City Manager Report

John Russell said it is an honor and a privilege to be serving in the role as the Interim City Manager. He said the new gazebo has been installed at Dial Park and he said the gazebo will be soon followed by a path to the gazebo and landscaping around the gazebo along with other park improvements in 2025. He said the fencing and gates have also been

upgraded around the City's dog park. He said the Kroger Aquatic Center had its opening weekend on Memorial Day weekend, but the hours and attendance for the opening weekend were adversely affected by some weather events. He said the newly renovated pickleball courts at Community Park are available for use and there will be a pickleball tournament held at the park on June 8, 2024 and another tournament in September, 2024. He said the summer music concert series began this past weekend at the Eichelberger Amphitheater. John Russell said significant upgrades have been made to Old Troy Pike (State Route 202) from Taylorsville Road to I-70 and the project is nearing completion this summer. He said the mast arms for the traffic signals have been installed and the curb work is nearly completed for the project. He said Montgomery County is doing work on the Taylorsville Road bridge which will continue until September, 2024. He said the City's Communitywide Garage Sale will take place from June 13-16, 2024. Water Main Replacement Program – Design – Award Contract

Russ Bergman distributed information and proposed legislation to authorize a contract for the preparation of engineering plans and specifications for the design of the 2025-2030 Water Main Replacement Program (see attached). He also distributed a report on the 2024 water main breaks (see attached). He said City Staff solicited a Request For Qualifications (RFQ) and proposals from various engineering firms to design the 2025-2030 Water Main Replacement Program. He said City Staff analyzed these responses and selected Choice One Engineering as the most qualified firm for this work. He said this legislation will authorize a contract with Choice One Engineering for the design of the 2025-2030 Water Main Replacement Program. Russ Bergman said the Water Fund will be utilized for this project at a cost not to exceed \$383,000. He said Choice One Engineering is familiar with the City's existing water system and has already designed different sections of the 2010, 2015, 2022, and 2023 Water Main Replacement Programs and is

qualified to design and prepare plans to replace the water main, water valves, fire hydrants, and appurtenances for the specified areas.

After discussion, the City Council agreed to recommend that the proposed legislation to authorize a contract for the preparation of engineering plans and specifications for the design of the 2025-2030 Water Main Replacement Program be placed on the agenda at the June 10, 2024 City Council Meeting for a first reading as non-emergency legislation with adoption of the proposed legislation at the June 10, 2024 City Council Meeting.

Issuance Of Notes – New Public Works Division Facility/New City Governance Center

Jim Bell distributed information and proposed legislation to provide for the issuance and sale of notes in the maximum principal amount of \$5,000,000 for the costs of the new Public Works Division Facility (see attached). He said this ordinance will allow the City to issue one-year notes in the amount of \$5,000,000 for the continued construction costs for a new Public Works Division Facility. He said this issuance will provide a total-to-date financing of \$10,000,000 in notes for this project, with an estimated total cost of \$21,000,000, including contingency. He said the estimated tax-exempt rate for this note is 6%. He said City Staff are requesting this ordinance be passed as emergency legislation with two readings of the legislation before final approval of the legislation at the second reading at the June 24, 2024 City Council Meeting, so the notes can be sold with the notes for the new City Governance Center.

After discussion, the City Council agreed to recommend that the proposed legislation to provide for the issuance and sale of notes in the maximum principal amount of \$5,000,000 for the costs of the new Public Works Division Facility be placed on the agenda at the June 10, 2024 City Council Meeting for a first reading as emergency legislation with the second reading and adoption of the proposed legislation at the June 24, 2024 City Council Meeting.

Jim Bell distributed information and proposed legislation to amend Section 934.02 and Section 934.03 of the Huber Heights Codified Ordinances to update the rates for water distribution and sanitary sewer services (see attached). He said the new Buc-ee's will need a 6" water meter for its proposed site. He said Chapter 934 of the City Code for water and sanitary sewer distribution rates does not include a service charge for that size of meter. He said the proposed ordinance lists the current rates for water distribution and sanitary sewer services, with the addition of a 6" meter in Section 934.02 and Section 934.03 to accommodate the request from Buc-ee's. He said City Staff recommend that the City Council waive the second reading on this non-emergency legislation, so it can go into effect in thirty days, as construction on the Buc-ee's site will begin soon.

He said these amendments are based on a legal review of the Ohio Revised Code by Municode, the City's codification provider.

After discussion, the City Council agreed to recommend that the proposed legislation to amend certain sections of Part Three – Traffic Code and Part Five – General Offenses Code of the Huber Heights Codified Ordinances be placed on the agenda at the June 10, 2024 City Council Meeting for a first reading as non-emergency legislation with the second reading and adoption of the proposed legislation at the June 24, 2024 City Council Meeting.

NOW, THEREFORE, BE IT ORDAINED by the City Council of Huber Heights, Ohio that:

Section 1. It is necessary to issue bonds of this City in the maximum principal amount of \$5,000,000 (the "*Bonds*") for the purpose of paying the costs of improving the City's facilities by constructing, furnishing and equipping a new building to house the Public Works Department, including landscaping, site improvements, any necessary utility improvements, constructing related parking facilities, and acquiring real property and interests therein in connection therewith, all together with the necessary appurtenances thereto (the "*Improvement*").

Section 2. The Bonds shall be dated approximately July 1, 2025, shall bear interest at the now estimated rate of 6.00% per year, payable semiannually until the principal amount is paid, and are estimated to mature in twenty (20) annual principal installments on December 1 of each year and in such amounts that the total principal and interest payments on the Bonds in any fiscal year in which principal is payable shall be substantially equal. The first principal payment on the Bonds is estimated to be December 1, 2025.

Section 3. It is necessary to issue and this Council determines that notes in the maximum principal amount of \$5,000,000 (the "*Notes*") shall be issued in anticipation of the issuance of the Bonds for the purpose described in Section 1 and to pay the costs of the Improvement and any financing costs. The principal amount of Notes to be issued (not to exceed the stated maximum amount) shall be determined by the Director of Finance in the certificate awarding the Notes in accordance with Section 6 of this Ordinance (the "*Certificate of Award*") as the amount which is necessary to pay the costs of the Improvement and any financing costs. The Notes shall be dated the date of issuance and shall mature not more than one year following the date of issuance, *provided* that the Director of Finance shall establish the maturity date in the Certificate of Award. The Notes shall bear interest at a rate or rates not to exceed 6.50% per year (computed on the basis of a 360-day year consisting of twelve 30-day months), payable at maturity and until the principal amount is paid or payment is provided for. The rate or rates of interest on the Notes shall be determined by the Director of Finance in the Certificate of Award in accordance with Section 6 of this Ordinance.

Section 4. The debt charges on the Notes shall be payable in lawful money of the United States of America or in Federal Reserve funds of the United States of America as determined by the Director of Finance in the Certificate of Award, and shall be payable, without deduction for services of the City's paying agent, at the office of a bank or trust company designated by the Director of Finance in the Certificate of Award after determining that the payment at that bank or

trust company will not endanger the funds or securities of the City and that proper procedures and safeguards are available for that purpose or at the office of the Director of Finance if agreed to by the Director of Finance and the original purchaser (the “*Paying Agent*”).

The City Manager and the Director of Finance shall sign and deliver, in the name and on behalf of the City, the Note Registrar Agreement between the City and the Paying Agent, in substantially the form as is now on file with the Clerk of Council. The Note Registrar Agreement is approved, together with any changes or amendments that are not inconsistent with this Ordinance and not substantially adverse to the City and that are approved by the City Manager and the Director of Finance on behalf of the City, all of which shall be conclusively evidenced by the signing of the Note Registrar Agreement or amendments thereto. The Director of Finance shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Note Registrar Agreement, except to the extent paid or reimbursed by the original purchaser in accordance with the Certificate of Award, from the proceeds of the Notes to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

Section 5. The Notes shall be signed by the City Manager and Director of Finance, in the name of the City and in their official capacities; *provided* that one of those signatures may be a facsimile. The Notes shall be issued in minimum denominations of \$100,000 (and may be issued in denominations in such amounts in excess thereof as requested by the original purchaser and approved by the Director of Finance) and with numbers as requested by the original purchaser and approved by the Director of Finance. The entire principal amount may be represented by a single note and may be issued as fully registered securities (for which the Director of Finance will serve as note registrar) and in book entry or other uncertificated form in accordance with Section 9.96 and Chapter 133 of the Ohio Revised Code if it is determined by the Director of Finance that issuance of fully registered securities in that form will facilitate the sale and delivery of the Notes. The Notes shall not have coupons attached, shall be numbered as determined by the Director of Finance and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to this Ordinance. As used in this Section and this Ordinance:

“*Book entry form*” or “*book entry system*” means a form or system under which (a) the ownership of beneficial interests in the Notes and the principal of and interest on the Notes may be transferred only through a book entry, and (b) a single physical Note certificate in fully registered form is issued by the City and payable only to a Depository or its nominee as registered owner, with the certificate deposited with and “immobilized” in the custody of the Depository or its designated agent for that purpose. The book entry maintained by others than the City is the record that identifies the owners of beneficial interests in the Notes and that principal and interest.

“*Depository*” means any securities depository that is a clearing agency registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, operating and maintaining, with its Participants or otherwise, a book entry system to record ownership of beneficial interests in the Notes or the principal of and interest on the Notes, and to effect transfers of the Notes, in book entry form, and includes and means initially The Depository Trust Company (a limited purpose trust company), New York, New York.

“*Participant*” means any participant contracting with a Depository under a book entry system and includes securities brokers and dealers, banks and trust companies and clearing corporations.

The Notes may be issued to a Depository for use in a book entry system and, if and as long as a book entry system is utilized, (a) the Notes may be issued in the form of a single Note made payable to the Depository or its nominee and immobilized in the custody of the Depository or its agent for that purpose; (b) the beneficial owners in book entry form shall have no right to receive the Notes in the form of physical securities or certificates; (c) ownership of beneficial interests in book entry form shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of beneficial interests shall be made only by book entry by the Depository and its Participants; and (d) the Notes as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Notes for use in a book entry system, the Director of Finance may attempt to establish a securities depository/book entry relationship with another qualified Depository. If the Director of Finance does not or is unable to do so, the Director of Finance, after making provision for notification of the beneficial owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Notes from the Depository, and shall cause the Notes in bearer or payable form to be signed by the officers authorized to sign the Notes and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Director of Finance is also hereby authorized and directed, to the extent necessary or required, to enter into any agreements determined necessary in connection with the book entry system for the Notes, after determining that the signing thereof will not endanger the funds or securities of the City.

Section 6. The Notes shall be sold at not less than par plus accrued interest (if any) at private sale by the Director of Finance in accordance with law and the provisions of this Ordinance, the Certificate of Award and the Note Purchase Agreement. The Director of Finance shall sign the Certificate of Award referred to in Section 3 fixing the interest rate or rates which the Notes shall bear and evidencing that sale to the original purchaser, cause the Notes to be prepared, and have the Notes signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Notes if requested by the original purchaser, to the original purchaser upon payment of the purchase price.

The Note Purchase Agreement between the City and the original purchaser and now on file with the Clerk of Council is approved, and the City Manager and the Director of Finance are authorized to sign and deliver, on behalf of the City, the Note Purchase Agreement with such changes that are not inconsistent with the provisions of this Ordinance, are not materially adverse to the interests of the City and are approved by the City Manager and the Director of Finance. Any such changes to the Note Purchase Agreement are not materially adverse to the interests of the City and are approved by the City Manager and the Director of Finance shall be evidenced conclusively by the signing of the Note Purchase Agreement by the City Manager and the Director of Finance.

The City Manager, the Director of Finance, the City Attorney, the Clerk of Council and other City officials, as appropriate, and any person serving in an interim or acting capacity for any such official, are each authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance. Any actions heretofore taken by the City Manager, the Director of Finance, the City Attorney, the Clerk of Council or other City official, as appropriate, in doing any and all acts necessary in connection with the issuance and sale of the Notes are hereby ratified and confirmed. The Director of Finance is authorized, if it is determined to be in the best interest of the City, to combine the issue of Notes with one or more other note issues of the City into a consolidated note issue pursuant to Section 133.30(B) of the Ohio Revised Code.

To the extent that the Director of Finance determines that it would be in the best interest of the City and elects to utilize the Ohio Market Access Program (the "*Ohio Market Access Program*") which is administered by the Treasurer of the State of Ohio (the "*Treasurer*"), the City Manager and the Director of Finance are authorized to sign and deliver, in the name and on behalf of the City, the Standby Note Purchase Agreement (the "*Standby Note Purchase Agreement*") in substantially the form as presented to this Council with such changes as are not materially adverse to the City and as may be approved by the officers of the City executing the Standby Note Purchase Agreement. The City acknowledges the agreement of the Treasurer in the Standby Note Purchase Agreement that, in the event the City is unable to repay the principal amount and accrued and unpaid interest of the Notes at their maturity, whether through its own funds or through the issuance of other obligations of the City, the Treasurer agrees to (a) purchase the Notes from the holders or beneficial owners thereof upon their presentation to the Treasurer for such purchase at a price of par plus accrued interest to maturity or (b) purchase renewal notes of the City in a principal amount not greater than the principal amount of the Notes plus interest due at maturity, with such renewal notes bearing interest at the Renewal Note Rate (as defined in the Standby Note Purchase Agreement), maturing not more than one year after the date of their issuance, and being prepayable at any time with 30 days' notice, *provided*

that in connection with the Treasurer's purchase of such renewal notes the City shall deliver to the Treasurer an unqualified opinion of nationally recognized bond counsel that (i) such renewal notes are the legal, valid and binding general obligations of the City, and the principal of and interest on such renewal notes, unless paid from other sources, are to be paid from the proceeds of the levy of ad valorem taxes, within the ten-mill limitation imposed by law, on all property subject to ad valorem taxes levied by the City and (ii) interest on the renewal notes is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code, as amended, to the same extent that interest on the Notes is so excluded.

The officers signing the Notes are authorized to take all actions that may in their judgment reasonably be necessary to provide for the Standby Note Purchase Agreement, including but not limited to the inclusion of a notation on the form of the Notes providing notice to the holders or beneficial owners of the existence of the Standby Note Purchase Agreement and providing instructions to such holders or beneficial owners regarding the presentation of the Note for purchase by the Treasurer at stated maturity.

Section 7. The proceeds from the sale of the Notes received by the City (or withheld by the original purchaser or deposited with the Paying Agent, in each case on behalf of the City) shall be paid into the proper fund or funds, and those proceeds are appropriated and shall be used for the purpose for which the Notes are being issued. The Certificate of Award and the Note Purchase Agreement may authorize the original purchaser to (a) withhold certain proceeds from the sale of the Notes or (b) remit certain proceeds from the sale of the Notes to the Paying Agent, in each case to provide for the payment of certain financing costs on behalf of the City. If proceeds are remitted to the Paying Agent in accordance with this Section 7, the Paying Agent shall be authorized to create a fund in accordance with the Note Registrar Agreement for that purpose. Any portion of those proceeds received by the City (after payment of those financing costs) representing premium or accrued interest shall be paid into the Bond Retirement Fund.

Section 8. The par value to be received from the sale of the Bonds or of any renewal notes and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used to pay the debt charges on the Notes at maturity and are pledged for that purpose.

Section 9. During the year or years in which the Notes are outstanding, there shall be levied on all the taxable property in the City, in addition to all other taxes, the same tax that would have been levied if the Bonds had been issued without the prior issuance of the Notes. The tax shall be within the tenmill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Notes or the Bonds when and as the same fall due.

In each year to the extent receipts from the municipal income tax are available for the payment of the debt charges on the Notes or the Bonds and are appropriated for that purpose, the amount of the tax shall be reduced by the amount of such receipts so available and appropriated in compliance with the following covenant. To the extent necessary, the debt charges on the Notes or the Bonds shall be paid from municipal income taxes lawfully available therefor under the Constitution and the laws of the State of Ohio and the Charter of the City; and the City hereby covenants, subject and pursuant to such authority, including particularly Section 133.05(B)(7) of the Ohio Revised Code, to appropriate annually from such municipal income taxes such amount as is necessary to meet such annual debt charges.

Nothing in the preceding paragraph in any way diminishes the irrevocable pledge of the full faith and credit and general property taxing power of the City to the prompt payment of the debt charges on the Notes or the Bonds.

Section 10. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Notes in such manner and to such extent as may be necessary so that (a) the Notes will not (i) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Internal Revenue Code of 1986, as amended (the "Code") or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (b) the interest on the Notes will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Notes to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Notes to the governmental purpose of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Director of Finance or any other officer of the City having responsibility for issuance of the Notes is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Notes as the City is permitted to or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Notes or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties with respect to the Notes, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments with respect to the Notes, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Notes, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Notes, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Notes, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Notes. The Director of Finance or any other officer of the City having responsibility for issuance of the Notes is specifically authorized to designate the Notes as “qualified tax-exempt obligations” if such designation is applicable and desirable, and to make any related necessary representations and covenants.

Section 11. The Clerk of Council is directed to promptly deliver a certified copy of this Ordinance to the County Auditors of Miami and Montgomery Counties, Ohio.

Section 12. The Director of Finance is authorized to request a rating for the Notes from Moody’s Investors Service, Inc. or S&P Global Ratings, or both, as the Director of Finance determines is in the best interest of the City. The expenditure of the amounts necessary to secure any such ratings as well as to pay the other financing costs (as defined in Section 133.01 of the Ohio Revised Code) in connection with the Notes is hereby authorized and approved and the amounts necessary to pay those costs are hereby appropriated from the proceeds of the Notes, if available, and otherwise from available moneys in the General Fund.

Section 13. The legal services of the law firm of Squire Patton Boggs (US) LLP are hereby retained. Those legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the authorization, sale and issuance of the Notes and securities issued in renewal of the Notes and rendering at delivery related legal opinions, all as set forth in the form of engagement letter from that firm which is now on file in the office of the Clerk of Council. In providing those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of this City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State of Ohio, any county or municipal corporation or of this City, or the execution of public trusts. For those legal services, that firm shall be paid just and reasonable compensation and shall be reimbursed for actual out-of-pocket expenses incurred in providing those legal services. To the extent they are not paid or reimbursed pursuant to the Note Purchase Agreement and/or the Note Registrar Agreement, the Director of Finance is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm. The amounts necessary to pay those fees and any reimbursement are hereby appropriated from the proceeds of the Notes, if available, and otherwise from available moneys in the General Fund.

Section 14. The services of Bradley Payne, LLC, as municipal advisor, are hereby retained. The municipal advisory services shall be in the nature of financial advice and recommendations in connection with the issuance and sale of the Notes. In rendering those municipal advisory services, as an independent contractor, that firm shall not exercise any administrative discretion on behalf of the City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State of Ohio, the City or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those municipal advisory services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those municipal advisory services. To the extent they are not paid or reimbursed pursuant to the Note Purchase Agreement and/or the Note Registrar Agreement, the Director of Finance is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm. The amounts necessary to pay those fees and any reimbursement are hereby appropriated from the proceeds of the Notes, if available, and otherwise from available moneys in the General Fund.

Section 15. This Council determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Notes in order to make them legal, valid and binding general obligations of the City have been performed and have been met, or will at the time of delivery of the Notes have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 9) of the City are pledged for the timely payment of the debt charges on the Notes; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Notes.

Section 16. This Council finds and determines that all formal actions of this Council and any of its committees concerning and relating to the passage of this Ordinance were taken in an open meeting of this Council or any of its committees, and that all deliberations of this Council and of any of its committees that resulted in those formal actions were in meetings open to the public, all in compliance with the law, including Section 121.22 of the Ohio Revised Code.

Section 17. This Ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety or welfare of the City, and for the further reason that this Ordinance is required to be immediately effective in order to issue and sell the Notes, which is necessary to enable the City to timely enter into contracts to provide for the construction of the Improvement; therefore, this Ordinance shall take full force and effect immediately upon its passage by this Council.

FISCAL OFFICER'S CERTIFICATE

To the City Council of the City of Huber Heights, Ohio:

As fiscal officer of the City of Huber Heights, Ohio, I certify in connection with your proposed issue of notes in the maximum principal amount of \$10,000,000 (the "Notes"), to be issued in anticipation of the issuance of bonds (the "Bonds") for the purpose of paying the costs of improving the City's facilities by constructing, furnishing and equipping a new building to house the City Council chambers, a senior services facility and other administrative purposes, including landscaping, site improvements, any necessary utility improvements, constructing related parking facilities, and acquiring any necessary real property and interests therein in connection therewith, all together with the necessary appurtenances thereto (the "Improvement"), that:

1. The estimated life or period of usefulness of the Improvement is at least five (5) years.

2. The estimated maximum maturity of the Bonds, calculated in accordance with Section 133.20 of the Revised Code, is at least twenty (20) years. If and to the extent a portion of the proceeds of the Bonds may be determined to be allocated to a class or classes having a maximum maturity of less than twenty (20) years but in excess of five years, then the maximum maturity of the Bonds would still be at least twenty (20) years by reason of a sufficient portion of the proceeds of the Bonds allocated to a class or classes having a maximum maturity or an estimated period of usefulness in excess of twenty (20) years. If notes in anticipation of the Bonds are outstanding later than the last day of December of the fifth year following the year of issuance of the original issue of notes, the period in excess of those five years shall be deducted from that maximum maturity of the Bonds.

3. The maximum maturity of the Notes is two hundred forty (240) months.

ORDINANCE NO. 2024-O-

PROVIDING FOR THE ISSUANCE AND SALE OF NOTES IN THE MAXIMUM PRINCIPAL AMOUNT OF \$10,000,000, IN ANTICIPATION OF THE ISSUANCE OF BONDS, FOR THE PURPOSE OF PAYING THE COSTS OF IMPROVING THE CITY'S FACILITIES BY CONSTRUCTING, FURNISHING AND EQUIPPING A NEW BUILDING TO HOUSE THE CITY COUNCIL CHAMBERS, A SENIOR SERVICES FACILITY AND OTHER ADMINISTRATIVE PURPOSES, INCLUDING LANDSCAPING, SITE IMPROVEMENTS, ANY NECESSARY UTILITY IMPROVEMENTS, CONSTRUCTING RELATED PARKING FACILITIES, AND ACQUIRING ANY NECESSARY REAL PROPERTY AND INTERESTS THEREIN IN CONNECTION THEREWITH, ALL TOGETHER WITH THE NECESSARY APPURTENANCES THERETO, AND DECLARING AN EMERGENCY.

WHEREAS, this City Council has requested that the Director of Finance, as fiscal officer of this City, certify the estimated life or period of usefulness of the Improvement described in Section 1, the estimated maximum maturity of the Bonds described in Section 1 and the maximum maturity of the Notes described in Section 3 to be issued in anticipation of the Bonds; and

WHEREAS, the Director of Finance has certified to this City Council that the estimated life or period of usefulness of the Improvement described in Section 1 is at least five (5) years, the estimated maximum maturity of the Bonds described in Section 1 is at least twenty (20) years, and the maximum maturity of the Notes described in Section 3, to be issued in anticipation of the Bonds, is two hundred forty (240) months;

NOW, THEREFORE, BE IT ORDAINED by the City Council of Huber Heights, Ohio that:

Section 1. It is necessary to issue bonds of this City in the maximum principal amount of \$10,000,000 (the "*Bonds*") for the purpose of paying the costs of improving the City's facilities by constructing, furnishing and equipping a new building to house the City Council chambers, a senior services facility and other administrative purposes, including landscaping, site improvements, any necessary utility improvements, constructing related parking facilities, and acquiring any necessary real property and interests therein in connection therewith, all together with the necessary appurtenances thereto (the "*Improvement*").

Section 2. The Bonds shall be dated approximately July 1, 2025, shall bear interest at the now estimated rate of 6.00% per year, payable semiannually until the principal amount is paid, and are estimated to mature in twenty (20) annual principal installments on December 1 of each year and in such amounts that the total principal and interest payments on the Bonds in any fiscal year in which principal is payable shall be substantially equal. The first principal payment on the Bonds is estimated to be December 1, 2025.

Section 3. It is necessary to issue and this Council determines that notes in the maximum principal amount of \$10,000,000 (the "*Notes*") shall be issued in anticipation of the issuance of the Bonds for the purpose described in Section 1 and to pay the costs of the Improvement and any financing costs. The principal amount of Notes to be issued (not to exceed the stated maximum amount) shall be determined by the Director of Finance in the certificate awarding the Notes in accordance with Section 6 of this Ordinance (the "*Certificate of Award*") as the amount which is necessary to pay the costs of the Improvement and any financing costs. The Notes shall be dated the date of issuance and shall mature not more than one year following the date of issuance, *provided* that the Director of Finance shall establish the maturity date in the Certificate of Award. The Notes shall bear interest at a rate or rates not to exceed 6.50% per year (computed on the basis of a 360-day year consisting of twelve 30-day months), payable at maturity and until the principal amount is paid or payment is provided for. The rate or rates of interest on the Notes shall be determined by the Director of Finance in the Certificate of Award in accordance with Section 6 of this Ordinance.

Section 4. The debt charges on the Notes shall be payable in lawful money of the United States of America or in Federal Reserve funds of the United States of America as determined by

the Director of Finance in the Certificate of Award, and shall be payable, without deduction for services of the City's paying agent, at the office of a bank or trust company designated by the Director of Finance in the Certificate of Award after determining that the payment at that bank or trust company will not endanger the funds or securities of the City and that proper procedures and safeguards are available for that purpose or at the office of the Director of Finance if agreed to by the Director of Finance and the original purchaser (the "*Paying Agent*").

The City Manager and the Director of Finance shall sign and deliver, in the name and on behalf of the City, the Note Registrar Agreement between the City and the Paying Agent, in substantially the form as is now on file with the Clerk of Council. The Note Registrar Agreement is approved, together with any changes or amendments that are not inconsistent with this Ordinance and not substantially adverse to the City and that are approved by the City Manager and the Director of Finance on behalf of the City, all of which shall be conclusively evidenced by the signing of the Note Registrar Agreement or amendments thereto. The Director of Finance shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Note Registrar Agreement, except to the extent paid or reimbursed by the original purchaser in accordance with the Certificate of Award, from the proceeds of the Notes to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

Section 5. The Notes shall be signed by the City Manager and Director of Finance, in the name of the City and in their official capacities; *provided* that one of those signatures may be a facsimile. The Notes shall be issued in minimum denominations of \$100,000 (and may be issued in denominations in such amounts in excess thereof as requested by the original purchaser and approved by the Director of Finance) and with numbers as requested by the original purchaser and approved by the Director of Finance. The entire principal amount may be represented by a single note and may be issued as fully registered securities (for which the Director of Finance will serve as note registrar) and in book entry or other uncertificated form in accordance with Section 9.96 and Chapter 133 of the Ohio Revised Code if it is determined by the Director of Finance that issuance of fully registered securities in that form will facilitate the sale and delivery of the Notes. The Notes shall not have coupons attached, shall be numbered as determined by the Director of Finance and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to this Ordinance. As used in this Section and this Ordinance:

"Book entry form" or *"book entry system"* means a form or system under which (a) the ownership of beneficial interests in the Notes and the principal of and interest on the Notes may be transferred only through a book entry, and (b) a single physical Note certificate in fully registered form is issued by the City and payable only to a Depository or its nominee as registered owner, with the certificate deposited with and "immobilized" in the custody of the Depository or its designated agent for that purpose. The book entry maintained by others than the City is the record that identifies the owners of beneficial interests in the Notes and that principal and interest.

"Depository" means any securities depository that is a clearing agency registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, operating and maintaining, with its Participants or otherwise, a book entry system to record ownership of beneficial interests in the Notes or the principal of and interest on the Notes, and to effect transfers of the Notes, in book entry form, and includes and means initially The Depository Trust Company (a limited purpose trust company), New York, New York.

"Participant" means any participant contracting with a Depository under a book entry system and includes securities brokers and dealers, banks and trust companies and clearing corporations.

The Notes may be issued to a Depository for use in a book entry system and, if and as long as a book entry system is utilized, (a) the Notes may be issued in the form of a single Note made payable to the Depository or its nominee and immobilized in the custody of the Depository or its agent for that purpose; (b) the beneficial owners in book entry form shall have no right to receive the Notes in the form of physical securities or certificates; (c) ownership of beneficial interests in book entry form shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of beneficial interests shall be made only by book entry by the Depository and its Participants; and (d) the Notes as such shall

not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Notes for use in a book entry system, the Director of Finance may attempt to establish a securities depository/book entry relationship with another qualified Depository. If the Director of Finance does not or is unable to do so, the Director of Finance, after making provision for notification of the beneficial owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Notes from the Depository, and shall cause the Notes in bearer or payable form to be signed by the officers authorized to sign the Notes and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Director of Finance is also hereby authorized and directed, to the extent necessary or required, to enter into any agreements determined necessary in connection with the book entry system for the Notes, after determining that the signing thereof will not endanger the funds or securities of the City.

Section 6. The Notes shall be sold at not less than par plus accrued interest (if any) at private sale by the Director of Finance in accordance with law and the provisions of this Ordinance, the Certificate of Award and the Note Purchase Agreement. The Director of Finance shall sign the Certificate of Award referred to in Section 3 fixing the interest rate or rates which the Notes shall bear and evidencing that sale to the original purchaser, cause the Notes to be prepared, and have the Notes signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Notes if requested by the original purchaser, to the original purchaser upon payment of the purchase price.

The Note Purchase Agreement between the City and the original purchaser and now on file with the Clerk of Council is approved, and the City Manager and the Director of Finance are authorized to sign and deliver, on behalf of the City, the Note Purchase Agreement with such changes that are not inconsistent with the provisions of this Ordinance, are not materially adverse to the interests of the City and are approved by the City Manager and the Director of Finance. Any such changes to the Note Purchase Agreement are not materially adverse to the interests of the City and are approved by the City Manager and the Director of Finance shall be evidenced conclusively by the signing of the Note Purchase Agreement by the City Manager and the Director of Finance.

The City Manager, the Director of Finance, the City Attorney, the Clerk of Council and other City officials, as appropriate, and any person serving in an interim or acting capacity for any such official, are each authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance. Any actions heretofore taken by the City Manager, the Director of Finance, the City Attorney, the Clerk of Council or other City official, as appropriate, in doing any and all acts necessary in connection with the issuance and sale of the Notes are hereby ratified and confirmed. The Director of Finance is authorized, if it is determined to be in the best interest of the City, to combine the issue of Notes with one or more other note issues of the City into a consolidated note issue pursuant to Section 133.30(B) of the Ohio Revised Code.

To the extent that the Director of Finance determines that it would be in the best interest of the City and elects to utilize the Ohio Market Access Program (the "*Ohio Market Access Program*") which is administered by the Treasurer of the State of Ohio (the "*Treasurer*"), the City Manager and the Director of Finance are authorized to sign and deliver, in the name and on behalf of the City, the Standby Note Purchase Agreement (the "*Standby Note Purchase Agreement*") in substantially the form as presented to this Council with such changes as are not materially adverse to the City and as may be approved by the officers of the City executing the Standby Note Purchase Agreement. The City acknowledges the agreement of the Treasurer in the Standby Note Purchase Agreement that, in the event the City is unable to repay the principal amount and accrued and unpaid interest of the Notes at their maturity, whether through its own funds or through the issuance of other obligations of the City, the Treasurer agrees to (a) purchase the Notes from the holders or beneficial owners thereof upon their presentation to the Treasurer for such purchase at a price of par plus accrued interest to maturity or (b) purchase renewal notes of the City in a principal amount not greater than the principal amount of the

Notes plus interest due at maturity, with such renewal notes bearing interest at the Renewal Note Rate (as defined in the Standby Note Purchase Agreement), maturing not more than one year after the date of their issuance, and being prepayable at any time with 30 days' notice, *provided* that in connection with the Treasurer's purchase of such renewal notes the City shall deliver to the Treasurer an unqualified opinion of nationally recognized bond counsel that (i) such renewal notes are the legal, valid and binding general obligations of the City, and the principal of and interest on such renewal notes, unless paid from other sources, are to be paid from the proceeds of the levy of ad valorem taxes, within the ten-mill limitation imposed by law, on all property subject to ad valorem taxes levied by the City and (ii) interest on the renewal notes is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code, as amended, to the same extent that interest on the Notes is so excluded.

The officers signing the Notes are authorized to take all actions that may in their judgment reasonably be necessary to provide for the Standby Note Purchase Agreement, including but not limited to the inclusion of a notation on the form of the Notes providing notice to the holders or beneficial owners of the existence of the Standby Note Purchase Agreement and providing instructions to such holders or beneficial owners regarding the presentation of the Note for purchase by the Treasurer at stated maturity.

Section 7. The proceeds from the sale of the Notes received by the City (or withheld by the original purchaser or deposited with the Paying Agent, in each case on behalf of the City) shall be paid into the proper fund or funds, and those proceeds are appropriated and shall be used for the purpose for which the Notes are being issued. The Certificate of Award and the Note Purchase Agreement may authorize the original purchaser to (a) withhold certain proceeds from the sale of the Notes or (b) remit certain proceeds from the sale of the Notes to the Paying Agent, in each case to provide for the payment of certain financing costs on behalf of the City. If proceeds are remitted to the Paying Agent in accordance with this Section 7, the Paying Agent shall be authorized to create a fund in accordance with the Note Registrar Agreement for that purpose. Any portion of those proceeds received by the City (after payment of those financing costs) representing premium or accrued interest shall be paid into the Bond Retirement Fund.

Section 8. The par value to be received from the sale of the Bonds or of any renewal notes and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used to pay the debt charges on the Notes at maturity and are pledged for that purpose.

Section 9. During the year or years in which the Notes are outstanding, there shall be levied on all the taxable property in the City, in addition to all other taxes, the same tax that would have been levied if the Bonds had been issued without the prior issuance of the Notes. The tax shall be within the tenmill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Notes or the Bonds when and as the same fall due.

In each year to the extent receipts from the municipal income tax are available for the payment of the debt charges on the Notes or the Bonds and are appropriated for that purpose, the amount of the tax shall be reduced by the amount of such receipts so available and appropriated in compliance with the following covenant. To the extent necessary, the debt charges on the Notes or the Bonds shall be paid from municipal income taxes lawfully available therefor under the Constitution and the laws of the State of Ohio and the Charter of the City; and the City hereby covenants, subject and pursuant to such authority, including particularly Section 133.05(B)(7) of the Ohio Revised Code, to appropriate annually from such municipal income taxes such amount as is necessary to meet such annual debt charges.

Nothing in the preceding paragraph in any way diminishes the irrevocable pledge of the full faith and credit and general property taxing power of the City to the prompt payment of the debt charges on the Notes or the Bonds.

Section 10. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Notes in such manner and to such extent as may be necessary so that (a) the Notes will not (i) constitute private activity bonds or arbitrage bonds under Sections 141 or 148

of the Internal Revenue Code of 1986, as amended (the “Code”) or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (b) the interest on the Notes will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Notes to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Notes to the governmental purpose of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Director of Finance or any other officer of the City having responsibility for issuance of the Notes is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Notes as the City is permitted to or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Notes or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties with respect to the Notes, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments with respect to the Notes, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Notes, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Notes, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Notes, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Notes. The Director of Finance or any other officer of the City having responsibility for issuance of the Notes is specifically authorized to designate the Notes as “qualified tax-exempt obligations” if such designation is applicable and desirable, and to make any related necessary representations and covenants.

Section 11. The Clerk of Council is directed to promptly deliver a certified copy of this Ordinance to the County Auditors of Miami and Montgomery Counties, Ohio.

Section 12. The Director of Finance is authorized to request a rating for the Notes from Moody’s Investors Service, Inc. or S&P Global Ratings, or both, as the Director of Finance determines is in the best interest of the City. The expenditure of the amounts necessary to secure any such ratings as well as to pay the other financing costs (as defined in Section 133.01 of the Ohio Revised Code) in connection with the Notes is hereby authorized and approved and the amounts necessary to pay those costs are hereby appropriated from the proceeds of the Notes, if available, and otherwise from available moneys in the General Fund.

Section 13. The legal services of the law firm of Squire Patton Boggs (US) LLP are hereby retained. Those legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the authorization, sale and issuance of the Notes and securities issued in renewal of the Notes and rendering at delivery related legal opinions, all as set forth in the form of engagement letter from that firm which is now on file in the office of the Clerk of Council. In providing those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of this City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State of Ohio, any county or municipal corporation or of this City, or the execution of public trusts. For those legal services, that firm shall be paid just and reasonable compensation and shall be reimbursed for actual out-of-pocket expenses incurred in providing those legal services. To the extent they are not paid or reimbursed pursuant to the Note Purchase Agreement and/or the Note Registrar Agreement, the Director of Finance is authorized and directed to make appropriate certification as to the

availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm. The amounts necessary to pay those fees and any reimbursement are hereby appropriated from the proceeds of the Notes, if available, and otherwise from available moneys in the General Fund.

Section 14. The services of Bradley Payne, LLC, as municipal advisor, are hereby retained. The municipal advisory services shall be in the nature of financial advice and recommendations in connection with the issuance and sale of the Notes. In rendering those municipal advisory services, as an independent contractor, that firm shall not exercise any administrative discretion on behalf of the City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State of Ohio, the City or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those municipal advisory services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those municipal advisory services. To the extent they are not paid or reimbursed pursuant to the Note Purchase Agreement and/or the Note Registrar Agreement, the Director of Finance is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm. The amounts necessary to pay those fees and any reimbursement are hereby appropriated from the proceeds of the Notes, if available, and otherwise from available moneys in the General Fund.

Section 15. This Council determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Notes in order to make them legal, valid and binding general obligations of the City have been performed and have been met, or will at the time of delivery of the Notes have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 9) of the City are pledged for the timely payment of the debt charges on the Notes; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Notes.

Section 16. This Council finds and determines that all formal actions of this Council and any of its committees concerning and relating to the passage of this Ordinance were taken in an open meeting of this Council or any of its committees, and that all deliberations of this Council and of any of its committees that resulted in those formal actions were in meetings open to the public, all in compliance with the law, including Section 121.22 of the Ohio Revised Code.

Section 17. This Ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety or welfare of the City, and for the further reason that this Ordinance is required to be immediately effective in order to issue and sell the Notes, which is necessary to enable the City to timely enter into contracts to provide for the construction of the Improvement; therefore, this Ordinance shall take full force and effect immediately upon its passage by this Council.

City Code Amendments - Chapter 934 - Rates And Fees For Water Distribution And Sanitary Sewer Services

Purpose and Background

Buc-ee's will need a 6" water meter for its proposed site. Chapter 934 of the City Code for water and sanitary sewer distribution rates does not include a service charge for that size of meter. The proposed ordinance lists the current rates for water distribution and sanitary sewer services, with the addition of a 6" meter in City Code Section 934.02 and Section 934.03 to accommodate the request from Buc-ee's. City Staff recommend that City Council waive the second reading on this non-emergency ordinance, so it can go into effect in 30 days, as construction on the Buc-ee's site will begin soon.

(d) Customer Equivalents. When the City agrees to provide service to apartment buildings, condominiums, townhouses, mobile home parks and office buildings to which water is furnished through a single meter, for the purpose of distribution to several customers, such billings shall be determined on the following bases:

(1) The amounts of each such billing shall be determined on the basis of the "customer equivalents" provided by the meter employed. Such customer equivalents shall be determined by comparing the size of the meter in cross section area with the cross-section area of the five-eighths inches meter, which is the size of meter most typically installed on a

service line which serves a single-family dwelling or single professional or business office. Such relationship is as follows:

Meter Size	Customer Equivalent
5/8"	1 Customer Equivalent

B. The applicable usage rates contained in this chapter will then be applied to the quotient to determine the charge per customer equivalent; and

C. Such charge per equivalent will then be multiplied by the customer equivalent for that meter, the product of such multiplication plus the customer charge producing the total bill as to that meter for that billing period.

Section 2. Nothing herein shall affect the annual cost of living increase based on the Consumer Price Index pursuant to Ordinance No. 2018-O-2343.

Section 3. Effective with the first billing in August, 2024, Section 934.02(a) and (b) of Chapter 934 – Rates And Fees For Water Distribution And Sanitary Sewer Services of Title Three – Public Utilities of Part Nine – Streets And Public Services of the Codified Ordinances of the City of Huber Heights is hereby amended to read as follows:

(a) Except as provided elsewhere in this section, sanitary sewer rates for all customers shall be as provided below.

Consumption Volume	Rate per 100 Cubic Foot
Per Cubic Foot	\$1.5338

(3) Consumption charges shall be used to pay for wastewater treatment service charges billed to the City.

(4) Residential customers with sanitary sewer service and no water service, and therefore no water meter shall be billed at a rate of \$15.66 per month plus the monthly service charge which, for these customers, shall be at the rate of the five-eighths inches meter.

(5) Monthly service charges for sanitary sewer services shall be based on the size of the largest meter servicing a property as follows:

6"	\$242.89	\$250.85
----	----------	----------

Monthly service charges for water distribution for meter sizes not enumerated above shall be determined by the City Engineer in proportion to the rates for meter sizes listed above. The Citizens Water and Sewer Advisory Board shall hear appeals concerning service charge determinations by the City Engineer and provide a recommendation of final action to the City Council. The City Council shall make the final decision regarding any appeal concerning service charge determinations by the City Engineer.

(b) Rates for the Miami Villa Sewerage District. For any lot, parcel of land, building or premises situated within the Miami Villa plat limits of the City, having any connection with the City sanitary sewer system or otherwise discharging wastewater, either directly or indirectly, into the City sanitary sewer system, a monthly charge or rental shall be based upon the number of bedrooms or occupants of the facility, or by other means acceptable to the City Manager.

(1) The rates for residential users shall be as follows:

STATEMENT OF INTEREST

Please tell us why you are interested in serving on this board or commission.

I am interested in being part of the Parks and Recreation Board for three reasons: (1) I care about the residents having recreational and outdoor opportunities (2) I have a passion for those experiences in my own life and (3) I believe I can make a difference based on my history in leadership positions at WPAFB.

(1) I've lived in Huber Heights for 35 years, raising 4 children. My family was, and continues to be, very active in many recreational + outdoor activities. As the city is experiencing significant residential + economic growth, it is important that the recreational + outdoor opportunities keep pace to maintain/improve quality of life.

(2) I was a local coach on 20 different occasions for city or St. Peter sports, and I was a Boy Scout leader. I love the outdoors. I own + live on 11 acres off Taylorville Rd, and I'm restoring the property from a cleared tract of land suitable to a haven for native birds, pollinators and plants. After living here for 23 years, I've seen bluebirds for the first time. I would love for the children of H.H. to experience that natural beauty in our parks.

(3) I've been in leadership positions at WPAFB since 2004, leading data analysis organizations, working with hundreds of colleagues at all levels... while maneuvering the bureaucracy. These experiences would serve me well in this position.

In closing, I've read the #6 2018 "Parks + Recreation Needs Assessment" and "Parks and Recreation Master Plan." These documents seem to provide a solid foundation to guide the work of the Parks and Recreation Board.

I look forward to helping the city enhance its recreational opportunities and natural beauty.

The court also may impose on the offender any other conditions of community control that it considers necessary.

If the court grants unlimited driving privileges to a first-time offender under Ohio R.C. 4510.022, all penalties imposed upon the offender by the court under subsection (h)(1)A.1. of this section for the offense apply, except that the court shall suspend any mandatory or additional jail term imposed by the court under subsection (h)(1)A.1. of this section upon granting unlimited driving privileges in accordance with Ohio R.C. 4510.022.

As used in this subsection, three consecutive days means 72 consecutive hours. If the court determines that the offender is not conducive to treatment in a drivers' intervention program, if the offender refuses to attend a drivers' intervention program,

or if the jail at which the offender is to serve the jail term imposed can provide a drivers' intervention program, the court shall sentence the offender to a mandatory jail term of at least six consecutive days.

- (b) It is prima-facie lawful, in the absence of a lower limit declared or established pursuant to Ohio R.C. 4511.21 by the Ohio Director of Transportation or Council, for the operator of a motor vehicle to operate the same at a speed not exceeding the following:
- (1) A. Twenty miles per hour in school zones during school recess and while children are going to or leaving school during the opening or closing hours, and when 20 miles per hour school speed limit signs are erected; except, that on controlled-access highways and expressways, if the right-of-way line fence has been erected without pedestrian opening, the speed shall be governed by subsection (b)(4) hereof and on freeways, if the right-of-way line fence has been erected without pedestrian opening, the speed shall be governed by subsection (b)(7) hereof.

The end of every school zone may be marked by a sign indicating the end of the zone. - (f) When a speed in excess of both a prima-facie limitation and a limitation in subsection (d) hereof is alleged, the defendant shall be charged in a single affidavit, alleging a single act, with a violation indicated of both subsections (b)(1)A. to (b)(6) hereof, or of a limit declared or established pursuant to this section by the Director or local authorities, and of the limitation in subsection (d) hereof. If it finds no violation of subsections (b)(1)A. to (b)(6) hereof or a limit declared or established pursuant to this section, it shall then consider whether the evidence supports a conviction under subsection (d) hereof.
