AGENDA ITEM TITLE:

Consider approval to authorize the Muskogee Fire Department to submit grant applications to the Assistance to Firefighters Grant program for a total potential award of \$1,100,000.00, to be used for the purchase of fire apparatus and personal protective equipment, or take other necessary action. (Michael O'Dell)

BACKGROUND:

These are FEMA Assistance to Firefighters Grants (AFG). FEMA offers these AFG grants yearly for fire departments. We are proposing to submit one grant for the purchase of possibly two fire trucks. The current fire department fleet is in excellent condition but the reserve apparatus are 30 years old and fall into a class of apparatus called open cab which has recently been deemed unacceptable by NFPA standards. The second grant is for Personal Protective Equipment (PPE's) which are the bunker gear that firefighters wear into fires. NFPA recommends that bunker gear be retired after 10 years. With this grant we are hoping to replace all the gear that is past this age or approaching it. Also we hope to replace any gear that may be worn or unfit.

RECOMMENDED ACTION:

Approve a resolution allowing the Fire Chief to apply for these two AFG grants with a possible award of up to \$1,100,000.

Fiscal Impact

FUNDING SOURCE:

10% match to be paid from fire capital outlay funds or county fire funds.
