Good afternoon:
Checking on the status of legal approval for this agreement. This agreement had prior approval from legal, however, I prepared the agreement with the use of work authorizations and supplemental agreements, and those documents are not used for Construction/Project Management. Once I have legal approval, I will send the document to the clerks office for attachment to the agenda that was approved on December 28th. Let me know if you have any questions.
Thank you,
Heidi
