## Product: Removal & Disposition

We will remove the device(s) listed below, along with any unopened consumable items (when supplied by us), returning the device(s) and consumable items to our warehouse facility for subsequent disposition. Any device(s) requiring return to a Funding Source's designated return center will temporarily be held until Return Authorization (Shipping Instructions) have been received and will then be shipped to the address provided by the Funding Source. Any device(s) not requiring return to a Funding Source will be deemed our property upon pick up and will be disposed at our discretion. A device may not be held longer than 90 days without our prior written consent due to limited availability of long term storage space. Often the Funding Source will send Return Authorization(s) directly to you. If this happens, we ask that you immediately email any Return Authorization received to [ra@kmb.konicaminolta.us](mailto:ra@kmb.konicaminolta.us) to facilitate timely shipping. In the event any device(s) reaches the 90 day storage limit, Return Authorization has not been received, and there is no long term storage consent, we reserve the right to contact

you to arrange the return of the device(s) to your facility at your expense.

Any device(s) requiring subsequent return to a Funding Source will be invoiced to you at our prevailing shipping rates, unless return fees are included in this Order Agreement.
