Excellence, Equity, Empo
Every Student, Every Day.

What do our students say?

- It's so quiet here. It's so peaceful.
- I really like this school and the people here.
- Teachers actually care here.
- I didn't expect it but this change has made me see school in a whole new way. I want to try. I want to do well. I had no idea it would be like this.
- These teachers are hand picked as the best teachers in the whole world. I have never experienced better adults with kids (this was said, mind you, while having a panic attack over missing friends from a previous setting). :)

Excellence, Equity, Empowerment.
Every Student, Every Day.

An Added Note:

- This work is **our** work
- Teachers and staff **led** these changes
- Teachers and staff have **designed** their learning and growth needs commensurate with our shared goals
- Structures and systems **had to change** to accommodate
