

Second Reading of Policies

May 5, 2025

Excellence, Equity, Empowerment.
Every Student, Every Day.

203.4 Consent Agenda

Second Reading of Policies

→ Revises language clarifying that the consent agenda includes items which usually do not require discussion or explanation prior to school board action, or are those items which have already been discussed and/or explained and do not require further discussion or explanation.

209 Code of Ethics

→ Revision changes use of “his and her” to be neutral language of “their”.

304 Superintendent Contract, Duties, and Evaluation

305 Policy Implementation

Second Reading of Policies

- Revises policy to conduct the superintendent's performance evaluation on an annual basis instead of "periodically"
- Revises approval of student handbooks to be completed by the superintendent instead of the school board. The superintendent's duties include ensuring that district policies—such as those governing student behavior and discipline—are effectively developed, communicated, and enforced.

545 Wellness

547 School Meals Policy

Second Reading of Policies

- Revision clarifies that the Director of Nutrition Services is designated as the District's Wellness Coordinator.
- Revision adds a statement that students who qualify for free or reduced-price meals will always be provided a reimbursable meal, even if they have an outstanding meal debt to ensure policy is in compliance with MDE Guidelines.

619 Student Testing Program

- Recommendation is to eliminate this policy. This is a locally developed policy that is now redundant to Policy 619.1, which is based on MSBA model policy and was recently revised.

624 School Board Recognition of Student Achievement

- Recommendation is to eliminate this policy. This policy directs the superintendent to develop a list of awards and schedule student recognition at board meetings. This has become standard practice and the policy committee recommends that this policy is no longer necessary.

Second Reading of Policies
