Teen Leader

Program

Mission Statement

The La Habra Teen Leader Program's mission is to empower and inspire the youth of our community to become confident, compassionate, and capable leaders. Through a dynamic blend of mentorship, skill building workshops, and community service initiatives. We strive to cultivate a supportive environment where teens can develop their leadership potential, foster meaningful connections, and make a positive impact in their schools, neighborhoods and the community.

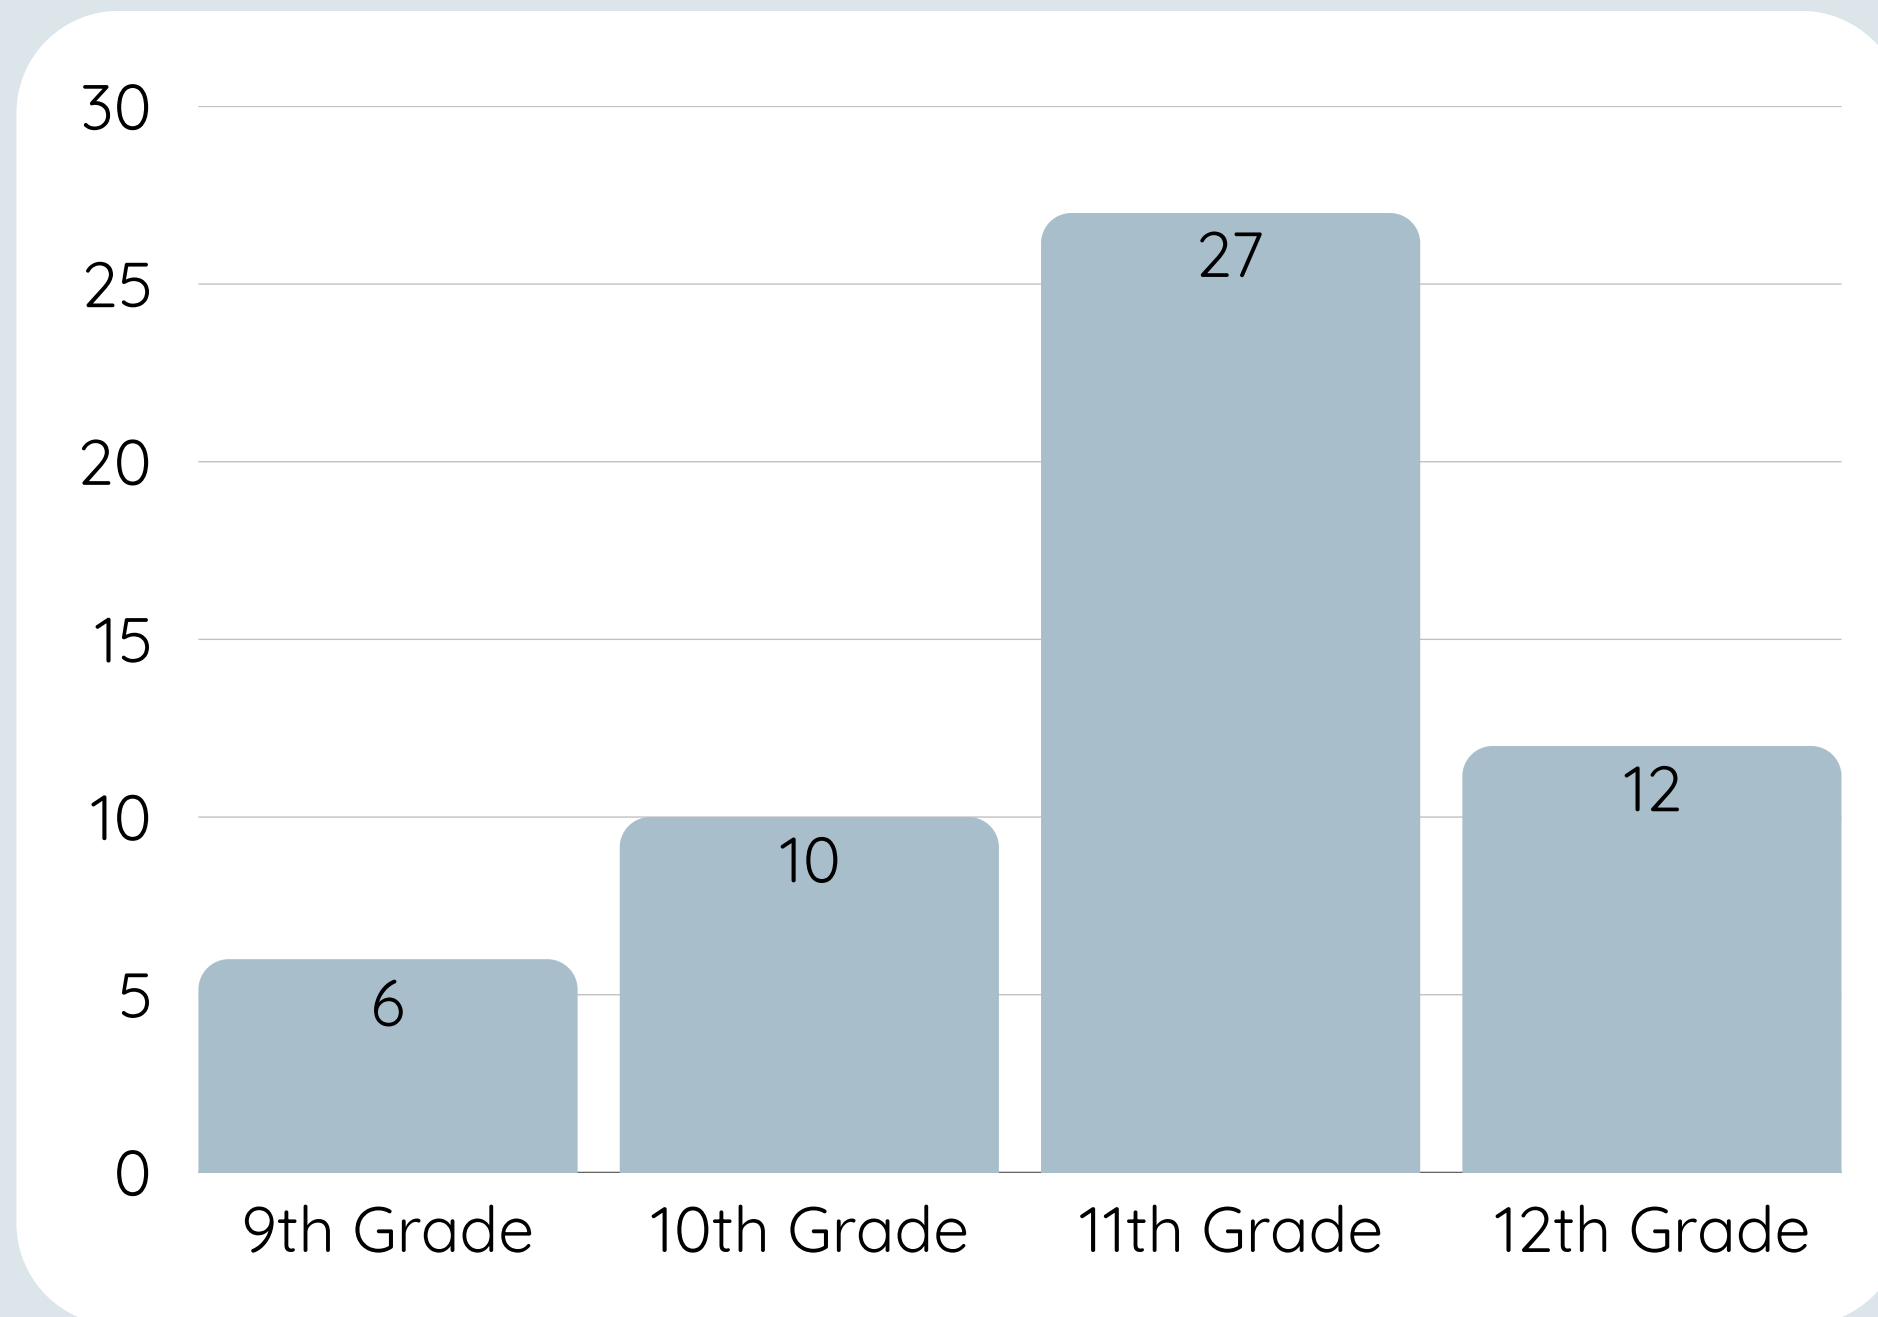

Our Purpose/Goals

- To provide a leadership and mentor training program for La Habra teens interested in receiving instruction and hands-on training in Community Services and programming
- To supplement the number of Recreation Leaders assigned to various Community Services programs
- To provide training and work experience for future employment opportunities
