TEXAS CHILLER SYSTEMS' AGREEMENT WITH TERMS AND CONDITIONS

By accepting Texas Chiller Systems' proposal, the undersigned Purchaser agrees to be bound by the following terms and conditions:

SCOPE OF WORK. The scope of work in this Agreement is based upon the use of straight time labor only. Plastering, patching and painting are excluded. "In-line" duct and piping devices, including, but not limited to, valves, dampers, humidifiers, wells, taps, flow meters, orifices, etc., if required hereunder to be furnished by Texas Chiller Systems, shall be distributed and installed by others under Texas Chiller System's supervision, but at no additional cost to Texas Chiller Systems. Purchaser agrees to provide Texas Chiller Systems with required field utilities (electricity, toilets, drinking water, project hoist, elevator service, etc.) without charge. Texas Chiller Systems agrees to keep the site clean of debris arising out of its own operation. Purchaser shall not back charge Texas Chiller Systems for any costs or expenses without Texas Chiller Systems written consent. Any alteration, changes, or deviation from the proposal which involve extra costs, will be performed only upon written orders, and will become an extra charge over and above the proposal estimate.

PAYMENT TERMS. Payment of invoices are due in accordance with the Texas Prompt Payment Act, Chapter 2251 of the Texas Government Code. The unpaid principal balance of any delinquent account is subject to the Texas Prompt Payment Act, and Chapter 2251 shall govern remittance of payment and remedies for the late payment and non-payment.

MATERIALS. If the materials or equipment included in this proposal become temporarily or permanently unavailable for reasons beyond the control and without the fault of Texas Chiller Systems, then in the case of such a temporary unavailability, the time for performance of the work shall be extended to the extent thereof, and in the case of permanent unavailability, Texas Chiller Systems shall (a) be excused from furnishing said materials or equipment and (b) be reimbursed for the difference between the cost of the materials or equipment permanently unavailable and the cost of a reasonably available substitute therefore.

HAZARDS MATERIALS. Unless specifically noted in the proposal statement of the scope of work or service undertaken by Texas Chiller Systems under this agreement, Texas Chiller System's obligations under this agreement expressly exclude any work or service of any nature associated or connected with the identification, abatement, clean-up, control, removal, or disposal of environment hazards or dangerous substances, to include but not limited to asbestos or PCB's, discovered in or on the premises. Any language or provision of the agreement elsewhere contained which may authorize or empower the Purchaser to change, modify, or alter the scope of work or services to be performed by Texas Chiller Systems shall not operate to compel Texas Chiller Systems to perform any work relating to or working around hazardous materials without Texas Chiller Systems express written consent.

TEXAS CHILLER SYSTEMS

WARRANTY. All material is guaranteed to be as specified. All work to be completed in a workmanlike manner according to standard industry practices. For new manufactured equipment: Texas Chiller Systems warrants that new manufactured equipment shall be free from defects in material and workmanship arising from normal usage for a period of one (1) year from date of delivery of said equipment, or if installed by Texas Chiller Systems, for a period of one (1) year from date of installation. "Manufactured equipment" is defined as a motor driven unit with serial number, model number and identification tag. Individual parts, coils or pieces of manufactured equipment provided by Texas Chiller Systems do not fall under this one (1) year warranty period. Further, this warranty does not extend to any manufactured equipment which has been repaired by others, abused, altered or misused, or which has not been properly and reasonably maintained. Any repair work not covered by the one (1) year warranty defined above will have a thirty (30) day warranty for labor, but all parts or materials associated with these repairs will carry the manufacturer's warranty only. THESE WARRANTIES ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. If Purchaser fails to pay all invoices ~~in full~~, it is agreed that there shall be no warranty provided. [^]In accordance with the Texas Prompt Payment Act,

TAXES. The price of this proposal does not include duties, sales, use, excise, or other similar taxes, unless required by federal, state, or local law. Purchaser shall pay, in addition to the stated price, all taxes not legally required to be paid by Texas Chiller Systems or, alternatively, shall provide Texas Chiller Systems with acceptable taxes exemption certificates. Texas Chiller Systems shall provide Purchaser with any tax payment certificate upon request and after completion and acceptance of the work.

LIABILITY. [^]To the extent allowed by the constitution and the laws of the State of Texas. Texas Chiller Systems shall not be liable for any special, indirect or consequential damages arising in any manner from the equipment or material furnished or the work performed pursuant to this Agreement.

DELAYS. [^]To the extent allowed by the constitution and the laws of the State of Texas. Texas Chiller Systems shall not be liable for any delay in the performance of the work resulting from or attributed to acts of circumstances beyond Texas Chiller System's reasonable control, including, but not limited to, acts of God, fire, riots, labor disputes, conditions of the premises, acts or omissions of the Purchaser, Owner, or other Contractors or delay caused by suppliers or subcontractors of Texas Chiller Systems, etc.

FORCE MAJEURE. Texas Chiller Systems shall not be considered to be in default or breach of this Agreement, and shall be excused from performance or liability for damages to the extent Texas Chiller System is prevented from performing any of the provisions of this Agreement which arise out of or in consequence of any act of God, labor disturbance, sabotage, failure of suppliers of materials, act of the public enemy, war, invasion, insurrection, riot, fire, storm, flood, ice, earthquake, explosion, epidemic, pandemic, accident to machinery or equipment or any other cause or causes beyond Texas Chiller Systems' reasonable control.

COMPLIANCE WITH LAWS. Texas Chiller Systems shall comply with all applicable
