MEMORANDUM

Date: 5/12/2026

To: Site Plan and Traffic Advisory Committee

From: Joe Smith, PE – Assistant City Engineer
Maury Hooper, PE – Traffic Engineer

Subject: Resolution for Directing Traffic Control Signage
Adams Street (Segment Between Trunk Highway 22 and CSAH 12)

Engineering staff recommend installing additional 30 MPH (R2-1) speed limit signs along Adams Street between Trunk Highway 22 and CSAH 12. Two new signs should be placed on new supports at the approximate locations shown in Figure 1 to reinforce the posted speed limit and improve driver awareness.

The recommendation follows concerns from Mankato Public Safety about speeding along Adams Street and feedback via enforcement efforts on the potential benefit of providing additional signing along this segment. Staff concurs that additional signage at strategic locations could improve compliance and reinforce the regulatory speed limit.
