  B. The paternity of the consumer for the child to which the obligation relates has been established or acknowledged by the consumer in accordance with state laws under which the obligation arises (if required by those laws);

  C. The Consumer Report Information will be kept confidential, will be used solely for a purpose described in subparagraph (A) above, and will not be used in connection with any other civil, administrative, or criminal proceeding, or for any other purpose.

- Subscriber is an agency administering a state plan under Section 454 of the Social Security Act (42 U.S.C. 654) and will use the information to set an initial or modified child support award.

3.5 Account Review/Account Monitoring Certification. In the event that Subscriber requests Consumer Report Information for account review or monitoring purposes, whether batch or on-line, Subscriber shall make such requests solely for review or monitoring of Subscriber's own open accounts and/or closed accounts with balances owing, and for no other purpose. Subscriber shall notify TransUnion in a mutually acceptable format of the review or monitoring methods and criteria desired, and of any desired changes to or deletion of any individual monitoring set, and shall delete individual monitoring sets on any consumers if Subscriber ceases to have a permissible purpose to receive Consumer Report Information on such consumers. When Subscriber requests information as a potential investor or servicer, or current insurer, in connection with a valuation of or an assessment of the credit or prepayment risks associated with an existing credit obligation, Subscriber shall first obtain the prior written consent of the current account owner or servicer of such accounts and make a copy of such consent available to TransUnion.

3.6 Prescreening Certifications. Provided that Subscriber meets all TransUnion reporting requirements for prescreening customers as may be established by TransUnion from time to time, TransUnion, upon request by Subscriber, agrees to extract names from TransUnion's central computer file of credit information, or to screen names of individuals contained on a base list mutually acceptable to TransUnion and Subscriber, in accordance with selection criteria as specified by Subscriber and acceptable to TransUnion ("Prescreen Services"). Prescreen Services may include scores, attributes and/or other appends as mutually agreed. Each such request for prescreened names, including, but not limited to, such criteria associated with each such request, is hereby incorporated into this Agreement by reference.

3.6.1 Format and Delivery. TransUnion shall supply, and deliver to Subscriber, such Prescreen Services in the form of prescreened lists ("Prescreened Lists"), in a mutually agreed upon format. TransUnion will be responsible for the computer programming of the selection criteria specified by Subscriber.

3.6.2 Third Party Processors. Subscriber shall notify TransUnion, in writing, whether it intends to have a designated third party processor ("Processor") perform further processing of Prescreened Lists to further refine the selection. Upon such notification, TransUnion shall deliver such Prescreened Lists to Subscriber's designated Processor provided said Processor has been approved by TransUnion and has executed an agreement for processing with TransUnion. Subscriber shall so notify TransUnion in writing in conjunction with each prescreen request as to whether Subscriber intends to so utilize Processor. Subscriber certifies that neither the criteria used to select the names nor the tape nor media layout description of the attributes will be disclosed by Subscriber to Processor. Subscriber certifies that it will not request or receive from Processor any names of consumers other than those to which it will make a firm offer of credit or insurance, as defined by the FCRA ("Firm Offer"). Moreover, Subscriber shall require that Processor provide to TransUnion, in a mutually agreed upon format, clearly labeled media identifying all consumers on such refined Prescreened List so that TransUnion can post inquiries to its files on such consumers as required by law. Subscriber shall require that Processor provide such media to TransUnion upon completion of such further processing but in no event later than seventy-five (75) days after Processor's receipt of the media from TransUnion.

3.6.3 Subscriber Solicitation and Use of the Prescreened Lists. Except as otherwise mutually agreed, Subscriber will be responsible for preparation of solicitation materials and all other communications to be made with prescreened individuals. Subscriber hereby certifies that it will extend a Firm Offer of credit or insurance to each and every individual named on the Prescreened List, or Processor-refined Prescreened List, and that such offer will not be withdrawn or withheld after the offer is made, except as permitted by the FCRA. Subscriber further agrees to make available to TransUnion upon request a sample or draft of the mail piece or telemarketing script in which the Firm Offer will be made, and TransUnion may refuse to provide Prescreened Lists if TransUnion has a good faith belief that the proposed offer is not a Firm Offer of credit or insurance. However, notwithstanding this right to review the mail piece or script, TransUnion shall have no liability for failure of such mail piece or script to comply with applicable law, including, but not limited to, the FCRA.

3.6.4 Use Restrictions. Such information shall not be revealed or made available, in whole or in part, to any person except employees of Subscriber or Processor who have a need to know as expressly authorized under this Agreement. In no event shall the Prescreened Services be used for the processing of credit applications or underwriting insurance in the normal course of business. Except solely to the extent necessary to utilize such Prescreened Lists pursuant to the terms and conditions of this Agreement, Subscriber shall not copy the Prescreened Lists, or any portion thereof, without TransUnion's prior written consent, nor grant any other person or entity the right to do so. Moreover, Subscriber is not granted any ownership rights or title to the Prescreened Lists or to any information contained in any and all such Prescreened Lists.

3.7 Instant Decision Processing. TransUnion offers a suite of automated instant decision processing tools that:

(i) determine whether a consumer qualifies for requested products or service, made available subject to the permissible certifications in Section 3.4, above; (ii) reviews existing customers for possible action on an account, made available subject to Section 3.5, above; or, (iii) performs a prescreen of an individual's consumer credit file against pre-determined credit criteria, made available subject to Section 3.6, above (collectively, "Instant Decision Processing").

3.7.1 TransUnion has developed a service that allows its customers electing Instant Decision Processing services to retrieve, through the Internet, the instant decision screen and Consumer Report Information, if applicable, generated as a result of a previously processed instant credit decision transaction ("Previous Instant Credit Decision"). Consumer Report Information will be limited for decisions relating to prescreening. TransUnion may make the Previous Instant Credit Decision available to subscribers electing Instant Decision Processing services. TransUnion, for each individual instant credit decision transaction requested by Subscriber, shall exercise reasonable efforts to retain, on behalf of Subscriber, the Previous Instant Credit Decision which was originally delivered to Subscriber for a period of thirty-five (35) days from such instant credit decision transaction.

3.7.2 Subscriber hereby represents and warrants that, for each individual instant credit decision transaction for which Subscriber utilized Previous Instant Credit Decision, Subscriber shall use the Previous Instant Credit Decision solely: (i) for the specific permissible purpose, pursuant to the FCRA, for which Subscriber requested such individual instant credit decision transaction; and, (ii) solely in conjunction with such particular individual instant credit decision transaction. Subscriber shall not use Previous Instant Credit Decision for any other purpose whatsoever.

3.8 California Certification. If Subscriber is a retailer who uses Consumer Report Information in connection with in-person credit applications, subject to the California Consumer Credit Reporting Agencies Act and all amendments thereto, then Subscriber shall instruct its employees responsible for receiving in-person credit applications from California consumers, including point of sale applications, to inspect the applicant's photo identification prior to requesting Consumer Report Information. Subscriber shall identify to TransUnion, either by subscriber code or by flag on the affected inquiry when it requests Consumer Report Information for an in-person credit application.

3.9 Vermont Certification. Subscriber agrees to comply with Vermont law when requesting a consumer report on a Vermont resident. Subscriber expressly agrees to obtain the consumer's consent before requesting a consumer report to the extent and in the manner required by Vermont law.

4. Ancillary Services.

4.1 Fraud Prevention Services. TransUnion offers several fraud prevention services that evaluate inquiry input elements against other input elements and/or against proprietary databases to identify potential discrepancies and/or inaccuracies. Fraud prevention service messages may be delivered with Consumer Report Information as a convenience, but are not part of a consumer's file nor are they intended to be consumer reports. In the event Subscriber obtains any fraud prevention services from TransUnion in conjunction with Consumer Report Information or as a stand-alone service, Subscriber shall not use the fraud prevention services, in whole or in part, as a factor in establishing an individual's creditworthiness or eligibility for credit, insurance, employment, or for any other purposes under the FCRA. Moreover, Subscriber shall not take any adverse action against any consumer that is based in whole or in part on the fraud prevention services. As a result of information obtained from the fraud prevention services, it is understood that Subscriber may choose to obtain additional information from one or more additional independent sources. Any action or decision as to any individual, which is taken or made by Subscriber based solely on such additional information obtained from such additional independent source(s) shall not be deemed prohibited by this Section 4.1.

4.2 Reference Services.

4.2.1 TransUnion offers a suite of reference services from sources other than its Consumer Reporting Database ("Non-CRD Reference Services"), which it may make available to Subscriber under the terms of this Agreement. Subscriber shall not use Non-CRD Reference Services for marketing purposes without the prior written consent of TransUnion.

4.2.2 TransUnion also offers the suite of reference services from its Consumer Reporting Database ("CRD Reference Services"). If Subscriber desires to receive CRD Reference Services, Subscriber hereby certifies that the specific purpose(s) for which the CRD Reference Services will be requested, obtained and used by Subscriber is one or more of the following uses as described in, and as may be interpreted from time to time, by competent legislative, regulatory or judicial authority, and as being encompassed by Section (6802)(e) of the Gramm-Leach-Bliley Act, Title V, Subtitle A, Financial Privacy (15 U.S.C. § 6801-6809) ("GLB") and the United States Federal Trade Commission rules promulgated thereunder. Subscriber shall not request, obtain or use such CRD Reference Services for any other purpose.

- As necessary to effect, administer, or enforce a transaction requested or authorized by the consumer, or in connection with servicing or processing a financial product or service requested or authorized by the consumer;
- As necessary to effect, administer, or enforce a transaction requested or authorized by the consumer, or in connection with maintaining or servicing the consumer's account with Subscriber and Subscriber is a financial institution;
- With the consent or at the direction of the consumer;
- To protect against or prevent actual or potential fraud, unauthorized transactions, claims, or other liability;
- For use solely in conjunction with a legal or beneficial interest held by Subscriber and relating to the consumer; or,
- For use solely in Subscriber's fiduciary or representative capacity on behalf of the consumer.

4.2.3 For purposes of this Agreement, the term "Reference Services" shall be deemed to include both Non-CRD Reference Services and CRD Reference Services. Subscriber shall not take any adverse action against any consumer that is based in whole or in part on the Reference Services.

4.3 Depersonalized Data Services. From time to time, Subscriber may desire to obtain depersonalized data ("Data Services") identified in a Data Services request form or other mutually agreed upon document signed by an authorized representative of Subscriber ("Data Services Request" or "DSR"). Subscriber represents and warrants that Subscriber shall use any and all Data Services received pursuant to this Agreement solely for one or more of the following purposes:

A. Determination of the validity of an existing risk score model or of certain data attributes, when such model or attributes will be used in conjunction with the evaluation of consumer credit information received and used under this Agreement;

B. Building Subscriber's own consumer credit information-based model which model shall be used solely in conjunction with the evaluation of consumer credit information received and used under this Agreement;

C. Review and validation of Subscriber's policies relating to credit eligibility or any other permissible purpose under the FCRA, which policies Subscriber shall use in conjunction with evaluating consumer credit information received and used under this Agreement;

D. Determination of the qualitative value of consumer credit information TransUnion provides under this Agreement; or,

E. Other appropriate purpose as agreed to by TransUnion and Subscriber in an applicable DSR.

4.3.1 Subscriber shall not use Data Services for any other purpose and shall take no action as to any individual consumer as the result of the Data Services received under this Agreement. With respect to each request for Data Services, Subscriber represents and warrants that: (i) it does not have the ability to match the Data Services to the identity of any consumer; (ii) it shall make no attempt to obtain data permitting it to match the Data Services to the identity of any consumer; (iii) it will not accept any information from any third party that permits such a match; and, (iv) it will make no such match.

4.4 TransUnion Scores. Subscriber may request, in writing, that TransUnion provide certain TransUnion scores to Subscriber, which shall include the VantageScore (collectively, "TransUnion Score(s)"), in connection with the delivery of a consumer report obtained hereunder or in connection with the delivery of Data Services under Section 4.3. TransUnion agrees to perform such processing as reasonably practicable. Subscriber shall use TransUnion Scores provided in connection with the delivery of a consumer report only in accordance with its permissible purpose under the FCRA certified at the time of its request for such TransUnion Scores. Subscriber will request TransUnion Scores only for Subscriber's exclusive use. Subscriber may store TransUnion Scores solely for Subscriber's own use in furtherance of Subscriber's original purpose for obtaining the TransUnion Scores.

4.4.1 Adverse Action Factors. Subscriber recognizes that factors other than the TransUnion Score may be considered in making a decision as to a consumer. Such other factors include, but are not limited to, the credit report, the individual account history, application information, and economic factors. TransUnion may provide score reason codes to Subscriber which are designed to indicate the principal factors that contributed to the TransUnion Score, and may be disclosed to consumers as the reasons for taking adverse action, as required by the Equal Credit Opportunity Act ("ECOA") and its implementing Regulation ("Reg. B"). The TransUnion Score itself, when accompanied by the corresponding reason codes, may also be disclosed to

the consumer who is the subject of the TransUnion Score. However, the TransUnion Score itself may not be used as the reason for adverse action under Reg. B.

4.4.2 Use of TransUnion Scores for Model Development or Model Calibration. TransUnion Scores obtained in conjunction with Data Services under Section 4.3 for the purpose of model development or model calibration, may be used for model development or model calibration in compliance with the following conditions: (i) the TransUnion Scores may only be used as an independent variable in custom models; (ii) only the raw depersonalized TransUnion Score and TransUnion Score segment identifier may be used in modeling (i.e. no other TransUnion Score information may be used, including, but not limited to, adverse action reasons, documentation, or scorecards); and, (iii) Subscriber's depersonalized analytics and/or depersonalized third party modeling analytics performed on behalf of Subscriber, using TransUnion Scores, will be kept confidential and not disclosed to any third party except to: (a) Subscriber's third party processing agents and other contractors of Subscriber who have executed an agreement that limits the use of the TransUnion Scores by the third party only to the use permitted to Subscriber and contains the prohibitions set forth herein regarding model development, model calibration, reverse engineering and confidentiality; (b) to governmental regulatory agencies; and/or, (c) as required by law. In no event may Subscriber reverse engineer the TransUnion Scores.

4.4.3 Confidentiality of TransUnion Scores. The TransUnion Score is proprietary to TransUnion and shall not be disclosed to any other third party without TransUnion's prior written consent, except as expressly permitted herein or where clearly required by law. All TransUnion Scores provided hereunder will be held in strict confidence and may never be sold, licensed, copied, reused, or reproduced, and may never be disclosed, revealed or made accessible, in whole or in part, to any Person (as defined herein), except: (i) to those employees of Subscriber with a need to know and in the course of their employment; (ii) to those agents and contractors of Subscriber who have a need to know in connection with Subscriber's use of the TransUnion Scores as permitted hereunder and who have executed a written agreement that limits the use of the TransUnion Scores by the third party only to the use permitted to Subscriber and contains the prohibitions set forth herein regarding model development, model calibration, reverse engineering and confidentiality; (iii) when accompanied by the corresponding reason codes, to the consumer who is the subject of the TransUnion Score, when in connection with an adverse action notice; (iv) to governmental regulatory agencies; (v) to ratings agencies, dealers, investors and other third parties for the purpose of evaluating assets or investments (e.g., securities) containing or based on obligations of the consumers to which the TransUnion Scores apply (e.g., mortgages, student loans, auto loans, credit cards), provided that (a) Subscriber may disclose TransUnion Scores only in aggregated formats (e.g., averages and comparative groupings) that do not reveal individual TransUnion Scores, (b) Subscriber shall not provide any information that would enable a recipient to identify the individuals to whom the TransUnion Scores apply, and (c) Subscriber shall enter into an agreement with each recipient that limits the use of the TransUnion Scores to evaluation of such assets or investments; or, (vi) as required by law. Subscriber shall not, nor permit any third party to, publicly disseminate any results of the validations and/or other reports derived from the TransUnion Scores without TransUnion's prior written consent. For the purpose of this Section 4.4.3, "Person" shall mean an individual, a partnership, a corporation, a limited liability company, a trust, a joint venture, an unincorporated organization and any Government Authority. For the purpose of this Section 4.4.3, "Government Authority" means any national, provincial, state, municipal, local or foreign government, ministry, department, commission, board, bureau, agency, authority, instrumentality, unit, or taxing authority thereof.

4.4.4 TransUnion Scores without score factors / adverse action codes. TransUnion Scores without score factors / adverse action codes may be made available to Subscriber in conjunction with Subscriber's request for Consumer Report Information. Subscriber hereby represents and warrants that when Subscriber requests TransUnion Scores without score factors / adverse action codes, Subscriber shall not use such TransUnion Scores, nor any information derived therefrom: (i) to take any adverse action as to any individual consumer; or, (ii) except for prioritization of collection of a credit account, in connection with the collection of a credit account, where such use is consistent with the permissible purpose certified by Subscriber to obtain such TransUnion Score(s).

4.4.5 TransUnion Score Performance. Certain TransUnion Scores are implemented with standard minimum exclusion criteria. TransUnion shall not be liable to Subscriber for any claim, injury, or damage suffered directly or indirectly by Subscriber as a result of any Subscriber requested changes to the exclusion criteria which result in normally excluded records being scored by such TransUnion Scores. TransUnion warrants that the scoring algorithms used in the computation of the scoring services provided under this Agreement ("Models"), are empirically derived from credit data and are a demonstrably and statistically sound method of rank-ordering candidate records with respect to the purpose of the TransUnion Scores when applied to the population for which they were developed, and that no scoring algorithm used by a TransUnion Score uses a "prohibited basis" as defined in ECOA and Reg. B promulgated thereunder. The TransUnion Score

may appear on a credit report for convenience only, but is not a part of the credit report nor does it add to the information in the report on which it is based.

4.5 Third Party Scores and Other Third Party Services. TransUnion has the capability to offer certain non-TransUnion owned scores derived from models built jointly with third parties, and other services provided by third parties, which are subject to separate warranties offered or terms imposed by such third parties. If desired by Subscriber, such third party scores and services shall be made available pursuant to a separate agreement or pursuant to an addendum or Exhibit to this Agreement. For the avoidance of doubt, those FICO Scores provided by TransUnion to Subscriber pursuant to Exhibit B are third party scores and do not constitute TransUnion-owned Services.

4.6 TruVision OFAC Screen. TransUnion, as a stand-alone service, in conjunction with Consumer Report Information or as an append to an ancillary service, has the capability to offer an indicator in the event a consumer's name, as supplied by Subscriber to TransUnion on input and not as may be found on TransUnion's database(s), appears on the United States Department of Treasury Office of Foreign Asset Control File ("OFAC File"). In the event Subscriber obtains TruVision OFAC Screen services from TransUnion in conjunction with Consumer Report Information or as an append to an ancillary service, Subscriber shall be solely responsible for taking any action that may be required by federal law as a result of a potential match to the OFAC File, and shall not deny or otherwise take any adverse action against any consumer which is based, in whole or in part, on TransUnion's TruVision OFAC Screen services.

5. Additional Terms and Conditions.

5.1 Confidentiality. Subscriber shall hold all Services Information in confidence and shall not disclose such information, in whole or in part, to any person except: (i) as required by law (e.g., an order of a court or data request from an administrative or governmental agency with competent jurisdiction) to be disclosed; provided however, that Subscriber shall provide TransUnion with ten (10) days prior written notice before the disclosure of such information pursuant to this Section 5.1; (ii) its employees that have a need to know in connection with its use of the Services Information as permitted under this Agreement; or, (iii) its authorized agents who have a need to know in connection with its use of the Services Information as permitted under this Agreement and who are bound by written obligations sufficient to limit use of such Services Information strictly for Subscriber's benefit in accordance with the use and other restrictions contained in this Agreement. However, none of the foregoing restrictions shall prohibit Subscriber from disclosing to the subject of the Consumer Report Information, who is the subject of an adverse action, the content of the Consumer Report Information as it relates to any such adverse action. Moreover, information provided by TransUnion in connection with information security, due diligence, or similar Subscriber questionnaire(s) shall be deemed TransUnion confidential information and maintained confidential by Subscriber in the same manner as Services Information. The foregoing obligations of confidentiality with respect to Services Information shall in all instances prevail over contrary or less stringent obligations of confidentiality entered between the parties.

5.2 Safeguards. Each party shall implement, and shall take measures to maintain, reasonable and appropriate administrative, technical, and physical security safeguards ("Safeguards") designed to: (i) ensure the security and confidentiality of non-public personal information as such term is defined under GLB ("NPI"); (ii) protect against anticipated threats or hazards to the security or integrity of NPI; and, (iii) protect against unauthorized access or use of NPI that could result in substantial harm or inconvenience to any consumer. Subscriber shall implement and maintain reasonable security procedures and practices appropriate to the nature of the information and to protect the NPI from unauthorized access, destruction, use, modification, or disclosure including without limitation, ensuring any Subscriber intentional deletion, destruction and/or disposal of NPI (whether in paper, electronic, or any other form, and regardless of medium on which such NPI is stored) is performed in a manner so as to reasonably prevent its misappropriation or other unauthorized use including, but not limited to, cross-shredding printed information and pulverizing or incinerating tapes, disks and other such non-paper media.

5.3 Authorized Requests. Subscriber shall use the Services and Services Information: (i) solely for the Subscriber's certified use(s); (ii) solely for Subscriber's exclusive one-time use; and, (iii) subject to the terms and conditions of this Agreement. Subscriber shall not request, obtain or use Services for any other purpose including, but not limited to, for the purpose of selling, leasing, renting or otherwise providing information obtained under this Agreement to any other party, whether alone, in conjunction with Subscriber's own data, or otherwise in any service which is derived from the Services. Services shall be requested by Subscriber's designated and authorized employees and agents having a need to know and only to the extent necessary to enable Subscriber to use the Services and Services Information in accordance with this Agreement, and, with respect to agents, only by those who are bound by written obligations sufficient to limit use of such Services and Services Information strictly for Subscriber's benefit in accordance with the use and other restrictions contained in this Agreement. Subscriber shall endeavor to ensure that such Subscriber designated and authorized employees and agents shall not attempt to obtain any Services on themselves, associates, or any other person except in the exercise of their official duties.

5.4 Rights to Services. Subscriber shall not attempt, directly or indirectly, to reverse engineer, decompile, or disassemble Services and Services Information, or any confidential or proprietary criteria developed or used by TransUnion relating to the Services provided under this Agreement. Except as explicitly set forth in this Agreement the entire right, title and interest in and to the Services and all copyrights, patents, trade secrets, trademarks, trade names, and all other intellectual property rights associated with any and all ideas, concepts, techniques, inventions, processes, or works of authorship including, but not limited to, all materials in written or other tangible form developed or created by TransUnion in its performance of the Services, shall at all times vest exclusively in TransUnion. TransUnion reserves all rights not explicitly granted to Subscriber under this Agreement. Subscriber acknowledges that any misappropriation or threatened misappropriation of TransUnion's rights in and to the Services and other TransUnion intellectual property, or any breach or threatened breach of the foregoing restrictions, may cause immediate and irreparable injury to TransUnion, and in such event, TransUnion shall be entitled to seek injunctive relief, without the necessity to post bond, in addition to any and all other remedies available at law or in equity. Nothing stated herein will be construed to limit any other remedies available to TransUnion under this Agreement including, but not limited to suspension and/or termination.

5.5 Compliance with Laws. Each party hereto shall be responsible for its own compliance with all applicable federal and state legislation, regulations and judicial actions, including, but not limited to, FCRA, GLB and all other applicable privacy laws, "do not call" laws, the Drivers Privacy Protection Act (18 U.S.C. Section 2721 et seq.) and similar and/or associated state laws and regulations governing the use and disclosure of drivers' license information, as now or as may become effective, to which it is subject. Changes in the performance of TransUnion's obligations under this Agreement necessitated by TransUnion's good faith interpretations of any applicable law, regulation, judicial or regulatory action or license rights, shall not constitute a breach of this Agreement.

5.5.1 Death Master File. Data provided by TransUnion as part of Services may include information obtained from the Death Master File ("DMF") made available by the US Department of Commerce National Technical Information Service and subject to regulations found at 15 CFR Part 1110. Subscriber shall comply with all applicable laws including, with respect to DMF data, 15 CFR Part 1110. Recipients of DMF data that fail to comply with 15 CFR Part 1110 may be subject to, among other things, penalties under 15 CFR 1110.200 of $1,000 for each disclosure or use, up to a maximum of $250,000 in penalties per calendar year.

5.6 Fees and Payments. Subscriber agrees to pay the fees and charges for Services provided to Subscriber under this Agreement. Such pricing is hereby incorporated into this Agreement by reference. Any periodic and/or minimum Subscriber fees under this Agreement are non-refundable, in whole or in part, in the event of a termination of this Agreement. TransUnion reserves the right to change the fees and charges from time to time, but no change in such charges shall become effective as to the Subscriber earlier than thirty (30) days after written notice thereof shall have been given by TransUnion to Subscriber. Subscriber shall pay all taxes, duties and/or other charges of any kind imposed by any federal, state, or local governmental entity for the Services, Services Information, or both, provided under this Agreement unless they provide a valid tax exemption certificate However, Subscriber shall not be responsible for taxes imposed upon TransUnion by any federal, state or local authority against the gross income of TransUnion.

5.6.1 In addition, in the event that TransUnion's cost of rendering Services increases as a result of federal, state or local laws, ordinances or other regulatory, administrative or governmental acts, then TransUnion may implement a surcharge subject to the following: (i) any surcharge will be applicable generally to TransUnion's customers; (ii) TransUnion will provide sixty (60) days prior written notice to Subscriber prior to implementing any new surcharge; and, (iii) any surcharge will be applied only to Services pertaining to consumers in the geographic area affected by the law, ordinance or other regulatory, administrative or governmental ordinance or other regulatory, administrative or governmental act. A legislative surcharge is imposed on certain types of reports pertaining to consumers residing in the United States, and an additional surcharge is imposed on certain reports pertaining to only Colorado residents.

5.6.2 TransUnion shall provide invoices to Subscriber and Subscriber shall pay such invoices within thirty (30) days receipt of the invoice.

5.7 Term, Termination and Survival. The term of this Agreement shall commence upon the Effective Date and shall remain in effect until terminated by any party hereto for any reason whatsoever by providing thirty (30) days prior written notification to the other party. Moreover, without limiting any other remedies to which either party may be entitled, if a party, in good faith, determines that the other party has materially breached any of

its obligations under this Agreement, such party shall provide written notice to the other party of such determination. The breaching party shall have thirty (30) days to cure any alleged breach, provided that such breach is curable. If the breaching party fails to cure within thirty (30) days of receiving such written notice or if such breach is not curable, the non-breaching party shall have the right to immediately suspend its performance, in whole or in part, under this Agreement, immediately terminate this Agreement, or both.

5.7.1 The foregoing notwithstanding, TransUnion reserves the right, at TransUnion's sole option, to immediately suspend its performance, in whole or in part, under this Agreement, or immediately terminate this Agreement, if TransUnion, in good faith and in its sole discretion, determines that: (i) the requirements of any law, regulations and/or judicial action have not been met; (ii) as a result of any new, or changes in existing, laws, regulations, and/or judicial actions, that the requirements of any law, regulation and/or judicial action will not be met; (iii) the use of the Services is the subject of litigation or threatened litigation by any governmental agency; (iv) any product, process, or both, including, without limitation, any software, information, data, or other material, as well as any intellectual property rights embodied by any or all of the foregoing (whether licensed to, owned by, or otherwise controlled by, TransUnion), and necessary (as reasonably demonstrated by TransUnion) for the provision of the Services to Subscriber is/are enjoined, likely to be enjoined (in TransUnion's counsel's written opinion), or the licenses thereto is/are otherwise terminated by the licensing entity; and/or, (v) any combination of the foregoing.

5.7.2 With the exception of TransUnion's obligation, if any, to provide Services under this Agreement, all provisions of this Agreement shall survive any such termination of this Agreement including, but not limited to, all restrictions on Subscriber's use of Services Information. Moreover, any such termination shall not relieve Subscriber of any fees or other payments due to TransUnion through the date of any such termination nor affect any rights, duties or obligations of either party that accrue prior to the effective date of any such termination.

5.8 Warranty.

5.8.1 TransUnion Limited Warranty. TransUnion represents and warrants that the Services will be provided in a professional and workmanlike manner consistent with industry standards. In the event of any breach of this warranty, TransUnion shall exercise commercially reasonable efforts to re-perform the applicable Services which are not in compliance with the above warranty, provided that: (i) TransUnion receives written notice of such breach within ten (10) days after performance of the applicable Services; and (ii) the Services are able to be re-performed. TransUnion, in the event it cannot re-perform such Services, shall refund the fees paid by Subscriber for the applicable Services which are not in compliance with the above warranty. **SUBSCRIBER ACKNOWLEDGES AND AGREES THAT TRANSUNION'S SOLE AND EXCLUSIVE OBLIGATION, AND SUBSCRIBER'S SOLE AND EXCLUSIVE REMEDY, IN THE EVENT OF ANY BREACH OF THE FOREGOING WARRANTY IS AS SET FORTH IN THIS SECTION 5.8.1. TRANSUNION DOES NOT WARRANT THE SERVICES TO BE UNINTERRUPTED OR ERROR-FREE OR THAT THE SERVICES WILL MEET SUBSCRIBER'S REQUIREMENTS. THE WARRANTY SET FORTH IN THIS SECTION 5.8.1 IS IN LIEU OF ALL OTHER WARRANTIES, WHETHER STATUTORY, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, WARRANTIES THAT MIGHT BE IMPLIED FROM A COURSE OF PERFORMANCE OR DEALING OR TRADE USAGE OR WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. NO REPRESENTATIVE OF TRANSUNION IS AUTHORIZED TO GIVE ANY ADDITIONAL WARRANTY.**

5.8.2 Subscriber represents and warrants that: (i) it has the authority to enter into and perform under this Agreement; (ii) it has the right to give to TransUnion the rights set forth in this Agreement; and, (iii) it has the right to provide any and all information including, but not limited to, data obtained from third parties, to TransUnion, and to allow TransUnion to provide the same to TransUnion’s subcontractors, for use in performance of the Services.

5.9 Joint Efforts with Respect to Defenses. The parties anticipate the nature of their relationship under this Agreement will present various common legal and factual issues in the event the parties are subject to third party claims arising from this Agreement, thus making it essential or advisable to engage in joint efforts with respect to the defense of any such claim(s). In this regard, the parties agree to work together in good faith with respect to the defense of any such claim(s) without waiving applicable rules of privilege and confidentiality.

5.10 Indemnification for Intellectual Property Infringement. TransUnion, subject to the limitations of liability contained herein, will defend and indemnify Subscriber against a third party claim that any TransUnion-owned Services infringe a United States patent, copyright, trademark, trade secret or other United States intellectual property rights of a third party, provided that: (i) Subscriber gives TransUnion prompt written notice of any such claim of which it has knowledge; (ii) TransUnion is given full control over the defense of such claim and all related settlement negotiations; and, (iii) Subscriber provides TransUnion with the assistance, information and authority necessary to perform TransUnion’s obligations under this Section 5.10. Reasonable out-of-

pocket expenses incurred by Subscriber in providing such assistance will be reimbursed by TransUnion. If any such claim of infringement has occurred or in TransUnion's opinion is likely to occur, then TransUnion may, at its option and expense: (i) use commercially reasonable efforts to procure for Subscriber the right to use the infringing Services; (ii) replace or modify the infringing portion of the Services so that it is no longer subject to any infringement claim, or, (iii) if the foregoing, in TransUnion's reasonable determination, is not practicable, TransUnion shall so notify Subscriber of such determination and Subscriber shall have the right to immediately terminate this Agreement. TransUnion shall have no obligation under this Section 5.10 to indemnify or defend Subscriber against a lawsuit or claim of infringement to the extent any such claim or lawsuit results from: (i) other material which is combined with or incorporated into the Services; (ii) any substantial changes or alterations to the information provided as part of the Services by Subscriber; (iii) any misuse or unauthorized use of the Services which, but for Subscriber's misuse or unauthorized use of the Services, such claim would not have occurred; or, (iv) required compliance by TransUnion with design documentation or specifications originating with, specified by or furnished by or on behalf of Subscriber. **THE FOREGOING PROVISIONS STATE THE ENTIRE LIABILITY OF TRANSUNION AND THE SOLE AND EXCLUSIVE REMEDY OF SUBSCRIBER WITH RESPECT TO ANY PROCEEDINGS, CLAIMS, DEMANDS, LOSS, DAMAGE OR EXPENSES INCURRED BY SUBSCRIBER RELATING TO THE INFRINGEMENT OF THIRD PARTY INTELLECTUAL PROPERTY RIGHTS RESULTING FROM THE SERVICES AND THIS AGREEMENT.**

5.11 **Limitation of Liability. TRANSUNION'S SOLE LIABILITY, AND SUBSCRIBER'S SOLE REMEDY, FOR BREACHES OF THIS AGREEMENT BY TRANSUNION ARISING FROM TRANSUNION'S NEGLIGENCE SHALL BE THE CORRECTION OF ANY DEFECTIVE SERVICE OR THE REFUND OF FEES PAID FOR SAME. SUBSCRIBER'S SOLE LIABILITY, AND TRANSUNION'S SOLE REMEDY, FOR BREACHES OF THIS AGREEMENT BY SUBSCRIBER ARISING FROM SUBSCRIBER'S NEGLIGENCE SHALL BE CAPPED AT THE FEES BILLED UNDER THIS AGREEMENT FOR THE SERVICES GIVING RISE TO THE CLAIM. FOR ALL OTHER CLAIMS BY EITHER PARTY AGAINST THE OTHER ARISING OUT OF SUCH OTHER PARTY'S BREACH OF THIS AGREEMENT, THE CULPABLE PARTY'S AGGREGATE TOTAL LIABILITY SHALL BE CAPPED AT SIX (6) TIMES THE AVERAGE MONTHLY FEES BILLED UNDER THIS AGREEMENT PRIOR TO THE FIRST SUCH CLAIM ARISING.**

5.11.1 **IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, SPECIAL, OR PUNITIVE DAMAGES INCURRED BY THE OTHER PARTY AND ARISING OUT OF THE PERFORMANCE OF THIS AGREEMENT, INCLUDING BUT NOT LIMITED TO LOSS OF GOOD WILL AND LOST PROFITS OR REVENUE, WHETHER OR NOT SUCH LOSS OR DAMAGE IS BASED IN CONTRACT, WARRANTY, TORT, NEGLIGENCE, STRICT LIABILITY, INDEMNITY, OR OTHERWISE, EVEN IF A PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THESE LIMITATIONS SHALL APPLY NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY.**

5.11.2 **ADDITIONALLY, (I) NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR ANY AND ALL CLAIMS ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT BROUGHT MORE THAN TWO (2) YEARS AFTER THE CAUSE OF ACTION HAS ACCRUED, AND (II) IN NO EVENT SHALL ANY OF THE LIMITATIONS OF LIABILITY SET FORTH IN THIS AGREEMENT APPLY TO LIMIT SUBSCRIBER'S LIABILITY TO PAY FEES AND CHARGES.**

5.12 Assignment and Subcontracting. Neither party may assign or otherwise transfer this Agreement, in whole or in part, without the prior written consent of the other, and such consent shall not be unreasonably withheld. Notwithstanding the foregoing, TransUnion may assign or transfer this Agreement to a wholly-owned subsidiary, in the event of a purchase of substantially all of TransUnion's assets, or in the event of a corporate form reorganization (e.g., LLC to C-Corporation), and Subscriber may assign or transfer its rights and/or obligations under this Agreement to any Affiliate of Subscriber identified on Exhibit A attached hereto. Moreover, TransUnion shall have the unrestricted right to subcontract the Services to be provided to Subscriber by TransUnion under this Agreement; provided however, that such subcontracting shall not relieve TransUnion of its obligations under this Agreement. The limited warranty and limitation of liability provisions set forth in this Agreement shall also apply for the benefit of TransUnion's licensors, subcontractors and agents.

5.13 Security. Subscriber represents and warrants that: (i) all TransUnion-supplied identification codes (each a "User ID") and associated passwords (each a "Password") shall be kept confidential and secure (e.g., Subscriber shall ensure that Passwords are not stored on any desktop and/or portable workstation/terminal nor other storage and retrieval system and/or media, that Internet browser caching functionality is not used to store Passwords and that appropriate firewalls or other electronic barriers are in place); and, (ii) each User ID and Password shall be used solely by individuals Subscriber has authorized to use such User IDs and Passwords. In the event of any unauthorized use, misappropriation or other compromise of User IDs and/or Passwords, Subscriber shall promptly (but in no event later than forty-eight (48) hours after the occurrence of any of the foregoing) notify TransUnion by phone and in writing.

Subscriber shall fully cooperate with TransUnion in mitigating any damages due to any misappropriation or unauthorized use or disclosure of any NPI or Consumer Report Information. Such cooperation shall include, but not necessarily be limited to, allowing TransUnion to participate in the investigation of the cause and extent of such misappropriation and/or unauthorized use or disclosure. Such cooperation shall not relieve Subscriber of any liability it may have as a result of such a misappropriation and/or unauthorized use or disclosure. Subscriber agrees, that to the extent any such unauthorized use, unauthorized disclosure, misappropriation, or other event is due to Subscriber's (including, without limitation, its employee's, agent's or contractor's) negligence, intentional wrongful conduct, or breach of this Agreement, Subscriber shall be responsible for any required consumer, public and/or other notifications, and all costs associated therewith; provided however, that other than except to the extent required to comply with applicable law, Subscriber shall make no public notification, including but not limited to press releases or consumer notifications, of the potential or actual occurrence of such misappropriation and/or unauthorized disclosure without TransUnion's prior written consent, and, with respect to any such notifications required by law, Subscriber shall not use any TransUnion trade name, trademark, service mark, logo, in any such notifications without the prior written approval of TransUnion.

5.14 In the event Subscriber will utilize a third party intermediary or other agent or contractor for the purpose of transmitting requests for, receiving, archiving, storing, hosting, or otherwise performing processing of any kind related to, Services and/or Services Information, Subscriber shall ensure it has first entered into an agreement with such third party consistent with the requirements of this Agreement and prohibiting such third party's use of, and access to, the Services and Services Information for any purpose other than to the extent necessary to provide such services to Subscriber in compliance with the terms of this Agreement; provided, however, Subscriber shall not be permitted to engage a third party for such purposes without first obtaining TransUnion's written permission if such third party is one of the following entities or any of their affiliates: Experian Information Solutions, Inc., Equifax, Inc., Innovis Data Solutions, Inc., Fair Isaac Corporation, LexisNexis, ID Analytics, Inc., Clarity Services, Inc., Dun & Bradstreet, Inc., DataX Ltd., Verisk Analytics, Inc., PayNet, Inc., Corelogic, Inc., MicroBilt Corporation/PRBC, or any other entity that TransUnion deems to be its competitor. Subscriber shall be solely liable for such third parties' actions or omissions, including, but not limited to, any misappropriation or other compromise of User IDs and/or Passwords, any misappropriation and/or unauthorized disclosure of Services Information (including, but not limited to, consumer credit information), any security breaches, or any misuse of the Services Information in violation of this Agreement or applicable law. Furthermore, Subscriber understands and agrees that its third party intermediaries, agents and/or contractors shall not be entitled as a third party beneficiary or otherwise, to take any action or have any recourse against TransUnion in respect of any claim based upon any actual or alleged failure to perform under this Agreement.

5.15 No Waiver. No failure or successive failures on the part of either party, or its respective successors or permitted assigns, to enforce any covenant or agreement, and no waiver or successive waivers on the part of either party, or its respective successors or permitted assigns, of any condition of this Agreement, shall operate as a discharge of such covenant, agreement, or condition, or render the same invalid, or impair the right of either party, its respective successors or permitted assigns, to enforce the same in the event of any subsequent breach or breaches by the other party, its successors or permitted assigns.

5.16 Independent Contractors. This Agreement is not intended to create or evidence any employer-employee arrangement, agency, partnership, joint venture, or similar relationship of any kind whatsoever between TransUnion and Subscriber. Moreover, no party shall, by virtue of this Agreement, have any right or power to create any obligation, express or implied, on behalf of any other party.

5.17 Construction and Severability. All references in this Agreement to the singular shall include the plural where applicable. Titles and headings to sections or paragraphs in this Agreement are inserted for convenience of reference only and are not intended to affect the interpretation or construction of this Agreement. If any term or provision of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions shall remain in full force and effect and shall in no way be affected, impaired or invalidated.

5.18 Force Majeure. Neither party shall be liable to the other for failure to perform or delay in performance under this Agreement if, and to the extent, such failure or delay is caused by conditions beyond its reasonable control and which, by the exercise of reasonable diligence, the delayed party is unable to prevent or provide against. Such conditions include, but are not limited to, acts of God; strikes, boycotts or other concerted acts of workers; failure of utilities; laws, regulations or other orders of public authorities; military action, state of war, acts of terrorism, or other national emergency; fire or flood. The party affected by any such force majeure event or occurrence shall give the other party written notice of said event or occurrence within five (5) business days of such event or occurrence.

5.19 Audit Rights. During the term of this Agreement and for a period of three (3) years thereafter, TransUnion may, upon reasonable notice and during normal business hours, audit Subscriber's policies, procedures and records which pertain to this Agreement to ensure compliance with this Agreement.

5.20 No Presumption against Drafter. Each of the parties has jointly participated in the negotiation and drafting of this Agreement. In the event of any ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by each of the parties and no presumptions or burdens of proof shall arise favoring any party by virtue of the authorship of any of the provisions of this Agreement.

Governing Law; Venue; This Agreement shall be exclusively construed, governed, and controlled by the laws of the State of Tennessee without regard to principles of law, including conflicts of law, of any other jurisdiction, territory, country, and/or province. Any dispute arising out of or relating to this Agreement shall exclusively be brought in Chancery Court or the Circuit Court of Knox County, Tennessee. Each party consent to personal jurisdiction thereto and waives any defenses based on personal jurisdiction, venue, and inconvenient forum

5.21 Trademarks. Both Subscriber and TransUnion shall submit to the other party for written approval, prior to use, distribution, or disclosure, any material including, but not limited to, all advertising, promotion, or publicity in which any trade name, trademark, service mark, and/or logo (hereinafter collectively referred to as the "Marks") of the other party are used (the "Materials"). Such party, from whom approval is being requested, shall not unreasonably withhold its approval. Both parties shall have the right to require, at each party's respective discretion and as communicated in writing, the correction or deletion of any misleading, false, or objectionable material from any Materials. Moreover, when using the other party's Marks pursuant to this Agreement, a party shall take all reasonable measures required to protect the other party's rights in such Marks, including, but not limited to, the inclusion of a prominent legend identifying such Marks as the property of the other party. In using each other's Marks pursuant to this Agreement, each party acknowledges and agrees that: (i) the other party's Marks are and shall remain the sole properties of the other party; (ii) nothing in this Agreement shall confer in a party any right of ownership in the other party's Marks; and, (iii) neither party shall contest the validity of the other party's Marks. Notwithstanding anything in this Agreement to the contrary, TransUnion shall have the right to disclose to third parties Subscriber's Marks to the extent they appear in consumer credit reports containing Subscriber's account information and/or inquiries without the prior written approval of Subscriber.

5.22 CFPB Notices. By signing this Agreement, Subscriber acknowledges receipt of a copy of the Consumer Financial Protection Bureau's "Notice to Users of Consumer Reports: Obligations of Users Under the FCRA" and a copy of the Consumer Financial Protection Bureau's "Notices to Furnishers of Information: Obligations of Furnishers Under the FCRA". Any future updates to the forgoing notices will be accessible by Subscriber on TransUnion's website.

5.23 **Entire Agreement. THIS AGREEMENT INCLUDING, WITHOUT LIMITATION, ALL EXHIBITS AND ATTACHMENTS HERETO, CONSTITUTES THE ENTIRE AGREEMENT BETWEEN TRANSUNION AND SUBSCRIBER AND SUPERSEDES ALL PREVIOUS AGREEMENTS AND UNDERSTANDINGS, WHETHER ORAL OR WRITTEN, EXPRESS OR IMPLIED, SOLELY WITH RESPECT TO THE SUBJECT MATTER OF THIS AGREEMENT. THIS AGREEMENT MAY NOT BE ALTERED, AMENDED, OR MODIFIED EXCEPT BY WRITTEN INSTRUMENT SIGNED BY THE DULY AUTHORIZED REPRESENTATIVES OF BOTH PARTIES. THIS AGREEMENT SHALL NOT BE BINDING ON EITHER PARTY UNTIL SIGNED BY TRANSUNION. THE INDIVIDUAL EXECUTING THIS AGREEMENT ON BEHALF OF SUBSCRIBER HAS DIRECT KNOWLEDGE OF ALL FACTS CERTIFIED AND THE AUTHORITY TO BIND SUBSCRIBER TO THE TERMS OF THIS AGREEMENT.**

EXHIBIT B
FAIR ISAAC SCORES

This Exhibit for Fair Isaac Scores is entered into pursuant to the terms of that certain TransUnion Master Agreement for Consumer Reporting and Ancillary Services entered between TransUnion and Subscriber. In the event of a conflict between this Exhibit and the Agreement, the terms of this Exhibit shall govern solely with respect to FICO Scores.

1. This Exhibit governs the use by Subscriber of credit risk scores or insurance risk scores of Fair Isaac Corporation ("Fair Isaac") ("FICO Scores") Subscriber receives from TransUnion. From time to time, Subscriber may request that TransUnion provide FICO Scores (other than Archive Scores, as defined below), and TransUnion agrees to perform such processing as reasonably practicable, for each one of the following purposes requested: (a) in connection with the review of an on-line consumer report it is obtaining from TransUnion; (b) for the review of the portion of its own open accounts and/or closed accounts with balances owing that it designates; (c) as a potential investor or servicer, or current insurer, in connection with a valuation of, or an assessment of the credit or prepayment risks associated with, an existing credit obligation; (d) for use as a selection criteria to deliver a list of names to Subscriber, or Subscriber's designated third party processor agent, for transactions not initiated by the consumer for the extension of a firm offer of credit or insurance; or (e) [with respect to the insurance risk scores only], for use in connection with the underwriting of insurance involving the consumer. Subscriber shall use each such FICO Score only once and, with respect to FICO Scores other than Archive Scores, only in accordance with the permissible purpose under the FCRA for which Subscriber obtained the FICO Scores. Subscriber may store FICO Scores solely as required for regulatory compliance purposes and in no event shall Subscriber use such stored FICO Scores for any purpose whatsoever; provided, however, Subscriber may use for its internal Tracking purposes stored FICO Scores that have been provided to it for prescreening purposes under subsection (d) above. "Tracking' means the use of FICO Scores that were generated as part of the particular prescreening program for prospects who are provided with a firm offer of credit or insurance, solely: (y) in conjunction with processing responses from such prospects who wish to accept the prescreen firm offer of credit or insurance; and (z) for analysis performed to measure the results and success level of the solicitation program for which such FICO Scores were generated, including, but not limited to the FICO Score/response/non-response relationship.

2. Subscriber may also request that TransUnion provide FICO Scores that utilize archived, depersonalized, consumer report information ("Archive Scores") and TransUnion agrees to perform such processing as reasonably practicable. Subscriber shall use the Archive Scores solely to determine the validity of the FICO Scores for the benefit of Subscriber for the single project for which the Archive Scores were acquired, but for no other purpose and for no other entity. Determining validity of the FICO Scores consists solely of: (a) internal validation on Subscriber's own account performance data; (b) internal evaluation of the predictive strength of the FICO Scores as compared to other scores, (c) internal evaluation of the value of the FICO Scores as an internal component of custom models; and/or (d) establishing score cut-offs and strategies, as they relate to Subscriber's portfolios. Subscriber shall not make any attempt to link the Archive Scores to any information which identifies the individual consumers.

3. Subscriber acknowledges that the FICO Scores are proprietary to Fair Isaac and that Fair Isaac retains all intellectual property rights in the FICO Scores and the Model(s) (defined below) used by TransUnion to generate the FICO Scores. Fair Isaac grants to Subscriber, effective during the term of this Exhibit, a personal, non-exclusive, non-transferable, limited license to use, internally, the FICO Scores solely for the particular purpose set forth in Section 1 or 2 above for which the FICO Scores were obtained, subject to the limitations set forth in this Exhibit, including, but not limited to the single use restrictions set forth above. Subscriber's use of the FICO Scores must comply at all times with applicable federal, state and local law and regulations, and Subscriber hereby certifies that it will use each FICO Score (other than Archive Scores) only for a permissible purpose under the FCRA. Subscriber shall not attempt to discover, reverse engineer, or similar or emulate the functionality of the FICO Scores, Models or other proprietary information of Fair Isaac, or use the FICO Scores in any manner not permitted under this Exhibit, including, without limitation, for resale to third parties, model development, model validation (except as expressly set forth above in Paragraph 2 of this Exhibit), model benchmarking, model calibration or any other purpose that may result in the replacement of or discontinued use of the FICO Scores. "Model" means Fair Isaac's proprietary scoring algorithm(s) embodied in its proprietary scoring software delivered to and operated by TransUnion.

4. Subscriber shall not disclose the FICO Scores nor the results of any validations or other reports derived from the FICO Scores to any third party (other than a consumer as expressly provided for below in this Section 4) unless: (a) such disclosure is clearly required by law; (b) Fair Isaac provides written consent in advance of such disclosure; and/or (c) but only to the extent, such third party is Subscriber's designated third party agent (so long as such third party agent is not TransUnion, Experian, Equifax or VantageScore) only for the uses of FICO Scores as expressly permitted above in Section 1 or 2 for which the FICO Scores were obtained by Subscriber; provided however that in either event (i.e., (b) or (c) above), Subscriber may make such disclosure or in the event of (c), direct TransUnion to deliver FICO Scores to such third party agent, only after Subscriber has entered into an agreement with the third party agent that (i) limits use of the FICO Scores to only the use permitted to Subscriber hereunder; (ii) obligates the third party agent to otherwise comply with the terms of this Exhibit; and (iii) names Fair Isaac as an intended third

party beneficiary of such agreement. Subscriber shall not disclose a FICO Score to the consumer to which it pertains unless such disclosure is required by law or is in connection with an adverse action (as defined by the FCRA) and then only when accompanied by the corresponding reason codes. For the avoidance of doubt, Subscriber's participation in any FICO "open access program" or any "scores on statements" type program requires the execution of the TransUnion Open Access amendment to this Exhibit.

5. Subject to conditions which follow, Fair Isaac warrants that, as delivered to TransUnion, the Models used to produce the FICO Scores delivered hereunder are empirically derived and demonstrably and statistically sound. These warranties are conditioned on: (a) Subscriber's use of each FICO Score for the purposes for which the respective Model was designed, as applied to the United States population used to develop the scoring algorithm, (b) Subscriber's compliance with all applicable federal, state and local laws pertaining to use of the FICO Scores, including Subscriber's duty (if any) to validate or revalidate the use of credit scoring systems under the Equal Credit Opportunity Act and its implementing Regulation B ("Reg. B") and (c) Subscriber's use of the FICO Scores otherwise remaining in compliance with the terms of this Exhibit. Fair Isaac also warrants that the credit scoring algorithm does not consider any "prohibited basis" as defined or restricted by Reg. B. FOR ANY BREACH OF THIS WARRANTY, SUBSCRIBER'S SOLE AND EXCLUSIVE REMEDY, AND FAIR ISAAC'S AND TRANSUNION'S ENTIRE LIABILITY, SHALL BE RECALCULATION OF THE FICO SCORES THAT FORMED THE BASIS OF SUCH BREACH. FAIR ISAAC AND TRANSUNION HEREBY DISCLAIM ALL OTHER WARRANTIES, WHETHER STATUTORY, EXPRESS OR IMPLIED INCLUDING, WITHOUT LIMITATION, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND OTHER WARRANTIES THAT MIGHT BE IMPLIED FROM A COURSE OF PERFORMANCE OR DEALING OR TRADE USAGE.

6. IN NO EVENT SHALL SUBSCRIBER, TRANSUNION OR FAIR ISAAC BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, SPECIAL, OR PUNITIVE DAMAGES INCURRED BY ANY PARTY AND ARISING OUT OF THE PERFORMANCE OF THIS EXHIBIT, INCLUDING BUT NOT LIMITED TO LOSS OF GOOD WILL AND LOST PROFITS OR REVENUE, WHETHER OR NOT SUCH LOSS OR DAMAGE IS BASED IN CONTRACT, WARRANTY, TORT, NEGLIGENCE, STRICT LIABILITY, INDEMNITY, OR OTHERWISE, EVEN IF A PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND EVEN IF SUCH DAMAGES WERE REASONABLY FORESEEABLE. THESE LIMITATIONS SHALL APPLY NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY. THE FOREGOING LIMITATIONS SHALL NOT APPLY TO FAIR ISAAC'S OR TRANSUNION'S VIOLATION OF SUBSCRIBER'S INTELLECTUAL PROPERTY RIGHTS NOR SUBSCRIBER'S VIOLATION OF TRANSUNION'S OR FAIR ISAAC'S INTELLECTUAL PROPERTY RIGHTS (INCLUDING THE USE OR DISCLOSURE OF FICO SCORES IN VIOLATION OF THE TERMS OF THIS EXHIBIT). ADDITIONALLY, NEITHER TRANSUNION NOR FAIR ISAAC SHALL BE LIABLE FOR ANY CLAIM ARISING OUT OF OR IN CONNECTION WITH THIS EXHIBIT BROUGHT MORE THAN ONE (1) YEAR AFTER THE CAUSE OF ACTION HAS ACCRUED. IN NO EVENT SHALL TRANSUNION'S AND FAIR ISAAC'S COMBINED AGGREGATE TOTAL LIABILITY UNDER THIS EXHIBIT EXCEED THE AMOUNTS PAID UNDER THIS EXHIBIT DURING THE PRECEDING TWELVE (12) MONTHS FOR THE FICO SCORES THAT ARE THE SUBJECT OF THE CLAIM(S) OR TEN THOUSAND DOLLARS ($10,000.00), WHICHEVER AMOUNT IS LESS.

7. Upon prior written notice, Fair Isaac shall have the right to audit Subscriber to verify Subscriber's compliance with this Exhibit. Subscriber shall accommodate Fair Isaac in connection with such audit. Such accommodation shall include, but not be limited to on-site inspection of Subscriber's records, systems and such documentation as deemed reasonably necessary to demonstrate compliance with this Exhibit. TransUnion and Subscriber acknowledge and agree that Fair Isaac is a third party beneficiary hereunder with respect to the Models, FICO Scores, and other Fair Isaac intellectual property and with fully enforceable rights. Subscriber further acknowledges and agrees that Fair Isaac's rights with respect to the Models, FICO Scores, other Fair Isaac intellectual property, and all works derived therefrom are unconditional rights that shall survive the termination for any reason.

8. This Exhibit constitutes the entire agreement among the parties hereto and supersedes all prior agreements, whether oral or written, express or implied, with respect to the FICO Scores. This Exhibit may not be amended except by written instrument signed by the duly authorized representatives of all parties.

WITNESSETH

WHEREAS, the County is authorized by Tennessee Code Annotated § 5-9-109 to appropriate and spend public monies for and in connection with activities that provide services benefiting the general welfare of Knox County citizens; and

WHEREAS, the County established the Defined Service Program to involve nonprofit organizations in the provision of critical services and programs that the County Government might otherwise provide in the absence of said service or program; and

WHEREAS, the County desires to engage Awardee to render certain assistance, projects, or services in connection with such undertakings of the Defined Service Program, situated in the program area described in Appendix A, which description is incorporated by reference as if fully set forth herein verbatim; and

WHEREAS, the Knox County Commission approved Knox County's FY2026 Budget on May 19, 2025, with an effective date of July 1, 2025 and thereby included funding as described in Appendix C herein.

NOW, THEREFORE, the parties do hereby mutually agree as follows:

A. SCOPE OF SERVICES

Awardee agrees to undertake the following activities as the scope of this Agreement:

1. Awardee in close coordination with the County, shall perform all projects and services ("WORK") necessary to complete the activities that promote economic recovery, social welfare and common good of County residents in full compliance with the terms of this Agreement.

2. The County will provide **TWENTY THOUSAND DOLLARS AND NO/100 ($20,000.00)** in General Funds to Awardee to conduct activities that serve Knox County citizens that otherwise the County might provide in the absence of Awardee's said program or service.

3. Awardee shall do, perform and carry-out in a satisfactory manner, as determined by the County, the goals, objectives and tasks set forth in Appendix B, and incorporated by reference as if fully set forth verbatim herein.

4. Awardee will provide adequate staffing to achieve the goals, objectives and specific terms of this Agreement.

5. The County will monitor the performance of Awardee and evaluate the achievement of the "Performance Indicators" and "Goals, Objectives and Tasks" as outlined in Appendix B herein. Substandard performance as determined by the County will constitute non-compliance with this Agreement. If action to correct such substandard performance is not taken by Awardee within a reasonable period of time after being notified, the County will begin termination procedures and may request repayment of program funds.

B. TERM OF AGREEMENT

1. The term of this Agreement shall be July 1, 2025 through June 30, 2026 unless terminated in conformity with the terms of this Defined Service Agreement as contained in **Section H Special Terms and Conditions.**

2. The County may renew this Agreement for up to two (2) additional periods in increments of one (1) year in the form of an extension to the Agreement. C. COMPENSATION AND REIMBURSEMENT OF EXPENSES

1. It is expressly understood and agreed that in no event will the total amount paid by the County to Awardee under this Agreement exceed **TWENTY THOUSAND DOLLARS AND NO/100 ($20,000.00)**. Program expenses paid to Awardee are provided through the Defined Service Program for services satisfactorily rendered as outlined in Appendix B, "Performance Measurements".

No other claims, including those of Awardee's creditors or lien holders shall be allowed. Awardee shall not claim reimbursement for that portion of its obligations that are paid by another source or revenue. The County reserves the right to inspect records and project sites to determine that reimbursement and compensation requests are reasonable. The County also reserves the right to hold payment until adequate documentation has been provided and reviewed. Final payment shall be made after the County has determined that all services have been rendered and files and documentation delivered.

6. Documentation of expenses including invoice mark paid, receipts, purchasing order, timecards, cancelled checks, and other appropriate documentation must be held in an official grant file at the Awardee's office as proof that the funds were expended only for the services in conformance to the approved project budget schedule, Appendix C.

THIS AGREEMENT is entered into this ____ day of _____, 2025 by **KNOX COUNTY**, hereinafter referred to as the **County**, and **Catholic Charities of East Tennessee, Inc.** a nonprofit corporation, hereinafter referred to as **Awardee** and which is located at 119 Dameron Avenue, Knoxville, Tennessee 37917.

WITNESSETH

WHEREAS, the County is authorized by Tennessee Code Annotated § 5-9-109 to appropriate and spend public monies for and in connection with activities that provide services benefiting the general welfare of Knox County citizens; and

WHEREAS, the County established the Defined Service Program to involve nonprofit organizations in the provision of critical services and programs that the County Government might otherwise provide in the absence of said service or program; and

WHEREAS, the County desires to engage Awardee to render certain assistance, projects, or services in connection with such undertakings of the Defined Service Program, situated in the program area described in Appendix A, which description is incorporated by reference as if fully set forth herein verbatim; and

WHEREAS, the Knox County Commission approved Knox County's FY2026 Budget on May 19, 2025, with an effective date of July 1, 2025 and thereby included funding as described in Appendix C herein.

NOW, THEREFORE, the parties do hereby mutually agree as follows:

A. SCOPE OF SERVICES

Awardee agrees to undertake the following activities as the scope of this Agreement:

1. Awardee in close coordination with the County, shall perform all projects and services ("WORK") necessary to complete the activities that promote economic recovery, social welfare and common good of County residents in full compliance with the terms of this Agreement.

2. The County will provide **FORTY FIVE THOUSAND DOLLARS AND NO/100 ($45,000.00)** in General Funds to Awardee to conduct activities that serve Knox County citizens that otherwise the County might provide in the absence of Awardee's said program or service.

3. Awardee shall do, perform and carry-out in a satisfactory manner, as determined by the County, the goals, objectives and tasks set forth in Appendix B, and incorporated by reference as if fully set forth verbatim herein.

4. Awardee will provide adequate staffing to achieve the goals, objectives and specific terms of this Agreement.

5. The County will monitor the performance of Awardee and evaluate the achievement of the "Performance Indicators" and "Goals, Objectives and Tasks" as outlined in Appendix B herein. Substandard performance as determined by the County will constitute non-compliance with this Agreement. If action to correct such substandard performance is not taken by Awardee within a reasonable period of time after being notified, the County will begin termination procedures and may request repayment of program funds.

B. TERM OF AGREEMENT

1. The term of this Agreement shall be July 1, 2025 through June 30, 2026 unless terminated in conformity with the terms of this Defined Service Agreement as contained in **Section H Special Terms and Conditions.**

2. The County may renew this Agreement for up to two (2) additional periods in increments of one (1) year in the form of an extension to the Agreement. The funding amount may be adjusted upon renewal by the County as recommended by the Mayor and subject to approval by Knox County Commission through the annual budget process.

C. COMPENSATION AND REIMBURSEMENT OF EXPENSES

1. It is expressly understood and agreed that in no event will the total amount paid by the County to Awardee under this Agreement exceed **FORTY FIVE THOUSAND DOLLARS AND NO/100 ($45,000.00)**. Program expenses paid to Awardee are provided through the Defined Service Program for services satisfactorily rendered as outlined in Appendix B, "Performance Measurements".

2. The Awardee specifies and certifies that expenses are incurred and expended in accordance with this Agreement. No other claims, including those of Awardee's creditors or lien holders shall be allowed. Awardee shall not claim reimbursement for that portion of its obligations that are paid by another source or revenue. The County reserves the right to inspect records and project sites to determine that reimbursement and compensation requests are reasonable. The County also reserves the right to hold payment until adequate documentation has been provided and reviewed. Final payment shall be made after the County has determined that all services have been rendered and files and documentation delivered.

3. The Awardee certifies that work to be performed under this Agreement does not duplicate any work to be charged against any other contract, subcontract, or other source. Copies of support documents shall be sent to the offices of the County and shall include invoices and payments for project expenditures, timesheets and supporting personnel expense. KCGCD has the

discretion to amend budget line items outlined in Appendix C, or performance measurements outlined Appendix B by form of an amendment to the Agreement, including incorporating new line items or transferring funding between established budget line items included in this Agreement. Budget amendments and approval shall be required prior to payment of any expenses not conforming to the approved project budget.

Said records shall be maintained for a period of five (5) years with the retention period beginning on the date of the submission of the final program invoice. If there is litigation, claims, audits, negotiations or other actions that involve any of the records cited and that have started before the expiration of the five (5) year period, then such records must be retained until completion of the actions and resolution of all issues, or the expiration of the five (5) year period, whichever occurs later.

5. Awardee shall file claims for payment with the County for costs incurred in accordance with the terms of this Agreement. Each invoice shall be itemized by budget line item, showing the amount spent to date, and the total amount charged to the County on Awardee's letterhead. 6. Documentation of expenses including invoice mark paid, receipts, purchasing order, timecards, cancelled checks, and other appropriate documentation must be held in an official grant file at the Awardee's office as proof that the funds were expended only for the services in conformance to the approved project budget schedule, Appendix C.

1. Awardee in close coordination with the County, shall perform all projects and services ("WORK") necessary to complete the activities that promote economic recovery, social welfare and common good of County residents in full compliance with the terms of this Agreement.

2. The County will provide **THIRTY FIVE THOUSAND DOLLARS AND NO/100 ($35,000.00)** in General Funds to Awardee to conduct activities that serve Knox County citizens that otherwise the County might provide in the absence of Awardee's said program or service.

3. Awardee shall do, perform and carry-out in a satisfactory manner, as determined by the County, the goals, objectives and tasks set forth in Appendix B, and incorporated by reference as if fully set forth verbatim herein.

4. Awardee will provide adequate staffing to achieve the goals, objectives and specific terms of this Agreement.

5. The County will monitor the performance of Awardee and evaluate the achievement of the "Performance Indicators" and "Goals, Objectives and Tasks" as outlined in Appendix B herein. Substandard performance as determined by the County will constitute non-compliance with this Agreement. If action to correct such substandard performance is not taken by Awardee within a reasonable period of time after being notified, the County will begin termination procedures and may request repayment of program funds.

B. TERM OF AGREEMENT

1. The term of this Agreement shall be July 1, 2025 through June 30, 2026 unless terminated in conformity with the terms of this Defined Service Agreement as contained in **Section H Special Terms and Conditions.**

2. The County may renew this Agreement for up to two (2) additional periods in increments of one (1) year in the form of an extension to the Agreement. C. COMPENSATION AND REIMBURSEMENT OF EXPENSES

Program expenses paid to Awardee are provided through the Defined Service Program for services satisfactorily rendered as outlined in Appendix B, "Performance Measurements".

2. The Awardee specifies and certifies that expenses are incurred and expended in accordance with this Agreement. No other claims, including those of Awardee's creditors or lien holders shall be allowed. Awardee shall not claim reimbursement for that portion of its obligations that are paid by another source or revenue. The County reserves the right to inspect records and project sites to determine that reimbursement and compensation requests are reasonable. The County also reserves the right to hold payment until adequate documentation has been provided and reviewed. Final payment shall be made after the County has determined that all services have been rendered and files and documentation delivered.

3. The Awardee certifies that work to be performed under this Agreement does not duplicate any work to be charged against any other contract, subcontract, or other source. Requests to adjust performance measurements and/or adjust budget line items will be considered on a case-by-case basis and require the approval from the Knox County Grants & Community Development (KCGCD) Department prior to invoicing. KCGCD has the

discretion to amend budget line items outlined in Appendix C, or performance measurements outlined Appendix B by form of an amendment to the Agreement, including incorporating new line items or transferring funding between established budget line items included in this Agreement. Budget amendments and approval shall be required prior to payment of any expenses not conforming to the approved project budget.

4. The County shall have the right to review and audit all records of Awardee pertaining to any payment by the County. Said records shall be maintained for a period of five (5) years with the retention period beginning on the date of the submission of the final program invoice. If there is litigation, claims, audits, negotiations or other actions that involve any of the records cited and that have started before the expiration of the five (5) year period, then such records must be retained until completion of the actions and resolution of all issues, or the expiration of the five (5) year period, whichever occurs later.

5. Awardee shall file claims for payment with the County for costs incurred in accordance with the terms of this Agreement. Each invoice shall be itemized by budget line item, showing the amount spent to date, and the total amount charged to the County on Awardee's letterhead. Requests for payment must be submitted by Awardee in the County's web-based reporting system and payment may be withheld until Awardee is current on all reporting requirements.

6. Documentation of expenses including invoice mark paid, receipts, purchasing order, timecards, cancelled checks, and other appropriate documentation must be held in an official grant file at the Awardee's office as proof that the funds were expended only for the services in conformance to the approved project budget schedule, Appendix C.

7. Awardee shall provide the County with a performance measurement report based on performance metrics in Appendix B, on a quarterly basis. Submission will take place within the County's web-based reporting system.

If action to correct such substandard performance is not taken by Awardee within a reasonable period of time after being notified, the County will begin termination procedures and may request repayment of program funds.

B. TERM OF AGREEMENT

1. The term of this Agreement shall be July 1, 2025 through June 30, 2026 unless terminated in conformity with the terms of this Defined Service Agreement as contained in **Section H Special Terms and Conditions.**

4. Termination for Convenience. The County may terminate this Agreement without cause for any reason. A termination for convenience shall not be a breach of this Agreement by the County. DEFINED SERVICE AGREEMENT BETWEEN
KNOX COUNTY
AND
COMMUNITY MEDIATION CENTER

THIS AGREEMENT is entered into this ____ day of _____, 2025 by **KNOX COUNTY**, hereinafter referred to as the **County**, and **Community Mediation Center,** a nonprofit corporation, hereinafter referred to as **Awardee** and which is located at 300 West Main Street Knoxville, Tennessee 37902.

WITNESSETH

WHEREAS, the County is authorized by Tennessee Code Annotated § 5-9-109 to appropriate and spend public monies for and in connection with activities that provide services benefiting the general welfare of Knox County citizens; and

WHEREAS, the County established the Defined Service Program to involve nonprofit organizations in the provision of critical services and programs that the County Government might otherwise provide in the absence of said service or program; and

WHEREAS, the County desires to engage Awardee to render certain assistance, projects, or services in connection with such undertakings of the Defined Service Program, situated in the program area described in Appendix A, which description is incorporated by reference as if fully set forth herein verbatim; and

WHEREAS, the Knox County Commission approved Knox County's FY2026 Budget on May 19, 2025, with an effective date of July 1, 2025 and thereby included funding as described in Appendix C herein.

NOW, THEREFORE, the parties do hereby mutually agree as follows:

A. SCOPE OF SERVICES

Awardee agrees to undertake the following activities as the scope of this Agreement:

1. Awardee in close coordination with the County, shall perform all projects and services ("WORK") necessary to complete the activities that promote economic recovery, social welfare and common good of County residents in full compliance with the terms of this Agreement.

2. The County will provide **TWENTY THOUSAND DOLLARS AND NO/100 ($20,000.00)** in General Funds to Awardee to conduct activities that serve Knox County citizens that otherwise the County might provide in the absence of Awardee's said program or service.

3. Awardee shall do, perform and carry-out in a satisfactory manner, as determined by the County, the goals, objectives and tasks set forth in Appendix B, and incorporated by reference as if fully set forth verbatim herein.

4. Awardee will provide adequate staffing to achieve the goals, objectives and specific terms of this Agreement.

5. The County will monitor the performance of Awardee and evaluate the achievement of the "Performance Indicators" and "Goals, Objectives and Tasks" as outlined in Appendix B herein. Substandard performance as determined by the County will constitute non-compliance with this Agreement. If action to correct such substandard performance is not taken by Awardee within a reasonable period of time after being notified, the County will begin termination procedures and may request repayment of program funds.

B. TERM OF AGREEMENT

1. The term of this Agreement shall be July 1, 2025 through June 30, 2026 unless terminated in conformity with the terms of this Defined Service Agreement as contained in **Section H Special Terms and Conditions.**

2. The County may renew this Agreement for up to two (2) additional periods in increments of one (1) year in the form of an extension to the Agreement. The funding amount may be adjusted upon renewal by the County as recommended by the Mayor and subject to approval by Knox County Commission through the annual budget process.

C. COMPENSATION AND REIMBURSEMENT OF EXPENSES

1. It is expressly understood and agreed that in no event will the total amount paid by the County to Awardee under this Agreement exceed **TWENTY THOUSAND DOLLARS AND NO/100 ($20,000.00)**. Program expenses paid to Awardee are provided through the Defined Service Program for services satisfactorily rendered as outlined in Appendix B, "Performance Measurements".

2. The Awardee specifies and certifies that expenses are incurred and expended in accordance with this Agreement. No other claims, including those of Awardee's creditors or lien holders shall be allowed. Awardee shall not claim reimbursement for that portion of its obligations that are paid by another source or revenue. The County reserves the right to inspect records and project sites to determine that reimbursement and compensation requests are reasonable. The County also reserves the right to hold payment until adequate documentation has been provided and reviewed. Final payment shall be made after the County has determined that all services have been rendered and files and documentation delivered.

3. The Awardee certifies that work to be performed under this Agreement does not duplicate any work to be charged against any other contract, subcontract, or other source. Copies of support documents shall be sent to the offices of the County and shall include invoices and payments for project expenditures, timesheets and supporting personnel expense. All personnel costs will be documented on time sheets for related project activity and submitted for review. The County may require a more detailed breakdown than the one outlined in Appendix C, and Awardee shall supply such supplementary information in a timely fashion in the form and context prescribed. Requests to adjust performance measurements and/or adjust budget line items will be considered on a case-by-case basis and require the approval from the Knox County Grants & Community Development (KCGCD) Department prior to invoicing. KCGCD has the

discretion to amend budget line items outlined in Appendix C, or performance measurements outlined Appendix B by form of an amendment to the Agreement, including incorporating new line items or transferring funding between established budget line items included in this Agreement. Budget amendments and approval shall be required prior to payment of any expenses not conforming to the approved project budget.

4. The County shall have the right to review and audit all records of Awardee pertaining to any payment by the County. Said records shall be maintained for a period of five (5) years with the retention period beginning on the date of the submission of the final program invoice. If there is litigation, claims, audits, negotiations or other actions that involve any of the records cited and that have started before the expiration of the five (5) year period, then such records must be retained until completion of the actions and resolution of all issues, or the expiration of the five (5) year period, whichever occurs later.

5. Awardee shall file claims for payment with the County for costs incurred in accordance with the terms of this Agreement. Each invoice shall be itemized by budget line item, showing the amount spent to date, and the total amount charged to the County on Awardee's letterhead. Requests for payment must be submitted by Awardee in the County's web-based reporting system and payment may be withheld until Awardee is current on all reporting requirements.

6. Documentation of expenses including invoice mark paid, receipts, purchasing order, timecards, cancelled checks, and other appropriate documentation must be held in an official grant file at the Awardee's office as proof that the funds were expended only for the services in conformance to the approved project budget schedule, Appendix C.

7. Awardee shall provide the County with a performance measurement report based on performance metrics in Appendix B, on a quarterly basis. Submission will take place within the County's web-based reporting system.

D. PROGRAM REQUIREMENTS

Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training including apprenticeship. 2. Awardee will, in all solicitations or advertisements for employees placed by or on behalf of Awardee; state that all qualified applicants will receive consideration for employment without regard to race, color, creed, religion, sex, age, handicap, disability, ancestry, national origin, marital status, or any other basis prohibited by applicable law.

3. Awardee will ensure that all members of a household served must be either United States citizens or a qualified alien as defined under 8 U.S. Code § 1641.

4. In the event of Awardee's noncompliance with the nondiscrimination clauses of this agreement or with any of the said rules, regulations, or order, this agreement may be cancelled, terminated, or suspended in whole or in part and Awardee may be declared ineligible for further government contracts.

E. COMPLIANCE

1. Awardee agrees to comply with all applicable requirements of all other local, State, Federal laws, executive orders, regulations, and policies governing this program. Awardee will be monitored by the County for compliance with the regulations of the Agreement and will provide reports and access to files related to this Defined Service Agreement as requested by the County during the Agreement and for five (5) years after completion and closeout of the Agreement.

This report will be open for public inspection during regular business hours of the county clerk's office.

3. Awardee represents and warrants that it has a system of internal controls designed to ensure (1) the Awardee's financial reporting is reliable and in accordance with Generally Accepted Accounting Principles (GAAP); and (2) the Awardee's operations are effective, efficient, and in compliance with applicable laws, regulations, contracts, and grants. The Awardee shall incorporate internal control principles as prescribed by the *Internal Control and Compliance Manual* of the Comptroller of the Treasury, as aligned with the Government Accountability Office's *Standards for Internal Control in the Federal Government.*

F. RECORDKEEPING AND MONITORING

1. Knox County, the Treasury Office of Inspector General and the Government Accountability Office, or their authorized representatives, shall have the right of access to records (electronic and otherwise) of Awardee in order to conduct audits or other investigations.

2. Records shall be maintained by Awardee for a period of five (5) years after all funds have been expended or returned to the County, whichever is later.

3. The County reserves the right to monitor the manner, means and details of the delivery of services by Awardee, as well as to evaluate the goals to be accomplished. Awardee agrees to comply with evaluation and information requirements, including but not limited to: site visits, program or fiscal audits, and periodic and annual reports. Awardee shall comply fully with the recommendations and requirements of the County, including those issued by the County's Internal Audit staff, resulting from such evaluations and audits that are deemed by the County to be consistent with the provision of services under this Agreement. Awardee shall correct any deficiencies identified by the County, including the Internal Audit staff, in a reasonable period of time to be determined by the County. Failure to comply with the recommendations and requirements of the County shall be considered a violation of this Agreement and sufficient reason for termination in accordance with **Section H Special Terms and Conditions.**

4. The County or any of their authorized representatives shall have access to any books, documents, papers, and records of the Awardee that are related to this Defined Service Agreement for the purpose of making audit, examination, excerpts, and transactions. The Awardee must provide the requested information and/or make the necessary modifications to the information presented to comply with the County's requirements and allow as many site visits by County's representatives as are deemed necessary to establish and validate results/outcomes of the Performance Indicators.

H. SPECIAL TERMS AND CONDITIONS

1. This Agreement will terminate automatically in the event that Awardee shall cease to exist as a not-for-profit corporation under the laws of the State of Tennessee.

2. The County reserves the right to terminate this Defined Service Agreement, by giving thirty (30) calendar days written notice to the Awardee of such termination and specifying the effective date thereof and the reason therefore for any of the conditions listed below:

   - Fails to comply with written notice from the County of substandard performance under the terms of this Agreement; or
   - Violates any of the covenants or stipulations of this Agreement.

Awardee shall be an independent contractor and shall have responsibility for and control over the details and means for performing its business. Anything in this Agreement that may appear to give the County the right to direct Awardee as to the details of the performance of its business or to exercise a measure of control over Awardee is for the purpose of compliance with County Charter and State law T.C.A. § 5-9-109.

4. Termination for Convenience. The County may terminate this Agreement without cause for any reason. A termination for convenience shall not be a breach of this Agreement by the County. The County shall give the Awardee at least thirty (30) days written notice before the effective termination date. The Awardee shall be entitled to compensation for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall the County be liable to the Awardee for compensation for any service that has not been rendered. The final decision as to the amount for which the County is liable shall be determined by the County. The Awardee shall not have any right to any actual general, special, incidental, consequential, or any other damages whatsoever of any description or amount for the County's exercise of its right to terminate for convenience.

I. APPROPRIATIONS

In the event no funds are appropriated by Knox County for the Services described herein in any fiscal year or insufficient funds exist to provide the services, the Defined Service Agreement shall expire upon the expenditure of previously appropriated funds or at the end of the current fiscal year, whichever occurs first, with no obligations owed to or by either party. The provision shall survive the termination of this Defined Service Agreement.

J. INDEMIFICATION

The Awardee shall indemnify, defend, save, and hold harmless the County, its officers, agents and employees from all suits, claims, actions or damages of any nature brought because of, arising out of, or due to breach of the Agreement by the Awardee, their subcontractors, agents or employees or due to any negligent act, occurrence, omission, commission of the awardee, their subcontractors, agents or employees.

K. POLITICAL ACTIVITY

Neither the Awardee's program nor the funds provided therefore, nor the personnel employed in the administration of the program shall be in any way or to any extent engaged in the conduct of political activities within the term "political activity" being defined as a activity directed towards the success or failure of a political party, candidate for partisan or non-partisan political office, or a partisan political group. This is in no way prevents any employee acting in his or her own capacity as an individual citizen from taking part in political activity or expressing any personal opinion whatsoever; nor does this prevent the Awardee from engaging in general issue advocacy that is related to the support of its chartered mission so long as no tax pay funders are used for said advocacy.

L. PROVISIONS REQUIRED BY LAW DEEMED INSERTED

Each and every provision of law and clause required by law to be inserted in this agreement shall be deemed to be inserted herein and the Agreement shall be read and enforced as

though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the agreement shall forthwith be physically amended to make such insertion or correction.

M. AGREEMENT SIGNATURE

The undersigned person signing as an officer on behalf of Awardee, a party to this Agreement, agrees that said person has authority to enter into this Agreement on behalf of Awardee and to bind the same to this Contract, and further that Awardee has authority to enter into this Agreement and that there are no restrictions or prohibitions contained in any article of incorporation or bylaw against entering into this Agreement.

To the extent that venue is not required by Federal law or regulation to be in Federal court, the Chancery Court and/or the Circuit Court of Knox County, Tennessee shall have exclusive and concurrent jurisdiction of any disputes which arise under this Agreement.

WITNESSETH

WHEREAS, the County is authorized by Tennessee Code Annotated § 5-9-109 to appropriate and spend public monies for and in connection with activities that provide services benefiting the general welfare of Knox County citizens; and

WHEREAS, the County established the Defined Service Program to involve nonprofit organizations in the provision of critical services and programs that the County Government might otherwise provide in the absence of said service or program; and

NOW, THEREFORE, the parties do hereby mutually agree as follows:

A. SCOPE OF SERVICES

Awardee agrees to undertake the following activities as the scope of this Agreement:

2. The County will provide **FIFTEEN THOUSAND DOLLARS AND NO/100 ($15,000.00)** in General Funds to Awardee to conduct activities that serve Knox County citizens that otherwise the County might provide in the absence of Awardee's said program or service.

4. Awardee will provide adequate staffing to achieve the goals, objectives and specific terms of this Agreement.

5. The County will monitor the performance of Awardee and evaluate the achievement of the "Performance Indicators" and "Goals, Objectives and Tasks" as outlined in Appendix B herein. Substandard performance as determined by the County will constitute non-compliance with this Agreement. If action to correct such substandard performance is not taken by Awardee within a reasonable period of time after being notified, the County will begin termination procedures and may request repayment of program funds.

B. TERM OF AGREEMENT

1. The term of this Agreement shall be July 1, 2025 through June 30, 2026 unless terminated in conformity with the terms of this Defined Service Agreement as contained in **Section H Special Terms and Conditions.**

The County also reserves the right to hold payment until adequate documentation has been provided and reviewed. Final payment shall be made after the County has determined that all services have been rendered and files and documentation delivered.

3. The Awardee certifies that work to be performed under this Agreement does not duplicate any work to be charged against any other contract, subcontract, or other source. Requests to adjust performance measurements and/or adjust budget line items will be considered on a case-by-case basis and require the approval from the Knox County Grants & Community Development (KCGCD) Department prior to invoicing. KCGCD has the

discretion to amend budget line items outlined in Appendix C, or performance measurements outlined Appendix B by form of an amendment to the Agreement, including incorporating new line items or transferring funding between established budget line items included in this Agreement. Budget amendments and approval shall be required prior to payment of any expenses not conforming to the approved project budget.

4. The County shall have the right to review and audit all records of Awardee pertaining to any payment by the County. Said records shall be maintained for a period of five (5) years with the retention period beginning on the date of the submission of the final program invoice. If there is litigation, claims, audits, negotiations or other actions that involve any of the records cited and that have started before the expiration of the five (5) year period, then such records must be retained until completion of the actions and resolution of all issues, or the expiration of the five (5) year period, whichever occurs later.

5. Awardee shall file claims for payment with the County for costs incurred in accordance with the terms of this Agreement. Each invoice shall be itemized by budget line item, showing the amount spent to date, and the total amount charged to the County on Awardee's letterhead. Requests for payment must be submitted by Awardee in the County's web-based reporting system and payment may be withheld until Awardee is current on all reporting requirements.

6. Documentation of expenses including invoice mark paid, receipts, purchasing order, timecards, cancelled checks, and other appropriate documentation must be held in an official grant file at the Awardee's office as proof that the funds were expended only for the services in conformance to the approved project budget schedule, Appendix C.

7. Awardee shall provide the County with a performance measurement report based on performance metrics in Appendix B, on a quarterly basis. Submission will take place within the County's web-based reporting system.

D. PROGRAM REQUIREMENTS

4. Termination for Convenience. The County may terminate this Agreement without cause for any reason. A termination for convenience shall not be a breach of this Agreement by the County. The County shall give the Awardee at least thirty (30) days written notice before the effective termination date. The Awardee shall be entitled to compensation for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall the County be liable to the Awardee for compensation for any service that has not been rendered. WITNESSETH

WHEREAS, the County is authorized by Tennessee Code Annotated § 5-9-109 to appropriate and spend public monies for and in connection with activities that provide services benefiting the general welfare of Knox County citizens; and

WHEREAS, the County established the Defined Service Program to involve nonprofit organizations in the provision of critical services and programs that the County Government might otherwise provide in the absence of said service or program; and

WHEREAS, the County desires to engage Awardee to render certain assistance, projects, or services in connection with such undertakings of the Defined Service Program, situated in the program area described in Appendix A, which description is incorporated by reference as if fully set forth herein verbatim; and

WHEREAS, the Knox County Commission approved Knox County's FY2026 Budget on May 19, 2025, with an effective date of July 1, 2025 and thereby included funding as described in Appendix C herein.

NOW, THEREFORE, the parties do hereby mutually agree as follows:

A. SCOPE OF SERVICES

Awardee agrees to undertake the following activities as the scope of this Agreement:

1. Awardee in close coordination with the County, shall perform all projects and services ("WORK") necessary to complete the activities that promote economic recovery, social welfare and common good of County residents in full compliance with the terms of this Agreement.

2. The County will provide **FIFTY THOUSAND DOLLARS AND NO/100 ($50,000.00)** in General Funds to Awardee to conduct activities that serve Knox County citizens that otherwise the County might provide in the absence of Awardee's said program or service.

3. Awardee shall do, perform and carry-out in a satisfactory manner, as determined by the County, the goals, objectives and tasks set forth in Appendix B, and incorporated by reference as if fully set forth verbatim herein.

4. Awardee will provide adequate staffing to achieve the goals, objectives and specific terms of this Agreement.

5. The County will monitor the performance of Awardee and evaluate the achievement of the "Performance Indicators" and "Goals, Objectives and Tasks" as outlined in Appendix B herein. Substandard performance as determined by the County will constitute non-compliance with this Agreement. If action to correct such substandard performance is not taken by Awardee within a reasonable period of time after being notified, the County will begin termination procedures and may request repayment of program funds.

B. TERM OF AGREEMENT

1. The term of this Agreement shall be July 1, 2025 through June 30, 2026 unless terminated in conformity with the terms of this Defined Service Agreement as contained in **Section H Special Terms and Conditions.**

2. The County may renew this Agreement for up to two (2) additional periods in increments of one (1) year in the form of an extension to the Agreement. The County reserves the right to inspect records and project sites to determine that reimbursement and compensation requests are reasonable. The County also reserves the right to hold payment until adequate documentation has been provided and reviewed. Final payment shall be made after the County has determined that all services have been rendered and files and documentation delivered.

3. The Awardee certifies that work to be performed under this Agreement does not duplicate any work to be charged against any other contract, subcontract, or other source. WITNESSETH

WHEREAS, the County is authorized by Tennessee Code Annotated § 5-9-109 to appropriate and spend public monies for and in connection with activities that provide services benefiting the general welfare of Knox County citizens; and

WHEREAS, the County established the Defined Service Program to involve nonprofit organizations in the provision of critical services and programs that the County Government might otherwise provide in the absence of said service or program; and

NOW, THEREFORE, the parties do hereby mutually agree as follows:

A. SCOPE OF SERVICES

Awardee agrees to undertake the following activities as the scope of this Agreement:

1. Awardee in close coordination with the County, shall perform all projects and services ("WORK") necessary to complete the activities that promote economic recovery, social welfare and common good of County residents in full compliance with the terms of this Agreement.

2. The County will provide **FIFTY THOUSAND DOLLARS AND NO/100 ($50,000.00)** in General Funds to Awardee to conduct activities that serve Knox County citizens that otherwise the County might provide in the absence of Awardee's said program or service.

3. Awardee shall do, perform and carry-out in a satisfactory manner, as determined by the County, the goals, objectives and tasks set forth in Appendix B, and incorporated by reference as if fully set forth verbatim herein.

4. Awardee will provide adequate staffing to achieve the goals, objectives and specific terms of this Agreement.

5. The County will monitor the performance of Awardee and evaluate the achievement of the "Performance Indicators" and "Goals, Objectives and Tasks" as outlined in Appendix B herein. Substandard performance as determined by the County will constitute non-compliance with this Agreement. If action to correct such substandard performance is not taken by Awardee within a reasonable period of time after being notified, the County will begin termination procedures and may request repayment of program funds.

B. TERM OF AGREEMENT

1. The term of this Agreement shall be July 1, 2025 through June 30, 2026 unless terminated in conformity with the terms of this Defined Service Agreement as contained in **Section H Special Terms and Conditions.**

2. The County may renew this Agreement for up to two (2) additional periods in increments of one (1) year in the form of an extension to the Agreement. The funding amount may be adjusted upon renewal by the County as recommended by the Mayor and subject to approval by Knox County Commission through the annual budget process.

C. COMPENSATION AND REIMBURSEMENT OF EXPENSES

1. It is expressly understood and agreed that in no event will the total amount paid by the County to Awardee under this Agreement exceed **FIFTY THOUSAND DOLLARS AND NO/100 ($50,000.00)**. No other claims, including those of Awardee's creditors or lien holders shall be allowed. Awardee shall not claim reimbursement for that portion of its obligations that are paid by another source or revenue. The County reserves the right to inspect records and project sites to determine that reimbursement and compensation requests are reasonable. The County also reserves the right to hold payment until adequate documentation has been provided and reviewed. Final payment shall be made after the County has determined that all services have been rendered and files and documentation delivered.

3. The Awardee certifies that work to be performed under this Agreement does not duplicate any work to be charged against any other contract, subcontract, or other source. Said records shall be maintained for a period of five (5) years with the retention period beginning on the date of the submission of the final program invoice. If there is litigation, claims, audits, negotiations or other actions that involve any of the records cited and that have started before the expiration of the five (5) year period, then such records must be retained until completion of the actions and resolution of all issues, or the expiration of the five (5) year period, whichever occurs later.

5. Awardee shall file claims for payment with the County for costs incurred in accordance with the terms of this Agreement. THIS AGREEMENT is entered into this _____ day of _____, 2025 by **KNOX COUNTY**, hereinafter referred to as the **County**, and **Free Medical Clinic of America d.b.a. Kim Health Center,** a nonprofit corporation, hereinafter referred to as **Awardee** and which is located at 6209 Chapman Highway Knoxville, Tennessee 37920.

WITNESSETH

WHEREAS, the County is authorized by Tennessee Code Annotated § 5-9-109 to appropriate and spend public monies for and in connection with activities that provide services benefiting the general welfare of Knox County citizens; and

WHEREAS, the County established the Defined Service Program to involve nonprofit organizations in the provision of critical services and programs that the County Government might otherwise provide in the absence of said service or program; and

WHEREAS, the County desires to engage Awardee to render certain assistance, projects, or services in connection with such undertakings of the Defined Service Program, situated in the program area described in Appendix A, which description is incorporated by reference as if fully set forth herein verbatim; and

WHEREAS, the Knox County Commission approved Knox County's FY2026 Budget on May 19, 2025, with an effective date of July 1, 2025 and thereby included funding as described in Appendix C herein.

NOW, THEREFORE, the parties do hereby mutually agree as follows:

A. SCOPE OF SERVICES

Awardee agrees to undertake the following activities as the scope of this Agreement:

1. Awardee in close coordination with the County, shall perform all projects and services ("WORK") necessary to complete the activities that promote economic recovery, social welfare and common good of County residents in full compliance with the terms of this Agreement.

2. The County will provide **THIRTY THOUSAND DOLLARS AND NO/100 ($30,000.00)** in General Funds to Awardee to conduct activities that serve Knox County citizens that otherwise the County might provide in the absence of Awardee's said program or service.

3. Awardee shall do, perform and carry-out in a satisfactory manner, as determined by the County, the goals, objectives and tasks set forth in Appendix B, and incorporated by reference as if fully set forth verbatim herein.

4. Awardee will provide adequate staffing to achieve the goals, objectives and specific terms of this Agreement.

5. The County will monitor the performance of Awardee and evaluate the achievement of the "Performance Indicators" and "Goals, Objectives and Tasks" as outlined in Appendix B herein. Substandard performance as determined by the County will constitute non-compliance with this Agreement. If action to correct such substandard performance is not taken by Awardee within a reasonable period of time after being notified, the County will begin termination procedures and may request repayment of program funds.

B. TERM OF AGREEMENT

1. The term of this Agreement shall be July 1, 2025 through June 30, 2026 unless terminated in conformity with the terms of this Defined Service Agreement as contained in **Section H Special Terms and Conditions.**

2. The County may renew this Agreement for up to two (2) additional periods in increments of one (1) year in the form of an extension to the Agreement. The funding amount may be adjusted upon renewal by the County as recommended by the Mayor and subject to approval by Knox County Commission through the annual budget process.

C. COMPENSATION AND REIMBURSEMENT OF EXPENSES

1. It is expressly understood and agreed that in no event will the total amount paid by the County to Awardee under this Agreement exceed **THIRTY THOUSAND DOLLARS AND NO/100 ($30,000.00)**. Program expenses paid to Awardee are provided through the Defined Service Program for services satisfactorily rendered as outlined in Appendix B, "Performance Measurements".

2. The Awardee specifies and certifies that expenses are incurred and expended in accordance with this Agreement. No other claims, including those of Awardee's creditors or lien holders shall be allowed. Awardee shall not claim reimbursement for that portion of its obligations that are paid by another source or revenue. The County reserves the right to inspect records and project sites to determine that reimbursement and compensation requests are reasonable. The County also reserves the right to hold payment until adequate documentation has been provided and reviewed. Final payment shall be made after the County has determined that all services have been rendered and files and documentation delivered.

3. The Awardee certifies that work to be performed under this Agreement does not duplicate any work to be charged against any other contract, subcontract, or other source. Copies of support documents shall be sent to the offices of the County and shall include invoices and payments for project expenditures, timesheets and supporting personnel expense. All personnel costs will be documented on time sheets for related project activity and submitted for review. The County may require a more detailed breakdown than the one outlined in Appendix C, and Awardee shall supply such supplementary information in a timely fashion in the form and context prescribed. Requests to adjust performance measurements and/or adjust budget line items will be considered on a case-by-case basis and require the approval from the Knox County Grants & Community Development (KCGCD) Department prior to invoicing. KCGCD has the

discretion to amend budget line items outlined in Appendix C, or performance measurements outlined Appendix B by form of an amendment to the Agreement, including incorporating new line items or transferring funding between established budget line items included in this Agreement. Budget amendments and approval shall be required prior to payment of any expenses not conforming to the approved project budget.

4. The County shall have the right to review and audit all records of Awardee pertaining to any payment by the County. Said records shall be maintained for a period of five (5) years with the retention period beginning on the date of the submission of the final program invoice. If there is litigation, claims, audits, negotiations or other actions that involve any of the records cited and that have started before the expiration of the five (5) year period, then such records must be retained until completion of the actions and resolution of all issues, or the expiration of the five (5) year period, whichever occurs later.

5. Awardee shall file claims for payment with the County for costs incurred in accordance with the terms of this Agreement. Each invoice shall be itemized by budget line item, showing the amount spent to date, and the total amount charged to the County on Awardee's letterhead. Requests for payment must be submitted by Awardee in the County's web-based reporting system and payment may be withheld until Awardee is current on all reporting requirements.

6. Documentation of expenses including invoice mark paid, receipts, purchasing order, timecards, cancelled checks, and other appropriate documentation must be held in an official grant file at the Awardee's office as proof that the funds were expended only for the services in conformance to the approved project budget schedule, Appendix C.

7. Awardee shall provide the County with a performance measurement report based on performance metrics in Appendix B, on a quarterly basis. Submission will take place within the County's web-based reporting system.

WHEREAS, the County established the Defined Service Program to involve nonprofit organizations in the provision of critical services and programs that the County Government might otherwise provide in the absence of said service or program; and

WHEREAS, the County desires to engage Awardee to render certain assistance, projects, or services in connection with such undertakings of the Defined Service Program, situated in the program area described in Appendix A, which description is incorporated by reference as if fully set forth herein verbatim; and

WHEREAS, the Knox County Commission approved Knox County's FY2026 Budget on May 19, 2025, with an effective date of July 1, 2025 and thereby included funding as described in Appendix C herein.

NOW, THEREFORE, the parties do hereby mutually agree as follows:

A. SCOPE OF SERVICES

Awardee agrees to undertake the following activities as the scope of this Agreement:

1. Awardee in close coordination with the County, shall perform all projects and services ("WORK") necessary to complete the activities that promote economic recovery, social welfare and common good of County residents in full compliance with the terms of this Agreement.

2. The County will provide **TWENTY THOUSAND DOLLARS AND NO/100 ($20,000.00)** in General Funds to Awardee to conduct activities that serve Knox County citizens that otherwise the County might provide in the absence of Awardee's said program or service.

3. Awardee shall do, perform and carry-out in a satisfactory manner, as determined by the County, the goals, objectives and tasks set forth in Appendix B, and incorporated by reference as if fully set forth verbatim herein.

4. Awardee will provide adequate staffing to achieve the goals, objectives and specific terms of this Agreement.

5. The County will monitor the performance of Awardee and evaluate the achievement of the "Performance Indicators" and "Goals, Objectives and Tasks" as outlined in Appendix B herein. Substandard performance as determined by the County will constitute non-compliance with this Agreement. If action to correct such substandard performance is not taken by Awardee within a reasonable period of time after being notified, the County will begin termination procedures and may request repayment of program funds.

B. TERM OF AGREEMENT

1. The term of this Agreement shall be July 1, 2025 through June 30, 2026 unless terminated in conformity with the terms of this Defined Service Agreement as contained in **Section H Special Terms and Conditions.**

2. The County may renew this Agreement for up to two (2) additional periods in increments of one (1) year in the form of an extension to the Agreement. The funding amount may be adjusted upon renewal by the County as recommended by the Mayor and subject to approval by Knox County Commission through the annual budget process.

C. COMPENSATION AND REIMBURSEMENT OF EXPENSES

1. It is expressly understood and agreed that in no event will the total amount paid by the County to Awardee under this Agreement exceed **TWENTY THOUSAND DOLLARS AND NO/100 ($20,000.00)**. Program expenses paid to Awardee are provided through the Defined Service Program for services satisfactorily rendered as outlined in Appendix B, "Performance Measurements".

2. The Awardee specifies and certifies that expenses are incurred and expended in accordance with this Agreement. No other claims, including those of Awardee's creditors or lien holders shall be allowed. Awardee shall not claim reimbursement for that portion of its obligations that are paid by another source or revenue. The County reserves the right to inspect records and project sites to determine that reimbursement and compensation requests are reasonable. The County also reserves the right to hold payment until adequate documentation has been provided and reviewed. Final payment shall be made after the County has determined that all services have been rendered and files and documentation delivered.

3. The Awardee certifies that work to be performed under this Agreement does not duplicate any work to be charged against any other contract, subcontract, or other source. Copies of support documents shall be sent to the offices of the County and shall include invoices and payments for project expenditures, timesheets and supporting personnel expense. All personnel costs will be documented on time sheets for related project activity and submitted for review. The County may require a more detailed breakdown than the one outlined in Appendix C, and Awardee shall supply such supplementary information in a timely fashion in the form and context prescribed. Requests to adjust performance measurements and/or adjust budget line items will be considered on a case-by-case basis and require the approval from the Knox County Grants & Community Development (KCGCD) Department prior to invoicing. KCGCD has the

discretion to amend budget line items outlined in Appendix C, or performance measurements outlined Appendix B by form of an amendment to the Agreement, including incorporating new line items or transferring funding between established budget line items included in this Agreement. Budget amendments and approval shall be required prior to payment of any expenses not conforming to the approved project budget.

4. The County shall have the right to review and audit all records of Awardee pertaining to any payment by the County. Said records shall be maintained for a period of five (5) years with the retention period beginning on the date of the submission of the final program invoice. If there is litigation, claims, audits, negotiations or other actions that involve any of the records cited and that have started before the expiration of the five (5) year period, then such records must be retained until completion of the actions and resolution of all issues, or the expiration of the five (5) year period, whichever occurs later.

5. Awardee shall file claims for payment with the County for costs incurred in accordance with the terms of this Agreement. Each invoice shall be itemized by budget line item, showing the amount spent to date, and the total amount charged to the County on Awardee's letterhead. Requests for payment must be submitted by Awardee in the County's web-based reporting system and payment may be withheld until Awardee is current on all reporting requirements.

6. Documentation of expenses including invoice mark paid, receipts, purchasing order, timecards, cancelled checks, and other appropriate documentation must be held in an official grant file at the Awardee's office as proof that the funds were expended only for the services in conformance to the approved project budget schedule, Appendix C.

7. Awardee shall provide the County with a performance measurement report based on performance metrics in Appendix B, on a quarterly basis. Submission will take place within the County's web-based reporting system.

D. PROGRAM REQUIREMENTS

Awardee shall not discriminate against any employee or applicant for employment because of race, color, creed, religion, sex, age, handicap, disability, ancestry, national origin, marital status, familial status, or any other basis prohibited by applicable law. 3. The County reserves the right to monitor the manner, means and details of the delivery of services by Awardee, as well as to evaluate the goals to be accomplished. Awardee agrees to comply with evaluation and information requirements, including but not limited to: site visits, program or fiscal audits, and periodic and annual reports. Awardee shall comply fully with the recommendations and requirements of the County, including those issued by the County's Internal Audit staff, resulting from such evaluations and audits that are deemed by the County to be consistent with the provision of services under this Agreement. Awardee shall correct any deficiencies identified by the County, including the Internal Audit staff, in a reasonable period of time to be determined by the County. 4. The County or any of their authorized representatives shall have access to any books, documents, papers, and records of the Awardee that are related to this Defined Service Agreement for the purpose of making audit, examination, excerpts, and transactions. 4. Termination for Convenience. The County may terminate this Agreement without cause for any reason. A termination for convenience shall not be a breach of this Agreement by the County. The Awardee shall be entitled to compensation for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall the County be liable to the Awardee for compensation for any service that has not been rendered. The final decision as to the amount for which the County is liable shall be determined by the County. 5. The County will monitor the performance of Awardee and evaluate the achievement of the "Performance Indicators" and "Goals, Objectives and Tasks" as outlined in Appendix B herein. Substandard performance as determined by the County will constitute non-compliance with this Agreement. If action to correct such substandard performance is not taken by Awardee within a reasonable period of time after being notified, the County will begin termination procedures and may request repayment of program funds.

B. TERM OF AGREEMENT

1. The term of this Agreement shall be July 1, 2025 through June 30, 2026 unless terminated in conformity with the terms of this Defined Service Agreement as contained in **Section H Special Terms and Conditions.**

THIS AGREEMENT is entered into this ____ day of _____, 2025 by **KNOX COUNTY**, hereinafter referred to as the **County**, and **Olive Tree Early Learning Academy,** a nonprofit corporation, hereinafter referred to as **Awardee** and which is located at 5311 McKamey Road, Knoxville, Tennessee, 37921.

WITNESSETH

WHEREAS, the County is authorized by Tennessee Code Annotated § 5-9-109 to appropriate and spend public monies for and in connection with activities that provide services benefiting the general welfare of Knox County citizens; and

WHEREAS, the County established the Defined Service Program to involve nonprofit organizations in the provision of critical services and programs that the County Government might otherwise provide in the absence of said service or program; and

WHEREAS, the County desires to engage Awardee to render certain assistance, projects, or services in connection with such undertakings of the Defined Service Program, situated in the program area described in Appendix A, which description is incorporated by reference as if fully set forth herein verbatim; and

WHEREAS, the Knox County Commission approved Knox County's FY2026 Budget on May 19, 2025, with an effective date of July 1, 2025 and thereby included funding as described in Appendix C herein.

NOW, THEREFORE, the parties do hereby mutually agree as follows:

A. SCOPE OF SERVICES

Awardee agrees to undertake the following activities as the scope of this Agreement:

1. Awardee in close coordination with the County, shall perform all projects and services ("WORK") necessary to complete the activities that promote economic recovery, social welfare and common good of County residents in full compliance with the terms of this Agreement.

2. The County will provide **TWELVE THOUSAND TWO HUNDRED FIFTY DOLLARS AND NO/100 ($12,250.00)** in General Funds to Awardee to conduct activities that serve Knox County citizens that otherwise the County might provide in the absence of Awardee's said program or service.

3. Awardee shall do, perform and carry-out in a satisfactory manner, as determined by the County, the goals, objectives and tasks set forth in Appendix B, and incorporated by reference as if fully set forth verbatim herein.

4. Awardee will provide adequate staffing to achieve the goals, objectives and specific terms of this Agreement.

5. The County will monitor the performance of Awardee and evaluate the achievement of the "Performance Indicators" and "Goals, Objectives and Tasks" as outlined in Appendix B herein. Substandard performance as determined by the County will constitute non-compliance with this Agreement. If action to correct such substandard performance is not taken by Awardee within a reasonable period of time after being notified, the County will begin termination procedures and may request repayment of program funds.

B. TERM OF AGREEMENT

1. The term of this Agreement shall be July 1, 2025 through June 30, 2026 unless terminated in conformity with the terms of this Defined Service Agreement as contained in **Section H Special Terms and Conditions.**

2. The County may renew this Agreement for up to two (2) additional periods in increments of one (1) year in the form of an extension to the Agreement. The funding amount may be adjusted upon renewal by the County as recommended by the Mayor and subject to approval by Knox County Commission through the annual budget process.

C. COMPENSATION AND REIMBURSEMENT OF EXPENSES

1. It is expressly understood and agreed that in no event will the total amount paid by the County to Awardee under this Agreement exceed **TWELVE THOUSAND TWO HUNDRED FIFTY DOLLARS AND NO/100 ($12,250.00)**. Program expenses paid to Awardee are provided through the Defined Service Program for services satisfactorily rendered as outlined in Appendix B, "Performance Measurements".

2. The Awardee specifies and certifies that expenses are incurred and expended in accordance with this Agreement. No other claims, including those of Awardee's creditors or lien holders shall be allowed. Awardee shall not claim reimbursement for that portion of its obligations that are paid by another source or revenue. The County reserves the right to inspect records and project sites to determine that reimbursement and compensation requests are reasonable. The County also reserves the right to hold payment until adequate documentation has been provided and reviewed. Final payment shall be made after the County has determined that all services have been rendered and files and documentation delivered.

3. The Awardee certifies that work to be performed under this Agreement does not duplicate any work to be charged against any other contract, subcontract, or other source. Copies of support documents shall be sent to the offices of the County and shall include invoices and payments for project expenditures, timesheets and supporting personnel expense. All personnel costs will be documented on time sheets for related project activity and submitted for review. The County may require a more detailed breakdown than the one outlined in Appendix C, and Awardee shall supply such supplementary information in a timely fashion in the form and context prescribed. Requests to adjust performance measurements and/or adjust budget line items will be considered on a case-by-case basis and require the approval from the Knox County Grants

& Community Development (KCGCD) Department prior to invoicing. KCGCD has the discretion to amend budget line items outlined in Appendix C, or performance measurements outlined Appendix B by form of an amendment to the Agreement, including incorporating new line items or transferring funding between established budget line items included in this Agreement. Budget amendments and approval shall be required prior to payment of any expenses not conforming to the approved project budget.

4. The County shall have the right to review and audit all records of Awardee pertaining to any payment by the County. Said records shall be maintained for a period of five (5) years with the retention period beginning on the date of the submission of the final program invoice. If there is litigation, claims, audits, negotiations or other actions that involve any of the records cited and that have started before the expiration of the five (5) year period, then such records must be retained until completion of the actions and resolution of all issues, or the expiration of the five (5) year period, whichever occurs later.

5. Awardee shall file claims for payment with the County for costs incurred in accordance with the terms of this Agreement. Each invoice shall be itemized by budget line item, showing the amount spent to date, and the total amount charged to the County on Awardee's letterhead. Requests for payment must be submitted by Awardee in the County's web-based reporting system and payment may be withheld until Awardee is current on all reporting requirements.

6. Documentation of expenses including invoice mark paid, receipts, purchasing order, timecards, cancelled checks, and other appropriate documentation must be held in an official grant file at the Awardee's office as proof that the funds were expended only for the services in conformance to the approved project budget schedule, Appendix C.

7. Awardee shall provide the County with a performance measurement report based on performance metrics in Appendix B, on a quarterly basis. Submission will take place within the County's web-based reporting system.

D. PROGRAM REQUIREMENTS

2. Awardee will, in all solicitations or advertisements for employees placed by or on behalf of Awardee; state that all qualified applicants will receive consideration for employment without regard to race, color, creed, religion, sex, age, handicap, disability, ancestry, national origin, marital status, or any other basis prohibited by applicable law.

3. Awardee will ensure that all members of a household served must be either United States citizens or a qualified alien as defined under 8 U.S. Code § 1641.

4. In the event of Awardee's noncompliance with the nondiscrimination clauses of this agreement or with any of the said rules, regulations, or order, this agreement may be cancelled, terminated, or suspended in whole or in part and Awardee may be declared ineligible for further government contracts.

E. COMPLIANCE

1. Awardee agrees to comply with all applicable requirements of all other local, State, Federal laws, executive orders, regulations, and policies governing this program. Awardee will be monitored by the County for compliance with the regulations of the Agreement and will provide reports and access to files related to this Defined Service Agreement as requested by the County during the Agreement and for five (5) years after completion and closeout of the Agreement.

3. Awardee represents and warrants that it has a system of internal controls designed to ensure (1) the Awardee's financial reporting is reliable and in accordance with Generally Accepted Accounting Principles (GAAP); and (2) the Awardee's operations are effective, efficient, and in compliance with applicable laws, regulations, contracts, and grants. The Awardee shall incorporate internal control principles as prescribed by the *Internal Control and Compliance Manual* of the Comptroller of the Treasury, as aligned with the Government Accountability Office's *Standards for Internal Control in the Federal Government.*

F. RECORDKEEPING AND MONITORING

1. Knox County, the Treasury Office of Inspector General and the Government Accountability Office, or their authorized representatives, shall have the right of access to records (electronic and otherwise) of Awardee in order to conduct audits or other investigations.

2. Records shall be maintained by Awardee for a period of five (5) years after all funds have been expended or returned to the County, whichever is later.

3. The County reserves the right to monitor the manner, means and details of the delivery of services by Awardee, as well as to evaluate the goals to be accomplished. Awardee agrees to comply with evaluation and information requirements, including but not limited to: site visits, program or fiscal audits, and periodic and annual reports. Awardee shall comply fully with the recommendations and requirements of the County, including those issued by the County's Internal Audit staff, resulting from such evaluations and audits that are deemed by the County to be consistent with the provision of services under this Agreement. Awardee shall correct any deficiencies identified by the County, including the Internal Audit staff, in a reasonable period of time to be determined by the County. Failure to comply with the recommendations and requirements of the County shall be considered a violation of this Agreement and sufficient reason for termination in accordance with **Section H Special Terms and Conditions.**

4. The County or any of their authorized representatives shall have access to any books, documents, papers, and records of the Awardee that are related to this Defined Service Agreement for the purpose of making audit, examination, excerpts, and transactions. The Awardee must provide the requested information and/or make the necessary modifications to the information presented to comply with the County's requirements and allow as many site visits by County's representatives as are deemed necessary to establish and validate results/outcomes of the Performance Indicators.

Awardee shall be an independent contractor and shall have responsibility for and control over the details and means for performing its business. Anything in this Agreement that may appear to give the County the right to direct Awardee as to the details of the performance of its business or to exercise a measure of control over Awardee is for the purpose of compliance with County Charter and State law T.C.A. § 5-9-109.

4. Termination for Convenience. The County may terminate this Agreement without cause for any reason. A termination for convenience shall not be a breach of this Agreement by the County. The County shall give the Awardee at least thirty (30) days written notice before the effective termination date. The Awardee shall be entitled to compensation for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall the County be liable to the Awardee for compensation for any service that has not been rendered. The final decision as to the amount for which the County is liable shall be determined by the County. The Awardee shall not have any right to any actual general, special, incidental, consequential, or any other damages whatsoever of any description or amount for the County's exercise of its right to terminate for convenience.

I. APPROPRIATIONS

The provision shall survive the termination of this Defined Service Agreement.

J. INDEMIFICATION

L. PROVISIONS REQUIRED BY LAW DEEMED INSERTED

Each and every provision of law and clause required by law to be inserted in this agreement shall be deemed to be inserted herein and the Agreement shall be read and enforced as

though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the agreement shall forthwith be physically amended to make such insertion or correction.

Awardee shall not claim reimbursement for that portion of its obligations that are paid by another source or revenue. The County reserves the right to inspect records and project sites to determine that reimbursement and compensation requests are reasonable. The County also reserves the right to hold payment until adequate documentation has been provided and reviewed. Final payment shall be made after the County has determined that all services have been rendered and files and documentation delivered.

3. The Awardee certifies that work to be performed under this Agreement does not duplicate any work to be charged against any other contract, subcontract, or other source. Copies of support documents shall be sent to the offices of the County and shall include invoices and payments for project expenditures, timesheets and supporting personnel expense. All personnel costs will be documented on time sheets for related project activity and submitted for review. The County may require a more detailed breakdown than the one outlined in Appendix C, and Awardee shall supply such supplementary information in a timely fashion in the form and context prescribed. Requests to adjust performance measurements and/or adjust budget line items will be considered on a case-by-case basis and require the approval from the Knox County Grants

& Community Development (KCGCD) Department prior to invoicing. KCGCD has the discretion to amend budget line items outlined in Appendix C, or performance measurements outlined Appendix B by form of an amendment to the Agreement, including incorporating new line items or transferring funding between established budget line items included in this Agreement. Budget amendments and approval shall be required prior to payment of any expenses not conforming to the approved project budget.

4. The County shall have the right to review and audit all records of Awardee pertaining to any payment by the County. Said records shall be maintained for a period of five (5) years with the retention period beginning on the date of the submission of the final program invoice. If there is litigation, claims, audits, negotiations or other actions that involve any of the records cited and that have started before the expiration of the five (5) year period, then such records must be retained until completion of the actions and resolution of all issues, or the expiration of the five (5) year period, whichever occurs later.

5. Awardee shall file claims for payment with the County for costs incurred in accordance with the terms of this Agreement. Each invoice shall be itemized by budget line item, showing the amount spent to date, and the total amount charged to the County on Awardee's letterhead. Requests for payment must be submitted by Awardee in the County's web-based reporting system and payment may be withheld until Awardee is current on all reporting requirements.

6. Documentation of expenses including invoice mark paid, receipts, purchasing order, timecards, cancelled checks, and other appropriate documentation must be held in an official grant file at the Awardee's office as proof that the funds were expended only for the services in conformance to the approved project budget schedule, Appendix C.

7. Awardee shall provide the County with a performance measurement report based on performance metrics in Appendix B, on a quarterly basis. Submission will take place within the County's web-based reporting system.

D. PROGRAM REQUIREMENTS

4. 2. Records shall be maintained by Awardee for a period of five (5) years after all funds have been expended or returned to the County, whichever is later.

3. The County reserves the right to monitor the manner, means and details of the delivery of services by Awardee, as well as to evaluate the goals to be accomplished. Awardee agrees to comply with evaluation and information requirements, including but not limited to: site visits, program or fiscal audits, and periodic and annual reports. 4. Termination for Convenience. The County may terminate this Agreement without cause for any reason. A termination for convenience shall not be a breach of this Agreement by the County. The County shall give the Awardee at least thirty (30) days written notice before the effective termination date. The Awardee shall be entitled to compensation for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall the County be liable to the Awardee for compensation for any service that has not been rendered. WITNESSETH

WHEREAS, the County is authorized by Tennessee Code Annotated § 5-9-109 to appropriate and spend public monies for and in connection with activities that provide services benefiting the general welfare of Knox County citizens; and

WHEREAS, the County desires to engage Awardee to render certain assistance, projects, or services in connection with such undertakings of the Defined Service Program, situated in the program area described in Appendix A, which description is incorporated by reference as if fully set forth herein verbatim; and

WHEREAS, the Knox County Commission approved Knox County's FY2026 Budget on May 19, 2025, with an effective date of July 1, 2025 and thereby included funding as described in Appendix C herein.

NOW, THEREFORE, the parties do hereby mutually agree as follows:

A. SCOPE OF SERVICES

1. Awardee in close coordination with the County, shall perform all projects and services ("WORK") necessary to complete the activities that promote economic recovery, social welfare and common good of County residents in full compliance with the terms of this Agreement.

2. The County will provide **SEVENTY-FIVE THOUSAND DOLLARS AND NO/100 ($75,000.00)** in Hotel/Motel Tax Funds to Awardee to conduct activities that serve Knox County citizens that otherwise the County might provide in the absence of Awardee's said program or service.

4. Awardee will provide adequate staffing to achieve the goals, objectives and specific terms of this Agreement.

5. The County will monitor the performance of Awardee and evaluate the achievement of the "Performance Indicators" and "Goals, Objectives and Tasks" as outlined in Appendix B herein. Substandard performance as determined by the County will constitute non-compliance with this Agreement. If action to correct such substandard performance is not taken by Awardee within a reasonable period of time after being notified, the County will begin termination procedures and may request repayment of program funds.

B. TERM OF AGREEMENT

1. The term of this Agreement shall be July 1, 2025 through June 30, 2026 unless terminated in conformity with the terms of this Defined Service Agreement as contained in **Section H Special Terms and Conditions.**

2. The County may renew this Agreement for up to two (2) additional periods in increments of one (1) year in the form of an extension to the Agreement. No other claims, including those of Awardee's creditors or lien holders shall be allowed. Awardee shall not claim reimbursement for that portion of its obligations that are paid by another source or revenue. The County reserves the right to inspect records and project sites to determine that reimbursement and compensation requests are reasonable. The County also reserves the right to hold payment until adequate documentation has been provided and reviewed. Final payment shall be made after the County has determined that all services have been rendered and files and documentation delivered.

3. The Awardee certifies that work to be performed under this Agreement does not duplicate any work to be charged against any other contract, subcontract, or other source. WITNESSETH

WHEREAS, the County is authorized by Tennessee Code Annotated § 5-9-109 to appropriate and spend public monies for and in connection with activities that provide services benefiting the general welfare of Knox County citizens; and

WHEREAS, the County established the Defined Service Program to involve nonprofit organizations in the provision of critical services and programs that the County Government might otherwise provide in the absence of said service or program; and

WHEREAS, the County desires to engage Awardee to render certain assistance, projects, or services in connection with such undertakings of the Defined Service Program, situated in the program area described in Appendix A, which description is incorporated by reference as if fully set forth herein verbatim; and

WHEREAS, the Knox County Commission approved Knox County's FY2026 Budget on May 19, 2025, with an effective date of July 1, 2025 and thereby included funding as described in Appendix C herein.

NOW, THEREFORE, the parties do hereby mutually agree as follows:

A. SCOPE OF SERVICES

Awardee agrees to undertake the following activities as the scope of this Agreement:

1. Awardee in close coordination with the County, shall perform all projects and services ("WORK") necessary to complete the activities that promote economic recovery, social welfare and common good of County residents in full compliance with the terms of this Agreement.

2. The County will provide **ONE HUNDRED TWENTY FIVE THOUSAND DOLLARS AND NO/100 ($125,000.00)** in Hotel/Motel Tax Funds to Awardee to conduct activities that serve Knox County citizens that otherwise the County might provide in the absence of Awardee's said program or service.

3. Awardee shall do, perform and carry-out in a satisfactory manner, as determined by the County, the goals, objectives and tasks set forth in Appendix B, and incorporated by reference as if fully set forth verbatim herein.

4. Awardee will provide adequate staffing to achieve the goals, objectives and specific terms of this Agreement.

5. The County will monitor the performance of Awardee and evaluate the achievement of the "Performance Indicators" and "Goals, Objectives and Tasks" as outlined in Appendix B herein. Substandard performance as determined by the County will constitute non-compliance with this Agreement. If action to correct such substandard performance is not taken by Awardee within a reasonable period of time after being notified, the County will begin termination procedures and may request repayment of program funds.

B. TERM OF AGREEMENT

1. The term of this Agreement shall be July 1, 2025 through June 30, 2026 unless terminated in conformity with the terms of this Defined Service Agreement as contained in **Section H Special Terms and Conditions.**

2. The County may renew this Agreement for up to two (2) additional periods in increments of one (1) year in the form of an extension to the Agreement. The funding amount may be adjusted upon renewal by the County as recommended by the Mayor and subject to approval by Knox County Commission through the annual budget process.

C. COMPENSATION AND REIMBURSEMENT OF EXPENSES

1. It is expressly understood and agreed that in no event will the total amount paid by the County to Awardee under this Agreement exceed **ONE HUNDRED TWENTY FIVE THOUSAND DOLLARS AND NO/100 ($125,000.00)**. Program expenses paid to Awardee are provided through the Defined Service Program for services satisfactorily rendered as outlined in Appendix B, "Performance Measurements".

2. The Awardee specifies and certifies that expenses are incurred and expended in accordance with this Agreement. No other claims, including those of Awardee's creditors or lien holders shall be allowed. Awardee shall not claim reimbursement for that portion of its obligations that are paid by another source or revenue. The County reserves the right to inspect records and project sites to determine that reimbursement and compensation requests are reasonable. The County also reserves the right to hold payment until adequate documentation has been provided and reviewed. Final payment shall be made after the County has determined that all services have been rendered and files and documentation delivered.

3. The Awardee certifies that work to be performed under this Agreement does not duplicate any work to be charged against any other contract, subcontract, or other source. Said records shall be maintained for a period of five (5) years with the retention period beginning on the date of the submission of the final program invoice. If there is litigation, claims, audits, negotiations or other actions that involve any of the records cited and that have started before the expiration of the five (5) year period, then such records must be retained until completion of the actions and resolution of all issues, or the expiration of the five (5) year period, whichever occurs later.

5. Awardee shall file claims for payment with the County for costs incurred in accordance with the terms of this Agreement. Each invoice shall be itemized by budget line item, showing the amount spent to date, and the total amount charged to the County on Awardee's letterhead. Requests for payment must be submitted by Awardee in the County's web-based reporting system and payment may be withheld until Awardee is current on all reporting requirements.

6. Documentation of expenses including invoice mark paid, receipts, purchasing order, timecards, cancelled checks, and other appropriate documentation must be held in an official grant file at the Awardee's office as proof that the funds were expended only for the services in conformance to the approved project budget schedule, Appendix C.

Anything in this Agreement that may appear to give the County the right to direct Awardee as to the details of the performance of its business or to exercise a measure of control over Awardee is for the purpose of compliance with County Charter and State law T.C.A. § 5-9-109.

4. Termination for Convenience. The County may terminate this Agreement without cause for any reason. A termination for convenience shall not be a breach of this Agreement by the County. The County shall give the Awardee at least thirty (30) days written notice before the effective termination date. The Awardee shall be entitled to compensation for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall the County be liable to the Awardee for compensation for any service that has not been rendered. L. PROVISIONS REQUIRED BY LAW DEEMED INSERTED

Each and every provision of law and clause required by law to be inserted in this agreement shall be deemed to be inserted herein and the Agreement shall be read and enforced as

though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the agreement shall forthwith be physically amended to make such insertion or correction.

Zoo Knoxville,** a nonprofit corporation, hereinafter referred to as **Awardee** and which is located at 3500 Knoxville Zoo Drive, Knoxville, Tennessee 37914.

WITNESSETH

WHEREAS, the County is authorized by Tennessee Code Annotated § 5-9-109 to appropriate and spend public monies for and in connection with activities that provide services benefiting the general welfare of Knox County citizens; and

WHEREAS, the County established the Defined Service Program to involve nonprofit organizations in the provision of critical services and programs that the County Government might otherwise provide in the absence of said service or program; and

WHEREAS, the County desires to engage Awardee to render certain assistance, projects, or services in connection with such undertakings of the Defined Service Program, situated in the program area described in Appendix A, which description is incorporated by reference as if fully set forth herein verbatim; and

WHEREAS, the Knox County Commission approved Knox County's FY2026 Budget on May 19, 2025, with an effective date of July 1, 2025 and thereby included funding as described in Appendix C herein.

NOW, THEREFORE, the parties do hereby mutually agree as follows:

A. SCOPE OF SERVICES

Awardee agrees to undertake the following activities as the scope of this Agreement:

1. Awardee in close coordination with the County, shall perform all projects and services ("WORK") necessary to complete the activities that promote economic recovery, social welfare and common good of County residents in full compliance with the terms of this Agreement.

2. The County will provide **ONE MILLION ONE HUNDRED SEVENTY-FIVE THOUSAND DOLLARS AND NO/100 ($1,175,000.00)** in Hotel/Motel Tax Funds to Awardee to conduct activities that serve Knox County citizens that otherwise the County might provide in the absence of Awardee's said program or service.

3. Awardee shall do, perform and carry-out in a satisfactory manner, as determined by the County, the goals, objectives and tasks set forth in Appendix B, and incorporated by reference as if fully set forth verbatim herein.

4. Awardee will provide adequate staffing to achieve the goals, objectives and specific terms of this Agreement.

5. The County will monitor the performance of Awardee and evaluate the achievement of the "Performance Indicators" and "Goals, Objectives and Tasks" as outlined in Appendix B herein. Substandard performance as determined by the County will constitute non-compliance with this Agreement. If action to correct such substandard performance is not taken by Awardee within a reasonable period of time after being notified, the County will begin termination procedures and may request repayment of program funds.

B. TERM OF AGREEMENT

1. The term of this Agreement shall be July 1, 2025 through June 30, 2026 unless terminated in conformity with the terms of this Defined Service Agreement as contained in **Section H Special Terms and Conditions.**

2. The County may renew this Agreement for up to two (2) additional periods in increments of one (1) year in the form of an extension to the Agreement. The funding amount may be adjusted upon renewal by the County as recommended by the Mayor and subject to approval by Knox County Commission through the annual budget process.

C. COMPENSATION AND REIMBURSEMENT OF EXPENSES

1. It is expressly understood and agreed that in no event will the total amount paid by the County to Awardee under this Agreement exceed **ONE MILLION ONE HUNDRED SEVENTY-FIVE THOUSAND DOLLARS AND NO/100 ($1,175,000.00)**. Program expenses paid to Awardee are provided through the Defined Service Program for services satisfactorily rendered as outlined in Appendix B, "Performance Measurements".

2. The Awardee specifies and certifies that expenses are incurred and expended in accordance with this Agreement. No other claims, including those of Awardee's creditors or lien holders shall be allowed. Awardee shall not claim reimbursement for that portion of its obligations that are paid by another source or revenue. The County reserves the right to inspect records and project sites to determine that reimbursement and compensation requests are reasonable. The County also reserves the right to hold payment until adequate documentation has been provided and reviewed. Final payment shall be made after the County has determined that all services have been rendered and files and documentation delivered.

3. The Awardee certifies that work to be performed under this Agreement does not duplicate any work to be charged against any other contract, subcontract, or other source. KCGCD has the discretion to amend budget line items outlined in Appendix C, or performance measurements outlined Appendix B by form of an amendment to the Agreement, including incorporating new line items or transferring funding between established budget line items included in this Agreement. Budget amendments and approval shall be required prior to payment of any expenses not conforming to the approved project budget.

4. The County shall have the right to review and audit all records of Awardee pertaining to any payment by the County. Said records shall be maintained for a period of five (5) years with the retention period beginning on the date of the submission of the final program invoice. If there is litigation, claims, audits, negotiations or other actions that involve any of the records cited and that have started before the expiration of the five (5) year period, then such records must be retained until completion of the actions and resolution of all issues, or the expiration of the five (5) year period, whichever occurs later.

5. Awardee shall file claims for payment with the County for costs incurred in accordance with the terms of this Agreement. Each invoice shall be itemized by budget line item, showing the amount spent to date, and the total amount charged to the County on Awardee's letterhead. Requests for payment must be submitted by Awardee in the County's web-based reporting system and payment may be withheld until Awardee is current on all reporting requirements.

6. Documentation of expenses including invoice mark paid, receipts, purchasing order, timecards, cancelled checks, and other appropriate documentation must be held in an official grant file at the Awardee's office as proof that the funds were expended only for the services in conformance to the approved project budget schedule, Appendix C.

7. Awardee shall provide the County with a performance measurement report based on performance metrics in Appendix B, on a quarterly basis. Submission will take place within the County's web-based reporting system.

Awardee agrees to comply with evaluation and information requirements, including but not limited to: site visits, program or fiscal audits, and periodic and annual reports. Awardee shall comply fully with the recommendations and requirements of the County, including those issued by the County's Internal Audit staff, resulting from such evaluations and audits that are deemed by the County to be consistent with the provision of services under this Agreement. Awardee shall correct any deficiencies identified by the County, including the Internal Audit staff, in a reasonable period of time to be determined by the County. 4. Termination for Convenience. The County may terminate this Agreement without cause for any reason. A termination for convenience shall not be a breach of this Agreement by the County. The County shall give the Awardee at least thirty (30) days written notice before the effective termination date. The Awardee shall be entitled to compensation for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall the County be liable to the Awardee for compensation for any service that has not been rendered. The final decision as to the amount for which the County is liable shall be determined by the County. THIS AGREEMENT is entered into this ____ day of _____, 2025 by **KNOX COUNTY**, hereinafter referred to as the **County**, and **Farragut West Knox Chamber of Commerce,** a nonprofit corporation, hereinafter referred to as **Awardee** and which is located at 11826 Kingston Pike Suite 110, Farragut, Tennessee 37934.

WITNESSETH

WHEREAS, the County is authorized by Tennessee Code Annotated § 5-9-109 to appropriate and spend public monies for and in connection with activities that provide services benefiting the general welfare of Knox County citizens; and

WHEREAS, the County established the Defined Service Program to involve nonprofit organizations in the provision of critical services and programs that the County Government might otherwise provide in the absence of said service or program; and

WHEREAS, the County desires to engage Awardee to render certain assistance, projects, or services in connection with such undertakings of the Defined Service Program, situated in the program area described in Appendix A, which description is incorporated by reference as if fully set forth herein verbatim; and

WHEREAS, the Knox County Commission approved Knox County's FY2026 Budget on May 19, 2025, with an effective date of July 1, 2025 and thereby included funding as described in Appendix C herein.

NOW, THEREFORE, the parties do hereby mutually agree as follows:

A. SCOPE OF SERVICES

Awardee agrees to undertake the following activities as the scope of this Agreement:

1. Awardee in close coordination with the County, shall perform all projects and services ("WORK") necessary to complete the activities that promote economic recovery, social welfare and common good of County residents in full compliance with the terms of this Agreement.

2. The County will provide **FIFTY THOUSAND DOLLARS AND NO/100 ($50,000.00)** in General Funds to Awardee to conduct activities that serve Knox County citizens that otherwise the County might provide in the absence of Awardee's said program or service.

3. Awardee shall do, perform and carry-out in a satisfactory manner, as determined by the County, the goals, objectives and tasks set forth in Appendix B, and incorporated by reference as if fully set forth verbatim herein.

4. Awardee will provide adequate staffing to achieve the goals, objectives and specific terms of this Agreement.

5. The County will monitor the performance of Awardee and evaluate the achievement of the "Performance Indicators" and "Goals, Objectives and Tasks" as outlined in Appendix B herein. Substandard performance as determined by the County will constitute non-compliance with this Agreement. If action to correct such substandard performance is not taken by Awardee within a reasonable period of time after being notified, the County will begin termination procedures and may request repayment of program funds.

B. TERM OF AGREEMENT

1. The term of this Agreement shall be July 1, 2025 through June 30, 2026 unless terminated in conformity with the terms of this Defined Service Agreement as contained in **Section H Special Terms and Conditions.**

2. The County may renew this Agreement for up to two (2) additional periods in increments of one (1) year in the form of an extension to the Agreement. The funding amount may be adjusted upon renewal by the County as recommended by the Mayor and subject to approval by Knox County Commission through the annual budget process.

C. COMPENSATION AND REIMBURSEMENT OF EXPENSES

1. It is expressly understood and agreed that in no event will the total amount paid by the County to Awardee under this Agreement exceed **FIFTY THOUSAND DOLLARS AND NO/100 ($50,000.00)**. Program expenses paid to Awardee are provided through the Defined Service Program for services satisfactorily rendered as outlined in Appendix B, "Performance Measurements".

2. The Awardee specifies and certifies that expenses are incurred and expended in accordance with this Agreement. No other claims, including those of Awardee's creditors or lien holders shall be allowed. Awardee shall not claim reimbursement for that portion of its obligations that are paid by another source or revenue. The County reserves the right to inspect records and project sites to determine that reimbursement and compensation requests are reasonable. The County also reserves the right to hold payment until adequate documentation has been provided and reviewed. Final payment shall be made after the County has determined that all services have been rendered and files and documentation delivered.

3. The Awardee certifies that work to be performed under this Agreement does not duplicate any work to be charged against any other contract, subcontract, or other source. Said records shall be maintained for a period of five (5) years with the retention period beginning on the date of the submission of the final program invoice. If there is litigation, claims, audits, negotiations or other actions that involve any of the records cited and that have started before the expiration of the five (5) year period, then such records must be retained until completion of the actions and resolution of all issues, or the expiration of the five (5) year period, whichever occurs later.

5. Awardee shall file claims for payment with the County for costs incurred in accordance with the terms of this Agreement. Each invoice shall be itemized by budget line item, showing the amount spent to date, and the total amount charged to the County on Awardee's letterhead. Requests for payment must be submitted by Awardee in the County's web-based reporting system and payment may be withheld until Awardee is current on all reporting requirements.

6. Documentation of expenses including invoice mark paid, receipts, purchasing order, timecards, cancelled checks, and other appropriate documentation must be held in an official grant file at the Awardee's office as proof that the funds were expended only for the services in conformance to the approved project budget schedule, Appendix C.

7. Awardee shall provide the County with a performance measurement report based on performance metrics in Appendix B, on a quarterly basis. Submission will take place within the County's web-based reporting system.

8. Awardee shall correct any deficiencies identified by the County, including the Internal Audit staff, in a reasonable period of time to be determined by the County. Failure to comply with the recommendations and requirements of the County shall be considered a violation of this Agreement and sufficient reason for termination in accordance with Section F **Special Terms and Conditions**. C.11. Non-allowable Costs. The Grantee will be reimbursed for indirect costs in accordance with the approved indirect cost rate and amounts and limitations specified in the attached Grant Budget. Once the Grantee makes an election and treats a given cost as direct or

indirect, it must apply that treatment consistently and may not change during the Term. Any changes in the approved indirect cost rate must have prior approval of the cognizant federal agency or the cognizant state agency, as applicable. If the indirect cost rate is provisional during the Term, once the rate becomes final, the Grantee agrees to remit any overpayment of funds to the State, and subject to the availability of funds the State agrees to remit any underpayment to the Grantee.

C.9. Cost Allocation. If any part of the costs to be reimbursed under this Grant Contract are joint costs involving allocation to more than one program or activity, such costs shall be allocated and reported in accordance with the provisions of Central Procurement Office Policy Statement 2013-007 or any amendments or revisions made to this policy statement during the Term.

C.10. Payment of Invoice. A payment by the State shall not prejudice the State's right to object to or question any reimbursement, invoice, or related matter. A payment by the State shall not be construed as acceptance of any part of the work or service provided or as approval of any amount as an allowable cost.

C.11. Non-allowable Costs. Any amounts payable to the Grantee shall be subject to reduction for amounts included in any invoice or payment that are determined by the State, on the basis of audits or monitoring conducted in accordance with the terms of this Grant Contract, to constitute unallowable costs.

C.12. State's Right to Set Off. The State reserves the right to set off or deduct from amounts that are or shall become due and payable to the Grantee under this Grant Contract or under any other agreement between the Grantee and the State of Tennessee under which the Grantee has a right to receive payment from the State.

C.13. Prerequisite Documentation. The Grantee shall not invoice the State under this Grant Contract until the State has received the following, properly completed documentation.

By doing so, the Grantee acknowledges and agrees that, once this form is received by the State, all payments to the Grantee under this or any other grant contract will be made by automated clearing house ("ACH").

b. The Grantee shall complete, sign, and return to the State the State-provided W-9 form. The taxpayer identification number on the W-9 form must be the same as the Grantee's Federal Employer Identification Number or Social Security Number referenced in the Grantee's Edison registration information.

D.3. Termination for Convenience. The State may terminate this Grant Contract without cause for any reason. A termination for convenience shall not be a breach of this Grant Contract by the State.

The State shall give the Grantee at least thirty (30) days written notice before the effective termination date. The Grantee shall be entitled to compensation for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall the State be liable to the Grantee for compensation for any service that has not been rendered. The final decision as to the amount for which the State is liable shall be determined by the State. The Grantee shall not have any right to any actual general, special, incidental, consequential, or any other damages whatsoever of any description or amount for the State's exercise of its right to terminate for convenience.

D.4. Termination for Cause. If the Grantee fails to properly perform its obligations under this Grant Contract, or if the Grantee violates any terms of this Grant Contract, the State shall have the right to immediately terminate this Grant Contract and withhold payments in excess of fair compensation for completed services. Notwithstanding the exercise of the State's right to terminate this Grant Contract for cause, the Grantee shall not be relieved of liability to the State for damages sustained by virtue of any breach of this Grant Contract by the Grantee.

D.5. Subcontracting. The Grantee shall not assign this Grant Contract or enter into a subcontract for any of the services performed under this Grant Contract without obtaining the prior written approval of the State. If such subcontracts are approved by the State, each shall contain, at a minimum, sections of this Grant Contract pertaining to "Conflicts of Interest," "Lobbying," "Nondiscrimination," "Public Accountability," "Public Notice," and "Records" (as identified by the section headings). Notwithstanding any use of approved subcontractors, the Grantee shall remain responsible for all work performed.

D.6. Conflicts of Interest. The Grantee warrants that no part of the total Grant Contract Amount shall be paid directly or indirectly to an employee or official of the State of Tennessee as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant to the Grantee in connection with any work contemplated or performed relative to this Grant Contract.

D.7. Lobbying. The Grantee certifies, to the best of its knowledge and belief, that:

b. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this contract, grant, loan, or cooperative agreement, the Grantee shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.

c. The Grantee shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into and is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. § 1352.

D.9. Subject to Funds Availability. This Grant Contract is subject to the appropriation and availability of State or Federal funds. In the event that the funds are not appropriated or are otherwise unavailable, the State reserves the right to terminate this Grant Contract upon written notice to the Grantee. The State's right to terminate this Grant Contract due to lack of funds is not a breach of this Grant Contract by the State. Upon receipt of the written notice, the Grantee shall cease all work associated with the Grant Contract. Should such an event occur, the Grantee shall be entitled to compensation for all satisfactory and authorized services completed as of the termination date. Upon such termination, the Grantee shall have no right to recover from the State any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount.

c. The State and the Grantee will sign documents, including but not limited to business associate agreements, as required by the Privacy Rules and that are reasonably necessary to keep the State and the Grantee in compliance with the Privacy Rules. This provision shall not apply if information received by the State under this Grant Contract is NOT "protected health information" as defined by the Privacy Rules, or if the Privacy Rules permit the State to receive such information without entering into a business associate agreement or signing another such document.

D.12. Public Accountability. If the Grantee is subject to Tenn. Code Ann. § 8-4-401 *et seq*., or if this Grant Contract involves the provision of services to citizens by the Grantee on behalf of the State, the Grantee agrees to establish a system through which recipients of services may present grievances about the operation of the service program. The Grantee shall also display in a prominent place, located near the passageway through which the public enters in order to receive Grant supported services, a sign at least eleven inches (11") in height and seventeen inches (17") in width stating:

For grant contracts with a term of less than one (1) year, the Grantee shall submit a final report within three (3) months of the conclusion of the Term. For grant contracts with multiyear terms, the final report will take the place of the annual report for the final year of the Term. The Grantee shall submit annual and final reports to the Grantor State Agency. At minimum, annual and final reports shall include: (a) the Grantee's name; (b) the Grant Contract's Edison identification number, Term, and total amount; (c) a narrative section that describes the program's goals, outcomes, successes and setbacks, whether the Grantee used benchmarks or indicators to determine progress, and whether any proposed activities were not completed; and (d) other relevant details requested by the Grantor State Agency. The Grantee shall maintain documentation for the basis of each procurement for which reimbursement is paid pursuant to this Grant Contract. In each instance where it is determined

that use of a competitive procurement method is not practical, supporting documentation shall include a written justification for the decision and for use of a non-competitive procurement. If the Grantee is a subrecipient, the Grantee shall comply with 2 C.F.R. §§ 200.317—200.327 when procuring property and services under a federal award.

The Grantee shall obtain prior approval from the State before purchasing any equipment under this Grant Contract.

For purposes of this Grant Contract, the term "equipment" shall include any article of nonexpendable, tangible, personal property having a useful life of more than one year and an acquisition cost which equals or exceeds ten thousand dollars ($10,000.00).

D.21. Strict Performance. Failure by any party to this Grant Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this Grant Contract is not a waiver or relinquishment of any term, covenant, condition, or provision. No term or condition of this Grant Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties.

D.22. Independent Contractor. The parties shall not act as employees, partners, joint venturers, or associates of one another in the performance of this Grant Contract. The parties acknowledge that they are independent contracting entities and that nothing in this Grant Contract shall be construed to create a principal/agent relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.

D.23. Limitation of State's Liability. The State shall have no liability except as specifically provided in this Grant Contract. In no event will the State be liable to the Grantee or any other party for any lost revenues, lost profits, loss of business, loss of grant funding, decrease in the value of any securities or cash position, time, money, goodwill, or any indirect, special, incidental, punitive, exemplary or consequential damages of any nature, whether based on warranty, contract, statute, regulation, tort (including but not limited to negligence), or any other legal theory that may arise under this Grant Contract or otherwise. The State's total liability under this Grant Contract (including any exhibits, schedules, amendments or other attachments to the Contract) or otherwise shall under no circumstances exceed the Maximum Liability originally established in Section C.1 of this Grant Contract. This limitation of liability is cumulative and not per incident.

D.24. Force Majeure. "Force Majeure Event" means fire, flood, earthquake, elements of nature or acts of God, wars, riots, civil disorders, rebellions or revolutions, acts of terrorism or any other similar cause beyond the reasonable control of the party except to the extent that the non-performing party is at fault in failing to prevent or causing the default or delay, and provided that the default or delay cannot reasonably be circumvented by the non-performing party through the use of alternate sources, workaround plans or other means. A strike, lockout or labor dispute shall not excuse either party from its obligations under this Grant Contract. Except as set forth in this Section, any failure or delay by a party in the performance of its obligations under this Grant Contract arising from a Force Majeure Event is not a default under this Grant Contract or grounds for termination. The non-performing party will be excused from performing those obligations directly affected by the Force Majeure Event, and only for as long as the Force Majeure Event continues, provided that the party continues to use diligent, good faith efforts to resume performance without delay. The occurrence of a Force Majeure Event affecting Grantee's representatives, suppliers, subcontractors, customers or business apart from this Grant Contract is not a Force Majeure Event under this Grant Contract. Grantee will promptly notify the State of any delay caused by a Force Majeure Event (to be confirmed in a written notice to the State within one (1) day of the inception of the delay) that a Force Majeure Event has occurred, and will describe in reasonable detail the nature of the Force Majeure Event. If any Force Majeure Event results in a delay in Grantee's performance longer than forty-eight (48) hours, the State may, upon notice to Grantee: (a) cease payment of the fees until Grantee resumes performance of the affected obligations; or (b) immediately terminate this Grant Contract or any purchase order, in whole or in part, without further payment except for fees then due and payable. Grantee will not

increase its charges under this Grant Contract or charge the State any fees other than those provided for in this Grant Contract as the result of a Force Majeure Event.

D.29. Governing Law. This Grant Contract shall be governed by and construed in accordance with the laws of the State of Tennessee, without regard to its conflict or choice of law rules. The Grantee agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Grant Contract. The Grantee acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising there from, shall be subject to and limited to those rights and remedies, if any, available under Tenn. D.35. Confidentiality of Records. Strict standards of confidentiality of records and information shall be maintained in accordance with applicable state and federal law. All material and information, regardless of form, medium or method of communication, provided to the Grantee by the State or acquired by the Grantee on behalf of the State that is regarded as confidential under state or federal law shall be regarded as "Confidential Information." Nothing in this Section shall permit Grantee to disclose any Confidential Information, regardless of whether it has been disclosed or made available to the Grantee due to intentional or negligent actions or inactions of agents of the State or third parties. Confidential Information shall not be disclosed except as required or permitted under state or federal law. Grantee shall take all necessary steps to safeguard the confidentiality of such material or information in conformance with applicable state and federal law.

The obligations set forth in this Section shall survive the termination of this Grant Contract.

Grantee shall take all necessary measures to halt any further Unauthorized Disclosures. The Grantee, at the sole discretion of the State, shall provide no cost credit monitoring services for individuals whose PII was affected by the Unauthorized Disclosure. The Grantee shall bear the cost of notification to all individuals affected by the Unauthorized Disclosure, including individual letters and public notice. iii. Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees.

iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.

v. Above-market earnings on deferred compensation which is not tax qualified.

vi. Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds $10,000.

b. The Grantee must report executive total compensation described above to the State by the end of the month during which this Grant Contract is established.

c. If this Grant Contract is amended to extend its term, the Grantee must submit an executive total compensation report to the State by the end of the month in which the amendment to this Grant Contract becomes effective.

d. The Grantee will obtain a Unique Entity Identifier (SAM) and maintain its number for the term of this Grant Contract. More information about obtaining a Unique Entity Identifier can be found at: https://www.gsa.gov.

The Grantee's failure to comply with the above requirements is a material breach of this Grant Contract for which the State may terminate this Grant Contract for cause. The State will not be obligated to pay any outstanding invoice received from the Grantee unless and until the Grantee is in full compliance with the above requirements.

E.6. Clean Air Act and Federal Water Pollution Control Act. As a condition for receipt of funds, the Grantee agrees to comply with the Clean Air Act, 42 U.S.C. § 7401 *et seq*. and the Federal Water Pollution Control Act, 33 U.S.C § 1251 *et seq.*, as those sections are amended from time to time during the term. Violations must be reported to the Centers for Disease Control and Prevention and the Region 4 Office of the Environmental Protection Agency.

E.7. Assistance Listing Number. When applicable, the Grantee shall inform its licensed independent public accountant of the federal regulations that require compliance with the performance of an audit. This information shall consist of the following Assistance Listing Numbers: 93.116 Project Grants and Cooperative Agreements for Tuberculosis Control Programs.

E.8. Health Care Data. Grantee shall provide data reports about health care services provided under this Grant using the Department of Health's Patient Tracking and Billing Management Information System (or its successor). Data regarding health care services provided by the Grantee shall be coded and entered into the Patient Tracking and Billing Management Information System (PTBMIS), using the PTBMIS Codes Manual. The PTBMIS Codes manual is available electronically at http://hsaintranet.health.tn.gov/ and e-mail notices shall be sent to the Grantee regarding new revisions and/or updates, which can be accessed through the above-referenced website.

On a schedule defined by the State, the Grantee shall submit Central Office Database Report (CODB) files, as defined in PTBMIS, electronically to the State. The Grantee shall also submit other health care data reports, as requested by the State, and in a format acceptable to the State.

E.9. Information Technology Security Requirements (State Data, Audit, and Other Requirements).

a. The Grantee shall protect State Data as follows:

(1) The Grantee shall ensure that all State Data is housed in the continental United States, inclusive of backup data. All State data must remain in the United States, regardless of whether the data is processed, stored, in-transit, or at rest. Access to State data shall be limited to US-based (onshore) resources only.

All system and application administration must be performed in the continental United States. Configuration or development of software and code is permitted outside of the United States. However, software applications designed, developed, manufactured, or supplied by persons owned or controlled by, or subject to the jurisdiction or direction of, a foreign adversary, which the U.S. Secretary of Commerce acting pursuant to 15 CFR 7 has defined to include the People's Republic of China, among others are prohibited. Any testing of code outside of the United States must use fake data. A copy of production data may not be transmitted or used outside the United States.

(2) The Grantee shall encrypt Confidential State Data at rest and in transit using the current version of Federal Information Processing Standard ("FIPS") 140-2 validated encryption technologies.

(3) The Grantee shall implement and maintain privacy and security controls that follow the guidelines set forth in the most current version of NIST 800-171, "Protecting Controlled Unclassified Information in Nonfederal Systems and Organizations," with the State to review the implementation of this Section. The State must have proof of compliance with NIST 800-171 in the form of a third-party audit at a minimum every two years or upon request.

No additional funding shall be allocated for these examinations as they are included in the Maximum Liability of this Contract.

(4) The Grantee must annually perform Penetration Tests and Vulnerability Assessments against its Processing Environment per the NIST 800-115 definition. "Processing Environment" shall mean the combination of software and hardware on which the Application runs. "Application" shall mean the computer code that supports and accomplishes the State's requirements as set forth in this Contract. "Penetration Tests" shall be in the form of attacks on the Grantee's computer system, with the purpose of discovering security weaknesses which have the potential to gain access to the Processing Environment's features and data. The "Vulnerability Assessment" shall be designed and executed to define, identify, and classify

the security holes (vulnerabilities) in the Processing Environment. The Grantee shall provide a letter of attestation on its processing environment that penetration tests and vulnerability assessments have been performed on an annual basis and taken corrective action to evaluate and address any findings. The Grantee must provide a letter of attestation that includes a penetration testing and vulnerability assessments report per NIST 800-115 that outlines risk exposure of the critical, high, and moderate risks and how they were mitigated, within 30 days of receiving the results.

In the event of an unauthorized disclosure or unauthorized access to State data, the State Strategic Technology Solutions (STS) Security Incident Response Team (SIRT) must be notified and engaged by calling the State Customer Care Center (CCC) at 615-741-1001. Any such event must be reported by the Grantee within twenty-four (24) hours after the unauthorized disclosure has come to the attention of the Grantee.

(5) If a breach has been confirmed a fully un-modified third-party forensics report must be supplied to the State and through the STS SIRT. This report must include indicators of compromise (IOCs) as well as plan of actions for remediation and restoration. Grantee shall take all necessary measures to halt any further Unauthorized Disclosures.

(6) Upon State request, the Grantee shall provide a copy of all Confidential State Data it holds. The Grantee shall provide such data on media and in a format determined by the State

(7) Upon termination of this Contract and in consultation with the State, the Grantee shall destroy, and ensure all subcontractors shall destroy, all Confidential State Data it holds (including any copies such as backups) in accordance with the current version of National Institute of Standards and Technology ("NIST") Special Publication 800-88. The Grantee shall provide a written confirmation of destruction to the State within ten (10) business days after destruction.

b. Minimum Requirements

(1) The Grantee and all data centers used by the Grantee to host State data, including those of all Subcontractors, must comply with The Grantee and all data centers used by Grantee to host State data, including those of all subcontractors, must comply with the most current version of NIST 800-171, "Protecting Controlled Unclassified Information in Nonfederal Systems and Organizations," with the State to review the implementation of this Section. The State must have proof of compliance with NIST 800-171 in the form of a third-party audit at a minimum every two years or upon request. Knox County Information Security Management Policy is attached as Attachment #6.

(2) The Grantee agrees to maintain the Application so that it will run on a current, manufacturer-supported Operating System. "Operating System" shall mean the software that supports a computer's basic functions, such as scheduling tasks, executing applications, and controlling peripherals.

(3) If the Application requires middleware or database software, Grantee shall maintain middleware and database software versions that are always fully compatible with current versions of the Operating System and Application to ensure that security vulnerabilities are not introduced.

(4) In the event of drive/media failure, if the drive/media is replaced, it remains with the State and it is the State's responsibility to destroy the drive/media, or the Grantee shall provide written confirmation of the sanitization/destruction of data according to NIST 800-88.

c. Business Continuity Requirements. The Grantee shall maintain set(s) of documents, instructions, and procedures which enable the Grantee to respond to accidents, disasters, emergencies, or threats without any stoppage or hindrance in its key operations ("Business Continuity Requirements"). Business Continuity Requirements shall include:

(1) "Disaster Recovery Capabilities" refer to the actions the Grantee takes to meet the Recovery Point and Recovery Time Objectives defined below. Disaster Recovery Capabilities shall meet the following objectives:

i. Recovery Point Objective ("RPO"). The RPO is defined as the maximum targeted period in which data might be lost from an IT service due to a major incident: 24 hours

ii. Recovery Time Objective ("RTO"). The RTO is defined as the targeted duration of time and a service level within which a business process must be restored after a disaster (or disruption) in order to avoid unacceptable consequences associated with a break in business continuity: 48 hours

(2) The Grantee and the Subcontractor(s) shall maintain a documented Disaster Recovery plan and shall share this document with the State when requested. The Grantee and the Subcontractor(s) shall perform at least one Disaster Recovery Test every three hundred sixty-five (365) days. A "Disaster Recovery Test" shall mean the process of verifying the success of the restoration procedures that are executed after a critical IT failure or disruption occurs. The Disaster Recovery Test shall use actual State Data Sets that mirror production data, and success shall be defined as the Grantee verifying that the Grantee can meet the State's RPO and RTO requirements. A "Data Set" is defined as a collection of related sets of information that is composed of separate elements but can be manipulated as a unit by a computer. The Grantee shall provide written confirmation to the State after each Disaster Recovery Test that its Disaster Recovery Capabilities meet the RPO and RTO requirements.

E.10. Comptroller Audit Requirements.

When requested by the State or the Comptroller of the Treasury, the Grantee must provide the State or the Comptroller of the Treasury with a detailed written description of the Grantee's information technology control environment, including a description of general controls and application controls. The Grantee must also assist the State or the Comptroller of the Treasury with obtaining a detailed written description of the information technology control environment for any third or fourth parties, or Subcontractors, used by the Grantee to process State data and/or provide services under this Contract.

Grantee will maintain and cause its Subcontractors to maintain a complete audit trail of all transactions and activities in connection with this Contract, including all information technology logging and scanning conducted within the Grantee's and Subcontractor's information technology control environment. Upon reasonable notice and at any reasonable time, the Grantee grants the State or the Comptroller of the Treasury with the right to audit the Grantee's information technology control environment, including general controls and application controls. The audit may include testing the general and application controls within the Grantee's information technology control environment and may also include testing general and application controls for any third or fourth parties, or Subcontractors, used by the Grantee to process State data and/or provide services under this Contract. The audit may include the Grantee's and Subcontractor's compliance with NIST 800-171 and all applicable requirements, laws, regulations, or policies.

Upon reasonable notice and at any reasonable time, the Grantee and Subcontractor(s) agree to allow the State, the Comptroller of the Treasury, or their duly appointed representatives to perform information technology control audits of the Grantee and all Subcontractors used by the Grantee. Grantee will provide to the State, the Comptroller of the Treasury, or their duly appointed representatives access to Grantee and Subcontractor(s) personnel for the purpose of performing the information technology control audit. The audit may include interviews with technical and management personnel, physical or virtual inspection of controls, and review of paper or electronic documentation.

The Grantee must have a process for correcting control deficiencies that were identified in the State's or Comptroller of the Treasury's information technology audit. For any audit issues identified, the Grantee and Subcontractor(s) shall submit a corrective action plan to the State or the Comptroller of the Treasury which addresses the actions taken, or to be taken, and the anticipated completion date in response to each of the audit issues and related recommendations of the State or the Comptroller of the Treasury. The corrective action plan shall be provided to the State or the Comptroller of the Treasury upon request from the State or Comptroller of the Treasury and within 30 days from the issuance of the audit report or communication of the audit issues and recommendations. Upon request from the State or Comptroller of the Treasury, the Grantee and Subcontractor(s) shall provide documentation and evidence that the audit issues were corrected.

Each party shall bear its own expenses incurred while conducting the information technology controls audit.

D.3. Termination for Convenience. The State may terminate this Grant Contract without cause for any reason. A termination for convenience shall not be a breach of this Grant Contract by the State. The State shall give the Grantee at least thirty (30) days written notice before the effective termination date. The Grantee shall be entitled to compensation for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall the State be liable to the Grantee for compensation for any service that has not been rendered. If the Grantee fails to properly perform its obligations under this Grant Contract in a timely or proper manner, or if the Grantee violates any terms of this Grant Contract, the State shall have the right to immediately terminate the Grant Contract and withhold payments in excess of fair compensation for completed services. Notwithstanding the exercise of the

State's right to terminate this Grant Contract for cause, the Grantee shall not be relieved of liability to the State for damages sustained by virtue of any breach of this Grant Contract by the Grantee.

D.5. Subcontracting. The Grantee shall not assign this Grant Contract or enter into a subcontract for any of the services performed under this Grant Contract without obtaining the prior written approval of the State. If such subcontracts are approved by the State, each shall contain, at a minimum, sections of this contract pertaining to "Conflicts of Interest," "Lobbying," "Nondiscrimination," "Public Accountability," "Public Notice," and "Records" (as identified by the section headings). Notwithstanding any use of approved subcontractors, the Grantee shall remain responsible for all work performed.

D.6. Conflicts of Interest. The Grantee warrants that no part of the total Grant Contract Amount shall be paid directly or indirectly to an employee or official of the State of Tennessee as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant to the Grantee in connection with any work contemplated or performed relative to this Grant Contract.

a. No federally appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

b. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this contract, grant, loan, or cooperative agreement, the Grantee shall complete and submit Standard Form-LLL, ``Disclosure Form to Report Lobbying," in accordance with its instructions.

c. The Grantee shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

D.9. Subject to Funds Availability. This Grant Contract is subject to the appropriation and availability of State or Federal funds. In the event that the funds are not appropriated or are otherwise unavailable, the State reserves the right to terminate this Grant Contract upon written notice to the Grantee. The State's right to terminate this Grant Contract due to lack of funds is not a breach of this Grant Contract by the State. Upon receipt of the written notice, the Grantee shall cease all work associated with the Grant Contract. Should such an event occur, the Grantee shall be entitled to compensation for all satisfactory and authorized services completed as of the termination date. Upon such termination, the Grantee shall have no right to recover from the State any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount.

D.10. Nondiscrimination. The Grantee hereby agrees, warrants, and assures that no person shall be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of this Grant Contract or in the employment practices of the Grantee on the grounds of handicap or disability, age, race, color, religion, sex, national origin, or any other classification protected by Federal, Tennessee State constitutional, or statutory law. b. The Grantee warrants that it will cooperate with the State, including cooperation and coordination with State privacy officials and other compliance officers required by the

Privacy Rules, in the course of performance of this Grant Contract so that both parties will be in compliance with the Privacy Rules.

c. The State and the Grantee will sign documents, including but not limited to business associate agreements, as required by the Privacy Rules and that are reasonably necessary to keep the State and the Grantee in compliance with the Privacy Rules. This provision shall not apply if information received by the State under this Grant Contract is NOT "protected health information" as defined by the Privacy Rules, or if the Privacy Rules permit the State to receive such information without entering into a business associate agreement or signing another such document.

D.12. Public Accountability. If the Grantee is subject to Tenn. Code Ann. § 8-4-401 *et seq*., or if this Grant Contract involves the provision of services to citizens by the Grantee on behalf of the State, the Grantee agrees to establish a system through which recipients of services may present grievances about the operation of the service program, and the Grantee shall display in a prominent place, located near the passageway through which the public enters in order to receive Grant supported services, a sign at least eleven inches (11") in height and seventeen inches (17") in width stating:

The sign shall be on the form prescribed by the Comptroller of the Treasury. The Grantor State Agency shall obtain copies of the sign from the Comptroller of the Treasury, and upon request from the Grantee, provide Grantee with any necessary signs.

D.13. Public Notice. All notices, informational pamphlets, press releases, research reports, signs, and similar public notices prepared and released by the Grantee shall include the statement, "This project is funded under an agreement with the State of Tennessee."

All notices by the Grantee in relation to this Grant Contract shall be approved by the State.

D.14. Licensure. The Grantee, its employees, and any approved subcontractor shall be licensed pursuant to all applicable federal, state, and local laws, ordinances, rules, and regulations and shall upon request provide proof of all licenses.

D.15. Records. The Grantee and any approved subcontractor shall maintain documentation for all charges under this Grant Contract. The books, records, and documents of the Grantee and any approved subcontractor, insofar as they relate to work performed or money received under this Grant Contract, shall be maintained in accordance with applicable Tennessee law. In no case shall the records be maintained for a period of less than five (5) full years from the date of the final payment. The Grantee's records shall be subject to audit at any reasonable time and upon reasonable notice by the Grantor State Agency, the Comptroller of the Treasury, or their duly appointed representatives.

The records shall be maintained in accordance with Governmental Accounting Standards Board (GASB) Accounting Standards or the Financial Accounting Standards Board (FASB) Accounting Standards Codification, as applicable, and any related AICPA Industry Audit and Accounting guides.

Any other required records or reports which are not contemplated in the above standards shall follow the format designated by the head of the Grantor State Agency, the Central Procurement Office, or the Commissioner of Finance and Administration of the State of Tennessee.

D.16. Monitoring. The Grantee's activities conducted and records maintained pursuant to this Grant Contract shall be subject to monitoring and evaluation by the State, the Comptroller of the Treasury, or their duly appointed representatives.

D.17. Progress Reports. The Grantee shall submit brief, periodic, progress reports to the State as requested.

D.18. Annual and Final Reports. The Grantee shall submit, within three (3) months of the conclusion of each year of the Term, an annual report. For grant contracts with a term of less than one (1) year, the Grantee shall submit a final report within three (3) months of the conclusion of the Term. For grant contracts with multiyear terms, the final report will take the place of the annual report for the final year of the Term. The Grantee shall submit annual and final reports to the Grantor State Agency and the Department of Finance and Administration ("F&A"). Send electronic copies of annual and final reports to F&A at fa.audit@tn.gov. At minimum, annual and final reports shall include: (a) the Grantee's name; (b) the Grant Contract's Edison identification number, Term, and total amount; (c) a narrative section that describes the program's goals, outcomes, successes and setbacks, whether the Grantee used benchmarks or indicators to determine progress, and whether any proposed activities were not completed; and (d) other relevant details requested by the Grantor State Agency. Annual and final report documents to be completed by the Grantee shall appear on the Grantor State Agency's website or as an attachment 1 to the Grant Contract.

D.19. Strict Performance. Failure by any party to this Grant Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this agreement shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision. No term or condition of this Grant Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties.

D.20. Independent Contractor. The parties shall not act as employees, partners, joint venturers, or associates of one another in the performance of this Grant Contract. The parties acknowledge that they are independent contracting entities and that nothing in this Grant Contract shall be construed to create a principal/agent relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.

D.21. State Liability. The State shall have no liability except as specifically provided in this Grant Contract.

D.22. Force Majeure. "Force Majeure Event" means fire, flood, earthquake, elements of nature or acts of God, wars, riots, civil disorders, rebellions or revolutions, acts of terrorism or any other similar cause beyond the reasonable control of the party except to the extent that the non-performing party is at fault in failing to prevent or causing the default or delay, and provided that the default or delay cannot reasonably be circumvented by the non-performing party through the use of

alternate sources, workaround plans or other means. A strike, lockout or labor dispute shall not excuse either party from its obligations under this Grant Contract. Except as set forth in this Section, any failure or delay by a party in the performance of its obligations under this Grant Contract arising from a Force Majeure Event is not a default under this Grant Contract or grounds for termination. The non-performing party will be excused from performing those obligations directly affected by the Force Majeure Event, and only for as long as the Force Majeure Event continues, provided that the party continues to use diligent, good faith efforts to resume performance without delay. The occurrence of a Force Majeure Event affecting Grantee's representatives, suppliers, subcontractors, customers or business apart from this Grant Contract is not a Force Majeure Event under this Grant Contract. Grantee will promptly notify the State of any delay caused by a Force Majeure Event (to be confirmed in a written notice to the State within one (1) day of the inception of the delay) that a Force Majeure Event has occurred, and will describe in reasonable detail the nature of the Force Majeure Event. If any Force Majeure Event results in a delay in Grantee's performance longer than forty-eight (48) hours, the State may, upon notice to Grantee: (a) cease payment of the fees until Grantee resumes performance of the affected obligations; or (b) immediately terminate this Grant Contract or any purchase order, in whole or in part, without further payment except for fees then due and payable. Grantee will not increase its charges under this Grant Contract or charge the State any fees other than those provided for in this Grant Contract as the result of a Force Majeure Event.

D. 23. State and Federal Compliance. The Grantee shall comply with all applicable state and federal laws and regulations in the performance of this Grant Contract. The U.S. Office of Management and Budget's Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards is available here: http://www.ecfr.gov/cgi-bin/text-idx?SID=c6b2f053952359ba94470ad3a7c1a975&tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl

D.24. Governing Law. This Grant Contract shall be governed by and construed in accordance with the laws of the State of Tennessee, without regard to its conflict or choice of law rules. The Grantee agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Grant Contract. The Grantee acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising there from, shall be subject to and limited to those rights and remedies, if any, available under Tenn. Code Ann. §§ 9-8-101 through 9-8-408.

D.25. Completeness. This Grant Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions of the parties' agreement. This Grant Contract supersedes any and all prior understandings, representations, negotiations, and agreements between the parties relating hereto, whether written or oral.

D.26. Severability. If any terms and conditions of this Grant Contract are held to be invalid or unenforceable as a matter of law, the other terms and conditions hereof shall not be affected thereby and shall remain in full force and effect. To this end, the terms and conditions of this Grant Contract are declared severable.

D.27. Headings. Section headings are for reference purposes only and shall not be construed as part of this Grant Contract.

D.28. Debarment and Suspension. The Grantee certifies, to the best of its knowledge and belief, that it, its current and future principals, its current and future subcontractors and their principals:

a. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal or state department or agency;

b. have not within a three (3) year period preceding this Grant Contract been convicted of, or had a civil judgment rendered against them from commission of fraud, or a criminal offence in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or grant under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property;

c. are not presently indicted or otherwise criminally or civilly charged by a government entity (federal, state, or local) with commission of any of the offenses detailed in section b. of this certification; and

d. have not within a three (3) year period preceding this Grant Contract had one or more public transactions (federal, state, or local) terminated for cause or default.

The Grantee shall provide immediate written notice to the State if at any time it learns that there was an earlier failure to disclose information or that due to changed circumstances, its principals or the principals of its subcontractors are excluded or disqualified, or presently fall under any of the prohibitions of sections a-d.

D.29. Confidentiality of Records. Strict standards of confidentiality of records and information shall be maintained in accordance with applicable state and federal law. All material and information, regardless of form, medium or method of communication, provided to the Grantee by the State or acquired by the Grantee on behalf of the State that is regarded as confidential under state or federal law shall be regarded as "Confidential Information." Nothing in this Section shall permit Grantee to disclose any Confidential Information, regardless of whether it has been disclosed or made available to the Grantee due to intentional or negligent actions or inactions of agents of the State or third parties. Confidential Information shall not be disclosed except as required or permitted under state or federal law. Grantee shall take all necessary steps to safeguard the confidentiality of such material or information in conformance with applicable state and federal law.

The obligations set forth in this Section shall survive the termination of this Grant Contract.

E. SPECIAL TERMS AND CONDITIONS:

E.1. Conflicting Terms and Conditions. Should any of these special terms and conditions conflict with any other terms and conditions of this Grant Contract, the special terms and conditions shall be subordinate to the Grant Contract's other terms and conditions.

E.2. Environmental Tobacco Smoke. Pursuant to the provisions of the federal "Pro-Children Act of 1994" and the "Children's Act for Clean Indoor Air of 1995," Tenn. Code Ann. §§ 39-17-1601 through 1606, the Grantee shall prohibit smoking of tobacco products within any indoor premises in which services are provided to individuals under the age of eighteen (18) years. The Grantee shall post "no smoking" signs in appropriate, permanent sites within such premises. This prohibition shall be applicable during all hours, not just the hours in which children are present. Violators of the prohibition may be subject to civil penalties and fines. This prohibition shall apply to and be made part of any subcontract related to this Grant Contract.

E.3. Information Technology Security Requirements (State Data, Audit, and Other Requirements).

THE FOLLOWING IS FOR CLARIFICATION:

QUESTION 1: I would like an understanding as to why the requirement for a general contractor license is necessary for debris removal/cleanup. Please advise if this project is acceptable to bid with a state business license or if Knox county will require a general contractor license.

ANSWER 1: Bidders are required to be properly licensed by the State of TN for tree removal services. Bidders must submit a copy of their State Contractor's License with their bid.

QUESTION 2: Next question I have is on workman's comp. A company Under 5 employees can file for exemption from the state. Is this acceptable with Knox county?

ANSWER 2: Knox County will require worker's compensation insurance.

ADDENDUM DATE: **May 9, 2025**

BUYER: **Jay Garrison, CPPO, CPPB**

ORIGINAL OPENING DATE: **May 21, 2025 at 2:00 PM**

THE FOLLOWING IS FOR CLARIFICATION:

QUESTION 1: Will Knox County pay Travel time from yard to jobsite at the beginning of the day and travel time from job site to yard at the end of the day?

ANSWER 1: No.

QUESTION 2: A- What does 6.30.1. Include? B - Is it just labor and no truck for transportation or Truck included? C - If the 3 man crew can take a single axle truck and skid steer does that mean I'll need to bill 6.30.1, 6.30.2, and 6.30.3 and have a 5 man crew instead of 3 man crew?

ANSWER 2: A- Removing trees from Beaver Creek only. B- Yes, labor only. C- It can be a three-man crew. Knox County would be charged for labor to remove trees/Jams at the hourly rate. Then the Hourly rate, the dump truck, and the driver were used to dispose of debris for the job. Charged for the hourly rate of the skid steer, and the operator was used on the job.

QUESTION 3: A - What are the approved locations for disposal? B -Do I need to find my own?

ANSWER 3: It will be the responsibility of the Contractor to find disposal sites.

ANSWER 6: IT will be the responsibility of the contractor to determine the necessary permits and to obtain them.

QUESTION 7: Will the County provide clear boundaries for access areas?

ANSWER 7: It will be up to the contractor to obtain access from homeowners or business owners to Beaver Creek.

AMENDMENT 2
OF GRANT CONTRACT 51045

This Grant Contract Amendment is made and entered by and between the State of Tennessee, Department of Finance and Administration, Office of Criminal Justice Programs, hereinafter referred to as the "State" and Knox County Government, hereinafter referred to as the "Grantee." It is mutually understood and agreed by and between said, undersigned contracting parties that the subject Grant Contract is hereby amended as follows:

1. Grant Contract section B.1. is deleted in its entirety and replaced with the following:

   B.1. This Grant Contract shall be effective on 7/1/2023 ("Effective Date") and extend for a period of Thirty-Six (36) months after the Effective Date ("Term"). The State shall have no obligation to the Grantee for fulfillment of the Scope outside the Term.

2. Grant Contract section C.1. is deleted in its entirety and replaced with the following:

   C.1. Maximum Liability. In no event shall the maximum liability of the State under this Grant Contract exceed One Hundred Ninety-Five Thousand Dollars ($195,000.00) ("Maximum Liability"). The Grant Budget attached and incorporated as Attachment A-1 for fiscal year 2023, Attachment A-1 for fiscal year 2024, Attachment A-1 for fiscal year 2025, and Attachment A-1 for fiscal year 2026, is the maximum amount due the Grantee under this Grant Contract. The Grant Budget line-items include, but are not limited to, all applicable taxes, fees, overhead, and all other direct and indirect costs incurred or to be incurred by the Grantee.

3. Grant Contract section C.7. is deleted in its entirety and replaced with the following:

   C.7. Disbursement Reconciliation and Close Out. The Grantee shall submit any final invoice and a grant disbursement reconciliation report within forty-five (45) days of the Grant Contract end date and in form and substance acceptable to the State.

      a. The Grant Budget specifies a Grantee Match Requirement and the final grant disbursement reconciliation report shall detail all Grantee expenditures recorded to meet said requirement.

         i. No Grantee expenditure shall be recorded and reported toward meeting a Grantee Match Requirement of more than one grant contract with the state of Tennessee.

         ii. The final grant disbursement reconciliation report shall specifically detail the exact amount of any Grantee failure to meet a Match Requirement, and the maximum total amount reimbursable by the State pursuant to this Grant Contract, as detailed by the Grant Budget column "Grant Contract," shall be reduced by the amount that the Grantee failed to contribute to the Total Project as budgeted.

      b. If total disbursements by the State pursuant to this Grant Contract exceed the amounts permitted by Section C of this Grant Contract (including any adjustment pursuant to subsection a.ii. above), the Grantee shall refund the difference to the State. The Grantee shall submit said refund with the final grant disbursement reconciliation report.

      c. The State shall not be responsible for the payment of any invoice submitted to the State after the grant disbursement reconciliation report. The State will not

deem any Grantee costs submitted for reimbursement after the grant disbursement reconciliation report to be allowable and reimbursable by the State, and such invoices will NOT be paid.

d. The Grantee's failure to provide a final grant disbursement reconciliation report to the state as required shall result in the Grantee being deemed ineligible for reimbursement under this Grant Contract, and the Grantee shall be required to refund any and all payments by the state pursuant to this Grant Contract.

e. The Grantee must close out its accounting records at the end of the Term in such a way that reimbursable expenditures and revenue collections are NOT carried forward.

4. Grant Contract section D.6. is deleted in its entirety and replaced with the following:

D.6. Conflicts of Interest. The Grantee warrants that no part of the total Grant Contract Amount shall be paid directly or indirectly to an employee or official of the State of Tennessee as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant to the Grantee in connection with any work contemplated or performed relative to this Grant Contract. Notwithstanding the foregoing, when administering a Federal or State grant, the Tennessee Department of Finance and Administration, Office of Criminal Justice Programs may contract with an entity for which a current employee of the State of Tennessee is providing criminal justice or victim service related professional services including training for allied professionals as an employee or independent contractor of the entity outside of his/her hours of state employment, provided that such outside employment does not violate applicable law, the state agency's policies, or create a conflict of interest.

5. Grant Contract section D.19. is deleted in its entirety and replaced with the following:

D.19. Audit Report. The Grantee shall be audited in accordance with applicable Tennessee law.

At least ninety (90) days before the end of its fiscal year, the Grantee shall complete the Information for Audit Purposes ("IAP") form online (accessible through the Edison Supplier portal) to notify the State whether or not Grantee is subject to an audit. The Grantee should submit only one, completed form online during the Grantee's fiscal year. Immediately after the fiscal year has ended, the Grantee shall fill out the End of Fiscal Year ("EOFY") (accessible through the Edison Supplier portal).

When a federal single audit is required, the audit shall be performed in accordance with U.S. Office of Management and Budget's Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

A copy of the audit report shall be provided to the Comptroller by the licensed, independent public accountant. Audit reports shall be made available to the public.

6. Grant Contract section D.20 is deleted in its entirety and replaced with the following:

D.20. Procurement. If other terms of this Grant Contract allow reimbursement for the cost of goods, materials, supplies, equipment, or contracted services, such procurement shall be made on a competitive basis, including the use of competitive bidding procedures, where practical. The Grantee shall maintain documentation for the basis of each procurement for which reimbursement is paid pursuant to this Grant Contract. In each instance where it is determined that use of a competitive procurement method is not practical, supporting documentation shall include a written justification for the decision and for use of a non-

competitive procurement. If the Grantee is a subrecipient, the Grantee shall comply with 2 C.F.R. §§ 200.317—200.327 when procuring property and services under a federal award.

The Grantee shall obtain prior approval from the State before purchasing any equipment under this Grant Contract.

For purposes of this Grant Contract, the term “equipment” shall include any article of nonexpendable, tangible, personal property having a useful life of more than one year and an acquisition cost which equals or exceeds ten thousand dollars ($10,000.00).

7. Grant Contract section D.27 is deleted in its entirety and replaced with the following:

D.27. State Interest in Equipment or Motor Vehicles. The Grantee shall take legal title to all equipment or motor vehicles purchased totally or in part with funds provided under this Grant Contract, subject to the State’s equitable interest therein, to the extent of its pro rata share, based upon the State’s contribution to the purchase price. The term "equipment" shall include any article of nonexpendable, tangible, personal property having a useful life of more than one year and an acquisition cost which equals or exceeds ten thousand dollars ($10,000.00). The term “motor vehicle” shall include any article of tangible personal property that is required to be registered under the “Tennessee Motor Vehicle Title and Registration Law”, Tenn. Code Ann. Title 55, Chapters 1-6.

As authorized by the Tennessee Uniform Commercial Code, Tenn. Code Ann. Title 47, Chapter 9 and the “Tennessee Motor Vehicle Title and Registration Law,” Tenn. Code Ann. Title 55, Chapters 1-6, the parties intend this Grant Contract to create a security interest in favor of the State in the equipment or motor vehicles acquired by the Grantee pursuant to the provisions of this Grant Contract. A further intent of this Grant Contract is to acknowledge and continue the security interest in favor of the State in the equipment or motor vehicles acquired by the Grantee pursuant to the provisions of this program’s prior year Grant Contracts between the State and the Grantee.

The Grantee grants the State a security interest in all equipment or motor vehicles acquired in whole or in part by the Grantee under this Grant Contract. This Grant Contract is intended to be a security agreement pursuant to the Uniform Commercial Code for any of the equipment or motor vehicles herein specified which, under applicable law, may be subject to a security interest pursuant to the Uniform Commercial Code, and the Grantee hereby grants the State a security interest in said equipment or motor vehicles. The Grantee agrees that the State may file this Grant Contract or a reproduction thereof, in any appropriate office, as a financing statement for any of the equipment or motor vehicles herein specified. Any reproduction of this or any other security agreement or financing statement shall be sufficient as a financing statement. In addition, the Grantee agrees to execute and deliver to the State, upon the State's request, any financing statements, as well as extensions, renewals, and amendments thereof, and reproduction of this Grant Contract in such form as the State may require to perfect a security interest with respect to said equipment or motor vehicles. The Grantee shall pay all costs of filing such financing statements and any extensions, renewals, amendments and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements the State may reasonably require. Without the prior written consent of the State, the Grantee shall not create or suffer to be created pursuant to the Uniform Commercial Code any other security interest in said equipment or motor vehicles, including replacements and additions thereto. Upon the Grantee's breach of any covenant or agreement contained in this Grant Contract, including the covenants to pay when due all sums secured by this Grant Contract, the State shall have

the remedies of a secured party under the Uniform Commercial Code and, at the State's option, may also invoke the remedies herein provided.

The Grantee agrees to be responsible for the accountability, maintenance, management, and inventory of all property purchased totally or in part with funds provided under this Grant Contract. The Grantee shall maintain a perpetual inventory system for all equipment or motor vehicles purchased with funds provided under this Grant Contract and shall submit an inventory control report which must include, at a minimum, the following:

a. Description of the equipment or motor vehicles;
b. Vehicle identification number;
c. Manufacturer's serial number or other identification number, when applicable;
d. Acquisition date, cost, and check number;
e. Fund source, State Grant number, or other applicable fund source identification;
f. Percentage of state funds applied to the purchase;
g. Location within the Grantee's operations where the equipment or motor vehicles is used;
h. Condition of the property or disposition date if Grantee no longer has possession;
i. Depreciation method, if applicable; and
j. Monthly depreciation amount, if applicable.

The Grantee shall tag equipment or motor vehicles with an identification number which is cross referenced to the equipment or motor vehicle item on the inventory control report. The Grantee shall inventory equipment or motor vehicles annually. The Grantee must compare the results of the inventory with the inventory control report and investigate any differences. The Grantee must then adjust the inventory control report to reflect the results of the physical inventory and subsequent investigation.

The Grantee shall submit its inventory control report of all equipment or motor vehicles purchased with funding through this Grant Contract within thirty (30) days of its end date and in form and substance acceptable to the State. This inventory control report shall contain, at a minimum, the requirements specified above for inventory control. The Grantee shall notify the State, in writing, of any equipment or motor vehicle loss describing the reasons for the loss. Should the equipment or motor vehicles be destroyed, lost, or stolen, the Grantee shall be responsible to the State for the pro rata amount of the residual value at the time of loss based upon the State's original contribution to the purchase price.

Upon termination of the Grant Contract, where a further contractual relationship is not entered into, or at another time during the term of the Grant Contract, the Grantee shall request written approval from the State for any proposed disposition of equipment or motor vehicles purchased with Grant funds. All equipment or motor vehicles shall be disposed of in such a manner as the parties may agree from among alternatives approved by the Tennessee Department of General Services as appropriate and in accordance with any applicable federal laws or regulations

8. The following is added as Grant Contract section D.36.

D.36. <u>State Sponsored Insurance Plan Enrollment.</u> The Grantee warrants that it will not enroll or permit its employees, officials, or employees of contractors to enroll or participate in a state sponsored health insurance plan through their employment, official, or contractual relationship with Grantee unless Grantee first demonstrates to the satisfaction of the Department of Finance and Administration that it and any contract entity satisfies the definition of a governmental or quasigovernmental entity as defined by federal law

9. Grant Contract Attachment A-1 is deleted in its entirety and replaced with the new attachment A-1 attached hereto.

10. Grant Contract Attachment B is deleted in its entirety and replaced with the new attachment B attached here to.

Required Approvals. The State is not bound by this Amendment until it is signed by the contract parties and approved by appropriate officials in accordance with applicable Tennessee laws and regulations (depending upon the specifics of this contract, said officials may include, but are not limited to, the Commissioner of Finance and Administration, the Commissioner of Human Resources, and the Comptroller of the Treasury).

Amendment Effective Date. The revisions set forth herein shall be effective 6/30/2025. All other terms and conditions of this Grant Contract not expressly amended herein shall remain in full force and effect.

We want to share some important and much-anticipated information with you regarding funding for FY26 (July 1, 2025 - June 30, 2026):

- Agencies will receive **level funding for FY26**, meaning your total funding from OCJP will remain the same as FY25. Your total includes the combined federal amount of all fund sources **by project category.**

- The match waiver has ended for VOCA funding. However, we did secure funding from this year's legislative session. As a result, the State will be making grantee match, **for all fund sources**, with this funding. This will free your local funding and resources to use as needed to build your agencies capacity, rather than tie them to your grant program.

- For most of our contracts, all that is needed is a budget amendment to add one additional year of funding to one of your existing grants.

- Your projects and their totals are listed below. Please submit 1 budget for each project totaling the amount provided.
    - Project title: VWC
        - Fund source: VOCA
        - Fund Source Amount: $52,000.00
        - State Match Amount (if applicable): $13,000.00

    - Note A (no match): Some fund sources do not require match. As a result your grant will be 100% funded from the fund source selected.
    - Note B (match): If your grant has match when filling out the **budget summary tab** enter the total amount for each line in the **total project column. The form** will automatically split your amount between primary fund source and state match.
        - No information should be placed in **in-kind**. All match will be CASH MATCH using the state appropriation.

- A budget worksheet has been included with this e-mail.
- DO NOT USE YOUR CURRENT BUDGET FORM. YOU **MUST** USE THE ATTACHED FORM FOR FY26.
- **FY26 Budget is DUE: May 23**

Thank you so much for your patience. Changes to state and federal funding for FY26 has created many complexities and we appreciate your understanding. While there are uncertainties with federal funding as new requirements and priorities are released, currently we anticipate level funding may be possible for FY27 and are working on the details as soon as the state fiscal year closes.

A.3. Definitions. For the purposes of this Contract, definitions shall be as follows:

a. "Active Community Team" shall mean a group of representatives from agencies, early childhood systems, and other providers, who work to improve outcomes for very young children in foster care, or at risk for removal, and their families. The Juvenile Court Judge, Department of Children's Services leadership, and the Safe Baby Court Coordinator are key members of this team. The Safe Baby Court Coordinator provides instrumental support in making sure the meetings happen regularly and frequently.

b. "Quest" shall mean the Quest Case Management System, an electronic database that serves as the official data entry system for the Tennessee Safe Baby Court Program.

c. "Safe Baby Court" or "SBC" shall mean an evidence-based specialized infant and toddler court that uses the science of early childhood development to meet the urgent needs of infants and toddlers and their families. The SBC is a problem-solving court that carries the same powers of the Juvenile Court that created it, but provides specialized dockets, more frequent professional and judicial oversight, multidisciplinary teams, and a wraparound service delivery approach that supports the entire family unit.

d. "Safe Baby Court Coordinator" shall mean a full-time staff person who coordinates and participates in an interdisciplinary direct service team that supports the child and family. As a neutral party in this team, the Safe Baby Court Coordinator is positioned to facilitate information sharing and problem-solving.

These agencies are the Administrative Office of the Courts, the Department of Children’s Services, and the Department of Mental Health and Substance Abuse Services.

Fingerprints may only be submitted at DCS approved sites where they can be processed electronically. The Grantee shall be responsible for the payment of all fee(s) for Grantee personnel providing their fingerprint samples and submitting to a criminal history review.

A.6. The Grantee shall implement the SBC with children at risk of entering DCS custody or in DCS custody, by giving specialized attention to these children and their families to:

a. Reduce time to permanency of children by surrounding at-risk families with support services;

A.10. The Grantee will submit invoices at least quarterly.

A.11. The Grantee will ensure that the use of specific assistance funds for a family is related to an identified need on the permanency plan. If the identified use of specific assistance will exceed $200.00 per instance, the Grantee will seek approval prior to spending those funds by making the appropriate request to the Statewide Safe Baby Court Leadership Team.

A.12. The Grantee may request to expand service population during the term of the grant by making appropriate request to the Statewide Safe Baby Court Leadership Team.

A.13. Monitoring: The Grantee's activities conducted and records maintained pursuant to this Grant Contract shall be subject to monitoring and evaluation by the State, the Comptroller of the Treasury or their duly appointed representatives. The Grantor interprets this section as a requirement for Grantee to be in compliance with State of Tennessee's monitoring requirements that exist outside of individual agency requirements.

A.14. Annual spending under this grant contract will be restricted by the term denoted on each annual grant budget. The maximum annual expenditure amount for each year of this contract will be determined by the annual grant budget. Unspent funds will not carry forward to the next year of the grant.

Grant Budget line-item revisions may not be made without prior, written approval of the State in which the terms of the approved revisions are explicitly set forth. Any increase in the total Grant Budget amount shall require a Grant Contract amendment.

C.7. Disbursement Reconciliation and Close Out. The Grantee shall submit quarterly grant disbursement reports within thirty (30) days following September 30, December 31, March 31, and a final invoice and grant disbursement reconciliation report within forty-five (45) days of the Grant Contract end date and in form and substance acceptable to the State.

c. The Grantee's failure to provide a final grant disbursement reconciliation report to the State as required by this Grant Contract shall result in the Grantee being deemed ineligible for reimbursement under this Grant Contract, and the Grantee shall be required to refund any and all payments by the State pursuant to this Grant Contract.

d. The Grantee must close out its accounting records at the end of the Term in such a way that reimbursable expenditures and revenue collections are NOT carried forward.

C.8. Indirect Cost. Once the Grantee makes an election and treats a given cost as direct or indirect, it must apply that treatment consistently and may not change during the Term. Any changes in the approved indirect cost rate must have prior approval of the cognizant federal agency or the cognizant state agency, as applicable. If the indirect cost rate is provisional during the Term, once the rate becomes final, the Grantee agrees to remit any overpayment of funds to the State, and subject to the availability of funds the State agrees to remit any underpayment to the Grantee.

C.9. Cost Allocation. If any part of the costs to be reimbursed under this Grant Contract are joint costs involving allocation to more than one program or activity, such costs shall be allocated and reported in accordance with the provisions of Central Procurement Office Policy Statement 2013-007 or any amendments or revisions made to this policy statement during the Term.

C.10. Payment of Invoice. A payment by the State shall not prejudice the State's right to object to or question any reimbursement, invoice, or related matter. A payment by the State shall not be construed as acceptance of any part of the work or service provided or as approval of any amount as an allowable cost.

C.11. Non-allowable Costs. Any amounts payable to the Grantee shall be subject to reduction for amounts included in any invoice or payment that are determined by the State, on the basis of audits or monitoring conducted in accordance with the terms of this Grant Contract, to constitute unallowable costs.

C.12. State's Right to Set Off. The State reserves the right to set off or deduct from amounts that are or shall become due and payable to the Grantee under this Grant Contract or under any other agreement between the Grantee and the State of Tennessee under which the Grantee has a right to receive payment from the State.

C.13. Prerequisite Documentation. The Grantee shall not invoice the State under this Grant Contract until the State has received the following, properly completed documentation.

a. The Grantee shall complete, sign, and return to the State an "Authorization Agreement for Automatic Deposit (ACH Credits) Form" provided by the State. By doing so, the Grantee acknowledges and agrees that, once this form is received by the State, all payments to the Grantee under this or any other grant contract will be made by automated clearing house ("ACH").

D.3. Termination for Convenience. The State may terminate this Grant Contract without cause for any reason. A termination for convenience shall not be a breach of this Grant Contract by the State. The State shall give the Grantee at least thirty (30) days written notice before the effective termination date. The Grantee shall be entitled to compensation for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall the State be liable to the Grantee for compensation for any service that has not been rendered. The final decision as to the amount for which the State is liable shall be determined by the State. If the Grantee fails to properly perform its obligations under this Grant Contract, or if the Grantee violates any terms of this Grant Contract, the State shall have the right to immediately terminate this Grant Contract and withhold payments in excess of fair compensation for completed services. Notwithstanding the exercise of the State's right to terminate this Grant Contract for cause, the Grantee shall not be relieved of liability to the State for damages sustained by virtue of any breach of this Grant Contract by the Grantee.

The Grantee shall not assign this Grant Contract or enter into a subcontract for any of the services performed under this Grant Contract without obtaining the prior written approval of the State. If such subcontracts are approved by the State, each shall contain, at a minimum, sections of this Grant Contract pertaining to "Conflicts of Interest," "Lobbying," "Nondiscrimination," "Public Accountability," "Public Notice," and "Records" (as identified by the section headings). Notwithstanding any use of approved subcontractors, the Grantee shall remain responsible for all work performed.

This provision shall not apply if information received by the State under this Grant Contract is NOT "protected health information" as defined by the Privacy Rules, or if the Privacy Rules permit the State to receive such information without entering into a business associate agreement or signing another such document.

D.12. Public Accountability. If the Grantee is subject to Tenn. Code Ann. § 8-4-401 *et seq*., or if this Grant Contract involves the provision of services to citizens by the Grantee on behalf of the State, the Grantee agrees to establish a system through which recipients of services may present grievances about the operation of the service program. For grant contracts with a term of less than one (1) year, the Grantee shall submit a final report within three (3) months of the conclusion of the Term. For grant contracts with multiyear terms, the final report will take the place of the annual report for the final year of the Term. In no event will the State be liable to the Grantee or any other party for any lost revenues, lost profits, loss of business, loss of grant funding, decrease in the value of any securities or cash position, time, money, goodwill, or any indirect, special, incidental, punitive, exemplary or consequential damages of any nature, whether based on warranty, contract, statute, regulation, tort (including but not limited to negligence), or any other legal theory that may

arise under this Grant Contract or otherwise. The State's total liability under this Grant Contract (including any exhibits, schedules, amendments or other attachments to the Contract) or otherwise shall under no circumstances exceed the Maximum Liability originally established in Section C.1 of this Grant Contract. This limitation of liability is cumulative and not per incident.

"Force Majeure Event" means fire, flood, earthquake, elements of nature or acts of God, wars, riots, civil disorders, rebellions or revolutions, acts of terrorism or any other similar cause beyond the reasonable control of the party except to the extent that the non-performing party is at fault in failing to prevent or causing the default or delay, and provided that the default or delay cannot reasonably be circumvented by the non-performing party through the use of alternate sources, workaround plans or other means. A strike, lockout or labor dispute shall not excuse either party from its obligations under this Grant Contract. Except as set forth in this Section, any failure or delay by a party in the performance of its obligations under this Grant Contract arising from a Force Majeure Event is not a default under this Grant Contract or grounds for termination. The non-performing party will be excused from performing those obligations directly affected by the Force Majeure Event, and only for as long as the Force Majeure Event continues, provided that the party continues to use diligent, good faith efforts to resume performance without delay. The occurrence of a Force Majeure Event affecting Grantee's representatives, suppliers, subcontractors, customers or business apart from this Grant Contract is not a Force Majeure Event under this Grant Contract. Grantee will promptly notify the State of any delay caused by a Force Majeure Event (to be confirmed in a written notice to the State within one (1) day of the inception of the delay) that a Force Majeure Event has occurred and will describe in reasonable detail the nature of the Force Majeure Event. If any Force Majeure Event results in a delay in Grantee's performance longer than forty-eight (48) hours, the State may, upon notice to Grantee: (a) cease payment of the fees until Grantee resumes performance of the affected obligations; or (b) immediately terminate this Grant Contract or any purchase order, in whole or in part, without further payment except for fees then due and payable. Grantee will not increase its charges under this Grant Contract or charge the State any fees other than those provided for in this Grant Contract as the result of a Force Majeure Event.

D.35. Confidentiality of Records. Strict standards of confidentiality of records and information shall be maintained in accordance with applicable state and federal law. All material and information, regardless of form, medium or method of communication, provided to the Grantee by the State or acquired by the Grantee on behalf of the State that is regarded as confidential under state or federal law shall be regarded as “Confidential Information.” Nothing in this Section shall permit Grantee to disclose any Confidential Information, regardless of whether it has been disclosed or made available to the Grantee due to intentional or negligent actions or inactions of agents of the State or third parties. Confidential Information shall not be disclosed except as required or permitted under state or federal law. Grantee shall take all necessary steps to safeguard the confidentiality of such material or information in conformance with applicable state and federal law.

The obligations set forth in this Section shall survive the termination of this Grant Contract.

D.36. State Sponsored Insurance Plan Enrollment. The Grantee warrants that it will not enroll or permit its employees, officials, or employees of contractors to enroll or participate in a state sponsored health insurance plan through their employment, official, or contractual relationship with Grantee unless Grantee first demonstrates to the satisfaction of the Department of Finance and Administration that it and any contract entity satisfies the definition of a governmental or quasigovernmental entity as defined by federal law applicable to ERISA.

Qualifications and Experience

Analyze Pathology, Inc. was incorporated over six years ago and is a CLIA-certified laboratory operating two facilities: a molecular and toxicology laboratory in Deerfield Beach, Florida, and a full-service anatomic pathology laboratory in Knoxville, Tennessee. Our anatomic pathology laboratory specializes in dermatopathology, women's health, and routine anatomic pathology, combining efficiency with accuracy and regulatory rigor.

The Knoxville facility is led by a board-certified dermatopathologist serving as Medical Director, with extensive experience in anatomic pathology and a strong track record in quality assurance and case turnaround efficiency.

The day-to-day operations are managed by a certified histotechnologist who also holds formal credentials in laboratory safety and immunohistochemistry and a managing partner who began his time in the industry as a histotechnologist over 20 years ago. With over 40 years of combined industry experience between our leadership team, we are deeply familiar with the regulatory, logistical, and clinical demands of a high-volume laboratory environment.

All technical personnel in the Knoxville facility have a minimum of 10 years of hands-on experience in anatomic pathology. The lab performs routine H&E staining, special stains, immunohistochemistry, and whole slide imaging in-house. Our staff is trained and competency-assessed in accordance with CLIA and Tennessee state requirements.

Our staff has experience managing public health and forensic laboratory contracts and is accustomed to fixed turnaround commitments, secure data handling, courier scheduling, and transparent invoicing.

Subcontracted clinical services (e.g., blood cultures) will be referred to Labcorp, Quest, or AEL as needed, ensuring uninterrupted service for Knox County.

The following Analyze Pathology personnel will support this contract:

If the Owner and Contractor modify AIA Document A201–2017, those modifications shall not affect the Architect's services under this Agreement unless the Owner and the Architect amend this Agreement.

§ 3.6.1.2 The Architect shall advise and consult with the Owner during the Construction Phase Services. The Architect shall have authority to act on behalf of the Owner only to the extent provided in this Agreement. The Architect shall not have control over, charge of, or responsibility for the construction means, methods, techniques, sequences or procedures, construction supervision, or for safety precautions and programs in connection with the Work, nor shall the Architect be responsible for the Contractor's failure to perform the Work in accordance with the requirements of the Contract Documents. The Architect shall be responsible for the Architect's negligent acts or omissions, but shall not have control over or charge of, and shall not be responsible for, acts or omissions of the Contractor or of any other persons or entities performing portions of the Work.

However, the Architect shall not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the Work. On the basis of the site visits, the Architect shall keep the Owner reasonably informed about the progress and quality of the portion of the Work completed, and promptly report to the Owner (1) known deviations from the Contract Documents, (2) known deviations from the most recent construction schedule submitted by the Contractor, and (3) defects and deficiencies observed in the Work.

§ 3.6.2.4 Interpretations and decisions of the Architect shall be consistent with the intent of, and reasonably inferable from, the Contract Documents and shall be in writing or in the form of drawings. When making such interpretations and decisions, the Architect shall endeavor to secure faithful performance by both Owner and Contractor, shall not show partiality to either, and shall not be liable for results of interpretations or decisions rendered in good faith. The Architect's decisions on matters relating to aesthetic effect shall be final if consistent with the intent expressed in the Contract Documents.

§ 3.6.2.5 Unless the Owner and Contractor designate another person to serve as an Initial Decision Maker, as that term is defined in AIA Document A201–2017, the Architect shall render initial decisions on Claims between the Owner and Contractor as provided in the Contract Documents.

§ 3.6.3 Certificates for Payment to Contractor

§ 3.6.3.1 The Architect shall review and certify the amounts due the Contractor and shall issue certificates in such amounts. The Architect's certification for payment shall constitute a representation to the Owner, based on the Architect's evaluation of the Work as provided in Section 3.6.2 and on the data comprising the Contractor's Application for Payment, that, to the best of the Architect's knowledge, information and belief, the Work has progressed to the point indicated, the quality of the Work is in accordance with the Contract Documents, and that the Contractor is entitled to payment in the amount certified. The foregoing representations are subject to (1) an evaluation of the Work for conformance with the Contract Documents upon Substantial Completion, (2) results of subsequent tests and inspections, (3) correction of minor deviations from the Contract Documents prior to completion, and (4) specific qualifications expressed by the Architect.

§ 3.6.3.2 The issuance of a Certificate for Payment shall not be a representation that the Architect has (1) made exhaustive or continuous on-site inspections to check the quality or quantity of the Work, (2) reviewed construction means, methods, techniques, sequences or procedures, (3) reviewed copies of requisitions received from Subcontractors and suppliers and other data requested by the Owner to substantiate the Contractor's right to payment, or (4) ascertained how or for what purpose the Contractor has used money previously paid on account of the Contract Sum.

§ 3.6.3.3 The Architect shall maintain a record of the Applications and Certificates for Payment.

§ 3.6.4 Submittals

§ 3.6.4.1 The Architect shall review the Contractor's submittal schedule and shall not unreasonably delay or withhold approval of the schedule. The Architect's action in reviewing submittals shall be taken in accordance with the approved submittal schedule or, in the absence of an approved submittal schedule, with reasonable promptness while allowing sufficient time, in the Architect's professional judgment, to permit adequate review.

§ 3.6.4.2 The Architect shall review and approve, or take other appropriate action upon, the Contractor's submittals such as Shop Drawings, Product Data and Samples, but only for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. Review of such submittals is not for the purpose of determining the accuracy and completeness of other information such as dimensions, quantities, and installation or performance of equipment or systems, which are the Contractor's responsibility. The Architect's review shall not constitute approval of safety precautions or construction means, methods, techniques, sequences or procedures. The Architect's approval of a specific item shall not indicate approval of an assembly of which the item is a component.

§ 3.6.4.3 If the Contract Documents specifically require the Contractor to provide professional design services or certifications by a design professional related to systems, materials, or equipment, the Architect shall specify the appropriate performance and design criteria that such services must satisfy. The Architect shall review and take appropriate action on Shop Drawings and other submittals related to the Work designed or certified by the Contractor's design professional, provided the submittals bear such professional's seal and signature when submitted to the Architect. The Architect's review shall be for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. The Architect shall be entitled to rely upon, and shall not be responsible for, the adequacy and accuracy of the services, certifications, and approvals performed or provided by such design professionals.

.4 issue a final Certificate for Payment based upon a final inspection indicating that, to the best of the Architect's knowledge, information, and belief, the Work complies with the requirements of the Contract Documents.

§ 3.6.6.2 The Architect's inspections shall be conducted with the Owner to check conformance of the Work with the requirements of the Contract Documents and to verify the accuracy and completeness of the list submitted by the Contractor of Work to be completed or corrected.

§ 3.6.6.3 When Substantial Completion has been achieved, the Architect shall inform the Owner about the balance of the Contract Sum remaining to be paid the Contractor, including the amount to be retained from the Contract Sum, if any, for final completion or correction of the Work.

§ 3.6.6.4 The Architect shall forward to the Owner the following information received from the Contractor: (1) consent of surety or sureties, if any, to reduction in or partial release of retainage or the making of final payment; (2) affidavits, receipts, releases and waivers of liens, or bonds indemnifying the Owner against liens; and (3) any other documentation required of the Contractor under the Contract Documents.

§ 5.13 Before executing the Contract for Construction, the Owner shall coordinate the Architect's duties and responsibilities set forth in the Contract for Construction with the Architect's services set forth in this Agreement. The Owner shall provide the Architect a copy of the executed agreement between the Owner and Contractor, including the General Conditions of the Contract for Construction.

§ 5.14 The Owner shall provide the Architect access to the Project site prior to commencement of the Work and shall obligate the Contractor to provide the Architect access to the Work wherever it is in preparation or progress.

§ 6.2 The Owner's budget for the Cost of the Work is provided in Initial Information, and shall be adjusted throughout the Project as required under Sections 5.2, 6.4 and 6.5. Evaluations of the Owner's budget for the Cost of the Work, and the preliminary estimate of the Cost of the Work and updated estimates of the Cost of the Work, prepared by the Architect, represent the Architect's judgment as a design professional. It is recognized, however, that neither the Architect nor the Owner has control over the cost of labor, materials, or equipment; the Contractor's methods of determining bid prices; or competitive bidding, market, or negotiating conditions. Accordingly, the Architect cannot and does not warrant or represent that bids or negotiated prices will not vary from the Owner's budget for the Cost of the Work, or from any estimate of the Cost of the Work, or evaluation, prepared or agreed to by the Architect.

§ 6.3 In preparing estimates of the Cost of Work, the Architect shall be permitted to include contingencies for design, bidding, and price escalation; to determine what materials, equipment, component systems, and types of construction are to be included in the Contract Documents; to recommend reasonable adjustments in the program and scope of the Project; and to include design alternates as may be necessary to adjust the estimated Cost of the Work to meet the Owner's budget. The Architect's estimate of the Cost of the Work shall be based on current area, volume or similar conceptual estimating techniques. If the Owner requires a detailed estimate of the Cost of the Work, the Architect shall provide such an estimate, if identified as the Architect's responsibility in Section 4.1.1, as a Supplemental Service.

§ 6.4 If, through no fault of the Architect, the Procurement Phase has not commenced within 90 days after the Architect submits the Construction Documents to the Owner, the Owner's budget for the Cost of the Work shall be adjusted to reflect changes in the general level of prices in the applicable construction market.

§ 6.5 If at any time the Architect's estimate of the Cost of the Work exceeds the Owner's budget for the Cost of the Work, the Architect shall make appropriate recommendations to the Owner to adjust the Project's size, quality, or budget for the Cost of the Work, and the Owner shall cooperate with the Architect in making such adjustments.

§ 6.6 If the Owner's budget for the Cost of the Work at the conclusion of the Construction Documents Phase Services is exceeded by the lowest bona fide bid or negotiated proposal, the Owner shall

.1 give written approval of an increase in the budget for the Cost of the Work;
.2 authorize rebidding or renegotiating of the Project within a reasonable time;
.3 terminate in accordance with Section 9.5;
.4 in consultation with the Architect, revise the Project program, scope, or quality as required to reduce the Cost of the Work; or,
.5 implement any other mutually acceptable alternative.

§ 6.7 If the Owner chooses to proceed under Section 6.6.4, the Architect shall modify the Construction Documents as necessary to comply with the Owner's budget for the Cost of the Work at the conclusion of the Construction Documents Phase Services, or the budget as adjusted under Section 6.6.1. If the Owner requires the Architect to modify the Construction Documents because the lowest bona fide bid or negotiated proposal exceeds the Owner's budget for the Cost of the Work due to market conditions the Architect could not reasonably anticipate, the Owner shall compensate the Architect for the modifications as an Additional Service pursuant to Section 11.3; . In any event, the Architect's modification of the Construction Documents shall be the limit of the Architect's responsibility under this Article 6.

ARTICLE 7 COPYRIGHTS AND LICENSES

§ 7.1 The Architect and the Owner warrant that in transmitting Instruments of Service, or any other information, the transmitting party is the copyright owner of such information or has permission from the copyright owner to transmit such information for its use on the Project.

§ 7.2 The Architect and the Architect's consultants shall be deemed the authors and owners of their respective Instruments of Service, including the Drawings and Specifications, and shall retain all common law, statutory and other reserved rights, including copyrights. Submission or distribution of Instruments of Service to meet official regulatory requirements or for similar purposes in connection with the Project is not to be construed as publication in derogation of the reserved rights of the Architect and the Architect's consultants.

§ 7.3 The Architect grants to the Owner a nonexclusive license to use the Architect's Instruments of Service solely and exclusively for purposes of constructing, using, maintaining, altering and adding to the Project, provided that the Owner substantially performs its obligations under this Agreement, including prompt payment of all sums due pursuant to Article 9 and Article 11. The Architect shall obtain similar nonexclusive licenses from the Architect's consultants consistent with this Agreement. The license granted under this section permits the Owner to authorize the Contractor, Subcontractors, Sub-subcontractors, and suppliers, as well as the Owner's consultants and separate contractors, to reproduce applicable portions of the Instruments of Service, subject to any protocols established pursuant to Section 1.3, solely and exclusively for use in performing services or construction for the Project. If the Architect rightfully terminates this Agreement for cause as provided in Section 9.4, the license granted in this Section 7.3 shall terminate.

§ 7.3.1 In the event the Owner uses the Instruments of Service without retaining the authors of the Instruments of Service, the Owner releases the Architect and Architect's consultant(s) from all claims and causes of action arising from such uses. The Owner, to the extent permitted by law, further agrees to indemnify and hold harmless the Architect and its consultants from all costs and expenses, including the cost of defense, related to claims and causes of action asserted by any third person or entity to the extent such costs and expenses arise from the Owner's use of the Instruments of Service under this Section 7.3.1. The terms of this Section 7.3.1 shall not apply if the Owner rightfully terminates this Agreement for cause under Section 9.4.

§ 7.4 Except for the licenses granted in this Article 7, no other license or right shall be deemed granted or implied under this Agreement. The Owner shall not assign, delegate, sublicense, pledge or otherwise transfer any license granted herein to another party without the prior written agreement of the Architect. Any unauthorized use of the Instruments of Service shall be at the Owner's sole risk and without liability to the Architect and the Architect's consultants.

§ 7.5 Except as otherwise stated in Section 7.3, the provisions of this Article 7 shall survive the termination of this Agreement.

ARTICLE 8 CLAIMS AND DISPUTES

§ 8.1 General

§ 8.1.1 The Owner and Architect shall commence all claims and causes of action against the other and arising out of or related to this Agreement, whether in contract, tort, or otherwise, in accordance with the requirements of the binding dispute resolution method selected in this Agreement and within the period specified by applicable law, but in any case not more than 10 years after the date of Substantial Completion of the Work. The Owner and Architect waive all claims and causes of action not commenced in accordance with this Section 8.1.1.

§ 8.1.2 To the extent damages are covered by property insurance, the Owner and Architect waive all rights against each other and against the contractors, consultants, agents, and employees of the other for damages, except such rights as they may have to the proceeds of such insurance as set forth in AIA Document A201–2017, General Conditions of the Contract for Construction. The Owner or the Architect, as appropriate, shall require of the contractors, consultants, agents, and employees of any of them, similar waivers in favor of the other parties enumerated herein.

§ 8.1.3 The Architect and Owner waive consequential damages for claims, disputes, or other matters in question, arising out of or relating to this Agreement. This mutual waiver is applicable, without limitation, to all consequential damages due to either party's termination of this Agreement, except as specifically provided in Section 9.7.

§ 8.2 Mediation

§ 8.2.1 Any claim, dispute or other matter in question arising out of or related to this Agreement shall be subject to mediation as a condition precedent to binding dispute resolution. If such matter relates to or is the subject of a lien arising out of the Architect's services, the Architect may proceed in accordance with applicable law to comply with the lien notice or filing deadlines prior to resolution of the matter by mediation or by binding dispute resolution.

§ 8.2.2 The Owner and Architect shall endeavor to resolve claims, disputes and other matters in question between them by mediation, which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its Construction Industry Mediation Procedures in effect on the date of this Agreement. A request for mediation shall be made in writing, delivered to the other party to this Agreement, and

ARTICLE 9 TERMINATION OR SUSPENSION

§ 9.1 If the Owner fails to make payments to the Architect in accordance with this Agreement, such failure shall be considered substantial nonperformance and cause for termination or, at the Architect's option, cause for suspension of performance of services under this Agreement. If the Architect elects to suspend services, the Architect shall give seven days' written notice to the Owner before suspending services. In the event of a suspension of services, the Architect shall have no liability to the Owner for delay or damage caused the Owner because of such suspension of services. Before resuming services, the Owner shall pay the Architect all sums due prior to suspension and any expenses incurred in the interruption and resumption of the Architect's services. The Architect's fees for the remaining services and the time schedules shall be equitably adjusted.

§ 9.2 If the Owner suspends the Project, the Architect shall be compensated for services performed prior to notice of such suspension. When the Project is resumed, the Architect shall be compensated for expenses incurred in the interruption and resumption of the Architect's services. The Architect's fees for the remaining services and the time schedules shall be equitably adjusted.

§ 9.3 If the Owner suspends the Project for more than 90 cumulative days for reasons other than the fault of the Architect, the Architect may terminate this Agreement by giving not less than seven days' written notice.

§ 9.4 Either party may terminate this Agreement upon not less than seven days' written notice should the other party fail substantially to perform in accordance with the terms of this Agreement through no fault of the party initiating the termination.

§ 9.5 The Owner may terminate this Agreement upon not less than seven days' written notice to the Architect for the Owner's convenience and without cause.

§ 9.6 If the Owner terminates this Agreement for its convenience pursuant to Section 9.5, or the Architect terminates this Agreement pursuant to Section 9.3, the Owner shall compensate the Architect for services performed prior to

§ 9.9 The Owner's rights to use the Architect's Instruments of Service in the event of a termination of this Agreement are set forth in Article 7 and Section 9.7.

ARTICLE 10 MISCELLANEOUS PROVISIONS

§ 10.1 This Agreement shall be governed by the law of the place where the Project is located, excluding that jurisdiction's choice of law rules. If the parties have selected arbitration as the method of binding dispute resolution, the Federal Arbitration Act shall govern Section 8.3.

§ 10.2 Terms in this Agreement shall have the same meaning as those in AIA Document A201–2017, General Conditions of the Contract for Construction.

§ 10.3 The Owner and Architect, respectively, bind themselves, their agents, successors, assigns, and legal representatives to this Agreement. Neither the Owner nor the Architect shall assign this Agreement without the written consent of the other, except that the Owner may assign this Agreement to a lender providing financing for the Project if the lender agrees to assume the Owner's rights and obligations under this Agreement, including any payments due to the Architect by the Owner prior to the assignment.

§ 10.4 If the Owner requests the Architect to execute certificates, the proposed language of such certificates shall be submitted to the Architect for review at least 14 days prior to the requested dates of execution. If the Owner requests the Architect to execute consents reasonably required to facilitate assignment to a lender, the Architect shall execute all such consents that are consistent with this Agreement, provided the proposed consent is submitted to the Architect for review at least 14 days prior to execution. The Architect shall not be required to execute certificates or consents that would require knowledge, services, or responsibilities beyond the scope of this Agreement.

§ 10.5 Nothing contained in this Agreement shall create a contractual relationship with, or a cause of action in favor of, a third party against either the Owner or Architect.

§ 10.6 Unless otherwise required in this Agreement, the Architect shall have no responsibility for the discovery, presence, handling, removal or disposal of, or exposure of persons to, hazardous materials or toxic substances in any form at the Project site.

§ 10.7 The Architect shall have the right to include photographic or artistic representations of the design of the Project among the Architect's promotional and professional materials. The Architect shall be given reasonable access to the completed Project to make such representations. However, the Architect's materials shall not include the Owner's confidential or proprietary information if the Owner has previously advised the Architect in writing of the specific information considered by the Owner to be confidential or proprietary. The Owner shall provide professional credit for the Architect in the Owner's promotional materials for the Project. This Section 10.7 shall survive the termination of this Agreement unless the Owner terminates this Agreement for cause pursuant to Section 9.4.

§ 10.8 If the Architect or Owner receives information specifically designated as "confidential" or "business proprietary," the receiving party shall keep such information strictly confidential and shall not disclose it to any other person except as set forth in Section 10.8.1. This Section 10.8 shall survive the termination of this Agreement.

§ 10.8.1 The receiving party may disclose "confidential" or "business proprietary" information after 7 days' notice to the other party, when required by law, arbitrator's order, or court order, including a subpoena or other form of compulsory legal process issued by a court or governmental entity, or to the extent such information is reasonably necessary for the receiving party to defend itself in any dispute. The receiving party may also disclose such information to its employees, consultants, or contractors in order to perform services or work solely and exclusively for the Project, provided those employees, consultants and contractors are subject to the restrictions on the disclosure and use of such information as set forth in this Section 10.8.

§ 10.9 The invalidity of any provision of the Agreement shall not invalidate the Agreement or its remaining provisions. If it is determined that any provision of the Agreement violates any law, or is otherwise invalid or unenforceable, then that provision shall be revised to the extent necessary to make that provision legal and enforceable. In such case the Agreement shall be construed, to the fullest extent permitted by law, to give effect to the parties' intentions and purposes in executing the Agreement.

Any new taxes which are imposed by law after the Effective Date will be considered an additional cost and will be added to the above fees.

12.2 The Architect will maintain during the Project and for a period of one year after Substantial Completion of the Project a professional liability insurance policy in the amount of Five Million Dollars ($5,000,000) in the aggregate, to protect against negligent errors or omissions in connection with the Architect's professional services. ~~Provided coverage exists under the insurance policy, Owner agrees to look solely to the amounts available under said policy~~

for any claims arising out of, in connection with or resulting from services under this Agreement. Provided coverage exists, the Architect shall have no liability (direct or indirect) to the Owner for any alleged errors, omissions, or other claims except to the extent of said insurance proceeds. A certificate evidencing and confirming the Architect's professional liability insurance policy shall be issued to the Owner and it shall state therein that the policy shall not be canceled except upon 30 days written notice to the Owner.

12 3 Services for furniture, fixtures and equipment (FF&E) interior bid package is not included in Architect's Basic Services. Commerical kitchen design and acoustical design services are not included in Architect's Basic Services.

12.4 The parties acknowledge that Architect is a limited liability company and Owner is a ~~corporation or limited liability company~~ Governmental Entity. The parties agree that any claim made by a party arising out of any act or omission of any director, officer or employee of the other party, in the execution or performance of this Agreement, shall be made against the ~~corporation~~ Entity and not against such director, officer or employee. ~~Notwithstanding the foregoing, if Owner is not a corporation or limited liability company, Owner's liability is not limited by the terms of this provision.~~

12.5 Nothing contained in this Agreement shall require Architect to exercise professional skill and judgment greater than that which can be reasonably expected from other architects performing similar services to those required hereunder. No fiduciary agreement or relationship is intended or implied. Architect makes no warranties or guarantees, express or implied. This limitation shall not be modified by any certification or representation made by Architect as an accommodation upon request of Owner. Architect shall not be responsible for any failure to follow or apply any knowledge or techniques which were not generally known, acknowledged or accepted as of the time during which Architect is performing its services under this Agreement. The parties acknowledge that no set of plans and specifications is entirely free of errors and omissions and the existence of an error or omission does not automatically constitute a breach of the standard of care. Owner shall establish a reasonable contingency line item in the construction budget to cover premium costs resulting from errors and omissions, and Architect shall not be liable therefore unless the errors and omissions both exceed a reasonable contingency amount and constitute a breach of the standard of care.

12.6 In order to minimize construction problems and change orders, Architect's standard practice requires the completion of detailed working drawings, submission for review and comment by reviewing agencies and incorporation of those comments and/or changes prior to bidding and entering into firm construction contracts. However, Owner may choose to accelerate the completion of the work so that it is completed in a shorter time period than would normally be required. Owner agrees that if the decision to fast-track the Project is made after the scope and fee for Basic Services has been agreed upon, Architect's additional fees associated with the fast-track process will be considered a contingent additional service and Owner shall compensate Architect for such additional fees pursuant to Section 3.3 of this Agreement. Owner understands that if construction or furnishings contracts are let prior to the completion of final working drawings and specifications there may be increases in costs and change orders caused by the inability to coordinate Construction Documents, and the inability to make various decisions until after early bids are received and some construction undertaken. Architect has no responsibility for these conditions.

~~12.7~~ The Owner may choose to disregard the advice of Architect or may otherwise choose to deviate during construction ~~from the construction~~ documents prepared by Architect. Therefore, Owner hereby indemnifies and holds harmless Architect, its agents, ~~employees and consultants~~ from and against all claims, damages, losses and expenses, including but not limited to attorneys' fees and ~~economic~~ damages, arising out of, in connection with, or resulting from the performance (or failure to perform) of any aspect of construction of the Project, where the Owner has knowingly authorized or permitted a deviation from any document prepared by Architect which, over

In the event that Architect or any ~~other party indemnified hereunder is required~~ to bring an action to enforce the provisions of this indemnity, ~~the indemnifying~~ party shall pay the attorneys' ~~fees and costs incurred by~~ the ~~indemnified party~~ in bringing this action.

12.8 Owner will cause Architect, their Consultants and Employees to be named as additional named insureds under the Builders' Risk Insurance applicable to the Project and under any Owner's Protective Policy applicable to the Project.

12.9 The Americans with Disabilities Act ("ADA") provides that it is a violation of the ADA to design and construct a facility that does not meet the accessibility and usability requirements of the ADA unless it can be demonstrated that it is structurally impractical to meet such requirements.Owner understands that the requirements of the ADA will be subject to various and possibly contradictory interpretations.Architect, therefore, will use its reasonable professional efforts and judgment to interpret applicable ADA requirements and other federal, state and local laws, rules, codes, ordinances and regulations as they apply to the Project. Architect, however, cannot and does not warrant or guarantee that the Owner's Project will comply with all interpretations of ADA requirements and/or requirements of other federal, state and local laws, rules, codes, ordinances and regulations as they apply to the Project.

12.10 If Architect is required to deliver any services required hereunder in the form of digital encoded media, the printed representation of drawings and specifications issued for the Project by Architect shall be the official record of Architect's service provided upon completion of the services and payment in full. Owner agrees to execute Architect's Standard Agreement for Release of Digital Documents to Owner as a condition precedent to the release of any digital media by Architect. ~~Owner shall have a right to rely only on the printed representation in connection with any subsequent modification of such digital media and agrees to indemnify, defend and hold Architect harmless from all cost and expense, including attorneys' fees, from claims which arise out of modification or re-use of such digital media or printed representation by or on behalf of Owner without Architect's consent.~~ Under no circumstances shall transfer of drawings and other instruments of service on digital media for use by Owner, be deemed a sale by Architect, and Architect makes no warranties of merchantability or fitness for a particular purpose. Owner hereby specifically requests Architect to release digital encoded media to Architect's consultants and Owner's Contractor for the Consultants' and Contractor's reference in assisting the Owner on the Project. All such releases to Architect's consultants and the Contractor will prohibit the consultants and the Contractor from using the digital media for any other purpose.

12.11 Value engineering is the detailed, systematic review of the design concepts, construction techniques, materials and building types associated with a project solely in terms of life cycle costs in an attempt to obtain value for every dollar spent. If Owner chooses to engage in value engineering, Owner shall either retain the services of an independent Value Engineer ("VE") to perform the above review services to be completed at a stage no later than 50% Design Development, or pay a mutually agreeable sum to Architect to perform the above review services at a stage no later than 50% Design Development. If value engineering occurs at a stage later than 50% Design Development, Owner acknowledges that schedule and cost impacts may occur. If Owner chooses to retain an independent VE, all recommendations of the VE shall be given to Architect for its review and adequate time will be provided for Architect to respond to these recommendations. Architect shall be compensated as a Change in Services for time spent to review the recommendations of the VE and to incorporate those accepted by both Owner and Architect. Objections to any recommendations made by the VE shall be stated in writing, and Owner agrees that Architect shall not be responsible for any damage, cost or liability which arises in connection with or as a result of the incorporation of such design changes.

12.12 The Contractor may make recommendations to Architect regarding the selection of systems, materials and cost reducing alternatives. Architect shall review the Contractor's cost reduction proposals and incorporate those accepted by Owner into the documents. Such review and incorporation by Architect shall be payable by Owner as a Change in Service. The process shall be completed at a stage no later than 50% Design Development. If such process occurs later than 50% Design Development, Owner acknowledges that cost and schedule impacts may occur. Owner also acknowledges that cost reduction proposals may substitute systems or materials of lower initial cost, quality and performance than those that were initially selected.

12.13 If the Project involves remodeling and/or rehabilitation of an existing structure, Owner acknowledges that certain assumptions may be made regarding existing conditions. Because some of those assumptions may not be verifiable without expending additional sums of money or destroying otherwise adequate or serviceable portions of the building, the Owner agrees to release Architect from liability for any claim or cost for injury or economic loss arising out of the professional services provided under this Agreement with respect to the verification of existing conditions. However, nothing in this Agreement shall release Architect from liabilities, damages or costs attributable to its sole negligence or willful misconduct.

12.14 The Owner acknowledges that the Architect has project experience with most contracting entities in the geographic region. As such, the Architect may believe that certain contracting entities may not have the expertise and/or proper qualifications for all or portion of the project. If, against the advice of the Architect, one of these entities is hired as the construction entity; the Architect reserves the right to charge hourly for any and all services during Bidding and Negotiations and/or Construction Administration. The minimum amount for these services will be the contract amount listed herein. There shall be no maximum. ~~Additionally, the Owner agrees to defend and hold harmless the Architect, its officers, directors, employees, and consultants (collectively Architect) from and against all damages, liabilities or costs including reasonable attorney fees and defense costs arising out of or in any way connected with the services performed under this Agreement. If the Owner chooses to terminate the Architect once this becomes actionable, the Owner agrees to defend and hold harmless the Architect against any claims made relative to the Architect's services. In consideration of the substantial risks to the Architect in rendering professional services in connection with the Project as a result of such contracting entities, the Owner also agrees to make no claim and hereby waives, to the fullest extent permitted by law, any claim or cause of action of any nature against the Architect, its officers, directors, employees, and consultants (collectively Architect), which may arise out of or in connection with this Project or the performance of the services under this Agreement by any of the parties named above.~~

12.15 Neither Party shall be liable to the other for any failure or delay in performing an obligation under this Agreement that is due to any of the following causes, to the extent beyond its reasonable control: acts of God, accident, riots, war, terrorist act, epidemic, pandemic, quarantine, civil commotion, breakdown of communication facilities, breakdown of web host, breakdown of internet service provider, natural disasters and catastrophes, governmental acts or omissions, orders of health departments or other government officials, changes in laws or regulations, national strikes, fire, explosion, or other causes of damage to the Project site, or generalized lack of availability of raw materials or energy. The Architect and its consultants shall not be required to perform any service that would require or may result in exposure of their employees to hazardous or unsafe conditions. Remote meetings and remote site observations and inspection by camera, web camera, video camera, unmanned aerial vehicle, or similar platform is authorized for all purposes if reasonably necessary to avoid exposing such employees to unsafe conditions. Force Majeure shall not include (a) financial distress nor the inability of either party to make a profit or avoid a financial loss, (b) changes in market prices or conditions, or (c) a party's financial inability to perform its obligations hereunder.

Subject: KCSO Cadet Academy Architectural Services Proposal

Dear Hugh,

The following is BarberMcMurry Architects' (BMA's) proposal for the above referenced project. The following is a an outline of scope and description of services to be provided.

Based on previous discussions and our meeting on site, the proposed Cadet Academy will be located on a parcel across from the current Training Facility on the Maloneyville Road campus. This new facility will be one-story, approximately 18,000 square feet, and will house 50 cadets along with living, kitchen, and ancillary spaces. Also, our team will explore the option of sharing the existing Training Facility parking lot across the street. Some parking will need to be provided at the new facility.

BMA will utilize the services of Robert G. Campbell & Associates to assist with site planning and civil engineering.

For your planning purposes, our opinion of construction cost is $6,300,000. The total architectural and engineering services fee is $409,500.00 (6.5%) and is broken down per phase as follows.

Schematic Design	25%	$102,375.00
Design Development	25%	$102,375.00
Construction Documents	25%	$102,375.00
Bidding & Negotiation	5%	$20,475.00
Construction Administration	20%	$81,900.00
TOTAL	**100%**	**$409,500.00**

If you prefer, we can provide Schematic Design services which includes a Site Plan, Floor Plan, Elevations, and 3-D Images and pause until you are ready to proceed into the Design Development and Construction Document phases. This will allow time for your planning and approvals and when ready we can proceed using the Schematic Design.

Please note our fee does not include surveying or geotechnical investigation services.

We appreciate the opportunity to assist in this exciting new facility for the KCSO.
Please do not hesitate to contact me if you have any questions.

Sincerely,

BarberMcMurry Architects LLC

RIGHT-OF-WAY

(1) IT IS INTENDED THAT ALL BUILDINGS AND/OR PORTIONS OF BUILDINGS THAT ARE WITHIN THE PROPOSED RIGHT-OF-WAY AND/OR EASEMENT LINES FOR THE PROJECT BE REMOVED THERE FROM IN THE PROCESS OF RIGHT-OF-WAY ACQUISITION. IF ANY SUCH BUILDINGS OR IMPROVEMENTS ARE NOT REMOVED IN THE COURSE OF RIGHT-OF-WAY ACQUISITION, THE KNOX COUNTY ENGINEER TO BE NOTIFIED IN SUFFICIENT TIME TO PERMIT HAVING SUCH REMOVALS DESIGNATED AS A PART OF THE CONSTRUCTION CONTRACT.

(2) ALL RAMPS MUST CONFORM TO THE DEPARTMENT'S "POLICY ON FINANCING CONSTRUCTION OF PUBLIC ROAD INTERSECTIONS AND DRIVEWAYS ON HIGHWAY RESURFACING, RECONSTRUCTION AND CONSTRUCTION PROJECTS ON NEW LOCATIONS", THE MANUAL ON RULES AND REGULATIONS FOR CONSTRUCTING DRIVEWAYS ON STATE HIGHWAY RIGHT-OF-WAY, STANDARD DRAWING RP-R-1, AND OTHER ACCEPTED DESIGN AND SAFETY STANDARDS.

(3) EXISTING PAVED DRIVEWAY PER TRACT REMAINDER WILL BE REPLACED IN KIND TO A TOUCHDOWN POINT.

(4) WHERE THE EXISTING DRIVEWAY IS UNPAVED AND THE PROPOSED DRIVEWAY EXCEEDS 7 PERCENT IN GRADE, EACH DRIVEWAY WILL BE PAVED TO A TOUCHDOWN POINT OR UNTIL THE GRADE IS LESS THAN 7 PERCENT.

(5) WHERE THE EXISTING DRIVEWAY IS UNPAVED AND THE PROPOSED DRIVEWAY IS LESS THAN 7 PERCENT IN GRADE, EACH DRIVEWAY WILL BE PAVED A SHOULDER WIDTH FROM THE EDGE OF PAVEMENT AND THE REMAINDER OF THAT DRIVEWAY REPLACED IN KIND TO A TOUCHDOWN POINT.

(6) ANY NECESSARY PAVING OF DRIVEWAYS WILL BE DONE DURING PAVING OPERATIONS ON THE MAIN ROADWAY.

(7) TRACT REMAINDERS NOT HAVING AN EXISTING DRIVEWAY WILL BE PROVIDED ONE 50-FOOT OPENING IN THE ACCESS CONTROL FENCE AND A DRIVEWAY WILL BE CONSTRUCTED UNLESS ACCESS IS PROVIDED FROM AN INTERSECTING ROAD OR BASED ON PHYSICAL CONDITIONS AND/OR CONFLICTS WITH OTHER DESIGN CONSIDERATIONS WHICH PREVENT AN ACCESS OPENING. PAVING OF THESE NEW DRIVEWAYS WILL BE IN ACCORDANCE TO THE 7 PERCENT CRITERIA PREVIOUSLY MENTIONED FOR EXISTING DRIVEWAYS.

(8) NEW DRIVEWAYS PROVIDED IN THE PLANS WILL BE PAVED BASED ON THE 7 PERCENT CRITERIA. THOSE 7 PERCENT OR STEEPER IN GRADE WILL BE PAVED AND THOSE FLATTER THAN 7 PERCENT WILL BE COVERED WITH BASE STONE.

(9) ON PROJECTS WITHOUT CURB AND GUTTER THAT ARE ON STATE ROUTES, IT WILL BE THE RESPONSIBILITY OF THE OWNER TO SECURE A PERMIT AND TO CONSTRUCT ADDITIONAL DRIVEWAYS AND FIELD ENTRANCES OTHER THAN THOSE PROVIDED IN THE PLANS.

(10) ON PROJECTS WITH CURB AND GUTTER THAT ARE ON STATE ROUTES, IT WILL BE THE RESPONSIBILITY OF THE OWNER TO SECURE A PERMIT. AFTER THE PERMIT HAS BEEN GRANTED, KNOX COUNTY WILL CONSTRUCT THE DRIVEWAY OR FIELD ENTRANCE THROUGH THE CURB AND SIDEWALK, PROVIDED THE CURB AND SIDEWALK HAVE NOT BEEN CONSTRUCTED. IT WILL BE THE RESPONSIBILITY OF THE PROPERTY OWNER TO CONSTRUCT THE DRIVEWAY OR FIELD ENTRANCE FROM BACK OF SIDEWALK TO TOUCHDOWN POINT FOR ANY ADDITIONAL DRIVEWAYS OR FIELD ENTRANCES OTHER THAN THOSE PROVIDED IN THE PLANS.

(11) ON NON-STATE ROUTES, ADDITIONAL DRIVEWAYS AND FIELD ENTRANCES OTHER THAN THOSE PROVIDED IN THE PLANS SHALL REQUIRE A PERMIT ONLY IF THE LOCAL AGENCY SPECIFIES THE NEED FOR THAT PERMIT.

(12) EASEMENT REQUIRED FOR THE RAILROAD CROSSING IS TO BE OBTAINED BY THE UTILITIES ENGINEER BY PROVISIONS CONTAINED IN THE CROSSING AGREEMENT NEGOTIATED WITH THE RAILROAD.

UTILITY

(1) THE LOCATIONS OF UTILITIES SHOWN WITHIN THESE PLANS ARE APPROXIMATE ONLY. THE SURVEYOR HAS NOT PHYSICALLY LOCATED THE UNDERGROUND UTILITIES. ABOVE GRADE AND UNDERGROUND UTILITIES SHOWN WERE TAKEN FROM VISIBLE APPURTENANCES AT THE SITE, PUBLIC RECORDS, AND/OR MAPS PREPARED BY OTHERS. THEREFORE, RELIANCE UPON THE TYPE, SIZE, AND LOCATION OF UTILITIES SHOWN SHOULD BE DONE SO WITH THIS CIRCUMSTANCE CONSIDERED. DETAILED VERIFICATION OF EXISTENCE, LOCATION, AND DEPTH SHOULD ALSO BE MADE PRIOR TO ANY DECISION RELATIVE THERETO IS MADE. AVAILABILITY AND COST OF SERVICE SHOULD BE CONFIRMED WITH THE APPROPRIATE UTILITY COMPANY. IN TENNESSEE, IT IS A REQUIREMENT, PER "THE UNDERGROUND UTILITY DAMAGE PREVENTION ACT", THAT ANYONE WHO ENGAGES IN EXCAVATION MUST NOTIFY ALL KNOWN UNDERGROUND UTILITY OWNERS, NO LESS THAN THREE (3) OR NOT MORE THAN TEN (10) WORKING DAYS PRIOR TO THE DATE OF THEIR INTENT TO EXCAVATE AND ALSO TO AVOID ANY POSSIBLE HAZARD OR CONFLICT. NOTIFICATION BY CALLING THE TENNESSEE ONE CALL SYSTEM, INC., AT 1-800-351-1111 AS REQUIRED BY TCA 65-31-106 WILL BE REQUIRED.

(2) UNLESS OTHERWISE NOTED, ALL UTILITY ADJUSTMENTS WILL BE PERFORMED BY THE UTILITY OR ITS REPRESENTATIVE. THE CONTRACTOR AND UTILITY OWNERS WILL BE REQUIRED TO COOPERATE WITH EACH OTHER IN ORDER TO EXPEDITE THE WORK REQUIRED BY THIS CONTRACT. ON CONTRACTS WHERE CONSTRUCTION STAKES, LINES, AND GRADES ARE CONTRACT ITEMS, THE CONTRACTOR WILL BE REQUIRED TO PROVIDE RIGHT-OF-WAY OR SLOPE STAKES, DITCH OR STREAM BED GRADES, OR OTHER ESSENTIAL SURVEY STAKING TO PREVENT CONFLICTS WITH THE HIGHWAY CONSTRUCTION. FREQUENTLY, THIS WILL BE REQUIRED AS THE FIRST ITEM OF WORK AND AT ANY LOCATION ON THE PROJECT DIRECTED BY THE ENGINEER.

(3) THE CONTRACTOR WILL PROVIDE ALL NECESSARY PROTECTIVE MEASURES TO SAFEGUARD EXISTING UTILITIES FROM DAMAGE DURING CONSTRUCTION OF THIS PROJECT. IN THE EVENT THAT SPECIAL EQUIPMENT IS REQUIRED TO WORK OVER AND AROUND THE UTILITIES, THE CONTRACTOR WILL BE REQUIRED TO FURNISH SUCH EQUIPMENT. THE COST OF PROTECTING UTILITIES FROM DAMAGE AND FURNISHING SPECIAL EQUIPMENT WILL BE INCLUDED IN THE PRICE BID FOR OTHER ITEMS OF CONSTRUCTION.

(4) PRIOR TO SUBMITTING HIS BID, THE CONTRACTOR WILL BE SOLELY RESPONSIBLE FOR CONTACTING OWNERS OF ALL AFFECTED UTILITIES IN ORDER TO DETERMINE THE EXTENT TO WHICH UTILITY RELOCATIONS AND/OR ADJUSTMENTS WILL HAVE UPON THE SCHEDULE OF WORK FOR THE PROJECT. WHILE SOME WORK MAY BE REQUIRED 'AROUND' UTILITY FACILITIES THAT WILL REMAIN IN PLACE, OTHER UTILITY FACILITIES MAY NEED TO BE ADJUSTED CONCURRENTLY WITH THE CONTRACTOR'S OPERATIONS. ADVANCE CLEAR CUTTING MAY BE REQUIRED BY THE ENGINEER AT ANY LOCATION WHERE CLEARING IS CALLED FOR IN THE SPECIFICATIONS AND CLEAR CUTTING IS NECESSARY FOR A UTILITY RELOCATION. ANY ADDITIONAL COST WILL BE INCLUDED IN THE UNIT PRICE BID FOR THE CLEARING ITEM SPECIFIED IN THE PLANS.

(5) THE CONTRACTOR SHALL NOTIFY EACH INDIVIDUAL UTILITY OWNER OF HIS PLAN OF OPERATION IN THE AREA OF THE UTILITIES. PRIOR TO COMMENCING WORK, THE CONTRACTOR SHALL CONTACT THE UTILITY OWNERS AND REQUEST THEM TO PROPERLY LOCATE THEIR RESPECTIVE UTILITY ON THE GROUND. THIS NOTIFICATION SHALL BE GIVEN AT LEAST THREE (3) BUSINESS DAYS PRIOR TO COMMENCEMENT OF OPERATIONS AROUND THE UTILITY IN ACCORDANCE WITH TCA 65-31-106. NOTIFICATION BY CALLING THE TENNESSEE ONE CALL SYSTEM, INC AT 1-800-351-1111 WILL BE REQUIRED.

WHEREAS, Knox County Government has broad powers under the Knox County Charter, Sections 1.01, 1.02, 2.01, and elsewhere, to enact ordinances for the public welfare of Knox County citizens.

WHEREAS, in Cruzan by Cruzan v. Director, Missouri Dept. of Health, 497 U.S. 261, 269-270 (1990), the United States Supreme Court recognizes that common law precepts that guide the Supreme Court include the right of an adult of sound mind against imposition of medical treatment without informed consent, and the corollary right to refuse medical treatment.

WHEREAS, in Cruzan the United States Supreme Court also recognizes a 14th Amendment liberty interest of an adult of sound mind to refuse state action imposing medical treatment without the consent of an individual. 497 U.S. at 278.

WHEREAS, fluoride is currently being introduced into drinking water purportedly for the purpose of treating and controlling the disease of dental caries, without the express consent of Knox County citizens.

WHEREAS, fluoride added to drinking water is regulated by the Environmental Protection Agency as a toxic contaminant rather than by the United States Food and Drug Administration as a drug or health supplement (Environmental Protection Agency, National Primary Drinking Water Regulations, 40 CFR Part 141).

WHEREAS, a lawsuit was filed pursuant to the Toxic Substances Control Act, Food & Water Watch, Inc. et al. v. United States Environmental Protection Agency et al, Case No. 17-cv-02162 in the United States District Court, Northern District of California.

WHEREAS, in the final judgment of the case filed on September 24, 2024, the judge found that the Plaintiffs, Food & Water Watch, Inc. "established by a preponderance of the evidence that exposure to fluoride is associated with the adverse effect of reduced IQ in children, and particularly, young boys." Food & Water Watch, Inc. v. United States Env't Prot. Agency, No. 17-CV-02162-EMC, 2024 WL 4291497, at *36 (N.D. Cal. Sept. 24, 2024).

WHEREAS, the judge in Food & Water Watch, Inc., stated, "There is little dispute that there is a statistically significant association between IQ decrements in children and fluoride concentration levels at 4 mg/L. . . . [and] [t]he "optimal" water fluoridation level in the United States of 0.7 mg/L is nearly double that safe level of 0.4 mg/L for pregnant women and their offspring." Food & Water Watch, Inc., 17-cv-02162 at *3.

WHEREAS, the final judgment also stated, "[t]here is significant certainty in the data set regarding the association between fluoride and reduced IQ. Namely, there is a robust body of evidence finding a statistically significant adverse association between fluoride and IQ. A large majority of the 72 epidemiological studies assessed by the NTP Monograph observed this relationship including all but one of the 19 high-quality studies . . . And countervailing evidence, for various reasons described previously, are of little impact on this repeated, and consistently observed association between fluoride and reduced IQ." Food & Water Watch, Inc., 17-cv-02162 at *78.

WHEREAS, no Tennessee state law mandates fluoridation of drinking water, and numerous utility districts, including Lafayette, East Montgomery, Lebanon, Selmer, Tellico, Springhill, Hohenwald, Lawrenceburg, Columbia, Canton, Atwood, Camden, Oliver Springs, Soddy Daisy, Dekalb Utility District, Jonesboro, Bruceton, Sneedville, and Red Boiling Springs, do not add fluoride to their water supplies (Tennessee Department of Environment and Conservation, Water Supply Data, 2024).

WHEREAS, 98% of community water systems in Western Europe, including Austria, Belgium, Denmark, Finland, France, Germany, Iceland, Italy, Luxembourg, Netherlands,

Norway, Sweden, 97% of Switzerland, and 90% of the United Kingdom, do not fluoridate their water, reflecting a precautionary approach to public health (European Commission, Drinking Water Directive, 2020).

WHEREAS, the National Toxicology Program's 2024 monograph concluded that fluoride exposure at levels commonly found in fluoridated water (0.7 mg/L) is associated with adverse neurodevelopmental outcomes, reinforcing the need to reconsider fluoridation policies (National Toxicology Program, Monograph on Fluoride Exposure and Neurodevelopmental Outcomes, 2024).

WHEREAS, proponents of Utah's law banning fluoride additive to public water supplies, specifically House Bill 309 (2023), argued that removing fluoride from public water systems protects individual choice and mitigates potential health risks, citing studies linking fluoride to thyroid dysfunction and bone fractures (Utah House Bill 309, 2023; *Journal of Clinical Endocrinology & Metabolism*, 2015, 100(3):869-875).

WHEREAS, on MAY 7, 2025, Utah fully banned fluoride in drinking water with Gov. Spencer Cox signing House Bill 81 (2025).

WHEREAS, Florida's Senate Bill 700 (2025), signed into law by Governor Ron DeSantis, bans fluoride in public water systems, with proponents asserting that fluoride's neurotoxic effects, as evidenced by the Food & Water Watch, Inc. ruling, outweigh its purported dental benefits, and that alternative fluoride delivery methods (e.g., toothpaste) are sufficient (Florida Senate Bill 700, 2025; Food & Water Watch, Inc., 17-cv-02162 at *36).

WHEREAS, Utah's and Florida's newly enacted laws reflect a growing trend among states to prohibit fluoridation in public water systems, prioritizing public health and informed consent over mass medication.

WHEREAS, the addition of fluoride to drinking water constitutes mass medication without individual consent, raising ethical concerns about autonomy and the right to refuse medical treatment, as emphasized by proponents of fluoride bans in Utah and Florida (Utah House Bill 309, Legislative Testimony, 2023; Florida Senate Bill 700, Legislative Record, 2025).

WHEREAS, the Knox County Board of Commissioners specifically finds that whatever benefit may exist towards the prevention or controlling of the disease of dental caries by the application to the teeth of drinking water containing fluoride it is outweighed 1) by the unreasonable risk of neurotoxic harm to humans and other potential physical harms from eventual ingestion of the drinking water; and 2) by the imposition on the 14th Amendment liberty interests of persons and common-law right of persons to refuse medical treatment and only receive medical treatement upon informed consent.

NOW THEREFORE BE IT ORDAINED BY THE COMMISSION OF KNOX COUNTY AS FOLLOWS:

SECTION 1. The Code of Knox County, Tennessee, Chapter 38, is hereby amended by adding a new Article IX entitled "Fluoride Prohibition."

SECTION 2. The Code of Knox County, Tennessee is hereby amended by the addition of a new Section 38-301 under the aforementioned Chapter 38, Article IX, to read as follows:

Sec. 38-301 – Fluoride in Drinking Water

Upon adoption of this ordinance, Knox Chapman Utility District shall:

(a) Follow the procedure in TCA §68-221-708 (c) to permanently cease fluoridation of its water supply, and Knox Chapman Utility District shall permanently cease fluoridation of its water supply.

(b) Upon executing the directive by the Knox County Board of Commissioners to permanently cease fluoridation of its water supply, Knox Chapman Utility District shall not re-initiate fluoridation of its water supply.

SECTION 3. This Ordinance shall take effect as provided by the Charter of Knox County, Tennessee, the public welfare requiring it.
