Dear Mr. Johnson:

Enclosed find two (2) copies of a Limited Use Permit for Highway Beautification. Please sign where indicated and return to this office for further processing. We also need two (2) original copies of the resolution enclosed to attach to each of the permits. The resolution may need to be reformatted to meet the City of Mankato requirements. All four (4) document are required to have original signatures and be embossed with the City of Mankato Seal.

A final copy will be returned for your records. The City of Mankato will need to obtain the right to work in the right of way prior to construction.

Please contact a Mr. Steve Schoeb at 507-304-6180 for a permit to perform miscellaneous work on the trunk highway right of way.

If you have any additional questions or concerns about this process, please contact me at 507-831-8012 or Robert Jones at 507-304-6198.

Sincerely,
