Information does not constitute a party's Confidential Information if (a) already known by Recipient without obligation of confidentiality; (b) independently developed by Recipient without use of Discloser's Confidential Information; (c) publicly known without breach of this Agreement; or (d) lawfully received from a third party without obligation of confidentiality. Recipient shall: (i) not use or disclose any Confidential Information except as expressly authorized by this Agreement or Discloser; (ii) protect Discloser's Confidential Information using the same degree of care that it uses with respect to its own Confidential Information of a like nature, but in no event with safeguards less than a reasonably prudent business would exercise under similar circumstances; and (iii) limit access to Discloser's Confidential Information to its employees, affiliates, agents, or authorized representatives having a need to know and who are bound by confidentiality obligations no less protective to those contained herein. **6.3 Indemnification.** Pure will indemnify and defend End User, at Pure's expense, against any action brought by a third party against End User to the extent that the action is based upon a claim that the Products directly infringe any copyrights, trademarks, or U.S. or European Union patents, or misappropriate any trade secrets, and Pure will pay those costs and damages finally awarded by a court of competent jurisdiction against End User in any such action that are specifically attributable to such claim or those costs and damages agreed to by Pure in a monetary settlement of such action. **6.7 Notices.** Except as specifically stated, all notices or other communications required or permitted under this Agreement shall be in writing and shall be delivered by personal delivery, certified overnight delivery such as Federal Express, or registered mail (return receipt requested) and shall be deemed given upon personal delivery or upon confirmation of receipt.

End User represents and warrants that (a) it is not on any export control or economic sanctions lists, including those subject to the Export Administration Regulations (“**EAR**”), International Traffic in Arms Regulations (“**ITAR**”) and Office of Foreign Asset Control Regulations (“**OFAC**”), or any other export exclusion list of any other U.S. or non-U.S. governmental agency; (b) it will not export Products or services to (i) destinations requiring a license; (ii) persons or entities requiring a license; or (iii) end user and end uses requiring a license, unless such license has been obtained; and (c) it will comply with the then-current version of such laws and regulations, including but not limited to agreeing not to export, re-export, divert, or transfer, directly or indirectly, any Products or other technology, software or technical data acquired from Pure (i) for use in activities which involve the development, production, use or stockpiling of nuclear activities of any kind, chemical or biological weapons or missiles, unmanned aerial vehicles, or microprocessors for military use, nor use the Products in any facilities which are engaged in activities relating to such weapons or applications, without prior authorization from the U.S. government and prior notification to Pure; (ii) to any entity or country that is subject to U.S. government approval, including, but not limited to, Cuba, Iran, North Korea, Syria, or the Crimea, Donetsk, or Luhansk regions of Ukraine, unless otherwise authorized by the U.S. government; (iii) to any entity or country that is subject to the selling country’s legal export restrictions, such as a debarred list issued by its government, if any; or (iv) for China military end-use or end-users or Russian military end-use or end-users or other destinations in Russia requiring an export license or other approval, unless otherwise authorized by the U.S. government. End User acknowledges that U.S. federal law and the selling country’s law prohibits the sale, export or re-export diversion or transfer, or other participation in any export transaction involving the Products with individuals or entities listed in the U.S. Commerce Department’s Table of Denial Orders, the U.S. Treasury Department’s list of Specially Designated Nationals, or the U.S. Department of State’s list of individuals debarred from receiving Munitions List items, or other applicable lists, such as the selling country’s entity or denial person/company lists. End User agrees to obligate, by contract or other similar assurances, the parties to whom it may re-export or otherwise transfer Products to comply with all obligations set forth in this Agreement. Upon Pure’s request, End User agrees to provide Pure with applicable end use information.

**6.11 No Assignment.** This Agreement, and End User’s rights and obligations herein, may not be assigned by End User without Pure’s prior written consent, which consent will not be unreasonably withheld, and any attempted assignment in violation of the foregoing will be null and void.

**6.14 Termination.** The licenses granted in this Agreement, and End User’s rights to use the applicable Product or services terminates immediately if End User materially breaches any provision of this Agreement and, if capable of cure, fails to cure such breach within 30 days from the date of Pure’s written notice to End User. Upon any such termination, any terms, which upon a plain-reading, are intended to survive termination or expiration of this Agreement, shall survive any termination of this Agreement. End User may terminate this Agreement immediately if Pure materially breaches any provision of this Agreement and, if capable of cure, fails to cure such breach within 30 days from the date of End User’s written notice to Pure. Additionally, in the event that, during any term hereof, the Commissioners Court does not appropriate sufficient funds to meet the obligations of End User under this Agreement, End User may terminate this Agreement upon ninety (90) days written notice to Pure, End User agrees, however to use a best efforts attempt to obtain and appropriate funds for payment of the Agreement. The parties intend this provision, if applicable, to be a continuing right to terminate this at the expiration of each budget period of the End User in accordance with the Texas Local Government Code. Notwithstanding anything to the contrary, any amounts paid to Pure prior to the termination date are final and non-refundable if terminated pursuant to this Section.
