Subject: Comments for Council meeting on 114 Pohl Road permit

To: <[REDACTED]>

I would like to have this information given to the Council for the July 13th meeting.

I don't believe this facility should be at 114 Pohl Road. This area doesn't have any other places of business. It has houses, apartments, a Fire Station and churches. The building at 114 Pohl Road has been various churches since I can remember. The churches didn't have people coming and going Monday through Friday. I think this facility belongs in an area that includes businesses and houses. Not just residential neighborhoods.

I am also concerned about extra traffic coming into Eastwood Drive. This street is usually very quiet and there are children and pets that walk it without worrying about too many cars. When people miss turns I don't want them racing down our street to turn around and get back on Pohl. I'd like to know when and what kind of traffic study was done for this.

In conclusion, I would like the Council to vote NO on this conditional use permit at 114 Pohl Road. I hope the Council members will listen to these concerns.

Thank you.

Bonnie Weingartz

125 Eastwood Drive
