

Snell Motors Parking Calculation

Lot 1 (main building)

24 stalls (repair & body shop) in the building x 3 = 72 stalls

60 employees on major shift = 60 stalls

Office 2611 sq. ft. / 250 = 11 stalls

Sales Area 18,674 sq. ft. / 1000 = 19 stalls

Total = 162 regular stalls needed

6 handicapped stalls needed

Lot 2 (Car Wash)

1 wash stall = 3 off street stacking spaces

6 employees on major shift = 6 stalls

1 handicapped stall needed
