RE: Request for Approval for Facility Projects Classroom Furniture

Hello Leslie,

The City of La Habra Child Development Division is requesting your approval to complete the following purchase for the **City of La Habra Child Development Center located at 305 S. Euclid**

Project: Lakeshore purchase to replace classroom furniture at the 305 S. Euclid Center

Justification: Our classroom furniture is currently in poor repair and in need of replacement. This purchase includes the removal of the current furniture and the replacement of new classroom furniture pieces. Lakeshore is the one source known for a specialized item of equipment or material. This vendor solely offers "Flex Space Furniture," although pricier, will allow us to fold up the tables/furniture, allowing space to accommodate approximately (35) children per classroom comfortably. Only one contractor is capable of providing the required service. Lakeshore will remove and discard the current furniture we need as we are currently short-staffed at this site and do not have enough hands to remove and assemble furniture pieces. Their Corporate Headquarters is located locally here in Carson, CA, along with 13 warehouses and over 2 million sq. ft in distribution space, allowing for timely lead times and coupled with a one-day transit time that will enable Lakeshore to perform quickly to delivery of our furniture by June 30, 2024.

There is a total of (30-40) pieces of furniture and storage pieces per classroom that need to be replaced to service our CCTR Program. The cost request total is **\$80,537.88**. This cost includes removing all old equipment, replacing each furniture piece with new, updated equipment, substituting items not in stock, and requiring a replacement piece. The current furniture is worn and previously purchased approximately ten years ago. This purchase would allow for an overall update in the classroom appearance and support our goal to provide quality care and education services for the children in our care. New furniture will facilitate child engagement and interest, and a clean and organized physical environment will support children's learning. Procurement policies and procedures for the City of La Habra will be adhered to when purchasing the above items.

Please let me know if you need anything else to process this request or if you need to speak to me regarding these projects; you may contact me at (562) 383-4271.

I am looking forward to your favorable response regarding these projects.

Thank you,
Johanna Perez
Executive Director
