**RANCHO LA HABRA**  
ENVIRONMENTAL IMPACT REPORT

Pursuant to the California Environmental Quality Act (CEQA), an Environmental Impact Report (EIR) was prepared for this project.

- Significant Unavoidable Impacts
  - Land Use and Planning - Inconsistent with a goal and policies of the SCAG 2016 Regional Transportation Plan/Sustainable Communities Strategy (RTP/SCS).
  - Population and Housing - Exceeds the growth projections used for preparation of the current regional Air Quality Management Plan.
  - Aesthetics - Degrades existing visual character of the site.
  - Traffic and Circulation - Implementation of physical improvements at intersections not within City jurisdiction cannot be guaranteed following required payment of fair share mitigation fees.
  - Air Quality - Population used to prepare regional AQMP.
  - Greenhouse Gas Emissions - Exceeds SCAQMD screening threshold.
  - Noise - Short-term noise during construction.

---

---

---

---

---

---

---

---

**RANCHO LA HABRA**  
ENVIRONMENTAL IMPACT REPORT

Significant Unavoidable Impacts

- Does not mean that proposed project cannot be approved.
- EIRs do not make judgment determinations on a project, they merely identify the factual environmental impacts that the project will cause if developed.
- A project may bring benefits to the community that outweigh its impacts. It is up to City Council to review the facts, weigh and balance the impacts and benefits, and determine if the benefits of the project outweigh its impacts.

---

---

---

---

---

---

**GENERAL PLAN AMENDMENT**

---

---

---

---

---

---

---

---

**RANCHO LA HABRA**  
GENERAL PLAN AMENDMENT

To approve the requested project, it is necessary to change the General Plan Land Use designation from Open Space to allow for residential uses

- Planning Areas 2, 3, and 4 would be changed to "Low Density Residential"
- Planning Area 1 would be changed to "Multi-Family 1" to allow for multi-family residential use
- Planning Area 5 would be changed to "Mixed Use 1" to allow for either medium density residential or commercial development
- Planning Areas 6 and 7 would remain Open Space
  - Planning Areas 6 encompass the proposed Community Center, park, trails, and Conservation Area
  - Planning area 7 is the existing Westridge residential neighborhood slope area

---

---

---

---

---

---

---

---

---

---

**RANCHO LA HABRA**  
GENERAL PLAN AMENDMENT

GENERAL PLAN CONSISTENCY

- The City's General Plan 2035 did not contemplate this type of project for this site.
- However, General Plans may be periodically updated to respond to changing community needs.
- The Vision Statement in the General Plan discusses how the community will grow.
  - It envisions the encouragement of new homes and businesses that are compatible with the character of the community while providing a balance of places to live, work, shop and recreate.
- The proposed amendment would also result in achieving the City's goal of providing 2.5 acres of public park per 1,000 residents. Currently, the City has 2.29 acres of park per 1,000 population. The proposed project would result in 2.71 acres of park per 1,000 population.

---

---

---

---

---

---

---

---

---

---

**RANCHO LA HABRA**  
GENERAL PLAN AMENDMENT

ISSUES TO CONSIDER

- Approval of the project would result in the elimination of the golf course, but provide a new public park, trails, and community center.
- The elimination of the golf course would mean the loss of a privately held and operated recreational amenity that is unlikely to be replaced.
- The General Plan Amendment would change the "character" of the adjacent Westridge community that was originally marketed with the golf course as its centerpiece, with all of the streets named after golf courses or golf players.
- The project would not create any disjointed land use patterns, as the area is surrounded by low density residential development.
- The project would provide housing in a low density suburban setting.

---

---

---

---

---

ADDITIONAL APPROVAL REQUESTS

---

---

---

---

---

---

---

---

**RANCHO LA HABRA**  
ADDITIONAL APPROVAL REQUESTS

In addition to the General Plan Amendment, the Council is being asked by the applicant to approve:

- An amendment to the La Habra Hill Specific Plan
- A Zone Change
- The Rancho La Habra Specific Plan
- The Design Review applications for the proposed structures and improvements
- A Development Agreement
- Vesting Tentative Tract Map (on appeal from Planning Commission's denial of application)

\* Note that if the General Plan Amendment is denied, then these other requests cannot be approved.

---

---

---

---

---

---

---

---

**RANCHO LA HABRA**  
AMENDMENT TO THE LA HABRA HILLS SPECIFIC PLAN

The proposed Amendment to the La Habra Hills Specific Plan includes:

- A boundary change removing the area occupied by the golf course from the Plan.
- Map and text amendments within the LHSP to make it internally consistent.

▪ The applicant is also requesting vacation of existing deed restrictions over approximately 11.42 acres of conservation area distributed in various locations within the current golf course. The Council cannot remove the deed restrictions. The applicant must receive approval from the CDFW for this, which would need to occur before the project could proceed.

---

---

---

---

---

---

---

---

**RANCHO LA HABRA**  
ZONE CHANGE

Specific plans within La Habra are created as "Zoning Classifications". Pursuant to state law, the General Plan land use designation and Zoning classification of a property must be consistent.

- Therefore, if the City Council approves the proposed amendment to the General Plan, it must be coupled with an associated Zone Change.
- The proposed Zone Change would affect two different Specific Plans.
  - The La Habra Hills Specific Plan would be amended by "carving out" the golf course area.
  - A "New" Zone (Rancho La Habra Specific Plan) would be created for that area.
- If approved, the proposed residential land use would be compatible with the existing residential land uses surrounding the site and would not create incompatible land uses.

---

---

---

---

---

---

---

---

**RANCHO LA HABRA**  
RANCHO LA HABRA SPECIFIC PLAN

The California Government Code authorizes cities to adopt specific plans for the "systematic implementation of the general plan. Specific Plans must include the following:

- The distribution, location and extent of the uses of land, including open space, within the area covered by the plan.
- The proposed distribution, location, extent, and intensity of major components of public and private transportation and other essential facilities (sewage, water, drainage, etc.) proposed to be located within the plan area.
- Standards and criteria by which development will proceed.
- A program of implementation measures necessary to carry out the plan.

If approved in conjunction with the proposed General Plan Amendment, the RLHSP will comply with California Government Code section 65450, et seq.

---

---

---

---

---

---

---

---

**RANCHO LA HABRA**  
DESIGN REVIEW

The Rancho La Habra Specific Plan consists of 8 Sections.

- Section 7, "Implementation Plan," establishes the process for the review and approval of the design plans
  - Chapter 18.68 "Design Review" of the La Habra Municipal Code as the process for review such plans.
- Section 5, "Urban Design Guidelines," provides the architectural and development standards.
  - The proposed dwellings, as shown earlier, comply with the design standards established in Section 5.

---

---

---

---

---

---

---

---

**RANCHO LA HABRA**  
VESTING TENTATIVE TRACT MAP

- The Planning Commission is tasked with approving Tentative Tract Maps.
- Pursuant to Chapter 17.08 of the La Habra Municipal Code, findings are required in order to approve maps.
- The Planning Commission denied the request for the vesting tentative tract map, and found that it could not make all of the required findings.
- The applicant has appealed that decision to the City Council.
- The findings can be made only if the General Plan Amendment and Zone Change are approved.

---

---

---

---

---

---

---

---

**RANCHO LA HABRA**  
DEVELOPMENT AGREEMENT

- A Development Agreement is a binding legal contract between a city and a developer.
- The main deal points of the proposed agreement are that over the term of 15 years, the applicant retains development rights and, in exchange, provides the following community benefits to the City:
    - The land dedication of approximately 29 acres of public park, trails and community center that will be deeded to the City once complete, which the applicant has estimated has an approximate value of \$19.5 million;
    - The construction of a new park, trails, and renovation of the golf clubhouse into a community center that will be deeded to the City once complete, which the applicant has estimated has an approximate value of \$18 million;
    - A payment of \$1,500,000 as a community benefit contribution to be designated for use at the City Council's discretion;
    - A payment of \$1,000,000 as an affordable housing contribution to be used by the City to facilitate future affordable housing developments.
  - The applicant also has requested that the City form a Community Facilities District. This would be subject to a separate discretionary approval process.

---

---

---

**PLANNING COMMISSION**  
**HEARING**

---

---

---

---

---

---

---

---

**RANCHO LA HABRA  
PLANNING COMMISSION HEARING**

The Planning Commission held a public hearing on this project at its regularly scheduled meeting on September 14, 2020.

- Over the course of the hearing, which lasted multiple days, 76 individuals addressed the Commission. In addition to the applicant, 15 persons spoke in favor of the proposed project. A total of 61 persons spoke in opposition to the project.
- In addition to the oral testimony, 10,012 (281 duplicates) written comments (were received beginning on July 24, 2020, until the close of the public hearing. These comments consisted of letters and emails and breakdown as follows:
 

▪ Letters/comments in support	
▪ La Habra Residents	6,048
▪ Non La Habra residents	525
▪ Signature and Addresses Unreadable	929
▪ Letters/Comments in opposition	
▪ La Habra residents	2,052
▪ Non La Habra residents	177

---

---

---

---

---

---

---

---

---

---

**RANCHO LA HABRA  
PLANNING COMMISSION HEARING**

- As a result of the number of persons that wished to speak, the Public Hearing was continued twice, to two subsequent adjourned regular Planning Commission meetings held on September 15, 2020, and September 16, 2020.
- The Public Hearing was closed on September 16th, and following Commission discussion, the Commission directed staff to draft resolutions recommending denial of the legislative entitlements to the Council and denying the Vested Tentative Tract Map, for the Commission's consideration and action during an adjourned regular meeting on September 17, 2020.

---

---

---

---

---

---

---

---

---

---

**RANCHO LA HABRA  
PLANNING COMMISSION ACTION**

- On September 17, 2020, the Planning Commission, by a 4-1 vote, adopted a resolution recommending that the City Council deny the General Plan amendment, La Habra Hills Specific Plan amendment, adoption of the Rancho La Habra Specific, Zone Change, Design Review, and Development Agreement.
- Additionally, the Planning Commission, by a 5-0 vote, adopted a separate resolution denying Vesting Tentative Tract Map 17845.
- On September 23, 2020, the Applicant appealed the Commission's decision on Vesting Tentative Tract Map 17845 to the City Council.

**CONCLUSION  
AND RECOMMENDATION**

---

---

---

---

---

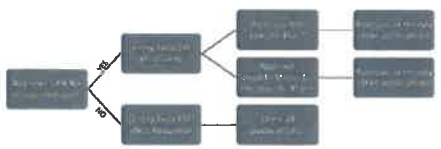

---

---

---

**RANCHO LA HABRA**  
CONCLUSION AND RECOMMENDATION

While there are several components to the proposed project that need to be decided, the primary policy question to be decided first is whether the existing property should remain designated as open space, or should be redesigned for residential development.

**RANCHO LA HABRA SPECIFIC PLAN**  
CONCLUSION

Staff recommends that the Council conduct the public hearing; consider all documents, evidence, and written and oral testimony; and the recommendation of the Planning Commission; and provide direction to staff to bring back resolution(s) and ordinance(s) as appropriate to:

- Certify/not certify the Final EIR (no action needed if decision is to deny project)
- Approve/deny the General Plan Amendment 18-01
- Approve/deny amendment #3 to the La Habra Hills Specific Plan
- Adopt/not adopt Rancho La Habra Specific Plan
- Approve/not approve Zone Change 18-01 to adopt/not adopt the Rancho La Habra Specific Plan
- Approve/not approve Design Review 18-01 through 18-05
- Approve/not approve Development Agreement 18-01
- Grant/deny the appeal of the Planning Commission's denial of the Vesting Tentative Tract Map

I STRONGLY am AGAINST adding more homes to this area . More traffic, more crime, more people at all box stores . It's already so bad on major streets like Imperial , Lambert. La Habra Blvd, and Beach blvd. PLEASE HEAR THE PEOPLE OF LA HABRA SAY NO NO NO.

Bev 

Joe's abbreviated presentation to City Council Oct 19, 2020

Good evening Mr Mayor and members of the Council,

My name is Joe Foust and I am a Traffic Engineer who has lived on Sandlewood Ave for over 50 years. I won't go into my credentials except to say I have worked the past 50 years as a professional consultant traffic engineer to many cities in Orange County including the City of La Habra and have prepared or reviewed several hundred EIR documents.

I have submitted a long list of comments, 22 in fact, which are highly critical of the EIR's traffic study. I have rehearsed my presentation and it takes 24 to 26 minutes just to read the comments exclusive of any questions that you might have. I am extremely worried about covid-19 safety offered by the format of this public hearing, inside with a large crowd waiting outside. So I have decided to simply submit my full comments letter and ask you read it. In exchange I am going to limit my presentation to a simple discussion of my main issue which is that the EIR relies entirely on an obsolete vehicle delay matrix, LOS, to identify and mitigate the project's traffic impacts. This will just take a few minutes.

Any of the 22 comments taken by themselves is sufficient to preclude you from certifying the EIR but taken as a whole they surely indicate the current EIR is inadequate. To save time and get me out of this crowded public hearing as quickly as possible I will go into detail only on the LOS matrix issue.

I am going to show you just two slides which support my point that LOS can no longer be used to determine traffic impact in CEQA.

Slide 1 CEQA Guidelines Section 21099 "Upon certification by NRA LOS shall not be used

Slide 2 SB 743 F&P says SB 743 and new Guidelines made use of LOS no longer possible.

The EIR consultant claims the EIR is exempt. I completely disagree ~~with that~~. LOS can no longer be used in CEQA after Dec 2018. Since the EIR consultant and I disagree so strongly I simply ask you to continue this hearing and seek the opinion of your own City Attorney. After all this is now your EIR and they are the ones who will have to defend it if any challenge is forthcoming.

## CEQA Guidelines

CEQA Section 21099, provides that, "upon certification of the Guidelines by the Secretary of the Natural Resources Agency, automobile delay, as described solely by level of service or similar measures of vehicular capacity or traffic congestion shall not be considered a significant impact on the environment"

*File: Four RHP...*

*Sheet 1*

## SB 743

Fehr & Peers previously reported that the Combination of the SB 743 Statute and new CEQA Guidelines made it possible that LOS could no longer be used to determine significant impacts after certification of the Guidelines, which occurred on December 28, 2018. A recently published court decision confirms this.

**Enclosed is a sampling of some examples of the fraudulent signatures or fraudulent use of addresses found in the 9 part document submitted by Lennar Homes on September 9, 2020. The three founders of Save La Habra found their names or addresses among these petitions. All of the people listed below are willing to be contacted by any council member as long as their phone numbers or other sensitive information are not made part of the public record. Just in our community alone, we found over 170 petitions with potential fraud, and we will be submitting over 100 signed affidavits to the City Council prior to the close of the public hearing testimony, as we are still in the process of organizing this large amount of data. These are all valid La Habra addresses with serious issues:**

#7 oppose  
Nam Jhung

Dear Mayor Beamish and Councilmembers,

My name is Nam Jhung and my husband and I live at 1641 W. Nicklaus Avenue in La Habra. We bought our home from Lennar 20 years ago and are original owners. I recently became aware that the "Statement of Support" letters submitted by the developer to the La Habra City Council on September 9, 2020 included a Rancho La Habra letter with my son's name at MY address.

My son, Daniel Jhung, lives in Northern Virginia and has not been in California for the last 10 months due to COVID. He did not sign this form. It is not his handwriting.

It is very important to me that the La Habra Council acknowledge that my son, Daniel Jhung, is not a supporter of Rancho La Habra and he is infuriated that someone would fraudulently sign his name.

My son sent a video so you can hear from him directly.

Thank you for allowing me to correct the record.

Affidavits from  
REAL La Habra  
residents

Received 10/21/2022  
@ 6:40 p.m.  
Hand-delivered  
during public  
hearing regarding  
proposed Rancho  
La Habra project -  
by James Rees.

Dear Mayor Beamish and Councilmembers,

The following is a compilation of petitions that were submitted by Lennar on September 9, 2020 within the 9 parts of "Statements of Support" letters. We have been able to contact the owner at each address and verify through their signed affidavit **that the person who is named at their address is a person that is unknown to the homeowner.**

In total, we have collected 83 fraudulent use of address just in our small immediate community.

It is very important that the La Habra City Council acknowledge that these and possibly many other letters of support are not true, and all the letters received by the city council from Lennar should not be taken into account as support for Rancho La Habra.

Thank you for allowing us to correct the record.

Dear Major Beamish and Councilmembers,

My name is JAMES LEE and I live at 2140 S. FARRELL CT, La Habra CA 90631. I recently became aware that the "Statements of Support" letters submitted by the developer to the La Habra City Council on September 9, 2020 included a Rancho La Habra supporter named BRANDON NILES who was using my address as their place of residence. **I do NOT know this person. My address was used without my permission.** I have attached a copy of that Letter of Support as it was submitted to the La Habra in Part 9 of 9 Page 178 Item 1 to document my claim.

It is very important to me the La Habra Council acknowledges that I, in fact, am not a supporter of Rancho La Habra and am infuriated that someone would fraudulently use my address to the attached Statement of Support to promote that Housing project.

Thank you for allowing me to correct the record.

Sincerely,

James A. Lee

Dear Major Beamish and Councilmembers,

My name is MENDREI L. LEEVIN and I live at 1400 S. RUNYAN ST., La Habra CA 90631. I recently became aware that the "Statements of Support" letters submitted by the developer to the La Habra City Council on September 9, 2020 included a Rancho La Habra supporter named STEVE DAVIS who was using my address as their place of residence. **I do NOT know this person. My address was used without my permission.** I have attached a copy of that Letter of Support as it was submitted to the La Habra in Part 6 of 9 Page 321 Item 1 to document my claim.

It is very important to me the La Habra Council acknowledges that I, in fact, am not a supporter of Rancho La Habra and am infuriated that someone would fraudulently use my address to the attached Statement of Support to promote that Housing project.

Thank you for allowing me to correct the record.

Sincerely,

Mendrei L. Leevin

Dear Major Beamish and Councilmembers,

My name is Elsa Kruger and I live at 1641 W. Weiskopf Ct., La Habra CA 90631. I recently became aware that the "Statements of Support" letters submitted by the developer to the La Habra City Council on September 9, 2020 included a Rancho La Habra supporter named Moises Aguirre who was using my address as their place of residence. **I do NOT know this person. My address was used without my permission.** I have attached a copy of that Letter of Support as it was submitted to the La Habra in Part 5 of 9 Page 224 Item 2 to document my claim.

It is very important to me the La Habra Council acknowledges that I, in fact, am not a supporter of Rancho La Habra and am infuriated that someone would fraudulently use my address to the attached Statement of Support to promote that Housing project.

Thank you for allowing me to correct the record.

Sincerely,

Dear Mayor Beamish and Councilmembers,

My name is Connie Hong and I live at 1411 W. Payer Ave La Habra CA 90631. I recently became aware that the "Statements of Support" letters submitted by the developer to the La Habra City Council on September 9, 2020 included a Rancho La Habra supporter named Darlene Dan who was using my address as their place of residence. **I do NOT know this person. My address was used without my permission.** I have attached a copy of that Letter of Support as it was submitted to the La Habra in Part 8 of 9 Page 5/4 Item 2 to document my claim.

It is very important to me the La Habra City Council acknowledges that I, in fact, **am not a supporter of Rancho La Habra** and am infuriated that someone would fraudulently use my address to the attached Statement of Support to promote that Housing project.

Thank you for allowing me to correct the record.

Sincerely,

Dear Mayor Beamish and Councilmembers,

My name is Jo'Ann McMorris and I live at 1841 W. Cooper Court La Habra CA 90631. I recently became aware that the "Statements of Support" letters submitted by the developer to the La Habra City Council on September 9, 2020 included a Rancho La Habra supporter named Samuel Lopez who was using my address as their place of residence. **I do NOT know this person. My address was used without my permission.** I have attached a copy of that Letter of Support as it was submitted to the La Habra in Part 8 of 9 Page 332 Item 1 to document my claim.

It is very important to me the La Habra City Council acknowledges that I, in fact, **am not a supporter of Rancho La Habra** and am infuriated that someone would fraudulently use my address to the attached Statement of Support to promote that Housing project.

Thank you for allowing me to correct the record.

Sincerely,

Jo'Ann McMorris

Dear Mayor Beamish and Councilmembers,

My name is MAHMOUD DAHDOWL and I live at 1820 S. Woods court La Habra CA 90631. I recently became aware that the "Statements of Support" letters submitted by the developer to the La Habra City Council on September 9, 2020 included a Rancho La Habra supporter named Tan Pho who was using my address as their place of residence. **I do NOT know this person. My address was used without my permission.** I have attached a copy of that Letter of Support as it was submitted to the La Habra in Part 8 of 9 Page 55 Item 2,

Part 7 of 9 Page 491 Item 1,

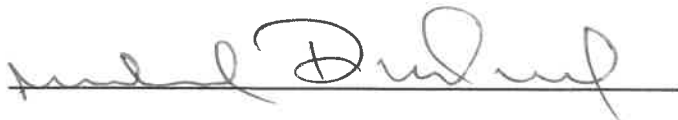

Part      of 9 Page      Item      to

document my claim.

It is very important to me the La Habra Council acknowledges that I, in fact, am not a supporter of Rancho La Habra and am infuriated that someone would fraudulently use my address to the attached Statement of Support to promote that Housing project.

Thank you for allowing me to correct the record.

# 25 Forged Signatures

Dear Mayor Beamish and Councilmembers,

The following is a compilation of petitions that were submitted by Lennar on September 9, 2020 within the 9 parts of "Statements of Support" letters. We have been able to contact the owner at each address and verify through their signed affidavit **that the homeowners signature was forged, either in whole or in part.**

In total, we have collected 25 forged signatures just in our small immediate community.

It is very important that the La Habra City Council acknowledge that these and possibly many other letters of support are not true, and all the letters received by the city council from Lennar should not be taken into account as support for Rancho La Habra.

Thank you for allowing us to correct the record.

Dear Mayor Beamish and La Habra Council Members,

My name is Daniel Jung and I live at 6659 Avignon Blvd, Falls Church, VA 22043. I recently became aware that the "Statements of Support" letters submitted by the developer (Lennar Homes) to the La Habra City Council on September 9, 2020 included what looked my signature on a page signed by a "Dan Jung." Note I have never gone by Dan Jung in my life. See below. *Part 3, Page 173, item 1*

I did not sign this document and my address is not 1641 Nicklaus Avenue since I live in Virginia and have not been in La Habra for all of 2020 due to the pandemic. This is unethical behavior and fraud perpetrated by Lennar Homes and the Rancho La Habra Project.

It is very important to me that the La Habra City Council acknowledges that I, in fact, am not a supporter of Rancho La Habra and am infuriated that someone would fraudulently use my name and a false address to the attached Statement of Support to promote this Housing project.

Thank you for allowing me to correct the record.

Dear Mayor Beamish and Councilmembers,

My name is Namrata Faldu and I live at 2021 Sneed St La Habra CA 90631. I recently became aware that the "Statements of Support" letters submitted by the developer to the La Habra City Council on September 9, 2020 included a Rancho La Habra letter with my name and address.

**I did NOT sign nor submit this form. This is not my handwriting.** I have attached a copy of that Letter of Support as it was submitted to the La Habra in Part 3 of 9 Page 145 Item 1 to document my claim.

It is very important to me the La Habra City Council acknowledges that I, in fact, am not a supporter of Rancho La Habra and am infuriated that someone would fraudulently sign my name to the attached Statement of Support to promote that Housing project.

Thank you for allowing me to correct the record.

Sincerely,

Namrata Faldu

Dear Mayor Beamish and Councilmembers,

My name is Karen Choi and I live at 1400 W. Player Ave, La Habra CA 90631. I recently became aware that the "Statements of Support" letters submitted by the developer to the La Habra City Council on September 9, 2020 included a Rancho La Habra letter with my name and address.

**I did NOT sign nor submit this form. This is not my signature.** I have attached a copy of that Letter of Support as it was submitted to the La Habra in Part 7 of 9 Page 89 Item 1 to document my claim.

It is very important to me the La Habra City Council acknowledges that **I, in fact, am not a supporter of Rancho La Habra** and am infuriated that someone would fraudulently sign my name to the attached Statement of Support to promote that Housing project.

Thank you for allowing me to correct the record.

Sincerely,

Councilman Medrano  
and  
Councilwoman Espinoza's  
addresses

Dear Mayor Beamish and Councilmembers,

The following are the petitions found with Councilman Medrano's daughter's forged signature and the 11 addresses on Councilwoman Espinoza's street, including her own address and the park on her street.

Both Council members testified during public testimony on October 19, 2020 that the documents were fraudulent.

It is very important that the La Habra City Council acknowledge that these and possibly many other letters of support are not true, and all the letters received by the city council from Lennar should not be taken into consideration as support for Rancho La Habra.

Thank you for allowing us to correct the record.

Dear Mayor Beamish and Councilmembers,

The following is a list of addresses that appeared within the 9 parts of "Statements of Support" letters submitted by the developer to the La Habra City Council on September 9, 2020. These addresses were used in support of Rancho La Habra, however **they are NOT valid legal addresses in La Habra. The street names exist, but not the house number.** Enclosed is a copy of that Letter of Support as it was submitted to the council on September 9, 2020 to document this claim.

It is very important that the La Habra City Council acknowledge that these and possibly many other letters of support are not true.

Thank you for allowing us to correct the record.

Dear Mayor Beamish and Councilmembers,

The following are 3 homeowners who were deceived into signing Lennar's petition due to misleading statements on the form as well as by the signature gatherer. The following residents would therefore like to **RETRACT** their petitions from Lennar's list of supporters.

Thank you for allowing us to correct the record.

Dear Mayor Beamish and Council members,

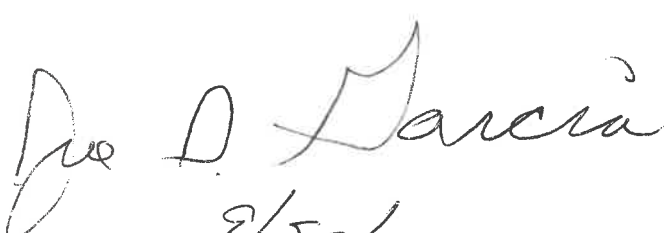

My name is Joe Garcia and I live at 2060 S. Armour Ct., La Habra, CA 90631. I recently became aware that the "Statements of Support" letters submitted by the developer to the La Habra City Council on September 9, 2020 included a Rancho La Habra letter with my name and address.

I was misled to sign the form by a signature gatherer. This person misrepresented the letter as **NOT supporting the project**. I was approached at the Wal-Mart on Harbor and Imperial on 08/07/2020 by a signature gatherer. I was told that I was signing this form to protect the golf course from being developed. Because I have poor vision and could not read the small print, I had to take the person's word that I was signing this form to oppose it's development. **I DO NOT support the Rancho La Habra Project, and therefore I would like to retract this form that was signed by me under false pretenses.**

I have attached a copy of that Letter of Support as it was submitted to the La Habra in Part 1 of page 34 Item <sup>Top</sup>~~Bottom~~ to document my claim.

It's very import to me the La Habra City Council acknowledges that I, in fact, **am not a supporter of the Rancho La Habra** and am infuriated that someone would intentionally mislead innocent citizens to sign the support letter.

Thank you for allowing me to correct the record.

Sincerely,

Dear Mayor Beamish and Councilmembers,

My name is Darlene Olguin and I live at 1981 S Watson St. La Habra CA 90631. I recently became aware that the "Statements of Support" letters submitted by the developer to the La Habra City Council on September 9, 2020 included a Rancho La Habra letter with my name and address.

**I was misled to sign the form by a signature gather. This person misrepresented the letter as not supporting the project.** I was approached at the Wal-Mart on Beach Blvd and was told that I was signing this form to protect the golf course from being developed. **I DO NOT support Rancho La Habra, and would therefore like to retract that form that was signed by me under false pretenses.** I have attached a copy of that Letter of Support as it was submitted to the La Habra in Part 4 of 9 Page 75 Item 2 to document my claim.

It is very important to me the La Habra City Council acknowledges that I, in fact, am not a supporter of Rancho La Habra and am infuriated that someone would intentionally mislead innocent citizens to sign the support letter.

Thank you for allowing me to correct the record.
