To Whom it may concern at The
City of Mankato,

I am writing to voice my
opposition to the proposed conditional
use permit to operate a licensed
outpatient substance use disorder
(SUD) treatment center in my neighborhood
at 114 Poh Rd, Mankato.

When I purchased this property
one year ago, it was my desire
to be in a wholesome neighborhood,
setting far from the business district.

I do not approve of a treatment
center in my neighborhood.

Concerns include decreased property
value and the overall safety &
security of my neighbors.

Sincerely,

Sara Botten
