

RESOLUTION NO. CC 2024-__

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LA HABRA, CALIFORNIA, ADOPTING A LIST OF PROJECTS FOR FISCAL YEAR 2024-2025 FUNDED BY SB 1: THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of our City of La Habra are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

WHEREAS, the City of La Habra must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, the City of La Habra will receive an estimated \$1,626,000 in RMRA funding in Fiscal Year 2024-2025 from SB 1; and

WHEREAS, this is the eighth year in which the City of La Habra is receiving SB 1 funding and will enable the City of La Habra to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, the City of La Habra has undergone a robust public process to ensure public input into our community's transportation priorities/the project list; and

WHEREAS, the City of La Habra used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the communities priorities for transportation investment; and

WHEREAS, the funding from SB 1 will help the City of Habra maintain and rehabilitate streets/roads, throughout the City of La Habra this year and hundreds of similar projects into the future; and

WHEREAS, the 2023 California Statewide Local Streets and Roads Needs Assessment found that the City of La Habra streets and roads are in a "good" condition and this revenue will help us increase the overall quality of our road system and over the next decade will keep our streets and roads in a "good" condition; and

WHEREAS, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits statewide.

NOW, THEREFORE IT IS HEREBY RESOLVED, ORDERED AND FOUND by the City Council of the City of La Habra, State of California, as follows:

1. The foregoing recitals are true and correct.
2. The following previously proposed and adopted projects may also utilize Fiscal Year 2024-2025 Road Maintenance and Rehabilitation Account revenues in their delivery. With the relisting of these projects in the adopted fiscal year resolution, the City of La Habra is reaffirming to the public and the State our intent to fund these projects with Road Maintenance and Rehabilitation Account revenues:

Project Title: Monte Vista Street Rehabilitation between Lambert Road and La Habra Boulevard

Project Description: The project consists of grinding and overlay the full width of the street, localized repair replacement of curb ramps, sidewalk, curb and gutter, and pavement striping.

Project Location: Monte Vista Street Rehabilitation between Lambert Road and La Habra Boulevard.

Estimated Project Schedule: Start (08/24)– Completion (11/24) based on the component being funded with RMRA funds.

Estimated Project Useful Life: The estimated useful life of the pavement will be a minimum of 15 years.

Project Title: Euclid Street Pavement from Whittier Boulevard to North City Limits

Project Description: The project consists of grinding and overlay the full width of the street, localized repair, replacement of curb ramps, sidewalk, curb and gutter, and pavement striping.

Project Location: Euclid Street from Whittier Boulevard to North City Limits.

Estimated Project Schedule: Start (09/24) – Completion (01/25) based on the component being funded with RMRA funds.

Estimated Project Useful Life: The estimated useful life of the pavement will be a minimum of 15 years.

Project Title: Annual Residential Street Rehab FY 2022-23

Project Description: The project consists of grinding and overlaying the full width of the street, localized repair, replacement of curb ramps, sidewalk, curb and gutter, and pavement striping.

Project Location: Neighborhoods within the northeast and southwest quadrants of the city. Additional various streets City-wide. The locations will be based on PMP and PCI priorities Citywide.

Estimated Project Schedule: Start (09/24)– Completion (05/25) based on the component being funded with RMRA funds.

Estimated Project Useful Life: The estimated useful life of the pavement will be a minimum of 15 years.

Project Title: Annual Residential Slurry Seal FY 2022-23

Project Description: The project consists of slurry treatment on the full width of the street, localized repair, sidewalk, curb and gutter, and pavement striping.

Project Location: Neighborhoods within the northeast and southwest quadrants of the city. Additional various streets City-wide. The locations will be based on PMP and PCI priorities City-wide.

Estimated Project Schedule: Start (09/24)– Completion (05/25) based on the component being funded with RMRA funds.

Estimated Project Useful Life: The estimated useful life of the pavement will be a minimum of 5 years.

Project Title: Annual Arterials Rehabilitation Project FY 23-24

Project Description: The project consists of grinding and overlaying the full width of the street, localized repair, replacement of curb ramps, sidewalk, curb and gutter, and pavement striping.

Project Location: Arterial Street within the northeast and southwest quadrants of the city. Additional various Streets City-wide. The locations will be based on PMP and PCI priorities City-wide.

Estimated Project Schedule: Start (06/24) – Completion (06/25) based on the component being funded with RMRA funds.

Estimated Project Useful Life: The estimated useful life of the pavement will be a minimum of 15 years.

PASSED, APPROVED, AND ADOPTED this 17th day of June, 2024.
