5. Old Business
 - A. Recap of Community Art Exhibition – Around 29 artists participated. Nice weather and great event. Liked how the event was organized and the venue was great. Attendance wasn't tracked, but a lot of people in and out all day (maybe 200-300). Improvements for next year: get the word out to the community especially around the community center maybe through flyers, signups/flyers at Marigold Festival again.
 - B. Plans of the 2023 Movies – have at different parks like last year, drive-ins are well received – but moving parks make it hard to keep things moving (will have a few more hands on deck with the YMCA), think about activities but minimal ones. Shannon and First Christian Church will provide popcorn. Food truck discussion. More game activities for first 2 movies because of when sun sets.
 - 6/16/23 – ET (Cloud Park)
 - 7/21/23 - Wreck It Ralph (Eich)
 - 8/18/23 - Little Giants (Cloud)
 - 9/15/23 – Aladdin (Eich)
 - 10/TBD - Indiana Jones (Rose)
6. New Business
 - A. Star Spangled Heights Planning – July 1 – Logistics meeting with City Staff, Shannon and Vince King (Parks & Rec) has happened. Petting Zoo secured. Car Show with Historical Society of Board, Police Explorers on board. Will be adding additional lighting this year. Looked at pricing for rides as well. Parade is going back to original format (numbering) and Geri Hoskins will still manage the parade logistics. Hoping for

announcer and grandstand this year. Lining parade route with American Flags again. Sarah read email regarding the Hometown Hero as Grand Marshall and heart mascot. Suggestion of nominating process for Grand Marshall. WSWO suggested by Greg as someone to reach out to for parade announcing. Flag raising will depend on where fireworks will be shot, either at Veterans Memorial or Softball/Baseball fields. Fire Chief and Interim City Manager are talking about the firework shoot zones. More details coming soon. Food truck discussion on safety and logistics getting out. Parking will be handled as it has in the past. Will make sure to have a schedule of events. Vendor row will be new this year to add more things to do. Food truck sign-up is already live. Long discussion about rides, sponsors, donations, and budget costs. Greg will work on the charity softball game. Inflatables and food contest are also being looked at.
