Jason,

One of our core values at Republic Services is to provide a safe and efficient service to every customer. When you utilize our landfills, not only do we want to give you the landfill experience you expect, but we pride ourselves on going above and beyond.

The waste disposal agreement, effective October 2022, allows for a CPI adjustment annually based on the Water, Sewer, and Trash Collection Services index. We have calculated the year-over-year increase of this index to be 5.22%, resulting in a rate increase to the amounts below.

Landfill	Material	Current Price	New Rate
██████████	██████████	██████████	██████████
Camelot Landfill	MSW, C&D	\$36.00	\$37.88
██████████	██████████	██████████	██████████
██████████	██████████	██████████	██████████

*Note, the City of Fort Worth Fee will be adjusted as implemented by the City and in addition to the rate shown above.

We appreciate you as a customer and are grateful for your business with us.

Sincerely,

A handwritten signature in blue ink that reads "Clint Dickerson".
