Re: Support for Rancho La Habra

Dear Mayor Beamish and Members of the City Council,

It is with pleasure that I write to you today as a Supporter of "Rancho La Habra".

My Family and I are originally from Whittier, CA and moved to La Habra in the early 70's.

In my 20's I moved to Yorba Linda and remained there for the next 38 years. I don't have to tell you about the growth YL has had over those years but what a beautiful place to live. Their Motto is "Land of Gracious Living" and they were right. We have now gone full circle and last year we moved into my 89 year old Mom's home in La Habra which she purchased in the 1970's.

I own my Company which Manufactures parts in Fontana, CA. I work from home here in La Habra, Six days per week and visit the Mfg. Plant one day. During those Six days myself, my Family and Customers frequent most of the establishments on Imperial from Harbor Bl. To Beach Bl. daily If not twice per day. This area is very important to us!

I have a few points that I would like to make that I feel would set La Habra up for many years to come as another "Land of Gracious Living".

It is my understanding that Rancho La Habra would add another badly needed 16 acres of park area, City Trails and a Nice Community Center which we are all excited about. I don't want to get into discussing the financial benefit of RLH but I am sure it will bring in Millions of dollars that will only benefit La Habra not hurt it. Additionally, the La Habra Schools will benefit by getting badly needed funds in the 3-4 Million dollar range.

Rancho La Habra, like Yorba Linda, will provide further benefits to the tune of \$40 Million at 443 units is \$90,000. per home. Traffic Improvements, Wildlife protection and a habitat conservation area designed by the CA Dept. of Fish and Game. The list goes on!

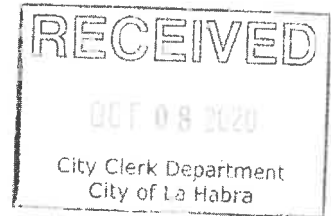

La Habra has had its moments of growth in the past but it's not been very impressive lately and it's starting to show. Move here from Yorba Linda or any other city that has moved with the times with growth and it's shocking to be honest. Our State is going to continue raising the bar for each city regarding housing so we need to get in front of this and be proactive. We have the slowest population growth than any other city in North Orange County. We have thought about moving out of California because of the Non growth and of course higher Taxes across the board. Although Rancho La Habra is only one proposed development in our City, I know this could be the start of Great things to come.

I appreciate your time and I am hopeful that you approve this plan to move forward.

Best Regards,

*Nicholas J. Green*

Nicholas J. Green

City of La Habra  
City Council  
321 La Habra Blvd.  
La Habra CA 90631

To the Mayor and members of the city Council  
So the Westwood Community Association does not feel that the members of the Council that they voted in are not capable of making intelligent and wise decisions.

They contend that Developers say and do anything including lies and scare tactics to influence their program. Yet their letter is filled with lies and scare tactics and very hypocritical.

They feel that the people are better equipped to make final decisions which our elected officials are not capable of doing. In the present uprisings across the nation the people are screaming to DEFUND the Police Departments. Shows one how wise the people are.

The leadership of our fair city have developed the community thru wise planning and council and should not be restricted by splinter groups who only want their selfish motives to be approved.

Every day the O C Register has articles regarding the severe housing shortage the state is experiencing. The Westridge Associations only move is to halt the orderly expansion of the city because of traffic and crowding . They do not want to overlook the present golf course which they contend will be filled with housing. NOT IN MY BACK YARD.

In the 50 years of living in La Habra I have witnessed the wise decisions our leaders have made and which makes this community a nice place to live and shop. I believe the plan submitted by the Lennar Group is fair and should be approved before it can be turned down by this NIMBY group

Sincerely

Walter K James

420 W. Country Hills Dr
