Re: Application for an Operator's License

Dear Jenine:

On June 1, 2026, you re-appeared before the General Government Committee regarding your application for an Operator's License from the Village of Menomonee Falls. Your application was held until June 15, 2026 at 6:00 p.m. for you to present competent written evidence of sufficient rehabilitation and fitness to perform the responsibilities of being a licensed operator.

The General Government Committee has tabled your application until its next meeting on June 15, 2026 at 6:00 p.m. At this meeting, the Committee invites you to present competent written evidence of sufficient rehabilitation and fitness to perform the responsibilities of being a licensed operator. Under Wis. Stat. § 111.335(4)(d), competent evidence of sufficient rehabilitation may be established by the production of any of the following:

- The individual's most recent certified copy of a federal department of defense form DD-214 showing the person's honorable discharge, or separation under honorable conditions, from the U.S. armed forces for military service rendered following conviction for any offense that would otherwise disqualify the individual from the license sought, except that the discharge form is not competent evidence of sufficient rehabilitation and fitness to perform the licensed activity if the individual was convicted of any misdemeanor or felony subsequent to the date of the honorable discharge or separation from military service.
- A copy of the local, state, or federal release document; and either a copy of the relevant department of corrections document showing completion of probation, extended supervision, or parole; or other evidence that at least one year has elapsed since release from any local, state, or federal correctional institution without subsequent conviction of a crime along with evidence showing compliance with all terms and conditions of probation, extended supervision, or parole.

In addition to the documentary evidence described above, the Village Board of Trustees will consider any of the following evidence presented by you:

- Evidence of the nature and seriousness of any offense of which you were convicted.
- Evidence of all circumstances relative to these offenses, including mitigating circumstances or social conditions surrounding the commission of the offense.
- Your age at the time the offense was committed.

- The length of time that has elapsed since the offense was committed.
- Letters of reference by persons who have been in contact with you since your release from any local, state, or federal correctional institution (if applicable).
- All other relevant evidence of rehabilitation and present fitness that you wish to present.

All written evidence should be delivered hard copy to the Clerk's Office or sent via email to licensing@menomonee-falls.org no later than Wednesday, June 10, 2026 at 4:15 p.m.

Please remember that you must also appear at the General Government Committee meeting on June 15, 2026 at 6:00 p.m. That meeting will be held in Village Hall Room 2245. At that meeting, the Committee will further discuss your application with you, and will then make a final recommendation to the full Board of Trustees.

Sincerely,

VILLAGE OF MENOMONEE FALLS

Subject:

Consideration of a Resolution Approving the Municipal Court Bail Schedule for All Non-Traffic Municipal Ordinance Violations

Background Information:

Pursuant to state statutes, the Municipal Court Bail Schedule is set by the Municipal Court subject to the approval of the Village Board of Trustees. The Bail Schedule was last updated in 2024. The redlined copy shows the changes from the previous Bail Schedule. Most of the revisions are clean up, except for adding a bond amount for not having an alarm permit. All but a few amounts have also gone up by $10.00 following 2025 WI Act 113, which increased the maximum local court cost from $38 to $48 on each citation.
