A. CITY COUNCIL, AGENCY & AUTHORITIES:

1. Duly noticed joint public hearing to consider the adoption of the Fiscal Year 2020-2021 Municipal Budget and relating resolutions; and consider a resolution establishing the Appropriation Limit for Fiscal Year commencing July 1, 2020 and ending June 30, 2021, pursuant to Article XIII B of the Constitution of the State of California.

Mayor/Director Beamish instructed Finance Director Shannon to only report any changes made to the budget from the May 28, 2020 Budget Study Session.

Finance Director Shannon presented the staff report At the June 1, 2020 City Council meeting, staff presented and Council approved the annual Consumer Price Index (CPI) adjustment on eligible City fees. The approved fee adjustment for Fiscal Year 2020-2021 was 3.1 percent, resulting in an estimated increase in projected General Fund revenues of approximately \$43,195. This amount has been included in the updated proposed budget.

In addition, after the proposed budget was presented to Council in May, two additional General Fund budget changes were made as part of this updated proposed budget:

- a) A \$52,025 increase in the Police Departmental budget due to an adjustment to staff's proposed furlough plan. Due to anticipated family leave needs among several of the City's Police Dispatchers, staff proposes to not furlough any Police Dispatch staff in Fiscal Year 2020-2021. This reduction in furlough hours resulted in an increase to the Police Department's operating budget; and,
- b) A \$28,690 increase in the Community Services budget to fund additional part-time hours for Park Attendants to monitor City parks and enforce group activity restrictions as a result of the COVID-19 pandemic and public health guidance.

He confirmed that these adjustments have been incorporated into the proposed \$130,059,245 Fiscal Year 2020-2021 Municipal Budget of which \$45,675,773 or 35.1 percent was attributed to the General Fund. He stated that the Fiscal Year 2020-2021 Municipal Budget is in balance with revenues exceeding expenditures by \$4,216 due to changes the City Council made during the May 28, 2020 budget presentation.

City Council/Director discussion included: potential impact of approved state budget on the city's budget; opposition to a Fiscal Year 2020-2021 budget increase for the La Habra Chamber of Commerce; suggested allocation of City Council and Commission stipend decrease funds for the La Habra Chamber of Commerce via Community Development Department reimbursement for services rendered.

Mayor/Director Beamish opened the public hearing at 7:25 p.m.

La Habra Chamber of Commerce President/CEO Marie Laveaga thanked City Council for continuing to include the Chamber of Commerce in the budget. She requested that City Council

consider a Fiscal Year 2020-2021 budget increase of \$10,000 for the La Habra Chamber of Commerce due to loss of revenue due to the cancellation of the Citrus Fair and to assist them with reaching out to the business community who are not yet members.

Mayor/Director Beamish closed the public hearing at 7:29 p.m.
