1. We have a dumpster at the property for cleanup of the back yard. Much of the debris has been disposed of in the dumpster and we are continuing the cleanup.
2. The shingles at the back of the house were damaged and have to be replaced. Work has begun to repair that portion of the roof.
3. HVAC work has been completed and is ready for inspection.
4. We are working on the electrical and plumbing permit applications addressing the comments that have been provided.
