#### 8. City Manager Report

Interim City Manager Bryan Chodkowski said he and City Planner Aaron Sorrell met with representatives of LWC regarding the future City Governance and Senior Center. He said City Staff hope to have a final siting layout and elevation drawing to show Council in another three weeks. He said City Staff released the Request For Proposals (RFP) for the property the City acquired at the intersection of Carriage Trails and Brandt Pike which is approximately 25 acres. He said the RFP is open from now until September 13, 2023. He said City Staff continue to work on the Carriage Trails Boulevard and Brandt Pike traffic signal issue. He said the City now needs an updated legal description for the land that would become the new right-of-way for the intersection, and City Staff have begun drafting that language to keep the process moving forward. He said the next step would be to meet with the affected property owners. He said this week, City Staff will be finishing up interviews for the Parks Manger position. He said the exterior of the Huber Heights Community Center has been painted, new basketball court surfaces have been laid down; and the painting of those surfaces will happen in a few weeks. He said regarding the inside of the Community Center, the contractor will begin staging within the building later in September, 2023 with renovations to

begin in October, 2023. He said final siting for the new Public Works Division building is complete, and that project will go to bid later in September, 2023.

#### 9. Pending Business

A. An Ordinance Approving Individual Assessments Amounts And Directing The Director Of Finance Or His/Her Designee To Certify The Amounts To The Applicable County Auditor For Collection, And Declaring An Emergency. (second reading)

Mr. Chodkowski said this item is recurring legislation and empowers the City to assess for outstanding fees associated with property maintenance and various other functions of the government that are levied on behalf of property owners to be placed on the tax roll.

Mayor Gore said the Council Work Session recommendation was to adopt this item.

Mr. Otto moved to adopt; Mrs. Byrge seconded the motion. On a call of the vote, Ms. Baker, Mr. Campbell, Mrs. Byrge, Mr. Otto, Mr. Lyons, Mrs. Kitchen, Mr. Webb, and Mr. Shaw voted yea; none voted nay. The motion passes 8-0.

#### 10. New Business

#### ADMINISTRATION Bryan Chodkowski, Interim City Manager

A. A Resolution Providing For Title Sponsorship Of The Big Hoopla's Hometown Heroes Military Appreciation Night At The Rose Music Center. (first reading)

Mr. Chodkowski said this year the City will be hosting the Dayton Development Coalition's (DDC) Military Appreciation Night at the Rose Music Center. He asked that Council consider providing for a Title Sponsorship so that as the owners and operators of that facility, the City would be able to provide military members of the community and the Miami Valley with tickets to this event to come and enjoy the facility. He said it was the Council Work Session recommendation that this item be adopted.

Ms. Baker moved to adopt; Mrs. Kitchen seconded the motion. On a call of the vote, Mr. Campbell, Mrs. Byrge, Mr. Otto, Mr. Lyons, Mrs. Kitchen, Mr. Webb, Mr. Shaw, and Ms. Baker voted yea; none voted nay. The motion passes 8-0.

B. An Ordinance To Approve Vacating Thorngate Drive, North Of Waynegate Road,
 To Transfer The Remnants Of The Public Right Of Way To The Adjacent Property
 Owners, And To Accept The Recommendation Of The Planning Commission (Case
 RP 23-18).
 (first reading)

Mr. Chodkowski said this item would vacate a stub of Thorngate Drive which was intended to be extended, but never was and through the course of time turned into a large, open stormwater collection location. He asked that Council adopt this item as was the recommendation at the Council Work Session.

Mr. Rodgers said the recommendation was to pass this item to a second reading. He said if Council wanted to approve this item tonight, the second reading could be waived.

Mr. Chodkowski apologized for misreading the recommendation.

In Council Chambers 6131 Taylorsville Road

Mr. Webb asked if there was any hurry on this item.

Mr. Chodkowski replied there is not.

Mayor Gore said this item will be passed to a second reading.

C. A Resolution Authorizing The Execution Of A Development Agreement With Metro Rose, LLC.

(first reading)

Mr. Chodkowski said this legislation gives approval of a development agreement between the City and Metro Rose, LLC. He said the project includes 300 market rate apartments across the street from the Rose Music Center and also includes a four acre parcel for a restaurant/pub development. He said the City is actively marketing that parcel and there is a pending proposal on that item now.

Mayor Gore said the Council Work Session recommendation was to adopt this item.

Mrs. Byrge moved to adopt; Mr. Webb seconded the motion.

Mr. Campbell said he would like to discuss Metro Rose, LLC as it related to any other items Council had talked about and agreed to. He said Council discussed signage at Dial Park, and he asked Mr. Shaw to confirm that he had hoped that the signage would have been completed before the passage of this legislation.

Mr. Shaw confirmed that signage was discussed back in March, 2023 and in several conversations since then.

Mr. Campbell asked for an update on the signage at Dial Park.

Mr. Chodkowski said the sign had been ordered and delivered. He said he reported at a previous City Council Meeting that he personally went out and marked the location for that sign to be placed at Dial Park. He said the sign company was called to have the sign installed, and that is the last information he had. He said Fast Signs is the vendor that is installing the sign. He said Fast Signs is the same company the City has ordered all of the park signs from in the past.

Mr. Campbell confirmed with Mr. Shaw that the agreement was to have that signage in place before the passage of this legislation along with a few other items discussed by Mr. Campbell, Mrs. Kitchen, and Mr. Shaw.

Mr. Shaw requested this item be passed to an additional reading or voted on tonight as he was good either way. He said he expects that the negotiation and compromise items will get taken care of.

Mr. Chodkowski said he would follow up with the Public Works Manager who is coordinating that signage. He said City Staff continue to advance the items that were asked to be advanced. He said some timetables are not as quick as City Staff would like them to be, and several items that he reported on in the City Manager's Report were also part of that list. He said City Staff are very conscientious and thoughtful of the conversation that happened in April, 2023 and will continue to try to advance the items as best as possible.

Mr. Otto said he appreciated Mr. Campbell bringing that issue up, but a park is more than just a sign and he thinks the agreement was for a lot more than just a sign. He said he had seen no movement on that park, and he gets razzed by Mr. Shaw all the time, asking if he had seen the new stuff at Dial Park. He said he personally expects more than a sign.

On a call of the vote, Mrs. Byrge, Mrs. Kitchen, Mr. Webb, Ms. Baker, and Mr. Campbell voted yea; Mr. Otto, Mr. Lyons, and Mr. Shaw voted nay. The motion passes 5-3.

In Council Chambers 6131 Taylorsville Road

D. A Resolution Authorizing An Amendment To A Lease For CR Dayton Unit #9
 Addressed As 6061 Brandt Pike.
 (first reading)

Mr. Chodkowski said this legislation authorizes an amendment to an existing lease for Posh Salon at the CR Dayton property and allows City Staff to enter into discussions with the owner to relocate the business from the north building, which is scheduled to be razed, to the south building. He said this item is one of the components necessary to complete the task of renovating the south building and razing the north building.

Mayor Gore said the Council Work Session recommendation was to adopt this item.

Mr. Webb moved to adopt; Ms. Baker seconded the motion.

Mr. Webb asked Mr. Chodkowski, what is the timeline for the movement of the tenant?

Mr. Chodkowski said City Staff had a conference call on Friday morning about the status of what to do and how to go about doing it. He said the hangup is being able to execute the amendment, and once the amendment is executed, City Staff can sit down with the owner and talk about the various components of what the relocation and new space would look like. He said the business is moving from a larger space to a smaller space, so concessions need to be made with regard to the initial lease. He said City Staff are not authorized to have those discussions because this legislation has not been passed. He said permitting is in process with Montgomery County, and the contractor is beginning to order supplies and products needed to begin work onsite the first week of September, 2023.

On a call of the vote, Mr. Otto, Mr. Lyons, Mrs. Kitchen, Mr. Webb, Ms. Baker, Mr. Campbell, and Mrs. Byrge voted yea; Mr. Shaw voted nay. The motion passes 7-1.

E. A Resolution Authorizing The City Manager To Solicit, Advertise, And Receive Bids From Qualified Firms For The Construction Of The Fishburg Road Improvement Project.

(first reading)

Mr. Chodkowski said this legislation is to widen the south side of Fishburg Road between Tomberg Street and Old Troy Pike. He said it is the last remaining section to be widened. He asked Council to authorize the legislation so that City Staff may proceed with the project in a timely manner as it is funded through Issue II grant funds.

Mrs. Byrge moved to adopt; Ms. Baker seconded the motion. On a call of the vote, Mr. Lyons, Mrs. Kitchen, Mr. Webb, Mr. Shaw, Ms. Baker, Mr. Campbell, Mrs. Byrge, and Mr. Otto voted yea; none voted nay. The motion passes 8-0.

F. A Resolution Declaring The Necessity Of Repairing Sidewalks, Curbs, Gutters, Driveway Approaches And Appurtenances Thereto On Portions Or All Of Certain Streets In The 2024 Sidewalk Program, Providing That Abutting Owners Repair The Same.

(first reading)

August 21, 2023

In Council Chambers 6131 Taylorsville Road

Mr. Chodkowski said this item is recurring legislation in support of the 2024 Sidewalk Program. He asked that this item be adopted so that the program can be completed on schedule.

Mayor Gore said the Council Work Session recommendation was to adopt this item.

Mr. Otto moved to adopt; Ms. Baker seconded the motion.

Mrs. Kitchen asked for a copy of the letter that went out to residents. She said she remembers when her sidewalk was replaced, the letter gave such a short timeframe to try to find another contractor to do the replacement work.

Mr. Chodkowski said a portion of the season is during the winter months when a resident may not be able to get contractors to respond in a timely manner before the City initiates the process. He said he will have a conversation with the City Engineer and confirm what the notice letters are, the requirements, as well as what the advanced timelines are, to be sure the City is being as thoughtful and as mindful of the timelines for both City Staff and citizens, so in the future, City Staff can make sure all of those concerns were thought of in giving the residents the best option on how to address this matter.

Mr. Webb confirmed that four months is the notification that is given. He asked Mrs. Kitchen to comment.

Mrs. Kitchen said when she received her notification, it was September and she was not going to be able to find a contractor in time based on the City's deadlines.

Mr. Chodkowski said he recognizes that if you are a resident who only has one or two panels to be replaced, that may not be enough to entice a contractor to come out and perform that work, and finding a bidder to respond may be more difficult. He said he will talk with the City Engineer and look at those timelines and report back on whether what City Staff are doing is the best way or if there is a better way to do it.

On a call of the vote, Mrs. Kitchen, Mr. Webb, Mr. Shaw, Ms. Baker, Mr. Campbell, Mrs. Byrge, Mr. Otto, and Mr. Lyons voted yea; none voted nay. The motion passes 8-0.

G. A Resolution Amending Resolution No. 2021-R-7055 To Increase The Not To Exceed Amount For The Design Of The East Sanitary Sewer Extension Project. (first reading)

Mr. Chodkowski said this measure is being asked for to provide additional funds for the engineering of pump stations associated with this project to make sure that they are appropriately designed to carry the necessary capacity and flow of this project. He said it was the recommendation that this item be adopted.

Ms. Baker moved to adopt; Mr. Webb seconded the motion. On a call of the vote, Mr. Webb, Ms. Baker, Mr. Campbell, and Mrs. Byrge voted yea; Mr. Shaw, Mr. Otto, Mr. Lyons, and Mrs. Kitchen voted nay. Mayor Gore voted yea, breaking the tie vote. The motion passes 5-4.

 H. A Resolution Authorizing The City Manager To Enter Into A Contract For The Design Of The Powell Road S Curve Realignment Project And Waiving The Competitive Bidding Requirements. (first reading) In Council Chambers 6131 Taylorsville Road

Mr. Chodkowski said this legislation allows City Staff to enter into a design contract for the S curve realignment on Powell Road. He said this project has future grant funding abilities, and he asked Council to adopt this measure so that the City is in a place to apply for the grant funds in the future.

Mrs. Byrge moved to adopt; Mr. Otto seconded the motion.

Mrs. Kitchen asked if competitive bidding has to be waived in order to get this funding?

Mr. Chodkowski said this measure is about being able to have the material available at the time of the grant cycle. He said it is not that City Staff is choosing to waive, because they do not want to, but it is that the City is under timelines and time constraints. He said if this project is bid, and the City misses the cycle this time around, then the City will miss the application cycle this time around.

On a call of the vote, Mr. Shaw, Ms. Baker, Mr. Campbell, Mrs. Byrge, Mr. Otto, Mr. Lyons, and Mr. Webb voted yea; Mrs. Kitchen voted nay. The motion passes 7-1.

I. A Resolution Authorizing The City Manager To Award A Bid For Services Related To The Replacement And Repair Of City Property Located At Thomas Cloud Park At Shelter #1 Located At 4707 Brandt Pike For The City Of Huber Heights Parks And Recreation Division.

(first reading)

Mr. Chodkowski said this legislation is to authorize the City to move forward with the replacement of the Shelter #1 roof at Thomas Cloud Park. he said it was the recommendation that this item be adopted.

Mr. Shaw moved to adopt; Ms. Baker seconded the motion.

Mr. Otto said he noticed on the proposal for Maxim that page one listed a total price, with labor and materials, of \$35,350, which falls into the \$39,000 that Council is looking to approve tonight. He said in the notes it mentions prevailing wages are excluded. He asked if this project needed to include prevailing wages for the project and, if so, would it increase the total?

Mr. Chodkowski said that the project does not meet the threshold for prevailing wages.

Mrs. Byrge asked what is the threshold for prevailing wages?

Mr. Chodkowski said it depends on the particular measure. He said he will look up the statute and follow up with Mrs. Byrge tomorrow.

On a call of the vote, Ms. Baker, Mr. Campbell, Mrs. Byrge, Mr. Otto, Mr. Lyons, Mrs. Kitchen, Mr. Webb, and Mr. Shaw voted yea; none voted nay. The motion passes 8-0.

J. A Resolution Amending The Contract Between The City Of Huber Heights And Total Tennis, Inc. For Services Related To Providing For The Repair And Refurbishment Of The City's Pickleball Courts. (first reading)

Mr. Chodkowski said this item provides for an amendment to the current project with Total Tennis, Inc. to allow for the additional four feet to make the entire playing area compliant with the Pickleball Association rules and regulations rather than just the metrics of the court itself. He said it was the recommendation at the Council Work Session that this item be adopted.

Mr. Shaw moved to adopt; Ms. Baker seconded the motion.

August 21, 2023

In Council Chambers 6131 Taylorsville Road

Mr. Otto said he hopes it will be soon that residents can see the pickleball courts ready to host tournaments and bring lots of people in to play on the courts.

On a call of the vote, Mr. Campbell, Mrs. Byrge, Mr. Otto, Mr. Lyons, Mrs. Kitchen, Mr. Webb, Mr. Shaw, and Ms. Baker voted yea; none voted nay. The motion passes 8-0.

#### 11. City Official Reports And Comments

Mr. Lyons asked regarding the Fraternal Order of Police (FOP) contracts, if the adjustment had been added to all the unions and employees in the City?

Mr. Chodkowski said City Staff had not moved forward with any particular measures because the conciliator's report is not back, and it is due this week. He said because the City and the FOP agreed to proceed with conciliation with both parties filing the fact finder's report as the last best offer, by statute the conciliator needs to write and submit a report. He said that report becomes the contract and there is no vote by the City Council, there is no ratification by the union, and it becomes the contract. He said, based on the conciliation hearing earlier in the month, the conciliator committed to have the report to City Staff this week. He said once the report is received, that becomes the contract, and City Staff will be able to move forward with the Sergeants' and Lieutenants' contracts which are derivatives of the Patrol Officers' contract as a percentage of wages. He said that is a matter that will be discussed with Council tomorrow at the Council Work Session as it has been reviewed previously with Council in Executive Session at the last Council Work Session.

Mr. Lyons asked Mr. Montgomery if he was following that conversation.

Mr. Montgomery said he was following along. He said to refresh everyone's memory, the City has separate labor counsel outside of his firm, so he is on the fringes of this issue so to speak. He said he understood everything Mr. Chodkowski said and concurs with everything he said.

Mrs. Kitchen thanked the City of Huber Heights Schools. She said she went to the convocation last week and received a warm welcome, and she is so glad she could attend.

Mayor Gore said there has been some email traffic about how many people are going to not be at the Council Work Session tomorrow based on the development meeting happening at the Huber Heights Athletic Foundation; and if there is not going to be a quorum for the meeting, it will have to be canceled and moved to some other evening. He discussed other options. He said there are items on the agenda that should be discussed, like the FOP contract.

Mr. Shaw said in order to have a quorum, he would rescind his absence notification, as Mrs. Kitchen and Mr. Otto will be at the Huber Heights Athletic Foundation as representatives of that area.

Mr. Campbell said he would not be able to attend the Council Work Session. After a count, it was decided there would be enough Councilmembers for a quorum.

#### 12. Executive Session

Mayor Gore said there is a need for an Executive Session, and Mr. Rodgers read the motion.

Ms. Baker made the motion to enter into Executive Session to consider the appointment and employment of candidates and applicants for the City Manager position; Mrs. Byrge seconded the motion. On a call of the vote, Mrs. Byrge, Mr. Otto, Mr. Lyons, Mrs. Kitchen, Mr. Webb, Mr. Shaw, Ms. Baker, and Mr. Campbell voted yea; none voted nay. The motion passes 8-0.

In Council Chambers 6131 Taylorsville Road

Council entered into Executive Session at 6:32 p.m.

Council returned from Executive Session at 8:16 p.m.

Mayor Gore said there would be action taken by Council.

Mr. Rodgers said the first motion needed is to amend the agenda to add Item 10-K which is an ordinance to appoint the City Manager of Huber Heights.

Mr. Otto moved to amend the agenda to add Item 10-K, an ordinance to appoint the City Manager of Huber Heights; Mr. Webb seconded the motion. On a call of the vote, Mr. Otto, Mr. Lyons, Mrs. Kitchen, Mr. Webb, Mr. Shaw, Ms. Baker, Mr. Campbell, and Mrs. Byrge voted yea; none voted nay. The motion passes 8-0.

10-K. An Ordinance To Appoint Richard S. Dzik To The Position Of City Manager Of The City Of Huber Heights, And Declaring An Emergency. (first reading)

Mr. Rodgers said Item 10-K was added to the agenda and he read the title of the ordinance - An Ordinance To Appoint Richard S. Dzik To The Position Of City Manager Of The City Of Huber Heights, And Declaring An Emergency (first reading). He said a motion to waive the second reading of the ordinance is needed first.

Ms. Baker moved to waive the second reading; Mrs. Kitchen seconded the motion. On a call of the vote, Mr. Lyons, Mrs. Kitchen, Mr. Webb, Mr. Shaw, Ms. Baker, Mr. Campbell, Mrs. Byrge, and Mr. Otto voted yea; none voted nay. The motion passes 8-0.

Mrs. Kitchen moved to adopt; Mr. Webb seconded the motion. On a call of the vote, Mrs. Kitchen, Mr. Webb, Mr. Shaw, Ms. Baker, Mr. Campbell, Mrs. Byrge, and Mr. Otto voted yea; Mr. Lyons voted nay. The motion passes 7-1.

Mayor Gore congratulated Mr. Richard Dzik and said Council will lay out a time frame for a Meet and Greet with the new City Manager. He said Mr. Dzik wants to engage with the community.

**CORRESPONDENCE:** In Favor – None Received

#### **Overview**

The city is requesting approval to vacate Thorngate Drive, north of Waynegate Road. This is a stub street intended to connect to the subdivision to the north. The connection was never approved or completed, nor will it ever be constructed. As a result, this stub serves no municipal purpose, and has created drainage problems for the adjacent property owners.

Once the right of way is officially vacated and the road bed removed, the two parcels will be transferred to the adjacent property owners.

#### **Applicable Subdivision Regulations**

The applicable subdivision regulations for the plat are found in Chapter 1107 - Final Plat. The vacation of public right of way is governed by ORC 711.39 - Vacating Plat by Legislative Authority.

Vacating the public right of way requires approval by the platting commission (Planning Commission) and the Huber Heights City Council.

#### **Staff Analysis**

The vacation is being initiated by the City at the request of the adjacent property owners who have consistent flooding issues due to this stub. The stub serves no municipal function since the connection to the northern subdivision was never completed. The City is removing the road bed for the adjacent property owners.

#### **Additional Comments:**

**Fire:** The Fire Department has approved vacation and replat.

**City Engineer:** The engineer has approved vacation and replat.

#### Planning Commission July 11, 2023, Meeting City of Huber Heights

- **I.** Chair Terry Walton called the meeting to order at approximately 6:02 p.m.
- II. Present at the meeting: Mr. Cassity, Mr. Jeffries, Ms. Thomas, Ms. Vargo, and Mr. Walton.

Members absent: None.

Staff Present: Aaron K. Sorrell, Interim City Planner, and Geri Hoskins, Planning & Zoning Administrative Secretary.

III. Opening Remarks by the Chairman and Commissioners

None.

IV. Citizens Comments

None.

V. Swearing of Witnesses Mr. Walton explained the proceedings of tonight's meeting and administered the sworn oath to all persons wishing to speak or give testimony regarding items on the agenda. All persons present responded in the affirmative.

#### VI. Pending Business

1. TEXT AMENDMENT - The applicant, THE CITY OF HUBER HEIGHTS, is requesting approval of a text amendment pertaining to Chapter 1181.20 Building Materials for Dwellings (TA 23-14A).

Mr. Sorrell stated that over the years, building materials have improved and builders utilize a range of materials to provide a mixture of building facades along a street, convey different design aesthetics, and control construction costs as prices of materials can vary depending on local and regional demand. This text amendment seeks to codify community expectations and provide reasonable flexibility for contemporary designs and modern material utilization.

Based on feedback from the Planning Commission this version has been revised for clarity and ease of administration.

#### Staff Analysis

Currently, there is a significant schism with exterior building material requirements between building in a straight zoned area (A, R-1, R-2, etc.) versus building on a lot in a Planned Residential areas. If a buyer seeks to construct a new single-story home or build a single-story addition in any district other than a PUD, they must fully wrap their single-story home in brick or masonry material. New two-story homes must have the first floor wrapped in brick or masonry material. The floors above can be any other material.

## Planning Commission Meeting

July 11, 2023

Recent Planning Commission decisions have established a minimum masonry limit at approximately 25% of the front façade for single-family homes. Multifamily structures have ranged from 10% to 20% in recent years.

Staff is proposing the following standards:

#### Non-PUD Zoning:

- One-Story dwellings: 25% of the front façade
- Multi-Story dwellings: 25% of the first-floor front façade.

#### PUD Zoning:

- 1 & 2-family buildings: 25% of the front facades
- Multi-family and mixed-use buildings: 10% of the aggregate building wall surface.

These standards encourage the Planning Commission to consider the types. location and layouts of the buildings. Every development is different, and the Planning Commission should include those details. Specifically, the Planning Commission is encouraged to:

When establishing the requirements, the Planning Commission shall consider the types, location, and layout of the buildings to:

- (1) Encourage a mix of building facades and material usage and discourage monotonous building repetition.
- (2) Encourage higher percentages of full depth brick, cultured brick, stone, cultured stone, or other approved masonry product along the frontage of major public streets and thoroughfares.

#### **Additional Comments:**

Staff feels that these revised materials requirements for dwellings reflect the recent decisions of the Planning Commission and City Council and are a bridge from the previous masonry requirements to a constituent that desires a diverse architectural palate within the community.

Fire: No comments.

City Engineer: No comments.

Discussion on building in phases, each section held to standard, eliminate aggregated amount.

#### <u>Action</u>

Ms. Thomas moved to approve the request by the applicant THE CITY OF HUBER HEIGHTS, for approval of a Text Amendment pertaining to Chapter 1181.20 Building Materials for Dwellings (TZ 23-14A) in accordance with the recommendation of Staff's Memorandum dated July 5, 2023, and the Planning Commission Decision Record attached thereto.

Planning Commission Meeting

July 11, 2023

Seconded by Mr. Jeffries. Roll call showed: YEAS: Mr. Jeffries, Ms. Vargo, Mr. Cassity, Ms. Thomas, and Mr. Walton. NAYS: None. Motion to approve carried 5 -0.

#### VII. New Business

1. MINOR CHANGE - The applicant, KELLEY KOONS, is requesting approval of Minor Change to the Detailed Development Plan to construct a four-season enclosed patio. Property is located at 5420 Brandt Pike (MC 23-16).

Mr. Sorrell stated that the applicant requests a minor change to the Detailed Development Plan to construct a 300 SF four-season enclosure on the north side of the existing building. The 30' by 10' structure will have overhead doors on each end of the building, and windows along the northern wall. The addition will be nearly 500' from Brandt Pike and barely visible due to its relatively small size.

#### **Applicable Zoning Regulations**

The applicable zoning regulations are Chapter 1171 – General Provisions and Chapter 1174 - Planned Public and Private Buildings and Grounds District (PP).

#### **Staff Analysis**

#### **Detailed Development Plan Analysis:**

The applicant requests a minor change to the Detailed Development Plan to construct a 300 SF four-season enclosure on the north side of the existing building. The exterior of the addition is mostly windows on the north side, and one window and overhead door on each end.

Conformance With Planned Public and Private Buildings and Grounds District Requirements:

Uses: Fraternal organizations are a permitted use.

**Development Standards:** 

- The addition meets all setback and yard requirements.
- No additional parking is necessary.

No other changes are being proposed by the applicant. The existing structure is just over 18,000 SF. This addition represents an enlargement of under 2% of the existing floor area. No other improvements are required by the zoning code.

Fire: No comments received.

**City Engineer:** No comments received.

#### Action

Mr. Jeffries moved to approve the request by the applicant KELLY KOONS, for approval of a Minor Change to the Detailed Development Plan (MC 23-16) in accordance with the recommendation of Staff's Memorandum dated July 5, 2023, and the Planning Commission Decision Record attached thereto.

Seconded by Mr. Cassity. Roll call showed: YEAS: Ms. Vargo, Mr. Cassity, Ms. Thomas, Mr. Jeffries, and Mr. Walton. NAYS: None. Motion to approve carried 5-0.

## 2. REPLAT - The applicant, THE CITY OF HUBER HEIGHTS, is requesting approval to vacate Thorngate Road north of Waynegate Road (RP 23-18).

Mr. Sorrell stated that the city is requesting approval to vacate Thorngate Drive, north of Waynegate Road. This is a stub street intended to connect to the subdivision to the north. The connection was never approved or completed, nor will it ever be constructed. As a result, this stub serves no municipal purpose, and has created drainage problems for the adjacent property owners.

Once the right of way is officially vacated and the road bed removed, the two parcels will be transferred to the adjacent property owners.

#### **Applicable Subdivision Regulations**

The applicable subdivision regulations for the plat are found in Chapter 1107 - Final Plat. The vacation of public right of way is governed by ORC 711.39 - Vacating Plat by Legislative Authority.

Vacating the public right of way requires approval by the platting commission (Planning Commission) and the Huber Heights City Council.

#### Staff Analysis

The vacation is being initiated by the City at the request of the adjacent property owners who have consistent flooding issues due to this stub. The stub serves no municipal function since the connection to the northern subdivision was never completed. The City is removing the road bed for the adjacent property owners.

#### **Additional Comments:**

**Fire:** The Fire Department has approved vacation and replat.

**City Engineer:** The engineer has approved vacation and replat.

Discussion on changing the deeds, fully restored.

#### Action

Mr. Jeffries moved to approve the request by the applicant THE CITY OF HUBER HEIGHTS, for approval to vacate Thorngate Road north of Waynegate Road (RP 23-18) in accordance with the recommendation of Staff's Memorandum dated July 5, 2023, and the Planning Commission Decision Record attached thereto.

Seconded by Mr. Cassity. Roll call showed: YEAS: Mr. Jeffries, Ms. Vargo, Mr. Cassity, Ms. Thomas, and Mr. Walton. NAYS: None. Motion to approve carried 5-0.

3. DETAILED DEVELOPMENT PLAN - The applicant, METROPOLITAN HOLDINGS LTD, is requesting approval of a Detailed Development Plan for an apartment project. Property is located at Executive Boulevard across the street from the Rose Music Center (DDP 23-19).

Mr. Sorrell stated the applicant requests Detailed Development Plan approval to facilitate the construction of 312 residential units (1- and 2-bedroom apartments) on approximately 21.3 acres.

The Planning Commission recommended approval of a rezoning and basic development plan on February 14, 2023. The Huber Heights City Council approved the rezoning and basic development plan on April 11, 2023.

#### **Applicable Zoning Regulations**

The applicable zoning regulations are Chapter 1130 – Amendments, Chapter 1171 – General Provisions, Chapter 1179 – Planned Mixed Use, Chapter 1181 – General Provisions.

The staff analysis addresses the elements of the Detailed Development Plan and standards for approval.

#### **Staff Analysis**

The approved rezoning and Basic Development Plan ordinance has the following relevant conditions:

- 1. The Basic Development and Zoning Regulations shall be those submitted with the application dated January 30, 2023.
- 2. The northern property buffering requirements shall be determined during the Detailed Development Plan review.

Conformance with the approved conditions of the BDP:

1. The Basic Development and Zoning Regulations shall be those submitted with the application dated January 30, 2023.

The development regulations that were submitted with the Basic Development Plan will be recorded as part of the detailed development plan approval. The Project Zoning and Design Standards are attached for reference.

The submitted detailed development plan substantially conforms to these requirements.

#### Setbacks

Minimum Requirements	As indicated on the DDP	Conforming (Y/N)
Front yard: 20 feet	25 feet	Υ
Rear yard: 25 feet	25 feet	Υ
East Side yard: 25 feet	25 feet	Υ
West Side yard: 25 feet	20 feet	N*

<sup>\*</sup>The applicant has indicated that this is an error and will be sumitting corrected plans.

#### Signage

The DDP indicates two (2) internal illuminated wall signs on the clubhouse building. The two wall signs total 75 square feet.

Two non-illuminated entrance columns (monument signs) are proposed. The columns are 6 feet high and just under 4 feet wide. The signage graphic affixed to each column is approximately 3.5 square feet.

Staff feels the signs are appropriately located and well designed to showcase the music branding of apartment complex.

#### **Architecture and Site Standards**

The detailed development plan appears to satisfy the building material requirements outlined in the Project Zoning and Design Standards. The residential buildings are mixture of stone, cement panels, and lap and batten siding. The buildings facing Executive Boulevard including the clubhouse have extensive stone and masonry elements.

Additionally, the applicant is proposing a significant amenity package for residents including pool, outdoor kitchen and gathering areas.

#### Landscaping

The landscaping plan is substantially compliant to the standards outlined in the Project Zoning and Design Standards. This includes street tree, perimeter and interior landscaping, and open space requirements. Sheets L1 and L2 illustrate the proposed landscaping plan.

#### Lighting

The lighting plan indicates pedestrian scale decorative poles and fixtures will be used the parking areas and travel lanes. The decorative fixtures are mounted on 12-foot poles. The lighting standards limit light trespass to no more the 0.5 footcandle. However, the photometric plan indicates areas of illumination on the north property line which exceeds this standard. As a condition of approval, the applicant shall shield the perimeter fixtures adjacent to the north property line.

#### **Street and Transportation Standards**

The detailed development plan complies with the street and transportation standards outlined in the Project Zoning and Design Standards.

The only significant change is the multi-use path along Executive Boulevard. The basic development plan indicated a 10-foot path. After discussions between the applicant and staff, the path has been reduced to eight (8) feet. This was done to better accommodate decorative street lighting that is being planned for Executive Boulevard. The width of the path matches the width of the path in front of the Rose.

2. The northern property buffering requirements shall be determined during the Detailed Development Plan review.

How the project is buffered from the northern neighborhood was a significant discussion topic and particular concern to the adjacent neighbors. Staff encouraged the development team to survey the treeline to determine which

mature trees are healthy and should remain, and to cluster landscaping between the garages to further reduce visual and noise impacts. Additionally, specific grading requirements and their impacts to the treeline was unknown at the point of basic development plan approval.

Surprisingly, only eight trees within the 25-foot setback must be removed. They are clustered in the areas where two retaining walls must be constructed to achieve the grading required for the parking areas and garages. No trees along the property line are indicated to be removed. Sheet C201 and C202 illustrate the planned removals. Sheet C501 and C502 illustrate the grading limits and location of the retaining walls.

To mitigate the loss of the trees and increase buffering, the applicant is proposing substantial landscaping along the northern property line. Sheet L2 and L2.1 There is a dense mixture of evergreen and deciduous trees planned. The evergreens will be 6 feet at planting, and the various deciduous trees will have a 3-inch diameter. These are substantially larger than typically planted.

Staff feels the northern property line is adequately buffered between the existing trees remaining and the substantial amount of new plantings.

#### Staff Analysis

The DDP application substantially conforms with the Basic Development Plan ordinance approved by the City Council. Additionally, the DDP generally conforms to all relevant zoning regulations, including landscaping, lighting, parking, architectural standards and signs.

#### **Additional Comments:**

Fire: See Attached.

City Engineer: No comments received.

Discussion on parking compared to Parkview, fire issues, 9 ft. parking spaces, another lane on south side of Executive, 8 ft sidewalks, font for sign, what name means, tree survey, retaining walls, 1 phase.

Ryan Young, Jamie Oberschlake,

Pat Dyer, resident, asked about retaining wall, between buildings and garages, dumpsters, maintenance, how long building will take.

Annamarie Norgrove, resident, asked about tree lines and when construction will start.

Melissa Cleary, resident, said the name was really cool and it's a great idea.

#### <u>Action</u>

Ms. Vargo moved to approve the request by the applicant METROPOLITAN HOLDINGS LTD, for approval of a Detailed Development Plan for a proposed new 312 unit apartment project. Property is located across the street from the Rose Music Center (DDP 23-19) in accordance with the recommendation of Staff's Memorandum dated July 6, 2023, and the Planning Commission Decision Record attached thereto.

Seconded by Mr. Jeffries. Roll call showed: YEAS: Mr. Jeffries, Ms. Vargo, Mr. Cassity, Ms. Thomas, and Mr. Walton. NAYS: None. Motion to approve carried 5-0.

4. BASIC DEVELOPMENT PLAN - The applicant, BP-OTP, LLC, is requesting approval of a Rezoning from O1 to PC, and a Basic Development Plan for a gas station convenience mart with fueling pumps. Property is located at 4949 Chambersburg Road (BDP 23-17).

Mr. Sorrell stated that the applicant seeks to construct a new 5,915 SF Wawa convenience store with eight fueling pumps at the corner of Old Troy Pike and Chambersburg Road. Wawa is entering the Dayton area market, and this will be its first Huber Heights store.

The proposed store will sit on 5.41 acres, of which approximately three (3) acres are zoned Planned Commercial and approximately 2.4 acres are zoned O-1. Convenience stores and fueling stations are permitted in the Planned Commercial District but not the O-1. Thus, a replat and rezoning are included in the Basic Development Plan application.

Nearby commercial and retail uses at this intersection include Walgreens on the southwest corner; KeyBank on the northeast corner; and Speedway at the southeast corner.

#### **Site Characteristics**

Approximately half the site is currently developed as a single-family house in a densely wooded and landscaped lot. The other half is wooded, undeveloped land. There is a steep grade change with the plateau of the site approximately 30 feet above the Chambersburg / OTP intersection. The grade change between the road and the site becomes less dramatic as one travels east on Chambersburg and north on Old Troy Pike.

While the proposed store is located in the general clearing of the lot, grading will be required to develop the building pad, parking area, fueling bays and access drives. However, it does appear that grading will end approximately 80 feet from the east property line and have no impact on the home north of the site.

The site has access to all necessary utilities. Additionally, the applicant will dedicate the required right-of-way for the planned Chambersburg widening and multi-use path.

#### **Applicable Zoning Regulations**

The applicable zoning regulations are Chapter 1171 – General Provisions, Chapter 1176 – Planned Commercial, Chapter 1181 – General Provisions, Chapter 1182 – Landscaping, and Chapter 1185 – Parking and Loading.

#### <u>Chapter 1171.05 - Contents of basic development plan, states:</u>

- (b) Could be substantially completed within the period of time specified in the schedule of development submitted by the developer;
- (c) Is accessible from public roads that are adequate to carry the traffic that shall be imposed upon them by the proposed development. Further, the streets and driveways on the site of the proposed development shall be adequate to serve the residents or occupants of the proposed development;

with the existing intended uses, and any part of a PUD not used for structures, parking and loading areas, or accessways;

- (g) Shall preserve natural features such as water courses, trees and rock outcrops, to the degree possible, so that they can enhance the overall design of the PUD;
- (h) Is designed to take advantage of the existing land contours in order to provide satisfactory road gradients and suitable building lots and to facilitate the provision of proposed services;
- (i) Shall place underground all electric and telephone facilities, street light wiring and other wiring conduits and similar facilities in any development which is primarily designed for or occupied by dwellings, unless waived by the Commission because of technical reasons;
- (j) Shall not create excessive additional requirements at public cost of public facilities and services and shall not be detrimental to the economic welfare of the community;
- (k) Shall not involve uses, activities, processes, materials, equipment and conditions of operation that shall be detrimental to any persons, property or the general welfare by reason of excessive production of traffic, noise, smoke, fumes, glare or odors; and
- (I) Rezoning of the land to the PUD District and approval of the development plan shall not adversely affect the public peace, health, morals, safety or welfare.

#### **Staff Analysis**

The staff analysis addresses the rezoning request and elements of the Basic Development Plan and standards for approval.

#### **Rezoning Analysis:**

The applicant requests the rezoning of approximately 2.44 acres from O-1 General Office to Planned Commercial (PC).

#### Conformance with Comprehensive Plan

The City's comprehensive plan indicates the site is within the Estates pattern area adjacent to the Southtown pattern area. The Estates development pattern area recognizes that is area is where large-scale development is unlikely to occur and where large-lot residential development is appropriate. This is particularly true on the west side of the pattern area where environmental constraints, such as flooding, limit the development potential.

However, that is not to say the area is determined to be exclusively residential. One of the key elements within the Estates development pattern area is to "allow for incremental, contextually relevant non-residential uses and amenities." This site is on the east edge of the pattern district, not subject to flooding and at the intersection of two major roadways. Additionally, all necessary utilities are available.

Given the location of this site and its context within the Estate pattern district, staff feels the rezoning from O-1 to PC is consistent with the comprehensive plan.

#### **Basic Development Plan Analysis:**

The applicant proposes constructing a 5,915 SF convenience store and fourisland fueling center. The applicant has submitted all necessary plans and studies for the Basic Development Plan review.

#### Conformance With Planned Commercial District Requirements:

Uses: Retail uses and filling stations are principally permitted in the district.

#### **Development Standards:**

- The site plan meets all parking and building setback and yard requirements.
- Nineteen street trees are required. The preliminary landscaping plan shows 19 street trees. However, due to grading issues and Chambersburg Road's planned widening, most of them are not near the sidewalk. During the Detailed Development plan review, staff will work with the applicant to place the required trees appropriately.
- The lighting plan submitted with the application meets all requirements. The
  proposed fixture height is 20 feet, and the fixture types meet the code. The
  photometric analysis indicates no light trespasses across the property lines.
- The building design substantially meets the exterior material recommendation.
  Not including glazing, the building's entire exterior is 68% masonry. The front
  façade is 78% masonry and glazing. Approximately 28% of the exterior is a wood
  composite accent siding.
- All utilities are below ground.

#### Parking and Loading:

• The applicant proposes 53 parking spaces, more than the code requires. Parking stall dimensions are 10' x 20', as required.

#### Landscaping:

 The plans appear to meet the landscaping requirements but will be verified when the detailed development plan is submitted.

#### Signs:

 A sign package was not submitted with the application and will be reviewed when the detailed development plan is submitted. The elevations indicate three wall signs, and the site plan indicates two monument signs.

#### Conformance with General Standards of Approval:

Below is the staff analysis of conformance with the general standards of approval.

(a) Is consistent with official thoroughfare plan, comprehensive development plan and other applicable plans and policies;

It is the staff's opinion that the proposal is consistent with the comprehensive plan and thoroughfare plan. The site is located at the intersection of arterial and collector streets.

(b) Could be substantially completed within the period of time specified in the schedule of development submitted by the developer;

While no development schedule has been submitted, the applicant has stated to staff that they will initiate construction shortly after all plans are approved by the City and County. There are no concerns on the part of staff that the applicant would have difficulty financing and constructing the project in a reasonable time.

(c) Is accessible from public roads that are adequate to carry the traffic that shall be imposed upon them by the proposed development. Further, the streets and driveways on the site of the proposed development shall be adequate to serve the residents or occupants of the proposed development;

It is important to note that the traffic counts were taken when school was in session, and they represent an accurate assessment of the existing peak traffic volume. The traffic study estimates there will be 541 AM and 467 PM weekday peak hour trips.

This store's net new peak hour trips are estimated at 129 AM and 1179 PM. It's important to note that the study estimates that 76% of those trips are pass-by, meaning those vehicles are on the road regardless of whether the Wawa development is constructed.

The traffic study indicates that no drop-down lanes are necessary. The applicant is required to dedicate additional ROW along Chambersburg Road to facilitate the construction of a future roadway widening.

(d) Shall not impose an undue burden on public services such as utilities, fire and police protection, and schools;

Staff does not anticipate any undue burden on public services. The area has adequate utility and street capacity. We are unaware of any policing concerns, and the development will comply will all building and fire code requirements.

(e) Contains such proposed covenants, easements and other provisions relating to the proposed development standards as may reasonably be required for the public health, safety and welfare;

Any conditions imposed by the Planning Commission or City Council will be memorialized in the PUD legislation and remain in effect unless modified by the Planning Commission or City Council.

(f) Shall be landscaped or otherwise improved and the location and arrangement of structures, parking areas, walks, lighting and appurtenant facilities shall be compatible with the existing intended uses, and any part of a PUD not used for structures, parking and loading areas, or accessways;

The staff believes the site plan is generally well arranged, and internal circulation is efficient and compatible with the intended use. Pedestrian connections between the streets and the store are provided. The landscaping requirements will be reviewed with the Detailed Development application.

(g) Shall preserve natural features such as water courses, trees and rock outcrops, to the degree possible, so that they can enhance the overall design of the PUD;

The site will retain a significant amount of wooded area to the west and north. Additionally, the existing decorative retaining wall will remain.

(h) Is designed to take advantage of the existing land contours in order to provide satisfactory road gradients and suitable building lots and to facilitate the provision of proposed services;

As discussed, the site has significant topographic features. The grading plan illustrates significant grading on the site's west, south and northeast edges. The grading should not impact the properties west or north of the site since there is an adequate buffer between the property lines and the extent of the grading activities. The applicant is grading to a 3:1 slope and providing vegetative ground cover, which will limit erosion.

(i) Shall place underground all electric and telephone facilities, street light wiring and other wiring conduits and similar facilities in any development which is primarily designed for or occupied by dwellings, unless waived by the Commission because of technical reasons;

All utilities will be placed underground.

(j) Shall not create excessive additional requirements at public cost of public facilities and services and shall not be detrimental to the economic welfare of the community;

Staff does not anticipate any additional public services required to support this development.

(k) Shall not involve uses, activities, processes, materials, equipment and conditions of operation that shall be detrimental to any persons, property or the general welfare by reason of excessive production of traffic, noise, smoke, fumes, glare or odors; and

All proposed uses are consistent with the Planned Commercial district zoning being requested as part of this application. The traffic study does not indicate that this development will generate excessive traffic.

(I) Rezoning of the land to the PUD District and approval of the development plan shall not adversely affect the public peace, health, morals, safety or welfare.

The staff believes the rezoning is consistent with the comprehensive plan and will not adversely affect surrounding properties.

#### **Additional Comments:**

Fire: See attached.

**City Engineer:** The engineer has reviewed the site plan and requested additional right of way along Old Troy Pike and Chambersburg Road. The applicant has indicated that they will revise their plans accordingly.

#### Recommendation

Staff supports the partial rezoning from General Office (O-1) to Planned Commercial. It is the staff's opinion that the requirements of Section 1171.06 can be met, and recommends approval of the rezoning and Basic Development Plan with the following conditions:

- The applicant shall assess the health of the existing trees along the site's perimeter that will be incorporated into the landscaping plan. Healthy trees shall be identified and incorporated into the landscaping plan as appropriate, subject to approval as part of the Detailed Development Plan. The applicant shall also develop a plan to protect key trees during construction, subject to staff approval.
- The applicant shall work with staff to determine the final street tree placement during the Detailed Development Plan phase.
- Signs shall conform with Chapter 1189, unless otherwise approved in the Detailed Development Plan by the Planning Commission.
- Permitted uses shall be those listed as permitted uses in Section 1176.01, except the following are prohibited:
  - o Vehicle sales, rental or service
  - Sweepstakes Cafes
  - Short-term lenders (pay-day lenders, loans against auto titles, etc.)
  - Dry cleaners
  - o Outdoor sales and storage, unless approved by the Planning Commission
- The applicant shall submit a revised Basic Development Plan indicating the corrected ROW dedication along Old Troy Pike and Chambersburg Road, as the City engineer requires.

Discussion on sidewalk width, undeveloped half of site, left turn onto Troy, traffic coming south, Chambersburg design timeline, 3-1 slope, full shielding on West side, traffic lane on Troy Pike, retaining wall, 19 ft. drop, bike racks, lower the crest on Chambersburg.

**ADDRESS/LOCATION:** 6131 Taylorsville Rd.

**ZONING/ACREAGE:** N/A

**CORRESPONDENCE:** In Favor – None Received

#### STAFF ANALYSIS AND RECOMMENDATION:

#### Overview

Over the years, building materials have improved and builders utilize a range of materials to provide a mixture of building facades along a street, convey different design aesthetics, and control construction costs as prices of materials can vary depending on local and regional demand. This text amendment seeks to codify community expectations and provide reasonable flexibility for contemporary designs and modern material utilization.

Based on feedback from the Planning Commission this version has been revised for clarity and ease of administration.

#### **Staff Analysis**

Currently, there is a significant schism with exterior building material requirements between building in a straight zoned area (A, R-1, R-2, etc.) versus building on a lot in a Planned Residential areas. If a buyer seeks to construct a new single-story home or build a single-story addition in any district other than a PUD, they must fully wrap their single-story home in brick or masonry material. New two-story homes must have the first floor wrapped in brick or masonry material. The floors above can be any other material.

Recent Planning Commission decisions have established a minimum masonry limit at approximately 25% of the front façade for single-family homes. Multi-family structures have ranged from 10% to 20% in recent years.

Staff is proposing the following standards:

#### Non-PUD Zoning:

- One-Story dwellings: 25% of the front façade
- Multi-Story dwellings: 25% of the first-floor front façade.

#### PUD Zoning:

- 1 & 2-family buildings: 25% of the front facades
- Multi-family and mixed-use buildings: 10% of the aggregate building wall surface.

These standards encourage the Planning Commission to consider the types, location and layouts of the buildings. Every development is different, and the Planning Commission should include those details. Specifically, the Planning Commission is encouraged to:

When establishing the requirements, the Planning Commission shall consider the types, location, and layout of the buildings to:

(1) Encourage a mix of building facades and material usage and discourage monotonous building repetition.

(2) Encourage higher percentages of full depth brick, cultured brick, stone, cultured stone, or other approved masonry product along the frontage of major public streets and thoroughfares.

#### **Additional Comments:**

Staff feels that these revised materials requirements for dwellings reflect the recent decisions of the Planning Commission and City Council, and are a bridge from the previous masonry requirements to a constituent that desires a diverse architectural palate within the community.

Fire: No comments.

City Engineer: No comments.

#### **Recommendation**

Staff recommends approval of the text amendments as drafted.

#### **Planning Commission Action**

Planning Commission may take the following actions with a motion to:

- 1) Recommend approval of the text amendments as drafted;
- 2) Recommend approval of the text amendments with changes;
- 3) Recommend denial of the text amendments;

#### **Planning Commission Decision Record**

WHEREAS, on July 11, 2023, the Planning Commission did meet and fully discuss the details of the request.

NOW, THEREFORE, BE IT RESOLVED that the Planning Commission hereby recommended approval of the request.

Ms. Thomas moved to approve the request by the applicant, The city of Huber Heights, for approval of a Text Amendment to the Zoning Ordinance of the City of Huber Heights (TA 23-14A) in accordance with the recommendation of Staff's Memorandum dated July 5, 2023, with the following conditions:

#### VI. Pending Business

1. TEXT AMENDMENT - The applicant, THE CITY OF HUBER HEIGHTS, is requesting approval of a text amendment pertaining to Chapter 1181.20 Building Materials for Dwellings (TA 23-14A).

Mr. Sorrell stated that over the years, building materials have improved and builders utilize a range of materials to provide a mixture of building facades along a street, convey different design aesthetics, and control construction costs as prices of materials can vary depending on local and regional demand. This text amendment seeks to codify community expectations and provide reasonable flexibility for contemporary designs and modern material utilization.

### Planning Commission Meeting

July 11, 2023

Recent Planning Commission decisions have established a minimum masonry limit at approximately 25% of the front façade for single-family homes. Multifamily structures have ranged from 10% to 20% in recent years.

Staff is proposing the following standards:

#### Non-PUD Zoning:

#### PUD Zoning:

- 1 & 2-family buildings: 25% of the front facades

#### <u>Action</u>

Ms. Thomas moved to approve the request by the applicant THE CITY OF HUBER HEIGHTS, for approval of a Text Amendment pertaining to Chapter 1181.20 Building Materials for Dwellings (TZ 23-14A) in accordance with the recommendation of Staff's Memorandum dated July 5, 2023, and the Planning Commission Decision Record attached thereto.

Seconded by Mr. Jeffries. Roll call showed: YEAS: Mr. Jeffries, Ms. Vargo, Mr. Cassity, Ms. Thomas, and Mr. Walton. NAYS: None. Motion to approve carried 5 -0.

#### VII. New Business

1. MINOR CHANGE - The applicant, KELLEY KOONS, is requesting approval of Minor Change to the Detailed Development Plan to construct a four-season enclosed patio. Property is located at 5420 Brandt Pike (MC 23-16).

Mr. Sorrell stated that the applicant requests a minor change to the Detailed Development Plan to construct a 300 SF four-season enclosure on the north side of the existing building. The 30' by 10' structure will have overhead doors on each end of the building, and windows along the northern wall. The addition will be nearly 500' from Brandt Pike and barely visible due to its relatively small size.

#### **Applicable Zoning Regulations**

The applicable zoning regulations are Chapter 1171 – General Provisions and Chapter 1174 - Planned Public and Private Buildings and Grounds District (PP).

#### **Staff Analysis**

#### **Detailed Development Plan Analysis:**

The applicant requests a minor change to the Detailed Development Plan to construct a 300 SF four-season enclosure on the north side of the existing building. The exterior of the addition is mostly windows on the north side, and one window and overhead door on each end.

Conformance With Planned Public and Private Buildings and Grounds District Requirements:

Uses: Fraternal organizations are a permitted use.

**Development Standards:** 

- The addition meets all setback and yard requirements.
- No additional parking is necessary.

No other changes are being proposed by the applicant. The existing structure is just over 18,000 SF. This addition represents an enlargement of under 2% of the existing floor area. No other improvements are required by the zoning code.

Fire: No comments received.

**City Engineer:** No comments received.

#### Action

Mr. Jeffries moved to approve the request by the applicant KELLY KOONS, for approval of a Minor Change to the Detailed Development Plan (MC 23-16) in accordance with the recommendation of Staff's Memorandum dated July 5, 2023, and the Planning Commission Decision Record attached thereto.

Seconded by Mr. Cassity. Roll call showed: YEAS: Ms. Vargo, Mr. Cassity, Ms. Thomas, Mr. Jeffries, and Mr. Walton. NAYS: None. Motion to approve carried 5-0.

## 2. REPLAT - The applicant, THE CITY OF HUBER HEIGHTS, is requesting approval to vacate Thorngate Road north of Waynegate Road (RP 23-18).

Mr. Sorrell stated that the city is requesting approval to vacate Thorngate Drive, north of Waynegate Road. This is a stub street intended to connect to the subdivision to the north. The connection was never approved or completed, nor will it ever be constructed. As a result, this stub serves no municipal purpose, and has created drainage problems for the adjacent property owners.

Once the right of way is officially vacated and the road bed removed, the two parcels will be transferred to the adjacent property owners.

#### **Applicable Subdivision Regulations**

The applicable subdivision regulations for the plat are found in Chapter 1107 - Final Plat. The vacation of public right of way is governed by ORC 711.39 - Vacating Plat by Legislative Authority.

Vacating the public right of way requires approval by the platting commission (Planning Commission) and the Huber Heights City Council.

#### Staff Analysis

The vacation is being initiated by the City at the request of the adjacent property owners who have consistent flooding issues due to this stub. The stub serves no municipal function since the connection to the northern subdivision was never completed. The City is removing the road bed for the adjacent property owners.

#### **Additional Comments:**

**Fire:** The Fire Department has approved vacation and replat.

**City Engineer:** The engineer has approved vacation and replat.

Discussion on changing the deeds, fully restored.

#### Action

Mr. Jeffries moved to approve the request by the applicant THE CITY OF HUBER HEIGHTS, for approval to vacate Thorngate Road north of Waynegate Road (RP 23-18) in accordance with the recommendation of Staff's Memorandum dated July 5, 2023, and the Planning Commission Decision Record attached thereto.

Seconded by Mr. Cassity. Roll call showed: YEAS: Mr. Jeffries, Ms. Vargo, Mr. Cassity, Ms. Thomas, and Mr. Walton. NAYS: None. Motion to approve carried 5-0.

3. DETAILED DEVELOPMENT PLAN - The applicant, METROPOLITAN HOLDINGS LTD, is requesting approval of a Detailed Development Plan for an apartment project. Property is located at Executive Boulevard across the street from the Rose Music Center (DDP 23-19).

Mr. Sorrell stated the applicant requests Detailed Development Plan approval to facilitate the construction of 312 residential units (1- and 2-bedroom apartments) on approximately 21.3 acres.

The Planning Commission recommended approval of a rezoning and basic development plan on February 14, 2023. The Huber Heights City Council approved the rezoning and basic development plan on April 11, 2023.

#### **Applicable Zoning Regulations**

The applicable zoning regulations are Chapter 1130 – Amendments, Chapter 1171 – General Provisions, Chapter 1179 – Planned Mixed Use, Chapter 1181 – General Provisions.

The staff analysis addresses the elements of the Detailed Development Plan and standards for approval.

#### **Staff Analysis**

The approved rezoning and Basic Development Plan ordinance has the following relevant conditions:

- 1. The Basic Development and Zoning Regulations shall be those submitted with the application dated January 30, 2023.
- 2. The northern property buffering requirements shall be determined during the Detailed Development Plan review.

Conformance with the approved conditions of the BDP:

1. The Basic Development and Zoning Regulations shall be those submitted with the application dated January 30, 2023.

The development regulations that were submitted with the Basic Development Plan will be recorded as part of the detailed development plan approval. The Project Zoning and Design Standards are attached for reference.

The submitted detailed development plan substantially conforms to these requirements.

#### Setbacks

Minimum Requirements	As indicated on the DDP	Conforming (Y/N)
Front yard: 20 feet	25 feet	Υ
Rear yard: 25 feet	25 feet	Υ
East Side yard: 25 feet	25 feet	Υ
West Side yard: 25 feet	20 feet	N*

<sup>\*</sup>The applicant has indicated that this is an error and will be sumitting corrected plans.

#### Signage

The DDP indicates two (2) internal illuminated wall signs on the clubhouse building. The two wall signs total 75 square feet.

Two non-illuminated entrance columns (monument signs) are proposed. The columns are 6 feet high and just under 4 feet wide. The signage graphic affixed to each column is approximately 3.5 square feet.

Staff feels the signs are appropriately located and well designed to showcase the music branding of apartment complex.

#### **Architecture and Site Standards**

The detailed development plan appears to satisfy the building material requirements outlined in the Project Zoning and Design Standards. The residential buildings are mixture of stone, cement panels, and lap and batten siding. The buildings facing Executive Boulevard including the clubhouse have extensive stone and masonry elements.

Additionally, the applicant is proposing a significant amenity package for residents including pool, outdoor kitchen and gathering areas.

#### Landscaping

The landscaping plan is substantially compliant to the standards outlined in the Project Zoning and Design Standards. This includes street tree, perimeter and interior landscaping, and open space requirements. Sheets L1 and L2 illustrate the proposed landscaping plan.

#### Lighting

The lighting plan indicates pedestrian scale decorative poles and fixtures will be used the parking areas and travel lanes. The decorative fixtures are mounted on 12-foot poles. The lighting standards limit light trespass to no more the 0.5 footcandle. However, the photometric plan indicates areas of illumination on the north property line which exceeds this standard. As a condition of approval, the applicant shall shield the perimeter fixtures adjacent to the north property line.

#### **Street and Transportation Standards**

The detailed development plan complies with the street and transportation standards outlined in the Project Zoning and Design Standards.

The only significant change is the multi-use path along Executive Boulevard. The basic development plan indicated a 10-foot path. After discussions between the applicant and staff, the path has been reduced to eight (8) feet. This was done to better accommodate decorative street lighting that is being planned for Executive Boulevard. The width of the path matches the width of the path in front of the Rose.

2. The northern property buffering requirements shall be determined during the Detailed Development Plan review.

How the project is buffered from the northern neighborhood was a significant discussion topic and particular concern to the adjacent neighbors. Staff encouraged the development team to survey the treeline to determine which

mature trees are healthy and should remain, and to cluster landscaping between the garages to further reduce visual and noise impacts. Additionally, specific grading requirements and their impacts to the treeline was unknown at the point of basic development plan approval.

Surprisingly, only eight trees within the 25-foot setback must be removed. They are clustered in the areas where two retaining walls must be constructed to achieve the grading required for the parking areas and garages. No trees along the property line are indicated to be removed. Sheet C201 and C202 illustrate the planned removals. Sheet C501 and C502 illustrate the grading limits and location of the retaining walls.

To mitigate the loss of the trees and increase buffering, the applicant is proposing substantial landscaping along the northern property line. Sheet L2 and L2.1 There is a dense mixture of evergreen and deciduous trees planned. The evergreens will be 6 feet at planting, and the various deciduous trees will have a 3-inch diameter. These are substantially larger than typically planted.

Staff feels the northern property line is adequately buffered between the existing trees remaining and the substantial amount of new plantings.

#### Staff Analysis

The DDP application substantially conforms with the Basic Development Plan ordinance approved by the City Council. Additionally, the DDP generally conforms to all relevant zoning regulations, including landscaping, lighting, parking, architectural standards and signs.

#### <u>Action</u>

Ms. Vargo moved to approve the request by the applicant METROPOLITAN HOLDINGS LTD, for approval of a Detailed Development Plan for a proposed new 312 unit apartment project. Property is located across the street from the Rose Music Center (DDP 23-19) in accordance with the recommendation of Staff's Memorandum dated July 6, 2023, and the Planning Commission Decision Record attached thereto.

Seconded by Mr. Jeffries. Roll call showed: YEAS: Mr. Jeffries, Ms. Vargo, Mr. Cassity, Ms. Thomas, and Mr. Walton. NAYS: None. Motion to approve carried 5-0.

4. BASIC DEVELOPMENT PLAN - The applicant, BP-OTP, LLC, is requesting approval of a Rezoning from O1 to PC, and a Basic Development Plan for a gas station convenience mart with fueling pumps. Property is located at 4949 Chambersburg Road (BDP 23-17).

Mr. Sorrell stated that the applicant seeks to construct a new 5,915 SF Wawa convenience store with eight fueling pumps at the corner of Old Troy Pike and Chambersburg Road. Wawa is entering the Dayton area market, and this will be its first Huber Heights store.

The proposed store will sit on 5.41 acres, of which approximately three (3) acres are zoned Planned Commercial and approximately 2.4 acres are zoned O-1. Convenience stores and fueling stations are permitted in the Planned Commercial District but not the O-1. Thus, a replat and rezoning are included in the Basic Development Plan application.

Nearby commercial and retail uses at this intersection include Walgreens on the southwest corner; KeyBank on the northeast corner; and Speedway at the southeast corner.

#### **Site Characteristics**

Approximately half the site is currently developed as a single-family house in a densely wooded and landscaped lot. The other half is wooded, undeveloped land. There is a steep grade change with the plateau of the site approximately 30 feet above the Chambersburg / OTP intersection. The grade change between the road and the site becomes less dramatic as one travels east on Chambersburg and north on Old Troy Pike.

While the proposed store is located in the general clearing of the lot, grading will be required to develop the building pad, parking area, fueling bays and access drives. However, it does appear that grading will end approximately 80 feet from the east property line and have no impact on the home north of the site.

The site has access to all necessary utilities. Additionally, the applicant will dedicate the required right-of-way for the planned Chambersburg widening and multi-use path.

#### **Applicable Zoning Regulations**

The applicable zoning regulations are Chapter 1171 – General Provisions, Chapter 1176 – Planned Commercial, Chapter 1181 – General Provisions, Chapter 1182 – Landscaping, and Chapter 1185 – Parking and Loading.

#### <u>Chapter 1171.05 - Contents of basic development plan, states:</u>

- (b) Could be substantially completed within the period of time specified in the schedule of development submitted by the developer;
- (c) Is accessible from public roads that are adequate to carry the traffic that shall be imposed upon them by the proposed development. Further, the streets and driveways on the site of the proposed development shall be adequate to serve the residents or occupants of the proposed development;

with the existing intended uses, and any part of a PUD not used for structures, parking and loading areas, or accessways;

- (g) Shall preserve natural features such as water courses, trees and rock outcrops, to the degree possible, so that they can enhance the overall design of the PUD;
- (h) Is designed to take advantage of the existing land contours in order to provide satisfactory road gradients and suitable building lots and to facilitate the provision of proposed services;
- (i) Shall place underground all electric and telephone facilities, street light wiring and other wiring conduits and similar facilities in any development which is primarily designed for or occupied by dwellings, unless waived by the Commission because of technical reasons;
- (j) Shall not create excessive additional requirements at public cost of public facilities and services and shall not be detrimental to the economic welfare of the community;
- (k) Shall not involve uses, activities, processes, materials, equipment and conditions of operation that shall be detrimental to any persons, property or the general welfare by reason of excessive production of traffic, noise, smoke, fumes, glare or odors; and
- (I) Rezoning of the land to the PUD District and approval of the development plan shall not adversely affect the public peace, health, morals, safety or welfare.

#### **Staff Analysis**

The staff analysis addresses the rezoning request and elements of the Basic Development Plan and standards for approval.

#### **Rezoning Analysis:**

The applicant requests the rezoning of approximately 2.44 acres from O-1 General Office to Planned Commercial (PC).

#### Conformance with Comprehensive Plan

The City's comprehensive plan indicates the site is within the Estates pattern area adjacent to the Southtown pattern area. The Estates development pattern area recognizes that is area is where large-scale development is unlikely to occur and where large-lot residential development is appropriate. This is particularly true on the west side of the pattern area where environmental constraints, such as flooding, limit the development potential.

However, that is not to say the area is determined to be exclusively residential. One of the key elements within the Estates development pattern area is to "allow for incremental, contextually relevant non-residential uses and amenities." This site is on the east edge of the pattern district, not subject to flooding and at the intersection of two major roadways. Additionally, all necessary utilities are available.

Given the location of this site and its context within the Estate pattern district, staff feels the rezoning from O-1 to PC is consistent with the comprehensive plan.

#### **Basic Development Plan Analysis:**

The applicant proposes constructing a 5,915 SF convenience store and fourisland fueling center. The applicant has submitted all necessary plans and studies for the Basic Development Plan review.

#### Conformance With Planned Commercial District Requirements:

Uses: Retail uses and filling stations are principally permitted in the district.

#### **Development Standards:**

- The site plan meets all parking and building setback and yard requirements.
- Nineteen street trees are required. The preliminary landscaping plan shows 19 street trees. However, due to grading issues and Chambersburg Road's planned widening, most of them are not near the sidewalk. During the Detailed Development plan review, staff will work with the applicant to place the required trees appropriately.
- The lighting plan submitted with the application meets all requirements. The
  proposed fixture height is 20 feet, and the fixture types meet the code. The
  photometric analysis indicates no light trespasses across the property lines.
- The building design substantially meets the exterior material recommendation.
  Not including glazing, the building's entire exterior is 68% masonry. The front
  façade is 78% masonry and glazing. Approximately 28% of the exterior is a wood
  composite accent siding.
- All utilities are below ground.

#### Parking and Loading:

• The applicant proposes 53 parking spaces, more than the code requires. Parking stall dimensions are 10' x 20', as required.

#### Landscaping:

 The plans appear to meet the landscaping requirements but will be verified when the detailed development plan is submitted.

#### Signs:

 A sign package was not submitted with the application and will be reviewed when the detailed development plan is submitted. The elevations indicate three wall signs, and the site plan indicates two monument signs.

#### Conformance with General Standards of Approval:

Below is the staff analysis of conformance with the general standards of approval.

(a) Is consistent with official thoroughfare plan, comprehensive development plan and other applicable plans and policies;

It is the staff's opinion that the proposal is consistent with the comprehensive plan and thoroughfare plan. The site is located at the intersection of arterial and collector streets.

(b) Could be substantially completed within the period of time specified in the schedule of development submitted by the developer;

While no development schedule has been submitted, the applicant has stated to staff that they will initiate construction shortly after all plans are approved by the City and County. There are no concerns on the part of staff that the applicant would have difficulty financing and constructing the project in a reasonable time.

(c) Is accessible from public roads that are adequate to carry the traffic that shall be imposed upon them by the proposed development. Further, the streets and driveways on the site of the proposed development shall be adequate to serve the residents or occupants of the proposed development;

It is important to note that the traffic counts were taken when school was in session, and they represent an accurate assessment of the existing peak traffic volume. The traffic study estimates there will be 541 AM and 467 PM weekday peak hour trips.

This store's net new peak hour trips are estimated at 129 AM and 1179 PM. It's important to note that the study estimates that 76% of those trips are pass-by, meaning those vehicles are on the road regardless of whether the Wawa development is constructed.

The traffic study indicates that no drop-down lanes are necessary. The applicant is required to dedicate additional ROW along Chambersburg Road to facilitate the construction of a future roadway widening.

(d) Shall not impose an undue burden on public services such as utilities, fire and police protection, and schools;

Staff does not anticipate any undue burden on public services. The area has adequate utility and street capacity. We are unaware of any policing concerns, and the development will comply will all building and fire code requirements.

(e) Contains such proposed covenants, easements and other provisions relating to the proposed development standards as may reasonably be required for the public health, safety and welfare;

Any conditions imposed by the Planning Commission or City Council will be memorialized in the PUD legislation and remain in effect unless modified by the Planning Commission or City Council.

(f) Shall be landscaped or otherwise improved and the location and arrangement of structures, parking areas, walks, lighting and appurtenant facilities shall be compatible with the existing intended uses, and any part of a PUD not used for structures, parking and loading areas, or accessways;

The staff believes the site plan is generally well arranged, and internal circulation is efficient and compatible with the intended use. Pedestrian connections between the streets and the store are provided. The landscaping requirements will be reviewed with the Detailed Development application.

(g) Shall preserve natural features such as water courses, trees and rock outcrops, to the degree possible, so that they can enhance the overall design of the PUD;

The site will retain a significant amount of wooded area to the west and north. Additionally, the existing decorative retaining wall will remain.

(h) Is designed to take advantage of the existing land contours in order to provide satisfactory road gradients and suitable building lots and to facilitate the provision of proposed services;

As discussed, the site has significant topographic features. The grading plan illustrates significant grading on the site's west, south and northeast edges. The grading should not impact the properties west or north of the site since there is an adequate buffer between the property lines and the extent of the grading activities. The applicant is grading to a 3:1 slope and providing vegetative ground cover, which will limit erosion.

(i) Shall place underground all electric and telephone facilities, street light wiring and other wiring conduits and similar facilities in any development which is primarily designed for or occupied by dwellings, unless waived by the Commission because of technical reasons;

All utilities will be placed underground.

(j) Shall not create excessive additional requirements at public cost of public facilities and services and shall not be detrimental to the economic welfare of the community;

Staff does not anticipate any additional public services required to support this development.

(k) Shall not involve uses, activities, processes, materials, equipment and conditions of operation that shall be detrimental to any persons, property or the general welfare by reason of excessive production of traffic, noise, smoke, fumes, glare or odors; and

All proposed uses are consistent with the Planned Commercial district zoning being requested as part of this application. The traffic study does not indicate that this development will generate excessive traffic.

(I) Rezoning of the land to the PUD District and approval of the development plan shall not adversely affect the public peace, health, morals, safety or welfare.

The staff believes the rezoning is consistent with the comprehensive plan and will not adversely affect surrounding properties.

#### **Additional Comments:**

Fire: See attached.

**City Engineer:** The engineer has reviewed the site plan and requested additional right of way along Old Troy Pike and Chambersburg Road. The applicant has indicated that they will revise their plans accordingly.

#### Recommendation

Staff supports the partial rezoning from General Office (O-1) to Planned Commercial. It is the staff's opinion that the requirements of Section 1171.06 can be met, and recommends approval of the rezoning and Basic Development Plan with the following conditions:

- The applicant shall assess the health of the existing trees along the site's perimeter that will be incorporated into the landscaping plan. Healthy trees shall be identified and incorporated into the landscaping plan as appropriate, subject to approval as part of the Detailed Development Plan. The applicant shall also develop a plan to protect key trees during construction, subject to staff approval.
- The applicant shall work with staff to determine the final street tree placement during the Detailed Development Plan phase.
- Signs shall conform with Chapter 1189, unless otherwise approved in the Detailed Development Plan by the Planning Commission.
- Permitted uses shall be those listed as permitted uses in Section 1176.01, except the following are prohibited:
  - o Vehicle sales, rental or service
  - Sweepstakes Cafes
  - Short-term lenders (pay-day lenders, loans against auto titles, etc.)
  - Dry cleaners
  - o Outdoor sales and storage, unless approved by the Planning Commission
- The applicant shall submit a revised Basic Development Plan indicating the corrected ROW dedication along Old Troy Pike and Chambersburg Road, as the City engineer requires.

Discussion on sidewalk width, undeveloped half of site, left turn onto Troy, traffic coming south, Chambersburg design timeline, 3-1 slope, full shielding on West side, traffic lane on Troy Pike, retaining wall, 19 ft. drop, bike racks, lower the crest on Chambersburg.

# ARTICLE 9 GRIEVANCE PROCEDURE

#### Section 9.1. Grievance Defined.

- A. A grievance is defined as being any dispute or controversy between an employee or the Labor Council and the City involving:
- 1. The interpretation, application, or claimed violation of any of the provisions of this Agreement.
  - 2. The discipline of any Bargaining Unit Member; or
  - 3. The reasonableness of application of any work rule established and enforced by the City.
- B. A group grievance is a grievance as defined in Paragraph A above, which uniformly affects a group of employees. The group will be comprised of only those bargaining unit members who sign the grievance when it is first presented in writing.
- C. Grievances involving the equivalent of verbal and written reprimands may be grieved up to the City Manager, but are not subject to the arbitration procedure.
- D. Grievances involving lost time, lost pay or demotion shall be submitted directly to Step Three.

Section 9.2. Jurisdiction. Nothing in this section is intended to deny a Bargaining Unit Member or the

Labor Council any rights available at law to achieve redress of their legal rights. However, suspensions, reductions in rank, and discharges are subject to this Grievance and Arbitration Procedure and may not be the subject of a civil service appeal. Once the bargaining unit member or the Labor Council elects a remedy through some other official body (and that body takes jurisdiction), they are thereafter denied the remedy of the Grievance Procedure provided herein. However, to the extent a grievable grievance matter is or can be made the subject of a related SERB unfair labor practice charge, the parties agree that deferral to arbitration will in all cases be the preferred remedy in that the resolution of the matter through arbitration will serve as the sole exclusive remedy.

Section 9.3. Procedure. All employees will make an earnest and honest effort to settle differences and disputes with their immediate supervisor without filing a grievance. In the event that an agreement cannot be reached, then the following steps shall be taken with respect to any grievance. Grievances will be settled at the earliest possible step of the procedure. Any grievance not initiated or taken to the next step within the time limits specified herein will be considered to be resolved. Any answer to a grievance that has not been timely filed shall permit the Labor Council to appeal the grievance to the next higher step in the grievance process. Time limits for invoking the next higher step in the grievance procedure shall commence on the date the grievance answer is due. The Bargaining Unit Member must proceed through all steps of the grievance procedure in a proper order and within the prescribed time limits, except as otherwise provided in this procedure. A grievant may have a Labor Council representative, or may waive the right to have one present at any step of the procedure.

Step One: An employee having an individual grievance will first attempt to resolve it informally with the supervisor whose actions gave rise to the incident. Such attempt at informal resolution shall be made by the employee with or without Labor Council representation, within seven (7) business days following the events or circumstances giving rise to the grievance having occurred, or within seven (7) business days of when the events or circumstances should have become known to the employee. At this step, there is no requirement that the grievance be submitted in writing. If a supervisor grants a grievance at verbal levels, written acknowledgment of granting such grievance must be furnished. If the employee is not satisfied with the oral response from the supervisor, which shall be given within seven (7) business days of the submission of the grievance at this step.

The grievance may be referred to Step Two of the grievance procedure within seven (7) business days after receipt of the decision rendered in Step One.

**Step Two:** The grievance shall be referred in writing to the Chief of Police, or the Chief's designee who will hold a grievance hearing and reply in writing within seven (7) business days after the hearing. If the Bargaining Unit Member is not satisfied with the written answer of the Chief of Police, the grievance may be referred to Step Three of the grievance procedure within seven (7) business days after receipt of the decision rendered in Step Two.

**Step Three:** If the grievance is not resolved in Step Two, it may then be appealed by the employee to the City Manager. Within seven (7) business days, a mutually agreeable date shall be scheduled for said hearing. Each party may have a representative and any necessary witness present for the hearing. The City Manager (or designated representative) will answer the grievance within seven (7) business days after the

hearing has concluded. If the City fails to reply within the above time limit, the grievance may be referred to the next step by the Labor Council within seven (7) business days.

**Step Four:** If the grievance is not satisfactorily resolved at Step Three, the grievance may be appealed by the Labor Council to arbitration pursuant to the terms of this Step Four.

- A. Notice of the appeal to arbitration must be served on the City Manager in writing within twenty-one (21) calendar days after the written answer was given at Step Three. Either party, within ten (10) business days thereafter, may request a panel of nine (9) arbitrators from the Federal Mediation and Conciliation Service (FMCS). The parties shall alternately strike the names of arbitrators until only one (1) name remains. Each party has the right to reject one submitted panel and request another. The parties may, by mutual agreement, select an arbitrator without requesting a panel from the FMCS or other similar service. A date for arbitration shall be set in accordance with the wishes of the parties and the availability of the arbitrator.
- B. The Arbitrator shall have no authority to add to, subtract from, modify or amend any of the terms of this Agreement or addendum to this Agreement. The Arbitrator shall have no authority to rule on anything that happened before the effective date of this Agreement, or after the expiration of this Agreement. The Arbitrator shall promptly hear the matter and shall issue a decision within sixty (60) calendar days from the close of the hearing or the submission of post-hearing briefs; whichever is later, unless the parties grant additional time.
- C. The decision of the Arbitrator shall be final and binding on the City, the Labor Council, and all persons, subject to appeal as provided by law.
- D. The City and the Labor Council shall each bear its own expenses in any arbitration. The expenses of the arbitrator shall be shared equally by the parties.
- <u>Section 9.4. Extensions of Time.</u> Upon the mutual agreement of the parties expressed in writing, the time limits set forth in this Article may be extended or the steps herein waived. All time periods cited in this article shall be interpreted to exclude Saturdays, Sundays, and legal holidays. Except as otherwise expressly provided "days" as listed in this procedure shall be working days for the moving person at each step.

<u>Section 9.5. Content of Grievances.</u> All written grievances must contain the following information on a Labor Council Grievance Form to be considered.

<u>Section 10.1.</u> <u>Purpose.</u> The purpose of this procedure is to outline the process to be followed in the handling of an investigation dealing with complaints or misconduct by employees of the Police Division.

Section 10.2. Police Investigations Procedures. The City will use the existing chain of command structure to clarify complaints or allegations regarding members of the Police Division. In general, unless a special Grand Jury has been convened, the Police Division will be used to investigate complaints or allegations against employees unless the Chief defers to other qualified law enforcement agencies. Any criminal investigation will first be prefaced by a review of the complaint or allegation by the Chief of Police.

An employee will be permitted to have a Labor Council representative and/or legal counsel present during an interview, should the employee feel such interview could lead to discipline.

- D. The Chief of Police shall be updated in writing every forty-five (45) days an investigation is still open. The Chief shall report the status of such investigations to the Labor Council within three (3) days.
- E. When the City orders an employee to provide information in an investigation, such information may not be used in any criminal proceedings against the employee. Such information may be used by the City in taking action and in defending such action with respect to discharge or discipline of the employee. Before an employee may be charged for refusal to answer questions or participate in an investigation, the employee shall be advised

- that refusal to answer such questions or participate in such investigation may be the basis of such a charge, in itself.
- F. An employee may be required, at City expense, to undergo alcohol and/or substance abuse testing in accordance with Article 14 of this Agreement, and/or a fitness for duty evaluation, which may include both physical and mental fitness.
- G. The accused employee being interviewed shall not be subject to offensive language or threatened with transfer, dismissal or disciplinary action. No promise or reward shall be made as an inducement to answer any questions.
- H. An employee may be given a polygraph examination or a voice stress examination if the Chief has reason to believe the employee is a witness to an incident or occurrence being investigated; at the employee's written request directly to the Chief; or if the employee is a focus of an investigation specifically related to the performance of the employee's official duties. An employee shall not be disciplined based solely on the results of such examination.
- I. An employee, who has been under investigation, will be informed of the outcome of the case within seven days following the conclusion of the investigation, culminating with the concurrence of the Chief of Police.
- J. Any employee who may be subject to disciplinary action the primary basis of which was generated by a citizen complaint, shall be entitled to a copy of such complaint prior to the implementation of disciplinary action. The City also shall provide a copy to the Union.

  Unsigned and/or anonymous complaints shall not form the sole basis of disciplinary action.
- K. All complaints filed in conformance with Section J will be investigated in a fair and impartial manner.
- L. All complaints that are determined to be unfounded shall not be included in the personnel file of the affected employee and may not be used in any subsequent disciplinary procedure, although the City will maintain any documents related to such complaints in accordance with the Ohio Public Records Law. Anonymous materials shall not be placed in an employee's personnel file unless an investigation determines the complaint is sustained.

#### Section 10.4.Discipline.

- A. No employee shall be disciplined, reduced in pay or position, suspended, or discharged, without just cause. The City agrees to begin the disciplinary process within ten (10) calendar days of receipt of knowledge of any act requiring discipline or within ten (10) calendar days of the conclusion of an investigation that results in discipline. The hearing will be held among the City, the employee, and a Labor Council representative if the employee so desires. A copy of the charges will be sent to the employee not less than three (3) working days prior to the date of the hearing.
- E. In cases where a suspension of ten (10) days or less has been imposed on a bargaining unit member, the City may offer the member the option to forfeit accrued compensatory time or vacation leave. If such an offer is made and accepted, the forfeiture shall be one (1) hour of accrued compensatory time or vacation leave, for each hour of proposed suspension. The forfeiture of leave shall constitute disciplinary action of record the same as though the suspension had been served and shall be placed in the employee's personnel file. The forfeiture of leave shall constitute the final resolution of the divisional charges, and once accepted by the bargaining unit member, forfeiture of accrued leave is not subject to further appeal through the grievance procedure or otherwise.
- F. No public disclosure shall be initiated by the City of any disciplinary action taken or proposed against a Bargaining Unit Employee unless and until criminal charges have also been filed. Nothing in this section shall preempt and/or violate State or Federal law.

#### ARTICLE 13 PROBATIONARY PERIOD

<u>Section 13.1.Probationary Period</u> Newly promoted bargaining unit employees are required to successfully complete a probationary period as follows:

A. The employee shall be on job probation in the promoted rank for a period of six (6) months. The purpose of the job probation is to give the City an opportunity to observe the employee at work in such classification and to form an opinion as to whether the employee has the ability, knowledge and skills required to satisfactorily perform the job duties. During the job probation, the employee may be demoted at any time the employee demonstrates the inability to satisfactorily perform the requirements of the job, or at the employee's request. If so demoted, the employee shall be returned to the last previous rank the employee permanently occupied. Such demotion is specifically excluded from the grievance procedure.

B. If an employee is not in active pay status during any period of time during the probationary period, then the time of such leave or inactive status is not counted as part of the probationary period. For the purpose of extending the probationary period, any leave of less than six (6) workdays will not be considered.

#### ARTICLE 14 SUBSTANCE TESTING

<u>Section 14.1. Purpose of Policy.</u> The purpose of this policy is to assure employees are fit for duty and to protect our employees and the public from the risks posed by the use of drugs and alcohol.

The presence of drugs and alcohol on the job, and the influence of these substances on employees during working hours, are inconsistent with the objective to maintain a drug and alcohol-free workplace. To further our commitment of maintaining a drug and alcohol-free workplace in order to provide a safe work environment for employees and safe service delivery to the public, it is our policy to:

- A. Ensure that employees are not impaired in their ability to perform their work in a safe, productive manner,
- B. Conduct pre-employment, reasonable suspicion, and post-accident drug and alcohol testing, and
- C. Encourage employees to seek professional assistance any time alcohol or drug use adversely affect their ability to perform their work assignments.

<u>Section 14.2. Employees Covered.</u> This policy applies to all employees covered by this agreement.

#### Section 14.3. Prohibited Conduct.

- A. "Alcohol" means the intoxicating agent in beverage alcohol, ethyl alcohol, or other low molecular weight alcohols including methyl and isopropyl (rubbing) alcohol. Employees must not consume alcohol:
- 1. On the job, during hours of work, during city meal periods (paid or unpaid), or during city rest periods, or
- 2. Up to four (4) hours following an accident or until the employee undergoes a post-accident test, whichever occurs first.
- B. Alcoholic beverages may be served at City-organized and hosted functions only with the express written consent of the City Manager or designee. Employees working at the function are not to consume alcoholic beverages while on duty. Employees in approved social attendance at functions where alcohol is served may consume alcoholic beverages so long as this is done in proper moderation and with decorum.

- C. "Controlled substance" means those substances identified as such in Schedules I through V of Section 202 of the Controlled Substance Act (21 U.S.C. 812) and as further defined by 21 CFR 1300.11 through 1300.15. Employees must not consume any controlled substance without a prescription from a licensed doctor of medicine or osteopathy. This includes: marijuana, amphetamines, opiates, phencyclidine (PCP), and cocaine.
- D. Employees must not refuse to take a required drug or alcohol test. Refusal to take a test will be considered a positive test for purposes of this policy.
- E. Employees must not be under the influence of or in possession of alcohol or drugs while on duty (except authorized, duty-related possession) and must not carry/store drugs or alcohol in any vehicle in which they are a passenger while on duty.
- F. The unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the City of Huber Heights workplace. An employee convicted of violating a criminal drug statute in the workplace must notify the Human Resources Director no later than five (5) working days after such conviction. The Human Resources Director will notify the U.S. Department of Commerce of the criminal violation within ten (10) working days.

<u>Section 14.4. Legal Drugs.</u> The appropriate use of legally prescribed medications and non-prescription medications is not prohibited. Employees are required to notify their supervisor prior to the use of any medication which may adversely affect their ability to perform their job. In such case, the employee may be assigned to perform work that can be safely performed while using such medication or placed on paid sick or other paid or unpaid leave. If reasonable suspicion exists that an employee is under the influence of an illegal substance or alcohol, a reasonable suspicion test will be conducted. This information should be handled in a confidential manner, the same as any other medical information.

Section 14.5. Drug/Alcohol Testing. Drug/alcohol testing shall be conducted solely for administrative purposes and the results obtained shall not be used in criminal proceedings. Under no circumstances may the results of drug/alcohol screening or testing be released to a third party for use in a criminal prosecution against the affected employee. The City conducts the following types of drug/alcohol testing to determine if employees are in compliance with this policy and associated rules of conduct: pre-employment, reasonable suspicion, and post-accident. In addition, employees are tested prior to returning to duty after a positive drug or alcohol test and subject to follow-up testing conducted during the course of a rehabilitation program recommended by a substance abuse professional. A Medical Review Officer (MRO) reviews test results and determines which tests are positive and which are negative.

The City shall test for the following drugs: marijuana, amphetamines, opiates, phencyclidine (PCP), cocaine, barbiturates, benzodiazepines, methadone, methaqualone, and propoxyphene. An initial drug screen is conducted on each specimen. For those specimens that are not negative, a confirmatory gas chromatography/mass spectrometry (GC/MS) test is performed. The test is considered positive if the amounts present are above the minimum thresholds established in 49 CFR Part 40.

An alcohol concentration of .04 percent or greater is considered a positive alcohol test, and in violation of this policy.

If a drug or alcohol test produces a positive result, the City may take such actions as authorized in Section 14.6 herein. Sick leave and/or other paid leave may be used while participating in a rehabilitation program. Otherwise, the employee will be placed on leave without pay until return to work following a negative alcohol/drug test and authorization by the SAP.

- A. <u>Pre-Employment Testing.</u> The City of Huber Heights performs drug and alcohol testing on potential employees after a conditional offer of employment.
- B. **Reasonable Suspicion Testing.** Reasonable suspicion that an employee used or is using a controlled substance or alcohol in an unlawful or abusive manner may be based upon, but not limited to:
- 1. Observable phenomena, such as direct observation of drug or alcohol use or possession and/or the physical symptoms of being under the influence of a drug or alcohol;
- 2. A pattern of abnormal conduct or erratic behavior;
- 3. Conviction for a drug or alcohol-related offense, or the identification of an employee as the focus of a criminal investigation into illegal drug or alcohol possession, use, or trafficking. The employee is responsible for notifying the City, within five (5) working days, of any drug-related conviction;
- 4. Information provided by reliable and/or credible sources or independently corroborated regarding an employee's substance abuse;
- 5. Evidence that an employee had tampered with a previous drug test, and
- 6. Facts or circumstances developed in the course of an authorized investigation of an accident or unsafe working practice.

The City representative must make a written record of the observations leading to a drug or alcohol test within twenty-four (24) hours of the observed behavior or before the test results are reported, whichever is earlier.

Any employee who demonstrates job performance impairments consistent with reasonable suspicion characteristics shall be relieved of duty with pay pending an investigation and testing of condition. In such case the employee shall be transported by City personnel to the sample collection location and to his/her home. Employees with a negative drug test and/or alcohol test below 0.04 will be returned to duty if not otherwise in violation of this policy. Testing under this section may be for drugs or alcohol or both.

C. **Post-Accident Testing.** Post-accident testing will be conducted on employees whenever an accident occurs, regardless of whether there is an injury. An "accident" is an

unplanned, unexpected or unintended event that occurs on City property, during the conduct of City business, during work hours, or which involves a City motor vehicle or motor vehicles used in conducting City business, or is within the scope of employment, and which results in any of the following:

- 1. A fatality of anyone involved in the accident; or
- 2. Bodily injury to the employee and/or another person that requires off-site medical attention away from the City's place of employment; or
- 3. Vehicular damage in apparent excess of \$2,000, or
- 4. Non-vehicular damage in apparent excess of \$2,000.

When such an accident results in one of the situations above, any employee who may have contributed to the accident will be tested for drugs or alcohol use or both.

- **Drug/Alcohol Testing After an Accident.** Urine specimen collection (for drugs) or D. breath/saliva collection (for alcohol) is to occur as quickly as possible after a need to test has been determined. At no time will a urine specimen be collected after sixteen (16) hours from the time of an employment-related accident. Breath or saliva alcohol testing will be performed as quickly as possible, but no later than four (4) hours after the accident, or it will be documented but not performed. If the employee responsible for an employmentrelated accident is injured, it is a condition of employment that the employee grant the City the right to request that attending medical personnel obtain appropriate specimens (breath or urine) for the purpose of conducting alcohol and/or drug testing. Further, all employees grant the City access to any and all other medical information that may be relevant in conducting a complete and thorough investigation of the employment- related accident including a full medical report from the examining physician(s) or other health care providers. A signed consent to testing form is considered a condition of employment. Any employee involved in an accident must refrain from alcohol use for four (4) hours following the accident, or until he/she undergoes a post accident alcohol test. Any employee who leaves the scene of an accident without justifiable explanation prior to submission to drug and alcohol testing is considered to have refused the test. The City reserves the right to determine who may have caused or contributed to an employmentrelated accident and may choose not to test after minor accidents if there is no violation of a safety or work rule, minor damage and/or injuries and no reasonable suspicion.
- E. **Return-To-Duty Testing.** Any employee who has tested positive on a drug and/or alcohol test, and who was afforded the opportunity to return to work, must test negative for drugs and/or alcohol and be evaluated and released to duty by the Substance Abuse Professional before returning to work.
- F. Follow-Up Testing. Any employee who has tested negative on a return-to-duty drug and/or alcohol test and been returned to duty shall be required to undergo frequent unannounced drug and alcohol testing during the period of time recommended by the Substance Abuse Professional. A maximum of four (4) follow-up tests shall be conducted

within the twelve (12) months following the violation, which period may be extended up to one (1) additional year. Employees subject to follow-up testing will continue to perform their duties if not otherwise in violation of this policy.

- G. Who Pays for Testing. The City shall pay for all reasonable suspicion, post-accident, return-to-duty, and follow-up drug and alcohol tests for employees. Employees shall reimburse the City through payroll deduction for all employee-requested confirmatory tests.
- H. Refusal to Submit to Testing. A refusal to comply with a request for testing, submission of false information in connection with a test, or any attempt to falsify test results through tampering, contamination, adulteration, or substitution, shall be considered a refusal to submit to testing and will be treated the same as a positive test result. Refusal shall include an inability to provide a specimen or breath sample without a valid medical explanation, as well as a verbal declaration, obstructive behavior, or physical absence resulting in the inability to conduct the test.

Section 14.6. <u>Drug/Alcohol Treatment.</u> Employees who have completed probation and who test positive for the presence of illegal drugs or alcohol will be referred to a Substance Abuse Professional (SAP) for evaluation. An SAP is a licensed or certified physician, psychologist, social worker, employee assistance professional, or addiction counselor with knowledge of, and clinical experience in, the diagnosis and treatment of drug and alcohol-related disorders. The SAP will evaluate the employee to determine what assistance, if any, the employee needs to resolve problems associated with prohibited substance abuse or misuse of alcohol.

Under certain circumstances, including a positive drug and/or alcohol test, an employee may be required to undergo treatment for substance abuse. After the employee's return to duty after such evaluation and/or treatment, he/she must follow the rehabilitation program prescribed by the SAP, pass a return-to-duty drug and alcohol test(s), and be subject to unannounced follow-up tests for a period of at least one (1) year as determined by the SAP or as required by applicable law. Any employee who refuses treatment when required, or fails to comply with the regimen prescribed by the SAP for treatment, aftercare, or return-to-duty, shall be subject to disciplinary action, up to and including termination of employment.

Section 14.7. Employee-Requested Confirmation Testing. An employee who questions the results of a required drug test may request that an additional test be conducted at a different USDHHS-certified laboratory. The test must be conducted on the split sample that was provided at the same time as the original sample. The cost of the second test will be borne by the employee, unless the second test invalidates the first.

The method of collecting, storing, and testing the split sample will follow Department of Transportation guidelines. The employee's request for a split sample test must be made to the Medical Review Officer (MRO) within seventy-two (72) hours of notice of the initial test result. Requests after seventy-two (72) hours will be accepted only if the delay was due to document able facts that were beyond the control of the employee.

<u>Section 14.8.</u> Confidentiality. Positive and confirmed laboratory reports or test results shall not appear in an employee's general personnel folder. Information of this nature will be secured

in a separate confidential medical folder in the Department of Human Resources. The reports or test results may be disclosed to the City Manager and Chief of Police and shall be disclosed to the tested employee.

The City may disclose information required to be maintained pertaining to an employee to the employee or to the decision maker in a lawsuit, grievance, or other proceeding initiated by or on behalf of the individual and arising from the results of an alcohol and/ or controlled substance test administered under this part, or from the employer's determination that the employee engaged in prohibited conduct (including, but not limited to, a worker's compensation, unemployment compensation, or other proceeding relating to a benefit sought by the employee).

#### ARTICLE 15 LAYOFF AND RECALL

<u>Section 15.1.Layoff Notification.</u> When the City determines that a long term layoff or job abolishment is necessary, they shall notify the affected employees thirty (30) calendar days in advance of the effective date of the layoff or job abolishment. Employees will be notified of the Employer's decision to implement any short-term layoff, lasting seventy-two (72) hours or less, as soon as possible.

Section 15.2.Layoff. The City shall determine in which classifications layoffs will occur and layoffs of bargaining unit members will be by classification. Within the police division, provisional employees shall be laid off first followed by part-time employees and then probationary employees. Bargaining unit members shall be laid off within each classification in order of divisional seniority, beginning with the least senior and progressing to the most senior up to the number of bargaining unit members that are to be laid off. When an employee is removed from a classification within the Division as a result of a layoff, the employee may be allowed to bump the least senior employee in the next lowest-payment classification as provided by rank seniority, providing the employee can perform the available work.

<u>Section 15.3. Recall.</u> The City shall create a recall list for each classification with layoffs for a period of twenty-four (24) months or for the bargaining unit member's length of seniority, whichever is less. The City shall recall bargaining unit members according to seniority, beginning with the most senior employee in the classification and progressing to the least senior employee up to the number of employees to be recalled.

<u>Section 15.4. Recall Notification.</u> Notice of recall shall be sent to the bargaining unit member by certified mail. The City shall be deemed to have fulfilled its obligation by mailing the recall notice by certified mail, return receipt requested, to the last address provided by the bargaining unit member.

<u>Section 15.5.Time Limits.</u> The recalled bargaining unit member shall have fourteen (14) calendar days following the date of mailing of the recall notice to notify the City of the member's intention to return to work, and shall have twenty-one (21) calendar days following the mailing date of the recall notice in which to report for duty, unless a later date for returning to work is otherwise specified in the notice.

<u>Section 15.6.</u> <u>Recall Probationary Period.</u> Recalled bargaining unit members shall not serve a probationary period upon reinstatement, except that employees serving a probationary period at layoff shall be required to finish such probationary period.

#### ARTICLE 16 RULES AND REGULATIONS

<u>Section 16.1.</u> <u>Rules, Regulations, Policies and Procedures.</u> The City agrees that Rules, Regulations, Policies and Procedures of the Police Division shall be furnished to all members of the bargaining unit in written form.

The Chief of Police agrees under normal circumstances to notify the Labor Council of any new or amended rules and regulations or general orders prior to their general issuance and upon request to discuss the matter with the Labor Council prior to general issuance thereof.

The Rules, Regulations, Policies and Procedures shall be applied and interpreted consistently by the City, taking into consideration the facts and circumstances of each situation in which they are applied and interpreted.

The City shall retain the sole right to establish, change, amend, and enforce rules for employees to follow; and the right to warn, reprimand, discharge, demote, suspend, or transfer any and all employees who violate these rules. The Labor Council retains the right to grieve the reasonableness of the City's action. The City also may issue or establish reasonable regulations or general orders not in conflict with this Agreement.

The applicant must have a rating acceptable or above on all evaluations in the prior twelve (12) months.

Section 17.3. Examinations. The examination announcement shall provide a complete list of study materials and be posted at least forty-five (45) days prior to the examination. A portion of the written component may be purchased from a recognized testing agency. An employee shall be entitled to receive a report on that employee's individual performance. At no time will any member of the bargaining unit receive any test questions or content of answers in advance of the promotional test.

Lost time discipline imposed after the testing phase shall remove a candidate from the promotional list. Promotional eligibility lists shall be in effect for one (1) year and may be extended by the City Manager to two (2) years from the certification date of the list.

#### ARTICLE 18 HOURS OF WORK AND OVERTIME

**Section 18.1. Intent.** This Article is intended to define the hours of a workday, hours of a workweek, and to define the basis for the calculation of overtime.

Section 18.2. Work Day, Work Week, Work Year and Overtime. Bargaining unit members working an eight (8) hour per day or eight and one-half (8 1/2) per day schedule shall be paid for all time worked in excess of the scheduled work day in any twenty-four (24) hour period computed on the basis of time and one-half (1-1/2) their regular hourly rate of pay. The term "hours worked" for overtime purposes shall include all hours during which the Bargaining Unit Member is in paid status. When an employee works more than twelve (12) consecutive hours, all hours over twelve (12) hours shall be paid at double the employee's regular hourly rate of pay.

For purposes of compliance with the Fair Labor Standards Act, the City shall pay overtime for all hours actually worked over one hundred seventy-six (176) in any twenty-eight (28) day period in accordance with the Act. For purposes of compliance with the Article, the City shall comply with this Article.

The work year for non-investigative personnel covered by this agreement is hereby defined as being two hundred and fifty-three (253) workdays.

Section 18.3. Compensatory Time. In lieu of receiving overtime premium pay, an employee may elect to receive compensatory time off in lieu of the overtime payment. An employee shall elect to be paid the overtime premium or receive compensatory time off at the time the overtime hours are actually worked. Compensatory time off will be scheduled with the approval of the Chief or designee. Compensatory time off shall be granted on the basis of the overtime rate applicable for each overtime hour actually worked. Compensatory time off will be granted in half hour (1/2) hour increments or more. Partial increments will be "rounded up" to the next complete half hour. (For example, forty-five minutes will be "rounded" to one hour and twenty minutes will be "rounded" to one half-hour). Compensatory time off may be accumulated to a maximum of eighty (80) hours.

Upon separation from service for any reason, members shall be paid at their current rate of pay for accumulated hours of compensatory time. When a member dies while in paid status in the City service, any unused compensatory time to the member's credit shall be paid in a lump sum to the surviving spouse or the estate of the deceased.

Employees in the bargaining unit may cash-out or receive pay in lieu of time off for accumulated compensatory time. Employees must cash-out time in increments of 8 hours, and may only cash

Changes may be made in the posted shift schedule by the Chief of Police as may be required to meet the needs of the Police Division. The City agrees to schedule the changing of shifts in such a manner so that an officer will not be required to work two (2) consecutive eight (8) hour shifts.

Section 18.5. Temporary Transfers. The City shall have the right to temporarily transfer employees within the Bargaining Unit, irrespective of their seniority status, from one job classification to another to cover the employees who are absent from work due to illness, accident, vacations, or leaves of absence for the period of such absences. The City shall also have the right to temporarily transfer employees from one classification to another within the Bargaining Unit, irrespective of their seniority status, to fill job or temporary vacancies and to take care of unusual conditions or situations, which may arise for a period not to exceed ninety (90) days in any calendar year. It is understood and agreed that any employee within the unit temporarily transferred in accordance with the provisions of this section shall not acquire any permanent title or right to the job to which the employee is temporarily transferred, but shall retain seniority in the permanent classification from which the employee was transferred. A temporarily transferred employee shall receive the higher classification rate of pay for each full day the employee performs the function of the higher classification.

#### Section 18.6. Shift Bidding.

- A. Shift bidding is limited to Patrol Sergeants assigned as Watch Commanders, except that in the event Lieutenants are returned to watch duty assignments, they shall be permitted to bid.
- B. Officers permitted to bid shall submit their first and second choices of shift assignment by August 1 of each year. By August 30, the Employer will post the shift assignment for the following 12-month period running from October 1 through September 30. Shift assignment shall be awarded based upon the rank seniority of the employees.
- C. Temporary shift reassignments may be made by the Employer due to operational needs (e.g., seasonal requirements, special events, injury leaves, training, training period for newly promoted employees, etc.). Such reassignments will not necessarily be made on the basis of seniority. Once the need is over, the reassigned employee will be returned to his regular shift. It is specifically understood that these reassignments are not grievable.
- D. Patrol Sergeants will be given the opportunity to re-bid their work shifts if any permanent change is made to their work week or shift rotation.

<u>Section 18.7.</u> <u>Supervisor Overtime</u> When the City decides to offer supervisory overtime it will first be offered to all sergeants (with the right of first refusal for all sergeants), then to the lieutenants. If the overtime is declined and the overtime is still being offered, an OIC from the Patrol Section will assume the supervision and the resulting overtime opportunity will be offered to the Patrol Officer(s).

<u>Section 19.2. Flex Time Staffing.</u> For the purpose of granting time off and determining the number of employees off on a given day/shift, if more than one employee is on a scheduled flex day on the same day/shift, only one of the flexed employees will count toward minimum staffing.

<u>Section 19.3. Training Time Staffing.</u> For the purpose of granting time off and determining the number of employees off on a given day/shift, employees scheduled to attend training sessions lasting more than one week shall not count toward minimum staffing.

After the seniority vacation picks listed above are over, all other casual vacation requests, on a first come first serve basis, shall only require a 48-hour notice.

Vacation leave shall be used in minimum increments of one-half (1/2) hour or more. Partial increments will be "rounded up" to the next complete half hour. (For example, forty-five minutes will be "rounded" to one hour and twenty minutes will be "rounded" to one-half hour.)

Section 22.7. Terminal (Separation) Pay. Accrued but unused vacation hours shall be paid as terminal (separation) pay if an employee leaves employment in good status and has completed six (6) months of continuous service with the City; provided the employee gives not less than fourteen (14) calendar days' advance notice of such action to the Chief. An employee who is laid off shall be paid for accrued vacation. - B. Exposure of an employee to a contagious disease which could be communicated to and jeopardize the health of other employees or the public.
- C. Examination of the employee, including medical, psychological, dental or optical examination, by an approved practitioner, which cannot be scheduled during non-work time.
- D. Illness, injury or pregnancy related condition of a member of the employee's immediate family where the employee's presence is reasonably necessary for the health and welfare of the employee or affected family member.

Failure to promptly notify the City may result in denial of sick leave pay. All sick leave to be so classified shall be subject to approval by the Chief of Police. Employees shall follow proper procedures in filing sick leave forms upon return to work.

Section 25.4.Doctor's Certificate. The Chief or designee may require a physician's certificate to be provided to the City's Human Resources Director to confirm the reasons for an absence due to illness or injury or for verification of the fact that the employee is able to return to work. Failure to present any required or requested physician's certificate, employee's written statement, or other required or requested medical verification, to the Employer (or designee) may result in loss of pay for the time absent, and/or disciplinary action.

<u>Section 25.5.Medical Appointments.</u> To the extent possible, employees should schedule dental, optical or medical appointments during off duty hours. However, when this is not possible and in the judgment of the Chief an employee can be spared from work, the employee shall be given the time off and, at the employee's discretion, either from accumulated

compensatory time off or sick leave credits charged therefore.

Section 25.6.Other Considerations. After a second consecutive day of sick leave, during continued absence utilizing sick leave, the employee must be at home so that the employee may be contacted during the hours of 8:00 a.m. to 4:00 p.m. Monday through Friday unless hospitalized, receiving out-patient medical treatment outside the employee's residence, purchasing required medication, or as authorized in writing by the Chief.

Those hours will become payable to the employee when that employee retires. That employee will then be paid a sum equal to one (1) hour worked, at the employee's regular straight time rate in the pay period prior to the pay period containing the date of August 15, 2003, for every three (3) hours banked by the City at the commencement of the Agreement.

The City shall provide a document detailing the amount of hours banked, the rate of pay they will be reimbursed at, and the total they will be reimbursed, immediately after the hours have been deducted from the employee's sick leave bank. A copy of this documentation is to be provided to each affected employee, and a duplicate copy is to be placed in each affected employee's personnel file.

Section 25.8.Sick Leave Compensation If, at the end of the last pay period of any calendar year, an employee has a balance of more than one thousand two hundred and eighty five (1285) hours of accrued but unused sick leave, the hours in excess of one thousand two hundred eighty five (1285) will be converted into a cash payment. Each employee who has accumulated more than one thousand two hundred eighty five (1285) hours and has no more than four occurrences of sick leave, will be paid a sum equal to one hour worked, at the employee's regular straight time rate, for every two (2) hours accumulated in excess of one thousand two hundred eighty-five (1285) hours. Each employee who has accumulated more than one thousand two hundred eighty-five (1285) hours, and has more than four occurrences of sick leave, will be paid a sum equal to one hour worked, at the employee's regular straight time rate, for every three (3) hours accumulated in excess of one thousand two hundred eighty-five (1285) hours.

Upon retirement, an employee's sick leave balance will be converted into cash payment. Each employee will be paid according to the following schedule:

- A. For accumulated sick leave hours one (1) through three hundred fifty seven (357), the employee will be paid a sum equal to one (1) hour worked, at the employee's regular straight time rate, for every four (4) hours of accumulated sick leave.
- B. For accumulated sick leave hours three hundred fifty eight (358) through seven hundred fourteen (714), the employee will be paid a sum equal to one (1) hour worked, at the employee's regular straight time rate, for every three (3) hours of accumulated sick leave.
- C. For accumulated sick leave hours seven hundred fifteen (715) through one thousand

- seventy one (1071), the employee will be paid a sum equal to one (1) hour worked, at the employee's regular straight time rate, for every two (2) hours of accumulated sick leave.
- D. For accumulated sick leave hours in excess of one thousand seventy one (1071), the employee will be paid a sum equal to one (1) hour worked, at the employee's regular straight time rate, for every one (1) hour of accumulated sick leave.

Upon an employee being granted a permanent and total disability from OP&F, that employee is eligible to receive a cash payment for unused sick leave hours according to the following schedule:

- A. For accumulated sick leave hours one (1) through three hundred fifty seven (357), the employee will be paid a sum equal to one (1) hour worked, at the employee's regular straight time rate, for every one (1) hour of accumulated sick leave.

Section 25.9.Active Duty Death Upon death of an employee, the spouse (if there is no spouse, then the deceased employee's estate) will be paid in one lump sum for all accumulated but unused sick leave. Such payment will be at the rate of one hundred percent (100%) at the employee's regular straight time hourly rate at the time of death. Any "bank" established under Section 24.7. shall also be paid out under this Section; per the formula contained in Section 24.7 above.

Section 25.10.Sick Leave Abuse. The City reserves the right to investigate all usage of sick leave, and may hold full payment of sick leave until said investigation is completed. Should the City determine that an employee has not used sick leave in accordance with the above rules and regulations, payment may be denied and discipline may be meted out in accordance with the severity of any abused sick leave benefits. After four (4) instances of sick leave during a calendar year, the use of sick leave requires approval of the Chief of Police on a case-by-case basis. Employees granted approval for sick leave in excess of this limit are not eligible for voluntary overtime assignments during the pay period during which the sick leave was granted.

#### Section 25.11. Donated Sick Leave

- A. **Eligibility** Any eligible employee may apply to the City Manager to receive donated sick leave, if the employee requesting such donated sick leave:

- C. <u>Donating Sick Leave</u> An employee may donate accrued and unused sick leave to their credit to any other employee who has been approved to receive donated sick leave if the donating employee:
- 1. Retains a sick leave balance of at least four hundred eighty (480) hours after deduction of the hours offered for donation; and
- 2. Voluntarily elects to donate sick leave to the employee approved for donation, understanding that any such leave donated and used shall not be returned.

## ARTICLE 26 WAGE CONTINUATION

**Section 26.1.Reporting.** Any bargaining unit member injured in the line of duty will file a written accident or injury report with the Chief of Police or the Chief's designee within twenty-four (24) hours of the incident or as soon as the bargaining unit member is physically able to do so. Failure, without good cause, of a bargaining unit member to comply with this section may be grounds for the City to deny wage continuation leave or supplemental benefits. Any employee

claiming a service-connected illness or injury under this Article shall file an application with the Ohio Bureau of Worker's Compensation (BWC). In the event the claim is denied by Worker's Compensation, the employee shall be charged with sick leave and/or vacation for all time paid by the City for the wage continuation claim. The parties agree that the employee's pay status will be controlled by the BWC's original decision until all appeals are final.

Section 26.2.Wage Continuation. Any employee who becomes unable to perform duties as assigned by the Employer due to a physical injury suffered in the discharge or performance of official duties as an employee of the City shall be eligible for wage continuation. Wage continuation shall be available for up to seven hundred twenty (720) work hours. These seven hundred twenty (720) work hours are fully paid by the Employer, and are in lieu of workers' compensation benefits. An employee who applies for wage continuation will apply to BWC for medical benefits only and not lost income benefits. The employee may apply for lost income benefits toward the end of the wage continuation if it is known that the absence will continue beyond the paid wage continuation. Recurring injuries do not qualify employees to receive wage continuation pay beyond the allowable seven hundred twenty (720) work hours provided at the time of the initial work connected injury date. During the first twelve (12) weeks following the conclusion of the paid leave, the employee may utilize sick or vacation time to supplement the workers' compensation benefits.

#### Section 26.3. Medical Evidence.

- A. Any employee making claim for such compensation as provided for in this Article shall, at the request of the City, submit to a physical exam by a licensed physician of the City's choice. This examination will be restricted to areas limited to or affected by the injury. In the event that the physician finds that such employee is able to return to duty, the employee shall do so on the next scheduled work day or at any other time as scheduled by the City. Physical examinations required pursuant to this Article shall be at the City's expense.
- B. For the best interest of both the employee and the Employer, an employee utilizing injury leave shall remain at the employee's residence Monday through Friday, 8:00 a.m. to 4:00 p.m. unless hospitalized, receiving out-patient medical treatment outside the employee's residence, purchasing required medication, or as authorized in writing by the Chief.
- C. A partially disabled employee who is eligible for wage continuation under this Article may be required by the City to perform limited duty work, subject to the limitations set and approved by the employee's physician.
- D. Should an employee covered by this Agreement become permanently disabled as a result of an on-the-job injury to the extent that the employee cannot perform the regular job duties, the City will attempt to place the employee in a position within the Division, in the judgment of the City and/or the Chief of Police, the employee is physically and mentally able to perform, provided that such a position is available. This Section shall not require the City to create a position for any employee.

<u>Section 26.4.Protection Insurance.</u> The City may provide this benefit to the employee through income protection insurance or by any other means available to the City. In the event this benefit is provided through the purchase of income protection insurance, the employee shall meet all the

- Section 6.2. Representation. The Labor Council may select one (1) Representative and one (1) alternate Representative to act in the absence of the Representative, for this bargaining unit. The Labor Council shall notify the City in writing of the names of the Representatives and will promptly update such names as necessary to be accurate. Only those Representatives listed by the Labor Council in writing will be permitted to conduct business on behalf of the Labor Council.
- Section 6.3. Grievance Investigations. A Labor Council Representative may investigate grievances as defined herein and formal disciplinary action, once it has been issued by the City. To the extent practicable, such investigation will be conducted so as not to interfere with normal duty hours of the Labor Council Representative or any other Bargaining Unit Member. With the prior permission of the Chief of Police or designee, the Labor Council Representative may be allowed reasonable time without loss of pay for such investigation. Permission will not be unreasonably denied.
- **Section 6.4. An employee may use such leave in half-hour (1/2) increments or more. Partial increments will be "rounded up" to the next complete half hour. (For example, forty-five (45) minutes will be "rounded" to one (1) hour and twenty minutes (20) will be "rounded" to one-half (1/2) hour.) The above time off for such officials (or designees) shall be time off with full pay at no expense to the employee's accrued leave time.

Officials of the Lodge/Labor Council shall, at least thirty (30) days prior to the date of the function submit notice to the Chief of Police identifying the function, certify the member attending, and indicate the starting and ending date and applicable scheduled hours for each employee. No more than three (3) Officers shall be included on the Labor Council negotiating team. The City will transfer any member working shifts other than day shifts to day shifts on the days negotiations take place and allow members of the Labor Council negotiating team time without loss of pay to participate in negotiation meetings with the City. If an agreement is not reached through negotiations, including mediation, the City will allow time without loss of pay for meetings called by the Fact Finder or Conciliator for only the Labor Council's Chief Negotiator (or designee) and the other members of the Labor Council's negotiating team.

Section 6.6. <u>Labor Council Staff Representative.</u> The Business Staff Representative may consult with employees before the start of or at the completion of the day's work. Such representative shall be permitted in the assembly area at all reasonable times only for the purpose of adjusting grievances, assisting in the settlement of disputes, and for the purpose of carrying into effect the provisions and aims of this Agreement. However, the Representative must notify management when such representative will be present in the assembly area. The Labor Council agrees that it (and its officers) will take prompt affirmative action to prevent or stop unauthorized strikes, sit-downs, slow-downs, work stoppages, curtailment of work, concerted use of paid leave time, restrictions of work or interference with the operation of the Police Division or City by notifying the Employees and the public in writing that it disavows these acts. The Labor Council further agrees that the Chief of Police and the City have the right to discipline (including discharge) any or all employees who violate this Article, except that the Grievance Procedure shall be available to such employees only to contend that they had not participated or engaged in such prohibited conduct.

Each member shall serve at the pleasure of the appointing party, and may be replaced from time to time. ## ARTICLE 9 GRIEVANCE PROCEDURE

#### **Section 9.1.** Grievance Defined.

- A. A grievance is defined as being any dispute or controversy between an employee or the Labor Council and the City involving:
  - 1. The interpretation, application, or claimed violation of any of the provisions of this Agreement.
  - 2. The discipline of any Bargaining Unit Member; or
  - 3. The reasonableness of application of any work rule established and enforced by the City.
- B. A group grievance is a grievance as defined in Paragraph A above, which uniformly affects a group of employees. The group will be comprised of only those bargaining unit members who sign the grievance when it is first presented in writing.
- C. Grievances involving the equivalent of verbal and written reprimands may be grieved up to the City Manager, but are not subject to the arbitration procedure.
- D. Grievances involving lost time, lost pay or demotion shall be submitted directly to Step Three.

Section 9.2. Jurisdiction. Nothing in this section is intended to deny a Bargaining Unit Member or the Labor Council any rights available at law to achieve redress of their legal rights. However, suspensions, reductions in rank, and discharges are subject to this Grievance and Arbitration Procedure and may not be the subject of a civil service appeal. Once the bargaining unit member or the Labor Council elects a remedy through some other official body (and that body takes jurisdiction), they are thereafter denied the remedy of the Grievance Procedure provided herein. However, to the extent a grievable grievance matter is or can be made the subject of a related SERB unfair labor practice charge, the parties agree that deferral to arbitration will in all cases be the preferred remedy in that the resolution of the matter through arbitration will serve as the sole exclusive remedy.

Section 9.3. Procedure. All employees will make an earnest and honest effort to settle differences and disputes with their immediate supervisor without filing a grievance. In the event that an agreement cannot be reached, then the following steps shall be taken with respect to any grievance. Grievances will be settled at the earliest possible step of the procedure. Any grievance not initiated or taken to the next step within the time limits specified herein will be considered to be resolved. Any answer to a grievance that has not been timely filed shall permit the Labor Council to appeal the grievance to the next higher step in the grievance process. Time limits for invoking the next higher step in the grievance procedure shall commence on the date the grievance answer is due. The Bargaining Unit Member must proceed through all steps of the grievance procedure in a proper order and within the prescribed time limits, except as otherwise

provided in this procedure. A grievant may have a Labor Council representative, or may waive the right to have one present at any step of the procedure.

Step One:

An employee having an individual grievance will first attempt to resolve it informally with the supervisor whose actions gave rise to the incident. Such attempt at informal resolution shall be made by the employee with or without Labor Council representation, within seven (7) days following the events or circumstances giving rise to the grievance having occurred, or within seven (7) days of when the events or circumstances should have become known to the employee. At this step, there is no requirement that the grievance be submitted in writing. If a supervisor grants a grievance at verbal levels, written acknowledgment of granting such grievance must be furnished. If the employee is not satisfied with the oral response from the supervisor, which shall be given within three (3) days of the submission of the grievance at this step. The grievance may be referred to Step Two of the grievance procedure within five (5) days after receipt of the decision rendered in Step One.

Step Two:

The grievance shall be referred in writing to the Chief of Police, or the Chief's designee who will hold a grievance hearing and reply in writing within seven (7) days after the hearing. If the Bargaining Unit Member is not satisfied with the written answer of the Chief of Police, the grievance may be referred to Step Three of the grievance procedure within five (5) days after receipt of the decision rendered in Step Two.

Step Three:

If the grievance is not resolved in Step Two, it may then be appealed by the employee to the City Manager. Within seven (7) days, a mutually agreeable date shall be scheduled for said hearing. Each party may have a representative and any necessary witness present for the hearing. The City Manager (or designated representative) will answer the grievance within seven (7) days after the hearing has concluded. If the City fails to reply within the above time limit, the grievance may be referred to the next step by the Labor Council within seven (7) days.

Step Four:

If the grievance is not satisfactorily resolved at Step Three, the grievance may be appealed by the Labor Council to arbitration pursuant to the terms of this Step Four.

- A. Notice of the appeal to arbitration must be served on the City Manager in writing within twenty-one (21) calendar days after the written answer was given at Step Three. Either party, within ten (10) calendar days thereafter, may request a panel of nine (9) arbitrators from the Federal Mediation and Conciliation Service (FMCS), or other similar service. The parties shall alternately strike the names of arbitrators until only one (1) name remains. Each party has the right to reject one submitted panel and request another. The parties may, by mutual agreement, select an arbitrator without requesting a panel from the FMCS or other similar service. A date for arbitration shall be set in accordance with the wishes of the parties and the availability of the arbitrator.
- B. The Arbitrator shall have no authority to add to, subtract from, modify or amend any of the terms of this Agreement or addendum to this Agreement. The Arbitrator shall have no authority to rule on anything that

happened before the effective date of this Agreement, or after the expiration of this Agreement. The Arbitrator shall promptly hear the matter and shall issue a decision within sixty (60) calendar days from the close of the hearing or the submission of post-hearing briefs; whichever is later, unless the parties grant additional time.

- C. The decision of the Arbitrator shall be final and binding on the City, the Labor Council, and all persons, subject to appeal as provided by law.
- D. The City and the Labor Council shall each bear its own expenses in any arbitration. The expenses of the arbitrator shall be shared equally by the parties.
- <u>Section 9.4.</u> <u>Extensions of Time.</u> Upon the mutual agreement of the parties expressed in writing, the time limits set forth in this Article may be extended or the steps herein waived. All time periods cited in this article shall be interpreted to exclude Saturdays, Sundays, and legal holidays. Except as otherwise expressly provided "days" as listed in this procedure shall be working days for the moving person at each step.

<u>Section 9.5.</u> <u>Content of Grievances.</u> All written grievances must contain the following information on a Labor Council Grievance Form to be considered.

- A. Aggrieved employee's name and signature.
- B. Date grievance was first discussed and name of the supervisor with whom the grievance was discussed.
- C. Date grievance was filed in writing.
- D. Date and time grievance occurred.
- E. Location where the grievance occurred.
- F. A brief description of the incident, giving rise to the grievance.
- G. The specific sections of this Agreement which are alleged to have been violated, misinterpreted or misapplied.
- H. Desired remedy to resolve the grievance.

### ARTICLE 10 INVESTIGATIONS, INTERVIEWS AND DISCIPLINE

<u>Section 10.1.</u> <u>Purpose.</u> The purpose of this procedure is to outline the process to be followed in the handling of an investigation dealing with complaints or misconduct by employees of the Police Division.

<u>Section 10.2.</u> <u>Police Investigations Procedures.</u> The City will use the existing chain of command structure to clarify complaints or allegations regarding members of the Police Division. In general, unless a special Grand Jury has been convened, the Police Division will be

used to investigate complaints or allegations against employees unless the Chief of Police defers to other qualified law enforcement agencies. Any criminal investigation will first be prefaced by a review of the complaint or allegation by the Chief of Police.

#### Section 10.3. Internal Investigations.

- A. Employees shall be notified in writing at the beginning of a formal internal investigation unless such notification would jeopardize such investigation.
- B. Employees will be paid for the time during which they are being interviewed. The interviews will be held at the Police Division, or at a location designated by the Chief of Police. An employee will be permitted to have a Labor Council representative and/or legal counsel present during an interview, should the employee feel such interview could lead to discipline.
- C. The employee shall be informed of the nature of the investigation prior to questioning and shall be informed to the extent known at that time, whether the investigation is focused on the member for potential disciplinary charges.
- D. The Chief of Police shall be updated in writing every forty-five (45) days an investigation is still open. The Chief of Police shall report the status of such investigations to the Labor Council within three (3) days.
- E. When the City orders an employee to provide information in an investigation, such information may not be used in any criminal proceedings against the employee. Such information may be used by the City in taking action and in defending such action with respect to discharge or discipline of the employee. Before an employee may be charged for refusal to answer questions or participate in an investigation, the employee shall be advised that refusal to answer such questions or participate in such investigation may be the basis of such a charge, in itself.
- F. An employee may be required, at City expense, to undergo alcohol and/or substance abuse testing in accordance with Article 14 of this Agreement, and/or a fitness for duty evaluation, which may include both physical and mental fitness.
- G. The accused employee being interviewed shall not be subject to offensive language or threatened with transfer, dismissal or disciplinary action. No promise or reward shall be made as an inducement to answer any questions.
- H. An employee may be given a polygraph examination or a voice stress examination if the Chief of Police has reason to believe the employee is a witness to an incident or occurrence being investigated; at the employee's written request directly to the Chief of Police; or if the employee is a focus of an investigation specifically related to the performance of the employee's official duties. An employee shall not be disciplined based solely on the results of such examination.
- I. An employee, who has been under investigation, will be informed of the outcome of the case within seven (7) days following the conclusion of the investigation, culminating with the concurrence of the Chief of Police.

#### Section 10.4. Discipline.

- A. No employee shall be disciplined, reduced in pay or position, suspended, or discharged, without just cause. The City agrees to begin the disciplinary process within ten (10) calendar days of receipt of knowledge of any act requiring discipline or within ten (10) calendar days of the conclusion of an investigation that results in discipline. The time limits for commencing discipline shall be extended in cases of pre-approved vacation and leave days. Documented warnings and reprimands that do not involve a reduction in pay or position, suspension, or discharge are not appealable to binding arbitration.
- B. The principles of progressive disciplinary action normally shall be followed with respect to minor offenses. It shall be corrective in nature, and applied in a uniform manner. Normal progressive discipline shall consist of, but not be limited to, a documented verbal warning, written warning, written reprimand, short-term unpaid suspension [one (1) to ten (10) days], a long-term unpaid suspension, (more than ten (10) days), reduction in rank and discharge. A letter of counseling will be considered pre-disciplinary in nature, and will not be subject to the grievance procedure.
- C. The City may take disciplinary action deemed necessary by the circumstances on a case-by-case basis.
- D. The City agrees not to suspend without pay, demote or discharge an employee without first conducting a hearing. The hearing will be held among the City, the employee, and a Labor Council representative if the employee so desires. A copy of the charges will be sent to the employee not less than three (3) working days prior to the date of the hearing.
- E. In cases where a suspension of ten (10) days or less has been imposed on a bargaining unit member, the City may offer the member the option to forfeit accrued compensatory time or vacation leave. If such an offer is made and accepted, the forfeiture shall be one (1) hour of accrued compensatory time or vacation leave, for each hour of proposed suspension. The forfeiture of leave shall constitute disciplinary action of record the same as though the suspension had been served and shall be placed in the employee's personnel file. The forfeiture of leave shall constitute the final resolution of the divisional charges, and once accepted by the bargaining unit member, forfeiture of accrued leave is not subject to further appeal through the grievance procedure or otherwise.
- F. No public disclosure shall be initiated by the City of any disciplinary action taken or proposed against a Bargaining Unit Employee unless and until criminal charges have also been filed. Nothing in this section shall preempt and/or violate State or Federal law.
- G. The Labor Council recognizes that the Employer may take disciplinary action for actions occurring while the employee is working off-duty details, while wearing the uniform of the Employer, or while off duty representing themselves as an employee of the Employer.

#### Section 10.5. Effect of Disciplinary Action.

Such access to personnel records shall be within a reasonable time of said request. Such request shall not interfere with the employee's regularly scheduled working hours. Review of the records shall be made in the presence of the Chief of Police or the designated representative.
- <u>Section 11.2.</u> <u>Copies of Personnel Records.</u> An employee may copy documents in that employee's personnel records. The City may, at its discretion, charge reasonable copying cost to the employee for requested copies furnished to the employee.

To the extent allowed by State or Federal Law and by State or Federal Court Decisions, personnel records shall be considered as public records. Whenever a request for disclosure of a personnel record is made by a member of the public, notice of such request and the identity of the requestor, will be given to the affected employee(s). The employee may request a meeting with the keeper of the records to discuss any appropriate reason some records should not be released. In the event that the employee believes that some of the records should not be released, it shall be the responsibility of the employee to notify the Chief of Police or the City Manager of the concern. No personal family information shall be released to anyone except as may be required by law or ordered by a court.

### ARTICLE 12 SENIORITY

#### **Section 12.1. Definition.**

A. <u>City Seniority</u>. City seniority shall mean an employee's length of continuous service with the City, based on the employee's most recent date of hire with the City. City seniority shall be the basis for such benefits as accumulation of sick leave, vacation accrual, and/or other cumulative monetary fringe benefits based on length of service.

- B. <u>Bargaining Unit Seniority.</u> Bargaining Unit seniority shall mean an employee's length of continuous service in the Bargaining Unit classification based on the original date of appointment in the division or transfer into the division.

Seniority shall not be broken by approved leaves of absence or suspensions. Employees who are employed on the same date shall be placed on a seniority roster in alphabetical order of surnames.

Section 12.2. Seniority List. The Employer will maintain an up-to-date seniority list. A copy of the seniority list will be posted on the appropriate bulletin board each year or when updated whichever is less. The names of all employees shall be listed on the seniority list in order of their last hiring date, and the date of entry into the division, starting with the senior employee at the top of the list. The City shall furnish a copy of the seniority list to the Labor Council when it is published.

A. The employee shall be on job probation in the promoted rank for a period of six (6) months. The purpose of the job probation is to give the City an opportunity to observe the employee at work in such classification and to form an opinion as to whether the employee has the ability, knowledge and skills required to satisfactorily perform the job duties. During the job probation, the employee may be demoted at any time the

employee demonstrates the inability to satisfactorily perform the requirements of the job, or at the employee's request. If so demoted, the employee shall be returned to the last previous rank the employee permanently occupied. Such demotion is specifically excluded from the grievance procedure.

B. If an employee is not in active pay status during any period of time during the probationary period, then the time of such leave or inactive status is not counted as part of the probationary period. For the purpose of extending the probationary period, any leave of less than six (6) workdays will not be considered.

### ARTICLE 14 SUBSTANCE TESTING

**Section 14.1. Purpose of Policy.** The purpose of this policy is to assure employees are fit for duty and to protect our employees and the public from the risks posed by the use of drugs and alcohol.

The presence of drugs and alcohol on the job, and the influence of these substances on employees during working hours, are inconsistent with the objective to maintain a drug and alcohol-free workplace. To further our commitment of maintaining a drug and alcohol-free workplace in order to provide a safe work environment for employees and safe service delivery to the public, it is our policy to:

- A. Ensure that employees are not impaired in their ability to perform their work in a safe, productive manner,
- B. Conduct pre-employment, reasonable suspicion, and post-accident drug and alcohol testing, and
- C. Encourage employees to seek professional assistance any time alcohol or drug use adversely affect their ability to perform their work assignments.

<u>Section 14.2.</u> <u>Employees Covered.</u> This policy applies to all employees covered by this agreement.

### **Section 14.3. Prohibited Conduct.**

- A. "Alcohol" means the intoxicating agent in beverage alcohol, ethyl alcohol, or other low molecular weight alcohols including methyl and isopropyl (rubbing) alcohol. Employees must not consume alcohol:
  - 1. On the job, during hours of work, during city meal periods (paid or unpaid), or during city rest periods, or
  - 2. Up to four (4) hours following an accident or until the employee undergoes a post-accident test, whichever occurs first.
- B. Alcoholic beverages may be served at City-organized and hosted functions only with the express written consent of the City Manager (or designee). Employees working at the function are not to consume alcoholic beverages while on duty. Employees in approved

- social attendance at functions where alcohol is served may consume alcoholic beverages so long as this is done in proper moderation and with decorum.
- C. "Controlled substance" means those substances identified as such in Schedules I through V of Section 202 of the Controlled Substance Act (21 U.S.C. 812) and as further defined by 21 CFR 1300.11 through 1300.15. Employees must not consume any controlled substance without a prescription from a licensed doctor of medicine or osteopathy. This includes: marijuana, amphetamines, opiates, phencyclidine (PCP), and cocaine.
- D. Employees must not refuse to take a required drug or alcohol test. Refusal to take a test will be considered a positive test for purposes of this policy.
- E. Employees must not be under the influence of or in possession of alcohol or drugs while on duty (except authorized, duty-related possession) and must not carry/store drugs or alcohol in any vehicle in which they are a passenger while on duty.
- F. The unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the City of Huber Heights workplace. An employee convicted of violating a criminal drug statute in the workplace must notify the Human Resources Director no later than five (5) days after such conviction. The Human Resources Director will notify the U.S. Division of Commerce of the criminal violation within ten (10) days.

<u>Section 14.4.</u> <u>Legal Drugs.</u> The appropriate use of legally prescribed medications and non-prescription medications is not prohibited. Employees are required to notify their supervisor prior to the use of any medication which may adversely affect their ability to perform their job. In such case, the employee may be assigned to perform work that can be safely performed while using such medication or placed on paid sick or other paid or unpaid leave. If reasonable suspicion exists that an employee is under the influence of an illegal substance or alcohol, a reasonable suspicion test will be conducted. This information should be handled in a confidential manner, the same as any other medical information.

Section 14.5. Drug/Alcohol Testing. Drug/alcohol testing shall be conducted solely for administrative purposes and the results obtained shall not be used in criminal proceedings. Under no circumstances may the results of drug/alcohol screening or testing be released to a third party for use in a criminal prosecution against the affected employee. The City conducts the following types of drug/alcohol testing to determine if employees are in compliance with this policy and associated rules of conduct: pre-employment, reasonable suspicion, and post-accident. In addition, employees are tested prior to returning to duty after a positive drug or alcohol test and subject to follow-up testing conducted during the course of a rehabilitation program recommended by a substance abuse professional. A Medical Review Officer (MRO) reviews test results and determines which tests are positive and which are negative.

The City shall test for the following drugs: marijuana, amphetamines, opiates, phencyclidine (PCP), cocaine, barbiturates, benzodiazepines, methadone, methaqualone, and propoxyphene. An initial drug screen is conducted on each specimen. For those specimens that are not negative, a confirmatory gas chromatography/mass spectrometry (GC/MS) test is performed. The test is considered positive if the amounts present are above the minimum thresholds established in 49 CFR Part 40.

An alcohol concentration of .03 percent or greater is considered a positive alcohol test, and in violation of this policy.

If a drug or alcohol test produces a positive result, the City may take such actions as authorized in Section 14.6 herein. Sick leave and/or other paid leave may be used while participating in a rehabilitation program. Otherwise, the employee will be placed on leave without pay until return to work following a negative alcohol/drug test and authorization by the SAP.

- A. <u>Pre-Employment Testing.</u> The City of Huber Heights performs drug and alcohol testing on potential employees after a conditional offer of employment.
- B. **Reasonable Suspicion Testing.** Reasonable suspicion that an employee used or is using a controlled substance or alcohol in an unlawful or abusive manner may be based upon, but not limited to:
  - 1. Observable phenomena, such as direct observation of drug or alcohol use or possession and/or the physical symptoms of being under the influence of a drug or alcohol;
  - 2. A pattern of abnormal conduct or erratic behavior;
  - 3. Conviction for a drug or alcohol-related offense, or the identification of an employee as the focus of a criminal investigation into illegal drug or alcohol possession, use, or trafficking. The employee is responsible for notifying the City, within five (5) days, of any drug-related conviction;
  - 4. Information provided by reliable and/or credible sources or independently corroborated regarding an employee's substance abuse;
  - 5. Evidence that an employee had tampered with a previous drug test, and
  - 6. Facts or circumstances developed in the course of an authorized investigation of an accident or unsafe working practice.

The City representative must make a written record of the observations leading to a drug or alcohol test within twenty-four (24) hours of the observed behavior or before the test results are reported, whichever is earlier.

Any employee who demonstrates job performance impairments consistent with reasonable suspicion characteristics shall be relieved of duty with pay pending an investigation and testing of condition. In such case the employee shall be transported by City personnel to the sample collection location and to the employees' home. Employees with a negative drug test and/or alcohol test below .03 will be returned to duty if not otherwise in violation of this policy. Testing under this section may be for drugs or alcohol or both.

C. <u>Post-Accident Testing.</u> Post-accident testing will be conducted on employees whenever an accident occurs, regardless of whether there is an injury. An "accident" is an unplanned, unexpected or unintended event that occurs on City property, during the conduct of City business, during work hours, or which involves a City motor vehicle or

motor vehicles used in conducting City business, or is within the scope of employment, and which results in any of the following:

- 1. A fatality of anyone involved in the accident; or
- 2. Bodily injury to the employee and/or another person that requires off-site medical attention away from the City's place of employment; or
- 3. Vehicular damage in apparent excess of \$2,000, or
- 4. Non-vehicular damage in apparent excess of \$2,000.

When such an accident results in one of the situations above, any employee who may have contributed to the accident will be tested for drugs or alcohol use or both.

- Drug/Alcohol Testing After an Accident. Urine specimen collection (for drugs) or D. breath/saliva collection (for alcohol) is to occur as quickly as possible after a need to test has been determined. At no time will a urine specimen be collected after sixteen (16) hours from the time of an employment-related accident. Breath or saliva alcohol testing will be performed as quickly as possible, but no later than four (4) hours after the accident, or it will be documented but not performed. If the employee responsible for an employment-related accident is injured, it is a condition of employment that the employee grant the City the right to request that attending medical personnel obtain appropriate specimens (breath or urine) for the purpose of conducting alcohol and/or drug testing. Further, all employees grant the City access to any and all other medical information that may be relevant in conducting a complete and thorough investigation of the employmentrelated accident including a full medical report from the examining physician(s) or other health care providers. A signed consent to testing form is considered a condition of employment. Any employee involved in an accident must refrain from alcohol use for four (4) hours following the accident, or until the employee undergoes a post accident alcohol test. Any employee who leaves the scene of an accident without justifiable explanation prior to submission to drug and alcohol testing is considered to have refused the test. The City reserves the right to determine who may have caused or contributed to an employment-related accident and may choose not to test after minor accidents if there is no violation of a safety or work rule, minor damage and/or injuries and no reasonable suspicion.
- E. <u>Return-To-Duty Testing.</u> Any employee who has tested positive on a drug and/or alcohol test, and who was afforded the opportunity to return to work, must test negative for drugs and/or alcohol and be evaluated and released to duty by the Substance Abuse Professional before returning to work.
- F. Follow-Up Testing. Any employee who has tested negative on a return-to-duty drug and/or alcohol test and been returned to duty shall be required to undergo frequent unannounced drug and alcohol testing during the period of time recommended by the Substance Abuse Professional. A maximum of four (4) follow-up tests shall be conducted within the twelve (12) months following the violation, which period may be extended up to one (1) additional year. Employees subject to follow-up testing will continue to perform their duties if not otherwise in violation of this policy.

- G. Who Pays for Testing. The City shall pay for all reasonable suspicion, post-accident, return-to-duty, and follow-up drug and alcohol tests for employees. Employees shall reimburse the City through payroll deduction for all employee-requested confirmatory tests.
- H. Refusal to Submit to Testing. A refusal to comply with a request for testing, submission of false information in connection with a test, or any attempt to falsify test results through tampering, contamination, adulteration, or substitution, shall be considered a refusal to submit to testing and will be treated the same as a positive test result. Refusal shall include an inability to provide a specimen or breath sample without a valid medical explanation, as well as a verbal declaration, obstructive behavior, or physical absence resulting in the inability to conduct the test.

Section 14.6. <u>Drug/Alcohol Treatment.</u> Employees who have completed probation and who test positive for the presence of illegal drugs or alcohol will be referred to a Substance Abuse Professional (SAP) for evaluation. An SAP is a licensed or certified physician, psychologist, social worker, employee assistance professional, or addiction counselor with knowledge of, and clinical experience in, the diagnosis and treatment of drug and alcohol-related disorders. The SAP will evaluate the employee to determine what assistance, if any, the employee needs to resolve problems associated with prohibited substance abuse or misuse of alcohol.

Under certain circumstances, including a positive drug and/or alcohol test, an employee may be required to undergo treatment for substance abuse. After the employee's return to duty after such evaluation and/or treatment, the employee must follow the rehabilitation program prescribed by the SAP, pass a return-to-duty drug and alcohol test(s), and be subject to unannounced follow-up tests for a period of at least one (1) year as determined by the SAP or as required by applicable law. Any employee who refuses treatment when required, or fails to comply with the regimen prescribed by the SAP for treatment, aftercare, or return-to-duty, shall be subject to disciplinary action, up to and including termination of employment.

Section 14.7. Employee-Requested Confirmation Testing. An employee who questions the results of a required drug test may request that an additional test be conducted at a different USDHHS-certified laboratory. The test must be conducted on the split sample that was provided at the same time as the original sample. The cost of the second test will be borne by the employee, unless the second test invalidates the first.

The method of collecting, storing, and testing the split sample will follow Division of Transportation guidelines. The employee's request for a split sample test must be made to the Medical Review Officer (MRO) within seventy-two (72) hours of notice of the initial test result. Requests after seventy-two (72) hours will be accepted only if the delay was due to document able facts that were beyond the control of the employee.

Section 14.8. Confidentiality. Positive and confirmed laboratory reports or test results shall not appear in an employee's general personnel folder. Information of this nature will be secured in a separate confidential medical folder in the Division of Human Resources. The reports or test results may be disclosed to the City Manager and Chief of Police and shall be disclosed to the tested employee. The City may disclose information required to be maintained pertaining to an employee to the employee or to the decision maker in a lawsuit, grievance, or other proceeding initiated by or on behalf of the individual and arising from the results of an alcohol and/or controlled substance test administered under this part, or from the employer's determination that

the employee engaged in prohibited conduct (including, but not limited to, a worker's compensation, unemployment compensation, or other proceeding relating to a benefit sought by the employee).

### ARTICLE 15 LAYOFF AND RECALL

- <u>Section 15.1.</u> <u>Layoff Notification.</u> When the City determines that a long term layoff or job abolishment is necessary, they shall notify the affected employees thirty (30) calendar days in advance of the effective date of the layoff or job abolishment. Employees will be notified of the Employer's decision to implement any short-term layoff, lasting seventy-two (72) hours or less, as soon as possible.
- Section 15.2. Layoff. The City shall determine in which classifications layoffs will occur and layoffs of bargaining unit members will be by classification. Within the police division, provisional employees shall be laid off first followed by part-time employees and then probationary employees. Bargaining unit members shall be laid off within each classification in order of divisional , beginning with the least senior and progressing to the most senior up to the number of bargaining unit members that are to be laid off. When an employee is removed from a classification within the Division as a result of a layoff, the employee may be allowed to bump the least senior employee in the next lowest-payment classification as provided by rank seniority, providing the employee can perform the available work.
- <u>Section 15.3.</u> <u>Recall.</u> The City shall create a recall list for each classification with layoffs for a period of twenty-four (24) months or for the bargaining unit member's length of seniority, whichever is less. The City shall recall bargaining unit members according to seniority, beginning with the most senior employee in the classification and progressing to the least senior employee up to the number of employees to be recalled.
- <u>Section 15.4.</u> <u>Recall Notification.</u> Notice of recall shall be sent to the bargaining unit member by certified mail. The City shall be deemed to have fulfilled its obligation by mailing the recall notice by certified mail, return receipt requested, to the last address provided by the bargaining unit member.
- <u>Section 15.5.</u> <u>Time Limits.</u> The recalled bargaining unit member shall have fourteen (14) calendar days following the date of mailing of the recall notice to notify the City of the member's intention to return to work, and shall have twenty-one (21) calendar days following the mailing date of the recall notice in which to report for duty, unless a later date for returning to work is otherwise specified in the notice.
- <u>Section 15.6.</u> <u>Recall Probationary Period.</u> Recalled bargaining unit members shall not serve a probationary period upon reinstatement, except that employees serving a probationary period at layoff shall be required to finish such probationary period.

### ARTICLE 16 RULES AND REGULATIONS

Section 16.1. Rules, Regulations, Policies and Procedures. The City agrees that Rules, Regulations, Policies and Procedures of the Police Division shall be furnished to all members of the bargaining unit in written form.

The Chief of Police agrees under normal circumstances to notify the Labor Council of any new or amended rules and regulations or general orders prior to their general issuance and upon request to discuss the matter with the Labor Council prior to general issuance thereof.

The Rules, Regulations, Policies and Procedures shall be applied and interpreted consistently by the City, taking into consideration the facts and circumstances of each situation in which they are applied and interpreted.

The City shall retain the sole right to establish, change, amend, and enforce rules for employees to follow; and the right to warn, reprimand, transfer, suspend, demote or discharge, any and all employees who violate these rules. The Labor Council retains the right to grieve the reasonableness of the City's action. The City also may issue or establish reasonable regulations or general orders not in conflict with this Agreement.

# ARTICLE 17 PROMOTIONS

**Section 17.1. Eligibility** When a vacancy occurs in the Deputy Chief classification, the vacancy shall be posted and employees in the classification of Lieutenant who are interested in filling the vacancy will be offered an interview for the position along with any other candidates who apply.

### ARTICLE 18 HOURS OF WORK AND OVERTIME

**Section 18.1. Intent.** This Article is intended to define the hours of a workday, hours of a workweek, and to define the basis for the calculation of overtime.

<u>Section 18.2</u>. <u>Work Day, Work Week and Overtime</u>. Bargaining unit members working an eight (8) hour per day schedule shall be paid for all time worked in excess of the scheduled work day in any twenty-four (24) hour period computed on the basis of one and one-half (1-1/2) times their regular hourly rate of pay. The term "hours worked" for overtime purposes shall include all hours during which the Bargaining Unit Member is in paid status.

For purposes of compliance with the Fair Labor Standards Act, the City shall pay overtime for all hours actually worked over one hundred seventy-six (176) in any twenty-eight (28) day period in accordance with the Act. For purposes of compliance with the Article, the City shall comply with this Article. The calculation of overtime shall not be "compounded", therefore, to the extent that overtime is paid based on a daily basis, such payment shall be credited against any overtime due based upon a twenty eight (28) day period.

<u>Section 18.3.</u> <u>Compensatory Time.</u> In lieu of receiving overtime premium pay, an employee may elect to receive compensatory time off in lieu of the overtime payment. An employee shall

elect to be paid the overtime premium or receive compensatory time off at the time the overtime hours are actually worked. Compensatory time off will be scheduled with the approval of the Chief of Police (or designee). Compensatory time off shall be granted on the basis of the overtime rate applicable for each overtime hour actually worked. Compensatory time off will be granted in half hour (1/2) hour increments or more. Partial increments will be "rounded up" to the next complete half (1/2) hour. (For example, forty-five (45) minutes will be "rounded" to one (1) hour and twenty (20) minutes will be "rounded" to one half (1/2)-hour). Compensatory time off may be accumulated to a maximum of eighty (80) hours.

Upon separation from service for any reason, members shall be paid at their current rate of pay for accumulated hours of compensatory time. When a member dies while in paid status in the City service, any unused compensatory time to the member's credit shall be paid in a lump sum to the surviving spouse or the estate of the deceased.

Employees in the bargaining unit may cash-out or receive pay in lieu of time off for accumulated compensatory time. Employees must cash-out time in increments of eight (8) hours, and may only cash out compensatory time one time each calendar year during the first pay period in November of each year. Employees in the unit may cash out up to six (6) days – forty eight (48) hours.

<u>Section 18.4.</u> Schedules. A work schedule shall be posted at least two (2) weeks in advance of its effective date covering a minimum of thirty (30) calendar days indicating the normal workdays of every member of the bargaining unit.

Changes may be made in the posted shift schedule by the Chief of Police as may be required to meet the needs of the Police Division. The City agrees to schedule the changing of shifts in such a manner so that an officer will not be required to work two (2) consecutive eight (8) hour shifts.

Section 18.5. Temporary Transfers. The City shall have the right to temporarily transfer employees within the Bargaining Unit, irrespective of their seniority status, from one job classification to another to cover the employees who are absent from work due to illness, accident, vacations, or leaves of absence for the period of such absences. It is understood and agreed that any employee within the unit temporarily transferred in accordance with the provisions of this section shall not acquire any permanent title or right to the job to which the employee is temporarily transferred, but shall retain seniority in the permanent classification from which the employee was transferred. A temporarily transferred employee shall receive the higher classification rate of pay for each full day the employee performs the function of the higher classification.

### ARTICLE 19 COMPENSATION

If the employee is notified that the call-in is cancelled before arriving at the location, the employee shall be paid for a minimum of two (2) hours at one and one-half (1-1/2) times the employee's rate of pay.

Court time on an employee's scheduled day off shall be a minimum of four (4) hours at one and one half (1-1/2) times the employee's hourly rate of pay. If the scheduled overtime, as outlined above, overlaps the officer's regularly scheduled duty time, the employee will only be eligible for overtime compensation for that time not on duty. If the scheduled overtime, as outlined above, begins one-half (1/2) hour or less after the officer's regular shift, the officer shall only be paid for the actual time worked. A Divisional vehicle will be provided for employee's attending out of town training sessions. If no vehicle is available, employees will be reimbursed in accordance with the City's travel policy.

<u>Section 19.4.</u> <u>Supervisor – In- Charge.</u> A bargaining unit member who has been temporarily assigned to perform the duties and assume the responsibilities of a higher classification by the Chief of Police (or designee) shall receive the rate of pay of that classification for all such hours.

Employees who work on a holiday as a scheduled work day shall be paid their regular daily rate of pay for working such holiday. This results in sixteen (16) hours of pay for the employee not scheduled to work, and twenty (20) hours of pay for the employee scheduled to work. Section 21.2. <u>Vacation Carry Over.</u> Year-to year carry-over allowed is equal to the total hours accrued in a calendar year. Vacation amounts in excess of the above to an employee's credit as of December 31 shall be automatically carried over to the following calendar year, but such excess vacation is to be used by March 31 of the following year. Any excess not used by March 31 shall be forfeited, unless the employee is eligible to convert vacation to pay as described in Section 21.5. ### ARTICLE 24 SICK LEAVE

**Section 24.1. Rate of Accrual.** All full-time employees shall be credited with five (5) hours of paid sick leave per pay period.

Failure to promptly notify the City may result in denial of sick leave pay. All sick leave to be so classified shall be subject to approval by the Chief of Police. Employees shall follow proper procedures in filing sick leave forms upon return to work.

<u>Section 24.4.</u> <u>Doctor's Certificate.</u> The Chief of Police (or designee) may require a physician's certificate to be provided to the City's Human Resources Director to confirm the reasons for an absence due to illness or injury or for verification of the fact that the employee is able to return to work. <u>Section 24.5.</u> <u>Medical Appointments.</u> To the extent possible, employees should schedule dental, optical or medical appointments during off duty hours. However, when this is not possible and in the judgment of the Chief of Police an employee can be spared from work, the employee shall be given the time off and, at the employee's discretion, either from accumulated compensatory time off or sick leave credits charged therefore.

That employee will then be paid a sum equal to one (1) hour worked, at the employee's regular straight time rate in the pay period prior to the pay period containing the date of August 15, 2003, for every three (3) hours banked by the City at the commencement of the Agreement.

The City shall provide a document detailing the amount of hours banked, the rate of pay they will be reimbursed at, and the total they will be reimbursed, immediately after the hours have been deducted from the employee's sick leave bank. A copy of this documentation is to be provided to each affected employee, and a duplicate copy is to be placed in each affected employee's personnel file.

Sick Leave Compensation If, at the end of any given year, an employee has a balance of more than one thousand two hundred and eighty five (1285) hours of accrued but unused sick leave, the hours in excess of one thousand two hundred eighty five (1285) will be converted into a cash payment. Each employee who has accumulated more than one thousand two hundred eighty five (1285) hours and has no more than four (4) occurrences of sick leave, will be paid a sum equal to one hour worked, at the employee's regular straight time rate, for every two (2) hours accumulated in excess of one thousand two hundred eighty five (1285) hours. Each employee who has accumulated more than one thousand two hundred eighty five (1285) hours, and has more than four (4) occurrences of sick leave, will be paid a sum equal to

one hour worked, at the employee's regular straight time rate, for every three (3) hours accumulated in excess of one thousand two hundred eighty five (1285) hours. Upon retirement, under the State of Ohio Police and Firefighter Pension Fund system, an employee's sick leave balance will be converted into cash payment. Each employee will be paid according to the following schedule:

- A. For accumulated sick leave hours one (1) through three hundred fifty seven (357), the employee will be paid a sum equal to one (1) hour worked, at the employee's regular straight time rate, for every four (4) hours of accumulated sick leave.
- B. For accumulated sick leave hours three hundred fifty eight (358) through seven hundred fourteen (714), the employee will be paid a sum equal to one (1) hour worked, at the employee's regular straight time rate, for every three (3) hours of accumulated sick leave.

- D. For accumulated sick leave hours in excess of one thousand seventy one (1071), the employee will be paid a sum equal to one (1) hour worked, at the employee's regular straight time rate, for every one (1) hour of accumulated sick leave.

Upon an employee being granted a permanent and total disability from OP&F, that employee is eligible to receive a cash payment for unused sick leave hours according to the following schedule:

- A. For accumulated sick leave hours one (1) through three hundred fifty seven (357), the employee will be paid a sum equal to one (1) hour worked, at the employee's regular straight time rate, for every one (1) hour of accumulated sick leave.
- B. For accumulated sick leave hours three hundred fifty eight (358) through seven hundred fourteen (714), the employee will be paid a sum equal to one (1) hour worked, at the employee's regular straight time rate, for every three (3) hours of accumulated sick leave.

Section 24.9. Active Duty Death Upon death of an employee, the spouse (if there is no spouse, then the deceased employee's estate) will be paid in one lump sum for all accumulated but unused sick leave. Such payment will be at the rate of one hundred percent (100%) at the employee's regular straight time hourly rate at the time of death. Any "bank" established under Section 24.7. shall also be paid out under this Section; per the formula contained in Section 24.7 above.

Sick Leave Abuse. The City reserves the right to investigate all usage of sick leave, and may hold full payment of sick leave until said investigation is completed. Should the City determine that an employee has not used sick leave in accordance with the above rules and regulations, payment may be denied and discipline may be meted out in accordance with the severity of any abused sick leave benefits. After four (4) instances of sick leave during a calendar year, the use of sick leave requires approval of the Chief of Police on a case-by-case basis. Employees granted approval for sick leave in excess of this limit are not eligible for voluntary overtime assignments during the pay period during which the sick leave was granted.

Any bargaining unit member injured in the line of duty will file a written accident or injury report with the Chief of Police or the Chief's designee within twenty-four (24) hours of the incident or as soon as the bargaining unit member is physically able to do so. Failure, without good cause, of a bargaining unit member to comply with this section may be grounds for the City to deny wage continuation leave or supplemental benefits. Any employee claiming a service-connected illness or injury under this Article shall file an application with the Ohio Bureau of Worker's Compensation (BWC). In the event the claim is denied by Worker's Compensation, the employee shall be charged with sick leave and/or vacation for all time paid by the City for the wage continuation claim. An employee who applies for wage continuation will apply to BWC for medical benefits only and not lost income benefits. The employee may apply for lost income benefits toward the end of the wage continuation if it is known that the absence will continue beyond the paid wage continuation. Recurring injuries do not qualify employees to receive wage continuation pay beyond the allowable seven hundred twenty (720) work hours provided at the time of the initial work connected injury date. During the first twelve (12) weeks following the conclusion of the paid leave, the employee may utilize sick or vacation time to supplement the workers' compensation benefits.

### **Agenda Item Description or Legislation Title**

An Ordinance To Approve An Economic Development Plan And To State That The City May Hereafter Proceed With Approval Of A Tax Increment Financing Incentive District. (first reading)

#### **Purpose and Background**

The purpose of this Economic Development Plan (this "Plan") is to satisfy the requirement of Section 5709.40(B) of the Ohio Revised Code, which affirms the legislative authority of a municipal corporation, by ordinance, may declare improvements to certain parcels of real property located in the municipal corporation to be a public purpose. Improvements with respect to a parcel that is used or to be used for residential purposes may be declared a public purpose under this division only if the parcel is located in a blighted area of an impacted city. This Plan has been developed to continue the efficient and effective development of the City of Huber Heights, Ohio (the "City"). This Plan relates to the remodel and construction of facade improvements and tenant fit out located at 6007 – 6091 Brandt Pike, Huber Heights, Ohio 45424, formerly known as "CR Dayton." The Contractor shall be responsible for hiring and managing the design-build professional services provider as necessary to complete the design (the "Work") for the project.

The property for this development (the "Property") has been targeted for redevelopment for more than five years. The Property remains in a blighted condition and detracts from the image, character, and value of one of the City's most prominent corridors. The project will activate the area with new residents, businesses, and amenities. Additionally, completing this development with a new, multi-unit residential development will stabilize and finalize development in the area. The City is considering the creation of a public purpose improvement Tax Increment Financing (TIF) Incentive District (the "Incentive District") encompassing the proposed urban development. The Incentive District will help to: (1) use quality architecture and design; (2) permit the development of high-quality commercial lease space; (3) enhance the City by providing for public infrastructure improvements necessary for the preservation and advancement of the public health, safety, and well-being; and (4) increase the City's collection of income taxes and, over time, real property taxes.

The collective improvements proposed in association with The Incentive District will improve access, in both ease and safety, to the numerous retail and public amenities located within the Incentive District. The City has determined it necessary and appropriate and in the best interest of the City to provide service payments in lieu of taxes with respect to the proposed Incentive District pursuant to Section 5709.42 of the Ohio Revised Code.

### CITY OF HUBER HEIGHTS, OHIO

# THE MEADOWS DEVELOPMENT PLAN PUBLIC PURPOSE IMPROVEMENT INCENTIVE DISTRICT

August 1, 2023

### The Plan

The purpose of this Economic Development Plan (this "Plan") is to satisfy the requirement of Section 5709.40(B) of the Ohio Revised Code, which affirms the legislative authority of a municipal corporation, by ordinance, may declare improvements to certain parcels of real property located in the municipal corporation to be a public purpose. Improvements with respect to a parcel that is used or to be used for residential purposes may be declared a public purpose under this division only if the parcel is located in a blighted area of an impacted city. This Plan has been developed to continue the efficient and effective development of the City of Huber Heights, Ohio (the "City").

### **Proposed Development**

This Plan relates to the remodel and construction of façade improvements and tenant fit out located at 6007 – 6091 Brandt Pike, Huber Heights, Ohio 45424, formally known as "CR Dayton." The Contractor shall be responsible for hiring and managing the design-build professional services provider as necessary to complete the design (the "Work") for the project.

The property for this development (the "Property") has been targeted for redevelopment for more than five years. The Property remains in a blighted condition and detracts from the image, character, and value of one of the City's most prominent corridors. The project will activate the area with new residents, businesses, and amenities. Additionally, completing this development with a new, multi-unit residential development will stabilize and finalize development in the area.

The current development plans for these projects are contained in <u>Attachment A</u>.

### **Proposed Incentive District**

The City is considering the creation of a public purpose improvement Tax Increment Financing (TIF) Incentive District (the "Incentive District") encompassing the proposed urban development. The Incentive District will help to: (1) use quality architecture and design; (2) permit the development of high-quality commercial lease space; (3) enhance the City by providing for public infrastructure improvements necessary for the preservation and advancement of the public health, safety, and well-being; and (4) increase the City's collection of income taxes and, over time, real property taxes.

### **Public Infrastructure Improvements**

Payments in lieu of taxes collected from the proposed Incentive District will fund public infrastructure improvements necessary to support residential development, including, without limitation, the following improvements:

Phase I Improvements shall include remodel and construction of improvements and tenant fit out located at 6007 – 6091 Brandt Pike, Huber Heights, Ohio 45424. General scope of work includes, but is not limited to updating existing façade of the south building, relocation of

Tenants from the north building to the south building, demolition and removal of the North building, new site concrete, asphalt overlay/sealcoat and new asphalt (see attached Exhibit), liquid membrane coating of the existing metal roof at the south building, replacing exterior storefront and storefront doors at the south building, new roofing for the east walkway resulting from the work on the façade, new LED electrical lighting under canopy, remove and re-install the tenant signage, general and final project site clean-up, punch list, and turnover. The total cost of acquisition, remediation and razing is \$3 million, and is intended to be substantially complete by December 31, 2023.

Phase II Improvements will include all Public Infrastructure Improvements (as the terms are defined in Ohio Revised Code Sections 5709.40) that directly benefit, or that once made will directly benefit, the Incentive District. Phase II Improvements will also include, but not be limited to, excavating, grading, paving, constructing and installing curbs and gutters, public utilities which include water mains, sanitary sewers, and storm sewers, street lighting, sidewalks, bikeways, landscaping, traffic signalization, and also including design and other related cost, any right-of-way acquisition, erosion and sediment control measures, grading and other related work, survey work, soil engineering and construction staking, and in each case, all other costs and improvements necessary and appurtenant thereto, all of which will directly benefit, or that once made will directly benefit the Incentive District.

Phase III Improvements will include the replacement, repair, maintenance, and/or construction of new or existing capital asset amenities located within the Incentive District; or any costs directly associated thereto such as design and other related costs, any right-of-way acquisition, erosion and sediment control measures, grading and other related work, survey work, soil engineering and construction staking, and in each case, all other costs and improvements necessary and appurtenant thereto. The LJB Infrastructure Reliance Study completed in September of 2022, reflects the correlation and interdependence of infrastructure elements, which will better position the city for funding opportunities for the maintenance and expansion of critical services for city residents and businesses. Increased funding for infrastructure allows Huber Heights to better distribute improvements throughout the city, improve service, and attract new developments. For the purposes of this phase, "capital asset" shall have the same meaning as defined within the Ohio Administrative Code. Any and all such replacement, repair, maintenance, and/or construction of new or existing amenities identified as Phase II Improvements must qualify as a capital asset as defined herein.

The collective improvements proposed in association with The Incentive District will improve access, in both ease and safety, to the numerous retail and public amenities located within the Incentive District. The City has determined it necessary and appropriate and in the best interest of the City to provide service payments in lieu of taxes with respect to the proposed Incentive District pursuant to Section 5709.42 of the Ohio Revised Code.

### METHODOLOGY

### **BACKGROUND**

The City of Huber Heights commissioned LJB Inc. to conduct a citywide Infrastructure Reliance Study that evaluates critical linkages in the city's roadway, water, wastewater, and stormwater infrastructure. The results of this study will help the city better understand the correlation and interdependence of infrastructure elements, which will better position the city for funding opportunities for the maintenance and expansion of critical services for city residents and businesses. Increased funding for infrastructure allows Huber Heights to better distribute improvements throughout the city, improve service, and attract new developments.

The City of Huber Heights covers 25 square miles with a population of more than 43,000 residents and 800 businesses. The city also includes 233.91 centerline miles of roadways, 210.24 miles of water main, 189.71 miles of sanitary sewer, and 163.81 miles of stormwater infrastructure facilities.

### INFRASTRUCTURE ATTRIBUTE APPROACH

### Infrastructure Districts

Allocation of the city's 45,833 individual infrastructure elements distributed over 25 square miles requires suballocation of districts within the city. The LJB team collaborated with city staff to develop 8 Infrastructure Districts. Most city infrastructure exists within roadway right of way. Right of way for major roadway corridors were selected as borders of the Infrastructure Districts. The city corporation limits were bisected by SR 202 and SR 201 in the north and south direction and by the Montgomery County / Miami County line, I-70, Taylorsville Road and Fishburg Road in the east west directions. These corridors were selected as District borders at various points in the city. **Figure 1**, on the following page, depicts the Infrastructure Districts that are used throughout this study.

The infrastructure facilities identified for evaluation in this study are each linked to the residents and businesses in the city in different ways. For that reason, a different approach was used for the determination of how each of the different infrastructure facility categories provides service to a region of the city. A description of the allocation approach that was used for each asset category is included below.

Mapping of the infrastructure elements attributable to each of the Infrastructure Districts is included in the Appendices of this report. Maps include an overall District Infrastructure Map as well as individual maps for each of the roadway, water, sanitary sewer and stormwater assets for that district.

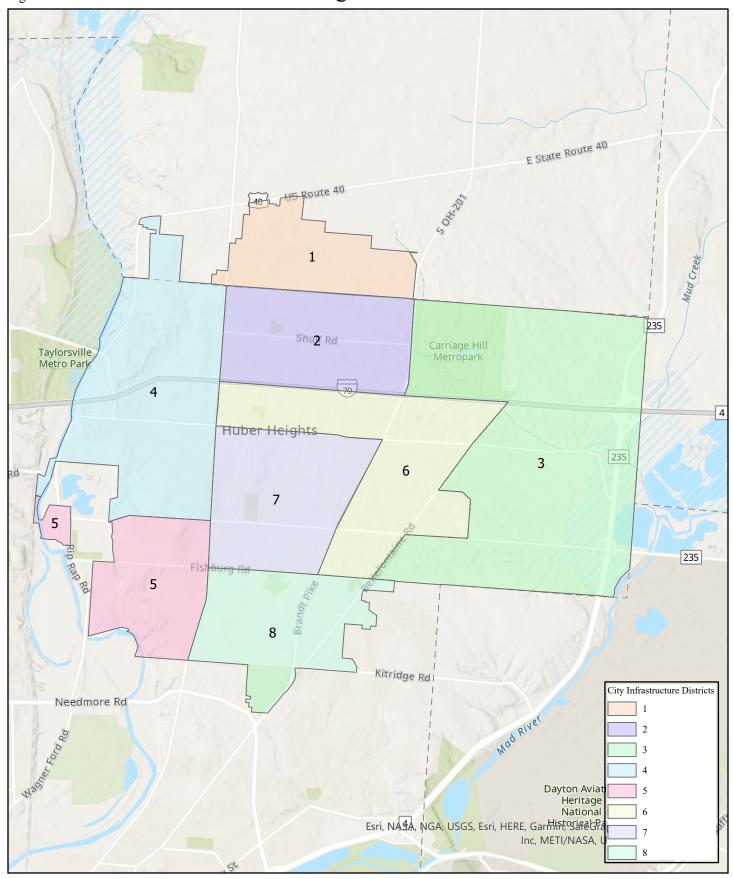

### Roadways

The city's roadway network provides critical access for people and goods to reach homes and businesses throughout the city. These residences and businesses rely on the roadway network to reach points inside and outside the city limits. The primary roadways that carry people and goods to points beyond the city limits are I-70, SR 202 and SR 201. A roadway segment was allocated to an Infrastructure District if it is located within that District or provided a critical, convenient link between residences and businesses within the district to the I-70, SR 202 or SR 201 corridors.

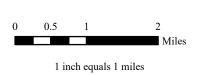

### Clarifications

- > The Ohio Department of Transportation owns and maintains I-70 including grade separated interchanges with State Route 202 (SR 202) and State Route 201 (SR 201). This facility was not allocated to any of the Infrastructure Districts as it is not maintained by the city.
- > US 40 and SR 4 are also significant roadway assets in the region. While the city borders on these facilities, they are not maintained by the city and were not included in the study beyond being destinations beyond the city limits that are connected to the city's primary corridors.

### Water Infrastructure

The city's supply of potable water for residential and commercial use and fire protection throughout the city is a very interconnected system. The entire city relies on the water treatment plant to provide safe water. The entire city also relies on elevated storage tanks, booster stations, and a network of pipes 6" in diameter and larger that provide appropriate redundancy and pressure balancing to all areas of the city.

A water infrastructure asset was allocated to an Infrastructure District if it is located in that district or is a part of the water treatment or pressure-providing system for that district. All water mains 6" in diameter and larger are included in the pressure-providing system and are therefore included in each of the Infrastructure Districts. A map of all water assets is included in Appendix X. See the table of contents for a listing of the exhibits that include maps for water assets in each of the Infrastructure Districts.

### **Sanitary Sewer Infrastructure**

The city's sanitary sewer network includes all wastewater collection infrastructure from the individual residences, businesses and facilities to the lines that leave the city carrying sewage to the Tri-Cities Northern Regional Wastewater Authority or Clark County treatment plants. The system includes gravity sewer conduits, manholes, pump stations and sanitary sewer force mains.

A sanitary sewer infrastructure asset was allocated to an Infrastructure District if it is located in that district or is a downstream asset moving flows from the district towards the outfalls from the city. The vast majority of sanitary sewer infrastructure in the city carries flows to the Tri-Cities Northern Regional Wastewater Authority treatment plant located at 3777 Needmore Rd, Dayton, OH 45424, just outside the city's southwestern corporation limits. A small portion of the city's eastern sanitary sewer system, providing service to the Centre Point 70 development and businesses along New Carlisle Pike south of I-70, leaves the city to the east to enter the Clark County system just north of the Artz and SR 235 intersection.

### Stormwater Infrastructure

The city's stormwater infrastructure network includes all publicly maintained open and closed drainage systems that carry rainwater from properties within the city limits to tributaries of the Great Miami River and Mad River as they exit the city corporation limits. The city's storm water system relies entirely on gravity flows and includes catch basins, manholes, storm sewer conduits, open channels and culverts within public right of way.

A storm sewer infrastructure asset was allocated to an Infrastructure District if it is located in that district or is a downstream asset moving flows from the district towards the outfalls from the city. Culverts carrying water under city owned and maintained roadways were included in the infrastructure asset assignments for Infrastructure Districts that drain to that location.

### **GIS MAP INTERFACE**

The volume of infrastructure assets included in the city's dataset suggests that map-based presentations and management of the data will be the most effective. The LJB team applied additional data fields to the city's existing GIS information to allocate each asset to one or more Infrastructure Districts. This approach will allow the city to re-integrate the data into their existing system and apply similar approaches to modified or additional elements that are added. It will also allow city staff to query and produce maps and datasets according to the various District assignments.

### Coding of Infrastructure Assets

Utility assets were assigned a code, which is viewable in the asset attribute field "Infrastructure Support District", identifying the infrastructure district of origin. For road, storm and sanitary sewer assets, lines of continuity were followed until the utility assets exited the city boundary or ended at a body of water or processing facility. Codes were assigned to each segment in that path relating to the infrastructure district of origin, providing a clear path of asset origin to termination as defined earlier.

### **Query Process**

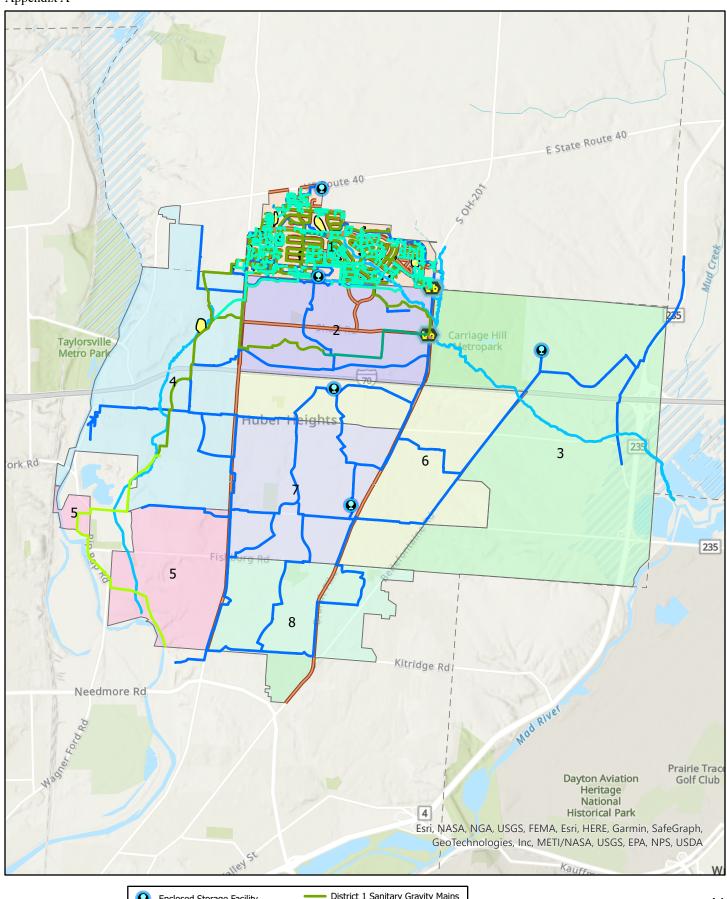

To query assets, LJB first sorted by infrastructure district of origin by selecting the corresponding value from the "Infrastructure Support District" attribute field, thus showing all assets located within the boundaries of the district of interest. Next LJB added additional querying statements to show the path from origin to termination by selecting the corresponding value for "Support District" attribute fields 1-4. When structured correctly, the querying statement selects assets from the infrastructure district of origin and the accompanying assets required to perform a trace from infrastructure district of origin to point of termination.

Queried shapefile layers have been provided for each Infrastructure Support District.

The parties agree: (a) Upon the initial sale of each Unit to a subsequent owner, other than the Developer, of any Unit, including any successors or assigns (each such owner, including the Developer, together with any successors or assigns as to any Unit, a "Property Owner"), the Developer shall cause this Agreement to be partially assigned to such Property Owner, substantially in the form attached to this Agreement as Exhibit C (b) the CRA Exemption shall commence separately and run for a full 15 years for each Unit of the Project with the first tax year for such Unit, based on the submittal by the Developer of a CRA exemption application to the City provided that the CRA Exemption for any particular Unit of the Project shall commence no later than the first tax year after that portion is completed; (c) the City shall provide written notification

to the Montgomery County Auditor's Office to the tax year in which the CRA Exemption shall commence as to Unit of the Project; (d) the parties shall cooperate and work in good faith to maximize for the Developer, and any Property Owner, the benefits of the CRA Exemption. Provided each Property Owner receives the benefit of the CRA Exemption for each Unit owned by such Property Owner in accordance with the terms of this Agreement, each Property Owner agrees to annual minimum service payments ("MSP" or "MSPs") of Nine Thousand Five Hundred dollars (\$9,500.00) per Unit, per year, for years 11 through 15 of each CRA Exemption. The City is authorized to record the necessary documentation to perfect its lien rights with respect to the MSP set forth herein including but not limited to this Agreement and the Declaration of Minimum Service Payments (the "Declaration"), attached hereto as Exhibit B and incorporated herein. Any lien created by this Agreement, and/or pursuant to the Declaration of shall run with the land.

For each applicable year, the MSP will be due on or before the later of (i) thirty (30) days after the receipt of an invoice from the City therefore, or (ii) February 15<sup>th</sup>.

- 5. This Agreement is not transferable or assignable without the express written consent of the City. This Agreement shall be binding upon each party's respective successors and permitted assigns. Notwithstanding anything else to the contrary, the City agrees to, and consents to the partial assignment of this Agreement (the "Assumption Agreement"), substantially in the form attached hereto as <a href="Exhibit C">Exhibit C</a>, to any Property Owner that acquires a Unit from the Developer, in order for such Property Owner to receive the benefits of the CRA Exemption and be required to make the MSP outlined in Section 4 of this Agreement, hereof.

Each Property Owner shall pay such real estate taxes as are not exempted under this Agreement, and are charged against such property, and shall file all tax reports and returns as required by law. If a Property Owner fails to pay such taxes or file such returns and reports, all incentives granted under this Agreement are rescinded for such Unit, beginning with the year for which such taxes are charged or such reports returns are required to be filed, and thereafter.
- 7. The City shall perform such acts as are reasonably necessary or appropriate to effect, claim, reserve, and maintain exemptions from taxation granted under this Agreement including, without limitation, joining in the execution of all documentation and providing any necessary certificates required in connection with such exemptions.
- 8. If for any reason the Community Reinvestment Area designation expires or the Director of the Ohio Department of Development revokes certification of the Area, entitlements granted under this Agreement shall continue for the number of years specified under this Agreement; provided however, if a Property Owner materially fails to fulfill its obligation under this Agreement the City may terminate or modify the exemptions from taxation granted under this Agreement.

- 9. If a Property Owner materially fails to fulfill its obligations under this Agreement, or if the City determines that the certification as to delinquent taxes required by this Agreement is fraudulent, the City may unilaterally terminate or modify the exemptions from taxation granted under this Agreement; and may require that the Property Owner pay to the City the amount of taxes that were exempted under this Agreement, (i.e. the taxes that would have been payable had the property not been exempted from taxation under this Agreement). The City is authorized to secure the repayment of such taxes by a lien on any Unit of such a Property Owner in an amount required to be repaid; and such lien shall attach and may be perfected, collected, and enforced, in the same manner as a mortgage lien on the real property; and shall otherwise have the same force and effect as a mortgage lien onthe real property.
- 10. The Developer covenants that at the time of executing this Agreement it does not owe: (1) any delinquent taxes to the State of Ohio or political subdivision of the State; or (2) any other monies to the State, a state agency or a political subdivision of the State that are past due, whether the amounts owed are being contested in a court of law or not.
- 11. The Developer and the City acknowledge that this Agreement must be approved by formal action of the City Council of Huber Heights, Ohio, as a condition for the Agreement to take effect.
- 12. By executing this Agreement, the Developer is committing to following non-discriminatory hiring practices, acknowledging that no individual may be denied employment solely on the basis of race, religion, gender, disability, color, national origin, or ancestry.
- 13. The Developer agrees to construct the Project in accordance with the requirements of Huber Heights Codified Ordinances, and approvals for the Project.
- 14. The failure by any party to exercise any of its rights hereunder or to enforce any of the terms or conditions of this Agreement on any occasion shall not constitute or be deemed a waiver of that party's rights thereafter to exercise any rights hereunder or to enforce each and every term and condition of this Agreement. This Agreement may not be modified except by a writing specifically referring to this Agreement and executed by duly authorized representatives of both parties. The parties have had the opportunity to have this Agreement reviewed by legal counsel of their choosing. This Agreement was the product of negotiations between the parties and the parties agree that no provision or provisions herein shall be construed against any one party by virtue of the authorship of such provision.
- 15. The Parties agree to execute and deliver such additional documents and to perform such additional acts as may become reasonably necessary to effectuate the transfers contemplated by this Agreement.
- 16. A determination that any portion of this Agreement is unenforceable or invalid shall not affect the enforceability or validity of any of the remaining portions of this Agreement as a whole. In the event that any part of any of the covenants, Sections, or provisions herein may be determined by a court of law or equity to be invalid or unenforceable, the parties shall attempt to reach agreement with respect to valid and

enforceable substitutes for deleted provision(s), which shall be as close in intent and effect as possible to the deleted portions.

- 17. The Developer, on behalf of itself and all subsequent Property Owners, including any successors or assigns, hereby consents to the Huber Heights Tax Division providing to, the Huber Heights City Manager, or his designee, and City housing officer, any and all tax information if necessary to evaluate any Property Owner's compliance with this Agreement and such disclosure shall not be a violation of any federal state or local confidentiality laws or requirements associated with tax or payroll returns. To the fullest extent permitted by law, the City Manager or his designee, or City housing officer will treat any such information as confidential.
- 18. The City hereby acknowledges that, from time to time during the development of the Project, the Developer will obtain financing in connection with the Project which will be secured in whole or in part by assignments, pledges or mortgages of the its interests in the Project Site (each a "Owner Mortgage"). In connection therewith, the City agrees to and shall cooperate with the Developer and developer to provide to the holder of any such Owner Mortgage (each a "Owner Mortgagee") such reasonable factual representations and mortgagee cure rights regarding this Agreement and/or Developer's rights hereunder as such Owner Mortgagee may request from time to time. Any such requested assurance and/or consent shall be in a form reasonably approved by the City, and the City shall endeavor reasonably to respond to any such request in a prompt and timely manner.
- 19. This Agreement, including the exhibits and the corollary agreements contemplated hereby, embodies the entire agreement and understanding of the Parties relating to the subject matter herein and therein and may not be amended, waived or discharged except in an instrument in writing executed by the Parties. All prior agreements between the parties relative to the subject matter of this Agreement are expressly terminated.
- 20. The parties acknowledge and agree that the facts and circumstances as described in the recitals hereto and the information contained in the Exhibits hereto are an integral part of this Agreement and as such are incorporated herein by reference.
- 21. If any provision of this Agreement, or any covenant, obligation or agreement contained herein is determined by a court to be invalid or unenforceable, that determination will not affect any other provision, covenant, obligation or agreement contained herein, each of which will be construed and enforced as if the invalid or unenforceable portion were not contained herein. If any provision, covenant, obligation or agreement contained herein is subject to more than one interpretation, a valid and enforceable interpretation is to be used to make this Agreement effective. That invalidity or unenforceability will not affect any valid and enforceable application, and each provision, covenant, obligation or agreement will be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

#### **Agenda Item Description or Legislation Title**

An Ordinance Approving Individual Assessments Amounts And Directing The Director Of Finance Or His/Her Designee To Certify The Amounts To The Applicable County Auditor For Collection, And Declaring An Emergency.

(first reading)

#### **Purpose and Background**

Montgomery County requires all communities to pass separate legislation for assessments that are to be added to the tax duplicate. Therefore, before the City can assess property for such things as annual sidewalk assessments, grass/weed charges, property maintenance abatement, unpaid water and sewer, etc., the City must pass legislation specifically identifying the property and the amount of the assessment. Assessments are based on collection for City services previously provided; therefore, City Staff are asking that this item be passed as an emergency.

Exhibit A, which provides all details of the assessments, is attached. Sidewalk assessment payoffs have been made by residents over the past month and the amounts listed on Exhibit A are for those properties for which no payoffs were received for the work performed. Additionally, City Staff request waiving of the second reading and approval of this legislation at the City Council Meeting on August 28, 2023, because that is the last opportunity to present assessments for the 2023 property tax bills that residents will receive in 2024.

## **Agenda Item Description or Legislation Title**

An Ordinance Providing For The Issuance And Sale Of Notes In The Maximum Principal Amount Of \$1,662,000 In Anticipation Of The Issuance Of Bonds, For The Purpose Of Paying The Costs Of Acquiring Approximately 51 Acres Of Real Property Near The Intersection Of Brandt Pike And Executive Boulevard And Providing For The Site Preparation Thereof, All In Support Of Economic Development And Job Creation Within The City. (first reading)

## Purpose and Background

The legislation attached was prepared by Squire, Patton & Boggs, acting as bond counsel for the City of Huber Heights, so that notes that were originally issued in 2019 for the purchase of the Lehman property can be renewed for an additional year. The original note for the Lehman property was for \$3,750,000. A portion of the property was sold this year for \$2,088,000, therefore, only the remaining principal of \$1,662,000 will need to be financed for the next year.

City Staff request that the second reading of the legislation be waived so this non-emergency legislation can be effective in thirty days. The current notes mature on September 29, 2023. If the notes are not approved at the meeting on August 28, then an emergency clause will need to be added for the second reading.

**Fiscal Impact** 

Source of Funds: TED Fund

Cost: \$7,500

Recurring Cost? (Yes/No): No

Funds Available in Current Budget? (Yes/No): Yes

#### **Financial Implications:**

Estimated issuance costs of \$7,500 would be needed for the note to renew the financing for the 2019 land purchase out of the Transformative Economic Development Fund in 2023. The interest payment for the maturing note was included in the 2023 City Budget.

Re: City of Huber Heights, Ohio

(Not to Exceed) \$1,662,000 Special Obligation Nontax Revenue Notes, Series 2023A (Federally Taxable)

Dear Bryan:

We are pleased that the City of Huber Heights, Ohio (the "City") has requested Squire Patton Boggs (US) LLP (the "Firm") to serve as the City's bond counsel in connection with the issuance of the referenced unvoted, special obligation bond anticipation notes (the "Notes").

The Firm's services will include those customarily provided by bond counsel in connection with issues such as the Notes, including the rendering of our legal opinion (the "Bond Opinion"), provided that the proceedings for the issuance of the Notes have been completed to our satisfaction. The Bond Opinion will address the legality, validity and binding effect of the Notes, the source of payment and security for the Notes, and certain tax aspects of the Notes under the laws of the State of Ohio. The Firm will address the Bond Opinion to the City and will deliver it on the date that the City delivers the Notes in exchange for their purchase price. For those legal services, the Firm shall be paid just and reasonable compensation in an amount not expected to exceed \$7,500, and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those legal services.

As the City's bond counsel, the Firm represents the City. The City is the Firm's client, and an attorney-client relationship will exist between the Firm and the City. We assume that all other parties to the transaction will retain such counsel as they deem necessary and appropriate to represent their interests in this transaction. We further assume that all other parties understand that, in this transaction, we represent only the City, that we are not counsel to any other party, and that we are not acting as an intermediary among the parties. Our representation of the City will not, however, affect our responsibility to render an objective Bond Opinion.

Over 40 Offices across 4 Continents

Squire Patton Boggs (US) LLP is part of the international legal practice Squire Patton Boggs, which operates worldwide through a number of separate legal entities.

The City's proposed issuance of the Notes may involve an original purchaser and perhaps other parties. The Firm conducts a national practice in the area of public finance that involves the representation of issuers, underwriters and other parties in the issuance of governmental debt obligations. In addition, the Firm conducts a national and international corporate law practice that includes the representation of financial institutions and other businesses in transactions, litigation and other matters. As a result of the extent and diversity of that practice, the Firm may currently represent or may have represented the original purchaser of the Notes or other parties involved in the issuance of the Notes in matters unrelated to the City or its issuance of the Notes. The Firm may also commence such representations during the time it is serving the City as bond counsel for the Notes. Considering the lack of relationship that such other matters have to the City or to its issuance of the Notes, the Firm does not expect any such other representations to conflict with its fulfillment of its professional obligations to the City as bond counsel for the Notes. We request that the City, by signing and returning a copy of this letter, acknowledge and consent to the Firm's serving the City as bond counsel for the issuance of the Notes though the Firm serves, may have served or may serve other parties to that issuance in other, unrelated matters.

The Firm appreciates the opportunity to represent the City in this transaction. Please signify that the City desires for the Firm to proceed with this engagement as described in this letter by signing a copy of this letter and returning it to us. Please retain the original for the City's files.

Very truly yours,

Christopher J. Franzmann

### ORDINANCE NO. 2023-O-

PROVIDING FOR THE ISSUANCE AND SALE OF NOTES IN THE MAXIMUM PRINCIPAL AMOUNT OF \$1,662,000 IN ANTICIPATION OF THE ISSUANCE OF BONDS, FOR THE PURPOSE OF PAYING THE COSTS OF ACQUIRING APPROXIMATELY 51 ACRES OF REAL PROPERTY NEAR THE INTERSECTION OF BRANDT PIKE AND EXECUTIVE BOULEVARD AND PROVIDING FOR THE SITE PREPARATION THEREOF, ALL IN SUPPORT OF ECONOMIC DEVELOPMENT AND JOB CREATION WITHIN THE CITY.

WHEREAS, the City of Huber Heights, Ohio (the "City") is authorized by virtue of the laws of the State of Ohio, including, without limitation, Section 13 of Article VIII, Ohio Constitution, and Chapter 165, Ohio Revised Code (the "Act"), among other things, to issue bonds or notes to acquire, construct, equip, furnish, or improve a "project" as defined in Section 165.01, Ohio Revised Code, for the purpose of creating or preserving jobs and employment opportunities and improving the economic welfare of the people of the City and of the State of Ohio; and

WHEREAS, to facilitate the creation of jobs and employment opportunities and improving the economic welfare of the people of the City and of the State of Ohio, the City has determined to issue the Notes (described below) to pay the costs of acquiring approximately 51 acres of real property near the intersection of Brandt Pike and Executive Boulevard and provide for the site preparation thereof (the "*Project*"); and

WHEREAS, pursuant to Ordinance No. 2022-O-2546 passed August 22, 2022, notes in anticipation of bonds in the principal amount of \$3,750,000 dated September 30, 2022 (the "Outstanding Notes"), were issued for the purpose described in Section 2, to mature on September 29, 2023; and

WHEREAS, this City Council finds and determines that the City should retire the Outstanding Notes with the proceeds of the Notes described in Section 4 and other funds available to the City.

NOW, THEREFORE, BE IT ORDAINED by the City Council of Huber Heights, Ohio that:

- Section 1. This City Council hereby determines that the Project is a "project" as defined in the Act and is consistent with the purposes of Section 13 of Article VIII of the Ohio Constitution; that the utilization of the Project is in furtherance of the purposes of the Act and will benefit the people of the City and of the State by creating and preserving jobs and employment opportunities and improving the economic welfare of the people of the City and of the State; and that the amount necessary to finance the Project will require the issuance, sale and delivery of the Notes (as defined below), which Notes shall be issued in anticipation of the Bonds (as defined below), and which Notes shall be payable and secured as provided herein.
- Section 2. It is necessary to issue bonds of this City in the maximum principal amount of \$1,662,000 (the "Bonds") for the purpose of paying the costs of acquiring approximately 51 acres of real property near the intersection of Brandt Pike and Executive Boulevard and providing for the site preparation thereof, all in support of economic development and job creation within the City.
- Section 3. The Bonds shall be dated approximately September 1, 2024, shall bear interest at the now estimated rate of 6.00% per year, payable semiannually until the principal amount is paid, and are estimated to mature in twenty (20) annual principal installments on December 1 of each year and in such amounts that the total principal and interest payments on the Bonds in any fiscal year in which principal is payable shall be substantially equal. The first principal payment on the Bonds is estimated to be December 1, 2025.

The Director of Finance may determine if it is in the best interest of and financially advantageous to the City that the Notes shall be subject to optional redemption by and at the sole option of the City, in whole or in part, on any date prior to maturity and at such redemption price, plus accrued interest to the redemption date, all of which terms shall be set forth in the Certificate of Award.

If the City is the registered holder of all of the Notes, notice of redemption may be provided by the Director of Finance to the City in such manner and at such time as is determined by the Director of Finance to be in the best interest of the City. If the preceding sentence does not apply, notice of redemption, identifying the Notes or portions thereof, to be called, shall be mailed by certified mail to the registered holders thereof not less than thirty (30) days prior to the date of redemption.

Notice having been provided or mailed in the manner provided in the preceding paragraph hereof, the Notes and portions thereof called for redemption shall become due and payable on the redemption date, and upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, plus accrued interest to the redemption date. If moneys for the redemption of all of the Notes or portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Director of Finance, as paying agent, on the redemption date, so as to be available therefor on that date and, if notice of redemption has been provided or deposited in the mail as aforesaid, then from and after the redemption date those Notes or portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been provided or deposited in the mail as aforesaid, those Notes or portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption.

It is necessary to issue, and this Council determines that notes in the maximum Section 4. principal amount of \$1,662,000 (the "Notes") shall be issued in anticipation of the issuance of the Bonds for the purpose described in Section 2 and to retire, together with other funds available to the City, the Outstanding Notes and to pay any financing costs. The principal amount of Notes to be issued (not to exceed the stated maximum amount) shall be determined by the Director of Finance in the certificate awarding the Notes (the "Certificate of Award") as the amount which, along with other available funds of the City, is necessary to provide for the retirement of the Outstanding Notes and to pay any financing costs. The Notes shall be dated the date of issuance and shall mature not more than one year following the date of issuance, provided that the Director of Finance shall establish the maturity date in the Certificate of Award. The Notes shall bear interest at a rate not to exceed 7.00% per year (computed on the basis of a 360-day year consisting of twelve 30-day months), payable at maturity and until the principal amount is paid or payment is provided for. The rate of interest on the Notes shall be determined by the Director of Finance in the Certificate of Award. The Notes shall be issued pursuant to the Act, the Charter of the City, this Ordinance and the Certificate of Award.

Section 5. The debt charges on the Notes shall be payable in lawful money of the United States of America or in Federal Reserve funds of the United States of America and shall be payable at the office of the Director of Finance.

Section 6. The Notes shall be signed by the City Manager and Director of Finance, in the name of the City and in their official capacities, *provided* that one of those signatures may be a facsimile. The entire principal amount shall be represented by a single note, which shall not have coupons attached, shall be numbered as determined by the Director of Finance and shall express upon its face the purpose, in summary terms, for which it is issued and that it is issued pursuant to the Act, the Charter of the City, this Ordinance and the Certificate of Award.

Section 7. The Notes are offered at a purchase price, not less than par, as shall be determined by the Director of Finance, plus any accrued interest, to the Director of Finance, as the officer having responsibility for investment of public funds pursuant to the Charter of the City. The Director of Finance shall cause the Notes to be prepared, and have the Notes signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Notes if requested by the original purchaser, to the original purchaser upon payment of the purchase price. The City Manager, the Director of Finance, the City Attorney, the Clerk of Council and other City officials, as appropriate, and any person serving in an interim or acting capacity for any such official, are each authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance. Any actions heretofore taken by the City Manager, the Director of Finance, the City Attorney, the Clerk of Council or other City official, as appropriate, in doing any and all acts necessary in connection with the issuance and sale of the Notes are hereby ratified and confirmed.

Section 8. The proceeds from the sale of the Notes, except any premium and accrued interest, shall be paid into the proper fund or funds, and those proceeds are appropriated and shall be used for the purpose for which the Notes are being issued. Any portion of those proceeds representing premium or accrued interest shall be paid into the Bond Fund (as described below).

Section 9. The par value to be received from the sale of the Bonds or of any renewal notes and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used to pay the debt charges on the Notes at maturity and are pledged for that purpose.

Section 10. The Notes are special obligations of the City, the principal of and interest on which are payable solely from the proceeds of the Bonds and by a pledge of and lien on the Nontax Revenues established by and as provided in this Ordinance which are on deposit in the Bond Fund, all as described below. The City covenants that to the extent the Notes will not be paid fully from Nontax Revenues, it will do all things necessary for the issuance of the Bonds or renewal bond anticipation notes in an appropriate amount to provide for the payment of the principal of and interest on the Notes on the maturity date of the Notes.

There was heretofore created by the City a separate account within the Bond Retirement Fund named the Economic Development Bond Retirement Account (the "*Bond Fund*") into which Nontax Revenues shall be deposited in accordance with the following provisions.

The City hereby covenants and agrees that on or before any date on which principal or interest is payable on the Notes it shall deposit into the Bond Fund from Nontax Revenues selected by the City or proceeds from the Bonds or renewal bond anticipation notes as determined by the City, an amount equal to the amount of principal and/or interest due on the Notes on that date, less, in the discretion of the City, any interest earnings or other moneys accumulated in the Bond Fund which have not theretofore been used as a credit against a prior payment obligation. Moneys in the Bond Fund shall be used solely and exclusively to pay principal and interest on City obligations payable from the Nontax Revenues.

The City hereby covenants and agrees that so long as the Notes are outstanding, it will appropriate and maintain sufficient Nontax Revenues each year to make each payment due under this Section 10 and to pay principal and interest when due; *provided*, *however*, the amount of such appropriation may be reduced by the amount of any Bonds or renewal bond anticipation notes issued for the purpose of refunding the Notes and payments due hereunder and under the Notes are payable solely from the proceeds of the Bonds and the Nontax Revenues, which Nontax Revenues are hereby selected by the City pursuant to Section 165.12 of the Ohio Revised Code as moneys that are not raised by taxation. The Notes are not secured by an obligation or pledge of any moneys raised by taxation. The Notes do not and shall not represent or constitute a debt or pledge of the faith or credit or taxing power of the City, and the registered owners of the Notes have no right to have taxes levied by the City for the payment of principal of and interest on the Notes.

Nothing herein shall be construed as requiring the City to use or apply to the payment of principal of and interest on the Notes any funds or revenues from any source other than proceeds of the Bonds and Nontax Revenues. Nothing herein, however, shall be deemed to prohibit the City, of its own volition, from using, to the extent that it is authorized by law to do so, any other resources for the fulfillment of any of the terms, conditions or obligations of this Ordinance or of the Notes.

For purpose of this Ordinance, "Nontax Revenues" shall mean all moneys of the City which are not moneys raised by taxation, to the extent available for such purposes, including, but not limited to the following: (a) grants from the United States of America and the State of Ohio; (b) payments in lieu of taxes now or hereafter authorized by State statute; (c) fines and forfeitures which are deposited in the City's General Fund; (d) fees deposited in the City's General Fund from properly imposed licenses and permits; (e) investment earnings on the City's General Fund and which are credited to the City's General Fund; (f) investment earnings of other funds of the City that are credited to the City's General Fund; (g) proceeds from the sale of assets which are deposited in the City's General Fund; (h) rental income which is deposited in the City's General Fund; (i) gifts and donations; and (j) proceeds from the sale of any portion of the Project.

Section 11. The Director of Finance is authorized and directed to provide the notification required by Section 165.03(D) of the Ohio Revised Code to the Director of the Ohio Department of Development.

The legal services of the law firm of Squire Patton Boggs (US) LLP are hereby Section 12. retained. Those legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the authorization, sale and issuance of the Notes and securities issued in renewal of the Notes and rendering at delivery related legal opinions, all as set forth in the form of engagement letter from that firm which is now on file in the office of the Clerk of Council. In providing those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of this City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State of Ohio, any county or municipal corporation or of this City, or the execution of public trusts. For those legal services, that firm shall be paid just and reasonable compensation and shall be reimbursed for actual out-of-pocket expenses incurred in providing those legal services. The Director of Finance is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm. The amounts necessary to pay those fees and any reimbursement are hereby appropriated from the proceeds of the Notes, if available, and otherwise from available moneys in the General Fund.

Section 13. The services of Bradley Payne, LLC, as municipal advisor, are hereby retained. The municipal advisory services shall be in the nature of financial advice and recommendations in connection with the issuance and sale of the Notes. In rendering those municipal advisory services, as an independent contractor, that firm shall not exercise any administrative discretion on behalf of the City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State of Ohio, the City or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those municipal advisory services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those municipal advisory services. The Director of Finance is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm. The amounts necessary to pay those fees and any reimbursement are hereby appropriated from the proceeds of the Notes, if available, and otherwise from available moneys in the General Fund.

Section 14. This Council determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Notes in order to make them legal, valid and binding special obligations of the City have been performed and have been met, or will at the time of delivery of the Notes have been performed and have been met, in regular and due form as required by law; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Notes.

Section 15. This City Council finds and determines that all formal actions of this Council and any of its committees concerning and relating to the passage of this Ordinance were taken in an open meeting of this City Council or any of its committees, and that all deliberations of this City Council and of any of its committees that resulted in those formal actions were in meetings open to the public, all in compliance with the law, including Section 121.22 of the Ohio Revised Code.

Section 16. This Ordinance shall go into effect upon its passage as provided by law and the Charter of the City of Huber Heights.
