**RE: Request for Approval for Facility Projects Classroom Furniture**

Hello Richard,

The City of La Habra, Child Development Division is requesting for your approval to complete the following purchase for the **City of La Habra Child Development Center located at 401 S. Euclid.**

**Project:** Lakeshore purchase request to replace classroom furniture at the 401 S. Euclid Center

**Justification:** Our classroom furniture is currently in need of replacement. This purchase includes the removal of the current furniture and replacement of new classroom furniture pieces. Lakeshore is the one source known for a specialized item of equipment or material. This vender solely offers "Flex Space Furniture" although pricier will allow us to fold up the tables/furniture that allows space to accommodate approximately (35) children per classroom comfortably. Only one contractor is capable of providing the required service. Lakeshore will remove and discard current furniture which we need as we currently are short staffed at this site and do not have enough hands to remove and assemble furniture pieces. Their Corporate Headquarters is located locally here in Carson, CA along with 13 warehouses, and over 2 million sq. ft in distribution space allowing for timely lead times and coupled with a one-day transit time that allows Lakeshore to perform quickly to delivery our furniture by June 30, 2023.

There is a total of (30-40) pieces of furniture and storage pieces per classroom that need to be replaced to service our CSPP and CCTR Programs. The estimate cost for the CCTR apportioned will be 65% of the total or approximately \$42,501.20 This cost includes removing all old equipment and replacing each furniture piece with new, updated equipment and substituting any items not in stock and requiring a replacement piece. The current furniture is worn and previously purchased approximately 10 years ago. This purchase would allow for an overall update in the classroom appearance and support our goal to provide quality care and education services for the children in our care. New furniture will facilitate child engagement,

interest, and facilitate a clean and organized physical environment that support children's learning. Procurement policies and procedures for the City of La Habra will be adhered to in the purchase of the above items.

Please let me know if you need anything else to process this request or if you need to speak to me regarding these projects, you may contact me at (562) 383-4271.

Looking forward to your favorable response regarding these projects.

Thank you,

Johanna Perez

Assistant Director
