

**RESOLUTION AMENDING THE 2026 BUDGET TO FUND UNANTICIPATED LEAD AND
GALANIZED SERVICE LINE REPLACEMENTS**

WHEREAS, the City of Mankato has established a Lead Service Line replacement program approved by the Minnesota Department of Health; and

WHEREAS, the City of Mankato has been awarded funding in 2026 to cover the cost of private lead and galvanized water services in a specific project area; and

WHEREAS, special circumstances are anticipated that will require the unanticipated replacement of private lead and galvanize service lines outside the approved 2026 project area; and

WHEREAS, the City of Mankato wishes to provide funding for unanticipated lead and galvanized services consistent with the funding provided for services within the 2026 project area.

NOW THEREFORE, BE IT RESOLVED by the Council for the City of Mankato, Minnesota, that the 2026 Budget be amended to allocate \$100,000 from the Water Utility Fund to pay for the unanticipated replacement of private lead and galvanized water service lines that fall outside the 2026 project area funded by the State of Minnesota.

This Resolution shall become effective immediately and without publication.

Adopted this 27nd day of July 2026.
