RE: VISTA GRANDE PARK RESTROOM PROJECT – CITY PROJECT NO. 1-P-25

Dear Mr. Mendoza,

We are writing to formally request the withdrawal of our bid for the Vista Grande Park Restroom Project (City Project No. 1-P-25) pursuant to Public Contract Code Section 5103.

Upon reviewing our submission, we discovered a material error in our cost estimate, which has significantly impacted our final bid amount. This error occurred due to an oversight on our part during the estimation process. Additionally, we were unaware of the issuance of Addendum No. 1, which we did not acknowledge in our bid proposal. We regret to inform you that the addendum was not uploaded in the addendum section of Planet Bid, preventing us from reviewing and incorporating it into our submission.

We recognize the time-sensitive nature of this project and the importance of moving forward efficiently. We want to bring this matter to your attention as quickly as possible, allowing the City to make the best decision moving forward. We sincerely apologize for any inconvenience this may cause and remain committed to supporting the project in the future, should the opportunity arise.

If you have any questions or require further clarification, please do not hesitate to contact me directly.

Thank you for your understanding.

Sincerely,

Arman Tehrani
