Carrier reserves the right to require cash payment or other alternative method of payment prior to shipment or completion of work if Carrier determines, in its sole discretion, that Customer or Customer's assignee's financial condition at any time does not justify continuance of the net 30 days payment term. If Customer claims that any such taxes or government charges do not apply to the transactions governed by this Agreement, Customer shall provide Carrier with acceptable tax exemption certificates or other applicable documents. All past due invoices will accrue interest at the lesser of 1% per month or the maximum amount allowable by law.
