B. CALL TO THE PUBLIC

C. APPROVAL OF AGENDA

Committee Member Jackie Craig moved to approve the agenda. Committee Member Fausto Burruel seconded the motion. The motion passed, 5-0.

D. APPROVAL OF MINUTES

Committee Member Wayne Barnett moved to approve the minutes as amended. Committee Member Burruel seconded the motion. The motion passed, 6-0.

E. ANNOUNCEMENTS

Committee Facilitator Cramer provided the following announcements:

- Procurement for the 50th Anniversary Mural has been finalized with artist Ignacio Garcia. Staff will coordinate with him to schedule a future meeting to provide feedback on the proposal submitted in response to the RFP.
- Staff met with Pima County to discuss potential art placement at the El Rio Preserve. Pima County indicated that a Facility Impact Permit would be required, along with submission of the footer design. Should the artwork extend beyond the pad, coordination with the Pima County Cultural Resources team would also be necessary. The County further advised that materials placed along the Loop should avoid glass and tile and should include graffiti-resilient coatings.
- Staff has updated the Public Art Policy to allow additional flexibility in staff membership. The revision permits departmental designees to represent department heads. This update was completed administratively, as it did not alter the intent of the policy and administrative changes were authorized in the most recent Council-approved update.
- Staff looks forward to the upcoming ribbon cutting for the Rattlesnake art installation and the Twin Peaks Road Widening Project. Parking will be available along Twin Peaks Road near the sculpture.
- Following internal discussion, staff will release the RFP for the TABY Project in advance of the grant award and contingent upon its approval. This timeline ensures procurement can be completed in time to support fabrication during the upcoming summer.

F. GENERAL ORDER OF BUSINESS

- Discussion regarding potential public art archway at the disc golf course.

Staff provided an update on the El Rio Recreation Area disc golf project and discussed the proposed public art elements, including the entry arch and metalwork, decorative concrete, project timing, and funding. Staff noted that previous bids estimated the art component at approximately \$76,000 and explained that the project is being reduced and rebid, with the art component included as a bid alternate.

Committee members asked questions regarding the scope of the art elements, construction timing, available Public Art funding, and whether Public Art funds could supplement the project if the bid alternate exceeded the project budget. Members expressed support for retaining the artistic entry feature and discussed the timing of the project in relation to other Public Art priorities.

Committee Member Burrue moved to approve utilizing Public Art funds toward the El Rio disc golf project art component, if necessary. Committee Member Barnett seconded the motion. The motion passed, 6-0.

- Discussion of upcoming meeting dates and Loop tour.

Facilitator Cramer informed the Committee that meetings for November and December would need to be rescheduled to accommodate upcoming holidays and noted that a tour of the Loop still needs to be scheduled. The Committee discussed potential dates and agreed that staff would propose options for consideration. Staff also noted that upcoming meetings will include Open Meeting Law training for new members, an update from the CIP team, an update on the Tourism Master Plan, and the planned Loop tour.

G. DISCUSSION/POSSIBLE ACTION

H. FUTURE AGENDA ITEMS

I. ADJOURNMENT

Ms. Cramer requested a motion to adjourn.

Committee Member Craig moved to adjourn the meeting. Committee Member Barnett seconded the motion. The motion passed, 6-0. The meeting adjourned at 1:33 p.m.
