(c) The Bonds shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar for a Bond or Bonds of the same maturity and bearing the same interest rate and in any Authorized Denomination and in an aggregate principal amount equal to the unpaid principal amount of the Bond presented for exchange.

(d) The Trustee is hereby authorized to authenticate and deliver Bonds transferred or exchanged for other Bonds in accordance with this Section. A new Bond or Bonds will be delivered by the Paying Agent/Registrar, in lieu of the Bond being transferred or exchanged, at the Designated Payment/Transfer Office, or sent by United States mail, first-class, postage prepaid, to the Owner or his designee. Each transferred Bond delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the Town and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond or Bonds in lieu of which such transferred Bond is delivered.

(e) Each exchange Bond delivered in accordance with this Section shall constitute an original contractual obligation of the Town and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond or Bonds in lieu of which such exchange Bond is delivered.

(f) No service charge shall be made to the Owner for the initial registration, subsequent transfer, or exchange for a different Authorized Denomination of any of the Bonds. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer, or exchange of a Bond.

(g) Neither the Town nor the Paying Agent/Registrar shall be required to issue, transfer, or exchange any Bond or portion thereof called for redemption prior to maturity within 45 days prior to the date fixed for redemption; provided, however, such limitation shall not be

applicable to an exchange by the Owner of the uncalled principal balance of a Bond redeemed in part.

Section 3.8. Cancellation.

All Bonds paid or redeemed before scheduled maturity in accordance with this Indenture, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Indenture, shall be cancelled, and proper records shall be made regarding such payment, redemption, exchange, or replacement. The Paying Agent/Registrar shall dispose of cancelled Bonds in accordance with its records retention requirements.

Section 3.9. Temporary Bonds.

(a) Following the delivery and registration of the Initial Bond and pending the preparation of definitive Bonds, the proper officers of the Town may execute and, upon the Town's written request, the Trustee shall authenticate and deliver, one or more temporary Bonds that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Bonds in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the Town executing such temporary Bonds may determine, as evidenced by their signing of such temporary Bonds.

(b) Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit and security of this Indenture.

(c) The Town, without unreasonable delay, shall prepare, execute and deliver to the Trustee the Bonds in definitive form; thereupon, upon the presentation and surrender of the Bond or Bonds in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds in temporary form and the Trustee shall authenticate and deliver in exchange therefor a Bond or Bonds of the same maturity and series, in definitive form, in an Authorized Denomination, and in the same aggregate principal amount, as the Bond or Bonds in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.10. Replacement Bonds.

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond, the Trustee shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding. The Town or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Trustee, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the Trustee to save them and the Town harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Trustee and the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the Town and the Trustee.

(c) After the delivery of such replacement Bond, if a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the Town and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the Person to whom it was delivered or any Person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost, or expense incurred by the Town, the Paying Agent/Registrar or the Trustee in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the Town and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.11. Book-Entry Only System.

The Bonds shall initially be issued in book-entry-only form and shall be deposited with DTC, which is hereby appointed to act as the securities depository therefor, in accordance with the letter of representations from the Town to DTC. On the Closing Date, the definitive Bonds shall be issued in the form of a single typewritten certificate for each maturity thereof registered in the name of Cede & Co., as nominee for DTC.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the Town and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any Person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the Town and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other Person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other Person, other than an Owner, as shown in the Register of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Indenture to the contrary, the Town and the Paying Agent/Registrar shall be entitled to treat and consider the Person in whose name

each Bond is registered in the Register as the absolute owner of such Bond for the purpose of payment of principal of, premium, if any, and interest on Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owners as shown in the Register, as provided in this Indenture, and all such payments shall be valid and effective to fully satisfy and discharge the Town's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No Person other than an Owner, as shown in the Register, shall receive a certificate evidencing the obligation of the Town to make payments of amounts due pursuant to this Indenture. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Indenture with respect to interest checks or drafts being mailed to the registered owner at the close of business on the relevant Record Date, the word "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

Section 3.12. Successor Securities Depository: Transfer Outside Book-Entry-Only System.

In the event that the Town determines that DTC is incapable of discharging its responsibilities described herein and in the letter of representations from the Town to DTC, the Town shall (i) appoint a successor securities depository, qualified to act as such under Section 17A of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository; or (ii) notify DTC and DTC Participants of the availability through DTC of certificated Bonds and cause the Paying Agent/Registrar to transfer one or more separate registered Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Indenture.

Section 3.13. Payments to Cede & Co.

Notwithstanding any other provision of this Indenture to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds, and all notices with respect to such Bonds shall be made and given, respectively, in the manner provided in the blanket letter of representations from the Town to DTC.

(b) At least 45 days prior to each mandatory sinking fund redemption date, and subject to any prior reduction authorized by subparagraphs (c) and (d) of this Section 4.2, the Trustee shall select a principal amount of Bonds (in accordance with Section 4.5) of such maturity equal to the Sinking Fund Installment amount of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in Section 4.6.

(c) The principal amount of Bonds of a Stated Maturity required to be redeemed on any mandatory sinking fund redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced, at the option of the Town, by the principal amount of any Bonds of such maturity which, at least 45 days prior to the mandatory sinking fund redemption date shall have been acquired by the Town at a price not exceeding the principal amount of such Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

(d) The principal amount of Bonds required to be redeemed on any mandatory sinking fund redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Bonds which, at least 45 days prior to the mandatory sinking fund redemption date, shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

Section 4.3. Optional Redemption.

The Town reserves the right and option to redeem the Bonds maturing on or after September 1, 20____, before their respective scheduled maturity date, in whole or in part, on any date on or after September 1, 20____, such redemption date or dates to be fixed by the Town, at the Redemption Price for such Bonds.

Section 4.4. Extraordinary Optional Redemption.

Notwithstanding any provision in this Indenture to the contrary, the Town reserves the right and option to redeem Bonds before their respective scheduled maturity dates, in whole or in part and in an amount and on any date specified in a Town Certificate, at the Redemption Price of such Bonds, or portions thereof, to be redeemed plus accrued interest to the date of redemption from amounts on deposit in the Redemption Fund as a result of Prepayments (including related transfers to the Redemption Fund made pursuant to the terms of this Indenture) or other transfers to the Redemption Fund under the terms of this Indenture, or as a result of unexpended amounts transferred from the Project Fund pursuant to the terms of this Indenture. The Town will provide the Trustee a Town Certificate directing the Bonds to be redeemed pursuant to this Section 4.4 in accordance with the provisions of Section 4.5 hereof.

Section 4.5. Partial Redemption.

(a) If less than all of the Bonds are to be redeemed pursuant to Sections 4.2, 4.3, or 4.4, Bonds shall be redeemed in minimum principal amounts of \$1,000 or any integral multiple thereof. Each Bond shall be treated as representing the number of Bonds that is obtained by dividing the principal amount of such Bond by \$1,000. No redemption shall result in a Bond in a denomination of less than the Authorized Denomination in effect at that time; provided, however, if the amount of the Outstanding Bond is less than an Authorized Denomination after giving effect to such partial redemption, a Bond in the principal amount equal to the unredeemed portion, but not less than \$1,000, may be issued.

(b) In selecting the Bonds to be redeemed pursuant to Section 4.2, the Trustee may select Bonds in any method that results in a random selection.

(c) In selecting the Bonds to be redeemed pursuant to Section 4.3, the Trustee may rely on the directions provided in a Town Certificate.

(d) If less than all of the Bonds are called for extraordinary optional redemption pursuant to Section 4.4 hereof, the Bonds or portion of a Bond, as applicable, to be redeemed shall be selected in the following manner:

(i) with respect to a Substantial Amount Redemption, the principal amount called for redemption shall be allocated on a pro rata basis among all Outstanding Bonds; and

(ii) with respect to a Minor Amount Redemption, the Outstanding Bonds, shall be redeemed in inverse order of maturity.

(e) Upon surrender of any Bond for redemption in part, the Trustee in accordance with Section 3.7 of this Indenture, shall authenticate and deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge.

Section 4.6. Notice of Redemption to Owners.

(a) Upon the written notification by the Town to the Trustee of the exercise of any redemption, the Trustee shall give notice of any redemption of Bonds by sending notice by United States mail, first-class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond or portion thereof to be redeemed, at the address shown in the Register. So long as the Bonds are in book-entry-only form and held by DTC as security depository, references to Owner in this Indenture means Cede & Co., as nominee for DTC.

(b) The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Outstanding Bonds are to be redeemed, and subject to Section 4.5 hereof, an identification of the Bonds or portions thereof to be redeemed, any conditions to such redemption and that on the redemption date, if all conditions, if any, to such redemption have been satisfied, such Bond shall become due and payable.

(c) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

(d) The Town has the right to rescind any optional redemption or extraordinary optional redemption described in Section 4.3 or 4.4 by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under the Indenture. The Trustee shall mail notice of rescission of redemption in the same manner notice of redemption was originally provided.

(e) With respect to any optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the Redemption Price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state the Town may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional

notice of redemption is given and such prerequisites to the redemption are not satisfied and sufficient funds are not received, the notice shall be of no force and effect, the Town shall not redeem the Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

Section 4.7. Payment Upon Redemption.

(a) The Trustee shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust an amount from the Redemption Fund or otherwise received by the Trustee from the Town and shall use such funds solely for the purpose of paying the Redemption Price on the Bonds being redeemed.

(b) Upon presentation and surrender of any Bond called for redemption at the Designated Payment/Transfer Office of the Trustee on or after the date fixed for redemption, the Trustee shall pay the Redemption Price on such Bond to the date of redemption from the moneys set aside for such purpose.

Section 4.8. Effect of Redemption.

Notice of redemption having been given as provided in Section 4.6 of this Indenture, the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption provided that funds for the payment of the Redemption Price of such Bonds to the date fixed for redemption are on deposit with the Trustee; thereafter, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

ARTICLE V

Section 5.1. Form Generally.

(a) The Bonds, including the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Certificate of the Trustee, and the Assignment to appear on each of the Bonds, (i) shall be substantially in the form set forth in Exhibit A to this Indenture with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Indenture, and (ii) may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including any reproduction of an opinion of counsel) thereon as, consistently herewith, may be determined by the Town or by the officers executing such Bonds, as evidenced by their execution thereof.

Section 5.2. CUSIP Registration.

The Town may secure identification numbers through the CUSIP Services, managed by S&P Global Market Intelligence on behalf of The American Bankers Association, New York, New York, and may authorize the printing of such numbers on the face of the Bonds. It is expressly provided, however, that the presence or absence of CUSIP numbers on the Bonds shall be of no significance or effect as regards the legality thereof; and, none of the Town, the Trustee, nor the attorneys approving said Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed on the Bonds. The Trustee may include in any redemption notice a statement to the effect that the CUSIP numbers on the Bonds have been assigned by an independent service and are included in such notice solely for the convenience of the Owners of the Bonds and that neither the Town nor the Trustee shall be liable for any inaccuracies of such numbers.

Section 5.3. Legal Opinion.

The approving legal opinion of Bond Counsel may be printed on or attached to each Bond over the certification of the Town Secretary of the Town, which may be executed in facsimile.

From amounts deposited into the Pledged Revenue Fund, the Town shall deposit or cause to be deposited Pledged Revenues as follows: (i) first, to the Bond Pledged Revenue Account of the Pledged Revenue Fund in an amount sufficient to pay debt service on the Bonds next coming due in such calendar year, (ii) second, to the Reserve Account of the Reserve Fund in an amount to cause the amount in the Reserve Account to equal the Reserve Account Requirement in accordance with Section 6.7(a) hereof, (iii) third, to the Additional Interest Reserve Account of the Reserve Fund in an amount equal to

(b) From time to time as needed to pay the obligations relating to the Bonds, but no later than five Business Days before each Interest Payment Date, the Trustee shall withdraw from the Bond Pledged Revenue Account and transfer to the Principal and Interest Account of the Bond Fund, an amount, taking into account any amounts then on deposit in such Principal and Interest Account and any expected transfers from the Capitalized Interest Account to the Principal and Interest Account, such that the amount on deposit in the Principal and Interest Account equals the principal (including any Sinking Fund Installments) and interest due on the Bonds on the next Interest Payment Date.

(c) If, after the foregoing transfers and any transfer from the Reserve Fund as provided in Section 6.7 herein, there are insufficient funds to make the payments provided in paragraph (b) above, the Trustee shall apply the available funds in the Principal and Interest Account first, to the payment of interest and second, to the payment of principal (including any Sinking Fund Installments) on the Bonds, as described in Section 11.4(a) hereof.

(f) After satisfaction of the requirement to provide for the payment of the principal and interest on the Bonds and to fund any deficiency that may exist in an account of the Reserve Fund, and the other deposits described in (a) above, the Town may direct the Trustee by Town Certificate, to apply Assessments for any lawful purposes permitted by the PID Act for which Assessments may be paid.

(g) Any additional Pledged Revenues remaining after the satisfaction of the foregoing shall be applied by the Trustee, as instructed by the Town pursuant to a Town Certificate, for any lawful purpose permitted by the PID Act for which such additional Pledged Revenues may be used, including transfers to other Funds and Accounts created pursuant to this Indenture.

Section 6.4. Bond Fund.

(a) On each Interest Payment Date, the Trustee shall withdraw from the Principal and Interest Account and transfer to the Paying Agent/Registrar the principal (including any Sinking Fund Installments) and/or interest then due and payable on the Bonds, less any amount to be used to pay interest on the Bonds on such Interest Payment Date from the Capitalized Interest Account, as provided below.

(b) If amounts in the Principal and Interest Account are insufficient for the purposes set forth in paragraph (a) above, the Trustee shall withdraw from the Reserve Fund amounts to cover the amount of such insufficiency in the order described in Section 6.7(f) hereof. Amounts

so withdrawn from the Reserve Fund shall be deposited in the Principal and Interest Account and transferred to the Paying Agent/Registrar.

(c) Moneys in the Capitalized Interest Account shall be used for the payment of interest on the Bonds on the following dates and in the following amounts:

<u>Date</u>	<u>Amount (\$)</u>

March 1, 2025	

Any amounts on deposit in the Capitalized Interest Account after the payment of interest on the dates and in the amounts listed above shall be transferred to the Future Improvement Area Projects Account of the Project Fund, pursuant to directions provided in a Town Certificate, or, if the Future Improvement Area Projects Account of the Project Fund has been closed as provided in Section 6.5(f) herein, such amounts shall be transferred to the Redemption Fund to be used to redeem Bonds and the Capitalized Interest Account shall be closed.

Section 6.5. Project Fund.

(a) Money on deposit in the Project Fund shall be used for the purposes specified in Section 3.1 hereof.

(b) Disbursements from the Costs of Issuance Account of the Project Fund shall be made by the Trustee to pay costs of issuance of the Bonds pursuant to one or more Town Certificates.

(c) Disbursements from the Future Improvement Area Projects Account of the Project Fund to pay Actual Costs of the Future Improvement Area Projects shall be made by the Trustee upon receipt by the Trustee of either a properly executed and completed Certification for Payment or written direction from the Town or its designee approving the disbursement to the Developer or the Developer's designee. The disbursement of funds from the Future Improvement Area Projects Account of the Project Fund shall be pursuant to and in accordance with the disbursement procedures described in the Construction, Funding and Acquisition Agreement or as provided in such written direction from the Town. Such provisions and procedures related to such disbursement contained in the Construction, Funding and Acquisition Agreement, and no other provisions of the Construction, Funding and Acquisition Agreement, are herein incorporated by reference and deemed set forth herein in full.

(d) If a Town Representative determines in his or her sole discretion that amounts then on deposit in the Future Improvement Area Projects Account of the Project Fund are not expected to be expended for purposes of the Future Improvement Area Projects Account of the Project Fund due to the abandonment, or constructive abandonment, of the Future Improvement Area Projects, such that, in the opinion of the Town Representative, it is unlikely that the amounts in the Future Improvement Area Projects Account of the Project Fund, will ever be expended for the purposes of such Account, the Town Representative shall file a Town Certificate with the Trustee which identifies the amounts then on deposit in the Future Improvement Area Projects Account that are not expected to be used for purposes of such Account. If such Town Certificate is so filed, the amounts on deposit in the Future Improvement Area Projects Account of the Project Fund shall be transferred to the Redemption Fund to redeem Bonds on the earliest practicable date after notice of redemption has been provided in accordance with the Indenture.

(e) In making any determination pursuant to this Section, the Town Representative may conclusively rely upon a certificate of an Independent Financial Consultant.

(f) Upon the filing of a Town Certificate stating that all Future Improvement Area Projects have been completed and that all Actual Costs of the Future Improvement Area Projects have been paid, or that any such Actual Costs of the Future Improvement Area Projects are not required to be paid from the Future Improvement Area Projects Account of the Project Fund pursuant to a Certification for Payment or written direction from the Town or its designee, the Trustee shall transfer the amount, if any, remaining within the Future Improvement Area Projects Account of the Project Fund to the Principal and Interest Account of the Bond Fund or to the Redemption Fund to be used to redeem Bonds pursuant to Section 4.4 as directed by the Town Representative in a Town Certificate filed with the Trustee. If the Future Improvement Area Projects Account of the Project Fund has been closed as described above and the Cost of Issuance Account of the Project Fund has been closed pursuant to the provisions of Section 6.5(g), the Project Fund shall be closed.

(g) Not later than six months following the Closing Date, or upon an earlier determination by the Town Representative that all costs of issuance of the Bonds have been paid, any amounts remaining in the Costs of Issuance Account shall be transferred to another Account of the Project Fund and used to pay Actual Costs, or to the Principal and Interest Account of the Bond Fund and used to pay interest on the Bonds, as directed by the Town in a Town Certificate filed with the Trustee, and the Costs of Issuance Account shall be closed.

Section 6.6. Redemption Fund.

(a) The Trustee shall cause to be deposited to the Redemption Fund from the Bond Pledged Revenue Account of the Pledged Revenue Fund an amount sufficient to redeem Bonds as provided in Sections 4.3 and 4.4 on the dates specified for redemption as provided in Sections 4.3 and 4.4. Amounts on deposit in the Redemption Fund shall be used and withdrawn by the Trustee to redeem Bonds as provided in Article IV.

Section 6.7. Reserve Fund.

(a) The Town agrees with the Owners of the Bonds to accumulate from the deposits described in Sections 6.2 and 6.3(a) hereof, and when accumulated, maintain in the Reserve Account of the Reserve Fund, an amount equal to not less than the Reserve Account Requirement except to the extent such deficiency is due to the application of Section 6.7(d) hereof. All amounts deposited in the Reserve Account of the Reserve Fund shall be used and withdrawn by the Trustee for the purpose of making transfers to the Principal and Interest Account of the Bond Fund as provided in this Indenture.

(b) The Trustee, if needed, will transfer from the Bond Pledged Revenue Account of the Pledged Revenue Fund to the Additional Interest Reserve Account on March 1 and September 1 of each year, commencing March 1, 2025, an amount equal to the Additional Interest, collected, if any, as shown on the Future Improvement Area Assessment Roll attached to the Service and Assessment Plan or an Annual Service Plan Update, until the Additional Interest Reserve Requirement has been accumulated in the Additional Interest Reserve Account. If the amount on deposit in the Additional Interest Reserve Account shall at any time be less than the Additional Interest Reserve Requirement, the Trustee shall notify the Town, in writing, of the amount of such shortfall, and the Town shall resume collecting the Additional Interest and shall file a Town Certificate with the Trustee instructing the Trustee to resume

depositing the Additional Interest from the Bond Pledged Revenue Account of the Pledged Revenue Fund into the Additional Interest Reserve Account until the Additional Interest Reserve Requirement has been accumulated in the Additional Interest Reserve Account; provided, however, that the Town shall not be required to replenish the Additional Interest Reserve Account in the event funds are transferred from the Additional Interest Reserve Account to the Redemption Fund as a result of an extraordinary optional redemption of Bonds from the proceeds of a Prepayment pursuant to Section 4.4 of this Indenture. In the event the amount on deposit in the Additional Interest Reserve Account is less than the Additional Interest Reserve Requirement then the deposits described in the immediately preceding sentence shall continue until the Additional Interest Reserve Account has been fully replenished to the Additional Interest Reserve Requirement. If, after such deposits, there is surplus Additional Interest remaining, the Trustee shall transfer such surplus Additional Interest to the Redemption Fund, and shall notify the Town of such transfer in writing. In calculating the amounts to be transferred pursuant to this Section, the Trustee may conclusively rely on the Annual Installments as shown on the Future Improvement Area Assessment Roll in the Service and Assessment Plan or an Annual Service Plan Update unless and until it receives a Town Certificate directing that a different amount be used.

(c) Whenever a transfer is made from an Account of the Reserve Fund to the Bond Fund due to a deficiency in the Bond Fund, the Trustee shall provide written notice thereof to the Town, specifying the amount withdrawn and the source of said funds.

(d) Whenever Bonds are to be redeemed with the proceeds of Prepayments pursuant to Section 4.4, the Trustee shall transfer, on the Business Day prior to the redemption date (or on such other date as agreed to by the Town and the Trustee), from the Reserve Account of the Reserve Fund to the Redemption Fund, an amount specified in a Town Certificate to be applied to the redemption of the Bonds. The amount so transferred from the Reserve Account of the Reserve Fund shall be equal to the principal amount of Bonds to be redeemed with Prepayments multiplied by the lesser of: (i) the amount required to be in the Reserve Account of the Reserve Fund divided by the principal amount of Outstanding Bonds prior to the redemption, and (ii) the amount actually in the Reserve Account of the Reserve Fund divided by the principal amount of Outstanding Bonds prior to the redemption. If after such transfer, and after applying investment earnings on the Prepayments toward payment of accrued interest, there are insufficient funds in the Redemption Fund to pay the principal amount plus accrued and unpaid interest to the date fixed for redemption of the Bonds to be redeemed, as identified in a Town Certificate as a result of such Prepayments and as a result of the transfer from the Reserve Account under this Section 6.7(d), the Trustee shall transfer an amount equal to the shortfall, and/or any additional amounts necessary to permit the Bonds to be redeemed in minimum principal amounts of \$1,000, from the Additional Interest Reserve Account to the Redemption Fund to be applied to the redemption of the Bonds.

(e) Whenever, on any Interest Payment Date, or on any other date at the written request of a Town Representative, the amount in the Reserve Account exceeds the Reserve Account Requirement, the Trustee shall provide written notice to the Town Representative of the amount of the excess. Such excess shall be transferred to the Principal and Interest Account to be used for the payment of debt service on the Bonds on the next Interest Payment Date in accordance with Section 6.4 hereof, unless within 30 days of such notice to the Town Representative, the Trustee receives a Town Certificate instructing the Trustee to apply such excess: (i) to pay amounts due under Section 6.8 hereof, (ii) to a specified Account of the Project Fund if such application and the expenditure of funds is expected to occur within three years of the Closing Date of the Bonds, or (iii) for such other use specified in such Town Certificate if the

Town receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such alternate use will not adversely affect the exemption from federal income tax of the interest on any Bond.

(f) Whenever, on any Interest Payment Date, the amount on deposit in the Bond Fund is insufficient to pay the debt service on the Bonds due on such date, the Trustee shall transfer first, from the Additional Interest Reserve Account of the Reserve Fund to the Bond Fund and second, from the Reserve Account of the Reserve Fund to the Bond Fund the amounts necessary to cure such deficiency.

(g) At the final maturity of the Bonds, the amount on deposit in the Reserve Account and the Additional Interest Reserve Account shall be transferred to the Principal and Interest Account of the Bond Fund and applied to the payment of the principal of the Bonds.

(h) If, after a Reserve Account withdrawal pursuant to Section 6.7(f), the amount on deposit in the Reserve Account of the Reserve Fund is less than the Reserve Account Requirement, the Trustee shall transfer from the Pledged Revenue Fund to the Reserve Account of the Reserve Fund the amount of such deficiency, in accordance with Section 6.3.

(i) If the amount held in the Reserve Fund together with the amount held in the Bond Fund and Redemption Fund is sufficient to pay the principal amount of all Outstanding Bonds on the next Interest Payment Date, together with the unpaid interest accrued on such Outstanding Bonds as of such Interest Payment Date, the moneys shall be transferred to the Redemption Fund and thereafter used to redeem all Outstanding Bonds as of such Interest Payment Date.

Section 6.8. Rebate Fund; Rebate Amount.

(a) There is hereby established a special fund of the Town to be designated "Town of Little Elm, Texas, Rebate Fund" (the "Rebate Fund") to be held by the Trustee in accordance with the terms and provisions of this Indenture. Amounts on deposit in the Rebate Fund shall be used solely for the purpose of paying amounts relating to the Bonds that are due the United States Government in accordance with the Code.

(b) In order to assure that Rebate Amount is paid to the United States rather than to a third party, investments of funds on deposit in the Rebate Fund shall be made in accordance with the Code and the Tax Certificate.

(c) The Trustee conclusively shall be deemed to have complied with the provisions of this Section and Section 7.5(h) and shall not be liable or responsible if it follows the instructions of the Town and shall not be required to take any action under this Section and Section 7.5(h) in the absence of written instructions from the Town.

(d) If, on the date of each annual calculation, the amount on deposit in the Rebate Fund exceeds the Rebate Amount, the Town may direct the Trustee, pursuant to a Town Certificate, to transfer the amount in excess of the Rebate Amount to the Bond Fund.

Section 6.9. Administrative Fund.

(a) The Town shall deposit or cause to be deposited to the District Administration Account of the Administrative Fund the amounts collected each year to pay Administrative Expenses and Delinquent Collection Costs.

(b) Moneys in the District Administration Account of the Administrative Fund shall be held by the Trustee separate and apart from the other Funds and Accounts created and administered hereunder and used as directed by a Town Certificate solely for the purposes set forth in the Service and Assessment Plan.

Section 6.10. Investment of Funds.

(a) Money in any Fund or Account established pursuant to this Indenture shall be invested by the Trustee, as directed by the Town pursuant to a Town Certificate, filed with the Trustee at least two days in advance of the making of such investment. The money in any Fund or Account shall be invested in time deposits or certificates of deposit secured in the manner required by law for public funds, or be invested in direct obligations of, including obligations the principal and interest on which are unconditionally guaranteed by, the United States of America, in obligations of any agencies or instrumentalities thereof, or in such other investments as are permitted under the Public Funds Investment Act, Texas Government Code Chapter 2256, as amended, or any successor law, as in effect from time to time; provided that all such deposits and investments shall be made in such manner (which may include repurchase agreements for such investment with any primary dealer of such agreements) that the money required to be expended from any Fund will be available at the proper time or times. Notwithstanding the preceding sentence, amounts in the Additional Interest Reserve Account may not be invested above the Yield (as defined in Section 7.5(a) hereof) on the Bonds, unless and until the Town receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such investment and/or the failure to comply with such yield restriction will not adversely affect the exemption from federal income tax of the interest on any Bond. Investments shall be valued each year in terms of current market value as of September 30. For purposes of maximizing investment returns, to the extent permitted by law, money in such Funds or Accounts may be invested in common investments of the kind described above, or in a common pool of such investment which shall be kept and held at an official depository bank, which shall not be deemed to be or constitute a commingling of such money or funds provided that safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by such Fund or Account are held by or on behalf of each such Fund or Account. If necessary, such investments shall be promptly sold to prevent any default. To ensure that cash on hand is invested, if the Town does not give the Trustee written or timely instructions with respect to investments of funds, the Trustee is hereby directed to invest and re-invest cash balances in JPMorgan U.S. Government Money Market Fund (CUSIP 4812C0662); provided, however, that money required to be expended from any Fund or Account will be available at the proper time or times.

(b) Obligations purchased as an investment of moneys in any Fund or Account shall be deemed to be part of such Fund or Account, subject, however, to the requirements of this Indenture for transfer of interest earnings and profits resulting from investment of amounts in Funds and Accounts. Whenever in this Indenture any moneys are required to be transferred by the Town to the Trustee, such transfer may be accomplished by transferring a like amount of Investment Securities.

(c) The Trustee and its affiliates may act as sponsor, advisor, depository, principal or agent in the acquisition or disposition of any investment. The Trustee shall have no investment discretion and the Trustee's only responsibility for investments shall be to follow the written instructions contained in any Town Certificate. The Trustee shall not incur any liability for losses arising from any investments made pursuant to this Section. The Trustee shall not

be required to determine the suitability or legality of any investments. The parties acknowledge that the Trustee is not providing investment supervision, recommendations, or advice.

(d) Investments in any and all Funds and Accounts may be commingled in a separate fund or funds for purposes of making, holding and disposing of investments, notwithstanding provisions herein for transfer to or holding in or to the credit of particular Funds or Accounts of amounts received or held by the Trustee hereunder, provided that the Trustee shall at all times account for such investments strictly in accordance with the Funds and Accounts to which they are credited and otherwise as provided in this Indenture.

(e) The Trustee will furnish the Town and the Administrator monthly cash transaction statements, no later than the 15th day of the following month, which include detail for all investment transactions made by the Trustee hereunder; and, unless the Trustee receives a written request, the Trustee is not required to provide brokerage confirmations so long as the Trustee is providing such monthly cash transaction statements.

(f) If, following an annual calculation of the Rebate Amount in accordance with Sections 6.8 and 7.5(h) hereof, it is determined that a Rebate Amount is owed with respect to the Bonds, the Town shall direct the Trustee, pursuant to a Town Certificate, to transfer to the Rebate Fund an amount equal to the Rebate Amount owed by the Town from investment earnings derived from the investment of the amount on deposit in Pledged Funds. The Town Certificate shall specify the amount to be transferred and identify the Pledged Fund or Pledged Funds from which the investment earnings shall be transferred.

(g) The Trustee may conclusively rely on Town Certificates pursuant to Section 6.10(a) that such an investment will comply with the Town's investment policy and with the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended.

Section 6.11. Security of Funds.

All Funds or Accounts heretofore created, to the extent not invested as herein permitted, shall be secured in the manner and to the fullest extent required by law for the security of public funds, and such Funds or Accounts shall be used only for the purposes and in the manner permitted or required by this Indenture.

ARTICLE VII

COVENANTS

Section 7.1. Confirmation of Assessments.

The Town hereby confirms, covenants, and agrees that the Assessments to be collected from the Assessed Property are as so reflected in the Service and Assessment Plan (as it may be updated from time to time) and, in accordance with the Assessment Ordinance, it has levied the Assessments against the respective Assessed Parcels from which the Pledged Revenues will be collected and received.

Section 7.2. Collection and Enforcement of Assessments.

(a) For so long as any Bonds are Outstanding and/or amounts are due to the Developer to pay it for funds it has contributed to pay Actual Costs of the Future Improvement Area Projects in accordance with the Construction, Funding and Acquisition Agreement, the

Town covenants, agrees and warrants that it will take and pursue all actions permissible under Applicable Laws to cause the Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and, to the extent permitted by Applicable Laws, to cause no reduction, abatement or exemption in the Assessments.

(b) The Town will determine or cause to be determined, no later than February 15 of each year, whether or not any Annual Installment is delinquent and, if such delinquencies exist, the Town will order and cause to be commenced as soon as practicable any and all appropriate and legally permissible actions to obtain such Annual Installment, and any delinquent charges and interest thereon, including diligently prosecuting an action in district court to foreclose the currently delinquent Annual Installment. Notwithstanding the foregoing, the Town shall not be required under any circumstances to purchase or make payment for the purchase of the delinquent Assessment or the corresponding Assessed Parcel. Furthermore, nothing shall obligate the Town, the Town Attorney, or any appropriate designee to undertake collection or foreclosure actions against delinquent accounts in violation of applicable state law, court order, or existing contractual provisions between the Town and its appropriate collections enforcement designees.

Section 7.3. Against Encumbrances.

(a) Other than Refunding Bonds the Town shall not create and, to the extent Pledged Revenues are timely received, shall not suffer to remain, any lien, encumbrance or charge upon the Trust Estate, other than as specified in Section 9.6 of this Indenture, or upon any other property pledged under this Indenture, except the pledge created for the security of the Bonds, and other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds.

(b) So long as Bonds are Outstanding hereunder, and except as set forth in Section 13.2 hereof, the Town shall not issue any bonds, notes or other evidences of indebtedness other than the Bonds and Refunding Bonds, if any, secured by any pledge of or other lien or charge on the Trust Estate.

Section 7.4. Records, Accounts, Accounting Reports.

The Town hereby covenants and agrees that so long as any of the Bonds or any interest thereon remain Outstanding and unpaid, and/or the obligation to the Developer to pay it for funds it has contributed to pay Actual Costs of the Future Improvement Area Projects in accordance with the Construction, Funding, and Acquisition Agreement, remain outstanding and unpaid, it will keep and maintain a proper and complete system of records and accounts pertaining to the Assessments. The Trustee and Owners of any Bonds or any duly authorized agent or agents of such Owners shall have the right at all reasonable times to inspect all such records, accounts, and data relating thereto, upon written request to the Town by the Trustee or duly authorized representative, as applicable. The Town shall provide the Trustee or duly authorized representative, as applicable, an opportunity to inspect such books and records relating to the Bonds during the Town's regular business hours and on a mutually agreeable date not later than 30 days after the Town receives such request.

Section 7.5. Covenants to Maintain Tax-Exempt Status.

(a) Definitions. When used in this Section, the following terms shall have the following meanings:

"Closing Date" means the date on which the Bonds are first authenticated and delivered to the initial purchasers against payment therefor.

"Code" means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

"Computation Date" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Gross Proceeds" means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds.

"Investment" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Nonpurpose Investment" means any investment property, as defined in Section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

"Regulations" means any proposed, temporary or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

"Yield" of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations; and (2) the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The Town shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the Town receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the Town shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, the Town shall at all times prior to the last Stated Maturity of Bonds:

(i) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(ii) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the Town or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan.

(i) Except to the extent permitted by Section 141 of the Code and the Regulations and rulings thereunder, the Town shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(ii) The Town covenants and agrees that the levied Assessments will meet the requirements of the "tax assessment loan exception" within the meaning of Section 1.141-5(d) of the Regulations on the date the Bonds are delivered and will ensure that the Assessments continue to meet such requirements for so long as the Bonds are outstanding hereunder.

(e) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the Town shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested) if, as a result of such investment, the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the Town shall not take or omit to take

any action which would cause the Bonds to be federally guaranteed within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The Town shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in Section 148(f) of the Code and the Regulations and rulings thereunder:

(i) The Town shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Bond is discharged. However, to the extent permitted by law, the Town may commingle Gross Proceeds of the Bonds with other money of the Town, provided that the Town separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(ii) Not less frequently than each Computation Date, the Town shall calculate the Rebate Amount in accordance with rules set forth in Section 148(f) of the Code and the Regulations and rulings thereunder. The Town shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(iii) As additional consideration for the purchase of the Bonds by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the Town shall, pursuant to a Town Certificate, direct the Trustee to transfer to the Rebate Fund from the funds or subaccounts designated in such Town Certificate and direct the Trustee to pay to the United States from the Rebate Fund the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, 100% of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, 90% of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(iv) The Town shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (ii) and (iii), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within 180 days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the Town shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that

reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Elections. The Town hereby directs and authorizes the Mayor, Mayor Pro Tem, Town Manager, Deputy Town Manager, Chief Financial Officer, or Town Secretary, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Tax Certificate or similar or other appropriate certificate, form or document.

ARTICLE VIII

LIABILITY OF TOWN

The Town shall not incur any responsibility in respect of the Bonds or this Indenture other than in connection with the duties or obligations explicitly herein or in the Bonds assigned to or imposed upon it. The Town shall not be liable in connection with the performance of its duties hereunder, except for its own willful default or act of bad faith. The Town shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions covenants or agreements of the Trustee herein or of any of the documents executed by the Trustee in connection with the Bonds, or as to the existence of a default or Event of Default thereunder.

In the absence of bad faith, the Town may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Town and conforming to the requirements of this Indenture. The Town shall not be liable for any error of judgment made in good faith unless it shall be proved that it was negligent in ascertaining the pertinent facts.

No provision of this Indenture, the Bonds, the Assessment Ordinance, or any agreement, document, instrument, or certificate executed, delivered or approved in connection with the issuance, sale, delivery, or administration of the Bonds (the "Bond Documents"), shall require the Town to expend or risk its own general funds or otherwise incur any financial liability (other than with respect to the Trust Estate and the Administrative Expenses) in the performance of any of its obligations hereunder, or in the exercise of any of its rights or powers, if in the judgment of the Town there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it.

Neither the Owners nor any other Person shall have any claim against the Town or any of its officers, officials, agents or employees, or any person designated by the Town Council to act on behalf of the Town, for damages suffered as a result of the Town's failure to perform, in any respect, any covenant, undertaking, or obligation under any Bond Documents or as a result of the incorrectness of any representation in, or omission from, any of the Bond Documents, except to the extent that any such claim relates to an obligation, undertaking, representation, or covenant of the Town, in accordance with the Bond Documents and the PID Act. Any such claim shall be payable only from the Trust Estate, the funds available for such payment in any of the Pledged Funds, if any, or the amounts collected to pay Administrative Expenses on deposit in the Administrative Fund. Nothing contained in any of the Bond Documents shall be construed to preclude any action or proceeding in any court or before any governmental body, agency, or instrumentality against the Town or any of its officers, officials, agents or employees, or any

person designated by the Town Council to act on behalf of the Town, to enforce the provisions of any of the Bond Documents or to enforce all rights of the Owners of the Bonds by mandamus or other proceeding at law or in equity.

The Town may rely on and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The Town may consult with counsel with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Indenture, the Town shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of willful misconduct on the part of the Town, be deemed to be conclusively proved and established by a certificate of the Trustee, an Independent Financial Consultant, an independent inspector, or Town Manager or other person designated by the Town Council to so act on behalf of the Town, and such certificate shall be full warrant to the Town for any action taken or suffered under the provisions of this Indenture upon the faith thereof, but in its discretion the Town may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

In order to perform its duties and obligations hereunder, the Town may employ such persons or entities as it deems necessary or advisable. The Town shall not be liable for any of the acts or omissions of such persons or entities employed by it in good faith hereunder, and shall be entitled to rely, and shall be fully protected in doing so, upon the opinions, calculations, determinations, and directions of such persons or entities.

ARTICLE IX

THE TRUSTEE

Section 9.1. Trustee as Paying Agent/Registrar.

The Trustee is hereby designated and agrees to act as Paying Agent/Registrar for and in respect to the Bonds.

Section 9.2. Trustee Entitled to Indemnity.

The Trustee shall be under no obligation to spend its own funds, to institute any suit, or to undertake any proceeding under this Indenture, or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified by the Owners, to the extent permitted by law and the provisions of this Indenture, to its satisfaction against any and all costs and expenses, outlays, and counsel fees and other reasonable disbursements, and against all liability except to the extent the same shall have been finally adjudicated by a court of competent jurisdiction to have been directly caused by the Trustee's own negligence or willful misconduct; provided, however, that in no event shall the Trustee request or require indemnification as a condition to making any deposits, payments, or transfers (provided such payment or transfer is prior to an Event of Default) when required hereunder, or to delivering any notice when required hereunder. Nevertheless, the Trustee may

begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as the Trustee, without indemnity, and in such case the Trustee may, to the extent permitted pursuant to the provisions of this Indenture, make transfers from the District Administration Account of the Administrative Fund, and to the extent moneys in the District Administration Account of the Administrative Fund are insufficient, from the Pledged Revenue Fund, to pay all costs and expenses, outlays, and counsel fees and other reasonable disbursements properly incurred in connection therewith and shall, to the extent permitted by law, be entitled to a preference therefor over any Bonds Outstanding hereunder.

Section 9.3. Responsibilities of the Trustee.

The Trustee accepts the trusts imposed upon it by this Indenture, and agrees to observe and perform those trusts, but only upon and subject to the terms and conditions set forth in this Article, to all of which the parties hereto and the Owners agree.

(a) Prior to the occurrence of an Event of Default of which the Trustee has been notified, and after the cure or waiver of all defaults or Events of Default which may have occurred,

(i) the Trustee undertakes to perform only those duties and obligations which are set forth specifically and expressly in this Indenture, and no duties or obligations shall be implied to the Trustee, these duties shall be deemed purely ministerial in nature, and the Trustee shall not be liable except for the performance of such duties, and no implied covenants shall be read into this Indenture against the Trustee; and

(ii) the Trustee may request and rely conclusively, as to the due execution, the truth of the statements, and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture, and shall incur no liability and shall be fully protected in acting or refraining from acting in accordance therewith; but in the case of any such certificates or opinions which by any provision hereof are required specifically to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform on their face to the requirements of this Indenture.

(b) In case an Event of Default has occurred and is continuing hereunder (of which the Trustee has been notified in writing, or is deemed to have notice), the Trustee shall exercise those rights and powers vested in it by this Indenture and shall use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

(i) this subparagraph shall not be construed to affect the limitation of the Trustee's duties and obligations provided in subparagraph (a)(i) of this Section or the Trustee's right to rely on the truth of statements and the correctness of opinions as provided in subparagraph (a)(ii) of this Section;

(ii) the Trustee shall not be liable for any actions taken, or error of judgment, made in good faith by any one of its officers, employees or agents unless it shall be established that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in accordance with the direction of the controlling Owners relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not assured to it.

(d) The recitals contained in this Indenture and in the Bonds shall be taken as the statements of the Town and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of the offering documents, this Indenture, or the Bonds or with respect to the security afforded by this Indenture, and the Trustee shall incur no liability with respect thereto. Except as otherwise expressly provided in this Indenture, the Trustee shall have no responsibility or duty with respect to: (i) the issuance of Bonds for value; (ii) the application of the proceeds thereof, except to the extent that such proceeds are received by it in its capacity as Trustee; (iii) the application of any moneys paid to the Town or others in accordance with this Indenture, except as to the application of any moneys paid to it in its capacity as Trustee; or (iv) any calculation of arbitrage or rebate under the Code. The Trustee has the right to act through agents and attorneys and shall have no liability for the acts or omissions of any of the agents and attorneys appointed by it with due care.

(e) The duties and obligations of the Trustee shall be determined by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture.

(f) The Trustee shall not be liable for any action taken or omitted by it in the performance of its duties under this Indenture, except for such losses, damages, or expenses which have been fully adjudicated by a court of competent jurisdiction to have directly resulted from the Trustee's own negligence or willful misconduct. In no event shall the Trustee be liable for incidental, indirect, punitive, special or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) in connection with or arising from this Indenture, irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action. The Trustee will not be liable with respect to any action taken or omitted to be taken in good faith in accordance with the direction of the Owners of not less than a majority in principal amount of the Bonds then Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(g) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care.

(h) Except for its certificate of authentication on the Bonds, the Trustee shall not be responsible for:

(i) the validity, priority, recording, re-recording, filing or re-filing of this Indenture or any Supplemental Indenture,

(ii) any instrument or document of further assurance or collateral assignment,

(iii) the filing, execution, delivery, recording, or authorization of any financing statements, amendments thereto or continuation statements,

(iv) insurance of the Future Improvement Area Projects or collection of insurance money,

(v) the validity of the execution by the Town of this Indenture, any Supplemental Indenture or instruments or documents of further assurance, or

(vi) the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby.

(i) The Trustee shall not be accountable for the application by any Person of the proceeds of any Bonds authenticated or delivered hereunder; provided the Trustee follows the written instructions provided by the Town with respect to the use of the proceeds of the Bonds.

(j) The Trustee, as an Administrative Expense, may request, conclusively rely on and shall be protected in acting upon any resolution, statement, instrument, opinion, report, notice, request, direction, consent, certificate, order, judgment, affidavit, letter, telegram or other paper or document believed by it to be genuine and correct and to have been signed or sent by the proper Person or Persons, not only as to due execution, validity, and effectiveness, but also as to the truth and accuracy of any information contained therein. Any action taken by the Trustee pursuant to this Indenture upon the direction, request, authority or consent of any Person who is the Owner of any Bonds at the time of making the request or giving the authority or consent, shall be conclusive and binding upon all future Owners of the same Bond and of Bonds issued in exchange therefor or in place thereof.

(k) The Trustee shall not be required to take notice, and shall not be deemed to have notice, of any events or information, default or Event of Default, except Events of Default described in Section 11.1(a)(i), unless the Trustee has actual knowledge thereof or shall be notified specifically of the default or Event of Default in a written instrument or document delivered to it by the Town or by the Owners of more than 66-2/3% of the aggregate outstanding principal amount of Bonds. In the absence of delivery of a notice satisfying those requirements, the Trustee may assume conclusively that there is no Event of Default, except as noted above.

(l) The Trustee shall not be required to give any bond or surety with respect to the execution of these trusts and powers or otherwise in respect of the premises.

(m) Any resolution by the Town, and any opinions, certificates and other instruments and documents for which provision is made in this Indenture, may be accepted by the Trustee, in the absence of bad faith on its part, as conclusive evidence of the facts and conclusions stated therein and shall be full warrant, protection and authority to the Trustee for its actions or inactions taken hereunder.

(n) The Trustee shall be entitled to file proofs of claim in bankruptcy at the direction of no less than 66-2/3% of the Owners. Ordinary trustee and paying agent/registrar fees and expenses and extraordinary fees and expenses of the Trustee and the Paying Agent/Registrar incurred hereunder are intended to constitute administrative expenses in bankruptcy.

(o) The Trustee's immunities and protections from liability and its right to indemnification in connection with the performance of its duties under this Indenture shall extend to the Trustee's officers, directors, agents, attorneys and employees. Such immunities and protections and rights to indemnification, together with the Trustee's right to compensation for trustee and paying agent/registrar services, subject to the limitations set forth herein, shall survive the Trustee's resignation or removal, the discharge of this Indenture, and final payment of the Bonds.

(p) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit), irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(q) The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds, except for any information provided by the Trustee, and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds.

(r) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and, with respect to such permissive rights, the Trustee shall not be answerable for other than its negligence or willful misconduct.

(s) The Trustee shall not be responsible or liable for the environmental condition or any contamination of the Future Improvement Area Projects or any real property or improvements related thereto or for any diminution in value of the same as a result of any contamination by any hazardous substance, hazardous material, pollutant or contaminant. The Trustee shall not be liable for any claims by or on behalf of the Owners or any other person or entity arising from contamination by any hazardous substance, hazardous material, pollutant or contaminant, and shall have no duty or obligation to assess the environmental condition of the Future Improvement Area Projects or any real property or improvements related thereto or with respect to compliance thereof under state or federal laws pertaining to the transport, storage, treatment or disposal of, hazardous substances, hazardous materials, pollutants, or contaminants or regulations, permits or licenses issued under such laws.

(t) Neither the Trustee nor any of its directors, officers, employees, agents or affiliates shall be responsible for nor have any duty to monitor the performance or any action of the Town, or any of its directors, members, officers, agents, affiliates or employee, nor shall it have any liability in connection with the malfeasance or nonfeasance by such party. The Trustee may assume performance by all Persons of their respective obligations. The Trustee shall have no enforcement or notification obligations relating to breaches of representations or warranties of any other Person.

(u) In the event that any assets held hereunder shall be attached, garnished or levied upon by any court order, or the delivery thereof shall be stayed or enjoined by an order of a court, or any order, judgment or decree shall be made or entered by any court order affecting

such assets, the Trustee is hereby expressly authorized, in its sole discretion, to respond as it deems appropriate or to comply with all writs, orders or decrees so entered or issued, or which it is advised by legal counsel of its own choosing is binding upon it, whether with or without jurisdiction. In the event that the Trustee obeys or complies with any such writ, order or decree it shall not be liable to any of the parties or to any other person, firm or corporation, should, by reason of such compliance notwithstanding, such writ, order or decree be subsequently reversed, modified, annulled, set aside or vacated.

(v) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its control, including without limitation, any act or provision of any present or future law or regulation or governmental authority; acts of God; earthquakes; fires; floods; wars; terrorism; civil or military disturbances; sabotage; epidemics; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; acts of civil or military authority or governmental actions; or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility.

Section 9.4. Property Held in Trust.

All moneys and securities held by the Trustee at any time pursuant to the terms of this Indenture shall be held by the Trustee in trust for the purposes and under the terms and conditions of this Indenture.

Section 9.5. Trustee Protected in Relying on Certain Documents.

The Trustee may, as an Administrative Expense, request, conclusively rely on and shall be protected in acting or refraining from acting upon any resolution, instrument, opinion, report, direction, order, notice, judgment, request, consent, waiver, certificate, statement, affidavit, requisition, bond, debenture, note, or other document provided to the Trustee in accordance with the terms of this Indenture that it shall in good faith believe to be genuine and to have been adopted or signed by the proper board or Person or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or for any action taken or omitted to be taken upon the advice or written opinion of any counsel, architect, engineer, insurance consultant, management consultant, accountant or other professional retained or consulted by the Trustee, and the Trustee shall be under no duty to make any investigation or inquiry into any statements contained or matters referred to in any such instrument. Subject to Section 9.1 and 9.3 hereof, the Trustee may consult with counsel, selected by the Trustee with due care, who may or may not be Bond Counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of, and the Trustee shall not be liable for, any action taken, suffered, or omitted to be taken by it in good faith and in accordance therewith.

Whenever the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Indenture, the Trustee may request a Town Certificate, and such matter may be deemed to be conclusively proved and established by such Town Certificate, unless other evidence in respect thereof be hereby specifically prescribed. Such Town Certificate shall be full warrant for any action taken or suffered in good faith under the provisions hereof, but in its sole discretion the Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein, any request, order, notice, or other direction required or permitted to be furnished pursuant to any provision hereof by the Town

to the Trustee shall be sufficiently executed if executed in the name of the Town by the Town Representative.

The Trustee shall not be under any obligation to see to the recording or filing of this Indenture, or otherwise to the giving to any Person of notice of the provisions hereof except as expressly required in Section 9.13 herein.

Section 9.6. Compensation.

Unless otherwise provided by contract with the Trustee, and subject to the limitations set forth above, the Trustee shall transfer from the District Administration Account of the Administrative Fund, from time to time, reasonable compensation for all services rendered by it hereunder, including its services as Paying Agent/Registrar, together with all its reasonable expenses, charges, and other disbursements and those of its counsel, agents and employees, incurred in and about the administration and execution of the trusts hereby created and the exercise of its powers and the performance of its duties hereunder, subject to any limit on the amount of such compensation or recovery of expenses or other charges as shall be prescribed by specific agreement, and the Trustee shall have a lien therefor on any and all funds at any time held by it in the Administrative Fund. None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if in the judgment of the Trustee there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it. If the Town shall fail to make any payment required by this Section, the Trustee may make such payment from any moneys in its possession in the Administrative Fund, subject to the limitations set forth herein.

In the event that the Trustee renders any service not contemplated in this Indenture, or if any material controversy arises hereunder, or the Trustee is made a party to any litigation pertaining to this Indenture or the subject matter hereof, then the Trustee shall, subject to the limitations set forth herein, be compensated from any and all funds at any time held by it for such extraordinary services and any services or work performed by Trustee in connection with any delay, controversy, litigation or event, and reimbursed for all costs and expenses, including reasonable attorneys' fees and expenses, occasioned by any such delay, controversy, litigation or event.

Section 9.7. Permitted Acts.

The Trustee and its directors, officers, employees, or agents may become the owner of or may in good faith buy, sell, own, hold and deal in Bonds and may join in any action that any Owner of Bonds may be entitled to take as fully and with the same rights as if it were not the Trustee. The Trustee may act as depository, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, the Town or any committee formed to protect the rights of Owners or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Indenture, whether or not such committee shall represent the Owners of a majority in aggregate outstanding principal amount of the Bonds.

Section 9.8. Resignation of Trustee.

The Trustee may at any time resign and be discharged of its duties and obligations hereunder by giving not fewer than 30 days' written notice, specifying the date when such resignation shall take effect, to the Town and each Owner of any Outstanding Bond. Such

resignation shall take effect upon the appointment of a successor as provided in Section 9.10 and the acceptance of such appointment by such successor.

Section 9.9. Removal of Trustee.

The Trustee may be removed at any time on 30 days' advance written notice to the Trustee by (i) the Owners of at least a majority of the aggregate Outstanding principal of the Bonds by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or by their attorneys-in-fact, duly authorized and delivered to the Town, or (ii) the Town, so long as the Town is not in default under this Indenture. Copies of each such instrument shall be delivered by the Town to the Trustee and any successor thereof. The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Town or the Owners of not less than 10% of the aggregate Outstanding principal of the Bonds.

Section 9.10. Successor Trustee.

(a) If the Trustee shall resign, be removed, be dissolved, or become incapable of acting, or shall be adjudged as bankrupt or insolvent, or if a receiver, liquidator, or conservator of the Trustee or of its property shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the position of the Trustee hereunder shall thereupon become vacant.

(b) If the position of Trustee shall become vacant for any of the foregoing reasons or for any other reason, a successor Trustee may be appointed within one year after any such vacancy shall have occurred by the Owners of at least 25% of the aggregate outstanding principal of the Bonds by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or their attorneys-in-fact, duly authorized and delivered to such successor Trustee, with notification thereof being given to the predecessor Trustee and the Town.

(c) Unless and until such successor Trustee shall have been appointed by the Owners of the Bonds, the Town shall forthwith (and in no event in excess of 30 days after such vacancy occurs) appoint a Trustee to act hereunder. Copies of any instrument of the Town providing for any such appointment shall be delivered by the Town to the Trustee so appointed. The Town shall mail notice of any such appointment to each Owner of any Outstanding Bonds within 30 days after such appointment. Any appointment of a successor Trustee made by the Town immediately and without further act shall be superseded and revoked by an appointment subsequently made by the Owners of Bonds in accordance with the immediately preceding paragraph.

(d) If in a proper case no appointment of a successor Trustee shall be made within 45 days after the giving by any Trustee of any notice of resignation in accordance with Section 9.8 herein or after the occurrence of any other event requiring or authorizing such appointment, the Trustee or any Owner of Bonds may apply to any court of competent jurisdiction for the appointment of such a successor, and the court may thereupon, after such notice, if any, as the court may deem proper, appoint such successor and the Town shall be responsible for the costs of such appointment process.

(e) Any successor Trustee appointed under the provisions of this Section shall be a commercial bank or trust company or national banking association (i) having a capital and surplus and undivided profits aggregating at least \$50,000,000, if there be such a commercial bank or trust company or national banking association willing and able to accept the appointment on reasonable and customary terms, and (ii) authorized by law to perform all the duties of the Trustee required by this Indenture and Applicable Laws.

(f) Each successor Trustee shall mail, in accordance with the provisions of the Bonds, notice of its appointment to the Trustee, any rating agency which, at the time of such appointment, is providing a rating on the Bonds and each of the Owners of the Bonds.

(g) Trustee shall not be responsible for or liable for the acts or omissions of any successor trustee, nor shall it be responsible or liable for any costs of appointment or transition of such successor trustee.

Section 9.11. Transfer of Rights and Property to Successor Trustee.

Any successor Trustee appointed under the provisions of Section 9.10 shall execute, acknowledge, and deliver to its predecessor and the Town an instrument in writing accepting such appointment, and thereupon such successor, without any further act, deed, or conveyance, shall become fully vested with all moneys, estates, properties, rights, immunities, powers, duties, obligations, and trusts of its predecessor hereunder, with like effect as if originally appointed as Trustee. However, the Trustee then ceasing to act shall nevertheless, on request of the Town or of such successor, execute, acknowledge, and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor all the rights, immunities, powers, and trusts of such Trustee and all the right, title, and interest of such Trustee in and to the Trust Estate, and shall pay over, assign, and deliver to such successor any moneys or other properties subject to the trusts and conditions herein set forth. Should any deed, conveyance, or instrument in writing from the Town be required by such successor for more fully and certainly vesting in and confirming to it any such moneys, estates, properties, rights, powers, duties, or obligations, any and all such deeds, conveyances, and instruments in writing, including any supplement or amendment to this Indenture, on request and so far as may be authorized by law, shall be executed, acknowledged, and delivered by the Town.

Section 9.12. Merger, Conversion or Consolidation of Trustee.

Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated or any corporation or association resulting from any merger, conversion or consolidation to which it shall be a party or any corporation or association to which the Trustee may sell or transfer all or substantially all of its corporate trust business shall be the successor to such Trustee hereunder and will have and succeed to the rights, powers, duties, immunities, and privileges as predecessor, without any further act, deed or conveyance, provided that such corporation or association shall be a commercial bank or trust company or national banking association qualified to be a successor to such Trustee under the provisions of Section 9.10, or a trust company that is a wholly-owned subsidiary of any of the foregoing.

Section 9.13. Trustee to File Continuation Statements.

If necessary, the Trustee may file or cause to be filed, such continuation statements as are delivered to the Trustee by the Town, or on behalf of the Town, and which may be required

by the Texas Uniform Commercial Code, as from time to time in effect (the "UCC"), in order to continue perfection of the security interest of the Trustee in such items of tangible or intangible personal property and any fixtures as may have been granted to the Trustee pursuant to this Indenture in the time, place and manner required by the UCC. Under no circumstances shall the Trustee have an obligation or responsibility to file such financing statements or continuation statements except as provided in this Section.

Section 9.14. Construction of Indenture.

The Trustee may construe any of the provisions of this Indenture insofar as the same may appear to be ambiguous or inconsistent with any other provision hereof, and any construction of any such provisions hereof by the Trustee in good faith shall be binding upon the Owners of the Bonds. Permissive rights of the Trustee are not to be construed as duties.

ARTICLE X

MODIFICATION OR AMENDMENT OF THIS INDENTURE

Section 10.1. Amendments Permitted.

(a) This Indenture and the rights and obligations of the Town and of the Owners of the Bonds may be modified or amended at any time by a Supplemental Indenture, executed by both the Town and the Trustee, except as provided below, pursuant to the affirmative vote at a meeting of Owners of the Bonds, or with the written consent without a meeting, of the Owners of at least 51% of the aggregate principal amount of the Bonds then Outstanding. No such modification or amendment shall (i) extend the maturity of any Bond or reduce the interest rate thereon, or otherwise alter or impair the obligation of the Town to pay the principal of, and the interest and any premium on, any Bond, without the express consent of the Owner of such Bond, or (ii) permit the creation by the Town of any pledge or lien upon the Trust Estate superior to or on a parity with the pledge and lien created for the benefit of the Bonds (except as otherwise permitted by Applicable Laws and this Indenture), or reduce the percentage of Owners of Bonds required for the amendment hereof. Any such amendment may not modify any of the rights, immunities or obligations of the Trustee without its written consent.

(b) This Indenture and the rights and obligations of the Town and of the Owners may also be modified or amended at any time by a Supplemental Indenture, without the consent of any Owners, only to the extent permitted by law and only for any one or more of the following purposes:

(i) to add to the covenants and agreements of the Town in this Indenture contained, other covenants and agreements thereafter to be observed, or to limit or surrender any right or power herein reserved to or conferred upon the Town;

(ii) to make modifications not adversely affecting any Outstanding Bonds in any material respect;

(iii) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Indenture, or in regard to questions arising under this Indenture, as the Town and the Trustee may deem necessary or desirable and not inconsistent with this Indenture, and that shall not adversely affect the rights of the Owners of the Bonds;

(iv) to provide for the issuance of Refunding Bonds, as set forth in Section 13.2 hereof;

(v) to appoint or accept a successor trustee in accordance with the provisions of Section 9.10 hereof; provided, however, in no event shall this provision limit the Owners ability to appoint a successor trustee pursuant to Section 9.10(b) hereof; and

(vi) to make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Bonds.

(c) Any modification or amendment made pursuant to Section 10.1(b) shall not be subject to the notice procedures specified in Section 10.3 below.

(d) Notwithstanding the above, no Supplemental Indenture under this Section shall be effective unless the Town first delivers to the Trustee an opinion of Bond Counsel to the effect that such amendment or supplement: (i) is permitted under Applicable Laws and the provisions of this Indenture in effect after taking into account the proposed amendment or supplement; (ii) will not adversely affect the interests of the Owners in any material respect; provided, however, that an appointment of a successor trustee in accordance with the provisions hereof and the issuance of Refunding Bonds in accordance with the provisions of Section 13.2 hereof are each deemed to not be a material adverse effect for purposes of such opinion; and (iii) will not adversely affect the exclusion of interest on any Bond from gross income for purposes of federal income taxation.

Section 10.2. Owners' Meetings.

The Town may at any time call a meeting of the Owners of the Bonds. In such event the Town is authorized to fix the time and place of said meeting and to provide for the giving of notice thereof, and to fix and adopt reasonable rules and regulations for the conduct of said meeting.

Section 10.3. Procedure for Amendment with Written Consent of Owners.

The Town and the Trustee may at any time adopt a Supplemental Indenture amending the provisions of the Bonds or of this Indenture, to the extent that such amendment is permitted by Section 10.1 herein, to take effect when and as provided in this Section. A copy of such Supplemental Indenture, together with a request to Owners for their consent thereto, shall be mailed by first-class mail, by the Trustee to each Owner of Bonds from whom consent is required under this Indenture, but failure to mail copies of such Supplemental Indenture and request shall not affect the validity of the Supplemental Indenture when assented to as in this Section provided.

Such Supplemental Indenture shall not become effective unless there shall be filed with the Trustee the written consents of the Owners as required by this Indenture and a notice shall have been mailed as hereinafter in this Section provided and the Town or Bond Counsel, acting on the Town's behalf, has delivered to the Trustee an opinion of Bond Counsel to the effect that such amendment is permitted and will not adversely affect the exclusion of interest on any Bond from gross income for purposes of federal income taxation. Each such consent shall be effective only if accompanied by proof of ownership of the Bonds for which such consent is given, which proof shall be such as is permitted by Section 11.6 herein. Any such consent shall be binding upon the Owner of the Bonds giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof), unless such consent is revoked in writing by the

Owner giving such consent or a subsequent Owner by filing such revocation with the Trustee prior to the date when the notice hereinafter in this Section provided for has been mailed.

After the Owners of the required percentage of Bonds shall have filed their consents to the Supplemental Indenture, the Town shall mail a notice to the Owners in the manner hereinbefore provided in this Section for the mailing of the Supplemental Indenture, stating in substance that the Supplemental Indenture has been consented to by the Owners of the required percentage of Bonds and will be effective as provided in this Section (but failure to mail copies of said notice shall not affect the validity of the Supplemental Indenture or consents thereto). Proof of the mailing of such notice shall be filed with the Trustee. A record, consisting of the papers required by this Section 10.3 to be filed with the Trustee, shall be proof of the matters therein stated until the contrary is proved. The Supplemental Indenture shall become effective upon the filing with the Trustee of the proof of mailing of such notice, and the Supplemental Indenture shall be deemed conclusively binding (except as otherwise hereinabove specifically provided in this Article) upon the Town and the Owners of all Bonds at the expiration of 60 days after such filing, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such 60-day period.

Section 10.4. Effect of Supplemental Indenture.

From and after the time any Supplemental Indenture becomes effective pursuant to this Article X, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties, and obligations under this Indenture of the Town, the Trustee, and all Owners of Outstanding Bonds shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 10.5. Endorsement or Replacement of Bonds Issued After Amendments.

The Town may determine that Bonds issued and delivered after the effective date of any action taken as provided in this Article X shall bear a notation, by endorsement or otherwise, in form approved by the Town, as to such action. In that case, upon demand of the Owner of any Bond Outstanding at such effective date and presentation of his Bond for that purpose at the designated office of the Trustee or at such other office as the Town may select and designate for that purpose, a suitable notation shall be made on such Bond. The Town may determine that new Bonds, so modified as in the opinion of the Town is necessary to conform to such Owners' action, shall be prepared, executed, and delivered. In that case, upon demand of the Owner of any Bonds then Outstanding, such new Bonds shall be exchanged at the designated office of the Trustee without cost to any Owner, for Bonds then Outstanding, upon surrender of such Bonds.

Section 10.6. Amendatory Endorsement of Bonds.

The provisions of this Article X shall not prevent any Owner from accepting any amendment as to the particular Bonds held by such Owner, provided that due notation thereof is made on such Bonds.

Section 10.7. Waiver of Default.

Subject to the second and third sentences of Section 10.1 hereof, with the written consent of at least 51% of the Owners in aggregate principal amount of the Bonds then Outstanding, the Owners may waive non-compliance by the Town with certain past defaults under the Indenture and their consequences. Any such consent shall be conclusive and binding upon the Owners and upon all future Owners. For the avoidance of doubt, any waiver given pursuant to this Section shall be subject to Section 11.5 hereof.

Section 10.8. Execution of Supplemental Indenture.

In executing, or accepting the additional trusts created by, any Supplemental Indenture permitted by this Article or the modification thereby of the trusts created by this Indenture, the Trustee shall receive, and shall be fully protected in relying upon, an opinion of counsel addressed and delivered to the Trustee and the Town stating that the execution of such Supplemental Indenture is permitted by and in compliance with this Indenture. The Trustee may, but shall not be obligated to, enter into any such Supplemental Indenture which affects the Trustee's own rights, duties and immunities under this Indenture or otherwise.

ARTICLE XI

DEFAULT AND REMEDIES

Section 11.1. Events of Default.

(a) Each of the following occurrences or events shall be and is hereby declared to be an "Event of Default," to wit:

(i) The failure of the Town to deposit the Pledged Revenues to the Bond Pledged Revenue Account of the Pledged Revenue Fund;

(ii) The failure of the Town to enforce the collection of the Assessments, including the prosecution of foreclosure proceedings;

(iii) The failure to make payment of the principal of or interest on any of the Bonds when the same becomes due and payable and such failure is not remedied within 30 days; provided, however, that the payments are to be made only from Pledged Revenues or other funds currently available in the Pledged Funds and available to the Town to make the payments; and

(iv) Default in the performance or observance of any covenant, agreement or obligation of the Town under this Indenture and the continuation thereof for a period of 90 days after written notice to the Town by the Trustee, or by the Owners of at least 25% of the aggregate Outstanding principal of the Bonds with a copy to the Trustee, specifying such default and requesting that the failure be remedied.

(b) Nothing in Section 11.1(a) will be an Event of Default if it is in violation of any applicable state law or court order.

Section 11.2. Immediate Remedies for Default.

(a) Subject to Article VIII, upon the happening and continuance of any of the Events of Default described in Section 11.1, the Trustee may, and at the written direction of the Owners

of at least 25% of the Bonds then Outstanding and its receipt of indemnity satisfactory to it, shall proceed against the Town for the purpose of protecting and enforcing the rights of the Owners under this Indenture, by action seeking mandamus or by other suit, action, or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief to the extent permitted by this Indenture or by Applicable Laws, including, but not limited to, the specific performance of any covenant or agreement contained herein, or injunction; provided, however, that no action for money damages against the Town may be sought or shall be permitted. The Trustee retains the right to obtain the advice of counsel in its exercise of remedies of default.

(b) THE PRINCIPAL OF THE BONDS SHALL NOT BE SUBJECT TO ACCELERATION UNDER ANY CIRCUMSTANCES.

(c) If the assets of the Trust Estate are sufficient to pay all amounts due with respect to all Outstanding Bonds, in the selection of Trust Estate assets to be used in the payment of Bonds due under this Article, the Town shall determine, in its absolute discretion, and shall instruct the Trustee by Town Certificate, which Trust Estate assets shall be applied to such payment and shall not be liable to any Owner or other Person by reason of such selection and application. In the event that the Town shall fail to deliver to the Trustee such Town Certificate, the Trustee shall select and liquidate or sell Trust Estate assets as provided in the following paragraph, and shall not be liable to any Owner, or other Person, or the Town by reason of such selection, liquidation or sale.

(d) Whenever moneys are to be applied pursuant to this Article XI, irrespective of and whether other remedies authorized under this Indenture shall have been pursued in whole or in part, the Trustee may cause any or all of the assets of the Trust Estate, including Investment Securities, to be sold. The Trustee may so sell the assets of the Trust Estate and all right, title, interest, claim and demand thereto and the right of redemption thereof, in one or more parts, at any such place or places, and at such time or times and upon such notice and terms as the Trustee may deem appropriate and as may be required by law and apply the proceeds thereof in accordance with the provisions of this Section. Upon such sale, the Trustee may make and deliver to the purchaser or purchasers a good and sufficient assignment or conveyance for the same, which sale shall be a perpetual bar both at law and in equity against the Town, and all other Persons claiming such properties. No purchaser at any sale shall be bound to see to the application of the purchase money proceeds thereof or to inquire as to the authorization, necessity, expediency, or regularity of any such sale. Nevertheless, if so requested by the Trustee, the Town shall ratify and confirm any sale or sales by executing and delivering to the Trustee or to such purchaser or purchasers all such instruments as may be necessary or, in the reasonable judgment of the Trustee, proper for the purpose which may be designated in such request.

Section 11.3. Restriction on Owner's Action.

The Bonds are being issued for the purpose of (i) paying a portion of the Actual Costs of the Future Improvement Area Projects, (ii) paying a portion of the interest on the Bonds during and after the period of acquisition and construction of the Future Improvement Area Projects, (iii) funding a reserve fund for payment of principal and interest on the Bonds, (iv) paying a portion of the costs incidental to the organization and administration of the District, and (v) paying costs of issuance of the Bonds.

The Bonds are limited obligations of the Town payable solely from the Trust Estate as defined in the Indenture. Reference is hereby made to the Indenture, copies of which are on file with and available upon request from the Trustee, for the provisions, among others, with respect to the nature and extent of the duties and obligations of the Town, the Trustee and the Owners. The Owner of this Bond, by the acceptance hereof, is deemed to have agreed and consented to the terms, conditions and provisions of the Indenture.

Notwithstanding any provision hereof, the Indenture may be released and the obligation of the Town to make money available to pay this Bond may be defeased by the deposit of money

At least 45 days prior to each mandatory sinking fund redemption date, and subject to any prior reduction authorized by the Indenture, the Trustee shall select for redemption, pursuant to the provisions of the Indenture, a principal amount of Bonds of such maturity equal to the Sinking Fund Installments of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in the Indenture.

The principal amount of Bonds required to be redeemed on any mandatory sinking fund redemption date shall be reduced, at the option of the Town, by the principal amount of any Bonds of such maturity which, at least 45 days prior to the mandatory sinking fund redemption date shall have been acquired by the Town at a price not exceeding the principal amount of such Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

The principal amount of Bonds required to be redeemed on any mandatory sinking fund redemption date shall be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Bonds which, at least 45 days prior to the mandatory sinking fund redemption date, shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption provisions of the Indenture and not previously credited to a mandatory sinking fund redemption.

The Town reserves the right and option to redeem the Bonds maturing on or after September 1, 20__, before their scheduled maturity date, in whole or in part, on any date on or after September 1, 20__, such redemption date or dates to be fixed by the Town, at the redemption price of par plus accrued and unpaid interest to the date of redemption.

The Bonds are subject to extraordinary optional redemption prior to maturity, in whole or in part and in an amount and on any date specified in a Town Certificate, at the redemption price of par of such Bonds, or portions thereof, to be redeemed plus accrued interest to the date of redemption from amounts on deposit in the Redemption Fund as a result of Prepayments (including related transfers to the Redemption Fund) or other transfers to the Redemption Fund under the terms of the Indenture, or as a result of unexpended amounts transferred from the Project Fund pursuant to the terms of the Indenture.

The Trustee shall give notice of any redemption of Bonds by sending notice by United States mail, first-class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown on the Register. The notice shall state the redemption date, the redemption price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed. Any notice so given shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

With respect to any optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the redemption price of the Bonds to be redeemed before giving of a notice

of redemption, the notice may state the Town may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied and sufficient funds are not received, the notice shall be of no force and effect, the Town shall not redeem the Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Town and the rights of the holders of the Bonds under the Indenture at any time Outstanding affected by such modification. The Indenture also contains provisions permitting the holders of specified percentages in aggregate principal amount of the Bonds at the time Outstanding, on behalf of the holders of all the Bonds, to waive compliance by the Town with certain past defaults under the Bond Ordinance or the Indenture and their consequences. Any such consent or waiver by the holder of this Bond or any predecessor Bond evidencing the same debt shall be conclusive and binding upon such holder and upon all future holders thereof and of any Bond issued upon the transfer thereof or in exchange therefor or in lieu thereof, whether or not notation of such consent or waiver is made upon this Bond.

As provided in the Indenture, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer as is acceptable to the Trustee, and upon delivery to the Trustee of such certifications and/or opinion of counsel as may be required under the Indenture for the transfer of this Bond. Upon satisfaction of such requirements, one or more new fully registered Bonds of the same Stated Maturity, of Authorized Denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the Town nor the Trustee shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond redeemed in part.

The Town, the Trustee, and any other Person may treat the Person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the Person in whose name this Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the Town nor the Trustee shall be affected by notice to the contrary.

The Town has reserved the right to issue Additional Obligations on the terms and conditions specified in the Indenture.

NEITHER THE FULL FAITH AND CREDIT NOR THE GENERAL TAXING POWER OF THE TOWN OF LITTLE ELM, TEXAS, THE STATE OF TEXAS, OR ANY POLITICAL SUBDIVISION THEREOF, IS PLEDGED TO THE PAYMENT OF THE BONDS.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; and that the total indebtedness of the Town, including the Bonds, does not exceed any Constitutional or statutory limitation.

IN WITNESS WHEREOF, the Town Council of the Town has caused this Bond to be executed under the official seal of the Town.

BOND PURCHASE AGREEMENT

June 18, 2024

Town of Little Elm
100 W. Eldorado Parkway
Little Elm, Texas 75068

Ladies and Gentlemen:

The undersigned, FMSbonds, Inc. (the “Underwriter”), offers to enter into this Bond Purchase Agreement (this “Agreement”) with the Town of Little Elm, Texas (the “Town”), which will be binding upon the Town and the Underwriter upon the acceptance of this Agreement by the Town. This offer is made subject to its acceptance by the Town by execution of this Agreement and its delivery to the Underwriter on or before 10:00 p.m., Central Time, on the date hereof and, if not so accepted, will be subject to withdrawal by the Underwriter upon written notice delivered to the Town at any time prior to the acceptance hereof by the Town. All capitalized terms not otherwise defined herein shall have the meanings given to such terms in the Indenture (defined herein) between the Town and Wilmington Trust, National Association, as trustee (the “Trustee”), authorizing the issuance of the Bonds (defined herein), and in the Limited Offering Memorandum (defined herein).

1. Purchase and Sale of Bonds. Upon the terms and conditions and upon the basis of representations, warranties, and agreements hereinafter set forth, the Underwriter hereby agrees to purchase from the Town, and the Town hereby agrees to sell to the Underwriter, all (but not less than all) of the \$(PAR AMOUNT) aggregate principal amount of the “Town of Little Elm, Texas, Special Assessment Revenue Bonds, Series 2024 (Spiritas Ranch Public Improvement District Future Improvement Area Projects)” (the “Bonds”), at a purchase price of \$_____ (representing the aggregate principal amount of the Bonds less an Underwriter’s discount of \$_____).

Inasmuch as this purchase and sale represents a negotiated transaction, the Town understands, and hereby confirms, that the Underwriter is not acting as a municipal advisor or fiduciary of the Town (including, without limitation, a Municipal Advisor (as such term is defined in Section 975(e) of the Dodd Frank Wall Street Reform and Consumer Protection Act)), but rather is acting solely in its capacity as Underwriter for its own account. The Town acknowledges and agrees that (i) the purchase and sale of the Bonds pursuant to this Agreement is an arm’s length

commercial transaction between the Town and the Underwriter and the Underwriter has financial and other interests that differ from any other party to this Agreement, (ii) in connection therewith and with the discussions, undertakings, and procedures leading up to the consummation of this transaction, the Underwriter is and has been acting solely as a principal and is not acting as the agent, municipal advisor, financial advisor, or fiduciary of the Town, (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the Town with respect to the offering described herein or the discussions, undertakings, and procedures leading thereto (regardless of whether the Underwriter has provided other services or is currently providing other services to the Town on other matters) and the Underwriter has no obligation to the Town with respect to the offering described herein except the obligations expressly set forth in this Agreement, (iv) the Town has consulted its own legal, financial and other advisors to the extent it has deemed appropriate, (v) the Underwriter has financial and other interests that differ from those of the Town, and (vi) the Underwriter has provided to the Town prior disclosures under Rule G-17 of the Municipal Securities Rulemaking Board (“MSRB”), which have been received by the Town. The Town further acknowledges and agrees that following the issuance and delivery of the Bonds, the Underwriter has indicated that it may have periodic discussions with the Town regarding the expenditure of Bond proceeds and the construction of the Future Improvement Area Projects financed with the Bonds and, in connection with such discussions, the Underwriter shall be acting solely as a principal and will not be acting as the agent or fiduciary of, and will not be assuming an advisory or fiduciary responsibility in favor of, the Town.

The Bonds shall be dated July 16, 2024 and shall have the maturities and redemption features, if any, and bear interest at the rates per annum shown on Schedule I hereto. Payment for and delivery of the Bonds, and the other actions described herein, shall take place on July 16, 2024 (or such other date as may be agreed to by the Town and the Underwriter) (the “Closing Date”).

2. Authorization Instruments and Law. The Bonds were authorized by an ordinance enacted by the Town Council of the Town (the “Town Council”) on June 18, 2024 (the “Bond Ordinance”) and shall be issued pursuant to the provisions of Subchapter A of Chapter 372, Texas Local Government Code, as amended (the “Act”), and the Indenture of Trust, dated as of July 1, 2024, between the Town and the Trustee, authorizing the issuance of the Bonds (the “Indenture”). The Bonds shall be substantially in the form described in, and shall be secured under the provisions of, the Indenture.

The Bonds and interest thereon shall be secured by the proceeds of special assessments (the “Assessments”) levied on the assessable parcels within the Future Improvement Area of the Spiritas Ranch Public Improvement District (the “District”). The District was established by a resolution enacted by the Town Council on February 2, 2021 (the “Creation Resolution”) in accordance with the Act. An updated Service and Assessment Plan (the “Service and Assessment Plan”) which sets forth the costs of the Future Improvement Area Projects and the method of payment of the Assessments levied against assessable property located within the Future Improvement Area of the District, was approved pursuant to an ordinance adopted by the Town Council on June 18, 2024 (the “Assessment Ordinance” and, together with the Creation Resolution, the Indenture and the Bond Ordinance, the “Authorizing Documents”). The Bonds shall be further secured by certain applicable funds and accounts created under the Indenture.

The Bonds shall be as described in Schedule I, the Indenture, and the Limited Offering Memorandum (defined herein). The proceeds of the Bonds shall be used for (i) paying a portion of the Actual Costs of the Future Improvement Area Projects, (ii) paying a portion of the interest on the Bonds during and after the period of acquisition and construction of the Future Improvement Area Projects, (iii) funding a reserve fund for the payment of principal of and interest on the Bonds, (iv) paying a portion of the costs incidental to the organization and administration of the District and (v) paying the costs of issuance of the Bonds.

3. Limited Public Offering. The Underwriter agrees to make a bona fide limited public offering of all of the Bonds in accordance with Section 11 hereof. On or before the third (3rd) business day prior to the Closing Date, the Underwriter shall execute and deliver to Bond Counsel the Issue Price Certificate (as defined herein), in substantially the form attached hereto as Appendix B.

4. Limited Offering Memorandum.

(a) Delivery of Limited Offering Memorandum. The Town previously has delivered, or caused to be delivered, to the Underwriter the Preliminary Limited Offering Memorandum for the Bonds dated June 4, 2024 (together the “Preliminary Limited Offering Memorandum”), in a “designated electronic format,” as defined in MSRB Rule G-32 (“Rule G-32”). The Town will prepare, or cause to be prepared, a final Limited Offering Memorandum relating to the Bonds (the “Limited Offering Memorandum”) which will be (i) dated the date of this Agreement, (ii) complete within the meaning of the United States Securities and Exchange Commission’s Rule 15c2-12, as amended (“Rule 15c2-12”), (iii) in a “designated electronic format,” and (iv) substantially in the form of the most recent version of the Preliminary Limited Offering Memorandum provided to the Underwriter before the execution hereof. The Limited Offering Memorandum, including the cover page thereto, all exhibits, schedules, appendices, maps, charts, pictures, diagrams, reports, and statements included or incorporated therein or attached thereto, and all amendments and supplements thereto that may be authorized for use with respect to the Bonds are collectively referred to herein as the “Limited Offering Memorandum.” Until the Limited Offering Memorandum has been prepared and is available for distribution, the Town shall provide to the Underwriter sufficient quantities (which may be in electronic format) of the Preliminary Limited Offering Memorandum as the Underwriter reasonably deems necessary to satisfy the obligation of the Underwriter under Rule 15c2-12 with respect to distribution to each potential customer, upon request, of a copy of the Preliminary Limited Offering Memorandum.

(b) Preliminary Limited Offering Memorandum Deemed Final. The Preliminary Limited Offering Memorandum has been prepared for use by the Underwriter in connection with the offering, sale, and distribution of the Bonds. The Town hereby represents and warrants that the Preliminary Limited Offering Memorandum has been deemed “final” by the Town as of its date, except for the omission of such information which is dependent upon the final pricing of the Bonds for completion, all as permitted to be excluded by Section (b)(1) of Rule 15c2-12.

(c) Use of Limited Offering Memorandum in Offering and Sale. The Town hereby authorizes the Limited Offering Memorandum and the information therein contained to be used by the Underwriter in connection with the offering and the sale of the Bonds. The Town consents to the use by the Underwriter prior to the date hereof of the Preliminary Limited Offering Memorandum in connection with the offering of the Bonds. The Town shall provide, or cause to be provided, to the Underwriter as soon as practicable after the date of the Town's acceptance of this Agreement (but, in any event, not later than the earlier of the Closing Date or seven (7) business days after the Town's acceptance of this Agreement) copies of the Limited Offering Memorandum which is complete as of the date of its delivery to the Underwriter. The Town shall provide the Limited Offering Memorandum, or cause the Limited Offering Memorandum to be provided, (i) in a "designated electronic format" consistent with the requirements of Rule G-32 and (ii) in a printed format in such quantity as the Underwriter shall reasonably request in order for the Underwriter to comply with Section (b)(4) of Rule 15c2-12 and the rules of the MSRB.

(d) Updating of Limited Offering Memorandum. If, after the date of this Agreement, up to and including the date the Underwriter is no longer required to provide a Limited Offering Memorandum to potential customers who request the same pursuant to Rule 15c2-12 (the earlier of (i) ninety (90) days from the "end of the underwriting period" (as defined in Rule 15c2-12) and (ii) the time when the Limited Offering Memorandum is available to any person from the MSRB, but in no case less than the 25th day after the "end of the underwriting period" for the Bonds), the Town becomes aware of any fact or event which might or would cause the Limited Offering Memorandum, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, or if it is necessary to amend or supplement the Limited Offering Memorandum to comply with law, the Town will notify the Underwriter (and for the purposes of this clause provide the Underwriter with such information as it may from time to time request), and if, in the reasonable judgment of the Underwriter, such fact or event requires preparation and publication of a supplement or amendment to the Limited Offering Memorandum, the Town will forthwith prepare and furnish, at no expense to the Underwriter (in a form and manner approved by the Underwriter), either an amendment or a supplement to the Limited Offering Memorandum so that the statements therein as so amended and supplemented will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading or so that the Limited Offering Memorandum will comply with law; provided, however, that for all purposes of this Agreement and any certificate delivered by the Town in accordance herewith, (i) the Town makes no representations with respect to the descriptions in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum of The Depository Trust Company, New York, New York ("DTC"), or its book-entry-only system, and (ii) the Town makes no representation with respect to the information in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum under the captions and subcaptions "PLAN OF FINANCE—Development Plan, Status of Development and Plan of Finance," "BOOK-ENTRY ONLY SYSTEM," "THE FUTURE IMPROVEMENT AREA PROJECTS," "OVERLAPPING TAXES AND DEBT – Homeowner's Association," "THE

DEVELOPMENT,” “THE DEVELOPER,” “BONDHOLDERS' RISKS” (only as it pertains to the Developer, the Future Improvement Area Projects and the Development), “THE ADMINISTRATOR,” “LEGAL MATTERS — Litigation — The Developer,” “CONTINUING DISCLOSURE – The Developer,” “CONTINUING DISCLOSURE – The Developer’s Compliance with Prior Undertakings,” “UNDERWRITING,” and “INFORMATION RELATING TO THE TRUSTEE” (collectively, the “Non-Town Disclosures”). If such notification shall be subsequent to the Closing Date, the Town, at no expense to the Underwriter, shall furnish such legal opinions, certificates, instruments, and other documents as the Underwriter may reasonably deem necessary to evidence the truth and accuracy of such supplement or amendment to the Limited Offering Memorandum. The Town shall provide any such amendment or supplement, or cause any such amendment or supplement to be provided, (i) in a “designated electronic format” consistent with the requirements of Rule G-32 and (ii) in a printed format in such quantity as the Underwriter shall reasonably request in order for the Underwriter to comply with Section (b)(4) of Rule 15c2-12 and the rules of the MSRB.

(e) Filing with MSRB. The Underwriter hereby agrees to timely file the Limited Offering Memorandum with the MSRB through its Electronic Municipal Market Access (“EMMA”) system within one business day after receipt but no later than the Closing Date. Unless otherwise notified in writing by the Underwriter, the Town can assume that the “end of the underwriting period” for purposes of Rule 15c2-12 is the Closing Date.

(f) Limited Offering. The Underwriter hereby represents, warrants and covenants that the Bonds were initially sold pursuant to a limited offering. The Bonds were sold to not more than thirty-five persons that qualify as “Accredited Investors” (as defined in Rule 501 of Regulation D under the Securities Act (as defined herein)) or “Qualified Institutional Buyers” (within the meaning of Rule 144A under the Securities Act).

5. Town Representations, Warranties and Covenants. The Town represents, warrants and covenants that:

(a) Due Organization, Existence and Authority. The Town is a political subdivision of the State of Texas (the “State”), and has, and at the Closing Date will have, full legal right, power and authority:

(i) to enter into:

(1) this Agreement;

(2) the Indenture;

(3) the “Spiritas Ranch Development Agreement,” which was entered into by and between the Town and the Developer dated February 2, 2021 as amended by that First Amendment to Spiritas Ranch Development Agreement dated April 5, 2022 and that Second Amendment to Spiritas Ranch Development Agreement dated July 18, 2023 (as amended, the “Development Agreement”);

(4) the “Spiritas Ranch Public Improvement District Future Improvement Area Projects Construction, Funding, and Acquisition Agreement” between the Developer and the Town dated as of June 18, 2024 (the “CFA Agreement”),

(5) the “Continuing Disclosure Agreement of the Issuer” with respect to the Bonds, dated as of July 1, 2024 (the “Town Continuing Disclosure Agreement”), executed and delivered by the Town, MuniCap, Inc., as Administrator and MuniCap, Inc., as Dissemination Agent; and

(6) the “Spiritas Ranch Public Improvement District Landowner Agreement” effective as of June 18, 2024 executed by the Town and the Developer (the “Landowner Agreement”);

(ii) to issue, sell, and deliver the Bonds to the Underwriter as provided herein; and

(iii) to carry out and consummate the transactions on its part described in (1) the Authorizing Documents, (2) this Agreement, (3) the Development Agreement, (4) the CFA Agreement, (5) the Town Continuing Disclosure Agreement, (6) the Landowner Agreement, (7) the Limited Offering Memorandum, and (8) any other documents and certificates described in any of the foregoing (the documents described by subclauses (1) through (7) being referred to collectively herein as the “Town Documents”).

(b) Due Authorization and Approval of Town. By all necessary official action of the Town, the Town has duly authorized and approved the adoption or execution and delivery by the Town of, and the performance by the Town of the obligations on its part contained in, the Town Documents and, as of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded, except as may have been approved by the Underwriter. When validly executed and delivered by the other parties thereto, the Town Documents will constitute the legally valid and binding obligations of the Town enforceable upon the Town in accordance with their respective terms, except insofar as enforcement may be limited by principles of governmental immunity, bankruptcy, insolvency, reorganization, moratorium, or similar laws or equitable principles relating to or affecting creditors’ rights generally. The Town has complied, and will at the Closing (as defined herein) be in compliance, in all material respects, with the obligations on its part to be performed on or prior to the Closing Date under the Town Documents.

(c) Due Authorization for Issuance of the Bonds. The Town has duly authorized the issuance and sale of the Bonds pursuant to the Bond Ordinance, the Indenture, and the Act. The Town has, and at the Closing Date will have, full legal right, power and authority (i) to enter into, execute, deliver, and perform its obligations under this Agreement and the other Town Documents, (ii) to issue, sell and, deliver the Bonds to the Underwriter pursuant to the Indenture, the Bond Ordinance, the Act, and as provided

herein, and (iii) to carry out, give effect to and consummate the transactions on the part of the Town described by the Town Documents and the Bond Ordinance.

(d) No Breach or Default. As of the time of acceptance hereof, and to its knowledge, the Town is not, and as of the Closing Date the Town will not be, in breach of or in default in any material respect under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument related to the Bonds and to which the Town is a party or is otherwise subject, and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a default or event of default under any such instrument which breach, default or event could have a material adverse effect on the Town's ability to perform its obligations under the Bonds or the Town Documents; and, as of such times, the authorization, execution and delivery of the Bonds and the Town Documents and compliance by the Town with obligations on its part to be performed in each of such agreements or instruments does not and will not conflict with or constitute a breach of or default under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment, decree, license, permit, trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the Town (or any of its officers in their respective capacities as such) is subject, or by which it or any of its properties are bound, nor will any such authorization, execution, delivery or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of its assets or properties or under the terms of any such law, regulation or instrument, except as may be permitted by the Town Documents.

(e) No Litigation. At the time of acceptance hereof there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body (collectively and individually, an "Action") pending against the Town with respect to which the Town has been served with process, nor to the knowledge of the Town is any Action threatened against the Town, in which any such Action (i) in any way questions the existence of the Town or the rights of the members of the Town Council to hold their respective positions, (ii) in any way questions the formation or existence of the District, (iii) affects, contests or seeks to prohibit, restrain or enjoin the issuance or delivery of any of the Bonds, or the payment or collection of any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, or in any way contests or affects the validity of the Town Documents or the consummation of the transactions on the part of the Town described therein, or contests the exclusion of the interest on the Bonds from federal income taxation, or (iv) which may result in any material adverse change in the financial condition of the Town; and, as of the time of acceptance hereof, to the Town's knowledge, there is no basis for any action, suit, proceeding, inquiry, or investigation of the nature described in clauses (i) through (iv) of this sentence.

(f) Bonds Issued Pursuant to Indenture. The Town represents that the Bonds, when issued, executed, and delivered in accordance with the Indenture and sold to the Underwriter as provided herein, will be validly issued and outstanding obligations of the Town subject to the terms of the Indenture, entitled to the benefits of the Indenture and the

security of the pledge of the proceeds of the levy of the Assessments received by the Town, all to the extent provided for in the Indenture. The Indenture creates a valid pledge of the monies in certain funds and accounts established pursuant to the Indenture to the extent provided for in the Indenture, including the investments thereof, subject in all cases to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth therein.

(g) Assessments. The Assessments constituting the security for the Bonds have been levied by the Town in accordance with the Act on those parcels of land identified in the Assessment Roll (as defined in the Service and Assessment Plan). According to the Act, such Assessments constitute a valid and legally binding first and prior lien against the properties assessed, superior to all other liens and claims, except liens or claims for State, county, school district, or municipality ad valorem taxes.

(h) Consents and Approvals. All authorizations, approvals, licenses, permits, consents, elections, and orders of or filings with any governmental authority, legislative body, board, agency, or commission having jurisdiction in the matters which are required by the Closing Date for the due authorization of, which would constitute a condition precedent to or the absence of which would adversely affect the due performance by the Town of, its obligations in connection with the Town Documents have been duly obtained or made and are in full force and effect, except the approval of the Bonds by the Attorney General of the State, registration of the Bonds by the Comptroller of Public Accounts of the State, and the approvals, consents and orders as may be required under Blue Sky or securities laws of any jurisdiction.

(i) Public Debt. Prior to the Closing, the Town will not offer or issue any bonds, notes or other obligations for borrowed money or incur any material liabilities, direct or contingent, payable from or secured by a pledge of the Assessments which secure the Bonds without the prior approval of the Underwriter.

(j) Preliminary Limited Offering Memorandum. The information contained in the Preliminary Limited Offering Memorandum is true and correct in all material respects, and such information does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the Town makes no representations with respect to the Non-Town Disclosures.

(k) Limited Offering Memorandum. At the time of the Town's acceptance hereof and (unless the Limited Offering Memorandum is amended or supplemented pursuant to paragraph (d) of Section 4 of this Agreement) at all times subsequent thereto during the period up to and including the 25th day subsequent to the "end of the underwriting period," the information contained in the Limited Offering Memorandum does not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; provided, however, that the Town makes no representations with respect to the Non-Town

Disclosures and further provided, however, that if the Town notifies the Underwriter of any fact or event as required by Section 4(d) hereof, and the Underwriter determines that such fact or event does not require preparation and publication of a supplement or amendment to the Limited Offering Memorandum, then the Limited Offering Memorandum in its then-current form shall be conclusively deemed to be complete and correct in all material respects.

(l) Supplements or Amendments to Limited Offering Memorandum. If the Limited Offering Memorandum is supplemented or amended pursuant to paragraph (d) of Section 4 of this Agreement, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto during the period up to and including the 25th day subsequent to the “end of the underwriting period,” the Limited Offering Memorandum as so supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; provided, however, that if the Town notifies the Underwriter of any fact or event as required by Section 4(d) hereof, and the Underwriter determines that such fact or event does not require preparation and publication of a supplement or amendment to the Limited Offering Memorandum, then the Limited Offering Memorandum in its then-current form shall be conclusively deemed to be complete and correct in all material respects.

(n) Use of Bond Proceeds. The Town will apply, or cause to be applied, the proceeds from the sale of the Bonds as provided in and subject to all of the terms and provisions of the Indenture and will not take or omit to take any action which action or omission will adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds.

(o) Blue Sky and Securities Laws and Regulations. The Town will furnish such information and execute such instruments and take such action in cooperation with the Underwriter as the Underwriter may reasonably request, at no expense to the Town, (i) to (y) qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions in the United States as the Underwriter may designate and (z) determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions and (ii) to continue such qualifications in effect so long as required for the initial distribution of the Bonds by the Underwriter (provided, however, that the Town will not be required to qualify as a foreign corporation or to file any general or special consents to service of process under the laws of any jurisdiction) and will advise the Underwriter immediately of receipt by the Town of any notification with respect to the suspension of the qualification of the Bonds for sale in any jurisdiction or the initiation or threat of any proceeding for that purpose.

(p) Certificates of the Town. Any certificate signed by any official of the Town authorized to do so in connection with the transactions described in this Agreement shall be deemed a representation and warranty by the Town to the Underwriter as to the statements made therein and can be relied upon by the Underwriter as to the statements made therein.

(q) Intentional Actions Regarding Representations and Warranties. The Town covenants that between the date hereof and the Closing it will not intentionally take actions which will cause the representations and warranties made in this Section to be untrue as of the Closing.

(r) Financial Advisor. The Town has engaged SAMCO Capital Markets, Inc. as its financial advisor in connection with its offering and issuance of the Bonds.

By delivering the Limited Offering Memorandum to the Underwriter, the Town shall be deemed to have reaffirmed, with respect to the Limited Offering Memorandum, the representations, warranties and covenants set forth above.

The Underwriter has entered into this Agreement in reliance upon the representations and covenants herein and the performance by the Town of its obligations under this Agreement, both as of the date hereof and as of the Closing Date. (a) Bring-Down Representations of the Town. The representations and covenants of the Town contained in this Agreement shall be true and correct in all material respects as of the date hereof and at the time of the Closing, as if made on the Closing Date.

(d) Closing Documents. At or prior to the Closing, the Underwriter or Underwriter’s Counsel shall have received each of the documents required under Section 9 below.

(e) Termination Events. The Underwriter shall have the right to cancel its obligation to purchase the Bonds and to terminate this Agreement without liability therefor by written notification to the Town if, between the date of this Agreement and the Closing, in the Underwriter’s sole and reasonable judgment, the market price or marketability of the Bonds, or the ability of the Underwriter to enforce contracts for the sale of the Bonds, shall be materially adversely affected by the occurrence of any of the following:

(i) legislation shall have been introduced in or enacted by the Congress of the United States or adopted by either House thereof, or legislation pending in the Congress of the United States shall have been amended, or legislation shall have been recommended to the Congress of the United States or otherwise endorsed for passage (by press release, other form of notice, or otherwise) by the President of the United States, the Treasury Department of the United States, or the Internal Revenue

Service or legislation shall have been proposed for consideration by either the U.S. Senate Committee on Finance or the U.S. House of Representatives Committee on Ways and Means or legislation shall have been favorably reported for passage to either House of the Congress of the United States by a Committee of such House to which such legislation has been referred for consideration, or a decision by a court of the United States or the Tax Court of the United States shall be rendered or a ruling, regulation, or order (final, temporary, or proposed) by or on behalf of the Treasury Department of the United States, the Internal Revenue Service, or other federal agency shall be made, which would result in federal taxation of revenues or other income of the general character expected to be derived by the Town or upon interest on securities of the general character of the Bonds or which would have the effect of changing, directly or indirectly, the federal income tax consequences of receipt of interest on securities of the general character of the Bonds in the hands of the holders thereof, and which in either case, makes it, in the reasonable judgment of the Underwriter, impracticable or inadvisable to proceed with the sale and delivery of the Bonds on the terms and in the manner described in the Limited Offering Memorandum; or

(ii) legislation shall be enacted by the Congress of the United States, or a decision by a court of the United States shall be rendered, or a stop order, ruling, regulation or no action letter by, or on behalf of, the Securities and Exchange Commission (“SEC”) or any other governmental agency having jurisdiction of the subject matter shall be issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, including all underlying obligations, as described herein or by the Limited Offering Memorandum, is in violation or would be in violation of, or that obligations of the general character of the Bonds, or the Bonds, are not exempt from registration under, any provision of the federal securities laws, including the Securities Act, or that the Indenture needs to be qualified under the Trust Indenture Act of 1939, as amended and as then in effect (the “Trust Indenture Act”); or

(iii) a general suspension of trading in securities on the New York Stock Exchange, the establishment of minimum prices on such exchange, the establishment of material restrictions (not in force as of the date hereof) upon trading securities generally by any governmental authority or any national securities exchange, a general banking moratorium declared by federal, State of New York, or State officials authorized to do so; or

(iv) there shall have occurred any outbreak of hostilities (including, without limitation, an act of terrorism) or other national or international calamity or crisis, including, but not limited to, an escalation of hostilities that existed prior to the date hereof, and the effect of any such event on the financial markets of the United States shall be such as would make it impracticable, in the reasonable judgment of the Underwriter, for it to sell the Bonds on the terms and in the manner contemplated by the Limited Offering Memorandum; or

(v) there shall have occurred since the date of this Agreement any materially adverse change in the affairs or financial condition of the Town, except as disclosed in or contemplated by the Limited Offering Memorandum; or

(vi) any state blue sky or securities commission or other governmental agency or body in any state in which more than 10% of the Bonds have been offered and sold shall have withheld registration, exemption or clearance of the offering of the Bonds as described herein, or issued a stop order or similar ruling relating thereto; or

(vii) any amendment to the federal or state Constitution or action by any federal or state court, legislative body, regulatory body, or other authority materially adversely affecting the tax status of the Town, its property, income, securities (or interest thereon), or the validity or enforceability of the Assessments to pay principal of and interest on the Bonds; or

(viii) the New York Stock Exchange or other national securities exchange or any governmental authority shall impose, as to the Bonds or as to obligations of the general character of the Bonds, any material restrictions not now in force, or increase materially those now in force, with respect to the extension of credit by, or the charge to the net capital requirements of, the Underwriter; or

(ix) any event occurring, or information becoming known which, in the reasonable judgment of the Underwriter, makes untrue in any material respect any statement or information contained in the Limited Offering Memorandum, or has the effect that the Limited Offering Memorandum contains any untrue statement of material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, which change shall occur subsequent to the date of this Agreement and shall not be due to the malfeasance, misfeasance or nonfeasance of the Underwriter; or

(x) any fact or event shall exist or have existed that, in the Underwriter's reasonable judgment, requires or has required an amendment of or supplement to Limited Offering Memorandum; or

(xi) a general banking moratorium shall have been declared by federal or State authorities having jurisdiction and be in force; or

(xii) a material disruption in securities settlement, payment or clearance services shall have occurred; or

(xiii) a decision by a court of the United States shall be rendered, or a stop order, release, regulation or no-action letter by or on behalf of the SEC or any other governmental agency having jurisdiction of the subject matter shall have been issued or made, to the effect that the issuance, offering or sale of the Bonds, including the underlying obligations as contemplated by this Agreement or by the Limited Offering Memorandum, or any document relating to the issuance, offering or sale of

the Bonds, is or would be in violation of any provision of the federal securities laws on the date of Closing, including the Securities Act, the Securities Exchange Act of 1934 (the “Securities Exchange Act”) and the Trust Indenture Act; or

(xiv) the purchase of and payment for the Bonds by the Underwriter, or the resale of the Bonds by the Underwriter, on the terms and conditions herein provided shall be prohibited by any applicable law, governmental authority, board, agency or commission, which prohibition shall occur subsequent to the date hereof and shall not be due to the malfeasance, misfeasance, or nonfeasance of the Underwriter.

With respect to the conditions described in subparagraphs (viii), (xiii) and (xiv) above, the Underwriter is not aware of any current, pending or proposed law or government inquiry or investigation as of the date of execution of this Agreement which would permit the Underwriter to invoke its termination rights hereunder.

9. Closing Documents. At or prior to the Closing, the Underwriter’s Counsel shall receive the following documents:

(a) Bond Opinion. The approving opinion of Bond Counsel, dated the Closing Date and substantially in the form included as Appendix C to the Limited Offering Memorandum, together with a reliance letter from Bond Counsel, dated the date of the Closing and addressed to the Underwriter, which may be included in the supplemental opinion required by Section 9(b), to the effect that the foregoing opinion may be relied upon by the Underwriter to the same extent as if such opinion were addressed to it.

(ii) The Bonds are not subject to the registration requirements of the Securities Act, and the Indenture is exempt from qualification pursuant to the Trust Indenture Act;

(iii) The Town has full power and authority to adopt the Creation Resolution, the Assessment Ordinance, and the Bond Ordinance (collectively, the foregoing documents are referred to herein as the “Town Actions”) and perform its obligations thereunder and the Town Actions have been duly adopted, are in full force and effect and have not been modified, amended or rescinded; and

(iv) The Indenture, the Development Agreement, the CFA Agreement, the Landowner Agreement, the Town Continuing Disclosure Agreement and the Bond Purchase Agreement have been duly authorized, executed and delivered by the Town and, assuming the due authorization, execution and delivery of such instruments, documents, and agreements by the other parties thereto, constitute the legal, valid, and binding agreements of the Town, enforceable in accordance with their respective terms, except as enforcement thereof may be limited by bankruptcy, insolvency, or other laws affecting enforcement of creditors’ rights, or by the application of equitable principles if equitable remedies are sought and to the application of Texas law relating to governmental immunity applicable to local governmental entities.

(ii) the Authorizing Documents and Town Documents are in full force and effect and have not been amended, modified, or supplemented;

(iii) except as disclosed in the Limited Offering Memorandum, no litigation or proceeding against the Town is pending or, to the knowledge of such

person, threatened in any court or administrative body nor is there a basis for litigation which would (a) contest the right of the members or officials of the Town to hold and exercise their respective positions, (b) contest the due organization and valid existence of the Town or the establishment of the District, (c) contest the validity, due authorization and execution of the Bonds or the Town Documents, or (d) attempt to limit, enjoin or otherwise restrict or prevent the Town from levying and collecting the Assessments pledged to pay the principal of and interest on the Bonds, or the pledge thereof; and

(iv) the Town has, to such person's knowledge, complied with all agreements and covenants and satisfied all conditions set forth in the Town Documents, on its part to be complied with or satisfied hereunder at or prior to the Closing.

(ii) based on (A) such counsel's review of Rule 15c2-12 and interpretive guidance published by the SEC relating thereto; (B) its review of the continuing disclosure undertaking of the Town contained in the Town Continuing Disclosure Agreement; and (C) the inclusion in the Limited Offering Memorandum of a

description of the specifics of such undertaking, and assuming that the Bond Ordinance, the Indenture, and the Town Continuing Disclosure Agreement have been duly adopted by the Town and are in full force and effect, such undertaking provides a suitable basis for the Underwriter, to make a reasonable determination that the Town has met the qualifications of paragraph (b)(5)(i) of Rule 15c2-12; and

(iii) although such counsel has not verified and is not passing upon, and does not assume any responsibility for, the accuracy, completeness or fairness of the information contained in the Limited Offering Memorandum, it has participated in the preparation of the Limited Offering Memorandum and without independent verification, no facts came to its attention that caused it to believe that the Limited Offering Memorandum (except for the Appendices as well as any other financial, engineering and statistical data contained therein or included therein by reference or any litigation disclosed therein, as to which it expresses no view) as of its date contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(m) Attorney General Opinion and Comptroller Registration. The approving opinion of the Attorney General of the State regarding the Bonds and the Comptroller of the State's Certificate of Registration for the Initial Bond.

(t) BLOR. A copy of the Blanket Letter of Representation to DTC relating to the Bonds and signed by the Town.

(u) Additional Documents. Such additional legal opinions, certificates, instruments, and other documents as the Underwriter or their counsel may reasonably deem necessary.

11. Establishment of Issue Price.

(a) The Underwriter agrees to assist the Town in establishing the issue price of the Bonds and shall execute and deliver to the Town on or before Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Appendix B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the Town and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds. All actions

to be taken by the Town under this Section to establish the issue price of the Bonds may be taken on behalf of the Town by the Town's Financial Advisor identified herein and any notice or report to be provided to the Town may be provided to the Town's Financial Advisor or Bond Counsel.

(b) The Underwriter confirms that it has offered all the Bonds of each maturity to the public on or before the date of this Agreement at the respective offering price (the "initial offering price"), or at the corresponding yield or yields, set forth in Schedule I attached hereto, except as otherwise set forth therein. At or promptly after the execution of this Agreement, the Underwriter shall report to the Town as of the sale date the first price at which the Underwriter has sold to the public at least 10% of each maturity of Bonds (the "10% test"), and shall identify to the Town as of the sale date those maturities of the Bonds for which the 10% test has not been satisfied. If different interest coupons apply within a maturity, each separate CUSIP number within that maturity will be treated as a separate maturity for this purpose.

(c) The Town and the Underwriter agree that the restrictions set forth in the next sentence shall apply to those maturities of the Bonds for which the 10% test has not been met as of the sale date, which will allow the Town to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the Town when the Underwriter has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if such sale occurs prior to the close of the fifth (5th) business day after the sale date.

(d) The Underwriter confirms that any selling group agreement and each third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable, to (A) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter and as set forth in the related pricing wires, (B) promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public, and (C) acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order

submitted by the dealer or broker-dealer is a sale to the public. The Town acknowledges that, in making the representation set forth in this subsection, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires and (ii) in the event that the Underwriter is a party to a third-party distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The Town further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds.

(e) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this Section. Further, for purposes of this Section:

(i) “public” means any person other than an underwriter or a related party,

(ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the Town (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),

(iii) a purchaser of any of the Bonds is a “related party to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) “sale date” means the date of execution of this Agreement by all parties.

12. Consequences of Termination. If the Town shall be unable to satisfy the conditions contained in this Agreement or if the obligations of the Underwriter shall be terminated for any reason permitted by this Agreement, this Agreement shall terminate and the Underwriter and the Town shall have no further obligation hereunder, except as further set forth in Sections 13, 15, 16, 21, and 23 hereof.

13. Costs and Expenses.

(a) The Underwriter shall be under no obligation to pay, and the Town shall cause to be paid from proceeds of the Bonds the following expenses incident to the issuance of the Bonds and performance of the Town’s obligations hereunder: (i) the costs of the preparation and printing of the Bonds; (ii) the cost of preparation, printing, and mailing of the final Limited Offering Memorandum and any supplements and amendments thereto; (iii) the fees and disbursements of the Town’s financial advisor and legal counsel, the Trustee’s counsel, Bond Counsel, Developers’ Counsel, the Trustee, the Underwriter, and Underwriter’s Counsel relating to the issuance of the Bonds, (iv) the Attorney General’s review fees, (v) the fees and disbursements of accountants, advisers and any other experts or consultants retained by the Town or the Developer, including but not limited to the fees and expenses of the Administrator, and (vi) the expenses incurred by or on behalf of Town employees and representatives that are incidental to the issuance of the Bonds and the performance by the Town of its obligations under this Agreement.

(b) The Underwriter shall pay the following expenses: (i) all advertising expenses in connection with the Bonds and (ii) all other expenses, including CUSIP fees (including out-of-pocket expenses and related regulatory expenses), incurred by it in connection with its offering and distribution of the Bonds, except as noted in Subsection 13(a) above.

(c) The Town agrees that the Underwriter will pay from the Underwriter’s expense allocation of the underwriting discount the applicable per bond assessment charged by the Municipal Advisory Council of Texas, a nonprofit corporation whose purpose is to collect, maintain, and distribute information relating to issuing entities of municipal securities.

14. Notice. Any notice or other communication to be given to the Town under this Agreement may be given by delivering the same in writing to: Town of Little Elm, Texas, 100 W. Eldorado Parkway, Little Elm, Texas 75068, Attention: Town Manager. Any notice or other communication to be given to the Underwriter under this Agreement may be given by delivering the same in writing to: FMSbonds, Inc., 5 Cowboys Way, Suite 300-25, Frisco, Texas 75034, Attention: Tripp Davenport, Director.

15. Entire Agreement. This Agreement is made solely for the benefit of the Town and the Underwriter (including their respective successors and assigns), and no other person shall acquire or have any right hereunder or by virtue hereof. All of the Town’s representations,

warranties, and agreements contained in this Agreement shall remain operative and in full force and effect regardless of: (i) any investigations made by or on behalf of the Underwriter, provided the Town shall have no liability with respect to any matter of which the Underwriter has actual knowledge prior to the purchase of the Bonds; or (ii) delivery of any payment for the Bonds pursuant to this Agreement. The agreements contained in this Section and in Sections 16 and 18 shall survive any termination of this Agreement.

16. Survival of Representations and Warranties. All representations and warranties of the parties made in, pursuant to or in connection with this Agreement shall survive the execution and delivery of this Agreement, notwithstanding any investigation by the parties. All statements contained in any certificate, instrument, or other writing delivered by a party to this Agreement or in connection with the transactions described in by this Agreement constitute representations and warranties by such party under this Agreement to the extent such statement is set forth as a representation and warranty in the instrument in question.

17. Counterparts. This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. The City and the Underwriter agree that electronic signatures to this Agreement may be regarded as original signatures.

18. Severability. In case any one or more of the provisions contained herein shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision hereof.

19. State Law Governs. The validity, interpretation, and performance of this Agreement shall be governed by the laws of the State of Texas.

20. No Assignment. The rights and obligations created by this Agreement shall not be subject to assignment by the Underwriter or the Town without the prior written consent of the other parties hereto.

21. No Personal Liability. None of the members of the Town Council, nor any officer, representative, agent, or employee of the Town, shall be charged personally by the Underwriter with any liability, or be held liable to the Underwriter under any term or provision of this Agreement, or because of execution or attempted execution, or because of any breach or attempted or alleged breach of this Agreement.

22. Form 1295. Submitted herewith or on a date prior hereto is a completed Form 1295 in connection with the Underwriter's participation in the execution of this Agreement generated by the Texas Ethics Commission's (the "TEC") electronic filing application in accordance with the provisions of Section 2252.908 of the Texas Government Code and the rules promulgated by the TEC (the "Form 1295"). The Town hereby confirms receipt of the Form 1295 from the Underwriter. The Underwriter and the Town understand and agree that, with the exception of information identifying the Town and the contract identification number, neither the Town nor its consultants are responsible for the information contained in the Form 1295; that the information

contained in the Form 1295 has been provided solely by the Underwriter; and, neither the Town nor its consultants have verified such information.

23. Statutory Verifications. The Underwriter makes the following representations and covenants pursuant to Chapters 2252, 2271, 2274, and 2276, Texas Government Code, as heretofore amended (the “Government Code”), in entering into this Agreement. As used in such verifications, “affiliate” means an entity that controls, is controlled by, or is under common control with the Underwriter within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit. Liability for breach of any such verification prior to the expiration or earlier termination of this Agreement shall survive until barred by the applicable statute of limitations, and shall not be liquidated or otherwise limited by any provision of this Agreement, notwithstanding anything in this Agreement to the contrary.

(a) Not a Sanctioned Company. The Underwriter represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Government Code. The foregoing representation excludes the Underwriter and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

(b) No Boycott of Israel. The Underwriter hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and will not boycott Israel during the term of this Agreement. As used in the foregoing verification, “boycott Israel” has the meaning provided in Section 2271.001, Government Code.

(c) No Discrimination Against Firearm Entities. The Underwriter hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association during the term of this Agreement. As used in the foregoing verification, “discriminate against a firearm entity or firearm trade association” has the meaning provided in Section 2274.001(3), Government Code.

(d) No Boycott of Energy Companies. The Underwriter hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and will not boycott energy companies during the term of this Agreement. As used in the foregoing verification, “boycott energy companies” has the meaning provided in Section 2276.001(1), Government Code.

24. Term of this Agreement. Except for the representations and warranties designated as surviving the term of the Agreement, the term of this Agreement shall end on the 25th day after the end of the underwriting period.

25. Attorney General Standing Letter. The Underwriter represents that it has, or will have prior to the date of Closing, on file with the Texas Attorney General a standing letter addressing the representation and verifications contained in Section 21 of this Agreement in a form accepted by the Texas Attorney General. In addition, if the Underwriter or the parent company, a wholly- or majority-owned subsidiary or another affiliate of such Underwriter receives or has received a letter from the Texas Comptroller of Public Accounts pursuant to Chapter 809, Texas Government Code seeking written verification that it does not boycott energy companies (a “Comptroller Request Letter”), such Underwriter shall promptly notify the City and Bond Counsel (if it has not already done so) and provide to the City or Bond Counsel, two business days prior to Closing and additionally upon request by the City or Bond Counsel, written verification to the effect that its standing letter described in the preceding sentence remains in effect and may be relied upon by the City and the Texas Attorney General (the “Bringdown Verification”). The Bringdown Verification shall also confirm that such Underwriter (or the parent company, a wholly- or majority-owned subsidiary or other affiliate of the Underwriter that received the Comptroller Request Letter) intends to timely respond or has timely responded to the Comptroller Request Letter. Town of Little Elm, Texas
100 W. Eldorado Parkway
Little Elm, Texas 75068

FMSbonds, Inc.
5 Cowboys Way, Suite 300-25
Frisco, Texas 75034

Ladies and Gentlemen:

This letter is being delivered to the Town of Little Elm, Texas (the “Town”) and FMSbonds, Inc. (the “Underwriter”), in consideration for your entering into the Bond Purchase Agreement dated the date hereof (the “Bond Purchase Agreement”) for the sale and purchase of the \$[PAR AMOUNT] “Town of Little Elm, Texas, Special Assessment Revenue Bonds, Series 2024 (Spiritas Ranch Public Improvement District Future Improvement Area Projects)” (the “Bonds”). Pursuant to the Bond Purchase Agreement, the Underwriter has agreed to purchase from the Town, and the Town has agreed to sell to the Underwriter, the Bonds. In order to induce the Town to enter into the Bond Purchase Agreement and as consideration for the execution, delivery, and sale of the Bonds by the Town and the purchase of them by the Underwriter, the undersigned, MM Little Elm 548, LLC, a Texas limited liability company (the “Developer”) makes the representations, warranties, and covenants contained in this Developer Letter of Representations. Unless the context clearly indicates otherwise, each capitalized term used in this Developer Letter of Representations will have the meaning set forth in the Bond Purchase Agreement.

1. Purchase and Sale of Bonds. Inasmuch as the purchase and sale of the Bonds represents a negotiated transaction, the Developer understands, and hereby confirms, that the Underwriter is not acting as a fiduciary of the Developer, but rather is acting solely in its capacity as Underwriter of the Bonds for its own account.

2. Updating of the Limited Offering Memorandum. If, after the date of this Developer Letter of Representations, up to and including the date the Underwriter is no longer required to provide a Limited Offering Memorandum to potential customers who request the same pursuant to Rule 15c2-12 (the earlier of (i) ninety (90) days from the “end of the underwriting period” (as defined in Rule 15c2-12) and (ii) the time when the Limited Offering Memorandum is available to any person from the MSRB, but in no case less than twenty-five (25) days after the “end of the underwriting period” for the Bonds), the Developer becomes aware of any fact or event which might or would cause the Limited Offering Memorandum, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, or if it is necessary to amend or supplement the Limited Offering Memorandum to comply with law, the Developer will notify the Underwriter (and for the purposes of this clause provide the Underwriter with such information as it may from time to time request); however, that for the purposes of this Developer Letter of Representations and any certificate delivered by the Developer in accordance with the Bond Purchase Agreement, the Developer makes no representations with respect to (i) the descriptions in the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum of The Depository Trust Company, New York, New York, or its book-entry-only system and (ii) the information in the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum under the captions “THE TOWN,” “THE DISTRICT,” “BONDHOLDERS’ RISKS” (except as it pertains to the Developer, the Future Improvement Area Projects and the Development, as defined in the Limited Offering Memorandum), “TAX MATTERS,” “LEGAL MATTERS — Litigation — The Town,” “CONTINUING DISCLOSURE — The Town,” “CONTINUING DISCLOSURE — The Town’s Compliance With Prior Undertakings,” and “INFORMATION RELATING TO THE TRUSTEE.”

3. Developer Documents. The Developer represents and warrants that it has executed or caused the execution of and delivered each of the below listed documents (individually, a “Developer Document” and collectively, the “Developer Documents”) in the capacity provided for in each such Developer Document, and each such Developer Document constitutes a valid and binding obligation of Developer, enforceable against the Developer in accordance with its terms:

- (a) this Developer Letter of Representations;
- (b) the Development Agreement;
- (c) the CFA Agreement;
- (d) the Landowner Agreement; and
- (e) the Continuing Disclosure Agreement of the Developer.

The Developer has complied in all material respects with all of the Developer’s agreements and covenants and satisfied all conditions required to be complied with or satisfied by the Developer under the Developer Documents on or prior to the date hereof.

4. Developer Representations, Warranties and Covenants. The Developer represents, warrants, and covenants to the Town and the Underwriter that:

(a) Due Organization and Existence. The Developer is duly formed and validly existing as a limited liability company under the laws of the State of Texas.

(b) Organizational Documents. The copies of the organizational documents of the Developer provided by the Developer (the “Developer Organizational Documents”) to the Town and the Underwriter are fully executed, true, correct, and complete copies of such documents and such documents have not been amended or supplemented and are in full force and effect as of the date hereof.

(c) Due Authorization and Approval. By all necessary action, the Developer has duly authorized and approved its execution and delivery of the Developer Documents and the performance by the Developer of its obligations contained in the Developer Documents as of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded.

(d) No Breach. The execution and delivery of the Developer Documents by the Developer does not violate any judgment, order, writ, injunction or decree binding on the Developer or any indenture, agreement, or other instrument to which the Developer is a party.

(e) No Litigation. Other than as described in the Preliminary Limited Offering Memorandum, there are no proceedings pending or threatened in writing before any court or administrative agency against the Developer that is either not covered by insurance or which singularly or collectively would have a material, adverse effect on the ability of Developer to perform its obligations under the Developer Documents in all material respects or that would reasonably be expected to prevent or prohibit the development of the Development in accordance with the description thereof in the Preliminary Limited Offering Memorandum.

(f) Information. The information prepared and submitted by the Developer to the Town or the Underwriter in connection with the preparation of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum was, and is, as of this date, true and correct in all material respects.

(g) Preliminary Limited Offering Memorandum. The Developer represents and warrants that the information set forth in the Preliminary Limited Offering Memorandum under the captions “PLAN OF FINANCE — Development Plan, Status of Development and Plan of Finance,” “THE FUTURE IMPROVEMENT AREA PROJECTS,” “OVERLAPPING TAXES AND DEBT — Homeowner’s Association,” “THE DEVELOPMENT,” “THE DEVELOPMENT AGREEMENT,” “THE DEVELOPER,” “CONTINUING DISCLOSURE – The Developer” and “CONTINUING DISCLOSURE – The Developer’s Compliance With Prior Undertakings” and, to the best of the Developer’s knowledge after due inquiry, under the captions “BONDHOLDERS’ RISKS” (only as it pertains to the Developer, the Future Improvement Area Projects and the Development, as defined in the Limited Offering Memorandum), “LEGAL MATTERS — Litigation — The Developer,” “SOURCES OF INFORMATION” (only as it pertains to the Developer), “APPENDIX D-2” and “APPENDIX F” (collectively, the “Developer

Disclosures”) is true and correct and does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. The Developer agrees to provide a certificate dated the Closing Date affirming, as of such date, the representations contained in this subsection (g) with respect to the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum.

(h) Agreement. The Developer covenants that, while the Bonds are outstanding, the Developer will not bring any action, suit proceeding, inquiry or investigation at law or in equity, before any court, regulatory agency, public board or body which in any way seeks to challenge or overturn the District, the validity of the Developer Documents, the levy or collection of the Assessments or the validity of the Bonds or the proceedings relating to their issuance.

(i) Permits, Licenses, and Approvals. The Developer has obtained and there are currently in force and effect, or the Developer is not aware of any fact that will prevent the Developer from receiving at or prior to the Closing Date or by the date required or necessary therefor, all consents, permits, licenses, certificates and other approvals (governmental or otherwise) required of it that:

- a. are necessary to conduct the Developer’s business as it is currently being conducted;
- b. would constitute a condition precedent to, or the absence of which would materially adversely affect, the performance of its obligations under this Agreement, the Developer Documents and any other material agreement or instrument to which they are a party and which is to be used or contemplated for use in the consummation of the transactions described herein or by the Limited Offering Memorandum relating to the financing and construction of the Future Improvement Area Projects (as such term is defined in the Limited Offering Memorandum); or
- c. are necessary for the acquisition, construction and operation of the Future Improvement Area Projects.

(j) Events of Default. No “Event of Default” or “event of default” by the Developer under any of the Developer Documents, any documents to which Developer is a party described in the Preliminary Limited Offering Memorandum, or under any material documents relating to the financing and construction of the Future Improvement Area Projects to which the Developer is a party, or event that, with the passage of time or the giving of notice or both, would constitute such “Event of Default” or “event of default,” by the Developer has occurred and is continuing.

(k) Financing. Other than the Assessments, no debt will be issued nor will any additional liens be placed on the property within the Future Improvement Area of the District in order to complete the construction of the Future Improvement Area Projects unless such debt or additional liens are subordinate to the liens created by the levy of the

Assessments, and the Developer provides written notice of such subordination to the lender of such subordinate debt and the Town.

(l) Taxes and Assessments. All ad valorem taxes and assessments are current on the property owned by the Developer within the Future Improvement Area of the District.

(m) Intentional Actions Regarding Representations and Warranties. The Developer covenants that between the date hereof and the Closing it will not intentionally take actions which will cause the representations and warranties made in this Section or Section 3 to be untrue as of the Closing.

5. Indemnification.

(a) The Developer will indemnify and hold harmless the Town and the Underwriter and each of their officers, directors, employees and agents against any losses, claims, damages or liabilities to which any of them may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained or incorporated by reference in the Developer Disclosures in the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum or any amendment or supplement to the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum amending or supplementing the information set forth in the Developer Disclosures, or arise out of or are based upon the omission, untrue statement, or alleged untrue statement or omission to state therein a material fact necessary to make the statements under the aforementioned captions (as qualified above) not misleading under the circumstances under which they were made and will reimburse any indemnified party for any reasonable legal or other expenses reasonably incurred by them in connection with investigating or defending any such action or claim as such expenses are incurred.

(b) Promptly after receipt by an indemnified party under subsection (a) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve the indemnifying party from any liability which it may have to the indemnified party otherwise than under such subsection, unless such indemnifying party was prejudiced by such delay or lack of notice. In case any such action shall be brought against an indemnified party, it shall promptly notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense

thereof other than reasonable costs of investigation. The indemnifying party shall not be liable for any settlement of any such action effected without its consent, but if settled with the consent of the indemnifying party or if there is a final judgment for the plaintiff in any such action, the indemnifying party will indemnify and hold harmless any indemnified party from and against any loss or liability by reason of such settlement or judgment. The indemnity herein shall survive delivery of the Bonds and shall survive any investigation made by or on behalf of the Town, the Developer or the Underwriter.

6. Survival of Representations, Warranties and Covenants. All representations, warranties, and agreements in this Developer Letter of Representations will survive regardless of (a) any investigation or any statement in respect thereof made by or on behalf of the Underwriter, (b) delivery of any payment by the Underwriter for the Bonds hereunder, and (c) any termination of the Bond Purchase Agreement.

7. Binding on Successors and Assigns. This Developer Letter of Representations will be binding upon the Developer and its successors and assigns and inure solely to the benefit of the Underwriter and the Town, and no other person or firm or entity will acquire or have any right under or by virtue of this Developer Letter of Representations.

Ladies and Gentlemen:

I am the Town Attorney of the Town of Little Elm, Texas (the “Town”) and render this opinion in connection with the issuance and sale of \$[PAR AMOUNT] “Town of Little Elm, Texas, Special Assessment Revenue Bonds, Series 2024 (Spiritas Ranch Public Improvement District Future Improvement Area Projects)” (the “Bonds”), by the Town, a political subdivision of the State of Texas (the “State”).

The Bonds are authorized pursuant to Ordinance No. [] and enacted by the Town Council of the Town (the “Town Council”) on June 18, 2024 (the “Bond Ordinance”) and shall be issued pursuant to the provisions of Subchapter A of the Public Improvement District Assessment Act, Chapter 372, Texas Local Government Code, as amended (the “Act”) and the Indenture of Trust dated as of July 1, 2024 (the “Indenture”) by and between the Town and Wilmington Trust, National Association, as trustee (the “Trustee”). In connection with rendering this opinion, I have reviewed:

(a) Resolution No. _____ (the “Creation Resolution”), enacted by the Town Council on February 2, 2021;

(b) Ordinance No. [] approved by the Town Council on June 18, 2024, (the “Assessment Ordinance”) and the Service and Assessment Plan (the “Service and Assessment Plan”) attached as an exhibit thereto;

(c) The Bond Ordinance;

(d) The Indenture;

(e) The Bond Purchase Agreement;

(f) That Development Agreement;

(g) That certain Town Continuing Disclosure Agreement;

(h) That certain Landowner Agreement;

(i) That certain CFA Agreement;

(j) Such other documents, records, agreements or certificates as we have deemed necessary or appropriate to enable us to render the opinions expressed below.

The Creation Resolution, the Assessment Ordinance, the Indenture and the Bond Ordinance shall hereinafter be collectively referred to as the “Authorizing Documents” and the remaining documents shall hereinafter be collectively referred to as the “Town Documents.”

In all such examinations, I have assumed that all signatures on documents and instruments executed by the Town are genuine and that all documents submitted to me as copies conform to the originals. In addition, for purposes of this opinion, I have assumed the due authorization, execution and delivery of the Town Documents by all parties other than the Town.

Based upon and subject to the foregoing and the additional qualifications and assumptions set forth herein, I am of the opinion that:

1. The Town is a Texas political subdivision and has all necessary power and authority to enter into and perform its obligations under the Authorizing Documents and the Town Documents. The Town has taken or obtained all actions, approvals, consents and authorizations required of it by applicable laws in connection with the execution of the Authorizing Documents and the Town Documents and the performance of its obligations thereunder.

2. To the best of my knowledge, there is no action, suit, proceeding, inquiry or investigation at law or in equity, before or by any court, public board or body, pending, or threatened against the Town: (a) affecting the existence of the Town or the titles of its officers to their respective offices, (b) in any way questioning the formation or existence of the District, (c) affecting, contesting or seeking to prohibit, restrain or enjoin the delivery of any of the Bonds, or the payment, collection or application of any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, including the Assessments in the District pursuant to the provisions of the Assessment Ordinance and the Service and Assessment Plan referenced therein, (d) contesting or affecting the validity or enforceability or the Town’s performance of the Town

Documents, (e) contesting the exclusion of the interest on the Bonds from federal income taxation, or (f) which may result in any material adverse change relating to the financial condition of the Town.

3. The Authorizing Documents were duly enacted by the Town and remain in full force and effect on the date hereof.

4. The Town Documents have been duly authorized, executed and delivered by the Town and are legal, valid and binding obligations of the Town enforceable against the Town in accordance with their respective terms. However, the enforceability of the obligations of the Town under such Town Documents may be limited or otherwise affected by (a) bankruptcy, insolvency, reorganization, moratorium and other laws affecting the rights of creditors generally, (b) principles of equity, whether considered at law or in equity, or (c) the application of State law relating to action by future councils and relating to governmental immunity applicable to governmental entities.

6. No further consent, approval, authorization, or order of any court or governmental agency or body or official is required to be obtained by the Town as a condition precedent to the performance by the Town of its obligations under the Authorizing Documents and the Town Documents (other than those that have been or will be obtained prior to the delivery of the Bonds, including the opinion of the Texas Attorney General).

7. The Town has duly authorized and delivered the Limited Offering Memorandum.

8. Based upon my limited participation in the preparation of the Limited Offering Memorandum, the statements and information contained in the Limited Offering Memorandum with respect to the Town under the captions and subcaptions “ASSESSMENT PROCEDURES – Assessment Methodology” and “ – Assessment Amounts,” “THE TOWN,” “THE DISTRICT,” “THE DEVELOPMENT AGREEMENT,” “LEGAL MATTERS – Litigation – The Town,” “CONTINUING DISCLOSURE – The Town” and “– The Town’s Compliance with Prior Undertakings” and “APPENDIX A” are a fair and accurate summary of the laws and the documents and facts summarized therein.

9. The adoption of the Authorizing Documents, the execution and delivery of the Town Documents and the compliance with the provisions of the Authorizing Documents and the Town Documents under the circumstances contemplated thereby, to the best of my knowledge: (a) do not and will not in any material respect conflict with or constitute on the part of the Town a breach of or default under any agreement to which the Town is a party or by which it is bound, and (b) do not and will not in any material respect conflict with or constitute on the part of the Town a violation, breach of or default under any existing law, regulation, constitutional provision, court order or consent decree to which the Town is subject.

This opinion letter has been rendered solely for the benefit of the addressees named above in connection with the transactions described therein, and may not be used, circulated, quoted, relied upon or otherwise referred to for any other purpose or by any other person without our prior written consent. This opinion letter does not constitute a warranty or guarantee or an opinion as to matters of fact and should not be construed or relied upon as such. This opinion letter is as of the

date hereof only, and I undertake no, and hereby disclaim any, obligation to advise you of any change in any matter set forth herein.

Very truly yours,

BROWN & HOFMEISTER, L.L.P.

(e) Such other documents, records, agreements and certificates of the Developer as we have deemed necessary or appropriate to render the opinions expressed below.

In basing the opinions and other matters set forth herein on “our knowledge,” the words “our knowledge” signify that, in the course of our representation of the Developer the principal attorneys in this firm involved in the current actual transaction do not have actual knowledge or actual notice that any such opinions or other matters are not accurate or that any of the documents, certificates, reports and information on which we have relied are not accurate and complete. Except as otherwise stated herein, we have undertaken no independent investigation or certification of such matters. The words “our knowledge” and similar language used herein are intended to be limited to the knowledge of the attorneys within our firm who have worked on the matters contemplated by our representation as special counsel.

In rendering the opinions set forth herein, we have assumed, without independent investigation (other than the Developer), that: (i) the due authorization, execution, and delivery of each of the documents referred to in this opinion letter by all parties thereto and that each such document constitutes a valid, binding, and enforceable obligation of each party thereto, (ii) all of the parties to the documents referred to in this opinion letter are duly organized, validly existing, in good standing and have the requisite power, authority (corporate, limited liability company, partnership or other) and legal right to execute, deliver, and perform its obligations under such documents (except to the extent set forth in our opinions set forth herein regarding valid existence and power and authority of the Developer to execute, deliver, and perform its obligations under the *Material Documents*), (iii) each certificate from governmental officials reviewed by us is accurate, complete, and authentic, and all official public records are accurate and complete, (iv)

the legal capacity of all natural persons, (v) the genuineness of all signatures (other than those of the Developer in respect of the Material Documents), (vi) the authenticity and accuracy of all documents submitted to us as originals, (vii) the conformity to original documents of all documents submitted to us as photostatic or certified copies, (viii) that no laws or judicial, administrative, or other action of any governmental authority of any jurisdiction not expressly opined to herein would adversely affect the opinions set forth herein, and (ix) that the execution and delivery by each party of, and performance of its agreements in, the Material Documents do not breach or result in a default under any existing obligation of such party under any agreements, contracts or instruments to which such party is a party to or otherwise subject to or any order, writ, injunction or decree of any court applicable to such party.

In addition, we have assumed that the Material Documents accurately reflect the complete understanding of the parties with respect to the transactions contemplated thereby and the rights and obligations of the parties thereunder. We have also assumed that the terms and conditions of the transaction as reflected in the Material Documents have not been amended, modified or supplemented, directly or indirectly, by any other agreement or understanding of the parties or waiver of any of the material provisions of the Material Documents.

We assume that none of the parties to the Material Documents (other than the Developer) is a party to any court or regulatory proceeding relating to or otherwise affecting the Material Documents or is subject to any order, writ, injunction or decree of any court or federal, state or local governmental agency or commission that would prohibit the execution and delivery of the Material Documents, or the consummation of the transactions therein contemplated in the manner therein provided, or impair the validity or enforceability thereof. We assume that each of the parties to the Material Documents (other than Developer) has full authority to close this transaction in accordance with the terms and provisions of the Material Documents.

We assume that neither the Underwriter nor the Town nor their respective counsel has any current actual knowledge of any facts not known to us or any law or judicial decision which would make the opinions set forth herein incorrect, and that no party upon whom we have relied for purposes of this opinion letter has perpetrated a fraud.

We have only been engaged by our clients in connection with the Material Documents (and the transactions contemplated in the Material Documents) and do not represent these clients generally.

Opinions and Assurances

Based solely upon the foregoing, and subject to the assumptions and limitations set forth herein, we are of the opinion that:

1. The Developer is (a) limited liability company duly formed, validly existing under the laws of the State of Texas and qualified to transact business as a limited liability company, and (b) in good standing under the laws of the State of Texas.

2. The Developer has the limited liability company power and authority under the Texas Business Organizations Code and its organizational documents to execute, deliver and perform its obligations under the Material Documents to which it is a party. The execution and delivery by the Developer of each Material Document to which it is a party, and the performance

by the Developer of its agreements set forth therein, have been duly authorized by all necessary limited liability company action under the laws of the State of Texas, the Texas Business Organizations Code and the Developer's organizational documents.

3. The execution and delivery by the Developer of the Material Documents and the performance by the Developer of its obligations under the Material Documents will not (i) violate any applicable law; or (ii) conflict with or result in the breach of any court decree or order of any governmental body identified in the Developer Certificate or otherwise actually known to the lawyers who have provided substantive attention to the representation reflected in this opinion binding upon or affecting the Developer, the conflict with which or breach of which would have a material, adverse effect on the ability of the Developer to perform its obligations under the Material Documents to which it is a party.

4. To our knowledge, no governmental approval which has not been obtained or taken is required to be obtained or taken by the Developer on or before the date hereof as a condition to the performance by the Developer of its obligations under the Material Documents to which it is a party, except for governmental approvals that may be required to comply with certain covenants contained in the Material Documents (including, without limitation, covenants to comply with applicable laws).

5. The Developer has duly executed and delivered each of the Material Documents to which it is a party, and each of the Material Documents constitute the legal, valid, and binding obligations of the Developer, enforceable against the Developer in accordance with their respective terms, subject to the following qualifications: (i) the effect of applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting the rights of creditors generally, (ii) the effect of the exercise of judicial discretion in accordance with general principles of equity (whether applied by a court of law or of equity), and (iii) the effect that enforceability of the indemnification provisions therein may be limited, in whole or in part. The execution, delivery, and performance by the Developer of its obligations under the Material Documents do not violate any existing laws of the State of Texas applicable to the Developer.

6. To our knowledge after reasonable inquiry, there are no actions, suits or proceedings pending or threatened against the Developer identified in the Developer Certificate or otherwise actually known to the lawyers who have provided substantive attention to the representation reflected in this opinion in any court of law or equity, or before or by any governmental instrumentality with respect to the validity or enforceability against it of such Material Documents or the transactions described therein.

7. The execution and delivery of the Material Documents do not, and the transactions described therein may be consummated and the terms and conditions thereof may be observed and performed in a manner that does not, conflict with or constitute a breach of or default under any loan agreement, Indenture, bond note, resolution, agreement or other instrument to which the Developer is a party or is otherwise subject and which have been identified in the Developer Certificate which violation, breach or default would materially adversely affect the Developer or its performance of its obligations under the transactions described in the Material Documents; nor will any such execution, delivery, adoption, fulfillment, or compliance result in the creation or imposition of any lien, charge, or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the Developer, except as expressly described in the Material

Documents (a) under applicable law or (b) under any such loan agreement, indenture, bond note, resolution, agreement, or other instrument.

8. The information set forth in the Limited Offering Memorandum under the captions “*PLAN OF FINANCE — Development Plan, Status of Development and Plan of Finance,*” “*THE FUTURE IMPROVEMENT AREA PROJECTS,*” “*OVERLAPPING TAXES AND DEBT — Homeowner’s Association,*” “*THE DEVELOPMENT,*” “*THE DEVELOPMENT AGREEMENT,*” “*THE DEVELOPER,*” “*BONDHOLDERS’ RISKS*” (only as it pertains to the Developer, the Future Improvement Area Projects, and the Development, as defined in the Limited Offering Memorandum), “*LEGAL MATTERS — Litigation — The Developer,*” “*CONTINUING DISCLOSURE – The Developer,*” “*CONTINUING DISCLOSURE – The Developer’s Compliance With Prior Undertakings,*” “*SOURCES OF INFORMATION*” (only as it pertains to the Developer), “*APPENDIX D-2*” and “*APPENDIX F*” and adequately and fairly describe the information summarized under such captions and are correct as to matters of law.

7. Subject to the below qualifications and based upon our participation in the preparation of the Limited Offering Memorandum and our participation at conferences with representatives of the Underwriter and its counsel, of the Town and its counsel, and with representatives of the Developer and its lawyers, at which the Limited Offering Memorandum and related matters were discussed, and although we have not independently verified the information in the Limited Offering Memorandum and are not passing upon and do not assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Limited Offering Memorandum and any amendment or supplement thereto, no facts have come to our attention that lead us to believe that the information set forth under the captions referenced in the preceding paragraph as of the date of the Limited Offering Memorandum and the date hereof, contained or contains any untrue statement of a material fact, or omitted or omits to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

Qualifications

In addition to any assumptions, qualifications and other matters set forth elsewhere herein, the opinions set forth above are subject to the following assumptions and qualifications:

(a) We have not examined any court dockets, agency files or other public records regarding the entry of any judgments, writs, decrees or orders or the pendency of any actions, proceedings, investigations or litigation.

(b) We have relied upon the Developer Certificate, as well as the representations of the Developer contained in the Material Documents, with respect to certain facts material to our opinion. Except as otherwise specifically indicated herein, we have made no independent investigation regarding any of the foregoing documents or the representations contained therein.

(c) Our opinion delivered pursuant to Section 5 above is subject to the effect of any applicable bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium or other laws affecting creditors’ rights generally and to the effect of general principles of equity, including (without limitation) remedies of specific performance and injunctive relief and concepts of

materiality, reasonableness, good faith and fair dealing (regardless of whether considered in a proceeding in equity or at law).

(d) Except for the Material Documents, we have not reviewed, and express no opinion as to, any other contracts or agreements to which the Developer is a party or by which the Developer is or may be bound.

(e) The opinions expressed herein are based upon and limited to the applicable laws of the State of Texas and the laws of the United States of America, excluding the principles of conflicts of laws thereof, as in effect as of the date hereof, and our knowledge of the facts relevant to such opinions on such date. In this regard, we note that we are members of the Bar of the State of Texas, we do not express any opinion herein as to matters governed by the laws of any other jurisdiction, except the United States of America, we do not purport to be experts in any other laws and we can accept no responsibility for the applicability or effect of any such laws. In addition, we assume no obligation to supplement the opinions expressed herein if any applicable laws change after the date hereof, or if we become aware of any facts or circumstances that affect the opinions expressed herein.

(f) This letter is strictly limited to the matters expressly set forth herein and no statements or opinions should be inferred beyond such matters.

(g) Notwithstanding anything contained herein to the contrary, we express no opinion whatsoever concerning the status of title to any real or personal property.

(h) The opinions expressed herein regarding the enforceability of the Material Documents are subject to the qualification that certain of the remedial, waiver or other provisions thereof may not be enforceable; but such unenforceability will not, in our judgment, render the Material Documents invalid as a whole or substantially interfere with the practical realization of the principal legal benefits provided in the Material Documents, except to the extent of any economic consequences of any procedural delays which may result therefrom.

(i) The opinion expressed herein as to the enforceability of the Material Documents is specifically subject to the qualification that enforceability of the Material Documents is limited by the following: (i) the rights of the United States under the Federal Tax Lien Act of 1966, as amended; (ii) principles of equity, public policy and unconscionability which may limit the availability of certain remedies; (iii) bankruptcy, insolvency, reorganization, fraudulent conveyance, liquidation, probate, conservatorship and other laws applicable to creditors' rights or the collection of debtors' obligations generally; and (iv) requirements of due process under the United States Constitution, the Constitution of the State of Texas and other laws or court decisions limiting the rights of creditors to repossess, foreclose or otherwise realize upon the property of a debtor without appropriate notice or hearing or both.

(j) We express no opinion as to whether a court would grant specific performance or any other equitable remedy with respect to the enforcement of the Material Documents.

(k) We express no opinion as to the validity, binding effect, or enforceability of: (i) provisions which purport to waive rights or notices, including rights to trial by jury, counterclaims or defenses, jurisdiction or venue; (ii) provisions relating to consent judgments, waivers of defenses or the benefits of statutes of limitations, marshaling of assets, the transferability of any

assets which by their nature are nontransferable, sales in inverse order of alienation, or severance; (iii) provisions purporting to waive the benefits of present or of future laws relating to exemptions, appraisement, valuation, stay of execution, redemption, extension of time for payment, setoff and similar debtor protection laws; or (iv) provisions requiring a party to pay fees and expenses regardless of the circumstances giving rise to such fees or expenses or the reasonableness thereof.

(l) The opinions expressed herein are subject to the effect of generally applicable rules of law that provide that forum selection clauses in contracts are not necessarily binding on the court(s) in the forum selected.

(m) We express no opinion as to the enforceability of any provisions in the Material Documents purporting to entitle a party to indemnification in respect of any matters arising in whole or in part by reason of any negligent, illegal or wrongful act or omission of such party.

This opinion is furnished to those parties addressed in this letter solely in connection with the transactions, for the purposes and on the terms described above and may not be relied upon for any other purpose or by any other person in any manner or for any purpose.

16. Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the obligated person, any of which reflect financial difficulties.

The Issuer does not intend for any sale by the Developer of real property within the Future Improvement Area of the District to be considered a significant event for the purposes of number (10) above.

For these purposes, “financial obligation” means (i) a debt obligation; (ii) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) guarantee of (i) or (ii). The term “financial obligation” shall not include municipal securities as to which a final official statement has been provided to the Municipal Securities Rulemaking Board consistent with the Rule. The Issuer intends the words used in numbers (15) and (16) and the definition of “financial obligation” to have the meanings ascribed to them in SEC Release No. 34-83885 (August 20, 2018).

For these purposes, any event described in the immediately preceding number (12) is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the Issuer in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Issuer, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Issuer.

Upon the occurrence of a Listed Event, the Issuer shall promptly notify the Dissemination Agent in writing and the Issuer shall direct the Dissemination Agent to file a notice of such occurrence with the MSRB; provided, however, the Issuer shall deliver such written notice to the Dissemination Agent within eight (8) business days of the occurrence of such Listed Event in order for the Dissemination Agent to timely file such notice in a timely manner with the MSRB through EMMA. The Dissemination Agent shall file such notice no later than the second Business Day immediately following the day on which it receives written notice of such occurrence from the Issuer. Any such notice is required to be filed within ten (10) Business Days of the occurrence of such Listed Event; provided that the Dissemination Agent shall not be liable for the filing of notice of any Listed Event more than ten (10) Business Days after the occurrence of such Listed Event if notice of such Listed Event is received from the Issuer more than ten (10) Business Days after the occurrence of such Listed Event; provided, however, the failure of the Issuer

to provide timely written notice to the Dissemination Agent in accordance this paragraph shall not constitute a failure of the Dissemination Agent to comply with the MSRB's ten (10) business day filing requirement.

Additionally, the Dissemination Agent shall notify the MSRB, in a timely manner, of any failure by the Issuer to provide annual audited financial statements or Annual Financial Information as required under this Disclosure Agreement. The form for submitting such notice is attached hereto as Exhibit A.

Any notice under the preceding paragraphs shall be accompanied with the text of the disclosure that the Issuer desires to make, the written authorization of the Issuer for the Dissemination Agent to disseminate such information as provided herein, and the date the Issuer desires for the Dissemination Agent to disseminate the information (which written direction from the Issuer to the Dissemination Agent shall be within eight (8) business days after the occurrence of the Listed Event or failure to file and date of such filing provided by the Issuer shall not be more than ten (10) Business Days after the occurrence of the Listed Event or failure to file).

In all cases, the Issuer shall have the sole responsibility for the content, design, and other elements comprising substantive contents of all disclosures. In addition, the Issuer shall have the sole responsibility to ensure that any notice required to be filed under this Section 5 is filed within ten (10) Business Days of the occurrence of the Listed Event.

(b) The Dissemination Agent shall, within two (2) Business Days of obtaining actual knowledge of the occurrence of any Listed Event with respect to the Bonds, notify the Disclosure Representative of such Listed Event. The Dissemination Agent shall not be required to file a notice of the occurrence of such Listed Event with the MSRB unless and until it receives written instructions from the Disclosure Representative to do so. If the Dissemination Agent has been instructed in writing by the Disclosure Representative on behalf of the Issuer to report the occurrence of a Listed Event under this subsection (b), the Dissemination Agent shall file a notice of such occurrence with the MSRB no later than 2 Business Days following the day on which it receives such written instructions. It is agreed and understood that the duty to make or cause to be made the disclosures herein is that of the Issuer and not that of the Trustee or the Dissemination Agent. It is agreed and understood that the Dissemination Agent has agreed to give the foregoing notice to the Issuer as an accommodation to assist it in monitoring the occurrence of such event, but is under no obligation to investigate whether any such event has occurred. As used above, "actual knowledge" means the actual fact or statement of knowing, without a duty to make any investigation with respect thereto. In no event shall the Dissemination Agent be liable in damages or in tort to the Issuer or any Owner or beneficial owner of any interests in the Bonds as a result of its failure to give the foregoing notice or to give such notice in a timely fashion.

(c) If in response to a notice from the Dissemination Agent under subsection (b), the Issuer determines that the Listed Event under number 2, 7, 8, 10, 13, 14 or 15 of subsection (a) above is not material under applicable federal securities laws, the Issuer shall promptly, but in no case more than five (5) Business Days after the occurrence of the event, notify the Dissemination Agent and the Trustee (if the Dissemination Agent is not the Trustee) in writing and instruct the Dissemination Agent not to report the occurrence pursuant to subsection (d).

(d) If the Dissemination Agent has been instructed by the Issuer to report the occurrence of a Listed Event, the Dissemination Agent shall immediately file a notice of such occurrence with the

MSRB (which date shall not be more than ten (10) Business Days after the occurrence of the Listed Event or failure to file).

Section 6. Termination of Reporting Obligations. The obligations of the Issuer and the Dissemination Agent under this Disclosure Agreement shall terminate upon the legal defeasance, prior redemption, or payment in full of all of the Bonds, when the Issuer is no longer an obligated person with respect to the Bonds, or upon delivery by the Disclosure Representative to the Dissemination Agent of an opinion of nationally recognized bond counsel to the effect that continuing disclosure is no longer required. So long as any of the Bonds remain Outstanding, the Dissemination Agent may assume that the Issuer is an obligated person with respect to the Bonds until it receives written notice from the Disclosure Representative stating that the Issuer is no longer an obligated person with respect to the Bonds, and the Dissemination Agent may conclusively rely upon such written notice with no duty to make investigation or inquiry into any statements contained or matters referred to in such written notice. If such termination occurs prior to the final maturity of the Bonds, the Issuer shall give notice of such termination in the same manner as for a Listed Event with respect to such series of Bonds under Section 5(a).

Section 7. Dissemination Agent. The Dissemination Agent agrees to perform the duties set forth in this Agreement. The Issuer may, from time to time, appoint or engage a Dissemination Agent or successor Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge such Dissemination Agent with or without appointing a successor Dissemination Agent. The Dissemination Agent may resign at any time with thirty (30) days' notice to the Issuer. If at any time there is not any other designated Dissemination Agent, the Issuer shall be the Dissemination Agent. The initial Dissemination Agent appointed hereunder is set forth in Section 2.

Section 8. Amendment; Waiver. Notwithstanding any other provisions of this Disclosure Agreement, the Issuer and the Dissemination Agent may amend this Disclosure Agreement (and the Dissemination Agent shall not unreasonably withhold its consent to any amendment so requested by the Issuer), and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3(a), 4, or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of an obligated person with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the delivery of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners or beneficial owners of the Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Issuer shall describe such amendment in the next related Annual Issuer Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5(a), and (ii) the Annual Issuer Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. No amendment which adversely affects the Dissemination Agent may be made without its prior written consent (which consent will not be unreasonably withheld or delayed).

Section 9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Issuer Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Issuer Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Issuer Report or notice of occurrence of a Listed Event.

Section 10. Default. In the event of a failure of the Issuer to comply with any provision of this Disclosure Agreement, the Dissemination Agent may and the Trustee may (and, at the request of any Participating Underwriter or the Owners of more than twenty-five percent (25%) aggregate principal amount of Outstanding Bonds, shall, upon being indemnified to its satisfaction as provided in the Indenture), or any Owner or beneficial owner of the Bonds may, take such actions as may be necessary and appropriate to cause the Issuer, as the case may be, to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture with respect to the Bonds, and the sole remedy under this Disclosure Agreement in the event of any failure of the Issuer to comply with this Disclosure Agreement shall be an action for mandamus or specific performance. A default under this Disclosure Agreement by the Issuer shall not be deemed a default under the Disclosure Agreement of the Developer by the Developer, and a default under the Disclosure Agreement of the Developer by the Developer shall not be deemed a default under this Disclosure Agreement by the Issuer.

Section 11. Duties, Immunities and Liabilities of Dissemination Agent. The Dissemination Agent shall not have any duty with respect to the content of any disclosures made pursuant to the terms hereof. To the extent permitted by law, the Issuer agrees to hold harmless the Dissemination Agent, its officers, directors, employees, and agents, but only with funds to be provided by the Developer or from Assessments collected from the property owners in the Future Improvement Area of the District against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the

Dissemination Agent's gross negligence or willful misconduct; provided, however, that nothing herein shall be construed to require the Issuer to indemnify the Dissemination Agent for losses, expenses, or liabilities arising from information provided to the Dissemination Agent by the Developer or the failure of the Developer to provide information to the Dissemination Agent as and when required under the Disclosure Agreement of the Developer. The obligations of the Issuer under this Section shall survive resignation or removal of the Dissemination Agent and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Dissemination Agent is an "obligated person" under the Rule. The Dissemination Agent is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The fact that the Dissemination Agent may have a banking or other business relationship with the Issuer or any person with whom the Issuer contracts in connection with the transaction described in the Indenture, apart from the relationship created by the Indenture or this Disclosure Agreement, shall not be construed to mean that the Dissemination Agent has actual knowledge of any event described in Section 5 above, except as may be provided by written notice to the Dissemination Agent pursuant to this Disclosure Agreement.

The Dissemination Agent may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or their respective duties hereunder, and the Dissemination Agent shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel.

The Administrator shall have only such duties as are specifically set forth in Sections 3 and 4 of this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Administrator. To the extent permitted by law, the Issuer agrees to hold harmless the Administrator, its officers, directors, employees and agents, but only with funds to be provided by the Developer or from Assessments collected from the property owners in the Future Improvement Area of the District against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability resulting from information provided to the Administrator by the Issuer, but excluding liabilities due to the Administrator's negligence or willful misconduct; provided, however, that nothing herein shall be construed to require the Issuer to indemnify the Administrator for losses, expenses or liabilities arising from information provided to the Administrator by third parties or the Developer, or the failure of any third party or the Developer to provide information to the Administrator as and when required under this Agreement. The obligations of the Issuer under this Section shall survive resignation or removal of the Administrator and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Administrator is an "obligated person" under the Rule. The Administrator is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The Administrator shall not in any event incur any liability with respect to any action taken or omitted to be taken in reliance upon any document delivered to the Administrator and believed to be genuine and to have been signed or presented by the proper party or parties.

The Administrator may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the

provisions hereof or their respective duties hereunder, and the Administrator shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel.

UNDER NO CIRCUMSTANCES SHALL THE DISSEMINATION AGENT, THE ADMINISTRATOR OR THE ISSUER BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE ISSUER, THE ADMINISTRATOR OR THE DISSEMINATION AGENT, RESPECTIVELY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS DISCLOSURE AGREEMENT, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE. Section 14. Severability. In case any section or provision of this Disclosure Agreement, or any covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder or any application thereof, is for any reasons held to be illegal or invalid, such illegality or invalidity shall not affect the remainder thereof or any other section or provision thereof or any other covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder (except to the extent that such remainder or section or provision or other covenant, stipulation, obligation, agreement, act or action, or part thereof is wholly dependent for its operation on the provision determined to be invalid), which shall be construed and enforced as if such illegal or invalid portion were not contained therein, nor shall such illegality or invalidity of any application thereof affect any legal and valid application thereof, and each such section, provision, covenant, stipulation, obligation, agreement, act or action, or part thereof shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

The Town Inspector and/or the Town Representative shall also conduct such review as is required in his discretion to confirm the matters certified in the Certification for Payment. The Developer agrees to cooperate with the Town Inspector, the Mustang SUD Inspector, and/or Town Representative in conducting each such review and to provide the Town Inspector and/or Town Representative with such additional information and documentation as is reasonably necessary for the Town Inspector, the Mustang SUD Inspector, and/or Town Representative to conclude each such review.

The Certification for Payment shall not be forwarded to the Trustee for payment until the dispute is resolved by the Town and the Developer.

(d) The Developer shall deliver the approved or partially approved Certification for Payment to the Trustee for payment and the Trustee shall make such payment from the Project Fund in accordance with Section 5.03 below.

Section 5.03. Payment for a Future Improvement Area Project.

(a) Upon receipt of a reviewed and approved Certification for Payment, the Trustee shall make payment from the Future Improvement Area Projects Account of the Project Fund, pursuant to the terms of the Certification for Payment and the Indenture in an amount not to exceed the Budgeted Cost for the particular Future Improvement Area Project, unless a Cost Overrun amount has been approved for a particular Future Improvement Area Project. In the event that any such mechanics or materialman's lien and/or judgment with respect to any Future Improvement Area Project is contested, the Developer shall post or cause delivery of a surety bond in the amount reasonably determined by the Town or the Town may decline to accept the Future Improvement Area Projects until such mechanics or materialman's lien and/or judgment is satisfied.

In the event the Town or Mustang SUD, as applicable, does not approve the preliminary title report, the Town or Mustang SUD, as applicable, shall not be obligated to accept title to the Future Improvement Area Project until the Developer has cured such objections to title to the reasonable satisfaction of the Town, or Mustang SUD, as applicable.

The Town agrees not to take any action or direct the Trustee to take any action to expend, disburse or encumber the monies held in the Project Fund and any monies to be transferred thereto for any purpose other than the purposes permitted by the Indenture. Prior to the acceptance of all the Future Improvement Area Projects, the Town agrees not to modify or supplement the Indenture without the approval of the Developer if as a result or as a consequence of such modification or supplement: (a) the amount of monies that would otherwise have been available under the Indenture for disbursement for the Costs of the Future Improvement Area Projects is reduced, delayed or deferred, (b) the obligations or liabilities of the Developer are or may be substantially increased or otherwise adversely affected in any manner, or (c) the rights of the Developer are or may be modified, limited, restricted or otherwise substantially adversely affected in any manner.

Section 7.04. No Reduction of Assessments. The Developer agrees not to take any action or actions to reduce the total amount of such Assessments to be levied as of the effective date of this Agreement.

ARTICLE VIII TERMINATION

Section 8.01. Mutual Consent. This Agreement may be terminated by the mutual, written consent of the Town and the Developer, in which event the Town may either execute contracts for or perform any remaining work related to the Future Improvement Area Projects not accepted by the Town or other appropriate entity and use all or any portion of funds on deposit in the Project Fund or other amounts transferred to the Project Fund under the terms of the Indenture to pay for same, and the Developer shall have no claim or right to any further payments for the Costs of a Future Improvement Area Project hereunder, except as otherwise may be provided in such written consent.

Section 8.02. Town's Election for Cause.

(a) The Town, upon notice to Developer and the passage of the cure period identified in subsection (b) below, may terminate this Agreement, without the consent of the Developer if the Developer shall breach any material covenant or default in the performance of any material obligation hereunder.

(b) If any such breach or default described in Section 8.02(a) occurs, the Town shall give written notice of its knowledge of such breach or default to the Developer (and any mortgagee or trust deed beneficiary specified in writing by the Developer to the Town to receive such notice). Upon receipt of such notice, Developer agrees to promptly meet and confer with the Town Inspector and other appropriate Town staff and consultants as to available options to assure timely completion, subject to the terms of this Agreement, of the Future Improvement Area Projects. The Town shall allow the Developer a minimum of forty-five (45) days to eliminate or to mitigate such

breach or default to the reasonable satisfaction of the Town (“Cure Period”). The Cure Period may be extended, at the sole discretion of the Town, if the Developer, to the reasonable satisfaction of the Town, is proceeding with diligence to eliminate or mitigate such breach or default. If at the end of the Cure Period (and any extension thereof), as determined reasonably by the Town, the Developer has not eliminated or completely mitigated such grounds to the reasonable satisfaction of the Town, the Town may then terminate this Agreement. Upon termination of this Agreement, the Town shall (i) provide written notice of such termination the Developer (and any mortgagee or trust deed beneficiary specified in writing by the Developer to the Town to receive such notice) and (ii) instruct the Trustee to cease making payments for the Actual Costs and/or Budgeted Costs, as appropriate, of Future Improvement Area Projects, provided that the Developer shall receive payment of the Actual Costs or Budgeted Costs, as appropriate, of any Future Improvement Area Projects that were accepted by the Town at the time of termination, so long as the Developer has complied with the requirements of the Development Agreement, this Agreement and the Indenture.

(c) If this Agreement is terminated by the Town for cause, the Town may either execute contracts for or perform any remaining work related to the Future Improvement Area Projects not accepted by the Town and use all or any portion of the funds on deposit in the Project Fund or other amounts transferred to the Project Fund and the Developer shall have no claim or right to any further payments for the Future Improvement Area Projects hereunder, except as otherwise may be provided upon the mutual written consent of the Town and the Developer. The Town shall have no obligation to perform any work related to a Future Improvement Area Project or to incur any expense or cost in excess of the remaining balance of the Project Fund.

Section 8.03. Termination Upon Redemption or Defeasance of Bonds. This Agreement will terminate automatically and with no further action by the Town or the Developer upon the redemption or defeasance of all outstanding Bonds (including any refunding bonds issued to refund the Bonds) issued under the Indenture.

Section 8.04. Construction of the Future Improvement Area Projects Upon Termination of this Agreement. Notwithstanding anything to the contrary contained herein, upon the termination of this Agreement pursuant to this Article VIII, the Developer shall perform its obligations with respect to the Future Improvement Area Projects in accordance with this Agreement and the Development Agreement.

Section 8.05. Force Majeure. Whenever performance is required of a party hereunder, that party shall use all due diligence and take all necessary measures in good faith to perform, but if completion of performance is delayed by reasons of floods, earthquakes or other acts of God, war, civil commotion, riots, strikes, picketing or other labor disputes, damage to work in progress by casualty or by other cause beyond the reasonable control of the party (financial inability excepted) (“Force Majeure”), then the specified time for performance shall be extended by the amount of the delay actually so caused. The extension of time to perform allowed by this Section 8.05 shall not apply unless, within ten (10) business days of the occurrence of an event of Force Majeure, the party needing additional time to perform notifies the other party of the event of Force Majeure and the amount of additional time reasonably required as a result of the occurrence of the event of Force Majeure.

ARTICLE IX MISCELLANEOUS

Section 9.01. Limited Liability of Town. The Developer agrees that any and all obligations of the Town arising out of or related to this Agreement are special obligations of the Town, and the Town's obligations to make any payments hereunder are restricted entirely to the moneys, if any, in the Project Fund and from no other source. Neither the Town, the Town Inspector, Town Representative nor any other Town employee, officer, official or agent shall incur any liability hereunder to the Developer or any other party in their individual capacities by reason of their actions hereunder or execution hereof.

Section 9.02. Audit. The Town Inspector, Town Representative or a finance officer of the Town shall have the right, during normal business hours and upon the giving of three business days' prior written notice to a Developer, to review all books and records of the Developer pertaining to costs and expenses incurred by the Developer with respect to any of the Future Improvement Area Projects and any bids taken or received for the construction thereof or materials therefor.

The Town shall advise the Developer of the name and address of any person who is to receive any notice or other communication pursuant to this Agreement.

Section 9.04. Severability. If any part of this Agreement is held to be illegal or unenforceable by a court of competent jurisdiction, the remainder of this Agreement shall be given effect to the fullest extent possible.

Section 9.05. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the successors and assigns of the parties hereto. Any receivables due under this Agreement may be assigned by the Developer without the consent of, but upon written notice to the Town pursuant to Section 9.03 of this Agreement. The obligations, requirements, or covenants of this Agreement shall be able to be assigned to an affiliate or related entity of the Developer, or any lien holder on the Property, without prior written consent of the Town. The obligations, requirements, or covenants of this Agreement shall not be assigned by the Developer to a non-affiliate or non-related entity of the Developer without prior written consent of the Town Manager, (which consent shall not be unreasonably withheld if assignee demonstrates financial ability to perform to the reasonable satisfaction of the Town), except pursuant to a collateral assignment to any person or entity providing construction financing to the Developer for a Future Improvement Area Project, provided such person or entity expressly agrees to assume all obligations of the Developer hereunder if there is a default under such financing and such Person elects to complete the Future Improvement Area Project. No such assignment shall be made by the Developer or any successor or assignee of the Developer that results in the Town being an “obligated person” within the meaning of Rule 15c2-12 of the United States Securities and Exchange Commission without the express written consent of the Town. In any event, any such assignment shall be in writing, shall clearly identify the scope of the rights and/or obligations assigned and may not otherwise amend the terms of this Agreement. The Town may assign by a separate writing certain rights as described in this Agreement and in the Indenture, to the Trustee and the Developer hereby consents to such assignment.

Section 9.06. Other Agreements. The obligations of the Developer hereunder shall be those of a party hereto and not as an owner of property in the District. Nothing herein shall be construed as affecting the Town’s or the Developer’s rights or duties to perform their respective obligations under other agreements, use regulations, ordinances or subdivision requirements relating to the development of the lands in the District, including the applicable Construction Contracts and the Development Agreement. To the extent there is a conflict between this Agreement and the Development Agreement, the Development Agreement shall control. To the extent there is a conflict between this Agreement and the Indenture, the Indenture shall control.

Section 9.07. Waiver. Failure by a party to insist upon the strict performance of any of the provisions of this Agreement by any other party, or the failure by a party to exercise its rights upon the default of any other party, shall not constitute a waiver of such party's right to insist and demand strict compliance by such other party with the terms of this Agreement thereafter.

Section 9.08. Merger. No other agreement, statement or promise made by any party or any employee, officer or agent of any party with respect to any matters covered hereby that is not in writing and signed by all the parties to this Agreement shall be binding.

Section 9.09. Parties in Interest. Nothing in this Agreement, expressed or implied, is intended to or shall be construed to confer upon or to give to any person or entity other than the Town and the Developer any rights, remedies or claims under or by reason of this Agreement or any covenants, conditions or stipulations hereof, and all covenants, conditions, promises and agreements in this Agreement contained by or on behalf of the Town or the Developer shall be for the sole and exclusive benefit of the Town and the Developer.

Section 9.10. Amendment. Except as otherwise provided in Section 9.05, upon agreement by the parties, this Agreement may be amended, from time to time in a manner consistent with the Act, the Indenture, and the Bond Ordinance by written supplement hereto and executed in counterparts, each of which shall be deemed an original.

All representations and warranties set forth therein shall be deemed to have been made on the Closing Date of the Bonds.

Section 9.13. Term. The term of this Agreement, other than the provisions contained in Section 7.02, which shall survive the termination of this Agreement, shall be thirty (30) years or upon redemption or defeasance of the Bonds (including any refunding bonds issued to refund the Bonds) issued under the Indenture. If the Developer defaults under this Agreement, or the Development Agreement, this Agreement and the Development Agreement shall not terminate with respect to the costs of the Future Improvement Area Projects that have been approved by the Town pursuant to a Certification for Payment prior to the date of termination based on such default.

Section 9.14. No Waiver of Powers or Immunity. The Town does not waive or surrender any of its governmental powers, immunities, or rights except as necessary to allow Developer to enforce its remedies under this Agreement.

(b) No Boycott of Israel. (c) No Discrimination Against Firearm Entities. The Developer hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association during the term of this Agreement. As used in the foregoing verification, “discriminate against a firearm entity or firearm trade association” has the meaning provided in Section 2274.001(3), Government Code.

(d) No Boycott of Energy Companies. (x) Landowner has received, or hereby waives, all notices required to be provided to it under Texas law, including the PID Act, prior to the Effective Date (defined herein).

C. Mandatory Prepayment of Assessments. Landowner agrees and acknowledges that Landowner or subsequent landowners may have an obligation to prepay an Assessment upon the occurrence of a mandatory prepayment event, at the sole discretion of the Town and as provided in the Service and Assessment Plan, as amended or updated.

D. Notice of Assessments. Landowner further agrees as follows:

(i) the Covenants, Conditions and Restrictions attached hereto as **Exhibit II** shall be terms, conditions and provisions running with the Landowner's Parcel and shall be recorded (the contents of which shall be consistent with the Future Improvement Area Assessment Ordinance and the Service and Assessment Plan as reasonably determined by the Town), in the records of the County Clerk of Denton County, as a lien and encumbrance against such Assessed Parcel, and Landowner hereby authorizes the Town to so record such documents against the Assessed Parcels owned by Landowner;

(ii) in the event of any subdivision, sale, transfer or other conveyance by the Landowner of the right, title or interest of the Landowner in the Landowner's Parcel or any part thereof, the Landowner's Parcel, or any such part thereof, shall continue to be bound by all of the terms, conditions and provisions of such Covenants, Conditions and Restrictions and any purchaser, transferee or other subsequent owner shall take such

Assessed Parcel(s) subject to all of the terms, conditions and provisions of such Covenants, Conditions and Restrictions; and

(iii) Landowner shall comply with, and shall contractually obligate (and promptly provide written evidence of such contractual provisions to the Town) any party who purchases any Assessed Parcel owned by Landowner, or any portion thereof, for the purpose of constructing residential properties that are eligible for “homestead” designations under State law, to comply with, the Homebuyer Education Program described on **Exhibit III** to this Agreement. Such compliance obligation shall terminate as to each Lot (as defined in the Service and Assessment Plan) if, and when, (i) a final certificate of occupancy for a residential unit on such Lot is issued by the Town, and (ii) there is a sale of a Lot to an individual homebuyer, it being the intent of the undersigned that the Homebuyer Education Program shall apply only to a commercial builder who is in the business of constructing and/or selling residences to individual home buyers (a “Builder”) but not to subsequent sales of such residence and Lot by an individual home buyer after the initial sale by a Builder.

Notwithstanding the provisions of this Section, upon the Landowner’s request and the Town’s consent, in the Town’s sole and absolute discretion, the Covenants, Conditions and Restrictions may be included with other written restrictions running with the land on property within the District, provided they contain all the material provisions and provide the same material notice to prospective property owners as does the document attached as **Exhibit II**.

II. OWNERSHIP AND CONSTRUCTION OF FUTURE IMPROVEMENT AREA PROJECTS

A. Ownership and Transfer of Future Improvement Area Projects. Landowner acknowledges that all of the Future Improvement Area Projects and the land (or easements, as applicable) needed therefor shall be owned by the Town and/or Mustang Special Utility District (“MSUD”) as constructed and/or conveyed to the Town and/or MSUD and Landowner will execute such conveyances and/or dedications of public rights of way and easements as may be reasonably required to evidence such ownership, as generally described on the current plats of the property within the District.

B. Grant of Easement and License, Construction of Future Improvement Area Projects.

(i) Any subsequent owner of an Assessed Parcel shall, upon the request of the Town, MSUD, or Landowner, grant and convey to the Town, MSUD, or Landowner and its contractors, materialmen and workmen a temporary license and/or easement, as appropriate, to construct the Future Improvement Area Projects on the property within the District, to stage on the property within the District construction trailers, building materials

and equipment to be used in connection with such construction of the Future Improvement Area Projects and for passage and use over and across parts of the property within the District as shall be reasonably necessary during the construction of the Future Improvement Area Projects. Any subsequent owner of an Assessed Parcel may require that each contractor constructing the Future Improvement Area Projects cause such owner of an Assessed Parcel to be indemnified and/or named as an additional insured under liability insurance reasonably acceptable to such owner of an Assessed Parcel. The right to use and enjoy any easement and license provided above shall continue until the construction of the Future Improvement Area Projects are complete; provided, however, any such license or easement shall automatically terminate upon the recording of the final plat for the Landowner's Parcel in the real property records of Denton County, Texas.

(ii) Landowner hereby agrees that any right or condition imposed by the Development Agreement, or other agreement, with respect to the Assessments has been satisfied, and that Landowner shall not have any rights or remedies against the Town under any law or principles of equity concerning the Assessments, with respect to the formation of the District, approval of the Service and Assessment Plan and the Town's levy and collection of the Assessments.

This representation and warranty is qualified to the extent the enforceability of this Agreement may be limited by applicable bankruptcy, insolvency, moratorium, reorganization or other similar laws of general application affecting the rights of creditors in general.

(iii) Neither the execution and delivery hereof, nor the taking of any actions contemplated hereby, will conflict with or result in a breach of any of the provisions of, or constitute a default, event of default or event creating a right of acceleration, termination or cancellation of any obligation under, any instrument, note, mortgage, contract,

judgment, order, award, decree or other agreement or restriction to which Landowner is a party, or by which Landowner or Landowner's Parcel is otherwise bound.

(iv) Landowner is, subject to all matters of record in the Denton County, Texas Real Property Records, the sole owner of the Landowner's Parcel.

(v) The Landowner's Parcel owned by Landowner is not subject to, or encumbered by, any covenant, lien, encumbrance or agreement which would prohibit (i) the creation of the District, (ii) the levy of the Assessments, or (iii) the construction of the Future Improvement Area Projects on those portions of the property within the Future Improvement Area of the District which are to be owned by the Town and/or MSUD, as generally described on the current plats of the property within the District (or, if subject to any such prohibition, the approval or consent of all necessary parties thereto has been obtained).

(vi) Landowner covenants and agrees to execute any and all documents necessary, appropriate or incidental to the purposes of this Agreement, as long as such documents are consistent with this Agreement and do not create additional liability of any type to, or reduce the rights of, such Landowner by virtue of execution thereof.

B. Waiver of Claims Concerning Future Improvement Area Projects. - (a) Landowner accepts each Assessment levied on the Landowner’s Parcel owned by such Landowner.
- (b) The Assessment (including any reassessment, the expense of collection, and reasonable attorney’s fees, if incurred) is (a) a first and prior lien (the “Assessment”

Lien”) against the property assessed, superior to all other liens or claims except for liens or claims for state, county, school district or municipality ad valorem property taxes whether now or hereafter payable, and (b) a personal liability of and charge against the owners of the property to the extent of their ownership regardless of whether the owners are named. The Assessment Lien is effective from the date of the Future Improvement Area Assessment Ordinance until the Assessments are paid and may be enforced by the Town in the same manner as an ad valorem property tax levied against real property that may be enforced by the Town. The owner of any assessed property may pay, at any time, the entire Assessment levied against any such property. Foreclosure of an ad valorem property tax lien on property within the Future Improvement Area of the District will not extinguish the Assessment or any unpaid but not yet due annual installments of the Assessment, and will not accelerate the due date for any unpaid and not yet due annual installments of the Assessment.

It is the clear intention of all parties to these Declarations of Covenants, Conditions and Restrictions, that the Assessments, including any annual installments of the Assessments (as such annual installments may be adjusted, decreased or extended), are covenants that run with the Landowner’s Parcel and specifically binds the Landowner, its successors and assigns.

In the event of delinquency in the payment of any annual installment of the Assessment, the Town is empowered to order institution of an action in district court to foreclose the related Assessment Lien, to enforce personal liability against the owner of the real property for the Assessment, or both. In such action the real property subject to the delinquent Assessment may be sold at judicial foreclosure sale for the amount of such delinquent property taxes and Assessment, plus penalties, interest and costs of collection.

2. Landowner or any subsequent owner of the Landowner’s Parcel waives:

- (a) any and all defects, irregularities, illegalities or deficiencies in the proceedings establishing the District and levying and collecting the Assessments or the annual installments of the Assessments;
- (b) any and all notices and time periods provided by the PID Act including, but not limited to, notice of the establishment of the District and notice of public hearings regarding the levy of Assessments by the Town Council concerning the Assessments;
- (c) any and all defects, irregularities, illegalities or deficiencies in, or in the adoption of, the Future Improvement Area Assessment Ordinance by the Town Council;
- (d) any and all actions and defenses against the adoption or amendment of the Service and Assessment Plan, the Town’s finding of a ‘special benefit’ pursuant to the PID Act and the Service and Assessment Plan, and the levy of the Assessments; and

- (e) any right to object to the legality of any of the Assessments or the Service and Assessment Plan or to any of the previous proceedings connected therewith which occurred prior to, or upon, the Town Council's levy of the Assessments.
3. **Amendments:** This Declaration may be terminated or amended only by a document duly executed and acknowledged by the then-current owner(s) of the Landowner's Parcel and the Town. No such termination or amendment shall be effective until a written instrument setting forth the terms thereof has been executed by the parties by whom approval is required as set forth above and recorded in the real Property Records of Denton County, Texas.
4. **Third Party Beneficiary:** The Town is a third party beneficiary to this Declaration and may enforce the terms hereof.
5. **Notice to Subsequent Purchasers:** Upon the sale of a dwelling unit within the District, the purchaser of such property shall be provided a written notice that reads substantially similar to the following:
