120) days from the date of commencement, unless E3 is delayed by changes ordered in the Work by the Client, by labor disputes, fire, unusual delay in deliveries, abnormal adverse weather conditions that affect the Work not reasonably anticipatable, unavoidable casualties or any other causes which are beyond the control of E3.

Payment Terms

1. Initial invoice is delivered upon contract signing for the amount of all materials and due upon arrival of material.
2. Progress invoices will be submitted on a monthly basis per work completed.
3. Payments due Net 30 in accordance with the Texas Prompt Payment Act.
4. E3 may assess a late fee to the extent allowed under the Texas Prompt Payment Act (Tex. Gov't Code ch. 2251)

This quote is based solely on the "Terms and Conditions" listed on page 3. An executed contract by both parties will be necessary before the project can commence. This proposal is valid for thirty (30) days from the date above. Thank you for your consideration of our proposal. If this is acceptable, please sign, scan, and return via email to: Bill Savarino at bsavarino@e3es.com, or fax to 972-325-1920.

Please let me know if you have any questions regarding this proposal.

Regards,

TERMS AND CONDITIONS

1. Acceptance. Authorization to E3 to begin the Work will mean that Customer has agreed to these terms and conditions. Documents with terms additional to or different from this Proposal will not be binding upon E3.
2. The Contract Documents. The "Contract Documents" means this Proposal, the Construction Documents, and changes made after the date of this Proposal. The "Construction Documents" are the descriptions and/or the plans and specifications establishing the requirements of the Work. The Construction Documents are identified on page 1 of this Proposal or Exhibit A attached to this Proposal and define the Customer's requirements ("Customer's Requirements").
3. Means and Methods. E3 will be responsible for, and have control over, construction means, methods, techniques, sequences and procedures. Unless otherwise provided in the Work description on page 1 of this Proposal or Exhibit A to this Proposal, E3 will provide and pay for all labor, materials, supplies, tools, equipment, machinery and transportation for the Work. E3 will be responsible to Customer for E3's subcontractor and others performing the Work under a contract with E3, but performance will be required only to the extent provided by the Contract Documents.
4. Safety. E3 will comply with applicable federal, state and municipal safety laws, but E3 will have no responsibility for safety hazards resulting from the acts or omissions of Customer or others employed by Customer.
5. Warranty. If, within one (1) year after the Completion Date, the Work is found to be defective or not in accordance with this Proposal, E3 will correct it after E3 receives written notice from Customer. All other warranties (express, implied or oral), including any implied warranty of merchantability, workmanship, and fitness for a particular purpose, are excluded. Customer and E3 waive all claims for consequential damages to the extent allowed under applicable Texas law.
6. Delays. If the Work is delayed by Customer or a separate contractor employed by Customer, or by changes in the Work, labor disputes, fire, unusual delay in deliveries, adverse weather conditions, unavoidable casualties, or other causes beyond E3's reasonable control, the Completion Date will be extended. For all delays caused by Customer and/or Customer's other contractors, E3 shall be compensated for all costs incurred.
7. Changes. Customer may request changes in the Work within the general scope of the Work, and the Contract Sum and Completion Date will be adjusted.
8. Cost of the Work. The "Cost of the Work" means the following costs and expenses relating to the Work: (1) wages and salaries, including labor burden, construction workers and supervisory, project management, and administrative personnel assigned to the Project at E3's standard fixed rates, including other related costs of E3 personnel, (2) payments made to subcontractors, (3) costs of materials, supplies and equipment, (4) costs of temporary facilities and job office expenses, (5) Project-related travel and job site vehicle expenses, (6) bond premiums, if any, sales, use or similar taxes, fees and assessments for the building permit and other permits, licenses, approvals and inspections, and fees of laboratories for tests required by the Contract Documents, (7) legal, mediation and arbitration costs, including attorneys' fees, unless arising from disputes between Customer and E3, and (8) costs of repairing or correcting the Work. E3 has provided a lump sum proposal for the initial scope of work.
9. Payment. Payment is due upon receipt of invoice. Invoices will be based upon materials on site or Work completed to the date of invoice. Invoices unpaid thirty (30) days from receipt of invoice will accrue interest to the extent allowed under the Texas Prompt Payment Act (Tex. Gov't Code ch. 2251).
- ~~10. Claims and Disputes. All claims and disputes relating to the Project, the Work, or this Proposal will be settled by arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association. Notice of demand for arbitration will be filed in writing with the other party and the American Arbitration Association. The demand must be made within a reasonable time, but not later than the expiration of the applicable statute of limitations. Any Arbitration hearing shall take place in Dallas, Texas.~~
11. Termination. If the Work is stopped for a period of fifteen (15) days due to the fault of Customer, or due to Customer's failure to make payment, or if Customer fails to abide by any of its obligations under this Proposal, E3 may, upon seven (7) days' written notice, terminate this Proposal and recover from Customer payment for all Work performed together with reasonable attorneys' fees, and lost profits.
12. Insurance and Indemnity. E3 agrees to maintain the following insurance: Worker's Compensation (statutory); Employer's Liability (\$1,000,000); Comprehensive General Liability, including Personal Injury, Premises Operations, Completed Operations and Products coverages (\$1,000,000 combined single limit for bodily injury and property damage); and Comprehensive Automobile Liability, including Owned, Non-Owned and Hired-Car coverages (\$1,000,000 combined single limit for bodily injury and property damage). E3 agrees to defend and indemnify the Customer against all claims, damages, and expenses, including attorney's fees, arising out of the Work, but only to the extent caused by the negligence of E3, its laborers, employees, subcontractors, suppliers, and anyone for whose acts they may be liable.
13. Other Provisions. None Included
14. Miscellaneous. This Proposal is the entire agreement between E3 and Customer. All prior negotiations, representations and agreements are not binding. This Proposal may not be modified by evidence of course of dealing, course of performance or usage of trade. This Proposal will be governed by the laws of the State of Texas.
