

CANNABIS LICENSES

There are currently three (3) types of licenses pertaining to cannabis that are allowed to operate in the City:

1. **Distribution** - “Cannabis distribution” refers to the procurement, sale, and transport of cannabis and cannabis products between those persons or entities holding commercial cannabis licenses. No retail sales allowed. **(Four allowed per code, only one currently in operation.)**
2. **Testing** - “Testing laboratory” is an entity that is licensed by the state (license Type 8) to conduct sampling and analyses of medical and/or adult use cannabis goods and includes the personnel, specialized apparatus, and instruments used to analyze medical and/or adult use cannabis goods. **(Four allowed per code, none currently approved.)**
3. **Non-storefront Retail** - “Non-storefront retailer” refers to a state licensed Type 9 facility or premise located in the city where cannabis or cannabis products, in any amount or form, either individually or in combination, are offered or provided for retail sale or other sales or transfer to consumers. The premises are to be closed to the public and sales exclusively conducted by delivery as defined in Business and Professions Code Section 26001 (p). **(Four allowed per code, four approved, only one in operation.)**
