

Hidalgo County

Proclamation in recognition of National Engineers Week February 21-27, 2021

Whereas engineers help solve technical and major challenges of our time – from rebuilding towns devastated by natural disasters, to providing planning, design, and oversight for various Hidalgo County projects; and

Whereas engineers are an inspiration to Hidalgo County students focused on math and science; encouraging the practical power of knowledge; and

Whereas Hidalgo County depends on engineers and their technical skills in order to help enhance the quality of life as well as meet challenges faced in the future; and

Whereas founded in 1951, National Engineer's Week (EWeek) is dedicated to ensuring a diverse and well-educated future of an engineering workforce by increasing the understanding of, and interest in engineering and tech careers; and

Whereas EWeek is a formal coalition of more than 70 engineering; education and cultural societies, with more than 50 corporations and government agencies dedicated to raising public awareness of positive contributions that engineers have made towards the quality of life.

Now therefore, be it proclaimed that the Hidalgo County Commissioners Court recognizes and proclaims February 21-27, 2021 as Engineers Week.

Approved this 23rd day of February, 2021.

RICHARD F. CORTEZ
County Judge
