Subject: TPS Employees Parking On Superior Ave Corner Of Harbor Blvd

Hi Michael,

FYI, we have a dangerous situation on the corner of Superior Ave & Harbor due to employees from TPS plumbing parking their cars. Please come by to access it. Employees seem to park on Superior on certain days of the week and it makes it very narrow when you are making a right turn onto superior when you're coming south on Harbor Blvd. Also, when you're trying to drive down to Superior to get on Harbor.

Thank you for looking into this.
