RE: Request for Approval for Facility Projects

Hello Rich,

The City of La Habra, Child Development Division is requesting for your approval to complete the following project at the **City of La Habra, Child Development Center (CDC) Site**
Address: 401 S. Euclid, La Habra, CA 90631

Project: Renovate Kitchen

Justification: The kitchen at the 401 S. Euclid (CDC) site is in poor condition. This project entails replacing the kitchen cabinets, countertops, and flooring, as well as updating the plumbing and repairing the walls. Electrical outlets will also be upgraded to meet the required building code. This remodel aims to ensure that the kitchen is a safe and functional space for staff preparing meals for children. This renovation will be completed for \$48,000 and the CSPP apportionment is **\$19,680**. The current kitchen surface has been in place for approximately 20 years; it is worn, including cracks, uneven surfaces, and stains. If approved, this project would allow for updated safety measures, increased use of the kitchen space, and set a foundation for further improvement while providing a better overall look and feel to our site. **Procurement policies and procedures for the City of La Habra will be adhered to when purchasing the above items.**

Please let me know if you need anything else to process this request or if you need to speak to me about these projects. You may contact me at (562) 383-4271.

I am looking forward to your favorable response regarding these projects.

Thank you,

Johanna Perez
