REIMBURSE PROJECT EXPENDITURES**

The undersigned, authorized by resolution of the County Commissioners Court (the "Commissioners Court") of the County of Hidalgo (the "County"), gives notice of intent to reimburse the County for certain qualified expenditures made or to be made no earlier than 60 days prior to the date hereof, and to undertake certain capital expenditures as authorized under state law for the project as described below. The project shall consist of the following improvements and expenditures (the "Project"):

1. Acquisition of land and buildings to be improved for county governmental purposes
2. Construction and renovation of facilities for county governmental purposes
3. Contractual obligations for payment of professional services related to the cost of issuance and the acquisition, construction and renovation costs of the projects

The County is proceeding with the Project and the County anticipates that no earlier than 60 days prior to the date hereof and prior to the issuance of any debt obligations, the County is or will be obligated to make certain expenditures with respect to the Project.

The County reasonably anticipates expending funds out of its general fund or other available funds to pay for the expenditures in the approximate amount of \$5,800,000. The expenditures are for governmental purposes and will originally be paid from a source other than proceeds of tax-exempt obligations.

The maximum principal amount of tax-exempt obligations which the County anticipates to issue for the Project is \$6,800,000.

This is a "declaration of official intent" pursuant to and within the meaning of Treasury Regulations §1.150-2, as promulgated under the Internal Revenue Code of 1986, as amended.
