Jayson,

We quote on Sourcewell and with the cooperative fees, we are unlikely to beat their price.

Also, the Lightning is no longer available for order, so I am actively encouraging customers to switch to a Chevrolet 1500 EV or GMC, because serviceability will be better.

Good morning Sandra,

I have attached 2 quotes (1 Gas – 1 Electric) from another dealership, I need to obtain 2 quotes from you so I can move forward with the purchasing process with the lowest bid. Much appreciated!
