Subject: STOP Rancho La Habra

Dear Mayor Beamish And Councilmembers,

Please **vote NO** on the Rancho La Habra development, or at least **wait to hear from the voters** on the November ballot measure, before you take away half of our remaining Open Space.

I live in La Habra, and I'm worried about all the effects of over-development in our community:

- Traffic nightmares
- Parking shortages on our streets and at our stores
- Overcrowding of our City and its schools/resources
- Increased density and loss of our suburban way of life

This November, after two years of waiting, the citizens finally have the opportunity to vote directly on Open Space. The Council promised it would listen. ***We don't think it's right for you to rush Rancho La Habra ahead of that vote.***

Thank you,

Shannon Kennell

Dear Mayor Beamish And Councilmembers,

Please **vote NO** on the Rancho La Habra development, or at least **wait to hear from the voters** on the November ballot measure, before you take away half of our remaining Open Space.

I live in La Habra, and I'm worried about all the effects of over-development in our community:

- Traffic nightmares
- Parking shortages on our streets and at our stores
- Overcrowding of our City and its schools/resources
- Increased density and loss of our suburban way of life

This November, after two years of waiting, the citizens finally have the opportunity to vote directly on Open Space. The Council promised it would listen. ***We don't think it's right for you to rush Rancho La Habra ahead of that vote.***

Thank you,

Olga Shchegoleva

Subject: STOP Rancho La Habra

Dear Mayor Beamish And Councilmembers,

Please **vote NO** on the Rancho La Habra development, or at least **wait to hear from the voters** on the November ballot measure, before you take away half of our remaining Open Space.

I live in La Habra, and I'm worried about all the effects of over-development in our community:

- Traffic nightmares
- Parking shortages on our streets and at our stores
- Overcrowding of our City and its schools/resources
- Increased density and loss of our suburban way of life

This November, after two years of waiting, the citizens finally have the opportunity to vote directly on Open Space. The Council promised it would listen. ***We don't think it's right for you to rush Rancho La Habra ahead of that vote.***

Thank you,

Daniel Uribe
Greenrock Avenue
Lancaster, California 93535

Subject: STOP Rancho La Habra

Dear Mayor Beamish And Councilmembers,

Please **vote NO** on the Rancho La Habra development, or at least **wait to hear from the voters** on the November ballot measure, before you take away half of our remaining Open Space.

I live in La Habra, and I'm worried about all the effects of over-development in our community:

- Traffic nightmares
- Parking shortages on our streets and at our stores
- Overcrowding of our City and its schools/resources
- Increased density and loss of our suburban way of life

This November, after two years of waiting, the citizens finally have the opportunity to vote directly on Open Space. The Council promised it would listen. ***We don't think it's right for you to rush Rancho La Habra ahead of that vote.***

Subject: STOP Rancho La Habra

Dear Mayor Beamish And Councilmembers,

Please **vote NO** on the Rancho La Habra development, or at least **wait to hear from the voters** on the November ballot measure, before you take away half of our remaining Open Space.

I live in La Habra, and I'm worried about all the effects of over-development in our community:

- Traffic nightmares
- Parking shortages on our streets and at our stores
- Overcrowding of our City and its schools/resources
- Increased density and loss of our suburban way of life

This November, after two years of waiting, the citizens finally have the opportunity to vote directly on Open Space. The Council promised it would listen. ***We don't think it's right for you to rush Rancho La Habra ahead of that vote.***

Thank you,

Krista Zamora
Amorita Avenue
La Habra, California 90631
