

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LA HABRA, CALIFORNIA, ADOPTING A LIST OF PROJECTS FOR FISCAL YEAR 2022-2023 FUNDED BY SB 1: THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of our City of La Habra are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

WHEREAS, the City of La Habra must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, the City of La Habra, will receive an estimated \$1,390,828 in RMRA funding in Fiscal Year 2022-23 from SB 1; and

WHEREAS, this is the fifth year in which the City of La Habra is receiving SB 1 funding and will enable the City of La Habra to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, the City of La Habra has undergone a robust public process to ensure public input into our community's transportation priorities/the project list; and

WHEREAS, the City of La Habra used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the community's priorities for transportation investment; and

WHEREAS, the funding from SB 1 will help the City of La Habra maintain and rehabilitate streets/roads, throughout the City of La Habra this year and hundreds of similar projects into the future; and

WHEREAS, the 2020 California Statewide Local Streets and Roads Needs Assessment found that the City of La Habra's streets and roads are in an "good" condition and this revenue will help us increase the overall quality of our road system and over the next decade will bring our streets and roads into a good condition; and

WHEREAS, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits statewide.

NOW, THEREFORE IT IS HEREBY RESOLVED, ORDERED AND FOUND by the City Council of the City of La Habra, State of California, as follows:

1. The foregoing recitals are true and correct.
2. The following list of newly proposed projects will be funded in-part or solely with Fiscal Year 2022-23 Road Maintenance and Rehabilitation Account revenues:

Project Title: Annual Residential Street Rehab FY 2022-23

Project Description: The project consists of grind and overlay full width of the street, localized repair, replacement of curb ramps, sidewalk, curb and gutter, pavement markings and striping.

Project Location: Various streets City-wide. The locations will be based on PMP and PCI priorities City-wide.

Estimated Project Schedule: Start (03/23)– Completion (05/23) based on the component being funded with RMRA funds.

Estimated Project Useful Life: The estimated useful life of the pavement will be a minimum of 15 years.

Project Title: Annual Residential Slurry Seal FY 2022-23

Project Description: The project consists of slurry treatment on the full width of the street, localized repair, sidewalk, curb and gutter, pavement markings and striping.

Project Location: Various streets City-wide. The locations will be based on PMP and PCI priorities City-wide.

Estimated Project Schedule: Start (03/23)– Completion (05/23) based on the component being funded with RMRA funds.

Estimated Project Useful Life: The estimated useful life of the pavement will be a minimum of 5 years.

3. The following previously proposed and adopted projects may also utilize Fiscal Year 2022-23 Road Maintenance and Rehabilitation Account revenues in their delivery. With the relisting of these projects in the adopted fiscal year resolution, the City of La Habra is reaffirming to the public and the State our intent to fund these projects with Road Maintenance and Rehabilitation Account revenues:

Project Title: Monte Vista Street Rehabilitation between Lambert Road and La Habra Boulevard

Project Description: The project consists of grind and overlay full width of the street, localized repairs, replacement of curb ramps, sidewalk, curb and gutter, pavement markings and striping.

Project Location: Monte Vista Street between Lambert Road and La Habra Boulevard.

Estimated Project Schedule: Start (02/23)– Completion (04/23) based on the component being funded with RMRA funds.

Estimated Project Useful Life: The estimated useful life of the pavement will be a minimum of 15 years.

Project Title: Annual Arterial Street Rehabilitation Program (Cypress St. from La Habra Blvd. to Whittier Blvd.) & (Palm St. from La Habra Blvd. to North City Limits) & (Various Streets)

Project Description: The project consists of grind and overlay full width of the street, localized repair, replacement of curb ramps, sidewalk, curb and gutter, pavement markings and striping.

Project Location: Cypress Street from La Habra Boulevard to Whittier Boulevard & Palm Street from La Habra Boulevard to North City Limits & various streets.

Estimated Project Schedule: Start (07/22)– Completion (10/22) based on the component being funded with RMRA funds

Estimated Project Useful Life: The estimated useful life of the pavement will be a minimum of 15 years.

Project Title: Euclid Street Pavement from Whittier Boulevard to North City Limits

Project Description: The project consists of grind and overlay full width of the street, localized repair, replacement of curb ramps, sidewalk, curb and gutter, pavement markings and striping.

Project Location: Euclid Street from Whittier Boulevard to North City Limits.

Estimated Project Schedule: Start (03/23)– Completion (05/23) based on the component being funded with RMRA funds

Estimated Project Useful Life: The estimated useful life of the pavement will be a minimum of 15 years.

PASSED, APPROVED AND ADOPTED this 20th day of June, 2022.
