Letter of Operation

To: City of La Habra Planning Department

We are thrilled to introduce Creative Little Rascals Preschool—a joyful, vibrant, and inclusive early learning space opening in the heart of La Habra! As a newly licensed preschool dedicated to serving local families, we are filled with excitement to welcome little learners into our care and become a trusted part of this wonderful community.

About Us

At Creative Little Rascals, we believe children are the true teachers. We follow their lead with intention, curiosity, and care—learning from them how best to guide, support, and inspire. Our preschool offers a trilingual experience in English, Spanish, and American Sign Language (ASL), helping children build strong communication skills and cultural awareness from an early age.

Our program blends the best of Montessori, Reggio Emilia, and Waldorf Steiner philosophies, creating a magical, hands-on environment that nurtures the whole child—head, heart, and hands. Our classrooms are alive with music, movement, storytelling, nature, and joyful learning, designed to meet children where they are and help them thrive.

Hours of Operation

To support the needs of working families in our community, we are requesting to operate: Monday through Saturday, from 5:00 a.m. to 10:00 p.m. We proudly offer both full time and

flexible scheduling options to fit a variety of family routines, including nontraditional work hours. We are anticipating being able to offer our services 24 hours and 7 days a week.

Staffing

Our program will be led by a caring and qualified team of 4-6 dedicated educators, including our director, lead teachers, and support staff. All employees meet or exceed licensing requirements and are trained in early childhood development, health and safety, and CPR/First Aid.

Student Capacity

Creative Little Rascals Preschool will be licensed to serve up to 30 children at full capacity, across various age groups. Our enrollment will reflect our commitment to quality, safety, and individualized care.

Affordability & Community Support

We believe that high-quality childcare should be accessible to every family. That's why we proudly offer affordable childcare options, including partnerships with programs that subsidize care based on family income or need. We are committed to serving the La Habra community with care that is not only enriching—but also inclusive and within reach.

Thank you for the opportunity to be a part of your thriving city and community. We are so excited to become part of the La Habra family and to build meaningful relationships with our neighbors, families, and local organizations. If you have any questions or would like to learn more, please don't hesitate to reach out—we would love to connect with you!

Serving the community with joy and gratitude,
