## Culture and Diversity Citizen Action Commission Meeting

January 8, 2026

### **VI. New Business**

1. Voter Registration – Discussion about being able to assist with voter registration before the deadline.
2. Community Pulse Check – Discussion about students brought up to commission member about the impact of ICE and if the city has and policies and how the city is handling the concerns residents and youth have with safety. The commission made a motion to have the Culture and Diversity Commission propose a resolution to the City Council that would hold one public meeting, similar to what Springfield has done regarding the presence of ICE. The motion was approved by the commission without objection.
3. Additional Comments – There was additional discussion about doing some training with youth within the school about how to handle an encounter with law enforcement and knowing your rights. There was additional discussion about the recommendation for moving forward with the needs assessments and the recommendation to hire someone for inclusion and engagement.
4. Need Assessment Status – Motion was made to move the need assessment status item from new business to old business. Motion was approved by the Commission without objection.

### **VII. Upcoming Meetings**
