I. INTRODUCTION

The following represents the Operating Plan for the Business Improvement District (BID) in the Village of Menomonee Falls, Wisconsin ("Village") for the calendar year 2027. The Operating Plan has been prepared to define the activities of this Business Improvement District. This Operating Plan complies with the requirements of §66.1109, Wis. Stats., ("BID Statute") which enables the creation and continuation of Business Improvement Districts. It provides a mechanism to assess property owners in the designated area to develop, manage and promote such district. The fiscal year for the BID coincides with the calendar year. The Business Improvement District is shown on the map below entitled **Exhibit A**.

EXHIBIT A

II. PURPOSE

The purpose of this Business Improvement District Operating Plan (“BID Plan”) is to promote the development, redevelopment, maintenance, operation, and promotion of the BID, for the economic benefit of all businesses and property owners within the BID.

The BID was created, and the BID Plan adopted, as a private sector initiative for implementing business recruitment and redevelopment opportunities, to promote the orderly development of the Village, and to carry out the economic development strategies in the Land Use and Transportation System Plan For the Village of Menomonee Falls: 2010 adopted by the Plan Commission on September 27, 1989; and in the Overall Economic Development Program Plan adopted by the Village Board on April 20, 1987; and subsequent amendments, and in the Village Centre Master Plan adopted by the Village Board on October 15, 1990. The goals in the 2027 BID Operating Plan align with the recommendations of the 2010 Village Centre Master Plan and support the community-wide vision adopted in the Village’s 2025 Comprehensive Plan Update.

Carrying out this purpose, and the goals set forth below, shall assist in the overall economic development strategy of the Village as identified in such plans. Revitalization and redevelopment in the BID are key components to the overall master planning and development of the Village.

The property owners advocating for the continuation of the BID view it as a method to build on work previously done in the community to improve the downtown. These property and business owners and the board of directors of the BID have pledged to work cooperatively together and with Menomonee Falls Events, the Village of Menomonee Falls, and other organizations to enhance the vibrancy of downtown Menomonee Falls.

VI. METHOD OF FINANCING & ASSESSMENT

Funding Overview

The projects proposed in the BID Operating Plan will be funded during the calendar year 2027 by:

- a. The remainder of the budgeted amount shown below, by the special assessment process defined in the BID Statute, as applied below.
- b. The application of any contributions received by the BID Board, and the proceeds of any special grants, or special financing discovered by the BID Board.
- c. A sponsorship program and event revenue.

BID Special Assessment for 2027

The BID assessment is hereby levied by the Village, which shall be a lien against each of the tax parcels of real property contained in the BID, unless exempted as identified herein, under the power of §66.1109, Wis. Stats, calculated by multiplying the assessed value of the real property, as shown in the official records of the Village Assessor as of the adoption of the plan, by \$2.39 per one thousand dollars (\$1,000.00) of assessed valuation, as adjusted for the Cap formula that follows. If the calculation of the special assessment using this formula would result in an assessment of more than \$3,100.00 ("Cap") for any one tax key number, then the assessment for such tax key number shall be \$3,100.00. If more than one tax key number is owned by the identical entity or person, and is used as one functional unit, such parcels are effectively one economic unit, and the Cap formula shall apply to such parcels as if they were one tax key number.

This Cap is imposed because it is difficult to apportion the benefits of the BID's activities to each property within the BID. The benefits accruing to BID members from the expenditure of these funds cannot be precisely quantified. Therefore, it is assumed that the burdens and benefits are shared equally by each member up to the level of the Cap.

Falls Harvest Fest

The assessments for 2027 are shown in **Exhibit C**, attached. Such special assessments are hereby levied by the Village by adoption of this BID Plan. Beginning in 1995, and for any future years of the BID District, the amount of the assessment shall be given to the Village 60 days before the commencement of the year for which the new BID Plan is adopted, and the Village shall insert the amount of special assessment on the tax bill for each tax parcel in the BID. The assessment shall then be due with the first installment of real estate taxes and shall carry the same penalties and interest if not so paid.

The Village shall collect such BID assessments and release them to the BID Board by end of February 2027. While the Village is holding such assessments, they shall be held in a segregated account. The BID funds will be maintained and controlled by the BID Board which has all powers necessary to implement this BID Operating Plan.

Special assessments will be levied against all parcels of real property in the BID, except that tax exempt properties, identified as EXEMPT in **Exhibit C**, shall be excluded from the BID, and except that property used exclusively for residential purposes shall not be assessed. Property used exclusively for manufacturing purposes will not be subject to BID assessments.

Voluntary Contributions & Associate BID Members

The BID will accept and solicit contributions, including contributions from private property owners and from property owners and organizations outside of the BID.

Owners of non-commercial property within the BID, and property owners and organizations not located within the BID may become associate members of the BID. Associate members shall be assessed a membership fee of \$100 for businesses, \$75 for non-profits, and \$50 for home-based businesses. Invoices will be sent dated January 1, 2027, and must be paid by January 30, 2027 to qualify for 2027 membership privileges. Associated members joining mid-year will be pro-rated using a 12-month calculation and have 30 days to pay.

**Re: Review of 2027 Operating Plan of the Business Improvement District as Required
by Wis. Stats. § 66.1109(1)(f)5**

Mr. DeBuff:

I reviewed the draft 2027 Operating Plan of the Menomonee Falls Business Improvement District (BID) for the downtown area. I understand the BID Board will review this draft on October 14, 2026, and the Village Board will review and consider approval of the 2027 Operating Plan on October 19, 2026. The plan I reviewed contains the information required by state law in compliance with Wis. Stats. §66.1109(1)(f)1-4.

A copy of this letter will be attached to the 2027 Operating Plan as Exhibit D.

Very truly yours,

VILLAGE OF MENOMONEE FALLS
