ANNUAL REPORT FY 2023-2024

Health and Safety Code Sections 34328 and 34328.1 require all housing authorities to file an annual report with the City Clerk and the State Department of Housing and Community Development of all activities undertaken during the previous fiscal year. The requirements of the report follow.

A. Transfer of Assets to the Housing Authority

In FY1992/1993, the Housing Authority was activated by the La Habra City Council. City Council Resolution No. 4146, adopted September 22, 1992, declared that there is a need for a Housing Authority, declared that all members of the City Council shall be the Board of Directors of the Housing Authority and designated the Mayor as the Chairman of the Housing Authority.

On January 17, 2012, by Resolution 5509, the La Habra City Council elected not to retain the housing assets and functions previously performed by the La Habra Redevelopment Agency, which was dissolved pursuant to Part 1.85 of Division 24 of the California Health and Safety Code. All rights, powers, duties and obligations, including any encumbered amounts on deposit in the Agency's Low- and Moderate-Income Housing Fund, were transferred to the La Habra Housing Authority.

On January 17, 2012 by Resolution 5509, the Successor Agency to the La Habra Redevelopment Agency recommended that the Oversight Board approve the transfer of housing assets and properties of the former Redevelopment Agency to the La Habra Housing Authority.

On April 12, 2012, by Resolution OB 2012-3, the Oversight Board directed the Successor Agency to transfer housing responsibilities and all rights, powers, duties and obligations associated with the housing activities of the La Habra Redevelopment Agency along with the transfer of encumbered low- and moderate-income housing funds designated for housing projects to the La Habra Housing Authority pursuant to Health and Safety Code Sections 34176, 34177, and 34181. The Oversight Board approval was sent to the State Department of Finance for final approval. The transfer of the housing functions and duties was not questioned by the State Department of Finance, and was so approved.

Pursuant to Health and Safety Code Section 34176 (a)(2), the Housing Authority submitted a Housing Assets Transfer Form to the Department of Finance on July 27, 2012, which included the properties described therein as a transferred asset. By letter dated August 25, 2012, the State Department of Finance approved the Housing Asset Transfer Form.
